THREE BEAUTIFUL KEEPSAKES FOR EVERY ONE!

Subscribers of this Paper, Read. he slape of mortos, which to wear, ingression in group in the contract the following subjects.

No. 1. GOD BLESS OUR HOME.—In old English type, beautifully embellist No. 1. GOD BLESS OUR HOME.—In old English type, beautifully embellist No. 1. THE LORD IS MY SHEPHERD.—In old English type, elegantly embellishes to most beautiful vines, farms and flowers. The central figure is here represented by the a shepherd carrying in his arm the shepherd's crook and the lost lamb. The effect tikingly beautiful.

No. 3. PRAISE THE LORD, is similarly embellished as the other two. The group in the surer of the motto is three half-grown children representing the angels singing "Praise the Lord." he a three paintings combine the most elegant colors and designs ever depicted by the artistication. The effect is most beautiful and pleasing; they should adorn the walls of every family a be lead of the praising combined to the lead of the praising statement of the lead of the le n the land.

These works of art are given to you upon the following conditions, which please observe closey: The cost of postage, mailing, tubing, wrapping, etc., is 25 ets. for each picture when sent
ingly, or 50 ets. for all three when sent to one address. The following order must be cut out
use sent with 25 ets. for any one pictures ordered, or 50 ets. for all three. Be sure to draw your
pen through the picture you do not want. ORDER On receipt of this order, and 25 cts. for any one picture, or 50 cts. to return to the sender the pictures so ordered, vis:

dOD BLESS OUR HOME.

PRAISE THE LORD IS MY SHEPHERD.

All pictures are guaranteed to reach you safely, with charges fully paid.

Signed: LONDON PUBLISHING CO., 185 and 185 West 20 St., Cincinnati, O.

So Parties desirous of bringing out their friends should make application to the Subscribers, who will grant Certificates of Passage from any place in England, Ireland or Scotland to St. John, N. B. which are good for tweive months.—Dratts issued payable on presentation in sums of £1 upwards. ome we ponder on the connection between oughnuts, sweet potatoes, sorghum molasses and the world renowned purgative.

store is not quite so evident.

the East is sought with much eagerness. ships may be said to have only begun. with the most happy results to all con The stock of provisions gave out. Game cerned. was scarce and edible roots far from abundant. Had not the Indians, who have brother saints advocate polygamy with ever acted towards the Mormons with humanity, brought in the proceeds of the chase and shared with them, the saints cluded the woman, however, in defending

garding as having very lax ideas concerning the moral law. Their conduct is unatural and absured and she does not hesistate to tell them so. Ordinary arguments with examples and illustrations from life are treated with contempt. The Scriptures are appealed to with the worst possible effect. The Old Testament especially is turned against her in a manner which evokes both indignation and surprise. On the whole, the weight of evidence from Genesis to Chronicles is singularly favourable to those who desire to practise polygamy if they are blind enough to ignore the consequences which have been uniformly disagreeable and often disastrous. The New Testament is confidently cited and their domestic experience appealed to in vain. A newer revelation in the shape of the Book of Mormon is explicit on this question which should therefore be considered as settled by all except those who are willas settled by all except those who are wil.

COMMERCIAL COLLEGE. We have a thousand wants, which a thorough business edu atton will aid us to satisfy. I wish it were possible to give every young man who is going to take charge of a farm, or a factory, or a mechanical establishment of any kind, or to enter into commercial pursuits, the elements of a business education. Business colleges mean that there are wants which pre-smissing institutions were not shaped or calculated to meet. I say prosperity and success to business colleges. Howeve Greety.

OUR course is interesting and instructive; as is adapted not only to the educated, but those whose training has been neglected. CIRCULARS, aining full information as to terms, course of ies, time required, etc., mailed free. on appli-

for a few moments was as savage as her me to settle that little bill."

burst into a loud discordant laugh. "I thought I could rile you." he best way possible.

4

"I did think so, Fred," said Kitty, woe-begone.

He was buried in thought now, and did not appear to hear her; so after glancing at him she repeated the words.

"Eh!" he said, with a start; "not I, indeed; don't be afraid of that; a joke of that kind doesn't bear repetition; but I did come here to say something to you, Kitty, and that something is what the present absurd constitution of affairs the parish won't give me anything in what the present absurd constitution of affairs the parish won't give me anything in what the present absurd constitution of affairs the parish won't give me anything in what the present absurd constitution of affairs the parish won't give me anything to sake the parish won't give me anything on the present absurd constitution of affairs the parish; and under the present absurd constitution of affairs the parish; and under the present absurd constitution of affairs the parish; and under the present absurd constitution of affairs the parish; and under the present absurd constitution of affairs the parish; and under the present absurd constitution of affairs the parish; and under the present absurd constitution of affairs the parish won't give me anything unless I do some work in exchange for it. Mighty unpleasant kind of work, too, such as breaking at the present absurd constitution of affairs the parish won't give me anything unless I do some work in exchange for it. Mighty unpleasant kind of work, too, and a strength and the present absurd constitution of affairs the parish won't give me anything unless I do some work in exchange for it. Mighty unpleasant kind of work, too, I shall have to apply for relief to the parish; and under the present absurd constitution of affairs the parish won't give me anything unless I do some work in exchange for it.

66 Do you really mean that? Are you going to take me away? Am I to remain with you, to share your life with you?"

"You are, indeed," he replied.

"You don't look me in the face when in the face when and if he tries to persuade her to that The Stateman's Year-Book. The Art of Teaching—by F. Tom what I have seen of Kitty she is a true as steel when taken the right way; but she wouldn't stand any woman's coming in between her and Fred, and if he tries to persuade her to that Chatham, Mar. 28, 1877.

"I can do that easily enough." And he could, and did! Falsity and deceit were such constant practices of

violently, "what cruel words! How do As she opened the drawer she turned I stand in your way?"

"By being my wife!" he cried;

"don't you understand me? If I were

"I were free, I could marry a woman

"I were free, I could marry a woman with a large fortune to-morrow, or as He took the portrait from her band soon as I wished—there is one at this without saying a word, and held it to

"What was his confounded name, did

you say?" he asked, sharply.
"Travers—Dr. Travers. What is the matter. Fred?"

He had picked up the portrait by this and impersive as a statue.

"An jour would care for me still,"
she repeated, "when you were married he muttered; "a little older, perhaps, to another woman! What should I be but never to be forgotten by me! And to you then? I do not understand the a doctor, too! The coincidence is strange, to say the least of it!"

"What do you think of my friend, "An intelligent face," he said. "And riage but our two selves. Now, suppose did you ever hear his Christian name." companies in Liverpool are now runn "Often and often—his wife always extra steamers.

"No chance of his ever coming here each offence.

me, won't you?" "Oh, yes," she replied, in a hard, "Oh, yes," he answered, "I will take cold voice, "I see very plainly. You you. And now Kitty," he said, rising states that a clergyman at Boston Spa has wish to sell yourself to some rich woman from his chair and putting on his overwho has taken a fancy to you, and becoat, "I must be off. I left my horse because she had refused to bow to himself cause I am in the way, and you could at the end of the village. In about a and his wife according to orders, when they not conclude the negotiation without my fortnight you may expect to see me met; and that the schoolmaster has resigned consent, you wish to make me an acces- again, and then you must be ready to his post, having declined to punish the
