POISON CONTROL CENTRE	8 + 737-1100
PUBLIC WORKS AND GOVERNMENT SERVICES CANADA BUILDING ENGINEER ..	1-800-463-1850

IN CASE OF FIRE

UPON DISCOVERY OF FIRE

- Leave Fire Area.
- Close Doors Behind You.
- Sound Fire Alarm.
- Do **NOT** Use Elevators.
- Use Nearest Stairway.
- Clear the Building/Minimum 100 Metres.
- Remain Calm.**

UPON HEARING FIRST STAGE ALERT SIGNAL

(Slow Intermittent Signal - 20 beats per minute)

- Listen for instructions over loud-speakers.
- Locate the nearest exit.
- Prepare to evacuate when ordered to do so,
or upon hearing the second stage alarm signal.

UPON HEARING SECOND STAGE ALARM SIGNAL

(Continuous Signal - 120 beats per minute)

- Evacuate immediately using the nearest exit.

CAUTION

Feel door before opening it. If warm, remain in your area. If not, evacuate via nearest exit closing all doors behind you. If smoke is heavy in the corridor, it may be safer to stay in your area. Close door and seal all cracks. Notify Building Fire/Safety Control Centre at **992-1150** or **992-5452** of your location (i.e. Tower, Floor, room number). If you encounter smoke in stairway, use alternate exit.

The Headquarters Telephone Directory is produced by the Department of Foreign Affairs and International Trade (DFAIT). It is generated from information entered by staff in the Department's Corporate Applications, "Profiles" and "Organizations." Please note that the 2001 printed edition of the Directory reflects information provided as of **March 13, 2001**. As such, it may not be entirely up-to-date, as personnel movements since that date are not reflected in this printed edition.

The electronic version of the DFAIT Headquarters Telephone Directory (pdf format) is, however, updated quarterly and appears on the DFAIT Intranet under "Directories." The public can consult an abridged version of the Directory via the Department's Internet site at www.dfait-maeci.gc.ca.

We have been asked why, with enhanced electronic access, we continue to print the Headquarters Telephone Directory. The question is valid, as the cost of production continues to rise, let alone the fact that, given the inherent delay in publishing, the printed version is out of date even before it is released. We are moving toward a more inter-active web based telephone directory, which will significantly improve the process for updating information, as well as searching and retrieving it.

The Directory is available in French. Additional copies of the publication in either official language can be obtained by calling (613) 944-4000 or 1-800-267-8376.

We welcome your comments on the Directory. If you have access to a SIGNET account, please e-mail them to the SIGNET Client Feedback. If you are outside the Department, please send them to: sigsug@dfait-maeci.gc.ca.

DFAIT INTERNET E-MAIL ADDRESSES

With the implementation of SIGNET 2000+ all departmental Internet e-mail addresses will have a new, simplified format. The new addressing convention will allow employees to retain the same address whether they are posted abroad or change positions within Headquarters.

The new convention incorporates first and last names into the standard departmental address, e.g.

john.smith@dfait-maeci.gc.ca

In the case of duplicate names, a middle initial will be added to create a distinct address; e.g.

john.a.smith@dfait-maeci.gc.ca

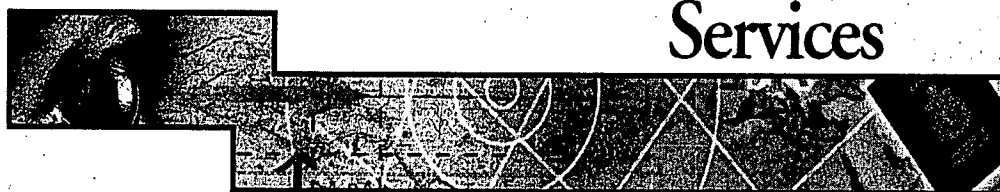

Our Service Commitment

- All our offices abroad provide six core services
- We contact clients within five working days of receiving their request
- We treat all requests confidentially

For compliments, comments, general information and redress, clients can contact the Trade Commissioner Service's feedback line at **1-888-306-9991**
