PREFACE.

The Publishers of this work have used every effort this year to place before the public as reliable information as could possibly be obtained in the short period of time available, and it is hardly possible to take more pains to make the work more reliable. There are quite a number of persons who evade giving their names, for fear of being taxed, and in place give the agents fictitious names. Some of these fictitious names will appear in every Directory published, the publishers not being able to detect them, however carefully they may try to do so.

The Business Directory this year gives a complete list of all the Merchants, Professional Men, etc., etc.; also, a Map of the City, showing the Streets and Public Squares, etc.

To the supporters of this work the publishers return their sincere thanks.

Gents' Felt Hats in Latest Styles at **C. & E. EVERETT'S,** 11 King Street, St. John, N. B

SOME REASONS FOR THE SUCCESSES

— OF THE —

ST. JOHN BUSINESS COLLEGE

GRADUATES

1 — They are given the most thorough and practical courses of training obtainable in Canada.

2 — They are not allowed to copy from a key or reference book, but are trained to think for themselves, and to be strong and self-reliant.

3 — The Teachers are Specialists, and know how to teach.

4 — The individual, and not the class as a whole, is considered. Particular attention is given to backward students.

5 — Business forms, methods, and laws are taught by actual business transactions.

6 — The College Diploma is accepted as a first-class recommendation.

7 — The system of Short-hand taught is the Isaac Pitman — the best and fastest in existence ; the system used by 95 per cent. of all the reporters in England ; the system for which the inventor received the honor of Knighthood from Queen Victoria.

8 — The student gets the benefit of all the growth, improvement and skill obtained by 25 years' of teaching experience.

9 — Each Department is complete in itself ; combined, the result is a **well-rounded Commercial Education.**

10 — The chief object kept in view is —

Practical Training for Business Life.

Gent's Raccoon Coats made by C. & E. Everett, 11 King Street, St. John, N. B.

THE AUER LIGHT.

NEXT TO THE SUN, THE CHEAPEST AND BRIGHTEST.

FIFTY per cent. saved in gas. THREE TIMES the light of an ordinary burner, but only ONE-HALF the consumption of gas. No dirt, no smoke, and less heat. All the advantages of the Electric Light at ONE-QUARTER of the Cost.

The great London Medical Magazine, *The Lancet*, says: "The Auer Light affords probably the best result ever obtained of the conversion of heat into light rays. A burner that consumes a relatively small amount of gas, to say nothing of the superior light, *must be preferable* from the hygienic point of view."

The fact that we have placed nearly four thousand lights in this city alone is proof of what the St. John people think of the Auer Light. What does it Cost? Nothing. The saving in Gas more than pays for rent of Light. We fit the Lights on at our own expense and look after them for you. Call and inspect our handsome Shades for your house, and at the same time leave order for Lights.

See our outdoor Lamps for shop windows.

Important.—A letter once posted becomes the property of the person to whom it is addressed, and must be forwarded according to its direction. On no application, however urgent, can it be delivered back to the writer, or to any other person.

To enclose writing, intended to serve the purposes of a letter, in a newspaper packet or a parcel, is an offence punishable by a fine of from $10 to $40.

Sale of Postage Stamps.—Any person, other than a Postmaster, who engages in the sale of Postage Stamps or Stamped Envelopes, without being duly licensed by the Postmaster General, is liable, on conviction before a Justice of the Peace, to a penalty of $40 for each offence.

Request Letters.—Unregistered letters from places in Canada, Newfoundland and the United States, enclosed in envelopes having *printed thereon* a REQUEST that the letters be returned to the sender if not delivered within a certain specified time, will be returned as requested, if not delivered at the time stated.

Useful Hints.

Never send money or other articles of value through the Post Office except either by Money Order or Registered Letter.

Make complaints and inquiries in writing.

Envelopes closed and simply clipped at the ends cannot be forwarded by Book Post. Affix stamps securely, and on the upper right hand corner.

Register all valuable letters.

Send money by Money Order whenever practicable.

Preserve, and request correspondents to preserve, envelopes of mis-sent or delayed letters.

Business men should be careful to authorize but a limited number of persons to receive their letters, and only those in whom they have full confidence.

Have a letter box on the door of residence and office.

Letters addressed to mere initials, or fictitious names, will not be delivered, unless addressed in care of a resident, or to some box in the Post Office.

Mutilated Stamps.

Letters having mutilated stamps, or stamps so soiled and defaced as to make it possible for the sorting clerks to decide whether they have been used before or not, will be sent to the Postmaster General for his adjudication; and if it can be shown that such stamps had been previously used, the offender will be liable to a fine of from $10 to $40.

Letter Card.

One, two and three cents. The one cent cards can only be used where there is no free delivery.

Post Bands and Stamped Envelopes.

One cent post bands for newspaper or book packet wrappers, and one and three cent stamped envelopes are issued by the Department, and may be had at the stamp vendors at a trifle above their face value

Merchants' Boxes.

Rent of small box $4, and of large box $6 a year.

Though every effort will be made in sorting letters to place them in the boxes, when the party addressed is known to have a box, the Postmaster does not hold himself responsible for this always being done, the primary rule being that all letters bearing the number of the house and name of street go there by letter carrier.

An order to place in a box letters belonging to another person than the owner of the box cannot be recognized, unless such letters are addressed to the care of the box or its owner.

Letters for a member of a firm should be addressed to the care of the firm or the number of the box.

Box holders would facilitate the work of sorting by requesting correspondents to add the box number to the address of their letters.

Saint John Letter Carriers' Delivery.

Letters and Papers should be addressed to Street and Number.

Change of Residence should be promptly notified to the Postmaster.

Two deliveries daily, commencing at 7.30 a m and 3 p m. On public holidays there is no afternoon delivery.

Letters not bearing the name and number of street, addressed to parties whose address may be known to the Carriers, will be delivered by them. It is always best, however to, have name of street and numbor of house supplied.

Street Letter Boxes.

The letters in all the street and hotel Letter Boxes (except the 4 boxes on Main Street and the 5 boxes in Carleton) are collected daily as follows:

On Sunday—from all the boxes at 10 p m.

On Monday, Tuesday, Wednesday, Thursday and Friday—from the boxes in the central part of the City at 11.30 a m., and from all the boxes at 1 p m and 10 p m.

On Saturday—from the boxes in the central part of the City at 11.30 a m, and from all the boxes at 1 p m.

Collections from the four boxes on Main Street are as follows: On Saturdays at 3 and 7 p m; on Sundays at 9.30 p m, and on other days at 3, 7 and 9.30 p m.

And from the 5 boxes in Carleton at 2 p m and 8.30 p m.

☞ It is especially requested that the boxes be used for letters only, and not choked with newspapers or parcels.

Parties laying newspapers on the top of Street Letter Boxes are warned that the addresses are often made illegible by rain, and the stamps also are frequently torn off by mischievous boys. The department does not hold itself liable for the collection of papers so placed, nor for their abstraction.
