**Town and County News**

**BASE BALL.**—It will be seen by adver-  
tisement that there will be a match be-  
tween the Independents and the Silver  
Creek Club on Wednesday afternoon.  
The match will no doubt be an interest-  
ing one.

**THE ORANGE CELEBRATION.**—The  
Orangemen of this town, headed by a  
band, left this morning to take part in  
the celebration at Hamilton to-day, in  
commemoration of the Battle of the  
Boyne. Representatives from all the  
surrounding country are present, and we  
believe the celebration is being carried  
out on a large scale in the Ambitious  
City.

**THANKS.**—Mr. Ball wishes to re-  
turn thanks to all those who so kindly as-  
sisted on Dominion Day, and on Thurs-  
day, and especially to Mr. John West  
and Mr. John A. Wood, grocers, Wynd-  
ham st., for the use of their teams, and  
other acts of kindness by which the men  
of the Brigade were saved all suffering  
under the severe duties of the two days  
mentioned by the full supply of water  
thus afforded.

**IRVINE LODGE.**—The following are the  
officers of Irvine Masonic Lodge, Elora,  
for the year 1—W. Bro. John McDonald,  
W.M.; Bro. J. H. Kenning, W.S.; Bro.  
R. Dalby, J.W.; Bro. A. Waddell,  
Treas.; Bro. C. E. Perry, Sec'y; Bro.  
W. Strachan, Tyler; Bro. A. Kirkman,  
S.D.; Bro. W. Crackle, J.D.; Bro. R.  
Carter, I.G.; Bro. J. Gordon, Organist;  
Bro. J. Walters and I. Kerfoot, Stew-  
ards; Bro. J. Taylor, D. of C.

**KNIGHTS OF PYTHIAS.**—Mr. John S.  
King, late of the Globe staff, an able  
writer and an experienced journalist, has  
assumed the editorship of the Pythian  
Journal, devoted to the interests of Py-  
thians in Ontario. The Journal is at  
present incorporated with the Toronto  
Weekly Advertiser, and contains a large  
amount of news interesting to members  
of the Order, which is mainly benevolent  
in its objects, and whose membership is  
rapidly increasing in the Province.

**DEATH OF A WELL-KNOWN RESIDENT**  
IN BRUCE.—Capt. Alex. St. Lawrence  
Mackintosh, one of the oldest and most  
respected settlers of this district, died at  
Walkerton on Tuesday morning from the  
injuries received by the falling of a piece  
of timber while superintending the erec-  
tion of a bridge over the Saugeen River.  
Captain Mackintosh was well known  
throughout Essex, Bruce and Well-  
ington, and during the rebellion of 1837  
took an active part in organizing com-  
panies to quell the disturbance. He lived  
for 18 years in Walkerton.

**ANTI-CREMATON.**—As an expedient  
for disposing of the dead without burn-  
ing, Dr. von Steinbeis proposes to  
cover the body with Roman or Port-  
land cement, which hardens into a solid  
mass and renders the escape of noxious  
gases impossible. According to this  
plan the corpse would be placed in a sar-  
cophagus of already hardened cement;  
the cavity in which it reposes would be  
filled up with the same material, and  
both would harden together into a thick  
slab of a substance resembling stone.  
Thus the deceased buried in this man-  
ner would rest within instead of under  
the tombstone, and grave and monument  
be comprised in the same block of in-  
itiation granite.

**PURCHASE OF PROPERTY.**—We un-  
derstand that Messrs. Higginbotham  
and McLean have purchased the Wellington  
Hotel property in this town, also a por-  
tion of Mr. John Tovell's property ad-  
joining, which will give them a frontage  
of 117 feet on Wyndham street, 70 feet  
on St. George's Square, and 104 feet on  
Douglas Street. The purchasers, we be-  
lieve, intend to utilize this valuable por-  
perty at the earliest moment in erecting  
first-class buildings, suitable for stores,  
at an estimated cost of about \$13,000.  
The property is a most eligible one, and  
the buildings will add greatly to the ap-  
pearance of the Square. We trust the  
speculation will fully realize the expecta-  
tions of the purchasers.

**THE DAWSON ROAD.**—Mr. Beich, of St.  
Mary's, telegraphs, from Fort Garry, a  
statement of the sufferings and priva-  
tions endured by emigrants travelling to  
the Northwest via the Dawson Route.  
The arrangements are entirely inadequate  
provisions scarce, and tenants and em-  
ployees unequal to the work required.  
We notice that a number of passengers  
by the same road—who among them is Mr.  
Duncan Bailey, late of Guelph,—make a  
similar complaint. It seems that they  
were stuck at the east shore of Sturgeon  
Lake, had been 12 days out, and that at  
the date of writing there was no prospect  
of their being sent forward. If we are  
not in error, we think this trip alluded  
to was the first made over the road by the  
new contractors, and some allowance  
ought to be made for the difficulty in  
making proper arrangements so early in  
the season. It is the duty, however,  
of the Government to make instant inquiry  
into the complaints, and to see that the  
contractors perform their work efficiently,  
else immigrants will avoid it, and travel  
by the U. S. route.

### Local and Other Items.

A fine bell, weighing 1,000 lbs., man-  
ufactured by J. C. Wilson, of Glasgow,  
has been put up in the tower of Knox  
Church, Owen Sound.

Some seven or eight families and a few  
single men, from Denmark and Sweden,  
have arrived at Clinton, and have at  
once found employment.

Mr. John Gamble, while driving along  
the town line between Mono and Cale-  
don on Monday, was thrown from his  
waggon, near Purple Hill, and seriously  
hurt.

Owen Sound is to have a gas manu-  
factory, the article to be generated from  
wood. The estimates of the work are  
under \$10,000, and it is proposed to  
form a company to carry out the scheme.

While Mrs. D. McDougall, of Granton,  
on Friday last, while crossing the Bay-  
field river, on the London road, the team  
took fright and threw her off the load,  
the waggon going over her legs, but for-  
tunately without breaking them.

Mr. Hardy, M.P.P., made a good hit  
at the North Oxford Reform demonstra-  
tion, when he said the Ontario Oppo-  
sition reminded him of a man's remark in  
reference to his wife's tea—"Very hot  
and very weak."

James M. Jones, of Chatham, has en-  
graved the Lord's prayer on a six-cent  
piece—which is but a trifle larger than a  
half dime. The letters are very clear  
and distinct, and can be read by any  
person possessing ordinary good-sight  
without the aid of a glass.

**THE STORM.**—A horse belonging to  
Mr. Thomas Moon, of Hullett, was so  
injured by being struck with lightning  
on Tuesday, that it shortly after  
died. A number of barns in Stanley  
were unroofed, and the detached parts  
smashed to splinters. A man named  
Barth lost four sheep by lightning.

**GUNPOWDER ACCIDENT.**—On Wednes-  
day afternoon a little boy about 10 years  
of age, son of Mr. J. Ketchum, Orange-  
ville, applied a match to some powder,  
which exploded, seriously burning his  
face and head, and injuring his eyes so  
that it is feared he will lose the sight of  
one of them.

**TRADE AT CLINTON.**—The following  
figures show the increase in the import-  
ing and exporting trade on the G. T. R.  
for the first two years:—Im-  
ports 1873, \$2,198,888 lbs.; 1874, 2,505,  
140 lbs.;—increase 400,257 lbs. Ex-  
ports, 1873, 9,238,610 lbs.; 1874, 15,700,  
563 lbs.;—increase 6,461,943 lbs.

**C. V. R.**—There are about fifty men  
employed on this road near Galt. Other  
gangs will follow, as soon as released  
from the eastern section of the line. The  
valuators seem to have concluded their  
labors for the time, having bought the  
right of way from Ayr.

**NARROW ESCAPE.**—While the excu-  
sion train was returning from Goderich,  
on Dominion Day, and when near  
Holmesville, a young man named Mc-  
Dermott, of Seaford, foolishly attempted  
to climb from the side window of the  
car into the rear platform, but, losing  
his hold, he fell to the ground, and  
rolled down the embankment. Fortu-  
nately he was only slightly injured.

**NEW IRON FOR THE T. G. AND B. RAIL-  
WAY.**—We are credibly informed that  
the section of this road between Orange-  
ville Junction and Mono Road—about 20  
miles—is to be re-laid with new iron,  
much heavier than that at present in  
use. The rails now in use are to be taken  
up and laid on the section between  
Harristown and Teeswater, which is being  
graded to receive them.

**THIRD-RATE JOURNALISM.**—The fol-  
lowing sensible remarks are from the  
Meaford Monitor: "One more paper gone  
to the grave of the foolish! The Elora  
Standard has given up the ghost. Our  
readers will remember it as the paper  
which started with such grand firing of  
big guns some six or eight months ago.  
It was the third in a village of less than  
2,000 inhabitants, an abortion at birth, a  
disgrace during life, and unwort at its  
death." It affords one more proof of the  
fact that Ontario at least is overstocked  
with trashy third-rate papers. If one-  
half were swept out of existence the re-  
mainder, free from obligations to indi-  
viduals, from the trammels of party, and  
the dangers of starvation, would serve  
the real interests of the country ten-fold  
better. With a thoroughly independent  
outspoken press, and public sentiment  
trained by it aright, the professional poli-  
tician would lose much of his influence  
in the country, and corruption of every  
sort would be driven to its death.

The steamer Corinthian has been got  
off the rocks, and towed to Lachine. Her  
manages are slight.

The high bridge over the Desjardins  
Canal at Hamilton, has now been com-  
pletely demolished. A large part of it  
fell into the canal while the workmen  
were engaged in taking it down. The  
new structure will be commenced at an  
early date.

The Postmaster-General has given  
directions that from 1st August next the  
practice of giving credit for postage at  
city post-offices will be abolished. On  
and from that date all postage on paid  
correspondence sent must be paid by the  
sender at the time of posting, and all un-  
paid correspondence received must be paid  
for by the receiver at the time of delivery.  
The daily edition of the Brockville  
Recorder has enlarged to 24 columns.

**THE ONTARIO TRIBUNE.**—The first  
number of this weekly journal, published  
in Toronto in the interest of the Catho-  
lic faith, has come to hand. Its appearance  
is very creditable, and its prospects of a  
successful career appear to be bright.

**ATTORNEY-GENERAL WALKER,** of  
British Columbia, is still at Ottawa.  
He has frequent interviews with Mr.  
MacKenzie, and is still undecided  
whether he shall go to England or not.

The Reformers of South Grey are  
already organizing for the purpose of  
defeating Lauder at next election.  
They have already had a meeting,  
and at the proper time there will be  
another for the purpose of nominating  
a Candidate.

**Death of the Pope's Chaplain.**

**Destitution in Kentucky.**

**The Beecher Scandal.**

**Mitchell the Home Ruler.**

**Exodus of Workmen.**

Rome, July 12th.—Monsignor De  
Merode, Archbishop of Mitylene, and  
Chaplain of the Pope, is dead.

Queenstown, July 12th.—The steamer  
Novada, from New York, has arrived.

Plymouth, July 12th.—The steamer  
Pomerania, from New York, has arrived,  
Louisville, Ky., July 13th.—The Courier  
Journal publishes crop reports from all  
parts of the States. For three months  
past in Southern and Western Kentucky  
not enough rain has fallen to lay the  
dust, and the crops are almost entirely  
destroyed, and even with abundance of  
rain henceforth cannot be saved. Scarcely  
any tobacco crop; corn and oats very  
small—wheat best crop for many years—  
much destitution reported. In the  
mountain districts, actual cases of star-  
vation are reported.

New York, July 13th.—Members of  
the committee of investigation in the  
Beecher scandal refuse to give any in-  
formation other than that the investiga-  
tion will be thorough, and no favor shown  
to any one.

John Mitchell, the Irish patriot of the  
revolution of 1848, sails for Ireland to-  
morrow, with the intention to enter the  
British Parliament as home ruler, one of  
the most prominent members of that  
party being about to retire to secure  
Mitchell's election.

London, July 13th.—A violent thunder  
storm on Saturday caused several fatal  
accidents.

The Times special says:—The Carlists  
are trying to drive away the foreign cor-  
respondents by shooting some spies.  
Many Germans have already withdrawn  
from their lines.

The Berlin Times despatches say:—  
It is now reported that Bismarck's journey  
to Kissingen has not a political object.  
The friendly attitude of the King of  
Bavaria gives much satisfaction, but  
separatist tendencies of Saxony give rise  
to a feeling of uneasiness.

New York, July 11th.—Owing to the  
lack of employment and the low storage  
rate on steamships, a heavy exodus of  
workmen has commenced; outgoing  
steamers for Europe to-day leave with  
their steerages crammed, and tickets are  
sold for several weeks ahead.

About 9:30 this morning, an oil tank  
containing three million gallons of re-  
fined oil exploded with a terrific report.  
The cap was blown over 400 feet in the  
air, and the flames lifted the air to up-  
wards of 200 feet. The oil ran down  
upon the river, and soon it was ablaze  
with burning oil.

**Accident on the G. T. Railway.**  
Special per Dominion Life.  
Berlin, July 13, 1874.

On Saturday evening last a young lad,  
aged about 12 years, son of Mr. Mowat,  
of Guelph, took the mixed train to go to  
his home. Not having a ticket he became  
alarmed at the conductor's appearance,  
and when about half a mile out of town  
the boy jumped off. He was found on  
the track by some other boys just in  
time to save him being run over by a down  
freight train. His injuries are, three  
toes cut off and an arm broken.

**FIRE AT PRESTON.**  
Special per Dom. Life.  
Preston, 13th July.

The factory premises of Otto Klotz  
were completely destroyed by fire on  
Monday morning early. Cause unknown.  
The premises were occupied by Charles  
Kremer as a cabinet shop. Insurance

**CAMP OF INSTRUCTION.**  
GUELPH, July 9th, 1874.  
AFTER ORDERS.  
No. 2. The Officer commanding the  
Brigade cannot permit this opportunity  
to pass without expressing, on behalf of  
his brother officers, non-commissioned  
officers and men, now in camp, a high  
appreciation of the hospitality and  
courtesies extended to the whole force by  
the corporation and citizens of Guelph,  
and the conviction that should duty  
ever again bring them to this locality,  
they will respond to the call with none  
the less alacrity, when remembering the  
kindness with which they have been uni-  
formly treated. By order,  
JOHN HARRIS, Esq., JOHN A. McMILLAN,  
Mayor, Guelph. } Brigade Major.

The Aurora Banner says: At a place  
called Grantham, about the middle of  
last month, one of our subscribers, while  
visiting a friend's house, was agreeably  
surprised to meet with six persons the  
youngest of whom was older than him-  
self, although he had already reached  
the allotted span of "three score years  
and ten." The following are their ages:  
one 108, one 81, one 79, one 75, one 70,  
and our friend of 70, the combined ages  
numbering 554 years. The oldest of the  
six was a tall gaunt Irishman with an ex-  
traordinary strong and loud voice, and  
still active.

### BASE BALL ITEMS.

We give below a summary of the games  
played by the Maple Leaf Base Ball Club  
with the several non-professionals at  
Watertown, N. Y., as well as the local  
clubs at the several Canadian towns  
touched on the return trip. It will be  
seen that in all the games, the Guelph  
players were victorious, and made good  
their claim to the amateur championship  
of the world.

The game with the Royal Oaks, of  
Bowmanville, on Friday, was excellent  
in every respect, and the crowd better  
than in any of the other Canadian towns.  
In the evening the Guelphites received  
an invitation from the editor of the  
Statesman, Mr. W. R. Climie, to spend  
the evening at his residence, which was  
brilliantly illuminated with Chinese  
lanterns, and where a garden party was  
held. Here the company listened to the  
strains of the local band, and the  
charming music from the best vocalists  
of the town, and after an excellent supper,  
spent a most enjoyable evening in games  
and pleasant chit-chat.

Of the match on Saturday in Toronto,  
the Globe says: On Saturday afternoon  
a large crowd assembled on the Cricket  
Ground to witness a base ball match be-  
tween the Maple Leaf Club of Guelph—  
the clever fellows who lately won the  
amateur Championship of the World—  
and the Dauntless Club of this city.  
The Guelph team is composed of well-  
built and athletic men, whose bronzed  
faces and arms, after the Watertown  
Tourament, looked quite professional.  
Mr. J. P. Nicholls, of Guelph, acted as  
umpire. The match commenced at half-  
past two, and was decided at the end of  
six innings, as the visiting club had to  
take the 4:30 train for home. The best  
of feeling prevailed during the play, and  
the result was greeted with generous en-  
thusiasm by all.

Two base ball matches were played at  
Galt on Saturday, one between the em-  
ployees of Cant, Gurney & Co., and Gol-  
die & McCulloch's foundry, resulting in fa-  
vor of the latter by 50 runs; and the other  
between the Tinsmiths of the  
Woolen Factory employees, the former  
winning by one run.

**SHOEMAKERS VS. WEAVERS.**  
A shop picked from Hepburn's shoe  
shop played the weavers from McCrae's  
factory on Saturday afternoon, on the  
ground near the Dundas bridge. There  
were several impediments to a successful  
game, among which may be noticed a  
predominance of grass, although we  
would not insinuate that the players were  
green. Then there was any amount of  
yarn that had to be unravelled before the  
ball could be set in motion, and the wax,  
mixed with the water into which the  
ball often fell, made things generally  
clammy. The weavers came out victori-  
ous, waxing the Sons of Crispin by a  
score of 33 to 24. One of the most  
amusing features of the game was the  
bobbin of the weavers. Every now and  
then they would loom up just where they  
weren't wanted. They seem to have a  
weakness for that kind of thing. But  
the shoemakers threw all their soul into  
the game, and pegged away to the last,  
healing and looting to lively times. But  
the weavers got the upper hand, and  
crimped the shoemakers badly. The  
end of the game was wax for the Crispins.  
This is the score:

SHOEMAKERS	WEAVERS
C. Deary, 30	J. J. Oliver, 11
T. Bodeau, 27	W. Ross, 11
T. Conway, 26	S. S. Spalding, 20
T. Costigan, 6	S. Scrivens, 30
W. Hornby, 11	T. W. Craig, 10
E. V. Snelos, 26	T. Anderson, 11
C. Taylor, 19	J. Spalding, 8
T. Mowgan, 11	T. Spalding, 10
P. Costigan, 10	J. James Howard, 6

**RUNNERS BENCH LISTING**  
Shoemakers... 1 3 4 5 6 7 8 — 24  
Weavers... 3 2 6 8 2 3 1 — 23  
Score—J. Brandon and W. Ross; Um-  
pire—G. Chamberlain. Time 4 hours.

We understand the second nine in  
Hepburn's factory have challenged the  
first for a game on the Fair ground this  
afternoon at three o'clock.

This afternoon at half-past two the  
grounds of the M. L. B. Club will be  
the scene of a tussle between Law  
and Produce. The Lawyers have been in  
practice for several terms now; and Pro-  
duce should remember that when court-  
ing a game with them they are dealing  
with a commodity which isn't easy to  
corner. They will have to mind their  
peas and 's, at any rate, for their op-  
ponents know how to bully, and in fact  
are bully fellows. We hope to see some  
good play produced by one side, at least,  
and the laws of the game strictly adhered  
to by the other. We trust the umpire  
will see that justice is done.

The Four Garry Club, having beaten  
the Military, now claim the championship  
of the Province of Manitoba.

A game of Cricket was played at Fer-  
gus on Saturday between Mora and Fer-  
gus Clubs, which terminated in a victory  
for the latter in one inning.

**TALL JUMPING.**—Mr. Joseph Copp of  
Londesborough, made the extraordinary  
standing jump of 12 ft 11 in, on Domin-  
ion Day at Clinton. He also made three  
standing jumps of 36ft, 1 ft in, and a hop,  
step and jump of 19ft, 9 in.

Death of Mr. Cunningham, M. P.

The report which came from St. Paul on the 8th of the death of Mr. Robert Cunningham, M. P., for Marquette, Manitoba, has been confirmed by the receipt of a despatch at Ottawa. His death occurred in that city on the 5th, the cause being a severe hemorrhage of the stomach. The Globe thus speaks of the deceased, who was known to not a few about Guelph and Elora:—"Mr. Cunningham was a native of Ayrshire, and a graduate both of Glasgow College and London University. He came to Canada in 1838, and was, for some time, on the reporting staff of the Globe, acting during the troubles at Red River in 1850-70 as the special correspondent of the paper. He went up to Manitoba with the expedition under Colonel—now General—Wolsley, and became one of the proprietors of the Manitoba newspaper published at Winnipeg. He was returned for Marquette at the general election of 1872 and re-elected in 1874. The deceased gentleman will be remembered by his friends as having possessed many amiable and genial qualities. He was a man of considerable ability and originality, but his public career, thus prematurely terminated, was marred by a certain infirmity of purpose that placed him at times in positions his better instincts would have avoided."

The Sangster Case Again.

A short time ago we referred to the case of Dr. Sangster, in connection with his candidature as representative of the Teachers at the Council of Public Institution. We referred to the unhappy relations which existed between him and his first wife, to the scandal which his intercourse with a young lady in Toronto—who subsequently became his second wife—occasioned, to the painful history connected with his divorce, and to other matters no less seriously affecting his moral character; all of which in our opinion were valid reasons why the teachers should oppose his election to the responsible position he seeks to obtain. Since then Dr. Sangster has published a pamphlet, in which he pretends to give a full and true history of all his family troubles, and seeks to secure the sympathy of the teachers and the public by a recital of his sorrows, and representations which would lead the casual reader to the conclusion that he was a much injured man.

Among other documents which he gives in this pamphlet in his own defence, and in vindication of his conduct, is an opinion which he alleges he obtained from Mr. John H. Cameron, to the effect that the divorce he obtained in the States against his wife was valid, and also that his second marriage was valid in the States and in Canada. Mr. Cameron, however, in a letter published in the Toronto papers on Saturday, distinctly denies the truth of the allegation. He says:—"My opinion was never either asked or given in such a case, but it was asked for, given on a decree of divorce, obtained on the petition of his first wife against Dr. Sangster, on a statement of facts submitted therewith; and as only part of it is set out in the Globe article it does not show my view on the case really sent to me, and has no application whatever, as stated, to a divorce obtained by Dr. Sangster."

From the above it will be seen that Mrs. Sangster obtained a divorce as well as Dr. Sangster; that the opinion as to the validity of the divorce obtained by her was given by Mr. Cameron, and not as to the one obtained by Dr. Sangster, although in his pamphlet he makes it so appear, and in doing so commits a fraud on the public, and seeks on false pretences to secure popular favour and sympathy. The fact that such a divorce was obtained by Mrs. Sangster is studiously kept out of Dr. Sangster's pamphlet, and we are therefore left in the dark as to the grounds on which she obtained it. It opens up a new phase of this wretched history which we fear—if all was known—would be as little creditable to Dr. Sangster as that which we already know about his family troubles.

In bringing his case before the public Dr. Sangster thought to justify his conduct by parading Mr. Cameron's opinion, which that gentleman now disowns. His case was bad before, but now he is utterly left without defence, and moreover stands before the world of having sought to gain public confidence by fraud and falsehood. What will his defenders and apologists now say? What will the teachers who have been fooled and hoodwinked by him now say in his favour? If any of them are yet foolish enough and impudent enough to support him, they will assuredly lose the respect of their constituents, and all who value truth, honor and morality. In this connection we think the Globe, in persistently opposing the conduct of Dr. Sangster, in the interests of public morality, has done the country a service which deserves every acknowledgment and commendation.

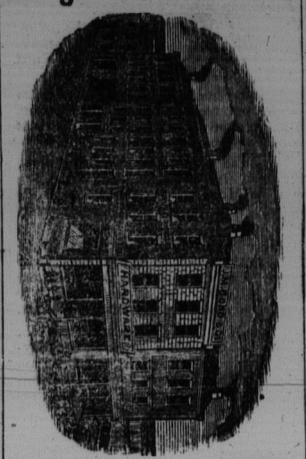

An Exciting Bear Hunt in Garafraxa.

On the evening of the 26th ult., Mr. John Turner saw a very large bear crossing the 11th line of Garafraxa between lots 4 and 5. Bruin was going from the bush towards the open country at the time, and probably was out upon a foraging expedition, but the appearance of Mr. Turner had the effect of turning it back to its native forest. The war cry was at once sounded, and preparations immediately made for a strong expedition starting out next morning. By noon not less than thirty huntsmen were out, armed with rifles, shot guns, pitch and digg forks, and other deadly weapons too numerous to mention, followed closely by a noble band of ladies who formed themselves into a commissariat, and supplied abundance of rations in the shape of cake and milk to the gallant huntsmen. The bear was discovered in Donald Gibson's bush near where it was seen the previous evening, and James Richardson was fortunate enough to be the first to get a shot at it. But he had only a shot gun, and consequently if he struck his mark the shot had no other effect than that of tickling Bruin into good nature. The bear was then chased across the 10th line into about three quarters of an acre of swamp on Robert Simpson's farm, and the swamp being surrounded by huntsmen it was now considered that the game was as good as bagged. For some reason, however, Bruin did not voluntarily make a target of itself, and the men and dogs present had not the courage to enter the swamp and attack him in his native stronghold. A pair of hounds belonging to John and Wm. Redmond were then sent for, and they soon attacked Bruin and put him to flight, both of the messrs. Redmond getting a shot at him, with the same harmless result, however, as Mr. Richardson's previous bold attempt. The bear then ran down to the lower end of the bush and crossed into Jos. Turner's swamp, where those in pursuit thought he would remain; but instead of doing so he passed through the corner of it and took the cleared land, heading for the 11th line, which he crossed between lots 1 and 2, and was lost all track for a time. He was afterwards scented, however, and found to have passed through a range of swamp which reaches almost to the 12th line; and darkness coming on he was left in Mr. Collier's bush for the night, the huntsmen returning to their several homes to recount the day's exploits. The hunt was renewed next morning, and the bear tracked through Samuel Woolner's orchard, but he was not sighted again, and so far as we can learn he is still at large and not a bit the worse of the protracted and long continued chase. He is described as a monstrously large black one, with a white breast. During the hunt several parties were quite near to him, Mr. Ezekiel Hays, who was armed with a stick only, being so close at one time that he could almost have kicked the brute with his foot. Those of the expedition who were properly armed kept at a safer distance, however, the bear either being afraid of them or they being afraid of the bear.—Fergus News Record.

**REMOVAL. G. B. FRASER**

Has removed directly opposite his old stand, where he has opened with a brand new stock at much lower prices than could be bought earlier in the season.

G. B. Fraser is too modest to advertise that he is selling much cheaper than those who make a great blow. Still facts are stubborn chiefs, and a discerning public pronounce Fraser's to be the cheap store to deal in.

G. B. Fraser gives his old friends a cordial invitation, and invites all who wish to save money to call and see his new stock.

**Special Notices.**

**IT IS NOT WHAT YOU EAT BUT** what you digest that makes you strong. Unless the food taken is perfectly dissolved, assimilated and converted into pure blood, general nervous and physical prostration inevitably result; the whole system is impoverished, degeneration of the organs and tissues follows, and if there be hereditary predisposition to scrofula or consumption it will surely be developed and the constitution gradually broken down. The foundation of good health and a sound mind is a vigorous stomach and perfect nutrition. Dr. Wheeler's Compound Elixir of Phosphates and Calcarea is Nature's own remedy for derangements of the digestive organs, purely physiological, harmless, and positively certain to restore nervous and muscular force. jdwim
