WEDNESDAY, DECEMBER 18, 1872.

The Want of Railway Rolling Stock

earnest, to the present railway manage-

ment on Eastern Extension. The roll-

ing stock he declares to be inadequate

cars there are are unfit for service.

Merchants, as a consequence, have suf-

fered pecuniary loss, vexation and busi-

ness delay. Time and again represen-

tations have been made to the authori-

Mitchell, did at one time promise to as

sist matters and ordered some 310 cars

to be despatched here at once, but of these only about fifty arrived and they

were sent to Miramichi instead of here

Now that we have the railway open to Halifax, perhaps the sixty which were

to come from Amherst, will be sent

over; but this is very much like locking

plaint among those who employ the rail-

way and who have directly suffered in

consequence of delay in the despatch of freight, that when cars were most need-

ed to convey lumber, hay and box shooks

from districts along the line to the city,

for shipment to Cuba and elsewhere.

on Intercolonial Railway work. In-

stead of repairing the cars which have become disabled by accident and

by long service, they have been permit-

ted to lie along the track for months,

exposed to the weather, and not a ham-

put them on the road for use.

unable to extend their business.

ner has been lifted to repair them or

We have too few cars. All along the

line various manufacturers have been

chants have lost heavily, and lumber which would have commanded good

prices in Cuba, had it reached that mar-

ket in the proper season, has been dis-posed of at one half the price. Hay

was worth \$12 a ton and when it

was got down to the market, it only realized \$9.50. Complaints to the au-

thorities have been unanswered and the whole country has felt indirectly the

effect of this gross mismanagement. Every branch of business which has had

occasion to use the railway has been treated in this way and no decided steps

have been taken up to this time to im-

prove matters. It is to be hoped

something may be done, now that the

road has been amalgamated with the

Intercolonial, and that the business of

Saint John need no longer suffer from

an inadequate supply of rolling stock

The N. Y. Tribune under Colfax.

The secret of the anxiety of Samue

to have the will of which he is the execu-

obtain control of the shares belonging to

Mr. Greeley's estate so that he may have

more influence in determining the choice

of editor and shaping the policy of the

paper. There is a struggle going on

for the possession of a controlling num-

ber of shares by different cliques. The

question is whether the policy outlined

in Mr. Greeley's card shall continue to

be pursued, with Whitelaw Reid as edi-

brought into harmony with the adminis-

President Colfax. Last night's associ-

ated press telegram says Colfax is to be

the shareholders who clung to the me-

vith Mr. Reid's management, have been

mory of Mr. Greeley, and were satisfied

outvoted by the combination formed by

nclair, publisher of the N. Y. Tribune.
