The copy filmed here has been reproduced thanks to the generosity of:

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

PORTLAND, N. B.,
1st August, 1882.

*To the Directors of the "WOMEN'S CHRISTIAN UNION
OF THE TOWN OF PORTLAND:"*

THE Building in which we are now assembled was erected through the earnest and continued efforts of the "WOMEN'S CHRISTIAN UNION OF THE TOWN OF PORTLAND," and the kind aid of many friends. The objects in view were to secure such a building as would provide ample accommodation for Lectures, Meetings, and the working Committees of the organization. I feel sure that you will cordially unite with me in the opinion that "UNION HALL" fully meets these requirements.

The promoters of this good work were naturally desirous to add all attractions within their power, in order to increase the usefulness of the UNION. This having been brought to my attention, I deemed it a fitting opportunity to carry to completion a scheme which I have long had in contemplation; viz., to establish a Public Library and Reading-Room in the Town of Portland. It affords me gratification that I have been permitted to carry out this long-cherished wish, and that I am now enabled to present to the Directors, for the benefit of the Town of Portland, a fully furnished and equipped Library and Reading-Room. The Library comprises History, Biography,

Travels, Science, Fiction, Belles-Letters, Essays, Poetry, Parliamentary Papers, and the leading Newspapers and Magazines of Canada, Great Britain, and the United States, the subscriptions to which have been paid for a year.

In presenting this Library to the Town of Portland, I am actuated by an earnest desire to be of some service to the people among whom I live and with whom I have enjoyed so many years of friendly relations.

Yours sincerely,

ISAAC BURPEE.
