The CONATION OF LORD DURMAM.

The Provision Bulwark:

The Provision Bulwark: built in this instance, his impetuously carried him too far, and, in a single hour, he lost much of that popularity, the love of which was from Quebec to the oditor of the New York of equal to his master passion. After his spee, h, I moved down towards the bottom of the table, where a host-of-young berristers, strongly tractined with Radicalizm, who were hading the Chapter over he coals with an energy and veherance considerably increased by the inspiration of the country moments up on the cou mence considerably increased by the inspirate mence considerably increased by the inspirate mence considerably increased by the inspirate mence that proceedings, while some two or three country gentlemes and ballies procedured to the filling of t ment from those dashing young fellows. Several of them abused Broughou savegely for baving dured to criticise the Radicals in such several of them abused Broughou savegely for baving dured to criticise the Radicals in such several of the several terins; and all took it for gramed that we charge of reshness and impanence, which was evidently meant for Lord Durham; would be so koenly felt by that nobleman, as to call from him to end yield by the landers of the a spirated and vigorous rejunder. The language and manner of Brougham, in sinding to the graves of the Radicale, were certainly as sometime of the Radicale, were certainly as contemptuous as could be. He rid cuted then as men hearst enough, but of so reflection as men hearst enough but of some contempt to be a second enough but of some some deck, some form the second end of the men and the true stant of the language of the language of the second end of the remaining places, and the true stant of the hearst end as the true stant of the hearst end as a stant when the second end the remaining places, and the true stant of the hearst end as a stant when the true stant end as the true stant of the hearst end as a stant when the stant of the language end manner of the language end and the true stant end as the language end manner of the language end manner of the language end manner of the language end manne

moiate. Had he relected a moment, he must have known that he would certainly array against haself the prejudices of a great portion of his auditors, and strengthen their sympathies in layer of Lord Dutham. And nothing, lever hard more attenged; it thus takes the interpolity and institutive consciousness of power, which beiong to that extraordinary man's character, even his daring to give battle to the Peo, le's Peer, on such an occasion. Every one seemed to apprehend that the colision, it is should occur, would be tremendous; and white many hoped that Dutham would allow the impulsion to pass unheeded—the majority wished too to pass unheeded—the was acceptant to get a different properties. Lord Dutham then sluded to the Canada.—wald they were very imperiorly known by

rels which under happier auspices would chains or to the said Bank or shore of said have entwined around the head of Lord Dursham, were so soon to be blighted and prematurely destroyed? And how unworthly be a this been effected? To gravife near the same to the same to the place of beginning. Containing in the whole that the same to the place of beginning. Containing in the whole the same to the place of beginning. be a this been effected? To gratify party spirit. But the Whigs have to come to their account; and although Lord Durham can hardly be expected to swerve from the paramit of those liberal principles which he has all along so steadily maintained, yet he will surely refuse to co-operate any longer with persons by whom he has been deserted and sacraficed in so unprincipled a manner. We might even go further and surmise, that its sale. might even go further and surmise, that it sale. the Earl be inclined to take a part in pub. he affairs (which as the intimate friend or the young Queen he can hardly avoid,) he would probably listen to overtures from the Duke of Wellington and Sir Robert Peel to coalesce under a mutual surrender of extreme politics; in which case sensible and cautious reform would go forward, and the rule of the Whigs would cease forever.

The particulars of the Great Wextern, a variety of items, and the Address of the Delegates with Lord Durham's reply, are unavoided St. Andrews, Sep 22, 1838 -374bp. ably postponed till next week, for which delay, the crowded state of our colums will, we trust, be a sufficient apology.

VANKEE FARMER AND NEWS LETTER.

S. W. Cole, Editor. C. P. Bosson, Publisher Office, No. 34, North Market street, Boston

The YANKES FARMER AND NEWS LETTER is a weakly publication of eight pages, devo-ted to Agriculture and Miscellaneous Intelligence, on a large quarto sheer, pagd; price \$2 per annum, payable in advanceelt is the largest and cheapest Agricultural p. blication in New England. A volume cont a ning 416 pages, quarto, to which is added a altitle page and copious index : bound in a book form, will always be worth the subscription

The Farmer will contain Essays, original and selected, on all Agricultural subjects, turnishing instruction for the Dest mode of practice in all the departments of husbandry, a choice selection of miscellaneous reading, CAMUEL GETTY, has received his usual supply and a summary of news. In lurnishing the

when will be a law urable opportunity to sub-scribe. The publisher has such confidence in the utility of the paper that he proposes to receive subscribers conditionally, that if they are not satisfied they may stop in the cours e of two months, WITHOUT PAY.

Subscriptions may be sent by mail. Postmasters are requested to act as agents in pro-curing subscribers. Ten dollars will be recived as payment for six copies.

CHARLES P BOSSON.

Jan 20] 36 North Market street, Boston.

NOVA-SCOTIA.

OF DELLY will be published for Schools and PHE AND HISTORY OF NOVA SCOTIA, Written in plain d easy language, with biographical and explana-v stores and it is raised by A. Naw Mar or Nova orra and the adjusted Previnces

try, with a clear view of its principal Geographic coll features.

The subjects will be arranged in short chapters, upon the surversally approved plan of Pinnock's Catechisms—with this provident deviation—that although the questions could be their grouper places, the answers will be independent of them, and being printed in type one are arranged than the duestions year to read successively without interruption.

The body and will be said of the lowest possible of pages, and will be said of the lowest possible.
