PREFACE.

HE Publisher takes pleasure in presenting to his Patrons the Fourteenth Volume of the Ottawa Directory, the issue of which has been somewhat delayed by the reprinting of some of the sheets destroyed by the fire which took place in the Bindery some weeks ago.

The Book will be found divided into Street, Alphabetical, Classified Business, and Miscellaneous Divisions, including the Suburban Villages contiguous to Ottawa.

In order to meet with the approval of the business community, every effort has been made to secure accuracy in the various departments.

ST. LAWRENCE HALL, MONTREAL, CANADA.

For the past 33 years this *Hotel*, familiarly known as the "*St. Lawrence*," has been a household word to all Travellers on the Continent of North America, and has been patronized by all the Royal and Noble Personages who have visited the City of Montreal.

This Hotel, including the entire block, which is admirably situated, being in the very heart of the City, and contiguous to the General Post Office, Public Buildings and other places of interest and of business, has recently been acquired by Mr. HENRY HOGAN, the former Proprietor, who has handsomely and appropriately decorated and renovated the interior, and completely refitted the whole of the apartments with new furniture, comprising 100 new rooms, and making the present number of apartments 250. A new and elegant Passenger Elevator has also been added, and the Halls and Public Rooms are lighted by the Electric and Incandescent lights, making it the most attractively lighted Hotel in the Dominion.

This Hotel is Managed by Mr. SAMUEL MONTGOMERY, under the immediate personal supervision of Mr. HOGAN, than whom no one is better qualified to conduct an hostelry of such magnitude as the *St. Lawrence Hall*, and than whom no one has gained a better reputation as an obliging, generous and considerate host.

Hotel Coaches in attendance on arrival of all Trains and Steamers.

All Baggage Checks should be given to the Porters in attendance.

STEWARTON.

Destined very shortly to be an important suburb of the City of Ottawa; is situated on lot F, Rideau Front, in the Township of Nepean and County of Carleton, and runs the whole length of the southern limits of the said city, until it connects with the concession line. It became the property of the late William Stewart, Esq., many years since, but has only been thrown open for general settlement within the last eight years. The Canada Atlantic Railway depot and work-shops are situated foot of Elgin street. The present population is about 400.
