The copy filmed here has been reproduced thanks to the generosity of:

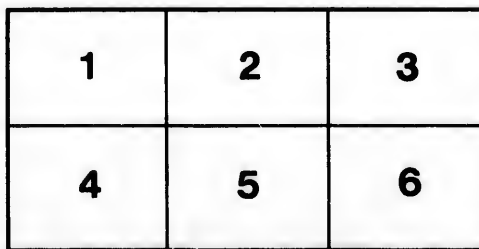

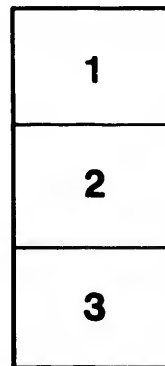

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

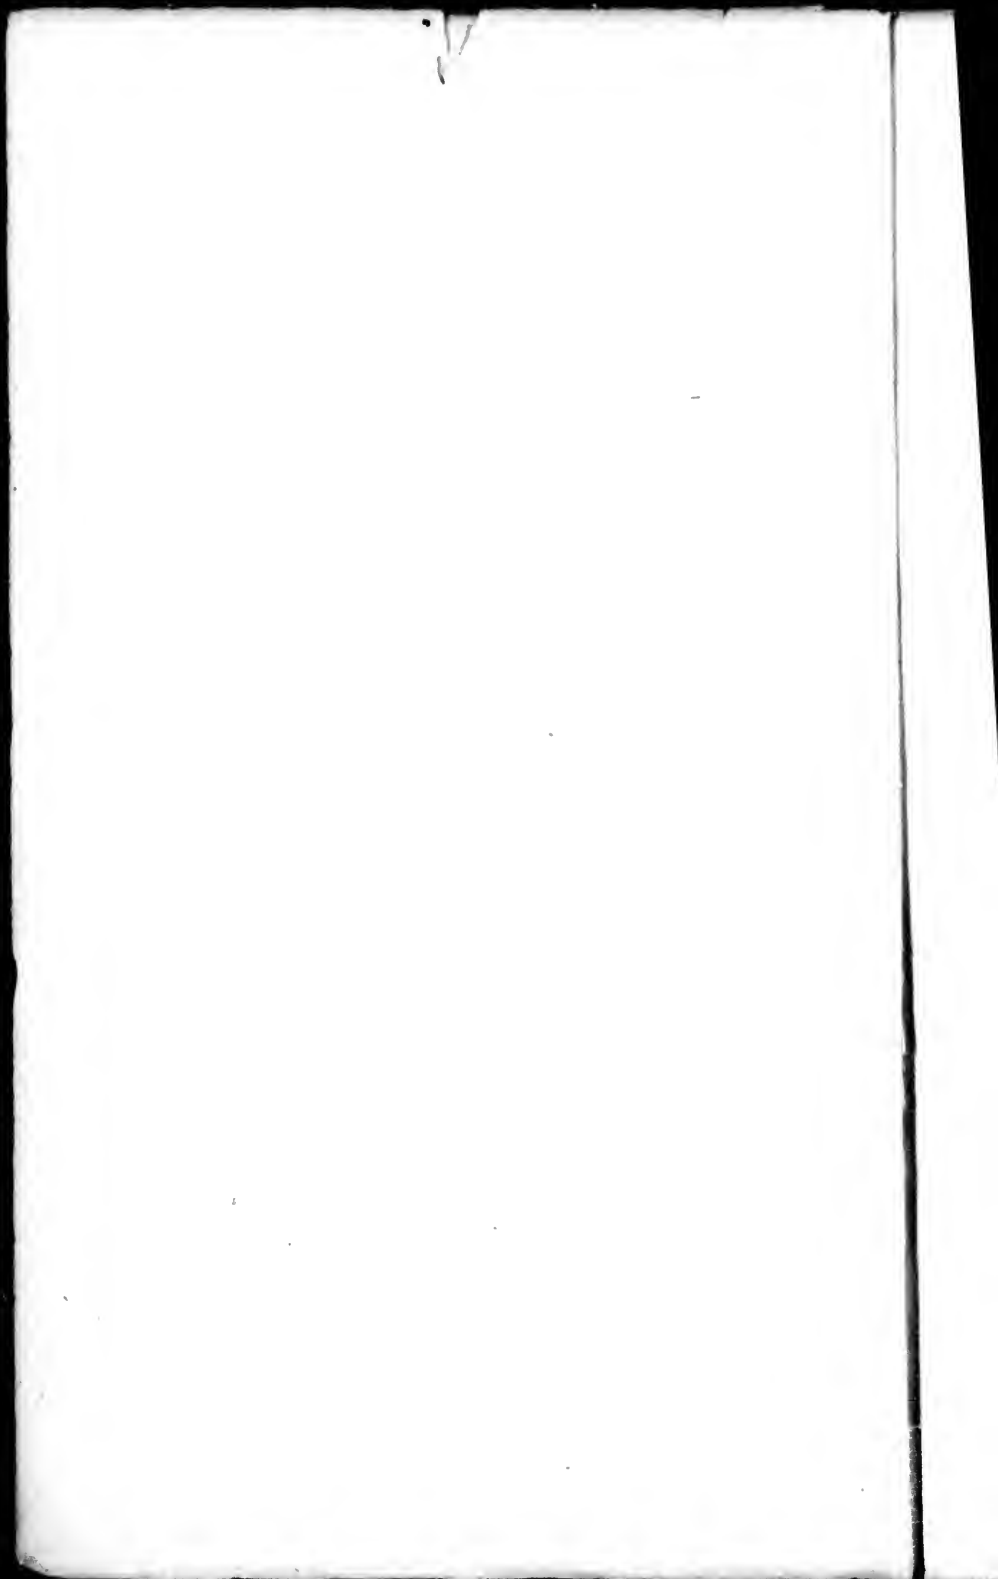

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

1849/50

P R E F A C E .

It was not without some misgivings as to a new edition of the City Directory being remunerative, that its preparation, this year, was undertaken; but as a considerable number of the regular supporters of the work expressed a desire for its appearance, the Editor was induced to comply with their wishes, and the result is that the present volume (being the seventh annual one of the work) is now submitted to the public.

As many statements, which he believed to be exaggerated, of the alarming decrease of the population of the City, had been current for several months previous to his commencing to collect the information for this volume, the Editor resolved, as far as practicable, to ascertain the number of tenements which were unoccupied in the City in the month of May, with a view to place the matter fairly before the public.

After carefully noting the houses in each street which had a "Let" upon them, he found that the number (including *stores* and *parts* of houses) was about 950. Now if we assume, which will be about the fact, that each of the unoccupied tenements represents a decrease of six persons in population, we find that the whole number is 5,700; to this, however, may be fairly added from four to five hundred more, consisting chiefly of mechanics and others who have left the City for Upper Canada and the United States in search of employment, while their families still remain here.

This statement, which it is confidently believed, is very near the actual facts of the case, shews a decrease of at most 6,200 in our population; while some alarmists have gone so far as to state that from 15,000 to 18,000 people, that is, fully one-third of the whole population in our most prosperous times, had emigrated from the City within the last eighteen months.

When preparing the matter contained in the present volume for press, it was found that a number of persons of respectability, whose names have generally appeared in former editions of the Directory, were not noted as residing in the City,—although every house within the City limits was visited in collecting the information. In all such cases, circulars were addressed to the parties, requesting to know where they resided; and in every instance in which a reply was received, the name appears in its place in the ALPHABETICAL DIRECTORY, or in the *Addenda*, which see.

In several instances, and those at houses occupied by persons of some apparent respectability, all information was flatly refused; the parties so refusing having doubtless as good reasons for doing so, as others have for seeking them.

Notwithstanding these, and some minor difficulties in obtaining the requisite information, it is believed that the present Directory is *even more full and complete* than any former edition; and to add to its value, a list of the subscribers to the QUEBEC DIRECTORY, comprising most of the respectable PROFESSIONAL and BUSINESS MEN of that City, arranged under their respective heads, is given as an appendix. When preparing the next edition of his "*Quebec Directory*," it is the Editor's intention to give in it a similar list of the supporters of his "*Montreal Directory*;" so that the Directory of each City respectively will be in a considerable degree an advertisement for his friends and supporters in the other.

Trusting, in conclusion, that the purchasers of the Directory will find the work to be well worth its cost, as saving both time and labor; and *requesting that they will, under no circumstances, lend it to their neighbours carrying on business, who can afford to purchase the work, but don't do so;*

He has the honor to be their obliged and faithful servant,

ROBERT W. S. MACKAY.

Montreal, June 30th, 1849.

ACADEMY,

CRAIG STREET, NEAR BLEURY STREET.

JOSEPH T. DUTTON, PRINCIPAL,

(*Corresponding Member of the National Institute of the United States.*)

THE plan of instruction and discipline in this ACADEMY is such as is eminently calculated to impart practical and complete information on every subject, and to induce those habits of promptitude, punctuality, energy, order, economy, and honorable independence, which are so essential in successfully training, and preparing youth for stations of usefulness and respectability in society.

The system adopted is based on the Word of God, and on those great principles of civil and religious liberty which form the basis and bulwark of the British Constitution, but to the exclusion of every thing sectarian or partizan.

APARTMENT DECORATION,  
ON PAPER IMITATING WOOD,  
AND OTHER FANCY DECORATIONS.

PIERRE GAUTIER, French Decorator or Paper Hanger, having lately arrived in Montreal, most respectfully offers his services to the public. He has already received in this City a good encouragement, and his work has been highly appreciated. To the Art of Decoration, he joins that of Painting; and the studied combination of this double talent has produced in this City the most unexpected results.

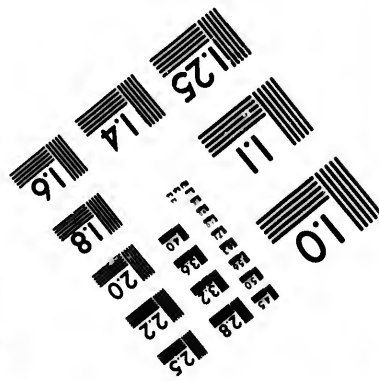

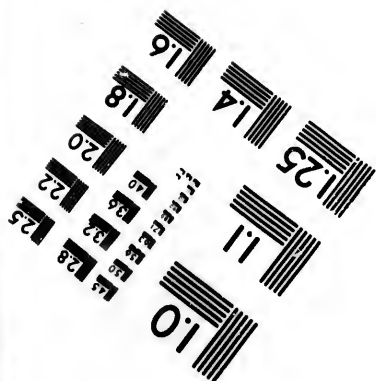

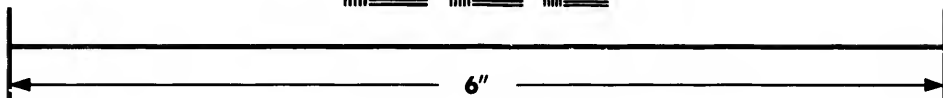

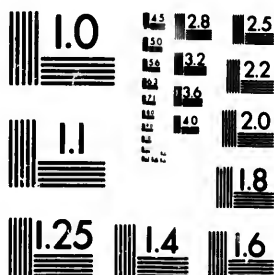

Having been educated at Paris, in a Decoration establishment of a great reputation, and of the most fancy style, and having perfected his talent in London, he hopes he will meet and maintain the approbation which he has been honored with in that double branch of Painter-Decorator.

For other particulars, inquire at Messrs. FABRE & Co., St. Vincent Street, or at his residence, No. 84, corner of Notre Dame and St. Vincent Streets.

## Montreal Fire, Life and Inland Navigation Assurance Company.

Empowered by a Special Ordinance, 1840, and by Provincial Act  
6th Victoria, cap. 22.

C A P I T A L—£200,000.

*Head Office, Great St. James Street, Montreal.*

BOARD OF MANAGEMENT.

Hon. JAMES FERRIER, *President.*

DIRECTORS.\*

WM. MURRAY, *Manager.*

This Company is composed of a numerous body of proprietors, affording, in addition to the paid up Capital, ample security to the Assured. On commencing the Fire Department of the business, the Company reduced the rate 25 per cent., and the decided success which has attended its operations in that department, affords satisfactory proof that the advantages which it offers have been duly appreciated by the public.

At the recommendation of many of the most respectable merchants of this city, and elsewhere, the Directors were induced to embrace the Inland Marine branch of the Insurance business, and accordingly, have commenced to grant Insurance against all Loss and Damage to Vessels or their Cargoes, navigating the Rivers and Lakes of this Province.

In a short time the Company will also be prepared to commence the Life Department of the business; due notice of which will be given.

THE increasing business of this Company, and a desire on the  
 part of the Directors to meet promptly and to afford every facility  
 for the adjustment of all claims on them for loss or damage

 business hours, daily.

Assurances in the Fire and Marine Departments may be effected without reference to the Directors: the Rates of Premium charged therefor being in accordance with the printed Tariffs of the Company, which will be found as favourable to the assured as those of any of the Provincial Companies.

This Institution embraces important and substantial advantages with respect to Life Assurance and Deferred Annuities. The Assured has, on all occasions, the POWER TO BORROW, without expense or forfeiture of the policy, two-thirds of the premiums paid; also, the option of selecting benefits, and the conversion of his interests to meet other convenience or necessity.

Assurances for terms of years at the lowest possible rates.

Persons insured for life, CAN, AT ONCE, borrow half the amount of annual premium for five years, on their own note, and deposit of Policy. PART OF THE CAPITAL IS PERMANENTLY INVESTED in the United States, in the names of three of the Local Directors—as Trustees—available always to the Assured, in case of disputed claims (should any such arise) or otherwise.

The payment of premiums, half yearly or quarterly, at a trifling advance upon the annual rate.

No charge for stamp duty.

Thirty days allowed after each payment of premium becomes due, without forfeiture of policy.

Travelling leave extensive and liberal, and extra premiums on the most moderate scale.

**DIVISION OF PROFITS.**—The remarkable success and increased prosperity of the Society have enabled the Directors, at the last annual investigation to declare a fifth *bonus*, varying from 20 to 48 per cent, on the premiums paid on each policy effected on the profit scale,

To persons assured by the Society permission is granted to proceed in steamships or first class sailing packets, between ports in Europe and any ports in North America (North and East of Baltimore, including said Port of Baltimore); also in steamships or sailing vessels, between any ports in the British North American Colonies, or between any such ports and those of the United States, (North and East of Baltimore as aforesaid,) *at all seasons of the year, FREE OF EXTRA PREMIUMS.*
