PROVINCIAL ELECTION ON OCTOBER 9

Foster Government Appeals to the People on its Record—A short Campaign.

The Provincial House of Assembly has been dissolved and the provincial elections in New Brunswick will take place on Oct. 9, which falls on a Saturday.

As there has been four sessions of the Legislature since the last general election there has been a general expectation that the government might go to the country this autumn, and the formal announcement therefore comes as no great surprise.

The campaign will be a short one, occupying only about two more weeks, and work of organization and preparation for the nomination of candidates is going forward all over the province.

There is talk of a change in the Opposition forces, which will likely be determined at a convention in St. John today. One report is that Hon. James Murray will retire from the leadership and will be succeeded by Hon. Mr. Baxter. For some years past the present Opposition party has been in a most disorganized condition, largely due to the reports of Royal Commissions which investigated the Timbec Valley Railway and Pottery Scandals, exposing the nature of transactions which took place under the old regime.

Although the present government party had only a small majority when the overturn came in 1917, many serious revelations concerning public affairs under the old government were made shortly after the provincial Liberal party would have had a very much larger majority. In fact it would have swept the province.

The Foster government will now go to the country with a clean and admirable record, a record unexcelled, and in fact unequalled by any previous administration in New Brunswick. The administration has been progressive, fair, straightforward and free from scandal, and therefore is such as must appeal strongly to the people of the province who were ashamed and angered because of the conditions prevailing from Mr. Fleming's day down to the day of the old government's defeat.

When the Foster government took over the conduct of affairs in New Brunswick conditions were undoubtedly bad, not only owing to the disorganization which found an enemy from the old government, but also because the new administration faced a period of constantly rising prices, during which two dollars or more was required to do the work which one did in the old years. Nevertheless, the government courageously carried on the various public departments at an exceptionally high level of efficiency, greatly improving the roads and planning for still greater improvement, giving the forest increased protection and beginning their scientific classification, greatly extending the work of the department of agriculture and the benefit to the farming industry, introducing the Workmen's Compensation Act, giving the province an up-to-date health department, the work of which has already received strong and general commendation, giving the vote to women, introducing vocational education, increasing the government grant to teachers in the public schools, carrying into force the prohibitory law, finishing the Valley Railway, and launching the great enterprise for the development of hydro-electric power in the interests of the public.

Criticism of the government—and no government escapes criticism—has never been of a serious character. There has been common recognition of the fact that the government was giving the province honest and enterprising service and striving earnestly to promote the best interests of the people.

THE EVANGELISTIC SERVICES

The special meetings conducted by the Kenyon Evangelistic Party are still in progress and are gaining great momentum as the days go by. People are coming from miles to hear these lectures delivered by this man of God. Some have come from Oakfield and Mars Hill, Me., to hear him, and all go away with the feeling that they have been in the presence of God, as he unfolds the Scriptures to them. Miss Porter sings the Gospel, with such tenderness that hearts are melted under it. Prof. Fletcher, playing on the piano is marvelous. He brings such sweetness from the instruments that he plays. Surely Hartland has not had such an opportunity to hear such music and singing in a long time. The meetings will continue through next week with four services on Sunday. Men's meeting at 9 o'clock and S. At the Men's meeting at 3 Mr. Kenyon will speak for half an hour on

the sex problem. Free will offering at all the services on Sunday for Mr. Fletcher and Miss Porter.—Contributed.

BRIDAL RECEPTIONS

On Thursday and Friday Mrs. H. E. Adams and Mrs. Kenneth Keith received simultaneously their friends for the first time since their marriage. Mrs. R. J. Potts escorted with Mrs. Adams, and Mrs. N. Franchette poured while Misses Sarah Currie and Marion W. Stevens served. Little Miss Dorine Kelley attended at the door. Mrs. Adams wore a very pretty gown of Nile green crepe de chene, embroidered with beads in tones of pink, green and blue. The house was made beautiful with fall flowers, the parlor being decorated with white asters and pink hydrangeas. The hall and living room looked very pretty with red berries and green foliage. The dining room decorations were in pink and white, the table was centred with a handsome silver vase of pink and white flowers, surrounded by four small silver baskets of tiny pink and white flowers.

Mrs. W. D. Keith assisted her daughter-in-law, Mrs. Kenneth Keith to receive her friends, and Miss Edna Sippell poured the tea on both days, while on Thursday, Mrs. Roy Hall and Miss Georgia Reid served. On Friday Mrs. H. A. Sippell assisted. Miss Reid in serving. Thursday evening, Miss Lyde Reid poured and Misses Clara Hegerman and Ruth Boyer served. Little Miss Reta Kelly opened the door. The parlor decorations at Mrs. Keith's were sweet peas while the dining room flowers were pansies and white asters, the table looking very pretty with its mirror centre piece and flowers. Mrs. Keith's receiving gown was a handsome brown crepe de chene and Georgette which was exceedingly becoming.

BIG FARM SOLD

G. B. Nixon has recently sold the whole of his splendid farm properties at Somerville, at prices, it is said, aggregating more than \$31,000. D. W. Shaw has purchased the McGee farm, Ralph Grant of Southampton the Boyer farm and Earl Culbertson of Rosedale the McCormick, all of which lying side by side comprised the Nixon farm. This is one of the finest farms on the river situated within a down-grade haul of a mile from Hartland station.

Mr. Nixon gives over possession in October, and has no immediate plans for the future, except that he is done farming.

PREPARING NOW FOR CHAUTAUQUA

Guarantors Have Met and Vigorous Ticket Selling Campaign will Follow

Yesterday Mr. Bellis of the Chautauqua Association was here and called together a meeting of the local guarantors, 34 citizens who pledged themselves to sell tickets to the value of \$450 or more.

S. S. Miller is president of the local organization, M. L. Hayward the secretary and C. S. Baker the treasurer. C. D. Dickson was appointed chairman of the ticket selling committee; Fred H. Stevens, R. A. Hall, H. E. Adams, Walter Baker and Clayton Rideout the advertising committee; S. S. Miller, Rex L. York and Fred H. Stevens the hall committee.

Already the auto banners and placards are being put out, and followed by these will be a multitude of other forms of advertising.

In a general sense Chautauqua is the biggest, broadest, most educative, enlightening and entertaining thing that has ever come to town. It is not a money making scheme, yet it requires money to maintain it. All costs are high and the lecturers and entertainers are the best that money will secure.

Season tickets cost \$1.50 for the six entertainments and may be bought of any guarantor or member of the ticket-selling committee. They are on sale now. Single admissions will be 50 cents for afternoon and 75 cents for evening entertainments and lectures, plus war tax. So it is cheapest to buy season tickets, and to buy them early, for they cannot be secured after Chautauqua opens.

The Observer will tell its readers more about Chautauqua in succeeding issues.

TORTURED BY TERRIBLE ECZEMA

Suffered Three Years Until She Tried "FRUIT-A-TIVES"

DAME PETER LAMARRE

Pointe St. Pierre, P. Q.

"I think it my duty to tell you how much your medicine has done for me. I suffered for three years with terrible Eczema. I consulted several doctors and they did not do me any good.

Then, I used one box of 'Sootha-Salva' and two boxes of 'Fruit-a-tives' and my hands are now clear. The pain is gone and there has been no return. I think it a marvelous cure because no other medicine did me any good and I tried all the remedies I ever heard of, without benefit until I used 'Sootha-Salva' and 'Fruit-a-tives'.

'Fruit-a-tives' cooled the blood and removed the cause of the disease, and 'Sootha-Salva' completed the cure."

Dame PETER LAMARRE (84s). 50c a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

To Electors of the County of Carleton;

Ladies, Gentlemen and Comrades: Having been chosen by the Returned Men of this county as their candidate for the House of Assembly, and having accepted, I appeal to you for your support.

I will be strictly independent, and will give an independent support to any and all legislation that will benefit my county and its people. I will be always ready to help remedy any wrong that can be made right by legislation for any man, woman or child who comes to me.

I stand for no Party, Creed or Class, and, friends and comrades, we need straight, strong men who are not bound by party, but who stand for the people and keep independent. Comrades, I will endeavor to represent you as long as I am in a position to do so in the House. I am not running against any party, but I will run with the others who are nominated for this election. I am coming, confidently looking to my Comrades and my friends for support.

There is legislation of importance that was expected by the Returned Men, but as the House was dissolved before it was completed, a Returned Man elected should have a Returned Man elected to look after our interests. Will it not appeal to the "fair play" spirit of our people to see one of our Returned Men standing alone, independent and showing faith in the people of his County?

I have had the honor of serving my Country overseas as a member of the 28th Battalion, and since I came back to N. B. I have done all I could to help the Widows and Orphans of our deceased Comrades, and I ask your support so I may be able to help more fully. It is not vain ambition that has influenced me, but a deep feeling that we should be represented in the next House of Assembly; and to be able to be of more aid to my Country.

Comrades, rally to my help. Friends of the returned men, come forward and help. If you ladies feel that we deserve a representative in the House, we have faith that your votes will make victory sure. Remember, I am not seeking personal honor, but I stand on principle and I am representing the boys who were permitted to come home; also the boys who gave their lives for us. If I win I thank you in advance; if I do not get sufficient votes to elect me, I will be proud to know I did my duty and gave my Comrades and our Friends an opportunity to express their approval. I leave the matter with you, the Electors of Carleton.

Remember the dark days of the war! Remember your boys! We won. Now will you respond?

You have three men you may vote for: will the Soldier-candidate get one of your votes on Election Day? I am not asking you; I am for you and my country. Give me your vote and the people of the Province will applaud you.

I will not be able to see you all

LAKEVILLE LEAFLETS

James Power, an old and highly respected citizen, passed away at an early hour on Sunday morning.

Mrs. Watson, who lives with her daughter, Mrs. Samuel Buxton, is quite ill. Dr. Wright is attending.

A good many of the farmers in this vicinity have suffered more or less from the recent rain; a large amount of the grain being a total loss.

J. P. Williams who has been sick all summer is no better.

Harry Jones is a good sportsman. He came in with seven ducks Saturday evening.

A great many from this village attended the exhibition at Woodstock last week and report a good show while some lament the fact that such a lovely park should be thrown open to all kinds of gambling from selling pools to the wheel of fortune, as it proves to so many. A gentleman from Woodstock was heard to remark that he never knew before that the government of Canada allowed gambling to the extent he saw it in Woodstock.

W. W. Wilson's store in this village was broken into Tuesday night and \$50 or \$60 worth of goods taken. The thief removed a pane of glass in a rear window through which he effected an entrance. Luckily no money was there as that seemed to be what he was after as the safe and register were ransacked.

Very little interest so far in the coming election. A good many are waiting to see what stand the candidates are to take on the temperance question and no man need to look for the support of the female voters who is not in favor of finishing the job we began on July 16. To use the words of Donald Frazier—"We need a more stringent, a much more comprehensive Act."

The Women's Missionary Auxiliary of the Methodist church met recently. A public meeting was held in the evening.

Very little talk of loading potatoes. Few people will sell at the prevailing price. Parties who are digging are getting a good yield.

Kelly-McKay

The home of Andrew McKay, Flor-enceville, was the scene of a pretty event on Wednesday, September 3, at 2 o'clock, when his daughter Ella May was united in marriage to Co-burn Kelly of Kingsclear. The ceremony was performed by Rev. P. Arnold Wightman in the presence of the immediate relatives and friends of the bride. The wedding march was rendered by Mrs. Barry McKay. Miss Pearl Anderson of Centreville, little sister of the bride, who acted as flower girl, was dressed in rose silk and carried a basket of sweet-peas and maiden hair fern. The bride was prettily gowned in navy georgette and taffeta, and carried a basket of roses and maiden hair fern. The bride's travelling suit was of navy blue serge with hat to match. Immediately after the ceremony the company sat down to a dainty luncheon, after which the newly wedded pair were accompanied to the railway station, amid showers of rice. After a tour to St. John and

before Election Day, but many of you know me already and a vote for me will be a vote showing appreciation of what the Boys did for us Overseas.

Yours faithfully,

THIS WOMAN'S RECOVERY

Shows Remarkable Curative Power of Lydia E. Pinkham's Vegetable Compound.

Chester, Ont.—"Before using Lydia E. Pinkham's Vegetable Compound I was a total wreck. I had terrible pains in my sides and was not regular. Finally I got so weak I could not go up stairs without stopping to rest half way up the steps. I tried two doctors but they did me no good. I saw your medicine advertised in the newspapers and thought I would give it a trial. I took four bottles of the Vegetable Compound and was restored to health. I am married, am the mother of two children, and do all my housework, milk eight cows, and do a hired man's work and enjoy the best of health. I also found Vegetable Compound a great help for my weak back before my babies were born. I recommend it to all my friends who are in need of medicine, and you may print this letter if you wish."

Mrs. HENRY JANKS, R. E. No. 1, Chester, Ontario.

It hardly seems possible that there is a woman in this country who will continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continuously being published, proving beyond contradiction that this grand old medicine has relieved more suffering among women than any other medicine in the world.

other provincial cities they will reside in Kingsclear. Mr. Kelly is a prosperous young farmer.

Kilpatrick-Fulton

A very pretty house wedding was performed at the home of the bride at Bath, on Sept. 15, at one o'clock by the Rev. F. Arnold Wightman, when Miss Hazel Adelaide, daughter of John D. Fulton and Mrs. Fulton was united in marriage to Hazen Kilpatrick of Upper Wicklow. The bride was attired in full bridal costume and was unattended being escorted to her place beneath an arch of flowers while the wedding march was very sweetly played by Miss Idella McIsaac of East Florenceville. Rev. C. O. Howlett assisted in the ceremony. After a dainty luncheon the young couple took the train for a brief honeymoon accompanied by the best wishes of their many friends. The bride has been the efficient organist of the Methodist church for some years and will be greatly missed.

PRICE vs. VALUE IN SHOES

In buying shoes (and everything else as well), it's value you want. Importer shoes cost more because of the freight, duty and exchange. These things don't add to the value of a shoe. They only increase its cost.

This store has one mission in life. That is to give you the best values. Made-in-Canada Shoes are today better value, grade for grade, than shoes imported from any country. They reflect the very latest and best styles and shapes. The material is honest. Workmanship is high grade. And so, because the prosperity of this store depends upon service to our customers, we sell and recommend Made-in-Canada Footwear, knowing that we can thereby give you the best value and satisfaction.

When, four years ago, KING COLE ORANGE PEKOE TEA first appeared, something more than a new tea had been produced—a new character in tea had been created. Only after most searching experiments in flavor-blending were we at last able to develop that peculiarly mellow richness of flavor so delightful to the taste, which has won for KING COLE ORANGE PEKOE the high place it holds. The total annual sale of KING COLE ORANGE PEKOE has doubled twice in the last two years.

We are confident that you will say that it is different to any tea you ever tasted.

HARTLAND, N. B., SEPT. 23, 1920.

THE ELECTION

A general provincial election will be held on Oct. 9, and it looks as if the Government, Opposition and Farmers would each have full tickets, while S. G. Barter is offering to run as a representative of the Veterans.

If for no other reason, the Foster government should be sustained in order that they may carry on the work of hydro-electric development—by far the most important public work the province has ever engaged in. There are no charges of maladministration against the government and many other reasons why they should be returned. On the other hand it is unthinkable that the discredited Opposition can hope for re-election.

The farmers will be an important factor in the election, and should have strong representation in the House, but just why they, as a class, should desire to rule absolutely—any more than the lumbermen, the fishermen, or any other class or section—is not clear.

MRS. FRED SMITH SUFFERED 10 YEARS

Says The Good Tanlac Did Her
So Wonderful As To Be Al-
most Unbelievable

When the Tanlac representa-
tive called on Mrs. Fred Smith of
Power's Court, Glen Falls, St. John,
N. B., he got a most hearty recep-
tion from both her husband and
herself. "We are so glad to see
you," said Mrs. Smith, who is a
bright little Yorkshire woman,
"anyone on Tanlac business is wel-
come here, for if it hadn't been
for that marvelous medicine I
shouldn't be up about the house
to-day." Then was related a story
that did the representative's heart
good to listen to.

"You see I have suffered from
dyspepsia and a disordered stom-
ach for quite ten years. No one
knows what I have gone through
during all that time. I could never
enjoy a meal and even fish used
to upset me. I had fits of dizziness
and often I would jump up from
the table with a feeling that I was
going to faint. Sometimes my
heart would palpitate so terribly
I feared I had heart trouble, but
I know now that it was only caused
by the pressure of the gas which
used to form on my stomach. I
got so weak at last that I could
scarcely get around, and it was
quite a task to climb a flight of
stairs. For the last two years my
condition has become almost chro-
nic, for in addition to my other
troubles I have suffered terribly
from rheumatism. The muscles
at the back of my knees would
knot up into great lumps causing
me intense agony, and the joints
of my fingers used to swell up so
that I could scarcely use my hands.
For two months last winter I was
in bed and my daughter had to
stay at home and nurse me. I was
a pitiable sight I can tell you.

"It seems almost unbelievable
but it was Tanlac which rescued
me from this deplorable condition.
My husband had read in the pa-
pers the statements of other people
who had greatly benefited by its
use, and it was he who bought me
the first bottle. That first bottle
did me so much good that I con-
tinued the treatment and it wasn't
long before my rheumatism left
me entirely and it has never re-
turned. I got such an appetite
and to my surprise found that my
food agreed with me and was do-
ing me good. I quickly got
stronger and to-day I am so well
that I can do my own housework
and think nothing of a two-mile
walk. Everybody who suffers as
I did ought to know about Tanlac
as it is for that reason that I give
you this statement."

Tanlac is sold in Hartland by
Estey & Curtis Co., Ltd., in Grand
Falls by Wiley Drug Co., in Bloom-
field by E. L. Field and by the
leading druggists in every town.

Doesn't hurt a bit and Freezone
costs only a few cents.

With your fingers! You can lift off
any hard corn, soft corn, or corn between

A tiny bottle of "Freezone" costs little
as any drug store; apply a few drops
upon the corn or callus. Instantly it
begins hurting, then shortly you lift that
bothersome corn or callus right off, red
and all, without one bit of pain or com-
mon. Right! No kidding!

A very pretty wedding took place at Jacksonville, on Sept. 15, when their daughter, Annie Belle was united in marriage to James A. McDonald of Glasgowville. The ceremony was performed by Rev. H. V. Bragdon. The bride who was given away by her father was becomingly attired in a dress of georgette crepe with silk trimmings. Her going away dress was of navy blue with hat to match. Bridal Chorus was played by Miss Edith Sibley who was handsomely attired in a dress of blue mauve silk. After a short wedding tour Mr. and Mrs. McDonald will reside in Hartland.
