LIPE ASSURANCE COMPANY,
Ba 1, Princes Street, Benk, London, CAPITAL-ONE MILLION STERLING. wered by Special Act of Parliame 4 Victs, Chap. 9. REDUCED RATES OF PREMIUM—HALF CREDIT RATES OF PREMIUM.

THE great and decided success which has attended this Institution, has induced the Directors to REDUCE the RATES originally required in British North America, to the ordinary European Rates. The senult of such Reduction is to embis parties to avail themselves of the important benefits to Life Assurance at such Josep Rates of Pressions than those of one other Assurance Company I assecting business in Casada. The Directors have also resolved to extend to British North America the advantages afforded by the HALF CREDIT RATES of PREMIUM which have been us highly approved, and are so generally adopted by Policy Holders in the United Kingdom. The most liberal conditions are likewise offered to the Assured in the limits to which they may proceed by see or land, to other parts of North America without affecting their Interest in their respective Policies.

Director of Montreal College,
Montreal, April 20, 1848.

Montreal, April 20, 1848.

From the Rev. B. Davis. D. D., Minister of the Baptist Church. Montreal.

I most willingly bear testimony to the good effects of SMITH'S EXTRUMINATOR. I found my present dwelling over-unit with Beetles; the automace bid defiance to all efforts to abate it, until this preparation was applied. One Box has sufficed to exterminate the Insects almost entirely from the house. Similar cases, of success have occurred in my neighborhood.

BEN1. DAVIS. d, Sydenham Place, Montreal, Nov. 15, 1848.

This preparation is warranted in all cases; and Anss preparation is warranted in all cases; and Agents are instructed to refund the money to purchasers, should it not prove effectual.

The great popularity and excellence of Dr. Christie's Galvanic Curatives, consists in the fact that they arrest and cure disease by estuerd application, in place of the usual mode of drugging, and physicking the patent, till sahautel Nature sinks hop-sleesly under the infaction. They strengthen the whole system, equalize the circuition of the blood, promote the secretions, and never to the slightest injury under any circumstances buce their introduction in the United States, only thre years since, more than

75,000 Persons including all ages, classes and conditions, among which were a large number of ladies, who are pace liarly subject to Nervous Complaints, have been EMTIRELY AND PERMANENTLY CURED, when all hope of relief had been given up, and even-thing else been tried in vain ! when all hope of relief had been given up, and everthing else been tried in vain!

To illustrate the use of the GALVANIC BELT,
suppose the case of a person afflicted with that has
of civilization, DYSP-FSIA, or any other Chroac or
Nervous Disorder. In ordinary cases, stimulate us
taken, which, by their action on the nerves and sucles of the stigmach, afford temperary relief, but whet
leave the patient in a lower state, and with norm
faculties, after the action thus excited his cessel.
Now compare this with the effect resulting from the
application of the GALVANIC BELT. Takes 1 prepertor sufferer, even in the worst symptoms of a
strack, and simply the the Bell around the Bert ung
the Magnetic Fluid as directed. In a short period
to insemable perspiration will act on the positive element
of the Bell, thereby causing a Galvanic circulation
which will peas on to the negative, and these beck
again to the positive, thus beeping up a consessed
following circulation throughout the system. Thus
the most severe cases of DYSPERSIA are PERMANENTLY CURED. A FEW DAYS IS AMPLY
SUFFICIENT TO ERADICATE THE DISEASE
OF YEARS.
