Lis generally considered will bring the deci-sion of the Chamber of the Finance report; and confirm the expectations of the bond-ductuating. The Spanish Stocks are constantly area to fine from the Conservative interest on the Conservative in

a relation of the establishingent of the Presser attention. The stated that the Society had Colored attention interspect, which is they ough to have informed to a greatestent. rv isself — An Irish student completed to a collected — inch valuable information respect, much is they ough to have informed them the full of the to the order of the processors were; for they would not in that ease have given their, order for the working of respect, hum to ease a few systers in the forenoon which 20,000 individuals, of whom 8551 were chil-this objected at the forenoon which 20,000 individuals, of whom 8551 were chil-would restore at. Some time, after the sub-dren. They found that of this great number whether it was customary to give the princi-dren attended him with 252 only attended day schools, and 4308 Sup-dren attended day schools, and 4308 Sup-whether it was customary to give the princi-the state of the princithe folly of his receipt, by stating that he had day schools, showing that nearly one half et pri, or the owner of the goods, the note eleon eaten a hundred systers, as desired, but did the infant poor were entirely cut off from the tract within forty eight hours of the sale, not find that his appetite was a bit better than means of education. The third meeting, on it was before he had esten them - Lieut Hon Weinheldy, was similarly compred, and at the principal or merchant who the parties E. Plunket has been appointed to the Castor its close Dr. Lardner, at the request of the were who purchased his good of thirdly, when frigate, in the room of Lieut. M'Cleverty, who Chairman, entered into a long description of ther the defendants had acted in the present was sentenced by the Court-martial at Ply- Babbage's calculating machine. The meetmouth, last week, to be dismissed the service ings continued throughout the week, and we of doing, and whether it was their usual manfor not keeping a proper look out when the understand that to those who have had an op-Cameleon cutter was ran down.-The coast-portunity of attending them who have had an a wirdict for the plaintiffs; thus establishing

guard service is to be immediately re-establish opportunity of accending them they have been the responsibility of the brokers. ed in Wales, with various new regulations, the source of unflixed pleasure. In addition to enable the officers and crews to be more to phatmay be called the public nicetiags of . The following is a statement of the operaon the alert to prevent smuggling .- It is not the Association, there have been various tions of the Louriana Sugar Refinery of New generally known, that the Bridewell at Win- public breakfasts by the leading men of sci- Orleans, as connected with the sugar interchester is built over the very spot where lie ance is Edmburgh, succesded by alternoon ests of Louisians, and the quantity exported the remains of Alfred. What a profanation is assemblages of from one to two hundred during the year ending Oct. 1, 1834. Kum-

-The law enscring a penalty upon the per- members who have diged together held soi-some crying "sweep" in the streets is, per-haps, the groatest refinement upon absurdity, besin which they take the greatest interest. Product of refined sugar for one week, 200,-000 he that legislation has ever reached.

The Freeph uppers full effect the function of the function of

These papers furnish no later intelligated ly-extanled subjects, which was to be again to Co. brokers in Liverpool, soil some assist perty, and tice versa. Dr. Black of New which was obtained from the mover of the resumed in particular reports undertaken for contron for 2000 for Skinner & Co. of Liver pool, which was obtained from the mover of the stabilishment of the provide service, where the public service, where it is an arrangement of the public service, where it is and that Lord Althorp is now contemplating from the formation of a Statistic Society in a arrangement of the establishment of the formation of the stabilishment of the treasure itering. The point was the formation of a Statistic Society in a statistic Society in a statistic service, which Mr. Usy wood drew attention. He stated that the Society man a flock in American and the third is now issuing) has a reform of the establishment of the treasure iterior. And for statistic contemplating is the stated that the Society man a flock in American and the treasure iterior. The parties who purchased them failed a few as the formation of a Statistic Society in a stream of the stabilishment of the treasure iterior. The stated that the Society had not be stabilishment of the treasure iterior. The parties who purchased the hard to a great extent.

* Twas all my fancy painted it ... The speeches superline. The booth was hung with good broad cloth, The board was spread w But oh, how comes the sad, sad thought, Of whar I had to pay-Oh, my head, my head is aching With toasting Charlie Grey.

Oh dear, oh dear, I'm almost dead, My face is drabbish white, My nose is blue, my eyes are red,

John, mind the shop: I'll take a walk,

Oh. my head, my head is aching

and the second sec ed and published in London (more than 400 of seduction. The following was the plead- or thing be enclosed, any words or communi- ment and the conduct of men in office are in-TATEST FROM EUROPS. By the France, from Have, we have Paris of close, smill type, at white after 10 o'clock on Wedgesetar back and considered. The appoints of close, smill type, at white after 10 o'clock on Wedgesetar back and considered. The appoints of close, smill type, at white after 10 o'clock

By the France, from Havre, we have Paris pipera to the 23d, and Capt. Gray, of the ship learly, has furnished us with London papers to the evening of the 23th. They mention no obcurrence of any importance. Paritament was firther or arrowd at a boilt, at the sector of the reporter is taking a tour in South Wales. London, Sept. 26. Consols closed this at-termoon at 09.3.4. The greatert suspense is manifested at the Stock Exchange for the ar-rival of further a drices for the reporter at an hoid- at the west-rival of further a drices for the stock for the reporter at an hoid- at the west-rival of further a drices for the stock for the reporter at an hoid- at the west-rival of further addied will bring the decima doile at the stock for the reporter at an hoid- at the west-rival of further addied will bring the decima doile condon, from france.

The French papers of the 24th, bring little this side of the water the means of opposing a neral interests of trade and over commercial ed in any kingdom or state beyond sea, not his course, been inserted as being interesting to telligence of moment from Spain, and that constitution il resistance to the offorts of the legislation. Chambers of commerce have for Majesty's, if printed in the language of that the readers of these papers, while matters

was given to the Errarca Shepherd, at Pas-HLES, at which upwards of a hundred gentlemen, Isom all quarters of ScotLAND, assemhled to do honour to the "old man eloquent." Professor Wilson presided over the festivities, ind de i e ed during the evening several spi-Filed and appropriate addresses. We regret that we have not space for the full report of this interesting meeting, but the

following extinct of a letter, from a Giend who was present, may supply in some measure the deficiency :-"Last weak, I attended a dinner given to" flogg, at l'achter. Professor Wilson in the, chair, M Dairmid, of the Dumfriss Courier, croupier, assisted by two respectable farmerrom the neighbourhood. The best speech delivered, was one from M'Dairmid, on a thread bare subject-the memory of Burns. I was introduced to the Shepherd, during the early part of the day, and had much conversition with him. I found him just the sort of person I had supposed-simple in his man-ners, yst not rude-kind, cracky, and agreeable, and with all egotistical in a high gree, yet his egotism is somehew or other not offansive. He has a keen relish for wit, and

amid more important matters; sported two or

three capital pure. His reading did not ap-

of Sr. ANDERW by dining day, and in order that all is isin them may be apprised a they have inserted a Notice
