MORTALITY

is on the average VERY MUCH LOWER amongst Total Abstainers than amongst Non-Abstainers. THE Temperance & General Life is the Abstainers Company.

The TORONTO SCHOOL

....OF....

..Practical Psychosophy..

This school has been established with a threefold purpose. The primary object is to introduce to the intellectual world a **New Natural Science** which is founded on demonstrable facts and conformable to the rules and methods of other branches of experimental science. The second is to liberate people from the bondage of suggestion and sickness by teaching them the operation of a Universal Law to which every faculty and function of their Being is related. The third is to satisfy the desire of many Truth-loving, intelligent and inquiring people for a rational explanation of the vast array of psychical phenomena that has been recorded in modern times.

LECTURES:

The special class instruction will be confined entirely to the fundamental principles and distinctive features of the new science. These will be illustrated as frequently as possible by appropriate demonstrations.

SUBJECTS:

PSYCHOTISM, PSYCHOTHERAPY, PSYCHOSOPHY.

Examinations are held at stated intervals, and all candidates are expected to qualify for and submit to same before certificate of proficiency will be awarded.

A series of lectures will be given, embracing a review of classwork, to which all candidates for examination will be admitted free.

A SANATORIUM OF PRACTICAL PSYCHOTHERAPY

Has been established and equipped in connection with the school, where special attention is given to the personal treatment of those who are afflicted with acute or chronic, organic or functional diseases. A limited number of selected cases will be taken that have resisted all other methods of treatment.

This system is entirely distinct from Christian Science or Divine Science, and is an extension and elaboration of Psychotherapy—the foundation of which has been so well and ably laid by LIEBEAULT, MOLL, TUKE, BERNHEIM, TUCKER, HUDSON and others.

Further Information concerning Class Announcements, Prospectus, Fees and Cost of Treatment, can be gained by communicating with

With the Heeson Grate firemen can handle fires with closed doors, keeping them free and bright all over. Good combustion of coal. Quick generation of steam. Saves 10 per cent. of fuel. Saves boilers from being cracked by the cold air rushing in above the fire, cooling them. More air space than any other grate and never warps. Write for testimonials.

THE SONG OF THE LAWYER

BY JOHN IMRIE, TORONTO, CANADA.

WHO PLEADS his CASE "'gainst wind and tide,"
And swings HIS ROBE from side to side,
As proud as any new-made bride?
The consequential Lawyer!

Who loves his CLIENT and his BRIEF,
Yet who EXPOUNDS beyond belief,
Till all around gasp for relief
From the LONG-WINDED Lawyer?

Who gathers EVIDENCE with care,
And knows how best to "split a hair,"
That makes the honest Judge to stare?
The cute and cunning Lawyer!

Who knows the MERITS of each CASE,
Defines the MOTIVE, TIME, and PLACE,
Cross-questions WITNESS face to face?
The cool, clear-headed Lawyer!

Who looks just spoiling for a fight,
To right a wrong or wrong a right,
Because he is A LEGAL LIGHT?
The enterprising Lawyer!

How glad and happy does he feel
To WIN A CASE after APPEAL,
And make DEFENDANT squirm and squeal
At COSTS from PLAINTIFF'S Lawyer!

To say that JUSTICE must be blind
Is but a LIBEL most unkind,—
She swings a sword in front, behind,
To scare both JUDGE and LAWYER!

He helps us in our time of need,
From cruel WRONG or faulty DEED,—
Do not forget he has to feed—
FEE well your faithful Lawyer!

Question—IS LIFE WORTH LIVING?

BY JOHN IMRIE, TORONTO, CAN.

"Is this life worth living?" you ask;
Perhaps not—to those who repine,
And murmur at life's daily task,
Commencing each day with a whine!

The cowards who fret at their lot,
And listlessly pass time away,
Are not worth the "six-by-three plot,"
Or the shroud that'll wrap their dead clay!

Yes, life is worth living! thank God!
To those who are honest and true;
Who smile at misfortune, and plod
Till success doth crown them anew!

Oh! life is God's blessing to man,
Though ever so humble our lot;
Let each do the good that he can,—
'Tis better to "wear out" than rot!

Then, let not a murmur be heard,
Let duty encompass each hour;
Thank God for the life that is spar'd,—
In labor is honor and power!

Answer—YES; ONE DAY AT A TIME!

BY JOHN IMRIE, TORONTO, CAN.

WHEN worry, and care, and toil are ours,
And the day's weary heights we climb,
Let's think of the restful evening hours—
We live but one day at a time!

So let us toil on for those we love,
To fret and despair is a crime!
'Twill lessen our load to look above;
We live but one day at a time!

To labor and toil is man's estate,
The reward will come—dime by dime;
Be it ours to bravely work and wait—
We live but one day at a time.

Then work with a will and sing this lay
To the tune of the evening's chime,—
"Let canker and care fly swift away!"
We live but one day at a time!

And at last, when life's grey shadows fall,
Ere we pass to the realms sublime,
We shall hear the Master's welcome call:
"Thou hast lived WELL, one day at a time!"

Game Laws of Ontario.

(Including Amendments of 1897.)

Edwin Tinsley, chief warden, Parliament Buildings, Toronto.

CLOSE SEASON FOR GAME.

The close season for deer, elk, moose, reindeer, and caribou is from 15th November to 1st November of the following year, and no moose, elk, reindeer, or caribou must be hunted or killed before the 1st of November, 1900. No dogs must be allowed to run deer in the close season.

No resident of Ontario shall hunt or kill deer without a license signed by the Chief Game Warden and the Provincial Secretary or his deputy, the fee for which is two dollars. To each license is attached two coupons, one of which is to be attached to each deer or part of a deer shipped.

No persons shall kill more than two deer, elk, moose, reindeer, or caribou in the season. Hunting or killing deer by what is known as "crusting," or while they are "yarding," is forbidden; also while in the waters of any river or lake, or immediately after leaving such waters. No common carrier or other person shall transport or have in possession for that purpose, after the same has been killed, any wild deer, the head or raw skin thereof, or any venison, save only from 1st November to 22nd November in each year, unless accompanied by an affidavit that same was taken during the open season, and unless there be attached thereto one of the shipping coupons belonging to the license authorizing the shipper to hunt or kill deer.

The close season for grouse, pheasants, prairie fowl, partridge, woodcock, snipe, rail, plover, or other water fowl or game bird or animal, including black or grey squirrels and hares, is from the 15th December to the 15th September in the following year. For quail or wild turkeys, from 15th December to 15th October of the following year, but no wild turkeys must be killed before the 15th October, 1900, and no prairie fowl or English or Mongolian pheasants before the 15th September, 1900.

The close season for swans and geese is from 1st May to 15th September, and for ducks of all kinds from 15th December to 1st September following.

No wild fowl must be taken between half an hour after sunset and half an hour before sunrise, nor on the Lord's day.

No beaver or otter shall be hunted, taken, killed, or had in possession between 1st April and 1st November, nor trap set for them during that period, and no muskrat between 1st May and 1st January. But no beaver or otter shall be hunted, taken, or killed before the 1st November, 1900.

No person except residents of Ontario shall be entitled to hunt without first procuring a license from the Provincial Secretary, the cost of which is $25. (Provision was made in 1897 for reciprocity in hunting facilities between inhabitants of Ontario and Quebec.

The game laws do not apply to Indians, nor to settlers in unorganized districts who kill game for food, except that no settler shall hunt or kill any moose, elk, reindeer, or caribou before the 1st of November, 1900.

No game birds or animals shall be exported from Ontario, except under special conditions.

Dominion Fishery Laws.

Net fishing of any kind is prohibited in public waters, except under leases or licenses. The size of nets is regulated so as to prevent the killing of young fish. Nets cannot be set or seines used so as to bar channels or bays. A general weekly close time is provided, in addition to special close seasons. The use of explosives or poisonous substances for catching or killing fish is illegal. The use of firearms for killing fish is prohibited. Milldams must be provided with efficient fish passes. Models or drawings will be furnished by the Department of Marine and Fisheries on application.

The above enactments and close seasons are supplemented in special cases, under authority of the Fisheries Act, by a total prohibition of fishing for stated periods. All communications relating to fisheries should be addressed to the Deputy Minister, Department of Marine and Fisheries, Ottawa.

The close season in Ontario (under Dominion regulations) for bass is from April 15th to June 15th; maskinonge, April 15th to June 15th (in Rice Lake to June 1st); pickerel (dore), April 15th to May 15th; speckled trout, September 15th to May 1st; salmon trout, November 1st to November 30th; whitefish, November 1st to November 30th, both days inclusive in each case.
