REPORT

OF THE

COMMITTEE OF MANAGEMENT

TO THE MEMBERS OF THE SOCIETY
FOR THE YEAR 1880.

— o —

The Committee of Management, on completing their term of office, beg to make the following report, being the 45th since the foundation of the Society.

The Society's sources of revenue having been materially affected by the falling off in the rate of interest upon their investments, the Committee have been obliged to curtail their expenditure accordingly. They have, however, endeavoured to distribute the amount at their disposal as carefully as possible, and have relieved 78 cases of distress, comprising 169 persons, the total amount expended in charity being \$505.84. For details regarding this expenditure the members are referred to the report of the Sub-Committee of Charity appended hereto.

One ordinary member has been enrolled, and one has resigned.

The usual anniversary service was held in the Cathedral on the evening of St. George's day, when the Rev. G. V. Housman, one of the chaplains to the Society, preached the sermon, and the Revd. M. M. Fothergill, the Revd. C. W. Rawson, and Revd. Thos. Richardson assisted in the service. E. A. Bishop, Esq., organist to the Cathedral, undertook the musical portion of the service, and the ladies and gentlemen of the choir and others tendered their valuable assistance. To all of the above mentioned the Committee desire to express their appreciation of this and previous similar favors.

tary of the Society, Mr. Wm. Enfield Cole, junior, also a life member, and Mr. Thomas Glover, an ordinary member.

Our Society in the person of its chief officer has been the object of the usual civilities on the part of sister societies and other corporations in this city.

We have been addressed on two occasions by the North America St. George's Union, enquiring in the first place for details as to our organization, membership, revenue, and expenditure, and secondly, asking for information in regard to our district as a field for immigration. To both of these communications your Secretary replied. The North America St. George's Union is an organization composed at present of about fifteen St. George's Societies in the United States, and as many in Canada, united together for the advancement of objects, common to all, and representatives from which meet annually to confer upon any matters which may be in the interest of the St. George's Societies upon this continent.

Your Committee desire to express their sense of the careful and pains taking manner in which the Chairman of the Sub-Committee of Charity, Mr. Oliver, has attended to the duties of his office, viz: the superintendence of the distribution of the Society's charitable fund. The judicious expenditure of from \$500 to \$700 per annum in charity is a task of no little difficulty, but the fact that so large an amount is annually distributed to the deserving poor should be very satisfactory to those who, by becoming members of the Society are now contributors to this fund, and the operations of the Society generally should, in the opinion of your Committee, be of such interest as to induce a larger attendance at the various meetings, in a body composed of over one hundred persons now resident here.

The whole respectfully submitted.

HENRY J. PRATTEN,
President.

Secretary.

AGEMENT

The thanks of the Sub-Committee and the Society are due to Thos. Beckett, Esq., who donated twenty-five dollars to assist a family of seven to England; they are also due to the Finlay Asylum authorities for their liberality in the case of William Johnson; and to William Miller, Esq., for providing passages and finding vessels for several men to enable them to work their way home.

The Richelieu Navigation Company have in all cases forwarded our applicants at half fare, and the thanks of the Society are tendered to them.

L. Stafford, Esq., has, with his usual kindness, rendered the Society such services as lay in his power, and to him the Society would convey their thanks.

It has been a difficult task for your Sub-Committee in consequence of the lowness of the funds to meet all the cases that have presented themselves, and many deserving ones have not received the amount their condition merited. As in former years, your Sub-Committee have not avoided being imposed upon; they nevertheless feel they have done what they could to avoid such cases.

The whole respectfully submitted.
