# OVER MIDDLESEX LICENSES

Prof. Bowman and Secretary McDermid Asked That All Licenses Near the City Be Cut Off -Mr. James Homister, of the Hamilton Road, Vigorously Objected—Six Licenses Granted.

There was a merry row at a meet-, ing of the East Middlesex license commissioners, held in St. George's Hall on Saturday afternoon, when Secretary McDermid, of the London Temperance League, and Professor James H. Bowman, of the same organization, appeared and asked that the commissioners reduce the number of hotels in the district to 6 or 7, and that the licenses cut off be those of hotels im-mediately adjoining the city limits. Six Licenses Granted.

The commissioners after considerable discussion granted licenses as J. H. Homister, for the Homister House, Hamilton road. W. J. Barnes, of Pottersburg.

Hiram Shain, of Hyde Park. Hugh Bowman of Denfield. Mrs. Creighton, of Elginfield. There are five other licenses yet to be considered, and the matter of granting them will be taken up at a meeting to be held on Saturday next. License Inspector Duffin stated The Advertiser this afternoon that he did not think any licenses would be cut off. The commissioners, he said, took the ground that if they were to cut off licenses it would not lessen the drink traffic, but would only deprive the county of a handsome revenue, and city hotels would reap the benefit. The suggestion of the temperance delegates aroused the ire of Mr. Hom-(Continued on Page Eight.

Pretty Wedding at Home of Mr. and

Mrs. Wiseman, West Nissouri. Some inaccuracies having crept into the previous report of the Elgie-Wiseman weading, the following corrected account is published: Another of West Nissouris well-known and highlyesteemed young ladies was given away on Wednesday evening, April 6, when Flowery Dale Farm," the residence of Mr. and Mrs. W. Wiseman, of Belton, was the scene of an interesting event, the occasion being the marriage of their youngest daughter, Maggie Marion, to Mr. John A. Elgie, son of Mr Wm. Elgie, ex-reeve of West Nissouri.

Promptly at the hour of 6 p.m., as the strains of the Wedding March, played by Miss Maude Elgie, sister of the groom, broke the solemn stillness of the parlor, which was tastefully decorated with flowers for the occasion, the bride entered, leaning on the arm of her father, who gave her away. The happy couple stood under a beautiful evergreen arch, ornamented with tinsel, white carnations and wedding age. The bride was handsomely attired in a princess gown, of white taffeta silk, trimmed with Irish baby ribbon and lace, and carried a beautiful shower bouquet of white roses and maidenhair fern, tied with streamers of white silk chiffon, and wore the conventional veil caught up with white

The numerous handsome, costly and useful presents testified to the popularity of the young couple. The gift of the groom to the bride was a pearl crescent brooch, and to the little maid honor a pearl crescent also.

Mr. and Mrs. Elgie left on the 10:30 .m. train for Chatham, Thamesville, and confetti, and with good wishes for their future bappiness and prosperity. On their return they will take up their residence at "Sunny Brae Farm," in the vicinity of Belton, and will be at home to their friends after May 1.

German Firms and Employees Lived Up For Bitter Struggle.

Berlin, April 17. — The building trades lock-out, which has made quarter of a million workmen idle, appears to be the beginning of a long struggle, affecting many divisions of the national industry. The employers have locked out the men in an effort to put an end, once and for all, to what they regard as the intolerable demands of the latter.

The employers declare that the workmen have been pursuing for several years a policy of forcing higher wages and shorter hours by bringing about local strikes in various cities, thus securing occasional advantages, which they would be unable to obtain through concerted action. They also say that the time has come when

Dislikes the Rigid Etiquette That Prevails in Vatican.

London, April 18.-The differences which resulted in Col. Roosevelt's invitation to stay away from the Vatican undoubtedly caused great distress to the gentle old Pope, who, as everybody in Rome knows is the last person to stand upon ceremony unless compelled to do so by the dignity of his great office.

When he first went to the Vatican, indeed, it has been said of the present Pope that his disregard of etiquette was a source of the gravest misgivings to his entourage. After luncheon Lord Kitchener watched the usual inspection and review of the cadet corps, and later saw part of the baseball game between the army team and Tufts. He returned to New York later.

Doctor Failed to Help. Doan's Kidney Pills Cured Him.

Mr. Edmund Assels, New Carlisle, Que. writes:—"I feel it my duty to let you know of the great cure I have obtained by using Doan's Kidney Pills. I was troubled with my kidneys for two years. I tried a doctor, but he failed to help me. I read in the B.B.B. Almanac about Doan's Kidney Pills, and began using them, and after the first box began to feel better. I only used four boxes and they completely cured me. I am very thankful to have found so speedy a cure, and would advise everyone suffering from kidney disease to try them.'
