

Provincial Wesleyan

THURSDAY, OCTOBER 26, 1854.

The Paper is sold, and may be seen from Mr. Marrow, Esq., at his residence, No. 10, St. James's Street, London, or by advertisement and subscription, or by direct order to the Editor.

Advertisements will be inserted without the writer furnishing his name in confidence.

We do not hold ourselves responsible for the opinions of our correspondents, or for the contents of their communications, unless they are specifically requested to publish them.

The Provincial Wesleyan is the largest, and, for its size, the cheapest of the religious papers of the Lower Provinces. Subscribers will receive a favour by recommending it to their neighbours.

Of the commendatory notices of the Wesleyan which we are continually favored, those which emanate from the Ministers of our connexion are the most highly prized.

We refrain from giving publication to this letter; preferring to make its judicious suggestions the ground work of some remarks of our own or our correspondents.

They must, however, permit us to cherish the hope that so often as the more sacred duties in which they are engaged admit of their devoting a portion of time to the special study of writing for the press.

two hundred and fifty by next spring. Robt. Marrow, Esq., has promised us also fifty copies on it when we can raise the balance, which I hope we shall be able to do in a few days.

I take this opportunity to say that Mr. Marrow has helped us much with both our Bazaar, and on a former occasion he gave fifty copies starting in the Chatham Chapel when the Trustees were unable to keep down the interest.

At the same time we have been using these efforts, I trust we have been equally diligent to be useful to the souls of the people; and though we have not seen all the happy results we have earnestly desired, we hope and believe our labours have not been in vain in the Lord.
