SUPREME OFFICERS REPORT.

The Annual Reports of the Supreme Grand President, Supreme Grand Vice-President, Supreme Grand Secretary, Supreme Grand Treasurer, and Supreme Grand Auditors, were presented by the Supreme Grand Secretary.

REPORT OF THE SUPREME GRAND PRESIDENT.

To the Officers and Members of the Supreme Grand Lodge S. O. E. B. S.

BRETHREN,—It is with pleasure and gratitude that I am again permitted to meet you, I think for the tenth time, as delegate and officer, and welcome you to this the twentieth anniversary of our Order, in this pleasant and pretty town of Woodstock. I trust you may all enjoy your visit here with our brethren from all parts of this, our glorious Dominion, and that a good fraternal spirit may prevail, so that the work of this Grand Lodge, which is large and of great importance, may be considered and completed with that harmony and good feeling that should at all times exist amongst us as Englishmen and brethren.

In submitting my official report, I do not think it necessary to give every minute detail of my work for the year past. I trust, however, to give sufficient to satisfy all that I have tried hard to do my duty without fear or favor. From official visits I have made and other information gained, I think I may be safe in saying, considering the depression in trade and the dulness of the labor market, there has been no decrease in our Society, but a steady and fair increase. Although not increased so large in number of lodges, I am pleased to inform you that the increase in membership has been of that class that we may be proud of

and that the time has arrived when we should look for quality instead of quantity.

DISTRICT DEPUTIES.

As you will observe the list in last Grand Lodge report of District Deputies, that immediately after last Grand Lodge meeting the Executive confirmed the appointment of those elected, and appointed others who had not been elected to fill the different districts, all of whom, I am safe in saying, have given satisfaction, have done, and are still doing, good work for our noble Order.

The monthly Executive meetings, of which I have not MISSED ANY, have been a pleasure to me, from the harmony and good-will that has prevailed. Although the work has been heavy, occupying on one or two occasions two days, and the business to be considered often of great importance to our Order, I have great pleasure in acknowledging the kind assistance, patient and sober thought in all matters pertaining to the welfare of our Order, of Past S. G. P. Bro. Thomas Elliott, Bro. John W. Carter, G. Sec., Bro. Clatworthy, G. Vice, and our valuable and esteemed Bro. B. Hinchcliffe, Grand Treasurer, who has promptly paid all orders. There have been in several of our lodges this year disputes of a grave and serious nature concerning the welfare of our Order, and I am pleased to report that with the assistance of the Executive I have been able to settle all matters in dispute up to this present time of writing, without appeal to Grand Lodge, and without that severity of ruling with the iron rod, or with but few, if any, expulsions of members, but rather, I have tried to rule in most all cases as our beautiful rituals and obligations to each other desire us to do.

EXTENSION OF THE ORDER.

During the year there have been instituted 19 lodges, a large majority of which I have had the pleasure of personally instituting with assistance and as little expense as possible. A number of those have been instituted in Quebec and the Maritime Provinces, of which I shall have more to say later on.

Two years ago Grand Lodge voted one thousand dollars to be spent in extending our Order. A portion of that money was in my opinion well spent in extending our Order through the North-West and British Columbia. This year the other portion has been spent in visiting and extending the Order in the Maritime Provinces, and let me here say that it is the hardest work I ever undertook to do in our Order. I will, however, only attempt to give you a partial detail of our work in the Maritime Provinces. On July 28th, 1894, in company with the Grand Vice-President, Bro. Clatworthy, I left Toronto. Our first visit was to lodges in Montreal, where we were well received and used by all

the brethren—instituting a lodge at Longueuil, where from appearances it would be thought impossible to find one Englishman. Next we visited Quebec city, where our brethren needed all the encouragement we could give them. Proceeding onward to the lower Provinces, Nova Scotia, New Brunswick, and Prince Edward Island, visiting all points where there was already a lodge and stopping at all points or places where it was thought a lodge could be started, doing what we considered fairly well. Our visits to the lodges already existing in the Provinces were undoubtedly of great benefit to the brethren. Hurriedly as the lodges there were organized three years ago, few of them or the brethren knew the true principles or work of our Order. In addition to the four or five lodges that were already in the Provinces, we had the pleasure of instituting three more, and left many others in process of formation. And to assure you, brethren, that the visit was greatly needed and the Order will benefit thereby, I would ask any brother who may be travelling that way to examine and see for himself. In conclusion of this visit, or my remarks on same, I never shall forget the kindness shown to us, and the interest taken in our order by District Deputies Bro. Thomas, of New Brunswick, Bro. Dobson, of Nova Scotia, and Bro. Bell, of Prince Edward Island. Occupying as it did one month of my time, I hope I shall never regret the time and money spent in the interest of our Order, and I am fully satisfied that it has done a great amount of good.

TENDERS FOR PRINTING,

and other work in Executive office, I have carefully looked after, as to dividing the work and accepting the lowest tender in all cases. You will find the expenditure perhaps in your opinion large; but when you take into consideration the rapid increase in our Order, and the re-printing of the Revised Constitution, it must necessitate a large increase in expenditure in that line, but I can assure you that it has been done with a view to the strictest economy possible in the interest of the Order.

Some legislation is required, in my opinion, for members in good standing of defunct lodges. No provision exists in our present or PROPOSED NEW CONSTITUTION for such members, until they are able to join some other lodge. I believe that the law of the land and justice would demand that Grand Lodge shall and must provide for such members.

DISTRICT OR PROVINCIAL GRAND LODGES.

As many of you are aware, this subject has already been twice before Grand Lodge, and is again before you for the third time. A great deal may be said both for and against it, and I could, if time and space would permit, make a whole book of itself. I, however, doubt very much if the time has yet arrived or will arrive for some time to come, that it will be necessary for the change, or to even give the power to change the present

system. True it is, there is one section of our great Dominion, and one only, seeking legislation. On that line do not forget however, that the scheme cannot be inaugurated without increased expenditure to the members, and also that ours is a working man's society. But without further comment on the subject, I leave it entirely in your hands to deal with as you may think best. Alterations must and will be made to our present Constitution, from year to year, to meet the demands of our ever increasing membership, for as we increase in membership, so we must increase in knowledge of the requirements of our Order.

LATITUDE IN BY-LAWS.

Your Executive by experience have found that it is utterly impossible from many causes, to have some lodges exist at all on by-laws strictly in accordance with the present Constitution. We have, therefore, been obliged to digress slightly. The greatest cause of all is the procuring of Surgeons, and again to keep up the financial standing of the lodge on the same fees and dues, in the far east and west, as in the centre of our fair Dominion. Although we have had to digress in some instances, you may depend it has been done in the best interests of our Order generally.

EXECUTIVE OFFICE.

During the year of which I have had the honor to be the head of your Executive officers, I must admit it has been a very pleasant one, and I here give thanks to the other Executive officers for the great assistance they have been to me during the year past in arriving at all matters tending to the welfare of our Order. The work of that office is increasing so rapidly year after year that it astonishes me to know how one man and two assistants can get through the work as they do. It certainly could not be done in the manner it is, if our Worthy Supreme Grand Secretary did not devote, as he does, almost night and day to the work. I have visited that office weekly, and am fully convinced from what I see and know goes through that office, that there is no other society governed and managed with as little expense as our own, scattered as we are.

USE OF THE SOCIETY'S NAME.

This is a matter worthy of serious consideration and careful judgment, as to who, when, and where the name may be used, and in no case should the name be used by any organization or lodge for private concerns without the consent of your Executive to the same and its by-laws, and to those only which tend to strengthen our Order.

JUVENILES.

Brethren, the Juvenile Branch of our Order does not, I am sorry to say, receive the consideration it ought to. I have received complaints,

and often from those of our brethren who have charge of the youngsters, of the lack of interest taken in the boys by the adult members of our Order. Brethren, make it a point to visit them as often as you can and encourage them in their good work. Depend upon it, they are to be the back-bone and future of our Order.

NAVAL BRIGADE.

Past history has shown that they have done good work, and I have no doubt are prepared at any time not only to defend their country and countrymen, but to assist in the future, as they have in the past, in that most noble work of humanity, life-saving. True, there may be little troubles arise, as is the case in all other bodies; but those troubles, I can assure you, are easily settled, especially so by the spirit shown by our Naval Brigade members, which at all times characterizes true Englishmen. This I know from personal experience.

HOSPITAL WORK OF OUR ORDER.

I am pleased to report from information received, and in some instances my own personal knowledge, that the different Boards are doing a good work, especially so where there is not what is called an open hospital. There is yet, in my opinion, room for improvement in some ways:—First, in arranging for sure financial basis or fund from which can be drawn for its maintenance; secondly, by establishing the system in every city and town where an hospital exists and our Order is established, and at some time in the near future, brethren, will the Daughters of England be of great benefit and assistance in this respect to our Order. I have received but one report of any Hospital Board existing, it is that of the Hospital Board of the City of Toronto, to whom I return my sincere thanks for so full a report.

SOUTH AFRICA

is too far away from us to be in close touch with their workings, but good reports come from that quarter, and it is further pleasing to know that wherever white men can exist, there we find Englishmen, and soon a lodge of our Society.

AUSTRALIA

is now following, and supplies have been sent to institute a lodge in that country, but up to the present time of writing no returns have been made, I trust, however, it may prosper.

AMALGAMATED LODGES.

Up to the present there have been few amalgamations, but considerable discussion is going on on the subject, especially in the City of Toronto.

APPEALS.

I am pleased to report that up to the present, as far as I know, there are no appeals to come before you, something unprecedented in our history, thanks to the present Executive for prompt action in settling all matters of dispute coming before them, and the acquiescence of the brethren in the power placed in that Executive body.

HELP IN THE EXECUTIVE OFFICE.

The Supreme Grand Secretary and two assistants do all the work of that office, which is becoming quite a hard task, and confining the Supreme Grand Secretary almost entirely to the office. In my opinion, he or some other Executive officer should be out occasionally, visiting the lodges. Every lodge within a reasonable distance at all should be visited once a year. I find the brethren need it. They look for it and almost believe it to be the duty of some Executive officer to visit them once a year. Some change is required in this direction. Although I have spent a very large amount of time in that line, it is impossible for the Supreme Grand President to visit all, and the Supreme Grand Secretary has not time. More help in the Executive office, or your Supreme Grand President, as a paid official, will be necessary before long. Few, I can assure you, could or would spend the time that I have, visiting lodges.

For a list of new lodges opened during the year, I refer you to the Supreme Secretary's report.

FUNERAL DEPARTMENT.

The Guarantee Fund and General Fund will be found fully detailed in the Grand Secretary's report, therefore it is not necessary for me to repeat it.

BENEFICIARY OR INSURANCE.

This department deserves serious consideration, for depend upon it, it will be the mainstay and strength of our Order. Some radical changes have been made, more are to be recommended, which require serious consideration, and while there are many well qualified in our society to handle this matter, do not trust entirely to insurance men, no reflection whatever; but this department to-day is in a fair and prosperous condition, and try to keep it so.

GRIEVANCES IN THE PRESS.

I am pleased to report there have been but few this year of any kind and what there were have been settled in an amicable manner.

OFFICIAL DECISIONS.

Brethren, I think it almost a waste of time, space and printer's ink to give you a detail of all those questions asked ; let me say, however, that a large number of them I have referred to the District Deputy of the district whence they came. Many others I have taken to the Executive meetings, where surely five heads are better than one. Few I have answered personally, but in all cases, let me assure you, they have been answered in accordance with the present Constitution.

OFFICIAL ORGAN.

This is a matter that has been continually before Grand Lodge for some years past, and I certainly recommend that some action be taken in this line at this present Grand Lodge meeting. There is no member of this society, in my opinion, but who will recommend the same. The *Anglo-Saxon* has done good work. Let it or some other continue, and do better by being acknowledged as an official organ, and supported to a large extent, if not wholly, by the Order.

In conclusion, brethren, I beg of you to sympathize with me in the loss by death of many of our best and beloved brethren, and to extend to their widows and orphans a helping hand, not only by word but by act and deed.

Once more, brethren, let me beg of you to assist me in conducting the work of this Grand Lodge with that good-will, harmony and peace that must exist in all lodges of Englishmen. Finally, let me ask you to bear with me in any little failures on my part, and assist me in making this not one of the best, but THE BEST, most profitable, and peaceful Grand Lodge meetings we have ever had.

Brethren, as your head and ruler, I trust you will believe me when I say that I have tried to do my duty with as little expense to the order as possible, and I trust that my successor may have as pleasant and prosperous a year as I have had, and that the Order may grow and prosper, is the hearty wish of

Yours faithfully and fraternally,

WM. HANDCOCK,
Supreme Grand President.

REPORT
OF THE
SUPREME GRAND VICE-PRESIDENT.

To the Officers and Members of Supreme Grand Lodge of the S. O. E. B. S. :—

BRETHREN,—I have much pleasure in joining the other members of your Executive in welcoming you to this the 20th Annual Meeting of Supreme Grand Lodge of our Society.

My report for the year will necessarily be a repetition, as the S. G. President, in his report, has treated fully on the various branches of the Society's work.

I may say, in passing, that I have visited a large number of our lodges during the past year, and have been welcomed and received with courtesy everywhere. I desire to express my thanks to the officers and members for the kind consideration thus shown to me.

EXECUTIVE MEETINGS.

I have attended all Executive meetings held, except the one which took place in August while I was away in the Maritime Provinces. The business devolving upon that Board has been conducted with a view to economy, combined with efficiency; and our paramount desire has always been to administer the affairs of the Society in a constitutional manner, and for the welfare of the Order generally.

OFFICIAL VISITS.

In addition to some sixty odd unofficial visits, I have made forty-seven official visits to the lodges.

I am pleased to report that I find our brethren striving to live up to the Constitution and Ritual.

In some of the lodges a keen desire exists to become better informed regarding our ritualistic and secret work, in order that the full impressiveness of our initiatory ceremonies may be exemplified. At every lodge I visited, the brethren manifested a truly loyal spirit towards our principles and constitution.

NEW LODGES.

It will be observed by reference to the S. G. Secretary's report that fewer new lodges have been organized this year than in some previous years; also that a large number of the members are in arrears in their payments. This, I think, must not be attributed to a lack of interest in our Society, nor does it indicate a falling away from the principles we hold, but is rather the result of keen competition amongst fraternal societies, and the hard times generally. Moreover, I doubt whether a society's real progress can be measured, at all times, by the number of new lodges instituted. Indeed, this may, under some conditions, be a sign of weakness. Notwithstanding the condition of affairs as above stated, our success has been satisfactory, and the outlook for the coming year is, considering the circumstances, fairly encouraging.

It is gratifying to note the healthy growth of our Order in the North-West and the Maritime Provinces, whilst in the western section of Ontario commendable activity has been manifested.

I have been present at, and assisted in, the institution and dedication of eight of the new lodges opened.

EASTERN TRIP.

In August of last year, I accompanied the S. G. President (as he has already reported) in a visit to the lodges in Quebec and the Maritime Provinces. From the day of their institution, these lodges had never before been visited by an Executive Officer of our Society. All the brethren throughout these districts seemed to vie with each other in their efforts to accord us suitable welcome, and I was greatly impressed by their devotion to English institutions and particularly to our beloved Society. This was evinced by the enthusiasm manifested; by their many deeds of charity and acts of benevolence, which came

under our notice, done for needy Englishmen; in comforting the distressed and sorrowing, and the carrying out of the truly fraternal spirit, which should be the distinguishing characteristic of our Order everywhere, and their constant anxiety on all occasions to keep the S. O. E. prominently to the fore. Considering how isolated and scattered our Lodges are in the Lower Provinces, too much praise cannot be given to Bro. A. S. Dodson, D.D. for Nova Scotia; Bro. A. D. Thomas, D.D. for New Brunswick, and Bro. J. H. Bell, D.D. for Prince Edward Island, who, together with many of the brethren in these parts, are doing yeoman service for our Society.

I regret that the time at our disposal prevented our visiting the Annapolis Valley, N. S. I am informed that the population there is largely English, and doubtless would be a fruitful field for the extension of our Order. We addressed meetings of Englishmen in all the towns visited, and set forth the aims and claims of the S. O. E., distributed literature, and set men working for the formation of Lodges wherever opportunity offered. After hard work, in which our efforts were ably seconded by various brethren, we succeeded in instituting Lodge Marlborough, No. 207, in St. John, N. B., also Lodge Shaftesbury, No. 208, in Moncton, N. B., both of which have since made good progress, especially the former.

We found the lodges in those eastern districts in a fairly prosperous condition (with the exception of Lodge Prince George in Quebec City, and I am glad to say that this lodge has also much improved since we visited it.)

I believe the trip of your Executive Officers to the east has done good to the Society, and is calculated to bear fruit in days yet to come. I am of the opinion that more frequent visits by your Executive should be made to the lodges in both the eastern and western portions of the country. The question of expense is sometimes urged as an obstacle to this course, but the good results that follow fully justify the expenditure. If the Lodges in these far off portions of the country are not worthy of, or entitled to, an occasional visit from the Supreme Officers, surely it were scarcely worth while to organize them. I think this much is their due, and the cost would be a wise investment.

ORGANIZER.

The matter of appointing an Organizer for our Society suggested itself to me during my eastern trip. If a brother, possessed of the proper qualifications, were placed in the Maritime Provinces, I feel sure he could organize at least ten new lodges in the space of three months. No doubt, similar results might be obtained in other districts. He could also, under the direction of the Executive, generally supervise the

Society's work in the different lodges as he travels about the country. He could hear and settle difficulties, at least those of a minor nature; visit weak lodges and encourage them, and in various ways save the time and travelling expenses of Executive Officers, who now frequently are obliged to go long distances in order to attend to a single matter. I, therefore, respectfully suggest to this Grand Lodge the advisability of appointing an Organizer, if not permanently, at least for a time.

KINGSTON AND MONTREAL TRIP.

Owing to difficulties of long standing in Tyne Lodge, Kingston, and several lodges in Montreal, your Executive, in November last, instructed P. S. G. President, Bro. Elliott and myself to proceed to these cities, and, if possible, to settle the difficulties. In the case of Tyne Lodge, to take up the Charter and endeavour to unite the remnant of Tyne with Leicester Lodge. We carried out our instructions in the matter, and I am pleased to state that subsequently the members in good standing in Tyne Lodge were all received into Leicester Lodge. In Montreal, we investigated and settled several matters of dispute and difficulty in connection with various lodges, but the gravest trouble, however, existed in Yorkshire Lodge—defalcations by officers—and still remains unsettled. We succeeded in bringing this matter to a focus, and the D. D. of that district, Bro. Furze, has been instructed by your Executive to take legal steps, and so terminate this long-standing trouble.

DOMINION INCORPORATION.

In connection [with the foregoing paragraph, I desire to say an impression seems to prevail amongst the brethren in Montreal, that, because we are not incorporated as a Society in the Province of Quebec, we therefore cannot prosecute, under Quebec laws, for the crime of embezzlement. Whether this opinion is shared by brethren in other Provinces I cannot say, but, in order to dispel such ideas everywhere, and for other good reasons, I recommend to this honorable body, that a Dominion Charter, or Act of Parliament, be obtained at the earliest possible date, incorporating our Society throughout the Dominion. It must be borne in mind, however, by our brethren, that the crime of embezzlement is punishable in any Province of the Dominion, whether the Society be incorporated outside of Ontario or not.

GUARANTEE FUND.

Several defalcations of a minor character by Lodge Secretaries and Treasurers have occurred during the year; but by prompt action on the part of your Executive the sums thus misappropriated have been made good in almost every instance, either by the defaulter himself or his friends. The Guarantee Fund has not, therefore, been charged with any

losses. But I regret to have to say, a large proportion of the time of your Executive has been occupied in investigating matters arising out of said embezzlements.

AUDIT OF SUBORDINATE LODGE BOOKS.

The condition of affairs, as stated in above paragraph, is anything but satisfactory, and, if possible, a remedy should be devised. I am of the opinion that lax audit of Subordinate Lodge books affords opportunity for misappropriation of lodge funds, and I am satisfied, from my experience during the year, that but few, if any, of these defalcations would have occurred had a more strict, thorough and prompt audit of the lodge books been made. I, therefore, recommend to this Grand Lodge the advisability of appointing District Auditors who shall be independent of the lodges whose books they audit. Also to insist upon a uniform system of keeping lodge books.

BENEFICIARY DEPARTMENT.

This branch of our Society is doing a good work and is rapidly becoming one of the bulwarks of our Institution, and I think is destined to become a still more important adjunct to the Society's operations as the years pass.

As the draft Constitution fully deals with this matter, and will therefore come before this honorable body in that connection, I will only say that I trust it will receive that serious and mature consideration which its importance warrants, and that such legislation will be enacted as may be calculated to improve its usefulness.

JUVENILE LODGES.

The new Ritual prepared and distributed to Juvenile Lodges seems to be very appropriate, and, I think, gives general satisfaction.

I beg to suggest to this Grand Lodge the necessity of either electing D. D.'s over this branch or of giving your Executive power to appoint D. D.'s in districts where it may be deemed expedient. Encourage the Juveniles!

OFFICIAL ORGAN.

I have long held the opinion that an official organ would be of great good to the Society. This opinion has been much strengthened by better acquaintance with the work and needs of our Order, which my year of office has afforded me. In this connection, I have pleasure in testifying to the service rendered the Institution by the "Anglo-Saxon," especially in the Maritime Provinces, where nearly all the brethren take the paper, and who, I need hardly say, prize it much, it being the principal medium through which they can learn of the welfare of the Order.

INSURANCE OF LODGE PROPERTY.

In view of the fact that some of our lodges have lost their property by fire, I respectfully recommend this Grand Lodge to consider the propriety of making arrangements for insuring Subordinate Lodge property, and charge the lodges the usual fees for such risk. Said fees might be payable same time as fees for officers' bonds, or otherwise, as experience may require.

EXTENSION OF THE ORDER.

Some time ago, a good opportunity offered itself for the planting of our Society in the Colonies of Australasia, and Bro. Boswell, who was going out there upon other business, was commissioned by your Executive to open lodges in Sydney and elsewhere in these colonies.

I likewise respectfully bring to the notice of this Grand Lodge the advisability, at an early date, of extending our Order to the sister Colony of Newfoundland. This seems to me to be a favorable time for such a step, especially so in view of the fact that the Island contemplates joining the Dominion Confederation. This fact and the crisis through which they are passing, might induce Englishmen there to consider more readily the claims of the S. O. E.

FLAG OF ENGLAND.

Correspondence has taken place between different members of the Order who understand heraldry and your Executive regarding the flag and coat-of-arms used by this Society. It has been suggested in said correspondence, that we give the "White Ensign" (it being the distinctive flag of old England) a place in our ceremonies. Also to introduce the dragon to replace the unicorn in the coat-of-arms. These suggestions I deem worthy of consideration by this Grand body.

S. G. SECRETARY AND OFFICE.

It affords me pleasure to note the untiring zeal displayed by the S. G. Secretary in furthering the objects and work of the Society, and in fulfilling the onerous duties devolving upon him. Also a word of commendation is due to his staff for the faithful and cheerful performance of their several duties.

CONCLUSION.

In conclusion, I trust that the blessing of the Almighty may attend your deliberations; that harmony and brotherly love may characterize your intercourse together; and that the results of this Supreme Grand Lodge Meeting will redound to the benefit of our beloved Society.

All of which is respectfully submitted.

GEO. CLATWORTHY,
Supreme Grand Vice-President.

AUSTRALIA.

15. Though we have no actual returns from Australia, I have every reason to believe that the first Lodge in this colony will be instituted before the close of this Supreme meeting. Bro. E. J. Boswell, P.S.G.V.P., has secured the first application for a charter with a list of 50 members. The name of the Lodge is Southern Cross. Bro. Boswell says that inside of one year he will have 10 or 20 Lodges instituted. I have pleasure in submitting his correspondence to this Supreme Body.

16. I have pleasure also in submitting the report of the last Grand Lodge meeting in South Africa. Also the correspondence of Grand Secretary Bro. H. N. Wood. The report contains a very important resolution, which was discussed and adopted at that meeting, and ordered to be submitted to this Supreme Lodge for their approval.

17. Though the year just closed has been very trying to the mass of our members owing to the continued stringency in monetary matters, including a general depression, still I submit we have every reason to be gratified that we have not only held our own, but advanced upon our last year's records.

1. The receipts from Capitation Tax, \$4,384.36, shows an increase of \$444.66 over last year. Cash sales for the year \$3,017.69, an increase of \$502.22 over last year. The total receipts for the year shows an increase of \$946.88 over last year.

2 The expenditure of Supreme Lodge must be divided into two classes; 1st, Management; 2nd General and Incidental Expenditures The greater portion of Management Expenses consists of salaries of officers, and is fixed by by-law or resolution of Supreme Lodge. The General and Incidental Expenditures consists of expenses incurred through the extention of the Order, and will increase or decrease as the requirements and conditions of the Society demand.

3. Under the head of General and Incidental Expenditure, we have the expenses of the Grand Lodge in the City of Toronto, \$210.90; General Purpose Committee, \$80; opening of new Lodges, \$202.50; official visits, \$207.65, \$119.50 of this amount was expended in an official visit by two Supreme officers to Montreal for the purpose of investigating matters affecting the financial interests of the Lodges in that city. Executive meetings, \$339.05; District Deputy expenses, \$637.72, this shows an excess of \$345.87 over last year, but the amount has been well spent, taking all circumstances into consideration. Printing, sundry expenses, etc., are set forth in detail, amounting to \$162.50. Sundry items including rent, telephone, premium on officers bonds, legal expenses, etc., amount to \$222.80; advertising, \$285.07; Legal expenses, \$16.50. Printing Grand Lodge officers reports for Supreme Lodge meeting, \$183.30; and annual Reports 1894, as per contract, \$261.36; Past Supreme officers' jewels, \$75; expenses of Revision Committee, \$161.20. Total expenditure under this heading is \$3,045.55.

4. Special expenditure caused by the visit of the Supreme officers to the Maritime Provinces, \$434, has already shown satisfactory results.

5. Management Expenses. There is an increase of \$187.10 in the Secretary's office for extra assistance, necessitated through the great accumulation of clerical work. Supreme Secretary's salary, \$1,000; assistants, \$623.10; Supreme Treasurer's salary, \$150; Auditor's, \$50; Postage Secretary's office, \$408.21; Treasurer's \$52.30; P.S.G.P., \$17.42; Discounts and Drafts, \$17.45; Express charges, \$96.40; Telegrams, \$13.25. Total, 2,429.13, of this amount the Beneficiary Board paid \$299.50, reducing the management

expenses of Supreme Lodge to \$2,120.63. Including salaries, postage and express charges. Expenditure for year: General and Incidental, \$3,045.55; Management, \$2,429.13. Total, \$5,474.68, leaving a balance to credit of Supreme Grand Lodge after paying all accounts of \$101.05. This is gratifying after the heavy expenditure caused through the purchases of new rituals for all departments, and the revision of the new constitution.

6. The purchase of supplies amounted during the year to \$3,228.26, an increase of \$1,789.99 over last year; \$3,017.69 was received from sales, leaving a balance of stock on hand after providing for a reasonable depreciation of \$2,768.05, an increase in favour of Supreme Grand Lodge over last year of \$1,696.31. I submit herewith the Balance Sheet, with detailed statements of Receipts and Expenditures, Assets and Liabilities, Stock on Hand; also tabulated statement of amounts paid by Subordinate Lodges to Supreme Grand Lodge, which is an exact extract from our Lodge, and respectfully ask the representatives to check over the amounts with their Lodge books, which is the greatest possible prevention against mistakes or fraud.

conspiring to defraud the society by withholding his present address.

9. In Shrewsbury Lodge the prospects of an early settlement are favourable, the exact amount of shortages having only recently been completed, and an effort will be made to recover the amount without recourse to legal proceedings.

10. In the Montreal District matters are more complicated, and has already cost the society more time and money than all the difficulties in the society since the establishment of the Guarantee Department.

11. The most serious case is in connection with Yorkshire Lodge, a more determined and defiant stand against attempts to bring about a satisfactory settlement of the differences in this Lodge could not be taken than is made by the late secretary of Yorkshire Lodge, after many months of hard work at the books and vouchers glaring discrepancies were found, amounting not only to misappropriation of funds, but the greater crime of forgery. Bros. Sellers, Edwards, Furze and other officers deserve credit for the time and patience bestowed in unravelling one of the most complicated cases of corrupt work that we have had for a long time. The sum of \$30 has already been paid for legal advice, and it is estimated that to bring the guilty parties to justice it will cost about \$500, the Executive are strongly of opinion that while the amount would be well spent in establishing the power to punish guilty and fraudulent officers, it would be well that this Supreme body should be made aware of the facts, and thus give additional strength to the Executive in the carrying out of the prosecution. In addition to the \$30 paid for legal advice, Bros. Elliott, Past Supreme Grand President, and Clatworthy, Supreme Grand Vice-president, visited Montreal for the purpose of investigation, and with the hope that some settlement could be made, and they are both of opinion that the officers should be proceeded against.

12. In Denbigh Lodge matters were at one time very complicated, two secretaries having gone wrong. After a good deal of hard work matters have been made easier to get at. There is still a balance due, which the late secretary should be compelled to make good. One secretary has been expelled.

13. By the prompt action of Bro. Madge, President, and Bro. Dodd, Past President, Primrose Lodge was saved from serious complications, and are now free from all difficulties, with an excellent and worthy brother in the secretary's office.

14. The Treasurer of Lodge Empress of the West made good his shortages without legal proceedings. The Treasurer of Lodge Vancouver was expelled for illegal use of the Lodge funds but was not under bond.

15. From the foregoing it will be observed that in the majority of cases the delinquents are Lodge secretaries, it must be apparent to the Supreme body that the result of this is the neglect on the part of the treasurer to attend Lodge and receive the money from the secretary, as required by the Constitution. If the officers performed their duties constitutionally it certainly would minimise the difficulties.

16. Another, and perhaps the most important cause of such complications, is loose and careless audits. This certainly would be avoided by the appointment of competent members to perform that duty. I desire to urge upon this Supreme body the necessity of strict and thorough audits every quarter, and a yearly printed statement to each member, showing his standing in the Lodge. The secretary of Surrey Lodge has adopted this method with good results.

17. Another matter of importance in this direction is the protection of our Lodge properties from loss by fire. Some time ago a motion was made to allow the Supreme Lodge to extend the system of guaranteeing the bonds of officers to the protection of our Lodge properties, and though the Supreme Lodge at that time did not approve of the motion, there was a very strong opinion expressed in its favour, and believing that the lodges are better informed on the subject, I beg to suggest for the consideration of your Supreme body that the principle be further extended so as to be applied to Lodge properties. I am strongly of opinion that the Supreme Lodge could undertake this extra responsibility on the payment of \$2 to \$3 per year in proportion to the value of their regalia and supplies.

18. For a statement of the Guarantee Funds I refer you to the annexed balance sheet.

FUNERAL BENEFIT DEPARTMENT.

1. Amount received from registration fees and assessments from Subordinate Lodges, \$11,934.59; from Juvenile Lodges, \$35.60; from marriage registration fees, \$7; bank interest, \$291.23; total, \$12,268.52. Amount expended, 70 members death claims, \$6,700; 69 members' wives' death claims, \$2,850; 37 members children death claims, \$485.50; total, \$10,035.50; \$2 returned registration marriage fees, leaving a balance of receipts over expenditure for the year, \$1,897.14, which added to the balance of last year, \$12,185.75, making total cash to the credit of the Funeral Department on the 31st of December, 1894, \$14,416.77.

2. One thousand four hundred and ninety-eight members registered during the year, the registration fees amounting to \$748.25, a decrease of \$61.75 from that of last year. The receipts from assessments, \$11,934.64, is an increase of \$1,038.99. This is perfectly satisfactory, considering the continued depression.

3. The death rate among the members average about 6 per cent. The payment of \$1,658 over last year is owing to the increase of membership.

4. One or two death claims have been contested, one the wife of a member in Lodge Victoria's Jubilee, Montreal, she being an inmate of the asylum at the time the member joined the Lodge, and died without leaving that institution. The other a member of Lodge Worcester, claiming benefits for an adopted child. Your Executive decided this was not a legal claim.

5. After considerable thought in connection with the estimates for the coming year, and with a view of meeting the desire of some lodges for a reduction in the payments to the Funeral Fund, I beg to suggest to this Supreme Body that the funeral levys be reduced 20 per cent. and the registration fees from 50 to 25 cents. This reduction will involve a decrease in the year's receipts of at least \$3,000. Still, I have every confidence in the above payments being sufficient to meet our funeral liabilities without endangering our present reserve.

6. With the view of securing a greater interest on our reserve funds, I would suggest that the Trustees be empowered to invest at least \$8,000 in city debentures, or place it on special deposit.

7. The tables showing amounts paid to and received from the Funeral Department by the subordinate lodges, and the tabulated statement from commencement, will be interesting and instructive, showing the steady advancement each year.

BENEFICIARY DEPARTMENT.

1. The importance of the Beneficiary Department cannot be over estimated. The main question to be solved at this Supreme Lodge is, What are the lowest possible rates that can be adopted, with a view of giving the best security and creating the greatest confidence (consistent with stability and safety), for the future of this branch of our society work ?

2. It is generally admitted that our present system of collecting assessments is not only expensive in the management part of the work, but unsatisfactory, inasmuch as members cannot tell how many claims they may be called upon to pay. It certainly will be in the interest of the members to know what their liabilities are likely to be, and distribute them proportionately over the year.

3. The scale, as laid down in the present Constituion, 18 to 30, on page 75, is out of proportion. There are 671 members in this class, and while this may be satisfactory as showing that the largest number in any one section is under 30 years of age, still it is inconsistent for ages with the balance of the scale. The scale, as proposed in the revised Constitution (if the rates can be agreed upon), would certainly be the best to adopt for the benefit of this Department.

4. Two years ago I called the attention of Supreme Lodge to the necessity of creating a rest or reserve fund. The Committee on General Purposes recommended that this matter be laid over pending the consideration of the new Constitution, last year the same question was tabled under the plea that it was desirable to procure proper actuarial estimates and figures. This has been completed, and is submitted to you in the revised edition.

5. Number of applications in Class A during the year, 334, of which 17 were rejected, 312 accepted, representing \$312,000. This shows an increase of 33 over last year. In Class B there were 86 applications, of which three were rejected, 83 accepted ; representing \$83,000, an increase of four over last year. Two applications in Class A and B were rejected ; total rejections, 22 ; total membership in Class A, \$1,000 certificates, 2,360, representing \$2,360,000 ; \$500 certificates, 30 ; representing \$15,000. Average age of members in Class A is 36 years, average age in Class B 39. There were 152 lapses during the year, 18 of which were lapses from call 63 and 64 made in December, 1893, payable in January, 1894 ; 17 lapses on assessments 65-66 ; 11 on assessments 67-68 ; 10 lapses 69-70 made in April ; 8 lapses in assessment 71, made in June ; 18 lapses on assessments 72-73, made in July ; 19 lapses on assessments 74-75, made in September ; 27 lapses on assessments 76-77, made in October ; 24 lapses on assessments

78-79-80, made in November. Of the 152 lapses, 114 were married, 33 single and 5 widowers; from this number, 5 were in the Province of British Columbia; 3 North-West Territories; 6 Province of Quebec; 138 Province of Ontario.

7. Twenty-one members died during the year, 4 of whom were in Class B.; 16 assessments were made on the members, realizing sufficient to pay the 21 death claims, leaving a balance of \$3,000 for the surplus fund. The death rate this year is higher than last year, being about 8.78 per thousand; from constitutional causes about 4.14; from accidents, 2.09; from consumption, 1.25; from local diseases, 1.25. The total average age of diseased members for the year, 44 1-2 years; average duration of membership, 4.6 years.

8. The Management Expenses of the Department is divided into two classes. First office expenses, and amounts to \$540.75, made up as follows: 10 per cent. paid to Supreme Grand Lodge, \$299.50; commission to subordinate lodge secretaries, \$105.55; auditors, \$50; stationary and books, \$39.25; legal advice, \$27. Second, cost of assessments and postage, \$262.65; assessment cards, \$290.65; medical examinations, \$101. Government registration, \$25.

9. I desire again to call the attention of this Supreme Body to the necessity of a reserve fund. The surplus fund at the close of the year amounted to over \$6,000. This cannot be understood to be a reserve fund, as it is at the disposal of the Beneficiary Board, and can be voted by resolution to pay claims in lieu of making assessments. This certainly is not in the interest of the department. A reserve fund must be established and protected.

10. The admission of Honorary Members into the Beneficiary Department is of considerable importance, and the question as to whether they should pay some annual fee towards the management expenses ought not to be overlooked.

11. Too much importance cannot be attached to the necessity of more rigid examination of candidates for this department. A step in this direction is taken by the proposal in the revised constitution that all candidates must pass a urinary examination; this should be adopted without hesitation.

12. No person will deny that the Beneficiary Department has been a success, that it has been a blessing to many families, the amount paid in death claims during the eight years of its existence is \$76,414.44. I commend the accompanying tables, statistics and statement to the consideration of this Supreme Body.

13. One application for a disability claim was rejected on the recommendation of the Supreme Medical Examiner.

14. The claim against the late Secretary of Oxford Lodge has not yet been paid.

JUVENILE DEPARTMENT.

1. For the purpose of encouraging the Juvenile Department, the Executive, with the assistance of Dr. W. L. Allen, prepared a new ritual, had the same printed and neatly bound, and distributed to the different Lodges, calling in the old copies. The new ritual has met with great favor, and a new impetus is thus given to the Juvenile work.

2. This branch of our Society seems to be sadly neglected, the boys are interested and attend the meetings, but receive no encouragement from the officers and members of the adult Lodges. The Executive feel that the Juveniles should receive more recognition.

3. The time is coming when the ranks of our membership must be filled up with the Canadian born sons of Englishmen, and if they are not properly looked after, and cared for, will drift away and lose the national spirit, and become absorbed in other societies. We ask this Supreme Lodge to give all the encouragement possible to the building up of this branch.

4. The resolutions passed at last Supreme meeting respecting the payment of Registration Fees and Funeral Levys, has not been strictly carried out. Some Lodges contend that notice should have been given of the proposed changes, and consequently would not be bound by the amendments. Sufficient notice has, however, now been given, and it is intended to provide proper books for the department in future.

5. An important question for this Supreme Lodge to decide, should the Guarantee Department embrace the Juvenile Branches.

6. We have a large stock of Juvenile certificates on hand.

7. The returns are not so complete as we would desire, several Lodges not having sent in the reports. We submit the accompanying tables to show the Numerical and Financial standing of the Department.

at the institution of new Lodges, and the Beneficiary. The difficulty with Lodge Bridgewater at Sarnia was overcome by taking one of our doctors from London, who examined all the candidates at a reasonable rate. A medical combine was formed in Winnipeg, which at one time seemed likely to embarrass the Lodges, but through the united action of the other societies, aided by Mr. Lemberdoff, Secretary of the Fraternal Association, the difficulty was overcome. Another combine was formed in Moosomin, which we are trying to cope with.

INDEX.

Several members competed for the prize for the best index. Bro. Dunham, secretary of Wellington Lodge, Bowmanville, was awarded the prize, and received the amount of \$25.

LEGAL EXPENSES.

During the year the officers of Lodge Derbyshire were summoned to make good an agreement said to have been entered into with the organizer of the Lodge and Dr. Sinclair, unfortunately the Executive were not made acquainted of the facts till after the trial was over, the consequence was no proper defence was put in and the judge decided in favor of the plaintiff. The Executive thought under the circumstances it would do no good to appeal the case, and as the Lodge were no parties to the supposed agreement decided to pay the costs.

INSURANCE OF LODGE PROPERTY.

I have repeatedly called the attention of our Lodges to the necessity of insuring their Lodge property. During the year the property of two Lodges has been destroyed by fire. Croydon, Huntsville, lost everything except the Secretary's books; Lodge Brandon also suffered by fire. I am pleased to report that nearly all our Lodges are now protected by insurance.

HOSPITAL BOARD.

The Supreme President is dealing with this matter, but I might add that as far as the Toronto Board is concerned, it is doing a good work, and as long as it confines its work to the assistance of the members of the society who are in good standing, it should receive every encouragement and assistance. The original intention of the Hospital Board was to care for and provide for the members of the Order who had no home, and were in distressed circumstances. The system adopted for the visitation of the members in the Hospital is very complete, and the patience and devotion of the Visiting Committee deserves unstinted praise.

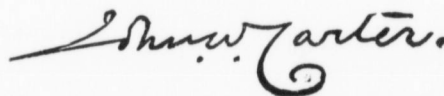

OFFICIAL ORGAN.

The subject of an official organ has been so often before your honorable body, that it is hardly necessary to say more than submit that it is of the uttermost importance that we have some medium through which the aims and objects of our society can be made known to the English population throughout the Dominion. Many attempts have been made by different parties to establish official organs for the society, but all have signally failed. The only one which has survived is the Anglo Saxon. Nothing but the courage and pluck of our Brother E. J. Reynolds and his helpers could have stood the strain. His efforts deserve appreciation, his sacrifice should be recognized; an organ that will avoid all personalities, and strive to build up the society, upon sound and honorable principles, is bound to prove successful and become a power for the institution. A proposition is made by Bro. Reynolds which could easily be carried out, and make the organ independent of any outside assistance, which at the present time I understand it is receiving, which must to a very large extent deprive it of its independent character, while the organ has on several occasions seen fit to severely and unkindly criticize myself, still I live above petty things, and think only of the good and success of the society, so that I can without bias urgently recommend the order to support the Anglo Saxon.

In conclusion I desire to thank the Supreme officers for their kindness to me during the past year, I desire to place on record my high appreciation of the generous sympathy and forbearance extended to me and my office staff by our Subordinate Lodge Secretaries, officers, and members throughout our beloved society. I have jealously guarded the sacred responsibilities intrusted to my care, and trust I have merited your oft-repeated confidence.

This is our twentieth annual gathering. We have withstood all the dangers and vicissitudes of youth, and are entering upon a new epoch in our history; we are assuming large responsibilities, and if the success of our efforts in the past is any criterion, we are destined to become a power for good, and while we will by our united and undivided strength strive to maintain the integrity of the British Empire, we will none the less, be true to the land of our adoption, and will take no second place in our devotion to Canada and her best interests.

All of which is respectfully submitted.

Supreme Grand Secretary.

SUPREME GRAND TREASURER'S REPORT.

1895

To the Supreme Grand President, Officers and Brothers of the Supreme Grand Lodge of the S. O. E. B. S. :—

OFFICERS AND BROTHERS,—I beg respectfully to submit my Fourteenth Annual Report as Supreme Grand Treasurer. The past year has been one of large increases in expenditures in all of the departments, especially those of the Funeral and Beneficiary. The total amount expended is \$46,541.46, being an increase in various departments, as follows :—

| | |
|----------------------------------|--------------------|
| 1st—Grand Lodge | \$ 2,334 18 |
| 2nd—Funeral Department | 1,660 00 |
| 3rd—Beneficiary Management | 253 99 |
| 4th—Beneficiary | 12,261 20 |
| | <u>\$16,499 37</u> |

The large amount of increase in the Funeral and Beneficiary of \$13,921.20, calls attention to the good this Society is doing by carrying benefits and blessings to many of our brethren and their families in sickness and death.

In conclusion, whilst thanking many of the secretaries for their promptness in returning the orders signed by them, I have to ask others kindly to follow their example, as by causing me to write time and again greatly increases my work, which has of necessity largely increased to to keep pace with the expenditure and growth of the Order.

SUPREME GRAND AUDITOR'S REPORT.

To the Officers and Members of the Supreme Grand Lodge of the Sons of England Benefit Society.

BRETHREN,—We, your Supreme Grand Auditors, beg to report as follows:—

1. We have carefully examined your books, vouchers, stock in hand, and other properties of this Supreme Grand Lodge, in possession of your Officers; and we note with pleasure the satisfactory manner in which the same have been kept.

2. In view of the fact that you will receive full reports of the financial condition of the several funds, as audited by us, from the Supreme Grand Secretary and Supreme Grand Treasurer, we deem it unnecessary to refer to them here, further than to point attention to the principal facts deduced therefrom.

3. We note that your expenditure has largely increased (which increase is counterbalanced by the also greatly increased value of the stock on hand); and that a new item, of what may soon become a large uncontrollable expenditure if not checked, is introduced; we refer to the payment of committees. Whilst all committees, including the Beneficiary, have, so far as we can learn, always worked free, per diem and travelling expenses, amounting in all to \$161.20, have been charged by and paid to the Constitution Committee for which we can find no authority; and even this large sum does not include the whole of the expense incurred. We submit that in future, where it is intended by Supreme Grand Lodge that any body or committee should be paid, it shall be so stated at time of appointment, otherwise nothing shall be paid until specially passed by Supreme Grand Lodge itself in session.

4. We note that, notwithstanding the aforesaid heavy expenditure and the existing commercial depression, the balances to the credit of each of the several departments, viz.: the "Supreme Grand Lodge," "Funeral Benefit," and "Guarantee," have been increased by the sums of \$434.31, \$2,231.02, and \$373.20, respectively; that is a total of \$3,038.53 more to the Society's credit at the end than at the beginning of the year 1894.

5. We note that the expenses of District Deputies are largely increased, some even going so far as to charge for visiting lodges in their own towns, and in many instances charges have been made and paid which never should have been incurred. We submit that districts should be so partitioned out as to render it unnecessary for District Deputies, or other officers visiting a lodge to incur large expenses; and especially that all should be instructed they are not authorized to spend the Society's money lavishly, or it may soon become the painful duty of your Supreme Auditors to disallow all unconstitutional charges.

6. We note three cases where Funeral Benefits have been paid for wives bearing different names to their husbands, according to the medical certificates, all of whom, by a singular coincidence, died of consumption, after a few months' illness, and for one of whom, at least, there is prima facie evidence she was not the brother's wife. It scarcely needs words from us to point out what a door is opened for fraud, if such claims are admitted without question; and we submit the proper proof of marriage should be required, if not in all, at least in every such case as the above, before our liability is admitted and payment of benefits made. We note also, that in another case payment was made without the production of a certificate of death from the attending physician.

7. We note a judgment was recovered against a Subordinate Lodge, and the amount afterwards paid out of your Supreme Grand Lodge Fund, to a Surgeon who claimed to have been promised a per capita fee for the examination of candidates for a new lodge before its organization. We are informed your Supreme Executive Council never gave authority for any such promise to be made, and knew nothing of the matter until after the said judgment had been obtained, and the time had passed to apply for a new trial.

8. We note that great expense has been incurred by your Supreme Executive Officers in attending at distant places to make certain investigations into Subordinate Lodge affairs. As we are informed, some result of these investigations will probably be felt by the Guarantee Fund during the current year; we think some of the said expense might fairly have been charged against the Guarantee instead of the Supreme Grand Lodge Fund; but having no details before us, it has been impossible to determine the respective amounts.

9. We note that several of the recommendations of our predecessors, which were adopted by the Supreme Grand Lodge, have not been carried out, and refer particularly to the "Investment of Funds," "Payments by Cheque," "Officers' Bonds," "Subordinate Lodges' Returns," and "Registration of Members," (see sections 3, 6, 7, 11, and 14 of the Supreme Grand Auditors' Report on pages 99 to 102, and the General Purpose Committee Report No. 4, on page 134 of the proceedings of last Supreme Grand Lodge session.)

10. We note that only four lodges of the Juvenile Department have paid the Registration Fee and Capitation Tax, authorized at your last session, and submit that the payment thereof should be required, as it is in the case of adult lodges.

11. In conclusion, we record with pleasure our satisfaction with the assistance which has been rendered us in the performance of our duty by the Supreme Grand Secretary, the Supreme Grand Treasurer, and the assistants in the former's office.

All of which is respectfully submitted.

March 12th, 1895.

Memorial of Middlesex Lodge No. 2 in reference to proposed new constitution was presented.

To the Supreme President, Officers and Members of the Supreme Grand Lodge S. O. E. B. S., in session assembled.

The Memorial of Lodge Middlesex S. O. E. B. S. No. 2. sheweth :

1. That your memorialists in lodge assembled beg leave to make a statement upon the proposed alteration of the Beneficiary Department rates.
2. That the present severe depression and financial straits of many of our brethren renders it unsafe and unwise to inflict heavier dues upon them.
3. That it is a certainty that the present favorable position of the fund in Class A has only been arrived at through the rates being within the abilities of the class of which our brethren are composed.
4. That during the past year there were 21 deaths of members in Class A of the Beneficiary, for which 16 calls were made.
5. That the calls hitherto made realized a large sum over the amount required to meet the ordinary claims of \$1,000 is shewn by the fact that so large a portion as nearly one-fourth of the whole amount paid was not called up.
6. That the proposed increase is largely unnecessary is shown by the statement in the last preceding paragraph.
7. That your memorialists feel that the proposed increase is likely to do the Beneficiary Department serious harm from a financial point.
8. We desire to draw your attention to the fact that other societies are providing as large, if not larger, benefits for a lesser rate ; and there

is this material difference, that nearly all the other associations have much heavier expenses in officials' salaries and rent of offices than the S. O. E. B. S., and yet they offer the same amount of benefit for in some cases less, and in others one-half the number and amount of calls proposed to be made.

We understand the Commercial Travellers' Association rates were lately revised, but when the revision was made the old members' rates were not increased.

9. Your memorialists desire most strongly to urge a reconsideration of the proposed rates to be charged upon the old members, and to express our opinion that it is an injustice upon those who paid so many calls and helped to bring the fund to so prosperous a condition. That it is in effect—if not actually so—a breach of faith with those members who, no doubt, were led to believe and do now believe that the rates when they joined, were to be, and honestly should be, for the whole time of their liability, and it is in effect taking from their families a provision they had relied upon.

10. Further, if the amount to be paid on death under the B certificate is only the amount realized from members' payments and not a total sum of \$2,000.00, the rate of dues is very excessive, If it is proposed to pay in every case the full amount for which the certificate is issued, the latter part of preceding clause 9 may be eliminated.

11. That the membership of Class B is about 300, and at the age of 34 the average call would only realize about \$255 and for which a member would pay a yearly premium of \$10.20, whilst for the same payment his A certificate would realize \$1,000.00.

12. That the membership of Class B at present does not and for a long time is not likely to realize that desired event it would be necessary to make the extra calls provided for, and thus still further increase the burden.

13. That if the amount received for calls is put into one sum a distinct contradiction to the A certificate is made, and if the amount paid to the beneficiaries is to be a pro rata amount of the sum so collected, according to the amount of the certificate, it would be still harder upon the \$1000.00 certificate holder who has for years past borne the cost, now that it realizes the full amount, to be deprived of the fruits of his prudence through the new Class B certificate being charged upon his call.

14. That the proposed rates will become nearly an absolute bar to the brethren of the S. O. E. joining this department, inasmuch as the rates will be placed beyond the ability to pay of by far the larger number.

15. They would further most earnestly point out that the benefits given by other fraternal societies are in all cases equal to the S. O. E. B.

S., and in many instances larger, which, with the fact that they offer equal assurance benefits—for in many cases lower dues—will virtually affect the numerical strength of the Order, and eventually leave the society with only our old members and thus defeat the very object of the Beneficiary Department, inasmuch as the calls would not then realize \$1,000.00.

16. That the statement in the last preceding paragraph was illustrated in our Lodge on the 13th February, when a member made application for a certificate, but upon the new rates being read in due order of business, withdrew his application.

17. That your memorialists do not object to a fair increase being made upon new members—if your Supreme Board see necessity therefor—but at the same time consider the proposed increase too high.

18. In view of the above circumstances, your memorialists earnestly pray that your Supreme Board will take these matters into your most serious consideration, and trust some means will be found to ward off the danger which the proposed increase threatens to bring upon the Order in the loss of new members and failure of its vitality.

Signed by the President and Secretary of the Lodge, under the direction of the Lodge by resolution passed at the session held February 27th, 1895.

W. H. SYMS,

The committee to whom was referred the letter of Bro. J. J. Pritchard, whereby he claims a seat in the Supreme Grand Lodge by virtue of his office as Supreme Auditor, beg leave to report as follows:—

We have carefully considered the matter, and from the fact that no brother has ever claimed any such privilege, and that Supreme Grand Lodge consists of Executive Officers, Past Supreme Grand Presidents and duly accredited representatives, and none other, beg to report that in our opinion Bro. J. J. Pritchard is only entitled to a seat in this Supreme Grand Lodge as any other member in good standing not a representative.

We would recommend that in this report in the journal the record should be more clearly defined under the captions of Elections of Supreme appeal, Grand Officers and Electing of Supreme auditors and trustees.

All of which is respectfully submitted.

Chairman.

Moved by Bro. Dr. Tracey, seconded by Bro. T. Sar-

stitution presented their report.

TORONTO, 1ST JANUARY, 1895.

*To The Supreme Grand President, Officers and Members of The Supreme
Grand Lodge, S.O.E.B.S.*

SIR AND BRETHREN,—

The heavy task imposed upon your Committee, appointed at last
session, by the Supreme Grand President, under the instruction of
Supreme Grand Lodge, has been performed and the result of their
labours is herewith presented.

In accordance with the instructions received, the new Constitution together with all amendments thereto, and all correspondence from Lodges bearing thereon, and matters in the journal referring to Constitution received the most careful and continued consideration. Every article and every sentence with every amendment thereto were duly considered isolated, and in relation to Constitution as a whole. Your Committee found Lodges, like individual members of a single Lodge, differing in opinion and on many points diametrically opposite as may be found likewise on the floor of Supreme Lodge. Nevertheless your Committee have in all cases considered matters as applicable to the whole Society, and with reference to the future, as well as the present.

The principal objections hitherto existing have, your Committee think, been met by modifications, notably the reconstruction of the Supreme Lodge; representation according to population; eligibility of past presidents for election as representatives to Supreme Lodge; the construction of a large Executive Committee of general purposes, through whom all business shall pass, and received consideration by Sub-committees; with most important amendment to the Beneficiary Department Laws by which the payment of fixed amounts monthly, instead of at unlimited periods, with a scale of payments, as low as is consistent with safety and compiled after the most careful study of actuarial tables and scrutiny of the tables of the older and more experienced fraternal Societies.

While not claiming to have made a perfect Constitution, we have striven to make it as perfect as possible in the best interests of all concerned, and trust that the results of our labors may now receive that consideration, which the importance of the subject, viewed not only from present needs, but also from the growing and future requirements of the Society demands. Your Committee feel that if the Society is to develop to the proportions, anticipated by all who have its interests at heart progress and not retrogression, must be its watchword, and confidently venture to predict, that further delay, will not only block that development, but tend to throw the Society backward, a result which no true member, can for a moment consider without feelings of a grave responsibility.

Respectfully submitted.

The Committee on General Purposes presented report No. 5.

REPORT NO. 5 OF THE COMMITTEE OF GENERAL PURPOSES.

Your committee beg to report that they have considered the various reports and other matters referred to them and recommend as follows thereon:—

That with reference to the copy of the Proceeding of the Conference of Representatives of the Lodges of the S. O. E. B. S. in the Province of Manitoba, held in S. O. E. Hall, Winnipeg, October 30th, 1894, they recommend that the matter of the Manitoba District Lodge be deferred until after the consideration of the Grand and Supreme Lodge Constitutions and in the event of action not being taken by the Supreme Grand Lodge at the present session the Grand Secretary be instructed to reply to the communication that the Supreme Grand Lodge, owing to the fact that no draft by-laws or constitution were submitted with their request was unable to recognize the institution of such a lodge without at the same time defining the powers thereof.

That with reference to the communications from the combined White Rose Degree Lodge of Winnipeg, that owing to the action of the Supreme Grand Lodge at the present session, the request not to amalgamate the two degrees is complied with and in reference to the charter of the combined Degree Lodge your committee do not see their way to recommend the withholding of the W. R. D. dispensation from

any lodge desiring the same, but recommend that it be an instruction to the Supreme Grand Executive to grant no further dispensations for combined W. R. D. Lodges.

Your committee have deferred the consideration of Committee on Rituals, until copies of the amended rituals are laid before them.

Your committee have considered the report of the Naval Brigade, which gives evidence of prosperity, and though not recognized by the constitution, appears to be working in the interests of Englishmen.

With reference to the communication from Windsor Lodge re financial statement of the Beneficiary Department, your committee recommend that it be an instruction to the Grand Executive to furnish a copy of the statement asked for to each member of the department as required by the Ontario Statutes, 55 Vict. chap. 39, s. 29.

That with reference to the questions asked by Lancaster Lodge, your committee submit that these should not have been laid before this grand body as there is no evidence that they have previously been submitted to the proper authorities provided by the constitution.

That in reference to the ruling asked for by Delegate Howard, of Lodge Albion No. 1, your committee submit that in accordance with the decision of this Grand Lodge the question is a matter of arrangement between the subordinate lodge and its surgeon.

That with reference to the enquiry from Imperial Lodge No. 176, Ingersoll, re payment of Grand Lodge Chaplain, your committee recommend that as the Grand Lodge Chaplain is an appointed, and not an elected, officer he is not entitled to his expenses from the Supreme Grand Lodge Funds.

That with reference to the enquiry from Bro. Saxby, Lansdowne Lodge, as to whether a subordinate lodge can adopt a badge other than the badge authorized by the Grand Lodge for general parade purpose, your committee would recommend that the answer be "No."

That with reference to the proposal of Bro. Davidson and Turner, your committee is unable to recommend any change in the constitution governing the election of the General Purpose Committee.

That with reference to the proposal of Bros. E. T. Perry and J. Jackson, re Past District Deputy's jewels, your committee recommend that the adoption thereof would be inexpedient.

That with reference to the proposal of Bros. Kempling and Bliss, re official reports, your committee submit that it would be extremely injudicious to publish said reports before they are presented to Grand Lodge.

That with reference to the proposal of Bros. Elliott and Evans, that in future no report be expected from the Supreme Grand Vice-

President, your committee recommend that the suggestion be approved, especially as there is no requirement for such report in the constitution.

That with reference to the proposal of Bro. Dr. J. S. Atkinson, that in future Grand Lodge delegates' expenses be paid by Grand Lodge, and the capitation tax raised to meet the increased expenditure, your committee recommend that, while such a course is in many ways desirable, it is inexpedient to make a change at this time.

That with reference to the proposal of Bros. Le Dain and Reynolds, re the appointment of a District Deputy for the city of Ottawa and the town of Hull, your committee recommend that the City of Ottawa and town of Hull be taken out of their present district and erected into a new district and given a district deputy over the same.

That in reference to the proposal of Bro. Harrison, Westward Ho! your committee recommend that the investment of \$100 of Grand Lodge funds in the capital stock of the S. O. E. Hall and Building Co., of Manitoba be referred to the favorable consideration of this Grand Lodge.

That the proposal of Bro. Harrison to raise a reserve fund in the Beneficiary Department by special levy on the members be deferred consideration until the Beneficiary Constitution by the Grand Lodge.

That the motion of Bros. Turner and Brasher, re consideration of the constitution, has already been dealt with by this Grand Lodge.

With reference to the motions of which notice was given at the last meeting of Grand Lodge, and which are recorded on pages 153 and 154 of the journal of 1894, your committee recommend that motions 1 and 2, page 153, and motion 4, page 154, be deferred consideration until the matters they deal with be reached in the revised constitution.

That motion 3, page 154, which proposes that Grand Lodge delegates be paid \$3 instead of \$2 per diem be not approved.

That motion 5, page 154, be approved in the following amended form: The Beneficiary Board shall consist of fifteen members, who shall be nominated and elected on the floor of Grand Lodge under the order of business, "Election of Officers." Candidates for membership on the board must be policy holders in the Beneficiary Department, but not necessarily members of Grand Lodge.

All of which is respectfully submitted.

JOHN S. KING, M.D.,

Chairman.

Moved by Bro. Dr. King, seconded by Bro. Cannon, "That the report be received and the clause in reference to the election of members of Beneficiary Board be considered at once."

Moved in amendment by Bro. T. Elliott, seconded by Bro. G. Endicott, "That report be received and laid on the table." Lost.

The original motion was then put and declared "carried."

Moved by Bro. Dr. King, seconded by Bro. Burns, "That last clause of report No. 5 of Committee on General Purposes, being the clause in reference to the election of members of Beneficiary Board, be adopted."

Moved in amendment by Bro. Dr. Hodgetts, seconded by Bro. F. Packham, "That of the 15 elected the 8 having the highest number of votes be representatives for years 1895-96, and the remaining 7 be elected for 1895 only." Lost.

The original motion was then put and declared "carried."

The Committee on Ritual presented report No. 1.

The Supreme Grand Secretary presented and read a letter received by him from Bro. J. J. Pritchard.

Bro. John W. Carter, S. G. S. :

DEAR SIR AND BROTHER,—Having gathered from the few words of conversation had with you yesterday afternoon that the statement you made to Supreme Grand Lodge in the morning when reading from the Provincial Statute was not strictly the truth, inasmuch as it was from the "Insurance Corporation," not the "Friendly Societies" Act, from which you were reading, and which therefore leaves a very different construction to that placed upon it by the Supreme Grand Lodge, viz,— "that it only refers to the auditors of our Beneficiary Department, and not to the society's Supreme Grand Auditors.

I submit an explanation thereof is due from you, not only to myself but also to this Supreme Grand Lodge in session assembled, for the reason that no decision arrived at upon a false basis can either be authoritative or afterwards taken as a precedent, as yesterday's proceedings are likely to be, if allowed to go unchallenged.

I therefore respectfully request you will take as early and convenient occasion as possible to make such explanation.

I remain, dear sir and brother, yours fraternally.

REPORT No. 2 OF COMMITTEE ON APPEALS.

Your committee, after carefully considering all the papers submitted to them in the appeal of Bro. Reeves of Shakespeare Lodge, Winnipeg, against the ruling of the Supreme Executive Council, are unanimously of the opinion that the appeal should not be entertained. Owing to the peculiar character of the case and the length of time it has been pending, we suggest that this grand body direct the District Deputy, through the Executive Council, to immediately arrange for a new trial; and, to remove all semblance of unfairness, making it equally just for both plaintiff and defendant, that the members of lodges Westward Ho! and Marsten Moor be requested to form the arbitration committee and try the case.

Regarding the four questions appended to the appeal, your committee do not consider it within their province to answer them, but refer them to the Supreme Executive Council, who being fully conversant with the case, can more easily reply to them, they being of the nature of catch questions and not fairly put.

Respectfully submitted.

J. W. KEMPLING,
Chairman.

Moved by Bro. J. W. Kempling, seconded by Bro. J. Aldridgt, "That report be received and adopted."
Carried.

The Committee on General Purposes presented report No. 6.

REPORT No. 6 OF THE COMMITTEE ON GENERAL PURPOSES.

Your committee beg to report that they have considered the copy of the proceedings of the third annual session of the Grand Lodge of the S. O. E. B. S. in South Africa, and recommend that the following reply be sent thereto:—

That as the financial statements have apparently been audited by proper auditors, and statistics compiled with care affording interesting information, this Supreme Grand Lodge receives the same with approval and satisfaction, as the same show activity and prosperity among the subordinate lodges.

Attention has been specially directed to the following clauses:

This Supreme Body regrets the condition of affairs disclosed therein and the disposition to alter the fundamental principles upon which our noble order is founded, that it is proposed to admit other than

Englishmen and remove the religious test, and that the Grand Lodge of South Africa considers that the interests of the order in that colony are imperatively directed against what this Supreme Body deems to be the best interests of the society. In view thereof, the Supreme Grand Lodge in session assembled, unanimously reaffirms its adherence to the declaration its objects and of its essential membership. This Supreme Grand Lodge of however, trust, that there will ever be found in the jurisdiction of the Grand Lodge of South Africa, Englishmen who, having pledged their honor to the motherland, to the parent organization and to Protestant principles, will never prove recreant thereto.

All of which is respectfully submitted.

RE NAVAL BRIGADE.

To the Supreme Grand President, Sons of England Benefit Society.

SIR,—On behalf of the Sons of England Naval Brigade we beg to make the following report for the year 1894. The beginning of the year found the Brigade involved in large financial liabilities; the members dissatisfied and apathetic; and several disputes in progress both in Toronto and Hamilton.

We are much pleased to be able to say that all liabilities have been paid off; that the disputes in Toronto and Hamilton have been satisfactorily adjusted, and that the members of the Brigade are now working together unitedly and harmoniously in endeavouring to increase in numbers and efficiency.

The membership shows an increase which, though not as large as we would wish, is still very gratifying in view of the inability of many desirable members to purchase their outfit.

In connection with the dispute in Hamilton, we have to thank the Grand Executive for the successful efforts to arrange a peaceable settlement, and also P. S. G. P. Bro. Elliott, for his services as arbitrator.

Trusting that the Society will have a prosperous year, we remain,

Yours fraternally,

JAMES POFFLEY.

Chairman.

J. W. HOPKINS,

Secretary.
