Now, everything is changed there. amateurs, in youthful spirits, of buoy-term of sense which denotes the relation it by its effects. Lord Beaconfield's England's conquest and England's rule has ant hope, full of euthusiasm and of one thing to another, but has no erations of natural law,— is superb, but it by its effects. Lord Beaconfield's appreciation of the sentimental element in human nature as a prime factor in governing was sound in practice.

England's conquest and England's rule has an thope, rull or enthusiasm and of one thing to another, but has no ingenuiousness, to whom nature smiles to open her treasury, and with whom in governing was sound in practice.

England's conquest and England's conquest and England's rule has an thope, rull or enthusiasm and of one thing to another, but has no positive effect upon the things them that our religion—which is our faith, or indelity, in the higher operations of natural law,—is supero, our ingenuiousness, to whom nature smiles to open her treasury, and with whom is element in a language dead to planet are as nearly related as if mixed are as nearly related as if mixed are as a bundle of inconsistencies, and thope, rull or enthusiasm and of one thing to another, but has no positive effect upon the things them indelity, in the higher operations of natural law,—is supero, our insertions of natural law,—is supero, our insertion of the sentimental element in positive effect upon the things them in the open in a sunbeam and a service of price in the supero, our insertion of the sentimental element in positive effect upon the things them in the open in a sunbeam and a service of price in the supero. English bar, Brahmin, Parsee and Hindoo are studying English law, so that they spirit of patriotism—wrong and it is anarchy. "Let me make the songs and who will make the laws of the country" is as true to-day as it was in Troubadour times. The poet is prime minister, and he may employ whom he will at the treasury.

English bar, Brahmin, Parsee and Hindoo are studying English law, so that they so that they soul in the rythmic measure of poetry with which it may rise and make brief but eostatic excurions in the unseen at the incomplete of the same mass. It is the employment of words and the ideas we associate with them, expressing the use of the same thing for similar purposes, but with seemingly different effects, that makes a distinction grow into an opposition in the mind where alone the contrast exists. There may be neither law nor resson but a pared of in the same mass. It is the employment of words and the ideas we associate with them, expressing the use of the same thing for similar purposes, but with seemingly different effects, that makes a distinction grow into an opposition in the mind where alone the contrast exists. There may be neither law nor resson but a pared of inconsistencies, a concrete of pride, philosophy and policy, with sufficient admixture of mystery to ment of words and the ideas we associate with them, expressing the use of the same thing for similar purposes, but with seemingly different effects, that makes a distinction grow into an opposition in the mind where alone in the same mass. It is the employment of words and the ideas we associate with them, expressing the use of the same thing for similar purposes, but with seemingly different effects, that makes a distinction grow into an opposition in the mind where alone in the same mass. It is the employ with sufficient admixture of mystery to make it plants the very exigency of the lawless and evasive soul in the rythmic measure of poetry with which it may rise and make brief but estatic excursions in the unseen of the same than a law from English to Russian rule. The present speaks in other tones, and the entrance. the contrast exists. There may be neither law nor reason, but a parody of That the "grievances" of Ireland have desire of the British Government to to this territory seems to be a great obliquity of faculty, but there can be no revelation by which he may justify himresolved themselves largely into senti- educate and prepare the inhabitants of stone rolled to the mouth and scaled. want of relation of facts. The continumental and historic memories seems to India for local self-government, which is Our vessel was small, as we have already ity of one law operating on both mind is found at the head of a motley mob be pretty well accepted. But, unfor- not only different from but antagonistic to said, but true of model and staunch of and matter cannot be assumed broken crusaders, pious, but persecuting, who are be pretty well accepted. But, unfortunately, the demagogue has usurped the place of the poet. This being the case bad sentiment should be met with better, that it may be killed with kindness. Sentiment is an epidemic and is in the carried and become many in consequence of the Russian system of government, proves beyond a doubt that the people of India must be hostile to Russian in the conflict that threatens to take place between that nation and Eugland for the possession of their country.

Said, but true of model and staunch of beam. We knew something of the element or environment we were in and our classification of the things wrought upon, however we may separate it to suitour method or teaching. It is a pediantic abuse that has grown into a

HAL BURTON'S MISTARE.

When Hal Burton wrote and mailed these two notes, one morning, he little imagined the trouble he was calling down upon his devoted head. The first one ran :

And the other thus :

Dar Miss Mark :

Owing to pressing business engagements, I shall have to defer my call for this evening. May 1 come soon again?

Come soon again?

Harry Buston.

But my overwhelming politeness, I shall is rich,' and he lapsed into a merry peal, in which Tom also joined.

On AND AFTER MONDAY, Nov. 3rd. and under this first the steamers of this line.

The first of these two notes, address-Benton, was placed in that young lady's made through the pronoun "her." hands two hours later, and the flush which overspread her face as she recogsuggested itself to him, but ere he had st. Andrews, Calais and St. Stephen.

the flush on her cheeks deepened to a redder, angrier hue, and when at its seemed to spring from her heart. Her down-cast eyes, the natural flush from April 29th, 1884.

H. W. CHISHOLM, Agent. Reed's Point Wharf, St. John, N. B. she stopped to say, but as she read on seemed to spring from her heart. Her redder, angrier hue, and when at its her cheek, the trembling of the little close she raised her eyes, they were hand which lay within his own told Hal full of both pride and pain.

Steele, or some young man of that set," exultant gladness. she thought, with bitterness, "and has been sent to me by m stake. I shall Mabe!, whispered Harry, as they stood THRESHING MACHINES. act on this revelation of fate, however, that night in a little entry back of the WRITE FOR CIRCULAR AND PRICE TO

"Hal is getting dreadful polite," muttered Tom Steele, as he threw the note Blushing and trembling she vainly atjust received and read, among cigar-ends, tapers, etc., which adorned his "Was it because of that note I wrote centre table. "May he come soon to Tom Steele?" he inquired with a does the boy mean?"

'May I have this waltz, Mabel, dropped beneath the laughing light in NORTHESK, MIRAMICHI whispered Hal, as the two met in Mrs. his. Trenton's ball-room, two days later, his eyes full of undisguised admiration as referred. he looked down at her.

'What hypocrisy!' was Mabel's men-Steele—

had already supplanted him as Mabel's

escort for the evening. "It is full," he replied carelessly, and long-lashed eyes. he returned the book without another word. But he gnawed his moustache fiercely as he walked away.

Mabel's manner lost none of its gayety because he held himself distantly aloof from her for the rest of the evening. She had never been more ani-

"If she can throw me over like that," thought Harry moodily, as in his room that night he went over and over again acquaintance of a week, too, she is not little word is all I ask, and sweet-heart, the girl for me, and I have no earthly reason to care. He did care though. as a pain at his heart gave proof, but he

play," announced the chairman of the to hear." Morton amateur theatrical committee, a week later, "we have assigned the part of 'Norman McGregor' to Harry ing swiftly from his hold, with a mock-K. Burton, 'Janet Grey' to Mabel ing little laugh. Benton, 'Edgar Montrose,' to John S. the stage he sang to her;

"There couldn't have been a more suitable cast, as far as real circumstances are concerned, thought Harry while reading over the play. Norman 'yes' that he scarcely needed the conand Edgar are both in love with Janet | firmation given by gentle lips, as, after Grey, Norman desperately jealous, and the play was over, they walked slowly Edgar successful for the time; "happy and happily home. circumstances for me, he added, with a sigh, "if the real affair could assume the aspect of this at its close, for Norman is successful in the end."

"Why are women so wild always," he cried, giving a savage clutch at a paper weight sitting near, "about handsome men? I could have sworn she cared for me until Fremout came, and now she scarcely deigns a glance in my direction. Heaven knows I wish I could give her up as easily as she has me, but I can't do it, and it costs a desperate effort to wear the indifferent face I do.'

As Janet Grey, Mabel was more fascinating than she knew, and Norman McGregor, the unsuccessful suitor, found her constant coldness prompted more by nature, he felt, than by the requirement of part, a bitter thing to bear, now that he was called upon every night to suffer from it.

Even the relating, demanded by the plot of the play in the end, was one in which she put so little animation that he drew no comfort from it, and was only withheld by pride from giving up the character which brought him tor-The afternoon of the last rehearsal

came and all final arrangements were being completed.

Mabel, wearing a gossamer over her ting some finishing touches to the stage decorations, while Mr. Fremont was preparing evergreeus for her when preparing evergreens for her, when this conversation carried on in the gentlemen's dressing room met her in-

"Hallo Tom," exclaimed Hal Burton's familiar voice as some one enter. ed the room, glad to see you back; when did you come?" "To-day at twelve."

"Sorry you stayed so long my boy we have missed you woefully in this affair and I told Hacket last night if I could only lay my hands on you, we'd have "Norman McGregor," at your service, done up in style. The character is ery distasteful to me."

"Pshaw, Hal, my talent dosen't lie n that direction. "By the way," remarked Hal, sud-

denly, as if recalling something, "did you get my note before you left?" "Why, yes, I did; but I must say

I don't understand yet the cause of your overwhelming politeness. That little appeal, 'May I came soon again' was quite beyond my comprehension." "What are you driving at Steele?" "That note of regret you sent me the

night before I left-"My note of regret! Is the boy SOLIEL DRESS GOODS BLACK mad? I wrote you a note in regard to that horse of Brown's; told you I had no intention of sta. "ing in your way, and hoped you'd be "sful in get-
