(2) The accounts shall be laid before the Managers at the stated monthly meetings, and when payments are ordered, the orders shall be entered on the minutes by the Secretary.

(2) Thereafter two of the Managers shall visit the residence named (two ladies if the applicant be a woman, two gentlemen if the applicant be a man). (8) All the inmates of the Home must distinctly understand that an admission confers no right of permanent residence in the Home, and at any time the Managers have the power of dismissing an inmate for what they may deem a sufficient cause; of its sufficiency the Managers are to be the sole judges.

(9) Any inmate who shall leave the Home without consent of the Directors, thereby forfeits all claims for residence within it, and will not be re-admitted.

IX.—No person shall be admitted as a free patient into the Home until he or she shall have first executed such an instrument as may from time to time be approved by the Board, providing for the disposition of his or her property then owned, or which may subsequently be acquired by him or her, for the benefit of the Home.

TWENTY-SIXTH ANNUAL REPORT

OF THE

Toronto Home for Incurables

FOR THE YEAR ENDING FEBRUARY 28, 1900.

We are once more privileged to present to the public our Annual Report, this being the twenty-sixth since the inception of the work.

We have been so abundantly blessed in our work, and the Home has been so mercifully preserved from accident or alarm, that we would be indeed ungrateful did we not acknowledge with thanksgiving that our success is due to the loving Providence Who watches over and cares for all, even the humblest of His creatures, and who puts it into the hearts of His people to aid Him in His plan of preserving and comforting the afflicted and sorrowing, the world over.

The Toronto Home for Incurables has the honor of being the pioneer in America, in the idea of caring for incurables. Other institutions have been organized for other branches of charity, but our Home appears to have been the first to be devoted entirely to the object implied in its name. Hence, we would be departing from the

original idea if we admitted any but those strenuously in need of attention and nursing through incurable disease. We have often to deal with applications for persons who simply require a home, and these we must refuse, since it would be taking the room of some needier applicant to admit any who require no nursing. We also desire to draw the attention of the public to the fact that this Home is free for the poor of Toronto, not for those coming from other towns and villages to enjoy at the expense of our citizens the comfort which should be provided for them by the funds of the municipalities to which they belong.

In this connection, with respect to applicants from the city, we believe in the well-approved rule of self help, to whatever extent is possible, rather than that any one should receive everything with no effort to assist, though it be with but a trifling sum, in their own maintenance.

There have been an unusually large number of patients cared for during the past year. The wards having been continuously filled and many applicants having had to await a vacancy for a considerable time. The number admitted during the past year was 47; 37 have died, six have left to live with friends, and one was sent to Orillia.

The number on the register on February 28th, the end of the Home year, was 132.

We commend these helpless creatures to the earnest consideration of the public, because it requires the means

and time of very many to keep the Home in good condition.

There are those who respond every year to our collectors, but there are others who could give, and would, no doubt, if they considered the usefulness and necessity of the Institution.

We rejoice to aid our soldiers in far off Africa and to feed the hungry in foreign lands; let us still further exercise our talent for giving by remembering more freely the needy at our own doors.

Much as we regret to state the fact, we are in arrears in our receipts for maintenance, which have only amounted to \$14,426.71, while the expenditure has been \$16,197.31, less to an extent than in former years, and showing that the Board is endeavoring to exercise strict economy.

We have, therefore, a shortage of \$1,770.60. To meet this the Treasurer has been obliged to borrow \$1,000 from the Trustees of the Endowment Fund, and owing to shortness of money has not been in a position to repay the amount.

We sincerely trust that during the coming year our income will increase.

With the passing of the years, changes must come and we regret to record two important ones in our management.

Mr. Alex. Manning, the President of the Board, has through ill-health been obliged to resign from the position which he has for nineteen years so ably filled. The loss

of one who has been faithful to the interest of the Home since its commencement, and who by personal inspection as well as by contribution, has shown the conscientious regard necessary for one in office for the requirements of the work, is certainly serious and to be deplored. We, however, hope that Mr. Manning may be spared for many years to continue his interest, although not actively engaged in the affairs.

We have also to mention that the Rev. L. H. Jordan has resigned the Vice-Presidency owing to his being about to remove from Toronto.

The health of our able Superintendent, Mrs. Craigie, also makes it necessary for her to rest from her onerous duties, and she will shortly retire from the position she has held for twenty-two years. In parting with her we cannot but express our appreciation of her faithful services under circumstances which have often been very trying, and which have taken her excellent ability for managing to keep every department in the smoothly running order in which the Home appears to visitors.

Although we have not the opportunity of expressing it often, we feel that the nursing staff, under the able guidance of Miss MacTavish, deserve our thanks for their attention to duty.

Likewise to the doctors who have been resident during the year would we express our acknowledgments. Dr. Fish, at present in the Home, is active and interested on behalf of the patients, who have only praise for his attention to their wants.

We are also indebted greatly, to Mr. Mortimer Clark, Q.C., who is ever ready to give legal advice, and to the clergymen of Parkdale, and to many other friends who visit and cheer the patients.

We could wish that the grant of the Government could be placed upon its former status, since we have as much need for aid as the hospitals, but for what we do receive, we are very grateful and also for what the City Council grants to us.

We trust that the new century may bring to the Home a measure of the prosperity, that appears to be dawning, and since it is a work of love may it never be found wanting in loyal support and interest.

Respectfully submitted,

MARGARET MARTIN,

Secretary.

26th ANNUAL MEDICAL REPORT

For the Year ending Feb. 28th, 1900.

To the President and Members of the Toronto Home for Incurables :

LADIES AND GENTLEMEN,—On behalf of the Medical Staff of the Home for Incurables, I beg to submit the following report :

There are at present in the Home 132 patients. This number taxes the resources of the building to its utmost and is an increase of one over last year. There were, during the year, 47 admissions, 5 more than last year.

Since the last report 37 patients died in the Home, 6 patients returned to their own homes, and one was transferred to the asylum at Orillia.

Attached to this report will be found an analysis and classification of cases with causes of death.

It will be seen from the appended list that there are in the building 15 cases of Pulmonary Tuberculosis. No attempt has been made to lessen the danger of communicating the disease to other patients or to the attendants. The Medical Staff would advise that provision be made for the isolation or separation of these cases, and that the usual precautions should be exercised with reference to disinfection.

The Medical Staff, while recognizing the thoroughness of the nursing and the devotion of the attendants, would again advise an increase in the number of the nurses. Despite, however, of this lack in numbers, the nursing

and attention to the comfort of the patients has been eminently satisfactory.

The Medical Staff learn with regret of the departure of the Lady Superintendent, Mrs. Craigie, and hasten to pay tribute to the ability and devotion displayed by her during the long period in which she presided over the Home.

The Institution is to sustain a second and very great loss in the near future in the resignation of the head nurse, Miss MacTavish. Miss MacTavish, has always had the entire confidence of the attending physicians, who have invariably had their efforts ably seconded by her careful and intelligent nursing.

All of which is respectfully submitted,

W. B. THISTLE, M.D.

MRS. ANGUS MORRISON

Moved by Rev. Elmore Harris, seconded by Rev. Armstrong Black :

“ That the thanks of the Board are hereby tendered to Miss Martin, the Secretary, Miss J Mortimer Clark, Assistant Secretary, and also to Mrs. Hugh McMath, the Treasurer, for their valuable services to the Institution during the past year.”

Moved by Rev. A. L. Geggie, seconded by Rev. Armstrong Black :

“ The Board desire to express their deep appreciation of the interest taken by the Medical Staff in all matters pertaining to the Home, and thank them for their continued great assistance in the care of the inmates.”

Mr. J. L. Blaikie then mentioned that :

At a Meeting of the Directors of the Home for Incurables, held on the 23rd February last, a letter was received from Mr. Alexander Manning resigning his position as President, when the following Resolution proposed by himself, seconded by Mr. Mortimer Clark, was carried unanimously : When it was resolved that, while accepting Mr. Manning's resignation, the Board of Directors assure him of the deep sense of obligation under which they lie to him for his devotion to the interests of the Home ever since its inception, and for his unwearied efforts on its behalf as President for the last eighteen years. The Board of Directors desire also to express the hope that Mr. Manning may be spared for many years to come ; that he may find it convenient from time to time to visit the Home, attend meetings of the Board and so keep in touch with the grand beneficent work carried on there in the name of the Divine Master, and further, that Mr. Manning may realize that the evening of his life is by God's grace and favour the brightest and the best.

The Secretary was instructed to send an engrossed copy of this Resolution to Mr. Manning, accompanied by a suitable letter.

At the same meeting it was resolved that Mr. Manning should be asked to accept the position of Honorary President, and to permit of his being enrolled as a life member. Mr. A. J. Somerville, also spoke on this subject, and the Annual Meeting was asked to confirm the above, which was expressed by a standing vote.

The Benediction was then pronounced by Rev. Bernard Bryan.
