MORE SHOTS FIRED IN PHOENIX PARK CAUSE A MYSTERY

Two Fusillades Near Magazine of Fort Near the Vice-Regal Lodge.

CARS SCOUR THE PARK

London, Jan. 5.—There was another mysterious affair in Phoenix Park shortly after Sunday midnight, savs a Central News despatch from Dublin "A volley of shots was heard in the park. Then all was quiet for twentyfive minutes, when a fusilade started and lasted for several minutes. It apparently came from the direction of the magazine of the fort near the

vice-regal lodge.
"It is also stated that until dawn the park was scoured by armored ca.s with bright searchlights. No official explanation has yet been made."

A despatch from Dublin says that a party of musicians, metoring from Dungarvan to Ardmore, county Waterford, were attacked today by eight armed men, who punctured the tires and petrol tank of the machine with revolver shots. The attacking party overturned the automobile and forced the musicians to walk home.

January Tenth Has Been Fixed Tentatively by the Allies for the Ceremony Which Will Formally End the War.

Paris, Jan. 5.—The supreme council has tentatively set January 10 for the ratification of the treaty of Versailles. The council's basis for a settlement on the Scapa Flow sinkings was handed over to Baron von Lersner today, and it was announced that an agreement had been reached

with the German delegation. The Scapa Flow reparations agreement was reached upon the allies The Scapa Flow reparations agreement was reached upon the allies accepting a diminution of 125,000 tons from the 400,000 tons of naval material originally demanded from Germany. The Germans figured the impossibility of surrendering the tonnage originally demanded, and also pointed out errors in the inventory of the allies.

The allies were conciliatory and fixed 275,000 tons as final. To this the German delegates agreed.

Baynes-Reed, the speaker of the evening, paid a glowing tribute to the boys from Canada who enlisted for overseas and from personal experience rendered testimony to their gallant deeds for the honor of their country and their king. The speaker paid a special tribute to the women of Canada and the British women who, by their heroism, helped their men to win the war. "There is a danger that a nation can go to the other extreme and forget God," reminded the speaker, who pointed out that the great forward movement is tending to put life on a higher plane. "We must not forget the sacrifice of the noble men who gave their lives overseas for an ideal and endeavor to live our lives in a manner that Rev. W. L. Sir George said the situation in England was not one to require any loreign loan, but that France and Italy were in dire straits and reconstruction in those countries could be started only by the floating of an extensive loan to stabilize international credits. He declared that the interests of Europe most particularly anxious for the loan of \$35,000,000,000 to which the United States would be nited to subscribe approximately one half, were not looking to the merican government for aid. It was he purpose of the promoters of the loan, he declared, to interest banking a commercial interest.

Sir George himself will not participate in any movement to obtain the amount, he said. The object of his visit he added, was to find out the autitude of financial leaders on the question of an international loan, and the facilities for subscribing the amount from the United States.

FEDERAL EMERGENCY APPROPRIATION

Notice to Applicants and Employers

The Canadian Patriotic Fund, which has been entrusted with the distribution of the Fund provided by Parliament for the assistance of certain classes of men who have served in the late war, wishes to bring to the attention of intending applicants for assistance some important points, which must be kept in mind by them, and at the same time to bespeak from the employers of labour the loyal assistance which is essential to the fair and beneficial carrying out of the purpose

(1) The fund is to be used, except under very special circumstances, only for the assistance of men who have served Overseas and are now, without fault of their own, out of employment.

(2) A man who has not served Overseas must show some very special reason before any assistance can be given to him.

(3) So also a man who has work, or can get work, will not be given any assistance unless he can give clear proof that by reason of special expenses or burdens, his earnings or expected earnings, ought to be supplemented out of the Fund.

(4a) The man who refuses a job which is reasonably suitable for him, and the man who wilfully quits his job and registers as unemployed, is to get no assistance.

(5) Employers of Labour are urged to make use of the Department of Soldiers' Civil Re-Establishment, King Street West, as a Labour Clearing House: to report there forthwith the names of men quitting employment; to give notice there of positions or jobs available; and, above all, to apply there on every possible opportunity for men required in any branch of industry. It is in the interest of all parties that the soldiers should receive suitable employment instead of assistance. Those, therefore, who are in need of labour of any kind are urged to communicate with The Information and Service Branch, D.S.C.R., at 45 King St. W., Main 3501, so that they will be in a position to distribute positions instead of certificates for unemployment.

Unauthorized and inaccurate statements as to the scope of the relief intended, which have appeared in the Press, have caused much unnecessary work and disappointment, and it is the hope of the Canadian Patriotic Fund, which is endeavoring to deal speedily and effectually with the cases coming before it that the points above mentioned will, for the future, be kept clearly in mind. Brantford—(Special) — Mayor M. M. MacBride was returned for a third term in the mayoralty election here today, but by a narow margin, having a lead of but 190 in a four-cornered fight, with Ald. W. J. English making a surprising run. Ex-Mayor J. W. Bowlby and Ald. W. N. Andrews only served to split the vote and keep English out of the chair.

The bylaws met a devious fate. Those for a new Lorne bridge to cost \$211,000; extensions to the General Hospital to cost \$185,000, an addition at the Brant Sanatarium to cost \$20,000, were approved. A bylaw to provide a municipal milk depot, to grant \$15,000 to the G. W. V. A, and \$3,000 to the A. and N. veterans were defeated. Other successful candidates were: Ward 1, W. Ballantyne, John Hill, Arthur Harp. Ward 2, J. Kelly A. A. Lister, J. T. Burrows Ward 3, T. E. Ryerson, F. C. Harp, S. Stedman, Ward 4, W. H. Freeborn, John Allen, C. Trumper. Ward 5, R. M. Board of Health Lifts Vaccination Ban for Two Weeks.

Until Saturday the report of the health department of the city with reference to smallpox in Toronto would have been marked "no deaths." However, on Saturday Joseph Wilson, 56 years of age, died at the General Hospital Pavilion of this disease and on Sunday, Muriel, the 17 months infant of Mr. and Mrs. Waterson, 48 Wood street, died of heart trouble, said to have been induced by the disease.

Alderman John Cowan, who has worked so conscientiously in the interest of Toronto citizens, was chairman of the board of health which met yesterday afternoon. The board passed a resolution giving the school chiled a resolution giving the school children two more weeks in which to get vaccinated. This means that for at least two weeks unvaccinated children will be permitted to go to school.

Chairman Cowan stated that he had insulted legal authority with respect the city council to make vaccination compulsory and had been informed that the board of health had already gone far enough, and that the board was not warranted in taking any fur-ther action. In this case the board

It was Mayor Church who suggested that the board lift the ban against unvaccinated children for two weeks to enable children without fires in their names to take advantage of the heat of the schools. Finally Alderman Ryding seconded by Alderman Mc-Mulkin moved that the vaccination order be suspended for two weeks. Carried as noted. Ex-Controller Mc-Bride was present, Year's Health

The board has issued the following report for the month of December and for the total twelve months:

The total number of deaths for the year was 5,703, or 11.4 per 1,000 of population. This is much lower than the previous year, when the flu carried off so many victims. The figures for the past four years are: 1919, 5,703; 1918, 7,635; 1917. 5,595; and 1916, 5,931. for the total twelve months:

The deaths from the principal causes for the month of December were: Typhoid fever 3, scarlet fever 3, whooping cough 3, diphtheria 22, influenza 3, tuberculosis 19, cancer 44, apoplexy 22, organic heart disease 38, and pneu-

She was in conference with City Clerk Littlejohn, but was unable to see the mayor until later.

That the new disease variously described by laymen and the medical fraternity as encephalitis lethargica or sleeping sickness, has taken off five victims out of a total of six cases reported is among the factors considered in the annual report of the board of health for 1919.

Very interesting are the figures for 1919 given out yesterday by the city architect's department. They show that Toronto has had an increase in number of building permits issued of 2,242 over the year 1918 and 5:356 more buildings have been erected, with a valuation of \$11,286,105 in advance of last year. 7.30 and she had really not intended to get up until later, but the invitation sounded so delightful she couldn't resist. Scribbling quickly a line "Be right down," she sent the maid off to find Jerry Scott and hurried thru her bath and dressing as fast as she could. With sparkling eyes and flushed cheeks, she presented herself on the porch less than half an hour later.

"This is the jolliest thing that has happened for months," Jerry cried, throwing away his newspaper when he saw her. "Madam, the car awaits you." He gave her an elaborate bow and led her to his machine which stood ready on the drive.

"Carol was invited, but couldn't come because the new gang arrives this afternoon," he explained. "I came down ahead yesterday partly to sce you, partly to meditate in my woodland retreat where I found you yesterday, and partly to drive over after this present."

A Guelph despatch says: The City Hockey League is fast completing pre-parations for the local season, which opens here on the 15th of this month. The opens here on the 15th of this month. The teams have put a great amount of work into the task of getting into condition, with the result that every player will be in mid-season form right from the drop of the puck in the first game. The league has handed over the rink at the O. A. C. to the college hockeyists, but as the new arena in the city has been flooded and will be ready in a few days for practice, the boys will not lose any time. The schedule will be run as formerly announced, four games a week, two being played each hockey night. All registrations were to have been completed and in by last Saturday night, but a few days extra have been allowed. Five rinks of the Royal City Curling Club will go to Galt on Friday for games in that city. On Thursday night the Royal City and Union clubs will engage in combat, six rinks from each club competing.

Hamilton Tigers come along to the Arena on Thursday night for their first appearance here of the 1920 season. Aura Lee are rather an unknown quantity, but Manager Bill Marsden claims they will be well-known after Thursday night.

The O. A. C. of Guelph' will have a team in the intermediate Intercollegiate this season. The boys are just returning from their holidays and have not yet got down to practice. They will, however, be out on the ice for conditioning before the week is over. It is too early yet to form a clear opinion of the hockey material the college possesses this year, but if Cook, the fast Kingston forward, turns up, it is expected that the Aggies will make Varsity and the others go a fast pace to win out.

Don Rowing Club seniors of the T.H.L. will play Melbas at Connaught School tonight at 8.30 o'clock. All players are requested to be on hand in uniform. JUNIOR GAME TONIGHT.

Dempsey Likely to Look for Harris. Winner's End Regardless

of the Result.

Charles Cochran, the London fight impressario, has signed Georges Carpentier to a \$105,000 contract with perquisites while Jack Dempsey is down for a \$400,000 purse in lower California, split 25 and 25, and there you are. Should Cochran offer a winner's side of \$300,000 perhaps the deadlock would be broken and these champions get together for the world's title. It is likely, following precedents, Dempsey will draw the \$300,000, win, lose or draw, and then it would be up to Cochran who might draw out of the controversy and let Georges go to Tiajuana to fight for the loser's end, \$105,000 regardless of the result, and besides this bet most followers would pull for the Frenchman to take down the title.

WON IN PORT HOPE. Port Hope, Jan. 5.—In an exceedingly fast, clean game of intermediate hockey played here tonight. Oshawa defeated he local boys by a score of 4 to 3. Port Hope boys had far the best of the play thruout, but try as they might they found it impossible to get the puck by Childs in goal for the visitors. The line-up:

Oshawa—Goal, Childs; right defence, Jacobi; left defence, Kemp: centre, Powden; wings, Roenick and Blanchard; subs., Bowen and Hall.

Port Hope—Goal, Micks; right defence, Darch; left defence, Emerson: centre, Hills; wings, Lowe and Ware; subs., Brown and Rowden.

Referee—Percy LeSeurer.

BASKETBALL

The Broadview basketballers had a great time in the tournament just closed at Central Y., while the seniors rather disappointed their supporters by losing to the Pontiacs; the 135-pounders, by winning out in their class, left them plenty to cheer for. This latter bunch are scrappers from the word go as eviare scrappers from the word go as evidenced by their winning from the fast Playground outfit, the forced to play four men against five for more than half the game. Messrs. Pedlar. Crais. McMurray, M. Kerr, Beaton and McCabe, who formed this team, will surely be heard from when they graduate to senior O.B.A. rank.

In connection with the general open house program, New Year's Day, the senior and junior leaders' corps conducted an instructive and interesting program on various apparati. Messrs. W. B. Slinn and C. G. Heintzman directed the performance.

BIG SISTERS HEAR MRS. SIDNEY SMALL

Speaker at Catholic Meeting Pleads for Co-operation of Societies.

Mrs. Sidney Small, president of the Big Sisters, was the speaker last night in the second of a course of addresses launched by the Catholic Big Sisters, the well attended meeting being held in the board room of the Cathedral Hall, Bond street. Miss Mary Power, B.A., president, was in the chair. The plea of Mrs. Small's address was for co-operation between the sister societies—co-operation which if given heartily would cover the city so that not one little sister who wanted assistance would be overlooked. Discussion followed, in which Mrs. O'Comnor, Mrs. Emma O'Sullivan, Mrs. W. A. Kavanagh and others took part, the result being the passing of two resolutions, the first, which was moved by Mrs. O'Connor, asked that legislation be passed which would permit of the appointment of a woman as associate judge of the juvenile court. The second resolution, which was moved by Mrs. O'Connor and seconded by Miss May Kavanagh, entered a protest against recent legislation in connection with the medical health act, which enacts that any girl or woman charged with vagrancy be sent to a penal institution for medical examination even before the charge is proved, a delay of days or weeks being sometimes entailed upon the one arrested.

This latter resolution arose from a case cited by Mrs. O'Connor, who is in daily attendance at the courts, of the arrest of two young girls who were seen going into a Macedonian restaurant and who were ordered to jail on mere suspicion by the magistrate, the order being only changed to a house of refuge after much solicitation. It was felt by the meeting that existing legislation was very unfair and prejudicial to justice.

CENTRAL G. W. V. A. CELEBRATES CHRISTMAS

Central branch G.W.V.A. held their annual Christmas tree yesterday in the Knights of Columbus Hall, Sherbourne street. W. J. O'Grady, under whose auspices the event was inaugurated, presided. Amang those present were Mayor Church, W. A. Way and a committee of ladies as follows: Miss Lovegrove, Mrs. Greaves, Mrs. Blayley, Mrs. George, Mrs. McFarland, Mrs. Steward, Mrs. Chambers and Mrs. Barhill. W. Lalone was a capable Santa Claus, and 500 children and a large number of soldiers' widows and dependents were the recipients of his bounty. A feature of the proceedings was the entertainment given by A. R. Cowan (boy) and W. Belland (girl) and a number of local artists.

TALK TO BEEKEEPERS.

Wm. Couse, a past president of the Ontario Beekeepers' Association, gave an interesting talk to Toronto beekeepers at their meeting held last night in Foresters' Hall, College and Yonge streets. As a practical beekeeper, his talk was helpful, and was intended for the amateur who faces difficulties with the managing of his hive.

It was decided that the association would share the cost of subscriptions to standard publications that would cut the price to members to about one-half.

The next meeting will be held Friday, Jan. 30, when it is expected F. Eric Millen, provincial aplarist, will be present to make the evening helpful to beekeep-

DOMESTIC HELP SCARCE.

Long distance calls from hospitals and hotels to the women's department of the government employment bureau show that there is a shortage of help in other places besides Toronto. Cooks are largely in demand; there is also a scarcity of dining-room girls and girls to assist in the domestic side of work. The bureau is finding it impossible to meet the demands.

WEAK AND NERVOUS Tillsonburg, Ont .- "I found Dr. Pierce's Favorite Prescription an excellent medicine for the ailments of women. I had become very weak and nervous. I was just miserable when I began taking the 'Favorite Prescription' and it proved most beneficial. It so completely restored me to health that I have never had any return of this ailment. I do advise the use of 'Favorite Prescription' by women who suffer with womanly trouble."-MRS. GEO. WALKER, P. O. Box

Dr. Pierce's Favorite Prescription is made of lady's slipper root, black cohosh root, unicorn root, blue cohosh root and Oregon grape root. Dr. Pierce knew, when he first made this standard medicine, that whiskey and morphine were injurious, and so he has always kept them out of his remedies. Women who take this standard remedy know that in Dr. Pierce's Favorite Prescription they are getting a safe woman's tonic so good that druggists everywhere sell it, in liquid or tablet form.

Convention - Far-Reaching Results. Canadian Press Despatch.

Brandon, Jan. 5 .- Events in Brandon this week will bulk large in the thoughts of agriculturists thruout Canada. Today, Tuesday and Wedresday the Manitoba live stock associations hold their annual meetings and Wednesday, Thursday and Friday the grain growers assemble in annual convention. In anticipation of a large attendance sleeping accom-modation for a thousand men is being

arranged for.

arranged for.

Among the speakers to address the grain growers besides the Hon. T. A Crerar and Premier Norris, are H. W. Wood, president of the Canadian Council of Agriculture; J. B. Musselman, secretary of the Saskatchewan Grain Growers' Association; J. A. McHarg, M.P., Moose Jaw, and Mrs. Broodie, president of the United Farm Women of Ontario.

May Change Name.

At this meeting the grain growers may change their name to that of the United Farmers of Manitoba, the change being due to the feeling that the present name is not inclusive enough. It is said a resolution will be introduced asking that the military force of Canada be reduced to a minimum; that there be no computsory military training and that the military department expenditure should not exceed that of the pre-war period. Another resolution that may be put forward is that rural telephone subscribers should have free exchange with other subscribers within a five-mile ers should have free exchange with other subscribers within a five-mile radius. Then there is the great quest.on of a farmers' party in Manitoba.

Altogether the 1920 conventions of live stock breeders and grain growers promise to be noteworthy. CLAIM FIUME PRISONER

FRESH BUOYANCY IN CORN MARKET

Unusual Strength of Rye, Wheat, Oats and Hogs Mainly Responsible.

in the corn market today, largely as a result of unusual strength in prices for rye, wheat, oats and hogs. The close was strong, 2½c to 3½c net higher, with May \$1.34½ to \$1.34¾, and July \$1.32¾ to \$1.34¾, and July \$1.32¾ to \$1.35 Oats finished ¾c to 1c up; provisions gained 10c to 85c.

Upturns in the value of corn attained their greatest momentum after rye and wheat sold at a new top record for the season, and oats were within a fraction of the best figures on the present crop. This combination proved to be more than the bears in corn could successfully oppose, as, from the outset, they had been handicapped by a sharp advance in the hog market and by stormy weather moving eastward from the Missouri River. Besides, receipts were smaller than a majority of traders had expected, and there were predictions that the long-looked-for increase of the crop movement would not now come before next week. vas strong, 2½c to 3½c net higher, with

before next week.

Export sales of 500,000 bushels at the zeaboard stimulated the oats market, and so, too, did export sales of 1,000,000 bushels of rye.

Provisions reflected the strength of hogs and grain. Lard and ribs went to the highest level yet this season.

ON CHICAGO MARKET

Hughes, Harcourt & Co., 307 Royal Bank building, received the following wire at the close of the Chicago market yesterday: Corn—The market has shown a strong undertone, and the best buying has been by commission houses and local shorts. The feature of the market today has been the conued light run of corn, which is very disappointing. The cars that were two weeks ago have gone back to the country for loading, and many of these are now due to arrive. Hence, larger movement, even if temporary, is the natural expectancy. The cash demand has been fair today, with prices in the sample market from 2c to 4c higher.

MONTREAL PRODUCE MARKET.

Montreal, Jan. 5.—A much stronger feeling prevailed in the local market for cash grain today and prices for oats were marked up 1c to 2c per bushel. There were no new developments in the flour situation today. A good steady trade is passing in all lines of foodstuffs and the market is active with a strong undertone, but there is no change in prices to note. There was no further change in prices for rolled oats announced but the undertone to the market is ed, but the undertone to the market is strong. A stronger feeling has developed in the local hay market and prices were marked up \$1 per ton. There were no further developments in the local egg situation today. The tone of the market for potatoes is very firm under a good steady demand and smaller offerings, owing to the cold prevailing all over the country. The butter market was rather more active with a firm undertone. There was no change in the condition of the cheese market, business being very quiet in all directions.

the outlook there.

Vacuum Gas accounted for a total of nearly 19,000 shares, the price advancing two points, to 29. New York interests are understood to have added materially to their holdings in the company, and the oil finds on other properties in the same section of western Ontario have given the stock a revival of speculative favor.

Elsewhere price changes were, as a rule, immaterial. Hollinger, at \$7.05, and McIntyre, at \$2.15, were unchanged. Dome was easier in New, York, at \$12.37½, but locally 100 shares sold at \$14.25. Peterson Lake was active and stronger between 20% and 20%. Timiskaming was up half a point, at 48, and Crown Reserve, at 45½, showed a gain of a similar fraction.

Montreal, Jan. 5.—Trading in listed giocas on the local market today geno. Inter document to 28,626 shares, of which over 15,000 were furnished by atlants bugar common.

The trading in sugar, unlike that on Saturday, when dealings also passed the 15,000 scale mark, was made up of smail blocks. The trading in the afternoon was slightly more active than in the morning. The price opened at 76%, about two points acove Saturday's close, and continued upward to 90, at which price stry sheres sold. From this point offerings proved too much for this Power to alsorb and prices fell rapidly off to 83%, leaving the net gain for the day one of 8% points. No reason was handed cuit to account for the rise.

Interest in so far as activity was conceived was lacking to a great extent in the remainder of the list, particularly in the afternoon, but in point of strength Price Brothers turned to the reactionary trend, although the processory of the poat week. Today's advance sent the point of strength Price Brothers to the remarkable gains of the past week. Today's advance sent the price up to 230 for a board lot and to 335 for a broken lot, making Frice Brothers the highest priced stock on the local market.

The remainder of the list generally was strong, altho substantial declines.

NINE-POINT UPTURN

leavy Trading in N. A. Pulp and Dominion Foundries-Brazilian is Easier.

Atlantic Sugar's advance of about 9 points stood out as the feature of yesterday's active and well distributed trading on the Toronto exchange. Thirty-seven issues in the listed section, exclusive of mining stocks, were dealt in, but in only a small group did transactions. transactions run into hundreds of shares. The war loans were in improved demand, particularly the Victory issues of 1923 and 1933, and the turnover in unlisted stocks was fairly large, with N. A. Pulp and Dominion Foundries as the chief contributors.

Atlantic Sugar had a firm opening at 77, and the high of the morning was 79½. In the afternoon there was an abrupt jump from this figure to 84½, the price easing at the close to 84 leaving the net gain 8% points. The movement in Sugar, in which transacmovement in Sugar, in which transactions locally were 565 shares, reflected the sharp spurt on heavy trading in Montreal. Brazilian, next most active of the listed stocks with transaction of 492 shares, was under some preof 492 shares, was under some pressure, selling off half a point to 50½ with the closing bid down to 50. The company's November statement, given out after the close of the market shows a material gain in both gross and net revenue. Other utility stocks were inclined to firmness, Twin City at 35 and Toronto Railway at 44, each showing an advance of 2 points, while Barcelona moved up 5 to 73, and Mackay a point to 75½. The steels moved within a narrow range, Steel of Canada closing at 88 and Dominion iron at 75 without net change. Cement

ron at 75 without net change. Cement declined % to 71%.

The great bulk of trading in the war loans was in the Victory issues of 1923 and 1933, they holding firm at 99 and 102 respectively.

and 1933, they holding firm at 55 and 102, respectively.

In the unlisted stocks N. A. Pulp started strong at 6%, the high point of the movement, but closed at 6 11-16 without net change. Dominion Foundries at 88% showed a net gain of 2½

The day's transactions: Listed stocks, 5,070, including 2,600 mining; rights, 153, unlisted stocks, 5,235, including 2,300 mining.

Pressed Metals sold on the curb yesterday at \$350, with \$330 as the closing bid and \$335 asked.
