The copy filmed here has been reproduced thanks to the generosity of:

Archives of Ontario
Toronto

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \longrightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Archives of Ontario
Toronto

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \longrightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., pouvant être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrant la méthode.

Primitive Methodist Missions,

TORONTO DISTRICT.

Began, 1830.

Published by Order of the District Meeting, held in Toronto, Feb. 6 & 7, 1850.

Missionary Notice for 1850.

At the District Meeting, held in Toronto, February 6th and 7th, the Circuits and Missions were represented by Preachers and Laymen, who jointly compose those assemblies. All the individuals present took a deep interest in the proceedings. Earnest prayer was offered up to God every hour, and much of the Divine presence was felt throughout the entire Session. On the last day of the Meeting, all the Delegates assembled round the table of their common Redeemer, in the spirit of love and unity, and partook of the sacred emblems of the Lord's body and blood. It was a time of refreshing from the presence of the Lord: the atonement was realized by faith; and all withdrew filled with the baptism of the Spirit, resolving for God to live and die. The Morning and Evening Preaching Services were attended with a blessed union, which flowed in a continuous stream, saving and sanctifying souls.

The Reports from the various Stations were cheering, and demonstrated an onward course, with the exception of the Talbot Mission, which has suffered, in consequence of the affliction of the Missionary (J. Towler), who has not been able to labour on that Station for nearly six months, and during which time the Committee were unable to obtain a suitable supply; consequently, the small flock in that locality were nearly scattered, like sheep without a shepherd.

There are in this District fourteen Travelling Preachers; one hundred Local Preachers; thirty-one Connexional Chapels; nineteen Sunday Schools; two hundred Teachers; and one thousand, two hundred, and twenty-seven Scholars. There are also one thousand, six hundred, and thirty Members in Society. The increase for the past year is seventy-nine. We adore the great Head of the Church for the prosperity with which we have been favoured; but as the harvest is great, and the labourers few, we pray that the Lord of the harvest would send forth efficient labourers into the field, which is the world. As the Committee anticipate several additional Missionaries to occupy, in a short time, various portions of the large field in Canada West, it is hoped that our Missionary Collectors and Subscribers will more than ever exert their efforts, in their respective neighbourhoods, that God may still continue to honour the labours of the Primitive Methodist Body in these lands, in saving hundreds and thousands of precious souls.
