Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

				/							

The copy filmed here has been reproduced thanks to the generosity of:

Department of Rare Books
and Special Collections,
McGill University, Montreal.

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Department of Rare Books
and Special Collections,
McGill University, Montreal.

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

William D. McKenzie

BORN A. D. MDCCCLXI

SENDERETH GREETING *to*

Wm Douw Lighthall

with kind regard

At the Third Decade

I GREET you, Friends, who made my life complete
In those past years; who led the childish feet
 In pleasant paths; a wayward boy who taught;
 Who guided unto that calm realm of thought,
The youth from seas where furious tempests beat.

All ye who prayed when I was sift like wheat,
Ye by whose trust I greaten, to defeat
 Princes of wrong, with love that flows unsought
 I greet you, Friends!

And ye in coming years whom I shall meet,—
The calmer loves, when burnt out is the heat
 Of youth flame-hearted, and some good work
 wrought,

I know you not at all, and yet, God wot,
I think you kind; so with love's truth repeat,
 "I greet you, Friends!"

Embarking

FAR into the sea the headland slopes,
 'Mong the wave-crests white ;
Down under the cliff the twilight gropes,
 To herald Night.

To the west she flits with never a sound ;
 And its fires wax dim,
Till the white hair-ring of the moon is found,
 'Neath a red-cloud's rim.

The cliffs gaze down on the pebbled beach,
 Dark-browed and sage,
Where the waves that seek them, but cannot reach,
 Are hoarse with rage.

There are men thus breasting each wind of doubt,
 While the waves are far,—
But into their tumult must I thrust out,
 To follow a star.

Though waves be endless out under the dark
 I needs must go,
Else my life would be such a broken arc
 As yon moon can show !

Alone

WE enter life alone, alone,
We die companionless;
And many pathways of her own
The soul must walk alone, alone,
In gloom of bitterness.

O days when summer hath reprieve !
O yellow leaves astir
With joy exultant ! who would grieve
While 'mong the sun-rays breezes weave
Bright threads of gossamer ?

"How shall a grief be ever known ?"
"How ever darkness come ?"
Glad voices mingle with our own ;
Yet soon, too soon, we walk alone,
The light that sang grown dumb.

But inward lights will flash a song,
(Sing heart, trill like a bird!)
The thought of friends whose love is strong,
A shining look remembered long,
A last love-spoken word,—

Till through the heart joy sends its thrill
As if the day-star shone.
Strong am I, friends, in your good will;
I walk dim paths and fear no ill,
Alone, yet not alone !

KENZIE, William J.
H. # 1, 2nd decade.

Canadian
Pamphlets

At Rest

I AM only a child, who is lying
On the bosom of Infinite Love ;
I speak not of living or dying,
I know not of sorrow and crying,
My thoughts are dwelling above.

The spring of the life that is flowing
Is hidden with Christ in God;
Not yet the mystery knowing,
I feel that the peace is growing
As a river grows deep and broad.

All I need, without price I am buying
By my trust in the Goodness above;
There's an end to my yearning and sighing,
For just like a child I am lying
On the bosom of Infinite Love.

*February, seventeenth day,
A. D. MDCCCXCI.*

Wm. J. Kenzie
