THREE WEDDINGS OF LOCAL INTEREST

CHASE—WEBSTER

PICTOU, Sept. 2.—A marriage of widespread interest was solemnized in the United Church today at four o'clock, when Helen Geddes, daughter of Dr. and Mrs. C. O. H. Webster, became the bride of Dr. William H. Chase, son of W. H. Chase, of Wolfville. The church, in a color scheme of yellow had been artistically decorated for the occasion by the many girl friends of the bride, and provided a beautiful setting for the ceremony. As the wedding hymn, "The Voice that Breathed 'O'er Eden,'" was being beautifully sung by Miss Lois Ferguson, the bride, accompanied by her father, entered the church, attended by two little flower girls, Dorothy Webster and Anna Rosborough. The bride looked charming in a gown of white flat tulle, adorned with the conventional veil and orange blossoms, carrying a bouquet of Ophelia roses and orchids, while the two little girls in yellow and orchid moire tulle completed the picture of beauty.

After the ceremony, which was performed by the Rev. Anderson Rogers, D.D., assisted by the Rev. William C. Ross, the bridal party, preceded by the children strewing rose petals in their path, left the church to the strains of the wedding march played by Miss Edna Grant. The ushers were Jack Grant and Arthur MacDonald. After the service a reception was held at the home of the bride, the out of town guests were: W. H. Chase and Miss Chase, Wolfville; Mrs. Oscar Chase and Robert Chase, Port Williams; Deaconess Alice Webster, Mrs. Coleman, Judge and Mrs. Barclay Webster, Kentville; Angus Roberts, Miss Allie Roberts, Tatamouche, Mrs. C. L. McCabe, Moncton; Dr. K. S. T. Webster, Cambridge, Mass.; Mr. and Mrs. Langille and Miss Mabel Langille, New Glasgow; Mr. and Mrs. Frank McCully, Moncton; Mrs. W. B. Rosborough, Antigonish; Arthur Hunt Chute, Bermuda; Mr. and Mrs. Geddes Grant, Miss Jill Grant, Truro; Mrs. Dr. C. A. Webster and Mrs. Jolly, Yarmouth, and Dr. Donald Webster.

Dr. and Mrs. Chase left on a motor trip and will reside in Montreal.

ALLEN—WOODWORTH

A marriage of unusual interest was solemnized at the home of Mr. Harvey Woodworth, Habitant, on Wednesday, September 2, when his youngest daughter, Alfreda Gertrude, became the bride of Morton Lee Allen, son of Mr. and Mrs. W. E. Allen, Melancton. The ceremony was performed by Rev. W. G. Hiesler, pastor of the United Baptist church, beneath an arch of golden glow, the work of the girl friends of the bride, the color scheme throughout being of yellow and green.

The bride, who was given in marriage by her father, was lovely in a gown of ivory Duchesse satin with conventional veil and orange blossoms, and carried a shower bouquet of bridal roses and maiden hair fern. The flower girl was Evelyn Spicer, niece of the bride and daughter of Mr. and Mrs. Judson Spicer, of Berwick, who wore a dainty gown of white tulle and carried a basket of yellow and white flowers. The wedding march was beautifully rendered by Mrs. (Dr.) Sider, of Hantsport, who wore a handsome gown of rose brocade crepe de chene and hat to correspond.

The reception, which followed the ceremony was attended by more than seventy guests. Mr. and Mrs. Allen left on a motor trip to the South Shore, and on their return will reside in Melancton. The bride and groom, who are social favorites, were the recipients of many beautiful gifts, including a piano, cheques, silver, cut glass, linen and china. The groom's gift to the bride was a beautiful necklace of pearls to the flower girl a gold piece and to the organist a silver mesh bag.

The bride was the principal of Melancton school last term. Among the out of town guests were Mr. and Mrs. J. N. Spicer, Berwick, Mrs. Ida Westcott, California, aunt of the groom, Mr. and Mrs. Elmer Allen, Melancton, Dr. and Mrs. Sider, Hantsport, Mr. and Mrs. James Smith, Somerset, Mr. and Mrs. E. A. Washburn, Roxbury, Massachusetts, Miss Blanche Margeson, Berwick.

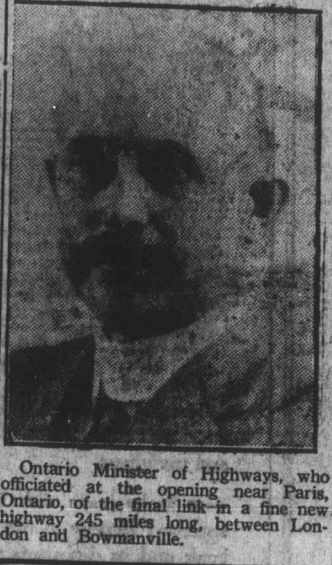

MORINE—PALMETER

At the United church, Grand Pre, at 2 p. m. on Wednesday a pretty wedding took place, when Blanche Evangeline, daughter of Mr. and Mrs. Harry M. Palmett, of North Grand Pre, was united in marriage to Mr. Keith Wright Morine, son of the late Arthur Morine, of Church Street. Artistically decorated for the occasion with Queen Ann's lace and sweet peas, with a cleverly constructed floral arch and bell, the church, which was well filled with relatives and friends, presented a most attractive appearance.

The ceremony was performed by Rev. W. A. Burbridge, the pastor of the church. Daintily attired in a costume of ivory crepe de chene with veil and orange blossoms, and carrying a shower bouquet of pink roses and sweet peas the bride, who looked very charming, was given away by her father, Misses Beverly Palmett and Edith Sutton, nieces of the bride and groom, were the flower girls. Dressed in pink and blue organdy and bearing baskets of sweet-peas to correspond they presented a very pretty appearance. Messrs. Harold Palmett and Roy Faulkner acted as ushers.

At the close of the ceremony refreshments were served at the home of the bride, after which the happy young couple took their departure by motor for a short trip through the province and on their return will reside at Church Street. The bride's going away costume was of tulle and lace with hat to match. The bride's gift from the groom was a sapphire-studded white gold wrist-watch and she also received many other handsome presents in silver, cut-glass, linen and cheques.

MRS. RUFFEE WINS FROM MISS B. HALES

In Final Match at Ken-Wo Club for the Graham Cup

The ladies of Ken-Wo Country Club who played for the George E. Graham Cup this season were Mrs. H. E. Calkin, Mrs. A. G. Guest, Mrs. G. H. Ruffee, Mrs. (Dr.) Turner, Miss Edith Stairs, Miss Gwendolyn Hales, Miss Hilda Johnson, Miss Bernice Hales. The final match was played Tuesday afternoon between Mrs. G. H. Ruffee and Miss Bernice Hales. Mrs. Ruffee won by a score of three up.

Mrs. Ruffee plays an excellent game of golf and has a low handicap. Her playing is much admired, being a free and easy swing which gives her good distance and a straight ball. Her putting on the greens is accurate.

Miss Bernice Hales is a young player who has come forward this season, this being her first competition. She defeated her sister (Gwendolyn) who won this Cup last season.

The Club has a number of ladies who are playing excellent golf and are taking a great interest in golf and the Club. Next Tuesday the ladies will play their qualifying rounds for a new cup that is being presented by Mr. George E. Graham. The best eight gross scores championship lines, knock-out match play. Miss Gertrude Murphy is offering a prize to the runner-up in this event. A great deal of interest is being taken in the Eclectic Competition, for which Mrs. Leonard Murray, of Toronto, has donated a sterling silver cup.

HISTORIC GOLD-RUSH OF '98 REPRODUCED IN "THE ALASKAN"

Reproducing the historic gold-rush of '98 was one of the tasks which confronted Herbert Brenon in producing "The Alaskan," Meighan's latest starring picture, "The Alaskan."

The picture opens with scenes of the stampede that followed the discovery of gold in Alaska in the late nineties. "The trail of '98" has become synonymous with suffering and hardship. Thousands of men fought their way into the promised land over a frozen mountain pass, carrying all their earthly possessions with them. Many died, way and none of their fellows dared waste their own strength in lending a helping hand.

"The Alaskan", in which Thomas Meighan plays the title role, supported by Estelle Taylor, John Sainpolis, Charles Ogle, Frank Campeau and Anna May Wong, is from James Oliver Curwood's famous story and shows the terrible hardships of the first miners who went in.

In preparing for these scenes, Herbert Brenon was fortunate in finding two men who had actually carried packs over the winter trail which led, as they believed, to a land flowing with gold. It was from their descriptions that the atmosphere of the gold-rush scenes was created.

All of the out-door scenes of the photograph were filmed in the northern wilds of British Columbia by a company which travelled four thousand miles to secure the proper locations. Shows at the Orpheum next Monday and Tuesday.

BAPTIST CONVENTION WAS LARGELY ATTENDED

One of Best in History of the Church—W. C. Cross is New President—All Reports Most Encouraging

The annual convention of the United Baptist churches of the Maritime Provinces met here last week, beginning at 9.30 a. m. on Thursday morning and closing on Sunday evening. An unusually large number of delegates (350) were in attendance and all the sessions were of intense interest.

President H. A. Rice, of Canada, occupied the chair and at the first session introduced Rev. Dr. H. T. DeWolfe, who gave the first of a series of devotional exercises which were of much interest.

The address of welcome was given by Rev. Dr. Spidle, and was responded to by President Rice in fitting terms. The presidential address suggested that the president should be made a member of all Boards, and stressed the necessity of having the Maritime Baptist placed in all Baptist homes.

A nominating committee was appointed, the recommendations of which were adopted as follows: Assistant Secretaries—Rev. F. H. Eaton, Rev. J. Smillett. Treasurer—Fred A. Saunders. Committee on Correspondence—Convener Rev. W. C. Machum, G. McL. Daley, Rev. J. E. Gosling, Rev. W. C. Keirstead, Rev. B. D. Knott, J. D. Jenkins, Rev. W. B. Bezanon.

Committee on Resolutions—Convener Rev. J. H. MacDonald, D.D.; Rev. Z. L. Fash, Rev. R. C. Eaton, Rev. W. D. Wilson, Rev. A. L. Huddleston, Rev. W. Smith, C. B. Lockhart. Rev. E. S. Mason, superintendent of Home Missions, submitted a report which referred fittingly to the death of the late Howard W. Corning, M.P.P., the gift by a member of the Board of books valued at \$170 to Home Mission pastors, and made grateful reference to the settlement of the difficulties with the Canadian Bible Society. The report recommended the deeding of church properties in small communities to the Home Mission Board. Seven student-pastors are giving all year round service and thirty-nine student-pastors are serving churches during the summer months. A large number of young men are preparing for the ministry and there is a hope that in a few years all churches within the convention may be supplied with ministers.

The treasurer shows—Churches served, 257; preaching places, 424; Sunday Schools, 248; enrollment, 9383; weeks of labor, 3984; number baptised, 388; otherwise received, 1412; paid by board for Home Mission work, \$21,978.07. The treasurer submitted the financial statement which showed total assets amounting to \$79,302.70.

Officers Elected

The business period opened with the election of officers for the coming year, which resulted as follows: President—J. P. Gordon, Charlotteville; Vice Presidents—L. W. Sims, of St. John, and Rev. L. F. Wallace, of Lawrenceville.

The report of the Registration Committee showed that one minister had died during the year and that twelve had removed from the constituency. Seven have been added to the ranks. Rev. A. Prosser presented the report on Social Service. The Home for Girls at Truro was referred to and commended. The institution has accommodations for ninety girls and eighty-one are now enrolled. Sympathetic reference was made to the recent death of Milton S. Cox, once the Governor of the Home. The Maritime Home for Women at Moncton, now under course of construction at a cost of \$50,000, will furnish room for thirty inmates.

Feeling reference was made to the passing of Dr. J. G. Shearer, one of the most prominent Social Service workers in the Dominion. Gratitude was expressed at the passing of legislation by the Province of New Brunswick regarding children of unmarried parents. Lack of enforcement of the temperance laws was deplored. Educational campaigns through schools, press and charities, organizations, should be reported. The work of the Hants County Ministerial Association, in dealing with a matter of gambling in Windsor, was warmly commended.

Dr. S. Spidle reported for the Committee of Educational Standards for Ordination. This matter was receiving widespread recognition and a number were qualifying for ordination. Dr. I. B. Oakes read the report on Ministerial Student Aid, showing that \$1,300 had been paid to eighteen students.

The obituary report was presented by Rev. A. H. Whitman. This mentioned the names of Rev. G. W. Foster, of New Brunswick; Everett W. Sawyer, L.L.D.; Miss Laura M. Sawyer, Howard W. Corning, Milton S. Cox, Thomas M. King, Dr. George E. DeWitt, Rev. William Bernard Hutchison, a former President of Acadia University. Reference was also made to the passing of a number of Deacons. The report was adopted, standing and prayer offered by Dr. N. A. MacNeil.

The evening session was a platform meeting, the speakers being Rev. H. R. Boyer, Executive Secretary of the Convention; Rev. L. A. Therrien, Principal of Feller Institute, Grand-Ligne Mission; Rev. Prof. W. H. Keirstead, Ph.D., of Fredericton, N. B.

The principles for which Baptist churches stand and Baptist denominational enterprises were stressed. Principal L. A. Therrien, of Grand Ligne, brought the greetings of Feller Institute to the convention. He spoke of the two very different religious forces represented in Protestantism and Catholicism.

Mr. Therrien reviewed the field of the mission. Four hundred persons attended the Grande Ligne church in June last. Mariville is advancing under Dr. C. N. Masse. Roxton Point will tolerate the use of tobacco among either teachers or pupils. In March last every girl in the school was a Christian; thirty boys professed conversion last year. Rev. Prof. W. C. Keirstead, Ph.D., spoke for Social Service. It is not another gospel than that of the salvation of the individual. It is the application of that old gospel of society. There is no salvation for a man, except salvation in a man; social work leads men to share Christian ideals with those about us.

Friday Sessions

The convention opened its session on Friday morning with a devotional service in which Dr. DeWolfe dealt with the first petition of the Lord's Prayer, "Hallowed be Thy Name." Those who can pray this prayer sincerely and submissively, he said, are God's children. Rev. G. R. Welch, representing the Canadian Branch of the American Baptist Publication Society, was introduced to the convention.

The report of Foreign Missions was presented by the General Secretary, Rev. H. E. Stillwell, of Toronto. Baptist missionaries in India number 98, and in Bolivia 22, making a total staff of 121. Of the Indians themselves there are 1,029 workers. There are now 92 churches in India with a membership of 18,833. Where ten years ago there were 9,723, Sunday and evangelistic schools number 694, with 798 teachers and 16,663 pupils. Medical work includes 7 hospitals and 14 dispensaries. For the year 1924, 91,166 treatments were given. Baptisms for the year totalled 2,060, or 6 every day. There are 22 different fields in India, with a population according to this year's figures, of 4,160,000. The two most populous fields are Awanigadda and Chitchole with 310,000. The smallest fields are Pithapuram with 70,000; Cocanada North 30,000; Semalkot 110,000. The area of the Mission is given as 12,480 square miles—a territory along the Bay of Bengal nearly 400 miles long with an average width of some 30 miles.

New Workers have gone into Bolivia and prospects are brightening. There is a church membership of 88 in all; Sunday schools with an average attendance of 286. Two new buildings have been completed during the year, one at Lalaguia, seating 150 people, and the other, the new chapel in La Paz, seating about 350.

MAYOR CHAMBERS NOT ABLE TO BE PRESENT

At Council Meeting Last Night—Fire Underwriters to Re-rate Town for Insurance

The regular monthly meeting of the Council was held on Wednesday evening. In the absence of Mayor Chambers, who was confined to his home by illness, Presiding Councillor Roach was in the chair. All the Councillors were present.

Statements of expenditures during the past month were presented by the Streets, Fire and Water, Sewer, Police and License and Poor Committees. The Financial statement showed receipts during August, \$1487.08, with expenditures \$1720.60. On August 31st the debit bank balance amounted to \$2720.45.

A letter was read from the Board of Fire Underwriters, acknowledging receipt of the Council's application for letter insurance rates and stating that it was the intention to re-rate the town and that the work would be in operation in the course of a few weeks.

A communication from the Minister of Highways with regard to the enforcement of the Motor Vehicle Act, and asking the co-operation of the town authorities, elicited considerable discussion. It was finally decided to send a reply promising all possible assistance and approving of the proposition to make the speed limit in towns fifteen miles per hour.

At this juncture the Council resolved itself into a Board of Health and Health Officer deWitt, who was present, reported on certain unsanitary conditions which existed on Gaspareau avenue above the point of sewer connection. This matter was discussed at some length and was finally, with other similar matters in other parts of the town, referred to the Sewer Committee.

The Council then re-assembled and the following accounts recommended by the Finance Committee for payment were ordered paid: The Maritime Tel. & Tel. Co. \$12.25 Davidson Bros. 6.75 H. E. Blakely 17.12 M. J. Tamplin 15.00 H. K. Whidden 1.80 D. Harris 1.20 Wm. Stairs, Son & Morrow 24.48 E. F. Mahaney, Water acct. 23.50 E. F. Mahaney, Streets acct. 70.82 H. K. Pierce 10.15 C. C. Hancock 9.65 Dominion Atlantic Railway 30.00 A. & W. Mackinlay 16.85 R. E. Harris 42.00

The Committee on Water and Fire recommended the purchase of a quantity of wire bound hose and other equipment for the use of the Fire Department, which recommendation was on motion adopted.

The committee, through its chairman, also reported further details regarding proceeds from timber cut last winter on the watershed lands.

THE VANNINI SYMPHONY ENSEMBLE ON TOUR

The announcement comes to hand that the Vannini Symphony Ensemble, a small symphony orchestra composed entirely of prominent members from the world famous Boston Symphony Orchestra under the leadership of Augusto Vannini with Jesus Maria Sanroma, the Spanish piano virtuoso, as soloist, will make its fourth tour of the Provinces. Fortunately indeed are we to have such a celebrated organization to give a concert in University Hall on Thursday evening, the 24th of September. The fame of the Boston Symphony Orchestra has long since reached us, and the fact that a representative group from that organization is bringing the message of the world's greatest musical masterpieces to us will make their coming an event of the greatest interest. We feel sure that this concert will meet with such success and the artists accorded such a welcome that there will be no doubt of our having the Vannini Symphony Ensemble continue to make an annual visit to Wolfville.

The price of tickets is placed at the exceedingly low figure of \$1.00 general admission. \$1.25 balcony.

Editorial

Our pulpits are our work clothes. Each of us live some kind of a sermon every day.

OBEYING THE LAWS

FREQUENT reference has been made in these columns to the laxity with regard to law enforcement which in these days is apparent on every hand. Hard as the way of the transgressor is declared to be, it is not at all probable that the modern wrongdoer finds it particularly strenuous. A greater concern for the observance of the laws which fill our statute books would undoubtedly make for the betterment of national and community conditions, and such being our conviction we feel justified in emphasizing this need.

There is always a possibility, however, that as a people we should be zealous for law enforcement and pay little attention to the matter of obedience to law. It may be that laws would be better enforced against criminals if they were not so generally violated in a lesser degree by all of us. To obey the law is the first duty of all good citizens, and by the law we mean all laws. Most laws are obeyed by the public generally, not because obedience to them is given any particular thought but because people have no reason to violate them. Other people obey some laws and ignore and violate others, because it suits their convenience to do so. They take the position that individual rights are superior to public welfare, and even assume to decide, in effect, what public welfare is.

Government by majority has no rule that provides for individual or minority decision. Any attempt to substitute it is in itself unlawful because of the fact that such attempt violates the spirit if not the letter of the constitution under which majority government was established and is maintained. There exists no quicker or surer way of undermining government in the enforcement of all law than to attack and destroy public confidence in its fundamental principles. When by decision of the individual or a minority one law is ignored or violated enforcement of all law is impaired if not obstructed.

This is as true as regards law that regulates as it is concerning law that prohibits. To illustrate: Years ago former President Harrison and a friend were walking in a park in Indianapolis when their attention was attracted to something just across the lawn. The friend ignored the sign, "Keep Off the Grass", walking directly across the lawn, but Mr. Harrison followed the paths around. His friend laughed at him for such punctilious observance of a park sign, but Mr. Harrison reminded him that if the regulation was ignored by one citizen it soon would be by other citizens, and the grass would be trodden down. Mr. Harrison's contention was readily admitted, also his further point that violation of regulatory laws must undoubtedly lead to infringement, if not violation, of prohibitory laws.

Citizens who observe most laws will not claim, and should not be given, any particular credit for so doing, and those who violate some laws will not argue justification except in particular instances. Under ordinary conditions there is no virtue in the performance of the duty, but there is, at least, lack of it in the failure to discharge the obligation from whatever reason. Habitual failure results in a negative citizenship and an indifference which satisfies with criticizing enforcement and ignores lack of obedience.

Without law there can be no order, and without order there results chaos. As things are now going we are headed towards chaos and will so continue until there comes a more general observance of law. It stands to reason that enforcement must be partial and incomplete so long as there is non-observance here and there of this law or that.

The nation is the sum of the units which go to make it up. It is on the behavior and the thinking of the individual that the stability and quality of government depends. Keep in mind your own responsibility. If every well intentioned citizen did this, good government would be a much more easily attained objective.

ENTERTAINMENT OF TOURISTS

DURING the present summer this region has experienced a greater influx of tourists than ever before, and indications point to the likelihood that, as the years go on, this invasion will greatly increase. These visitors constitute a means of considerable revenue, particularly for certain classes of people, and are well worth catering to.

In a former issue THE ACADIAN suggested that citizens should do all in their power to give evidence of a friendly spirit towards these strangers within our gates, and indicate to them our kindly interest and desire to make their stay among us pleasant and profitable. We are glad to know that our suggestion was kindly taken and to have it from the strangers themselves that they appreciate the cordial manner in which they have been met and the uniform courtesy and good will that has this season been extended towards them by our people. According to statements made by them the effect is to make them desire to come again and extend their visit to greater length. They are delighted with what our country has to offer and are loud in their praise of our climate and scenery as well as with general conditions.

We would advise that for next season more attention should be given in the matter of drives. Most of the tourists who come here are strangers and dependent upon local guides and taxi drivers for information. They are pleased with what they see but in many cases are whirled through the country and are shown a very small part of what they would find of interest. Those who have been fortunate enough to secure competent and well informed guides have expressed themselves to THE ACADIAN as charmed, while others who learn what they have missed are disappointed. More care in the selection and instruction of drivers and a better organization of the work, as well as more co-operation on the part of those who engage in the entertainment of these summer visitors, would be productive of most beneficial results.

The cure for thinking you're indispensable is to leave town for a few days.

NOT FOR HER TO SAY

The value of travel often depends upon who travels.
Mrs. Williams, who had recently returned from abroad, was attending an afternoon tea which was given in her honor.

"And did you actually go to Rome?" asked the hostess.
"I really don't know, my dear," replied Mrs. Williams. "You see, my husband always bought the tickets."

ENGLAND'S RICHEST BACHELOR

Sir Philip Sasson, Undersecretary for the Air, recently opened the London Light Airplane Club which has for its object the making of England a nation of airmen, for any future emergency.

"THE MAN ON THE RIGHT IS RIGHT"

Chapter 76 of the Nova Scotia Motor Vehicle Act, Section 4, plainly states: "Whenever any person operating a motor vehicle or any other vehicle or riding, leading or driving a horse or other draft animal, on a public highway meets any other person operating a motor vehicle or any other vehicle, or riding, leading or driving a horse or other draft animal at a crossing of intersecting or meeting public highways, the person to the right hand of the other person shall have the right of way, provided that in the city of Halifax the person going in an easterly or westerly direction shall have the right of way over the person going in a northerly or southerly direction."

At all intersections, on Main street or any other street, whether travelling north, south, east or west, the motorist lawfully expects the car approaching on his left to keep clear and in turn gives way to the car approaching on his right. Motorists should be warned not to approach any intersection at a speed greater than will allow them to avoid a car which may suddenly appear from the right, which car lawfully has the right of way.

WHAT A GOOD BAND MEANS TO A TOWN

In speaking about bands and town bands in particular, we sometimes hear people say, carelessly, "What good is a band in a town, anyway?" Well, first take an inventory of the fellow who makes the remark. You may have reason to allow the silly question to go unanswered. But regarding the remark more seriously, let us say that a good band is one of the most useful things a town or community can possess. It is one of the best advertisements a town can have. Emerson says something like this in regard to the world making a beaten path. Well a good band will make all the roads leading to the town beaten paths, even though the town's other attractions be not numerous; every merchant is benefited by a good band. Many people come to town to attend the delightful entertainments, and they combine shopping with this pleasure. The promotion of business and musical enterprises always have the satisfaction of knowing that their demonstration from time to time will be successful, because they have a first-class band to

MAY HARNESS TIDES OF THE BAY OF FUNDY

Hydraulic engineers in New York state that a project sponsored by D. F. Cooper to generate 500,000 to 700,000 electric horsepower by harnessing the tides of the Bay of Fundy, in two inlets near Eastport, Me., is feasible from an engineering standpoint, and "the most promising development in the electrical world in a decade."

A state-wide referendum is to be taken in Maine on Sept. 14 to decide whether if the scheme is carried out, the sale of power outside the State shall be permitted.

Mr. Cooper estimates the cost of the project at about \$75,000,000, and he believes construction could be completed in five years. The flow of the tides would be regulated by a system of enormous gates.

Mr. Cooper visited Fredericton, N. B., last spring in connection with the project for harnessing the tides of the Bay of Fundy, in Passamaquoddy, and files to certain lands on the New Brunswick side of the mouth of the St. Croix River were then searched at the Crown Lands office. It was then said that when permission was obtained from the State of Maine, application for authority to proceed with the work would be made to the Dominion Government and the New Brunswick Government, and that application for permission would also be made to the International Joint Waterways Commission. Mr. Cooper explaining his project to the members of the New Brunswick Government, said that the financing of the project was already assured. He said that electric power at hitherto unheard-of low prices would be available for distribution all over that province, and could be transmitted as far west as Boston.

SELF-LOVE

Think as little as possible about any good in yourself; turn your eyes resolutely from any view of your acquirements, your influence, your plans, your success—above all, speak as little as possible about yourself.

The inordinateness of our self-love makes speech about ourselves like the putting of a lighted torch to the dry wood that has been laid in order for burning. Be specially upon the watch against those little tricks by which the vain man seeks to bring round the conversation to himself, and gain the praise or notice which his thirsty ears drink in so greedily.

Even if praise comes unsought, it is well whilst men are uttering it to guard yourselves, by thinking of some secret cause for humbling yourself inwardly to God, thinking unto what these pleasant accents would be changed if all that is known to God, and even to yourself, stood revealed to man.—Bishop Wilberforce.

MRS. ALIDA MITCHENER

The demise took place on Sunday evening, Aug. 23, after an illness of one week's duration, of Mrs. Alida Mitchener, relict of the late Lorenzo Mitchener, who predeceased her about twenty years ago. She was stricken with paralysis and never regained consciousness. All was done for her that skill and loving hands could do.

The deceased, who had resided in Hantsport all her life, (although retiring), was of a bright and cheerful disposition and leaves behind a wide circle of friends to mourn their loss. She is survived by three brothers, Capt. Albert, Capt. Charles, and Capt. Robert Lawrence, all living in Hantsport.

Fash, pastor of the Baptist church, of which the deceased was a member, assisted by the Rev. Dr. Dickie, of the United church. The music was furnished by members of the different choirs of the town, the deceased's favourite hymns, "What a Friend We Have in Jesus", "Shall We Gather at the River", and "Thy Way, Not Mine, O Lord", being sung. The floral offerings were profuse and beautiful, testifying to the esteem in which the deceased was held. Interment was in River Bank Cemetery.

NATIVE OF HANTSPORT DIES IN CALIFORNIA

(From The Ferndale (Cal.) Enterprise of August 14th.)

Mrs. Mary Jane Sweet, a well known pioneer resident of Grizzly Bluff, died last Monday evening at the Sequoia Hospital in Eureka after a brief illness with heart trouble. She was stricken while on a visit to that city and was removed to the hospital for treatment.

Mary Jane Fox, the youngest daughter of Oliver and Sarah Fox, was born July 13th, 1847, in Hantsport, Nova Scotia. In 1867 she was united in marriage to George W. Sweet and with him came to California in 1871. They resided first on Bear River for about seven years and then moved to Grizzly Bluff, where she had since made her home continuously. Her husband died

DIARY OF MARGARET D. MICHENER

Feb. 23rd, 1851. I pleased myself yesterday morning with the thoughts of a visit from my mother, as she had promised me for a long time to come the first day I had no school. I looked anxiously till afternoon, when I gave up. It hailed nearly all day, but I knew they would bring her down if she could come. Father came and took tea with me, then I went and heard Rev. Marshall, the Methodist minister preach. I went to meeting this morning and heard Rev. Hall preach a good sermon, directed particularly to the young. Rebecca came home with me and John Michener and Elmira Hines came and took tea with me. We then went up to meeting but so few were there we all went to Mrs. Nunn's. It has been a cold day.

24th. I called in today to see Mrs. Fuller and Mrs. James, and then spent the evening at sister Mary's, braiding rags and catechising the children.

25th. This has been a very stormy day; it snowed ever since daylight. There were 24 scholars came and four of them are now in bed, Adah, Sarah, Anna Coalfeet and C. Beckwith. My two brothers John have been here this evening.

March 1st, Sunday morning. Here is blustering March again. Sister Olivia and family were up on Friday; the first time she has been here this winter. Mr. J. Belcher and Maria Dickie came through from Cornwallis yesterday afternoon. They came over here in the evening; Mrs. James also. John M. came in and Mrs. Belcher went and lodged with him all night. Maria stayed with me. They came over to breakfast this morning. Emily Ann and Mrs. James have been in a while; then after calling at Mary's they have gone to Mrs. Barker's to stop till meeting time. Maria is a dear girl. I love her very much. We all had such good times together when dear Simeon was here.

LETTER FROM ANOTHER FORMER HANTSPORTIAN

The Editor of the Hantsport ACADIAN
Dear Sir,—I want to tell you that I have been to call on my neighbor "just around the corner" at West Branch, Mrs. Andrews, who lately returned from Hantsport. It was from reading the "Acadian" that I got in touch with her. It seems so good to get news direct from the old home town, and we plan to meet again. West Branch is a beautiful place. The land is rolling; at one place there are three hills to ascend— one after the other, each being higher than the preceding one. At the top we could look at the surrounding country for miles. There was a beautiful lake in the valley and fine cultivated fields and woods in view. At one place there was a great stream of water coming from a side hill. We all stopped and took a drink; it was ice cold, and the very best drink I've ever had in Michigan. The air is pure and dry there; so many go through the summer to get the benefit, and be free from hay fever, asthma, etc. Two of our neighbors have been taking a vacation in that vicinity, and my husband and I were invited to go up to spend the day, when their folks were going after them. We had a most enjoyable trip and arrived back home at ten o'clock in the evening, having travelled 212 miles.

Yours truly,
MRS. NETTIE MCKAY,
Tuscola, Mich., Aug. 24, 1925.

DRIVING REQUIRES SKILL

How quickly can you crank your engine if it stalls? If you are backing around with the idea of turning in a narrow street or road, how quickly can you get through with the job if another car suddenly appears? If you are going uphill in high gear and the car is running so slowly that you could not get out of the way of anything quickly, what sort of a job do you make of shifting into second? Can you shift into second gear going down hill if your brakes do not hold?

A little practice might show you how unsafe your driving actually is. A little practice might show how essential it is to know what to do even though you don't have many occasions to display your skill.

"Lead a simple life, vote right, pay your honest debts, collect all that's coming to you, but no more, and treat your family right."—Uncle Joe Cannon.

The flowers in the nicely laid off flower beds on our school ground are now very pretty in their profusion of bloom of various kind and colors. Our teacher, Mr. Ward, has taken a great interest in his garden and has cause to be proud of it. So should be the pupils, also the parents of the children.

Sneak-thieves have been at work at different times during the night all summer, at different homes, and very recently they have again been at work and residents lost various things in their gardens and around their property. Such work should be punished, as sneak-thieving deserves to be, to the limit.

VETERAN JOURNALIST VISITS WOLFVILLE

A visitor to Wolfville over the week end was that veteran journalist, Mr. C. C. Blackadder, of the Halifax Recorder. Mr. Blackadder made a pleasant call on THE ACADIAN and was given a cordial welcome by the editor. Besides being the publisher of the oldest newspaper in the province he is probably Nova Scotia's oldest newspaper man still in harness. He is in love with his profession to the extent that some years ago he declined the honor of an appointment as Lieutenant-Governor of his native province. Old in point of years he maintains the same youthful and buoyant manner which has ever made him a popular member of the craft. Here's hoping for him continued health and energy.

A lawyer was always lecturing his office boy, whether he needed it or not. One day he chanced to hear the following conversation between the boy and one employed next door. "How much does he pay you?" asked the latter. "I get \$2000 a year," replied the lawyer's boy; "I \$10 a week and the rest in legal advice."—Maritime Merchant.

daughter of Mrs. Ephraim Hiltz, was dedicated. The church was filled with friends, whose loving memories of the late Miss Hiltz have added to their lives, as they thought of the Christian influence exerted by one whose life for many years was that of an invalid. The service was conducted by the rector, Rev. Gordon C. Brown, the dedication prayer being offered by Rev. T. C. Miller, of Annapolis Royal, a former rector of this parish. The subject for thought was based on the text, "If any man will come after me, let him deny himself, take up his cross and follow me", and was a particularly appropriate one. VALUABLE BOOKS FOUND IN UNUSUAL PLACES Some time ago a man sent a parcel of books to a London saleroom. It proved mostly of little value, but when the auctioneer discovered a leather-bound volume containing a manuscript of Caxton's press. The volume comprised a fragment of the "Book of Hours", a perfect copy of which is worth over \$2000, nearly all "The Book of Hours", and about half "The Doctrinal of Sapience", a complete copy of which has realized pounds at auction. The only perfect copy known to exist outside of the Bodleian Library at Oxford, of the Songs and Sonnets of Henry Howard, Earl of Surrey, published in 1587, was found in the oak wainscot of a bakery at Chatham. How long it had lain there is a mystery. The various "folio" editions of Shakespeare are well known to collectors and it was a nine days' wonder when a youth of 16, the son of a baronet, exploring the library at Witley, Co. Sussex, came upon another. It had been bound and some of the pages were missing, but it was confirmed as a first edition and of great value. One of the most valuable books in the British Museum Library, the "Golden Bible", was bought by an amateur book collector from a butcher, who delighted on being offered ten shillings for it. He was about to use its value to wrap up his meat. A bookseller went to a house to buy a bid for a lot of books, and found the owner worth the trouble of carrying them. As he was leaving the house, however, he noticed a paper-covered book on the floor—an early Thackeray number, more of these?" he asked. "No," the answer. "My son made a book and we burned a lot." For five shillings the dealer bought the one number, which had not gone up in smoke, and the client calculating that even at that price his bonfire had cost him 175 pounds.

Victoria's Unique Amusement Centre Officially Opened

With appropriate pomp and ceremony the Hon. W. G. Nichol, Lieut-Governor of British Columbia, and D. C. Coleman, Vice-President of the Canadian Pacific Railway, opened Crystal Gardens, Victoria—the largest and finest salt water swimming pool and amusement centre in Canada—recently. The building takes the form of a winter garden, sunlit by day and glittering by night with an atmosphere heavy with the scent of flowers and throbbing with music from a string orchestra. Built on a two-acre property, facing the fragrant gardens of the Empress Hotel, Crystal Gardens is of generous proportions, with lower portions in brick and concrete, and superstructure of steel and specially designed glass. The interior is a huge conservatory with vines and palms and plants growing in abundance, and in the centre the largest salt water swimming pool on the continent. To give a Roman Bath effect, from the peacock alley promenades and dancing floors above, there are concrete steps down to the landing of the pool, which is 150 feet long, 40 feet wide and 9 feet deep at its deepest point. Salt water is pumped

BAPTIST CONVENTION WAS LARGELY ATTENDED

ceived and other records were acknowledged. Rev. C. T. Clark read the list of key men which was accepted.

Missionary Session
At the evening session the new President, W. C. Cross, was welcomed to the platform and expressed, in a few well chosen words, his appreciation of the honor bestowed upon him.

This session was devoted to Missions, and was in charge of Rev. H. E. Stillwell. He began by introducing Mrs. I. C. Archibald, who has given 47 years of service to work in India. Mrs. Archibald spoke feelingly of her love for, and desire to return to, the work in India. The work in 1878 was compared with the great progress realized in 1925. The conditions of the idolaters was touched upon, and the great responsibility towards the souls starving for Christ. Mrs. G. Bars reminded the audience that it was nearly fifty years since Mrs. Archibald first left these shores for work in India. Stationed at Tekkali, the work was most encouraging, although results, at first, were slow in coming. The value of the mission was illustrated by describing the experiences of the converts.

The third speaker, Rev. Gordon Bars, expressed pleasure at meeting the representatives of the churches, touched upon the successes of the work in India, and at the same time warned against thinking that it was nearing completion. Propaganda of anti-Christian Bolshevism creeps across Asia, threatening and challenging Christianity. Obstacles and difficulties should create in Baptists a determination to win the land for Christ. Many today are in a state of decision, and indications are that Christian principles are commending themselves to those Orientals.

Mrs. R. E. Gullison, after 29 years' service, is again returning for a fourth term. The speaker referred to her emotions as she left India for furlough, the pleasure of her stay in the homeland, and the prospects awaiting her return. It was a case of "attempting great things for God, expecting great things from God". In concluding, an impressive plea was made for co-operation in the task.

The closing speaker was Rev. E. E. Gullison, who said the work of England, the impact of the West, and industry, the results of missionary work, have contributed to the awakening of India. The Bible is changing the face of the country. An impassioned appeal was made for workers.

With special reference to the outgoing missionaries, Mr. and Mrs. Gullison, the quartet sang the hymn, "Speed Away". This was the finest and most impressive service of the Convention.

Saturday Sessions
At the devotional service Saturday morning Dr. H. T. DeWolfe continued his address on the Lord's Prayer, speaking on the third petition, "Thy will be done".

The final report of the Nominating Committee was presented by Rev. G. C. Warren as follows:

Committee on Educational Standards for Ordination—Rev. Dr. S. Spidle, Rev. Dr. H. T. DeWolfe, Rev. H. E. DeWolfe, Rev. Dr. A. N. Marshall, Rev. E. A. Daley, Rev. C. W. Cook, Rev. L. A. Fenwick, Rev. W. A. White.

Dr. Crowell, Rev. R. W. Bennett, Rev. N. A. MacIntosh, Rev. C. R. Rockingham, Rev. D. Patterson, Rev. E. B. MacLachlan.

Preacher Convention Sermon—Rev. L. E. Ackland, Alternate, Rev. James

Dunlop, Editor Year Book—Rev. F. H. Beals.

Treasurer Denominational Funds—Miss Minnie M. Alward, Auditor, G. R. Smith, Esq.

The Board of Religious Education reported through Dr. H. T. DeWolfe. Appreciation was expressed to the M. R. E. C. for its courtesy in allowing Rev. W. C. Machum to continue the work of field Secretary for the denomination. Mention was made of conferences, training camps, and summer schools of methods. Use of Baptist literature was encouraged. Steps are being taken to secure Lessons, Helps and Periodicals of a Canadian character. Ninety-four had passed examinations in Teacher-Training. 1441 had completed the first part of the memorization course, and 33 had successfully completed the whole course.

Report of Treasurer of the Board of Religious Education showed receipts as \$4,119.32, with disbursements reaching \$3,934.41.

I. B. Oakes presented the report of the Board of Governors of Acadia University.

Rev. F. W. Patterson, D.D., President, presented the report of the Treasurer of Acadia University.

University Has Net Surplus
All of the departments, except one, showed a surplus on the year's operations and when this deficit is deducted from the gross surplus there remains a net surplus on the operations of the year of \$3,878.27.

The outstanding financial event of the year has been the success of the new Forward Movement to date. Not more than \$100,000.00, apart from Mr. Rockefeller's contributions, has been paid into the treasury during the entire life-time of any previous Forward Movement. During this year alone there was received from others than Mr. Rockefeller, on account of the Forward Movement, the sum of \$117,226.68, and from Mr. Rockefeller \$64,699.99, a total of \$182,426.67. When to this is added the receipts of the year before, \$78,332.76, it makes a total payment to the Forward Movement from its beginning of \$260,759.43. It is expected that the cash payments of the ensuing year will provide for indebtedness incurred on the new building and make substantial reductions on the indebtedness previously incurred, and that designated gifts will make possible the beginning of other buildings contemplated in the Forward Movement objective.

The nominating committee reported the following to the Board of Governors of Acadia University:—Rev. F. H. Beals, A. S. McDonald, Hon. F. Fraser, L. W. Simms, Rev. J. W. Manning, D.D., O. Goucher, M.P.P., Dr. Leslie Eaton, Garfield White.

Church Contributions Increase
Rev. C. T. Clark presented the report of the Board of Promotion and Finance. Two meetings of the board have been held. The appointment of Miss M. B. Alward as Denominational Funds Treasurer was voted unanimously.

In spite of the severity of economic pressure, the contributions of the churches, apart from legacies, exceeded those of previous years by \$3,012.28. Considerable credit was due to the aggressive work of Rev. H. R. Boyer, who, as Executive Secretary, has been continuously in the field.

For the ensuing year it is proposed to stress evangelism and stewardship. Contributions asked from the churches to be \$75,000. A plan was presented with a view to equalizing travelling expenses of delegates to convention, but was tabled for a year.

Rev. H. R. Boyer presented a survey of his work. Ten conferences have been held, district meetings attended, and five associations. There is a necessity for conserving Baptist interests within the convention bounds. The past year has been devoted largely to denominational interests.

Rev. F. L. Orchard read the report of the Grande Ligne Mission. Feller Institute has enrolled 156, of which 93 were boys. In the graduating class of 1926 there are 13, ten of whom came from the Grande Ligne churches. The new building has been opened, and ap-

preciation expressed to the Baptists of Ontario and Quebec and the Maritime Provinces in the gift of Masse Hall and its combined adjuncts. Religious conditions have been most gratifying. More than thirty of the students have made profession of Christ. The preaching forces have been augmented by the addition of Mr. Giguere, a former Roman Catholic priest.

The report prepared by Dr. H. G. Mellick, on Western Missions, was read by Rev. L. E. Ackland. The great West is a vast mission field. There are 1,000,000 new Canadians from fifty countries. There were 250 churches and 1,215 were baptized. Baptists are doing a splendid work among the foreigners. Mention was made of the value of Brandon College to the western work.

Dr. E. D. King presented the case of the Cornwallis Street church, making an appeal for sympathetic co-operation in assisting it to carry out its campaign. Rev. W. A. White spoke in support of this appeal. The convention then passed a motion expressing sympathy with this appeal.

A motion of sympathy was ordered sent to Rev. H. G. Mellick, D.D., in view of his serious illness.

Resolutions Committee Reports
Rev. W. D. Wilson presented the report of the Resolution Committee. This conveyed its appreciation and thanks to the Board of Governors for the use of the beautiful University building and for the assistance of the quartette; reaffirmed its belief in the principle of prohibition of the sale of intoxicating liquors for beverage purposes; called upon the governments to enforce these laws, and upon the government of Nova Scotia to abolish the export liquor warehouses; to take steps to prevent rum-running; also that provision be made for the feeble-minded.

The Sunday Services
Sunday was a gala day at the Convention, all the exercises being of an inspiring character and attentively listened to by large audiences.

At 10 a. m., a very impressive service was held in the Seminary, during which three young men were ordained for the gospel ministry, the moderator, H. A. Rice, presiding.

The Scriptures were read by Rev. C. B. Lumsden. Dr. S. Spidle gave the report of the Ordaining Council, and questioned the following men:—Merle Mason, G. A. Guio, and W. P. Warren. Rev. G. C. Warren, of Fredericton, led in prayer, during the laying on of hands. Dr. N. A. McNeil gave the charge to the candidates and charged them to keep in touch with God, through His Book and prayer, and then enthroned the spirit in order that their ministry might tell to the glory of God.

The welcome to the ministry was given by Rev. E. S. Mason. The ministry, he said, is the only calling wherein a welcome is publicly extended to new recruits. The ministry welcomes young men who seek to serve and proclaim the gospel of the Grace of God. It also welcomes men whose lives are pure, and who seek the purifying of humanity.

The congregation was greatly stirred as Mr. Mason extended the right hand of fellowship to each, and especially to his own son, Merle. The benediction was pronounced by Rev. G. A. Guio.

Convention Sermon
The regular service of Sunday morning was attended by a large congregation. Rev. R. C. Eaton, of Charlottetown, the preacher of the convention sermon, was introduced by the President. The text was in Luke 4:46, "Why call ye me Lord and do not the things which I say?"

Rev. Mr. Eaton is a son of Mr. Albert Eaton, of Lower Canada, and a graduate of Acadia in the class of '13. His address on Sunday morning was an able one and fully justified the expectation of many friends. "Jesus," he said, "taught that by fruits men should be known", and calls us into a life of self-sacrifice and self-denial, he suggested the vision of one great fold, instead of contending religious denominations, and asked, "Have we in our dogmatic literalism been harsh in our attitude; have we, interdenominationally, shown that fine Christian spirit that should prevail?"

In the afternoon the service was under the auspices of the Board of Religious Education, when Rev. G. C. Warren spoke on "The Need and Importance of Teacher Training". He touched upon the steps which were taken nearly a hundred years ago to provide training for ministers, and stated that the Sunday School teacher is also an expounder of the oracles of God and a physician to human souls. If public school teachers require training how much more necessary to train those to whom is committed the guidance of the young in spiritual things?

Rev. H. E. Allaby, of Berwick, followed with an address on "The Church Vacation School", the purpose of which is to interest the boys under twelve years of age, during the period when they have nothing else with which to occupy their minds. The plan was described in detail and it was stated that experience shows that young people like it and attend well; that it teaches self-control and unselfishness.

The concluding address was by Rev. W. C. Machum, who declared that a child must be taught religion in order to experience religion. His plea was that more time and more effort should be devoted to the field of religious education. This is no part of the public school system, he said, but should be held apart from and in a different building.

Home Missions
The last meeting of the Convention, which was held on Sunday evening, was devoted to Home Missions.

Rev. E. S. Mason, Superintendent of Home Missions, was introduced by the President and in turn presented men intimate with the work. The three front seats were occupied by about thirty Home Missionaries with their wives and some of their deacons.

Rev. Mr. Mason said that many great men have come from Home Mission fields. In communities where the burden is thrown upon three or four, leaders are trained for service in church-

life elsewhere. Bands of praying men are found in Home Mission churches.

Rev. A. B. Gibson, of Minto, spoke on "Personal Experiences on a Home Mission Field", and Rev. W. A. White, pastor of the colored people of the Cornwallis street Baptist church, Halifax, spoke on "Progress and Problems of Home Mission Work Among the Colored People of our Province".

Rev. E. A. King's subject was "The Contributions of Home Missions to Other Church Life". This work makes a great contribution to the church's strength. Four hundred and fourteen baptisms have taken place and \$5,000 has been raised for Denominational funds in Home Mission churches. Many churches that are independent were once Home Mission charges. Men whose names are household words in the Baptist Denomination came from the humble Home Mission field. There is a great future for Home Mission work.

Rev. G. A. Guio, newly ordained minister tellingly spoke upon the subject "The Appeal of the Rural Field to the Student". He said: "Not all our best men are in the city pulpits, and not all the problems of the church are found in the city churches. The trend of the people is toward the city, and the country church must rise to fit men to be leaders."

The treasurer's report was then read, and also the secretary's report. Then one of the best conventions in

the history of the church came close.

TARKINGTON STORY, STARR VALENTINO, COMING SHORTLY

The Valentino fans are soon to their inning. After an absence of years, the screen's greatest lover turns to the world of lights and shows in Booth Tarkington's "Monsieur Caire", which Sidney Olcott produces for Paramount. Make no appointment for next Wednesday when the picture begins a two days' run at the Grand Theatre.

The romantic background of the story is the gorgeous court of XV, famous for the standards of etiquette and fashion that it set by famous for its vice and love. Something unusual in the way of times and settings may be expected from the fact that historical accuracy is a feature of this colorful photo-play.
