DEAR SIR,

We were burned out on the 20th inst., and have lost heavily. We are now building a temporary structure, and shall very soon be in a position to fill your valued orders. Be kind enough to extend to us your confidence and support, and accept the assurance that having health, energy, and sufficient means at our command, shall not be satisfied until we have surmounted our pressing difficulties. All orders will be filled in the order of receipt.

J. & A. Sincerely yours,

J. & A. McMILLAN.
