Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. CHAPTER V.

A BY-LAW to place the assessing and collecting of Rates under the control of the Council.

[Passed 16th May, 1842.]

WHEREAS under and by virtue of the authority contained in the act commonly called the Municipal Council Act, of this province, power is given to make By-Laws, for raising, assessing, levying and appropriating such monies as may be required for the purpose of carrying into effect, all or any of the objects for which the District Councils were instituted, and for the collection of and accounting for all tolls, rates and assessments, imposed or raised under the authority of such District Council, and of the revenues belonging to Districts respectively. And whereas it is necessary for the purposes aforesaid, that the assessment and collecting rolls, being documents used for the raising, assessing, collecting, appropriating and accounting for the revenues of the Western District, should be under the direct control of the District Council, to ensure their correctness, and secure their return from the hands of the township officers for the future, within the convenient and proper periods.

Be it therefore enacted by the Warden and Councillors of the Western District in Council assembled by virtue of and under the authority of An Act of the Province of Canada, entitled, "An Act to provide for the better internal government of that part of this Province which formerly constituted the Province of Upper Canada, by the establishment of local Municipal Authorities therein."

said assessment roll or list, provided nevertheless that the furnishing the same to the Clerk of the District Council shall not dispense with the necessity of furnishing the Clerk of the Peace as heretofore with a duplicate original of the same, also according to law, in order that he may make up the Jury lists necessary for the administration of justice, and for the other purposes for which they may be required in his office. Nor do away with the necessity of putting up a copy of the same in some conspicuous place in the township as heretofore required by law, and that the said assessor shall be allowed the sum of seven shillings and six pence currency for any number of names, not to exceed one hundred, on such list, and two shillings and six pence currency, if exceeding one and not over two hundred, and so on in proportion, for such third and extra copy.

II. And be it enacted that when the said District Council shall have by any By-Law, directed any rate, toll, or assessment for the purpose of defraying the expenses of said District, to be levied to or for any police or corporate Town or City, now or hereafter to be erected in the said District, it shall and may be lawful for the District Clerk having received such assessment lists or rolls as aforesaid, under the direction and supervision of the Warden, to divide and appropriate the same upon each and every person in the said assessment lists or rate rolls named, being liable to pay rates, according to their rateable property real and personal, in accordance with any law of this Province, now or hereafter to be made for that purpose; and having ascertained the quota, dividend or sum of money for which every person is assessed for the current year, the District Clerk shall transmit forthwith a certified copy of such assessment roll so rated and ascertained as aforesaid to each and every collector within the District; and such certified copy shall be to each and every collector sufficient authority for collecting the proportions or dividends within their respective townships: Provided always, that as to the said police or corporate towns as aforesaid, that in order to carry such assessment into effect, when the improvement of the same may be required according to law, that it shall be the duty of the District Clerk to select from the general assessment of the said District, a list or assessment of the rateable property that each person has, or owns or possesses in the said towns respectively, ready to be laid before the Council in each year.

III. And be it enacted, that the District Clerk shall hereafter extend the collection rolls in all cases, the same having heretofore been done by order of the justices, as the collectors were not generally found capable of so doing with sufficient correctness.

IV. And be it enacted, that the said District Clerk shall hereafter furnish the Statute Labor lists to the persons legally requiring them, at such periods as are now required by law.

V. And be it enacted, that the sums heretofore paid annually for extending the collection rolls and furnishing the Statute Labor lists shall be no longer paid, the said duty being performed by the officer of the Council.

VI. And be it enacted that all sums to be paid under this By-Law, shall be first audited and paid by the Treasurer on the Warden's warrant, and acquitted in the manner required by the laws of the District.

JOHN DOLSEN, *Warden.*

JOHN COWAN, *Clerk of the Council.*
