## RUPERT SANDFORD'S BODY RECOVERED

**Seen Floating By Cyril Marshall Down The River Near Bridge.**  
FUNERAL HELD SATURDAY  
Large Attendance Of Many Friends Of Deceased—Interment At Lawrencectown.

The body of Rupert Sanford was recovered from the Annapolis River on Friday morning, just a month from the day when he lost his life by the overturning of the boat below Paradise Bridge.  
Cyril Marshall, while driving his milk team across the Queen Street bridge, noticed a body floating down with the tide. He ran into Hicks' store, calling attention to the matter, after which he and Mayor Hicks secured a motor boat and with Murray Darling started after the body which was recovered a short distance below the bridge. Identification was made positive by various articles of clothing worn. The body was taken to Hicks' Undertaking Rooms and prepared for burial, the funeral taking place on Saturday afternoon from Mr. Sanford's late home, West Paradise. The services were conducted by Rev. W. S. Smith and were very largely attended. West Paradise choir rendered "Some Sweet Day Bye And Bye", "A City Four Square". A duet "Some Day the Silver Chord Will Break", was also nicely rendered. The underbearers were: Messrs. John Jackson, Will Donat, Jesse and Carl Saunders. Interment was in Lawrencectown cemetery. Besides local people there were present a large number of relatives of the deceased.

## LOCAL MAN WINS LITERARY PRIZE

**Maurice Armstrong Secures Splendid Prize For Brilliant Essay.**  
The James DeMille Prize Essay at Dalhousie this year was written by Maurice Armstrong, son of Dr. and Mrs. M. E. Armstrong. Besides the prize, a substantial one of \$100. Mr. Armstrong's subject was "Episodes of History along the Annapolis River." It is interesting to note that last year's prize was also won by a former Bridgetown boy, Alfred Milner, son of F. L. Milner, K. C., now of Amherst. Rivalry in these contests is very keen. The rewards given, we understand, are the most tempting offered for literary work by any under graduate students of any Canadian University. First prizes are \$200, but were not awarded at Confederation. This illustrates the high degree of merit necessary to secure any awards.

## UNITED CHURCH NOTES

Rev. Mr. Fraser, who is to deliver an illustrated address in the United Church school room Friday evening, has just completed his first term of Missionary work in that most interesting country, Korea. All are very cordially invited to come to hear the Missionary. Mr. Fraser will also preach in the United Church Sunday evening next.  
Work is progressing on the Tennis Courts at the back of the United Church and it is expected that the opening will take place next Wednesday. The young men of the Tuxis are doing the work and it is expected that the courts will be in constant use this summer asen thiasm is running high.  
The orchestra in the United Church Sunday night was supplemented by that grand old veteran musician, a former resident of this town, Mr. Bishop, of Kentville.  
Good listeners are scarce.

## NERVOUS TORTURES

Irritation by Day and Sleeplessness at Night the Result.

There is no torture more intolerable than nervousness. The sufferer starts at every noise, is shaky and depressed. The least thing produces a feeling of irritation, and nights are often sleepless. Often although in a completely exhausted condition, the patient is unable to sit or lie still. That nerves are in this jaded condition because they are being starved by poor, watery blood and to restore them to a normal condition the blood must be made rich, red and pure. For this purpose no other medicine can equal Dr. Williams' Pink Pills. They act directly upon the blood; they bring to it the elements necessary to enrich and purify it, thus bringing new health and strength to run-down, nerve-worn people. There is no doubt about this: thousands have testified to the blood-improving, nerve-restoring qualities of these pills, among these is Mrs. Aubrey Caldwell, Melanston, N.S., who says:—"I was badly run down and my nerves were in a terrible condition. I would start at the least sound and often faint away. I could not sleep at night, and only those who have been in a similar condition can tell what I suffered. At my mother's request I began taking Dr. Williams' Pink Pills, and after taking them for several months I am surprised at my present condition of good health. My nerves are as sound as ever; I can sleep well and eat well, and have no more fainting spells. I can only say that I cannot praise Dr. Williams' Pink Pills too much for what they have done for me."

You can get these pills through any medicine dealer or by mail at 50c a box from The Dr. Williams' Medicine Co., Brockville, Ont.

## PORT WADE

Mr. and Mrs. W. Bogart have returned to their home here after spending the Winter with Uncle Sam. Mr. Prosser and son-in-law, Mr. Boultier, with a gang of men, are here sawing out lumber for lumber camps and scows.

Mrs. John Flemming, of Deep Brook, is visiting at his old home here. James Slocum had an auction sale Saturday and is now ready to move to Westfield, N. B.

A few cases of mumps still linger in this vicinity.

House cleaning is now in full blast and "blast" the man who don't keep out of the way until this serious operation is ended.

The Port Wade Lumber Co. are now sawing a quantity of lumber each day.

Rev. Mr. Heister preached a very able sermon on Sunday evening, subject: "The Answer of Jesus to Question by Nicodemus."

## TURK DEFENDED BY BOSTON WOMAN WHO KNOWS HIM

(Continued from Page Two)

one day I saw a soldier and his wife walking together through the market place. The man himself was a great innovator; it showed the march of progress. There is progress, too, in the way of education. Children go to school together until they are ten years old, when the girls are taken out of school and remain always in the care of their mother or their nearest female relative. In Constantinople it is common to see a Turkish woman with veil thrown back.

Revered By Household  
"In a country where woman is so subordinate it is interesting to notice the place that the 'annah,' or oldest revered woman of the household, holds. The more sons she has married the greater autocrat she becomes, and she frequently holds the family purse-strings. Her sons and their wives live with her, and she refers to her daughters-in-law as 'my brides.' The latest bride is the recipient of much attention until the next one marries, and when the first-born arrives, should he prove a boy, there is a great honor paid the mother.

"I wonder if I can tell you the story of the deformed child, to show you just the spirit of Turkey? I had been away to another city and when I returned I was asked to go at once to visit a Turkish family and to see a new-born baby that was terribly deformed. They knew that I was an orthopedic surgeon and believed perhaps I could do something.

"I was ushered into the room, and there I saw one of the most beautiful young Turkish women I have ever seen in all my life. She was as slender and sinuous as a leopard, with great black eye, blackened lashes, her cheeks rouged and her lips tinted scarlet. She was a bit languid and wan, but she was walking about the room—and her baby only a day and half old. The two grandmothers were there, vieing with each other as to which should hold the baby. They were wild with love for him, the boy child. One grandmother boasted openly of her beautiful daughter, while the other showered praises upon 'my beautiful bride.'

Baby Terribly Deformed  
"The baby was terribly deformed. One hand was the flipper of a seal, one forearm was shortened, the other too long. It would probably be feeble-minded. I made an examination and told them what I could do, but that wasn't much. The two grandmothers began muttering together and my interpreter told me that they said: 'If we had known this we would not have tied the cord!' Finally, they decided to send for the father. He was a ferocious looking Turk, with a reputation for having taken a part in a good many massacres. In fact, the townspeople whispered that it was because he had cut off so many hands that his own son's hand was deformed!

"The situation was explained to the father. He frowned and said: 'After all, perhaps it will not live.' I looked him right in the eye and I said: 'This child is a perfectly strong, well child. There is no reason why he should not live to a ripe old age, unless some person interferes with him.'

"I went away. He knew what I meant. I knew what he meant, and three days after it was reported in the village that the little deformed child had died. They loved that baby; those two grandmothers and the parents. They wanted him, but the psychology of that country shows right there. Why bring up a maimed child when you can bring up a normal, healthy one, instead?

American Women Safe  
I asked Dr. MacLeod why it was that she felt so safe in a country where no woman was allowed to have her face unveiled, and where the open glance of a man was considered a menace. "An American woman is safe anywhere," she answered. "Of course, I wore my Red Cross army uniform all the time, but a Turkish boy explained why American women are safe, better than anyone else. He said: 'America always gives and never takes.'

"Our reputation for relief work has given American women a feeling of safety such as nothing else could accomplish. We are not empire builders; we seek nothing for ourselves. Whenever we have come to the countries in the near east, it has been with hands overflowing with gifts, with money and with clothes. They know that we seek nothing for ourselves."

In spite of that fact when it came time for Dr. MacLeod to leave the country she had to steal away. She had overstayed her contract; she had had no letters, no telegrams, cablegrams or news of her family and her children for a year and two months, and she was just downright homesick. So she went to the Vali, or governor of the Vilayet, and requested a travel passport. Finally he said bitterly:

She Is Refused Passport  
"If any American missionary wished to go home and to REMAIN there, she can do so." But he still refused the passport. "I will run away," retorted the American doctor, and she

### OF LAWRENCETOWN

(Continued from Page One.)

The Women's Institute met at the home of Mrs. (Dr.) Morse, in the Trinidad, was a guest at the home of Miss Blackadder. This gentleman has been in the Presbyterian Mission among the Hindus of Trinidad for many years. He was much pleased with the beautiful situation of our Lawrencetown. He walked up to the Falls and was delighted by the wonderful view of the Valley.

Great sympathy is felt for the family of Mr. L. Brown, his eldest son being drowned. Mrs. Brown is very ill. Truly a sadly afflicted family.

On May 10th the Lawrencetown Women's Institute met with Mrs. L. R. Morse.

The programme was patriotic in nature and this included all the best interests of our own home, school and community life.

Great appreciation was expressed of the excellent work done in the three departments of our school in charge of Principal Banks, Miss Troop and Mrs. Corkum. Mrs. Corkum has been teaching music in addition to her other work in the primary division and too much cannot be said of the wonderful results of her training in this line.

Mrs. H. Freeman has the thanks of the Institute for an article on "Dominion Coat of Arms" sent her by Sir Joseph Pope, of Ottawa. In a

wonderfully interesting and instructive manner our heraldry and all it stands for was described and it made us feel more than ever that our flag must never be torn down. It was recommended that this paper be read before the school, thus emphasizing our interest in "Home and Country."

Our President, Mrs. J. B. Hall, expressed sympathy with those bereaved by the recent drowning accident which took the life of one of our boys, Gerald Brown. This sympathy for those in trouble was felt and expressed by all present. "Our Canada" needs its young life conserved for its future.

### GASPEREAUX ARE LATE ARRIVING

Our well known gaspereaux, which usually make their advent into our Gaspereaux River in April, have not yet found their way up. On account of the lateness of their arriving an effort is being made to have the season for catching them extended for fifteen days or more.—Western Chronicle.

### SUMMER BOARDERS WANTED

A few boarders can be accommodated at Hampton for the summer months. Also will serve transients after June 1st. Mrs. C.E. COLLINS. 7--3ins

## Better Ice Cream More Customers

The reason dealers who have tried Creamerie Ice Cream are so enthusiastic about it is that it doubles their trade and increases the good will of their customers.

For it's more meltingly delicious, more velvety, more refreshing than other ice cream. Contains 14 p.c. of Butterfat against 8 p.c. and 10 p.c. in other kinds.

Creamerie was the best liked Ice Cream last year. It will be the biggest favorite by far this year because it is even better and much better known.

## Apple Delecto

### A Sound, Wholesome Fruit Product

(Government Report)

YOUR cakes and pastries are now greatly improved by using "Delecto", the new fruit product made from apples grown in your own orchards.

You not only improve the flavor by combining "Delecto" with other fruits but the enhanced food value is of such vital importance that you cannot afford not to have it always on hand.

Just try it in your rich fruit cake by substituting "Delecto" for half the other fruit and note the difference. No need to add a lot of spices and flavoring essences, the concentrated apple juice has a flavor of its own.

Miss Fraser later married Mr. Page, of Truro, and the mother of Mrs. Jost was named for her mother, Jean Fraser Page.

## Why You Should Use a Mild Soap

Harsh soap dries the natural oils and is apt to irritate the skin and make it scaly. In the mild, soothing, creamy lather of Palmolive you have an ideal cleanser. It is lotion-like in its action. It soothes while it cleanses.

Artful application of rouge and powder may lend your skin the appearance of smooth freshness, but when this is washed off, what a cruel revelation!

You can easily possess a fine complexion by giving your skin proper care. Instead of putting your skin to sleep with cold creams and cosmetics, wake it up with soap and water. Cleanse each tiny pore and skin cell, revive sluggish circulation. Get rid of the blackheads which are only accumulated dirt.

Use Palmolive Soap and apply it with your two hands. Massage it thoroughly into your skin and remove with many warm rinsings. This treatment makes your skin fresh as a rose.

You can buy Palmolive Soap at all first-class dealers.

Palm and olive oils—nothing else—give nature's green color to Palmolive Soap

### GRANDVILLE FERRY

A goodly number from here attended the annual meeting of the Paradise and Clarence Baptist Church held at Clarence, Tuesday, May 8th. Many more, including most of the young people, were present at the Missionary Pageant in the evening, given under the direction of Miss Cora Elliott. No effort was spared to make this pageant a success and the large number of participants in the various scenes and costumes all telling a wonderful story on behalf of missions certainly deserve much credit. The address of Mr. Corey on India, was also greatly enjoyed, while the beautiful daffodil and Mayflower decorations, together with the characteristic royal supper, contributed much to a day of profit and pleasure.

The Women's Missionary Society met Thursday, May 10th, at the home of Mr. and Mrs. Norman Lonsley.

An excellent program was arranged by Mrs. Millie Daniels and Mrs. Ritchie Elliott. Two visiting pastor's wives were present. Mrs. Kinley spoke informally on behalf of the Women's Work in Windsor while Mrs. Solandt spoke of the work in Grandville, Conn. The funeral of Mr. Rupert Sanford was held from the home Saturday, the 12th. It was a large sad funeral, much sorrow being felt for the unhappy grieving wife.

The Women's Institute held its regular meeting Friday, May 10th, with Mrs. Hardy Layte. An excellent program and a dainty lunch were both much appreciated.

Mrs. Stewart Kinley is visiting for two weeks with Mr. and Mrs. Joseph Lonsley.

### OBITUARY

#### Mrs. Washington Chesley.

Another aged and highly respected resident of the town passed away on Friday night in the person of Mrs. Washington Chesley.

Mrs. Chesley was a daughter of the late Samuel Porter, of Lynn, Mass. and her uncle, Mr. Edward Davis, was Mayor of that city at the time of the visit of the Prince of Wales (afterwards Edward V) to America. In November, 1866, she came here a bride and has been a resident of Bridgetown ever since highly esteemed by all who had the honor of her acquaintance. While interested in missionary endeavor and the work of the church generally, it was in the home most especially where her interest was most deeply centred and her influence most strongly felt. She had not been during the past ten years robust in health.

She leaves to mourn their loss, a husband, one son, Mr. Will Chesley, merchant of this town; three daughters, Mrs. Charles Abbott, and Mrs. Edward Green, of Boston; Mrs. Grant Bowles, Grafton, Kings Co., all of whom were present at the funeral, also one brother, Mr. Samuel Porter, of Swampscott, Mass.

Funeral services were conducted on Monday afternoon by Rev. W. S. Smith, of Paradise, and were largely attended and interment was in Riverside cemetery.

The floral offerings were very handsome and included: Wreath and Cut Flowers, father, Lizzie, Grant and Beatrice, Will and Mabel, Charlie, Ella and Frankell, Ed. and Addie; Spray, Miss Mattie Dearness; Wreath, Mrs. John Clark; Wreath, Mrs. E. Lee; Spray, Mrs. Mary Blanchard, Dorchester, Mass.; Spray, Mrs. Lewis Dickie, Bridgetown.

### "Mother"

Mother! That precious name, Forever more the same, Earth's sweetest word! Though ages past have flown, No sound was ever known Like that dear name alone: Or ever heard!

From childhood's earliest day, She guarded all our way, With tenderest care, She shared our every weep, Each cherished hope did know, Heard every whisper low, Of childish prayer.

Our mother's God, to Thee In deep humility, We lift our prayer: Keep those we love the best Through every trial and test And may they ever rest Safe in Thy care.

### MEMORIAM

Mrs. Emma S. Rumsey.

The shadows have again fallen over our community and we mourn the passing of another of our highly respected friends, Mrs. Emma Rumsey, who passed away at the home of her daughter, Mrs. F. F. Johnston, at Central Clarence, on Wednesday, May 2nd, aged 75 years, 17 days.

She was tenderly ministered to by her daughters and other friends until the end came. During the Winter she did not appear to be in her usual health, but as Spring advanced the change became more marked. She was confined to her bed a little more than a week when her spirit was released to join that "innumerable company of the Just made Perfect". Our departed friend was of a quiet, unassuming and genial disposition, always ready to lend a hand to those who were in sickness and need. On October 9th, 1872, she was married to Arthur W. Rumsey, by whom she had seven children. Little did she know that the shadows were to fall across her pathway. Her husband having met his death by a kick from a horse. Being thus left, she took up the burden of bringing up the family and educating them for life's duties.

Our sister united with the Clarence Baptist Church under the ministry of the late Rev. N. Vidito, maintaining her profession until the end.

The funeral took place on Friday, 4th, from the church, where she went as a bride ty-one years ago. Her pastor, Rev. W. S. Smith, conducting the service. He spoke from John 14:6; after which the remains were conveyed to Nictaux and laid to rest beside those of her husband and two sons, who passed over before.

"When I Go Home"

When I go home it will be evening, And I shall hear my own dear people sing, And see the lighted rooms and take my place As one of them, in that sweet time of Grace.

When I go home, I shall be very tired Of struggling for the things that I desired, But I shall be content to end my quest, Gaining the best things, peace, and love, and rest.

When I go home, how sorry I shall be Not to have brought more treasures back with me; Yet, though I be a failure, worn and poor, They will not turn me from my Father's door.

When I go home, I shall be travel-stained, For winds have beaten me, and storms have rained And earth has clung to me, by vale and hill, But they will take me in and love me still.

When I go home—oh, will it not be Heaven, To be restored, accepted, loved, forgiven? Sorrow and sighing are for those who

### DROWNING AT LAWRENCETOWN DAM

Gerald Brown, White Canoeing, Is Swept Over Dam To His Death.

Gerald Brown, son of Mr. and Mrs. Leslie Brown, was drowned on Tuesday evening by being carried over the Power Company Dam while canoeing.

Young Brown paddled about some time in the pond but coming down incautiously too near the dam, his canoe was whirled around and he was unable to turn it and make headway against the current in time to extricate himself from his difficulties. The current swept the little craft over the dam and Brown, seeing his peril, jumped from the canoe, and disappeared in the boiling water at the foot of the dam.

A number of young people who had viewed the accident from the bridge above saw him extend his hands for a moment before he disappeared finally. Attempts were made in a few minutes and have since been kept up to locate the body, but at time of writing have been unsuccessful.

The deceased, who was a very popular young man, leaves to mourn their loss, father and mother, and several brothers and sisters.

The following poem was found in her Bible after her death, which gives expression to her thoughts:

"When I Go Home"

When I go home it will be evening, And I shall hear my own dear people sing, And see the lighted rooms and take my place As one of them, in that sweet time of Grace.

When I go home, I shall be very tired Of struggling for the things that I desired, But I shall be content to end my quest, Gaining the best things, peace, and love, and rest.

When I go home, how sorry I shall be Not to have brought more treasures back with me; Yet, though I be a failure, worn and poor, They will not turn me from my Father's door.

When I go home, I shall be travel-stained, For winds have beaten me, and storms have rained And earth has clung to me, by vale and hill, But they will take me in and love me still.

When I go home—oh, will it not be Heaven, To be restored, accepted, loved, forgiven? Sorrow and sighing are for those who

### DROWNING AT LAWRENCETOWN DAM

Gerald Brown, White Canoeing, Is Swept Over Dam To His Death.

Gerald Brown, son of Mr. and Mrs. Leslie Brown, was drowned on Tuesday evening by being carried over the Power Company Dam while canoeing.

Young Brown paddled about some time in the pond but coming down incautiously too near the dam, his canoe was whirled around and he was unable to turn it and make headway against the current in time to extricate himself from his difficulties. The current swept the little craft over the dam and Brown, seeing his peril, jumped from the canoe, and disappeared in the boiling water at the foot of the dam.

A number of young people who had viewed the accident from the bridge above saw him extend his hands for a moment before he disappeared finally. Attempts were made in a few minutes and have since been kept up to locate the body, but at time of writing have been unsuccessful.

The deceased, who was a very popular young man, leaves to mourn their loss, father and mother, and several brothers and sisters.

**HALIFAX MOTORISTS WANT TAX ON GASOLINE, NOT ON THE CAR**

Not Fair, They Claim, For Motorists To Pay Equal Tax, Irrespective Of Mileage On Roads For Which Tax Is Levied.

Halifax—Automobile owners and dealers, smarting under the extremely high fees payable to the Provincial Government for licenses, are talking of trying to get the application of the tax altered to permit of their considering a more equitable distribution, namely: to have the tax added to the price of gasoline. This system is in use successfully in some of the States of the Union. By its method the car user who does not do a great deal of motoring would not have to pay as much as his neighbor who may use his car every day of the year.

Under the Nova Scotia system the license charge is based on horsepower on cars costing over a certain figure, with a flat rate for those whose original cost was under the set figure. The man whose car does not cover just as much as the man with the same type of car who drives ten thousand miles a year, which does not strike the small user as quite equitable, since the license money is to be applied to road construction.

If the suggested form of license collecting were in vogue, the motorist would pay according to the amount of road he "burned up." He would pay a little more per gallon for his gas and this additional cost would go to the government in lieu of an annual license fee.

At the annual meeting of the Nova Scotia Motor League held in Halifax recently, the matter was suggested to members of the Provincial Government and was discussed with interest, but no definite policy was expressed. It has been pointed out that with this system in operation the government would benefit also from visiting motorists who use the roads at will and would probably not object to contributing something to their upkeep.

**SAYS IT'S WORTH WEIGHT IN GOLD**

Mrs. Matthews Pays High Tribute To Tanlac For Ending Stomach Trouble

"I am so thankful for the wonderful benefits I have received from the Tanlac treatment I just want to tell everybody in Toronto about it," declared Mrs. Ellen Matthews, 104 Eastern Ave., Toronto, Ont.

"I suffered so terribly with stomach trouble and a run-down condition that I feared nervous collapse. My appetite almost deserted me and even the little I did manage to eat disagreed with me, and I bloated with gas till my heart palpitated and I was dreadfully short of breath. I couldn't get a good night's sleep and was so worn out I couldn't even do my errands to the store.

"I heard so much praise of Tanlac I finally bought a bottle, and it was worth its weight in gold. Six bottles have made me perfectly well, without a sign of the old trouble. I had suffered with for seven years, and my weight has been increased, too. I consider it a duty to recommend Tanlac."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37-million bottles sold.

**THE LAW RESPECTING GAMBLING**

In some parts of the Province gambling is becoming a very prevalent evil, and is being fostered by agents who have been disposing of various gambling devices. The law against gambling of this kind is very explicit, and if properly enforced may be of service in preventing the sale and use of these devices, and at the same time in preventing many persons from acquiring a habit that, as has been well said: "tends to destroy proper conceptions of the rights of property, adds nothing to the common well being and is harmful to the moral life of the individual."

- Section 236 of the Criminal Code makes it unlawful:
- (a) to make print or advertise any lottery scheme, for disposing of property by lots, cards, tickets or any mode of chance.
  - (b) to sell tickets, for any such scheme, or any device for disposing of property by any mode of chance.
  - (c) to conduct or manage any scheme, contrivance or operation for the purpose of determining who, or the holders of what lots, tickets, numbers or chances, are the winners of any property so proposed to be sold or disposed of.
  - (d) to dispose of any goods, by any game or mode of chance, or mixed chance and skill, or.
  - (e) to induce any person to stake any money or other valuable property on the result of any dice game, shell game, punch board, coin table, or on the operation of any wheel of fortune.

The penalty for violation of any of the foregoing provisions may be a fine not exceeding two thousand dollars AND imprisonment not exceeding two years. And, "every one is guilty of an offence and liable on summary conviction to a penalty of twenty dollars who buys, takes, or receives any such lot, ticket or other device as aforesaid."

**Enforcement of the Law.**

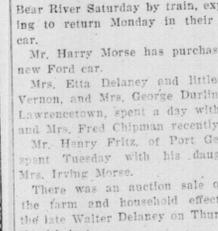

The Attorney General has recently written to a police officer with reference to this Section 236 as follows: "I presume it is quite unnecessary for me to point out to you that it is your duty and also highly desirable that you enforce this Section of the Criminal Code as well as any other."

To save our young people from gambling, instruction is of course being given in our churches and Sunday schools. In addition to this, there is urgent need for thorough enforcement of the law, in order that inducements to engage in the practice of this pernicious habit may be removed.

**BY AUTO ON THE GULF OF GEORGIA**

WHO has not heard of the thousand isles of the Gulf of Georgia? This Gulf is a ramification of the great strait of Juan de Fuca famed in legend and history, through which the Spanish navigators sailed hundreds of years ago, and which is now one of the important trade routes of the world. It separates Vancouver Island from the mainland of British Columbia and the State of Washington, and is one of the most beautiful waterways known to man.

The city of Victoria, at the extreme south end of Vancouver Island, has several ferry lines connecting it with the mainland, but as the steamship services in the past have proved inadequate for the large crowds of summer visitors and motor tourists, the Canadian Pacific Railway Company has put into service a fast-going vessel which operates twice daily between Victoria and Bellingham, Washington. The ferry is an important addition to the Canadian Pacific fleet and its name, "Motor Princess," is appropriate in that it is the first vessel of the company, operating on the Pacific, to be equipped with internal combustion engines. These engines give the boat a speed of about fourteen knots. On the two main decks there is parking space for fifty automobiles like little islets which make the accommodation for two hundred and fifty passengers, saloon, restaurant,

further entranced by the magnificent view of Mount Esopus standing grandly in its everlasting mantle of snow among its satellites the foothills. This lovely mountain is on the mainland near Bellingham, and, beautiful and inspiring, it is seen at its best when travelling to or from Victoria.

The route travelled by the ferry is marked by islands, some of them many miles in extent, others gun-like little islets which make the waterway a succession of magnificent pictures. The traveller is

**GROUND LIMESTONE IN NOVA SCOTIA**

An Act was passed during the recent session of the Nova Scotia Legislature for the purpose of promoting a larger use of ground limestone in agriculture. Some of the provisions of this Act refer to the development of lime and marl deposits so as to make them more generally and cheaply available. A provision which is of immediate interest to farmers is that whereby a rebate will be made on freight paid on ground limestone or marl produced and used in Nova Scotia.

In brief, the government will pay one half the freight charges, provided that this rebate shall not exceed \$1.00 per ton. This provision went into force on April 23rd and will remain in force up to an including July 31st. Full information may be obtained by writing to the Secretary for Agriculture, Truro, N. S.

**PARADISE**

Sunday's sermons were of unusual interest. Pastor Smith gave to his congregations an interpretation of the church's history from the time of its organization in 1810, this being one of the oldest churches in the Maritime Provinces. Following the facts it was noted that present history compares favorably with past history for the most part; that present growth is less phenomenal but more steady, while the financial responses of today are greater not only because of a larger circulation of money but because of a more definite sense of personal responsibility. The increased years of training on the part of pastors, missionaries, and others has naturally born fruit, in giving in these later days. This church in its past stood particularly for moral, or religious discipline. In this matter only is it a weaker or less active church today. Perhaps on this point it is claimed that our fathers went to the extreme. If so we of today surely have gone to the other extreme. Mr. Smith also pointed out that workers were raised to fill the ranks of those who labored before them, that the work was never left without its outstanding leaders—and that while some of today can see no future for this church when present days "stand-by" or "pillars" are gone, God most surely has them somewhere in the making. In Sabbath School or B.Y.P.U. and will as carefully guard and guide His cause here in the future as in the past.

Fred T. Congdon, K. C., will be the Royal Commissioner to inquire for the Dominion Government into the circumstances attending the granting of gratuities to the London directors of the Grand Trunk Railway, as provided for by an Order-in-Council issued two weeks ago, it was learned at Ottawa on Friday night. In 1902 Mr. Congdon was a member of the commission to consolidate the ordinances of the Yukon Territory, and in the two subsequent years he was Commissioner of the Yukon. In 1904 he was elected to the House of Commons for the Yukon by a large majority.—Yarmouth Herald.

Mr. and Mrs. John E. Slocomb and Mr. Talmage Marshall left May 4th for Massachusetts.

Messrs. Charlie Healy and Theodore Andrews went to U. S. A. two weeks ago to seek employment. We are glad to hear that they have found work and are enjoying themselves. Good luck to them is the wish of their friends. Sorry to have so many of our people leaving us, we will miss them in our community.

Mrs. William Morse and Mrs. Percy Marshall, of Arlington, visited at Mr. Avarad Marshall's on May 3rd.

Frank Graves, of Port Lorne, has been visiting his friend, Lindley Banks, for a few days.

After the "drama" on Monday night, April 30th, a number of the people of this place were invited to the home of Mr. and Mrs. Avarad Marshall, in honor of Mrs. Marshall's 66th birthday. They were very nicely entertained musically and socially. Ice cream and cake were served. Deacon Bayard Marshall, in a few well-chosen words, presented to Mrs. Marshall five dollars, in behalf of her husband.

Messrs. Ralph and Willie Elliott, of Mt. Hanley, are in this place at present, with their gasoline engine and wood saw, making havoc with the wood piles.

Mr. and Mrs. Austin Lewis, of Port Lorne, were guests of Mr. and Mrs. J. D. Banks recently.

A very interesting and comedy drama in two acts was given in the hall on Saturday and Monday evenings (to a very attentive crowd of listeners) under the management of Mrs. Annie E. Morehouse (teacher) entitled "Old Acre Folk" by a number of our people, young and old, which was highly appreciated by the audience. The cast of characters was as follows:—

Deacon Evans, a well-to-do farmer, (Mr. W. A. Marshall); Emma Eliza Evans, his wife, (Mrs. John Slocomb); Mary Jane Evans, their daughter, (Doris E. Healy); Ebenezer Ham, Mary Jane's young man, (Talmage Marshall); Jeff Evans, their son, (Albert MacPhee); Squire Playfair, a wealthy business man, (Mr. A. M. Healy); Elizabeth Ann, his daughter, (Annie E. Morehouse); Precilla Prim, his housekeeper, (Lena Banks); Job Hardy, the thief, (Kenneth Banks); Constable, (Mr. Joshua Banks); Professor James Butler acted as organist.

**SATISFIED MOTHERS**

No other medicine gives the same satisfaction to mothers as do Baby's Own Tablets. They are equally good for the newborn babe or the growing child and are absolutely guaranteed to be free from opiates or other harmful drugs. They are a mild but thorough laxative and cannot possibly do harm—they always do good. Concerning them Mrs. Jos. Ache, Coteau Road, N.B., writes:—"I think that Baby's Own Tablets are a marvellous medicine for little ones. I gave them to my little girl with such good results that I now strongly recommend them to all mothers." The Tablets are sold by medicine dealers or by mail at 25 cents a box from the Dr. Williams' Medicine Co., Brockville, Ont.

**NORTH WILLIAMSTON**

Service here on the 16th at 7.30 by Rev. R. F. Allen, of Nictaux.

We are pleased to report that those who were on the sick list are convalescing.

Mr. Joseph White, of Phinney Cove, was a recent guest at the home of his parents, Mr. and Mrs. O. D. Winter.

Mrs. Guest, of Mill Village, visited her daughter, Mrs. W. A. Bent, quite recently.

Among the recent visitors at Mr. and Mrs. W. E. Healey's were: Mr. and Mrs. S. C. Turner of Bridgetown, Mr. Otto Nixon of Margareville, and Mrs. H. R. Beanson, Williamstow.

Mrs. Chas. Magee, of Auburn, Kings County, is spending a few weeks with Mrs. A. P. Stevenson.

Our quiet community was shocked to hear of the tragic death by drowning of Gerald Brown, son of Mr. and Mrs. Leslie Brown, of Lawrenceville.

**SOMETHING TO LEARN**

There is a story published in a bank magazine that a lady customer wrote: "Will you please send me a new cheque-book, as I have lost the one you sent me last week. This does not much matter as I have signed all the cheques in it, so it will not be of much use to anyone else." The satirical comment in the bank magazine is "Not Much." It is perfectly astounding the want of knowledge some people have in regard to the issuance of cheques.—Montreal Gazette.

Song: "Ye Banks and Braes o' Bonnie Doon."

Solos: "Jack O' Hazeldean" and "Mama Says I Musn't" by Prof. Butler.

Duet: "Flow Gently Sweet Afton" by Annie Morehouse and Frank Graves.

1st Act—Scene in Summer.

Duet: "Sweet Bunch of Daisies" by Lena Banks and Annie Morehouse.

2nd Act: Scene in Winter.  
Duet: "When Ye Gang Awa', Jamie" or "Huntingtower" by Annie Morehouse and Lindley Banks.

Closed with "God Save the King", sung in unison.

Much credit is due these people for the efficient way each performed their part. Proceeds \$9.45 was given to Professor Butler, our blind music teacher. Owing to the inclemency of the weather the crowd was not as large as it otherwise would have been, but it is thankful we are for small favors.

### Local Happenings

Fifteen extra troughs have been added to the Windsor Fish Hatchery, thereby increasing its capacity three quarters of a million. Last year 22,000 fry were liberated in the stream above the hatchery, and at the same point 2,000 healthy fingerlings were also given their freedom. The Mill Pond, Fall and Maple Brooks have been closed to fishermen, and a heavy penalty is invited through the breaking of this regulation. The only permit for fishing in these waters is granted to hatchery overseer or one of his assistants in connection with hatchery experiments, and such permit only comes through special permission from the department. It is out of the question, as well as unjust, for any individual other than above described, to seek a special permit for fishing privileges in these waters.—Hants Journal.

Everything is ready for the Mammoth Fair which opens to-morrow, Thursday, May 17th.

Says the Digby Courier:—The following statement was made from one of our local pulpits on Sunday: "A prominent citizen of this town recently declared that the reason Digby finds it so difficult to procure a N. S. Temperance Inspector is owing to the fact if a real honest Inspector attempted to do his duty conscientiously in this town he would at least be shot at—if not killed."

**JUST THINK OF IT!**—Three barrels of FLOUR to be given away as door prizes at the Mammoth Fair, one each night to the lucky ticket holder. Competition with every admission, and the admission is only 10 cents.

Band, Orchestra, Dancing, and all the other brilliant and fascinating attractions every night. Something doing all the time, not one dull moment.

Pack up your troubles and enjoy a real lively three days at the Mammoth Fair.—May 17th, 18th and 19th.

Mr. and Mrs. Z. Seamone received the sad news of the death of their little grandson, George Arlington Gill, aged 2 years, which took place at Somerville Hospital, Mass., May 5th, following an operation just 2 months from the day his mother died. He was buried at Glenwood cemetery beside his mother.

By his mother's side he's sleeping,  
Little loved one early biest;  
Free from care, and pain, and sorrow,  
Gone to his eternal rest.

Far beyond this world of changes,  
Far beyond this world of care,  
We shall find our missing loved one  
In our Father's Mansion fair.

MRS. Z. SEAMONE.

Next Sunday, being Whitsunday, there will be a slight change in the usual order of services in the parish of St. James, Bridgetown. The 8 a.m. service (Holy Communion) usual at St. James on the third Sunday in the month will not take place, but instead there will be 8 a.m. service in St. Mary's, Belleisle. All other services will be at the usual hours with Holy Communion at the 11 o'clock service in St. James.

Crescent Lodge, I.O.O.F. will celebrate the 104th anniversary of the founding of Oddfellowship on Sunday next meeting at the Lodge room at 2:15 and marching to the Baptist Church where Rev. A. J. Prosser will address the Order. The public generally are cordially invited to attend.

Many pleasing things have been said about the "Afternoon Tea" held last Thursday in St. James' Church school room, under the auspices of the W.A. It was indeed a successful function from every point of view, and to those responsible for it a special need of praise is due.
