The copy filmed here has been reproduced thanks to the generosity of:

Musée du Château Ramezay,
Montréal

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Musée du Château Ramezay,
Montréal

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

MR. MUNSEY !!

Oh ! Mr. Munsey don't you think you feel too magnified
About your rubbish magazine, to be so full of pride ?
For a page of Harper's, Scribner's, Century, the Strand and the McClures
Is worth a manure car load of rubbish such as yours.

You give us lots of pictures of actresses galore,
And lots of soap advertisements to make us sleep and snore ;
There has been lots of people in this silly world before
That stood up just as high as you, and fell flat on the floor.

Of course some silly news men at present, as of yore,
Will work without a profit, and still they encore
The Munsey, Quaker, Argossy and Puritanic bore,
For Common Sense in business seems to be no more.

Our own George Newness, Windsor and London News,
Give far better reading than Munsey and his crew ;
And my old friends the Appletons, the Humboldt Library too,
Do always give us something good, no rubbish such as yours.

Mr. Munsey's boom is over and a thing now of the past,
His circulation here in Canada is disappering fast ;
His Munsey, Quaker, Argossy will soon be at half mast,
The Argossy, what does it mean? not worth a chicken's cast.

One year we had a Jubilee to celebrate our Queen,
He did not think it worth his while to say such thing has been ;
Mr. Munsey may be smart and with his pride begin,
But in the end he may find out we are not quite so green.

And while I am at my rhyming I might also say,
That there are also others who do good in their day ;
For instance, Chambers' Magazine, in its own solid way,
With neither ads nor actresses it manages to pay.

And now to close my story, I want you all to know
That I supply such literature as has some vim and go ;
I also write occasionally some verses and some prose,
And a Bible commentary to write I propose.

I have ceased to look to Moses for guidance or for help,
The five books of the Pentateuch! not worth their weight in kelp ;
The churches all I abhor with their Bishops, Priests and Popes,
But the Carpenter of Gallilee I still admire I hope.
