The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Avoid Pain

Many women endure needless pain at the menstrual period. They suffer at this time from backache, headache, cramps, blue spells, irritability, lassitude and general depression. While some of these symptoms may be inevitable many of them can be avoided by building up your general health.

Take Lydia E. Pinkham's Vegetable Compound regularly. Take it for relief when you feel at your worst. Continue to take it during the month. As your general health improves you should have less and less pain.

Lydia E. Pinkham's Vegetable Compound has the written endorsement of half a million women. It is sold in two forms—liquid and tablet. The tablets are chocolate coated and just as effective as the liquid. Slip a package into your handbag, or keep it in your desk at the office. Take your medicine according to directions wherever you are. Each package contains 70 tablets or 35 doses, about the same number as is contained in a bottle of liquid Compound.

COME INTO THE KITCHEN!

Do you remember grandma's big low-ceilinged kitchen with its cheerful red checked tablecloth and the geraniums blooming in the sunny South window? What a place to make corn balls or molasses candy while snowflakes were fluttering against the little window panes!

The modern kitchen has conveniences and luxuries that grandma never dreamed of, but the little bride of today is faced with grandma's problem—*what to cook*. Try the recipes in this little book. They have been used by other busy housekeepers and we feel sure that your family will like them.

“FOR CHANGE OF LIFE”

“The **Vegetable Compound** first helped me when I was in a rundown condition and my blood a little impure. I saw it advertised in the *Toronto Star* and friends told me about it. Then I took it for **Change of Life** and it corrected irregularities. Recently I took it in dry form and felt the benefit after two tablets, only taking six in all and I have been in the best of health since.”

"IT BUILT ME UP"

"A farmer's wife has a lot of work to do, inside and out. Nine years ago I got so rundown that I could not even do my housework. Some days I had to be in bed. I tried everything I heard of but got no relief. Every month I felt worse. A friend of mine told me about **Lydia E. Pinkham's Vegetable Compound**. After taking one bottle I could eat and sleep better so my husband got me two more. Then I was able to do all my work and help him outside. I worked out in the harvest and made \$30 in two weeks. The **Vegetable Compound** certainly built me up. Use my letter because I am glad to pass the good word to women who suffer as I did."

MRS. HELEN P. QUIRING, Pelly, Saskatchewan

"FOR RUNDOWN WOMEN"

"For fourteen years off and on I have used **Lydia E. Pinkham's Vegetable Compound**. Whenever I feel the least rundown I get a bottle. I have just finished my third bottle and I feel in excellent health. I have good sound nerves. I am a caretaker and, my work takes me out sometimes late at night. Before I took your medicine the least noise would make me jump. The **Vegetable Compound** has given me strength and I will tell anybody about it."

"A GRAND MEDICINE FOR WOMEN"

"Two years ago I was all rundown. I would be oh! so tired and my nerves were all upset and I could not sleep. A dear friend of mine advised me to try **Lydia E. Pinkham's Vegetable Compound** as it had helped her so much. I got a box of the **Vegetable Compound Tablets** and took them. Then I bought a bottle of the liquid **Compound** and it certainly helped me. I have had five bad spells on account of Change of Life and I would get so weak and white as chalk. But a bottle or two of **Vegetable Compound** always helps me and quiets my nerves and lets me sleep and I would soon begin to gain. It certainly is a grand medicine for women. I am still taking it and expect to continue for sometime yet on account of my age."

WAITING ON TABLE

The hostess is served first so that she may know that the food is properly prepared and provided with the spoon or fork for serving.

After the hostess, the maid may serve all women in the room before the men. Or, she may begin at the right of the hostess and serve around the table regardless of persons.

Serve the second course around the table to the left. Alternate in this way so that no one person is always served last.

Stand at the left of a person being served and hold the dish in your left hand so that he can help himself easily.

Put glasses or cups down at the right of the person with your right hand.

CLEARING THE TABLE

Remove soiled plates from the left side. Remove glass, cups and saucers from the right.

Carry one dish away at a time. Never pile one dish on top of another.

Do not remove silver from the dishes in which it has been used.

As a general rule, remove plates and principal dishes first, then smaller dishes.

"I began taking your medicine twelve years ago after I lost my first baby at eight months and nearly died myself. Before my second baby came I took Lydia E. Pinkham's Vegetable Compound and I had the best of health and a lovely baby girl. Since then I have had four boys. I take the Vegetable Compound for an easy childbirth. It keeps me on my feet and helps me in every way. I will answer letters from women asking about it."

NOURISHMENT FOR INVALIDS

Unless your doctor has put the patient on a diet which does not include fruit, she will find fresh fruit, stewed fruits or fruit juices tempting, palatable and easy to digest. Chilled orange juice, lemonade or grape juice is a cooling, delicious drink. To tempt the patient's appetite, put a cherry on the top and serve with a straw.

Children who refuse milk will often drink it through a straw. If they dislike the flavor, add a few drops of vanilla.

ORANGE FLUFF

Beat the white of 1 egg and 1 tsp. sugar until it forms a stiff froth. Pile by spoonfuls in a small glass dish. Pour over and around it the chilled juice of one small orange or $\frac{1}{2}$ a large orange.

BARLEY WATER

1 tbsp. pearl barley 2 tbsp. sugar
rind and juice of 1 lemon 1 cup cold water.

Wash the barley. Put barley, lemon rind and water in a saucepan. Simmer for $1\frac{1}{2}$ hours. Strain and add lemon juice and sugar.

“BEFORE AND AFTER CHILDBIRTH”

“My mother took **Lydia E. Pinkham's Vegetable Compound** for years in tablet form so I thought I would try it before my third baby was born. I took the liquid and also used Lydia E. Pinkham's Liver Pills and always keep them on hand. I am the mother of four healthy children. Before I took the medicine I had to rest every little while I felt so weak and rundown. I used to faint too. Now I feel lots better, my nerves are steady, I eat and sleep well and do my housework. I am glad to recommend **Lydia E. Pinkham's Vegetable Compound** because I know it helped me before and after childbirth.”

TASTY AND EASY TO MAKE

One of the simplest hot dishes is meat or fish heated in a cream sauce. This may be prepared in chafing dish or double boiler.

White Sauce

2 tbsp. butter
1½ tbsp. flour
1 cup milk

Cook butter and flour until smooth. Add milk and

season with salt and pepper. Cook to a thick cream.

Stir in 1 cup (more or less) of cold chopped chicken, turkey, lamb or other meat. Add diced celery or chopped parsley if you have it. A can of shrimp, salmon or lobster may be used instead of the meat. Peas or diced carrots may be added. In fact this is an excellent way to combine left overs. Serve on strips of toast.

LYDIA E. PINKHAM'S BLOOD MEDICINE

is an excellent tonic and builder equally good for men and women. It may be taken as a Spring medicine or at any time during the year when one is rundown and tired. It works in harmony with the **Vegetable Compound** and many women take these two medicines alternately, two doses of each every day.

“TOOK BLOOD MEDICINE TOO”

“I am glad to recommend **Lydia E. Pinkham's Vegetable Compound**. I have taken four bottles with very good results. I have also taken **Lydia E. Pinkham's Blood Medicine**. I am about fifty years old and feel well and strong. My color is good and I have a good appetite.”

By Accurate Record

**LYDIA E. PINKHAM'S
VEGETABLE COMPOUND**

benefits 98 out of 100 women who report after taking it.

LYDIA E. PINKHAM'S BLOOD MEDICINE

is a reliable general tonic, equally good for men and women. It takes the place of Grandma's sulphur and molasses in the Spring and is much more pleasant to the taste. Keep it in the medicine chest and give it to the whole family—parents and children—at any time through the year when they need such a medicine.

HUMORS AND ERUPTIONS

are among the most common indications and results of a run-down condition. Such eruptions are unpleasant, often embarrassing and give the face an unhealthy appearance. They are not usually especially serious or dangerous. More serious results may come, however, at any time from the accumulated impurities which they indicate.

GOOD HOME TREATMENT

is necessary. Eat plain, nutritious and easily digested food. Get plenty of sleep and fresh air. Take Lydia E. Pinkham's Blood Medicine one-half hour before meals. If constipation is present—as it often is—take Lydia E. Pinkham's Liver Pills. The Blood Medicine works in harmony with both the Vegetable Compound and the Liver Pills.
