SRITISH AND FOREIGN LIFE AND PIRE ASSURANCE COMPANY, BARTHOLOMEW LAME, LORDOW,

TURKISH BLACK SALVE.

INDER THE PATRONAGE OF THE HONORABLE
THE EAST INDIA COMPANY. THIS SALVE, prepared from the original Receipt procured from a celebrated Turkish Hakim, (physician) of Smyrna, in Asia Minor, and which has obtained an unprecedented celebrity in Great Britain and the East Indies, from the astonishing Cures performed by it in both these countries, has lately been introduced info Montreal. As might be expected, its popularity has followed it, and its use is becoming general among soli classes. The Proprietors, prompled by the very flattering reception it has met with in the Metropolis, have determined on extending its usefulness to all other parts of Canada; and, for that purpose, have established Agencies in all the principal Cities. They flatter themselves that when its wonderful properties shall become more generally known, they will meet with that encourage ment which the introduction of such a valuable medicament into a country justly entitles them .-sarily precludes their entering into any adequate detail of its merits, but, for the information of the public, they intend to publish, from time to time, such statements of cures as have or may occur, and for the present will content themselves with merely enumerating some of the complaints for which it has been used with the most complete nuccess—Such as Swollen Glands, Broken Breasts. White Swellings, Whitlows, Scalds from Steam-

boat explosions, or other causes, Burns, Fever Sores, Scrofulous Sores, Sore Nipples, Carbuncles, Scald Head, Gun-shot Wounds, Bruises, Boils, Frostbites, Wens, Chilblains, Ulcerated and Common Sore, Throats, and Bonions. If used in time, it will prevent or cure Cancers, also, Swellings arising from a blow on the Breast, Ring Worm, Pains in the Back, Rheumatism, Gout, Pains, is the Chest, Palpitation of the Heart, Complaints in the Liver, Spine, Heart and Hip, Rushing of Blood to the Head, Swelled Face and Toothache. In fact, it is impossible to enumerate half the com-plaints that have been cured by the application of this Salve. It is very portable-will keep in any climate, and requires little or no care in its applition, as it may be spread with a knife on any substance, such as chamois leather, linen, or

brown paper. l'Armes; SAVAGE & Co., Notre Dame Street; UROUHART & Co., Great St. James Street ; W. LYMAN & Co, St. Paul Street, and in all the principal Cities in Canada.
