Merchants and others will do well to note that the average Daily Circulation of **LA PRESSE** for the Month of May, 1891, was over 20,000, and keeps on rising all the time, which is more than the

Circulation of all the other French Papers in Montreal.

The Circulation of the Weekly Edition is close on to 6500 per week.

ADVICE GOOD TO TAKE:

ADVERTISE IN "LA PRESSE,"

If you wish to reach the French Canadian Population,

MONTREAL,

Entered according to Act of Parliament, in the year one thousand eight hundred and ninety-one
by John Lovell & Son, in the office of the Minister of Agriculture and Statistics of the Dominion
of Canada.

PREFACE.

IN presenting to the public this Fifth Edition of **LOVELL'S CLASSIFIED BUSINESS DIRECTORY**, the Publishers would say that in future it will be issued yearly, believing, as they do, that our City has now sufficiently increased in size to warrant its publication annually. It need hardly be said that the same labor and effort to secure accuracy which the Publishers have always put forth has not been withheld in the preparation of the present edition, and the Publishers have no doubt that **LOVELL'S CLASSIFIED BUSINESS DIRECTORY** will meet the approval of its patrons. The next edition will be published early in August, 1892.

It has been the endeavor of the Publishers to embody in the Directory as much Miscellaneous Information as is required by business men, including the **TARIFF OF CUSTOMS**.

Registration of Letters.—Persons posting letters containing value should be careful to require them to be registered, and to obtain from the postmaster a certificate of registration.

The charge for registration (use registration stamp), in addition to the postage, is, on all classes of matter, five cts.

Both the postage charge and registration fee must, in all cases, be prepaid by stamp.

Registered letter stamps have been issued of the denomination of 5 cents, which may be obtained at any Stamp Agency.

Registration stamps cannot be used in payment of postage.

Registration is not an absolute guarantee against the miscarriage or loss of a letter; but a registered letter can be traced where an unregistered letter cannot, and the posting and delivery or non-delivery can be proven.

Book Post, etc.—A book packet may contain any number of separate books, publications, works of literature or

art, maps or prints, photographs, daguerreotypes when not on glass, or in frames containing glass; and the books, maps, etc., may be either written, printed or plain, or any mixture of the three, provided that no letter be enclosed or any writing intended to serve the purpose of a letter; and may be either British, Colonial or Foreign. Limit of weight for domestic post, 5 lbs.; for foreign post, 4 lbs. Limit of size, 2 feet in length, 1 foot in width or depth.

Book packets must be open at both ends or both sides, and must not contain any letter or sealed enclosure.

The rate on book packets between any two places in Canada is 1 cent per 4 oz., which must be prepaid by stamps.

The rate to Great Britain, the United States and Newfoundland is 1 cent per 2 oz.

Miscellaneous Matter.—Miscellaneous matter, described as under, may pass between places in the Dominion of Canada upon prepayment of a rate of 1 cent per 4 oz. The limit of weight is 5 lbs. The regulations of the British Post-Office do not admit of the transmission by mail to the United Kingdom (or other countries beyond the sea) of miscellaneous matter as such; but a great part of the matter referred to under that head may be forwarded to the United Kingdom by book post.

1. On all books, pamphlets, occasional publications, printed circulars, prices current, handbills, and other matter wholly in print, and on packages of seeds, cuttings, bulbs, roots, scions or grafts, patterns or samples of goods or merchandise, the rate of postage is one cent for each four ounces or fraction thereof.

2. On book and newspaper manuscripts, printers' proof sheets, whether corrected or not, maps, prints, drawings, engravings, lithographs, photographs when not on glass or in cases containing glass; sheet music, whether printed or written; documents partly printed or written, not being letters, or intended to serve the purpose of letters,—such as deeds, insurance policies, militia and school returns, or other documents of like nature,—and on all other miscellaneous matter transmissible by post, and not otherwise herein expressly provided for, the rate of postage is one cent for each two ounces or fraction of two ounces; and the postage rate must in every case be prepaid by postage stamps, or stamped post bands or wrappers; provided that no letter or other communication intended to serve the purpose of a letter be sent or inclosed in any such package or thing mentioned, and that the same be sent in covers open at the ends or sides, or otherwise so put up as to admit of the contents being, if necessary, easily withdrawn for examination by the officers of the Post Office, to ensure compliance, with this provision (if enclosed in sealed envelopes notched at the ends or sides or with the corners cut off, letter rate of postage will be charged); and that the postage rate be prepaid by postage stamps or stamped post bands or wrappers in all cases. Limit of weight, 5 lbs.

No packet of miscellaneous matter can be transmitted by mail if it exceed 24 inches in length or 12 inches in width or depth.

Legal and commercial papers generally (including bank pass-books) are liable to letter rate of postage, except when sent as parcels by parcel post, and the exceptions above given to matter of that class are restricted to the documents specified, such as deeds and insurance policies.

Newspapers and Periodicals.—Newspapers and periodicals printed and published in Canada, and issued not less frequently than once a month from a known office of publication or news agency, and addressed and posted to and from the same for transmission by mail to regular subscribers or news agents in Canada and the United States, are sent free; if addressed to Great Britain, they may be posted by the same on prepayment of a rate of one cent for each pound weight in bulk, or fraction of a pound; and such newspapers and periodicals are to be put up into packages delivered into the Post Office, and the postage rate thereon prepaid by the publisher or news agent, being the sender thereof, under such regulations as the Postmaster-general may from time to time make.

To Newfoundland rate is one cent per four ounces. On all newspapers and periodicals posted in Canada, other than those addressed to regular subscribers or news agents, and *bona fide* specimen copies, from office of publication or news agency, including all newspapers and periodicals published less frequently than once a month, the rate will be one cent per 4 oz., to be invariably prepaid by postage stamp.

All newspapers and periodicals prepaid at the bulk rate of 1 cent per lb. must be stamped " Pre- paid by Publisher " at the Post Office where the news- paper or periodical is mailed. The English post office requires each newspaper or periodical to be stamped. If sent in packages the English Post Office declines to accept them.

Patterns and Samples within the Dominion.—Pat- terns and samples of merchandise and goods for sale, not exceeding 24 oz. in weight, may be posted, in Canada, for any place within the Dominion, on prepayment, by postage stamp, at 1 cent per 4 oz.

Insufficiently paid patterns or samples are charged double the deficient postage, if deficiency does not exceed 5c.

Registration fee on packages of samples and patterns, for any place in Canada, 5c. in addition to the postage rate.

Patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, etc., which cannot be sent in open covers, may be enclosed in bags of linen, or such like material, fastened in such a manner that they may be readily opened ; or in bags entirely closed, provided that they be trans- parent, so that the officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

The packet may bear on the outside the address of the sender, in addition to the address of the person for whom it may be intended, and also a trade mark or number, and the price of the sample enclosed ; inside, there must be no enclosure but the samples or patterns themselves. The particulars, however, of the trade marks, numbers, and prices may be marked on the articles themselves instead of on the outside of the packet, at the option of the sender.

Goods sent for sale or in execution of an order, however small the quantity may be, or any article sent by one private individual to another, which are not actually trade patterns or samples, are not admissible.

United Kingdom and United States.—Patterns and samples of merchandise, when addressed to the United Kingdom and United States, must not exceed 8 oz. in weight, and must be prepaid by postage stamp at the following rates :—1 cent per 2 oz., with a minimum prepayment of 2 cents covering a weight of 4 oz.

Useful Hints.—Register all valuable letters. Transmit money by money orders. Make complaints and inquiries in writing, and address the Postmaster-General at Ottawa. Preserve, and request correspondents to preserve, envelopes of missent or delayed letters. Send to the Postmaster General envelopes of letters about which you seek information or make complaint. In addressing letters, add the name of the county and province in which the office addressed is located. Place stamp on the right hand upper corner of the address side. Put your own name and full address in or on letter, to ensure return, if it cannot be delivered.

Parcel Post.—The charge on parcels by the Parcel Post to places within the Dominion is 6 cents for every 4 oz. or fraction thereof (with 5 cents additional if regis- tered). No letter must be inclosed ; if any discovered, the amount paid will be forfeited, and the parcel charged at unpaid letter rates. No parcel must exceed 5 lbs. in weight, and must be prepaid by stamps.

Eye-glasses and spectacles may be sent by mail when properly put up and prepaid by Parcel Post.

Parcel Post with the United Kingdom and New- foundland.—An arrangement has been entered into with the Post Office of the United Kingdom and Newfoundland

for a parcel post, under which closed parcels not exceed- ing 5 lbs. in weight may be posted in the United King- dom and Newfoundland, when addressed for delivery at certain post offices in Canada, and may in like manner be posted at those Canadian post offices for destination in the United Kingdom and Newfoundland.

The parcels exchanged with the United Kingdom will pass exclusively in the weekly mails conveyed by the Canadian Steamers to and from the St Lawrence in sum- mer and Halifax in winter, and such parcels cannot be sent via New York.

The parcel post with the United Kingdom and New- foundland will be governed by the following regulations :—

1. A parcel must not exceed 5 lbs. in weight.

2. The dimensions of a parcel must not exceed 2 feet in length by 1 foot in width or depth.

3. A parcel must not contain any explosive, combustible or dangerous article, nor any article of a perishable or fragile character, nor liquids or matters likely to injure other parcels or mail transmissions.

Fifth class matter must be so packed or put up as to be opened to examination of contents, and must not exceed a pounds in weight, nor 2 feet in length by one foot in width or depth. THE WINNERS OF THE PROVINCE OF QUEBEC LOTTERY.

THE two last drawings of this popular Lottery have caused great sensation in the public. On the 15th of July, Mr. Wm. Boag, chief clerk of the Albion Hotel, won the prize of \$5,000.00, which already is a pretty fair amount; but last Wednesday's drawing brought something better to the owner of the ticket No. 36703. A carpenter called Justinien Benoit of Weedon, P. Q., won the first capital prize of \$15,000.00, as shown in the following certificate:

"I hereby certify that I was the bearer of the ticket No. 36703, which drew the capital prize of \$15,000.00, at the drawing, the 5th instant, of the Province of Quebec Lottery; that I presented my ticket this day to the head office, and that I was paid immediately.

"Montreal, 11th August, 1891.

"JUSTINEN BENOIT,

"Weedon, Wolfe County, Que."

Witness:

C. H. LETOURNEUX, Wholesale Hardware Merchant,

St. Paul Street, Montreal.

SAM. BOURGEOIS, Merchant,

St. Hyacinthe, Que.

These fine strokes of good fortune are not the only ones which the Province of Quebec Lottery have experienced since one year only that it exists. During this short lapse of time it has given sixteen drawings, and to summon but a few names among the numerous winners, we will mention the postmaster of Folly Village, Nova Scotia, Mr. D. F. Layton, prize of \$5,000.00; an anonymous also \$5,000.00, which he caused to be collected through Mr. Leclerc, notary of Montreal; Mrs. Leon Gareau, 31 Anglesea Square, Ottawa, \$1,250.00; an accountant by the name of Godel, Dorchester Street, Montreal, \$1,250.00; Hon. Mr. Turcotte of Montreal, \$1,250.00; Mr. J. Malcomson of Toronto, \$2,500.00; La Banque du Peuple \$2,500.00, for one of their clients.

We need not say that the prizes \$500.00, \$250.00, \$50.00, \$25.00, and a large number of others of less value have been won a great many times.—*The Montreal Gazette*, 13th August, 1891.
