

ALASKA FREEZER

With the Aerating Dasher

THE most wonderful of all freezers. Its astonishing aerating spoons whip air into every particle of the cream, making ice cream that is a revelation in texture and delicacy. It breaks all records in speed—makes perfect ice cream in 3 minutes. Requires much less labor and uses less ice and salt than any other freezer.

Wanted—Good driving horse, not less than 1,000 lbs; also for sale or exchange two mares, 800 and 900 lbs. Apply to W. G. Jones, Canning 3sw

Wanted—Two Girls for Station Restaurant. Apply J. Roon, Kentville.

Mrs. F. H. Sexton of Halifax was in Kentville last week and addressed the Red Cross workers.

Miss Grace Woodward formerly of the Kentville Academy staff has been visiting here for a few days.

Just to hand: Two cars of Portland Cement also one car of Lime in barrels and casks. At the Sunny South Daylight Store. W. W. Rockwell.

The Lady's Black Suit Coat recently lost, and advertised for in our paper, has been found and may be had by applying to this office.

William Fox presents The Star, Theda Bara and Jean Sothern in "The Orphans." Seven Reels, Friday and Saturday at Arena Movies.

Two complete shows are run each evening at the Nicklet Theatre at 7.30 and 9 o'clock. If you can't get to the first one take in the second.

F. B. Newcombe & Co. announce on account of the Excursion from other Counties to the Experimental Farm, advertised for Wednesday, this week, that their store will be open for the accommodation of the public and visitors for the afternoon of that day. Also that their store will be open on Friday evening following.

Mr. Osborne, one of the representatives of the Canadian Law and Adjustment Company, a Collecting Company of Halifax, N. S., called on us one day last week and showed us some very good references thruout the Province, of satisfied clients and anyone having any overdue accounts will do well to hand them in for collection. They guarantee collections. Give them a trial. The Offices are in The St. Paul Building, Halifax, N. S.

The Inspectors and Provincial Constables at Kentville had a pretty bad spill last week. They took out the six hundred flasks of lieur seized at Canning and demolished them, taking care to keep the public from witnessing the last pangs of the ardent and the fragrant aroma from their nostrils. A discovery of over 300 gallons of cider in one cellar was made and the owner without any process of law assisted in its complete destruction. Another seizure of old cider was made at Cornwallis and the owner paid a fine and gladly handed over the stuff for destruction.

KENTVILLE NEWS

Mrs. Percy N. Parker was at home to a large number of guests on Tuesday afternoon last.

Now in Stock—One car load of Terra Cotta Pipe, sizes 4in to 24 in. at The Hardware Man's W. W. Rockwell's.

Rev. T. C. Mellor while at Bear River was the guest at the home of Mrs. Dittmars, Deep Brook.

Miss Marjorie Harrington has returned from visiting her cousin, Miss Dorothy Lovitt at Bear River.

The Halifax Presbytery meets in St. Paul's Church here Wednesday. The public are invited to the evening service.

Eggs are Eggs! and to Beat them get a Ladd Beater. Beats Cream too. At The Hardware Man's—Rockwell's.

Mrs. Harry A. Williams will be at home to her friends at her residence, on the Flat, Wednesday and Thursday afternoon, July the 5th and 6th from 3 to 5 o'clock.

Big Reductions in Hats on Wednesday of this week and following days. We will offer big reductions in Hats and all lines of millinery.

SLOAN & KEARNEY.

Mr. W. E. Roscoe, K. C., attended the session of the Supreme Court at Digby and was solicitor for the plaintiff in Daniels vs. the Acadia Insurance Company.

Dr. C. T. Campbell will not be at his office, Canning, on Friday and Saturday of this week, June 30th, but will attend there on Friday and Saturday, July 7th and 8th.

Father—Yes Ma, we will have to let the Boys do the hoeing this year, drop in at Rockwell's, you know the place, that Daylight Store, Sunny South. Thank goodness the store is always open and has the Hoes 'n' Mother.

Mr. Bernard A. Giffen of the Post Office staff, Halifax, was in town last week visiting his brother, M. E. Giffen. He had been attending the Central Baptist Association at Tremont and stopped off at Kentville on his return.

The shipment of goods for Labrador will be packed at the residence of Mrs. R. B. Walsh, Wednesday, July 5th. Those having parcels will kindly send them in at once. A generous response is asked for as the need is great.

The D. A. R. time table changes on July 1st when the Bluenose will resume leaving Halifax at 9 a. m. and connecting at Digby with the steamer for St. John. The steamer service between Boston and Yarmouth will be increased to four boats a week on June 25th and the daily service on July 1st.

Informal Dance will be held in Pastime Hall, Thursday evening, June 29th 97th Orchestra in attendance Refreshments Special Train to Aldershot after dance. Proceeds in aid Convalescent Home and Tennis Club Gentlemen \$1.00, Ladies, 50c. Tickets on sale at Clark's Drug Store.

The Falmouth correspondent to Hants Journal says: "The many friends here of Margaret, daughter of Mr. and Mrs. R. Dow, of Kentville, much regret to hear of her illness which necessitated the discontinuance of her duties as teacher in the Kentville school and compels her to spend much time in bed. The serious nature of her illness, nervous prostration, from which she has been a sufferer for a number of years, combined with a weak heart, makes her return to her dearly loved work, improbable for some time."

Girl Wanted for general housework. Apply to Box 434, O 4 June 13

Charlie Chaplin Comedy at The Nicklet Theatre tonight

VOTES OF THE CANDIDATES

The total votes polled by the candidates in each County from which full reports have been received, are as follows:

Table listing candidates and their vote counts across various counties including Victoria, Kings, Pictou, Queens, Guysboro, Colechester, Digby, Hants, Lunenburg, Halifax, Annapolis, Shelburne, and Yarmouth.

LEMBURG IS THREATENED.

Russians Still Capturing Enemy

Milan, June 22—Information from Vienna and Budapest reports panic reigning in Lemberg and the exodus of population from Bukowina and Galicia is extending the feeling of panic to the Austrian-Hungarian capital.

Petrograd, June 22—The last two days have brought no essential change in the situation on General Brussiloff's front.

The defence of the Kovel-Lutsk region has been taken over entirely by German reinforcements, newly arrived from the French front.

London, June 22—The official announcement by the Russian war office of the capture of Redautz, town of 13,000 inhabitants situated 30 miles from the Rumanian frontier.

According to a special despatch from Petrograd, nothing but a miracle can avoid the destruction of General Pflanzer's army, as General Letchitzky now holds a stretch of twenty miles on the Sereth River.

According to a report from Rome, an Austrian army under General Batlin is shut up in the angle of the frontier near the town of Sereth, completely surrounded by Russians.

New Unit in St. John to be Only of Machine Guns.

St. John, N. B., June 21—A machine gun brigade, a unit new to Canada, will it is reported, be organized in St. John at an early date by J. Kimball Scammell, formerly engineer of Dominion Public Works, who will take the command with the rank of Major.

The unit will be composed of four sections, with nine machine guns to each section, and to each section there will be one lieutenant, two sergeants, one corporal six drivers, one batman, and twenty-four privates.

Quick Climbing, by New American Steel Biplanes

Squamtown Aviation Grounds, Mass., June 21—Oscar Brindley, former chief of the Army Aviation School at San Diego, Cal., and who is testing out the new steel biplanes, for use on the Mexican border, jumping towards the clouds at the rate of 500 feet a minute in his trials yesterday.

LIEUT. COL. MERSEREAU TO VALCARTIER

Lieut.-Colonel C. J. Mersereau, son of Lieut.-Colonel Mersereau, O.C. of the 132nd Battalion, it is reported, has been appointed general staff officer at Valcartier Camp and left Sackville on Tuesday to take up his new duties.

Lt.-Col. Mersereau was formerly a brigade major under General Currie on the western front, the latter now being in command of a division, and in 1914 Colonel Mersereau was a brigade major at Valcartier Camp.

Remember Seapower

Westminster Gazette—We can maintain our blockade, strangle German over-sea commerce, and keep our grip of over-sea possessions at far less cost and loss than Germany can retain Belgium or the French territory she now occupies.

A Little Scrap in the Black Sea

London, June 20—Four units of the Turkish fleet attacked a Russian warship in the Black Sea, off Sulina, Rumania, while the Russian ship was conveying lighters to Odessa, says the Times Bucharest correspondent.

London, June 22—The allied forces invading German East Africa are continuing to advance successfully. It was announced officially that a column moving from British East Africa into north eastern section of the German colony have occupied Handeni.

An exchange says:—Should the 273rd Battalion, known as the American Legion, to be raised in Canada, be mobilized at Digby, and there is now every indication that it will be the battalion that will be quartered on Green Point, at the north end of the town.

Great Benefit for Entente Allies Sufferers.

New York, June 21—The great bazaar for the benefit of the war sufferers of the entente allies, which has been in progress here for eighteen days, closed last night with profits unofficially estimated at \$1,500,000 and an attendance record of nearly 750,000.

THE GRAY-DORT

The Car that has captured Canada

THE GRAY-DORT—The wonderful car that was chosen from the entire American Market as the car best suited to the needs of the Canadian business man and farmer.

The Gray-Dort has Arrived Here—

Price \$850.00 The Car with every Vital Advantage

Light in Weight — A Giant in Power

Nothing could give a more delightful sense of perfect comfort than the roomy, deep-cushioned tonneau. But that's not all. Look at the big, pulsing heart of the car—the wonderful Planché motor.

Come in to our Garage and let us demonstrate this Car to you. The Car you have been waiting for.

Major Axoline

No. 48853.

Major Axoline 2.26%. This celebrated Wilkes Stallion came from the great Axtel family.

Major Axoline, is not only a very handsome young horse, as evidenced by the fact that he has been awarded seven first premiums in classes for Standard bred stallions of his age, but he is also very fast, and comes from productive stock—His dam Sabaline, 2.21% (trial 2.14%) is a daughter of Sable Wilkes 2.18.

This Stallion will travel through Kings County this coming Summer. For further particulars apply to

F. L. Robinson, Lakeville.

All mares at owners' risk, mos.

WAREHOUSE, FACTORY, WHICH SHALL IT BE?

Every Western City and Town interested in this question—Development of Communities

"Country Life in Canada," a farm journal published in Winnipeg, had an interesting article in a recent issue under the above heading. We quote the first three paragraphs which serve to put before the citizens of Western Canada, particularly those residing in our larger cities and towns, the clear cut distinction between the building up of a manufacturing centre and a purely distributing centre.

There is a certain comparison which can be made between a city or a town and a commercial enterprise. A city must be one of two things, in the wider aspect. It is either a manufacturing centre or a glorified distributing point. Did you ever compare a factory with a warehouse? In the factory, close-packed machines or crowded benches have their scores or hundreds of workers and operatives. The production in quantities of any class of goods requires a certain proportion of man-power and woman-power, even in the use of automatic and semi-automatic machinery. But let us leave the busy factory and enter a distributing warehouse. Here far fewer workers are in evidence; goods are received in crates and are repacked in smaller crates for transportation, or are stored by the efforts of one or two men with trucks. A skipper and a few helpers compose the staff; it is a case of only handling finished goods instead of manufacturing goods from the raw material.

How to Transform

Cities, therefore, become either manufacturing plants or distributing warehouses, and the city or town which develops its manufacturing resources in the latter direction goes ahead, in wealth, in population and service to the adjacent territory. No city will flourish as a distributing warehouse, that is, a distributing centre, and modern development requires the recognition of the fact that the city which manufactures at the same time reduces the market for the agricultural production of the surrounding territory. Purchasing imported goods received in bulk by direct selling organizations are direct means of transforming manufacturing centres into mere distributing points.

In the boom days in Western Canada the whole thought of Western Canadians was expansion. Little care was taken to inquire whether the expansion was on sound economic lines, or merely a transitory development. If we are to build permanently in the West we must develop well rounded communities in which there are busy factories which can afford congenial employment at fair wages to a substantial element of our population.

Uniform Development

We must not put all our eggs in one basket, as has been too much the tendency in the past. Better a slow but symmetrical development than an abnormal growth along certain lines. Canada's national policy for forty years has been to aim at a uniform development of all the resources of our country; just as it would be a fatal mistake to establish industries unsuited to the country by placing a prohibitive customs tariff against the products they make coming into Canada, so Western Canadians should consider carefully whether they would not be in danger of injuring industries, which are well suited to the country, by exposing them to the untrammelled competition of foreign producers, whose longer experience and larger output give them an undue advantage. What Canadians must aim at is a policy which will properly conserve the producing forces in agriculture as well as in manufacturing. The results of such a policy will be seen in well rounded communities, set down in fertile agricultural areas.

Avoid the Soup Line

Germany can deliver in Chicago, duty paid, for 40 cents an article costing 80 to 90 cents in a Cincinnati factory; a German woman can do for 75 cents the same work for which an American man is paid \$3.50; yet free trade invites them to rush in their cheap foreign labor products and let the American workman take his place in the soup line. Is it fair?

His Last Moments

The dangers of travel by sea at this time have played havoc with the nerves of timid passengers.

Early one morning recently there was considerable commotion on the decks of a coast-wise vessel plying between Savannah and Baltimore, when a scantily clad man hurried toward the upper deck. On the way he ran into the captain of the vessel.

"What's the matter, captain?" he managed to gasp. "Have we been torpedoed?"

"Calm yourself, my dear sir, and be prepared for the worst," answered the official.

"Oh, don't tell me we're going down!" moaned the other. "Quick, where are the life preservers?"

"They wouldn't be of any service at this stage," explained the captain.

"Too late?" quavered the despairing passenger.

"Yes," said the captain, very solemnly. "We've done all we can for you. You'll have to look out for yourself from now on. You see, we've just tied up to the dock."

Baptists Meet at Tremont, N. S.

Tremont, N. S., June 22—The sixty-sixth annual meeting of the United Baptists Central Association opened this morning at Tremont, Kings County. The Association is comprised of the forty-ex churches of Kings, Hants and Halifax Counties.

The weather was all that could be desired and Tremont, one of the pretty villages of the Annapolis Valley, is looking its best. Delegates arrived by train, team and auto, and were cordially received by the hospitable people of Tremont.

A preliminary service of song was rendered by the Greenwood choir, on Tuesday evening, when Rev. N. A. Harkness, B. D., of Wolfville and Rev. J. G. Brown, D. D., of Toronto, gave addresses.

The Associational program opened at 9:30 Wednesday morning, with Mr. J. W. Dimock, vice-moderator, in the chair. Rev. G. P. Raymond, M. A., of Aylesford, conducted the devotional service.

The Nominating Committee reported and the officers were elected for the ensuing year. Rev. A. S. Lewis, B. D., of Windsor, Moderator; Rev. P. C. Reed, B. D., of Hantsport, Secretary.

The pastor of the entertaining church, Rev. G. D. Hudson, B. Th., gave the address of welcome. Following which letters were read conveying greetings and reports from the churches.

The features of the afternoon session were the report of Sunday Schools by E. W. Robinson, Inspector of Schools for Kings Co., and an address by Rev. I. W. Williamson, General Secretary of the Baptist Sunday School Board, on "The New Demands on the Sunday School."

A platform meeting was held on Wednesday evening. Rev. E. S. Mason, Superintendent of the Home Mission Board, made a strong plea for vision and effort in the work. Rev. M. E. Fletcher, Finance Minister, gave a very unique address, calling up a Rajah in India by telephone and giving him some facts for the Association.

Lunenburg, Jne 22—Schooner Lucille M. Schnare, commanded by Captain Artemas Schnare, launched at Mahone Bay this spring, and proceeded to the Banks in April, returning with a fine fare of fish. Five days ago she left here, after discharging the catch and outfitting for the summer. When about ten miles from Cape Race she was run down by a British warship and cut in two. The vessel went right down, and one of the crew, John Beck from Centre Range, was drowned. The remainder of the crew were taken off and landed at Sydney. Beck leaves a widow and a number of children.

EXCELLENT SHOWING OF THE NOVA SCOTIA SANITORIUM

Over 90 Per Cent of Those in the Early Stage of Tuberculosis Are Restored to Health at the Institution in Kentville

In his annual report of the Provincial Sanatorium, Kentville, Dr. A. E. Miller, the medical superintendent, says:

During the year ending September 30, 153 patients applied for admittance. Of this number 121 were accepted and 23 rejected; of the accepted cases at discharge, 4 had their disease arrested; 31 were apparently arrested; 42 quiescent; 9 improved; 1 progressive. This compares most favorably with the results of our work of other years.

During the past year practically all our discharged patients have been kept track of, only three being unaccounted for. This statistical study is the surest record of the after results in sanatorium treatment. Without it, this province would be at a loss to know just what benefit patients receive from institutional care and to what extent lives are prolonged after they leave here. This important research has been followed and shows that at the end of four years, the following results:

P. C.
 Patients living and working 69.7
 Patients living but not working 12.1
 Patients passed away 17
 Patients untraced 8

Our statistics show that patients, whom remained at the sanatorium for less than three months have their disease no more than quiescent or improved at discharge, while nearly 50 per cent of those, who remained three months and more have their disease arrested or apparently arrested on leaving. It is thus seen that the results of treatment depend not only upon the stage of the disease, but also upon the length of time devoted to the cure.

Most patients have gained weight during their stay at the sanatorium, some few have lost weight. Frequently this is desirable in order to bring patients to their standard weight. The old idea that patients must eat excessively at meals and in addition take large quantities of milk and eggs, is fast disappearing. Most institutions today find that those patients who make steady gains on normal amounts of food, do much better than those who make large gains by overfeeding. The diet at the Provincial Sanatorium is carefully regulated, and no expense is spared in giving patients nutritious and wholesome food. The table service is exceptionally attractive and friends of patients can arrange to have their meals at the guest table when visiting the sanatorium.

The symptoms most frequently complained of by patients before coming to the sanatorium are loss of weight, loss of strength, cough, expectoration, loss of appetite, fever, night sweats, pleurisy, hemoptysis, hoarseness. These occur again and again in the history of patients, and where any of them persist for a month or more, the presence of tuberculosis should be suspected and a careful lung examination secured.

For tuberculosis can be cured in its earliest stages. At the Provincial Sanatorium over 90 per cent of those in tuberculosis are restored to the incipient or first stage of health.

On the other hand only a small percentage of those in the advanced stage have their disease arrested and there is among many a tendency to relapse.

It sometimes happens that patients who are progressing favorably are unable, through lack of means, to stay the full term of 6 months. A fund set aside for the deserving cases would meet the need, and would help to increase the chances of continued good health of these men and women after they have

left the institution. The superintendent will gladly receive and acknowledge all contributions.

As patients' board is but \$6 per week, even small contributions will help. Any or all of the following list will be gladly received: Victrola records, subscriptions to current magazines, books of all kinds, games of all sorts, old fur coats and heavy rugs for the needy patients.

Revolt in Arabia is a Smashing Blow at Turkey

London, June 22—Reports have been received here that a serious uprising against the Turks is in progress in Arabia, and that the rebels have captured the Holy City of Mecca.

The London newspapers declare that the rebellion is certain to have an important bearing on the war, especially as regards the participation of Turkey.

The Post says:—"The uprising is due to recent wholesale executions of Mohammedan and Syrian notable and well known religious leaders, and also to the spread in Arabia of a feeling that the Turks have abdicated their position as the protector of the Mohammedans, and have become the vassals of Germany."

The Graphic says:—"The revolt is a smashing blow at Turkey and the capture of Mecca is an event which will shake Turkish prestige to its foundations."

A Reuter despatch from Rome says the rebels in addition to taking Mecca have captured Jiddah, the chief seaport of Arabia, and Taif, 65 miles south-east of Mecca, and have proclaimed independence of the Arabs from Ottoman rule. According to this despatch, the Grand Sheif of Mecca, the Chief Magistrate of the Holy City, proclaimed his independence, and was supported by the Arab tribes of the west and central parts of the country.

He began operations about June 9 and won signal success. It is said the garrisons of Mecca, Jiddah and Taif surrendered with the exception of the two small forts at Taif, which are still resisting. At Jiddah 45 officers, 1400 and six guns were captured. Medina, 266 miles northwest of Mecca, which contains the tomb of Mohammed is closely besieged and all communications to Hejaz are in hands of the Grand Sheif.

Sulphur Bleach for Fruit Stains

Stained table linen is always sure to follow the return of the fresh fruit season.

For removing such stains there is nothing more effective than the "sulphur bleach."

Lay a tablespoon of sulphur on a plate and sprinkle with a few drops of alcohol. Over this place a tin funnel with the point upward; touch a lighted match to the alcohol, we the stained linen with cold water and hold the spot over the opening in the point of the funnel; the sulphur fumes will remove the most obstinate stain, seldom requiring more than one application.

Rinse and wash the linen at once.

The hostess was playing a difficult selection from Wagner. In the midst of it she suddenly stopped in confusion.

"What's the matter?" asked one of the visitors.

"I struck a false note," faltered the performer.

"Well, what of it?" cried another guest. "Go ahead. Nobody but Wagner would ever know it, and he's dead."

The First Reading

Collector—Did you look at that little bill I left yesterday, sir?"

House member (from Dorchester)—Yes; it has passed the first reading.

Minard's Liniment used by Physicians

THE ADVERTISER

KENTVILLE, JUNE 27th, 1916

H. G. HARRIS
Editor and Publisher

OUR INCREASING HONOR ROLL

Last week word was received at Scott's Bay that Carey Tupper, son of Mr. and Mrs. Herbert Tupper of that place had been killed in action somewhere in France or Flanders on June 4th. The news came as a great and sudden blow to his wife who had just received a letter from him. Mr. Tupper went with the Canadian Mounted Rifles and has done his duty unflinchingly for the safety of our country. He leaves a wife formerly Miss Welwood of Hants Co. and three children. His father and mother were absent visiting in Bear River when the news of his death arrived.

Harry B. Dickie

From Ottawa came the very sad intelligence on Friday last to Mr. and Mrs. Herbert S. Dickie, Canard, that their eldest son Harry had been killed in action on June 15th.

Harry B. Dickie joined the 25th Battalion and spent one winter drilling at Halifax. He went to Shorncliffe and later to Flanders, where after a while in the trenches he joined the stretcher bearers and did excellent work running many risks in gathering in the wounded from the firing zone. Lately he again went into the trenches and wrote that he was in the first line trench not far from the German line.

He was a young man of sterling character quiet and unassuming and a general favorite. He enlisted not for the love of war but from a stern sense of duty which he felt he owed to his country. He was willing to go if necessary to fight for others who had more home ties to keep them here. He left a good position as a machinist to enlist. For two years or more he worked with the Lloyd Mfg. Company and identified himself with every good cause and was President of the Young Men's Baptist Bible Class. He leaves two sorrowing parents, one sister, Miss Dorothy Dickie of Kentville, and two brothers, Earl and William. The family will have most sincere sympathy in the loss of such a promising son and brother.

Roy B. Rafuse

Roy B. Rafuse, son of Mr. and Mrs. Fred Rafuse, Kentville, was killed in action on June 7th or 8th. Such was the word his parents received from Ottawa. His body was not found for some time hence the delay in getting notice. He was 21 years of age and a boy of good qualities. He had many narrow escapes before receiving his death wound. His parents are deeply sorrowful at their loss. There are two brothers and three sisters surviving.

Bedford Donald Chase

Mr. and Mrs. Bedford Chase Port Williams, who recently had word that their son George, was wounded received a severe shock on Thursday, the 15th inst. when they received word from Ottawa that their youngest son was killed.

Bedford Donald Chase was a young man of exceptional ability. He studied at Wolfville and Acadia College and had completed his second year in engineering. He answered to the call for recruits and joined the 4th Universities Company at Montreal leaving about Christmas and joined the Princess Pats. He saw considerable hard fighting before receiving his death wound.

William Arthur Elderkin

William Arthur Elderkin, son of Mr. and Mrs. J. Alfred El-

DECLARATION DAY

Saturday was Declaration Day at Kentville and at eleven o'clock Sheriff Porter opened the ballot boxes and announced the votes as follows:

Wickwire's majority over Kinsman 78.
Kinsman's majority over Campbell 103.

derkin was killed in action in the drive on Ypres near the middle of June. He completed a business course at Horton Academy and entered upon his duties in the Canadian Bank of Commerce serving at Halifax, Parrsboro, St. John and Windsor. Later went to Cudworth, Sask., where he enlisted in the 3rd Universities Company, leaving Canada last fall. He was in the trenches about three months with the Princess Patricia's Regiment when death called him from his stern duties as a protector of his country. He was 26 years of age and leaves a large number of friends and relatives who will mourn his sad but heroic death.

Killed in Action or Died From Wounds

John Brown, Greenwich; Harold Best, Coldbrook; Harry B. Dickie, Canard; Carey Tupper, Scotts Bay; Cyril March, Berwick.

Wounded

Beardsley, Berwick.

LOCAL MILITARY NOTES

Major M. C. Denton of Digby and Lieut. Glidden Campbell, Weymouth, of the 219th were visiting at their homes last week.

Major Earl Phinney and wife of the 219th were guests last week of Mr. and Mrs. Weston Phinney, Bear River.

Lance Corporal William Mark Paul of Falmouth is reported among the wounded.

Gordon Willson is receiving the congratulations of his friends on having successfully passed the naval entrance examination. He sails on Saturday for England to enjoy a holiday with his father, Major Beckles Willson at present associated with Sir Max Aiken, Canadian official Eye Witness of the war record office.—Tribune.

R. B. Best, Coldbrook Sta., received the sad news Thursday that his son, Private Harold J. Best, had been instantly "killed in action" on June 2nd. Harold was twenty-one years of age and enlisted in the 6th C. M. R. in March, 1915, and had been in the trenches since November 1st not receiving a wound until that causing his death.

Ladies Come in and See the Lighter Day High Oven Range at Rockwell's, Sunny South.

This Weeks Big Bill at the Nicklet Theatre

STROSS & BAKER

The celebrated musical artists. Mr. Stross toured the worlds with the Kilties Canadian Band as the world's greatest cornet soloist and has received many gold medals. Commented on twice by His late Majesty, King Edward. This exceptionally talented team of musical artists demonstrate their ability on numerous instruments, giving nightly changes of program during their limited engagement.

MADGE LOCKE

Miss Madge Locke comes direct from Boston where she has been playing the large theatres. She is a good singer, a very pleasing comedienne and an exceptionally fine specialty dancer.

THE HIGHLAND QUARTET

A male quartet from the Highland Brigade now in camp. Their harmony is great and their selections up to the minute.

Tonight's moving picture offering will be the ever popular screen favorite, Charlie Chaplin, in the side-splitting comedy "The Bank."

Two shows are run each evening, one beginning at 7.30 and the other at 9 o'clock. Nothing is cut from the second show—the vaudeville will appear in addition to all the pictures.

Grand Farmers' Excursion Experimental Station at Kentville, Wednesday, June 28th Special Train from Digby and way-stations arrive Kentville 11.15 a.m., returning leave Kentville in the evening at 6.45 p.m. Single fare from all C. V. Branch stations, going and returning on regular trains, or returning by special train leaving Kentville at 5.10 p.m. Military bands and opportunity to visit Aldershot; speeches by leading Dominion Agriculturists at 1.00 p.m. Tea and coffee free to those who bring lunches—light refreshments on grounds.

By using a Leggetts' Paris Green Duster you will save time and money. Sold only at the Sunny South Daylight Store. W. W. Rockwell.

Miss Minnie York of Hortonville has been at Parrsboro spending a few days.

WOLFVILLE NEWS.

Miss Eliza Forsythe, who had been visiting here, has returned to Digby.

Mrs. W. E. Bligh, who has been at Ottawa with her daughter, Mrs. W. McKay, has returned to Wolfville.

Mrs. Harold Bowlby have been at Paradise visiting Mr. and Mrs. B. F. Bowlby.

The merchants of Wolfville will close their places of business on Saturday, July 1st, Dominion Day.

Mr. and Mrs. Clarence Brown and son spent a few days at Hampton with Mr. and Mrs. Lenley Banks.

Mr. Hugh Fowler of Wolfville, on his return from a trip to Boston, stopped off for over Sunday in Bridgetown, and was a guest at the home of his mother, Mrs. Weston Fowler. —Bridgetown Monitor.

The marriage of Muriel Carrie, daughter of Mrs. Kenneth Bishop of Lawrencetown, formerly of Wolfville took place on June 15th. Corporal Robert B. Blanveldt of the 219th, Aldershot was the happy groom.

The ceremony was performed by Rev. H. G. Mellick and Mrs. Harold Bowlby of Wolfville played the wedding march. The out of town guests present were Mr. and Mrs. Jas. Crandall of Malden, Mass.; Mr. and Mrs. Ralph Bauveldt, Tusket; Mrs. Samuel Bishop, Mrs. Harold Bowlby, Miss Hilda Fielding, Miss Vesta Pick, of Wolfville, and Mr. Hugh Bauveldt of Windsor.

Mrs. John G. Clark of Berwick who has been at Digby with her mother who was crippled by an accident returned home for a visit and returned to Digby.

The old railway bridge across the Avon River here has been sold to H. G. Garson, a St. John firm. Mr. George Wilson is superintending its removal. The structure will be lifted and placed on scows and taken to the river bank, where it will be burned by the oxygen acetylene process and cut into lengths suitable for handling at the rolling mills. —Windsor Tribune.

Called the Largest Fish

A whale shark which was caught off the coast of Florida last year is said to be the largest fish ever caught. The monster weighed over 30,000 pounds, was 45 feet long and its mouth was over three feet wide 45 inches deep and contained several thousand teeth. A full-grown man could stand upright in its stomach. The skin was three inches thick and was exhibited at the San Francisco Exposition.—Fishing Gazette.

YOU CAN CURE CATARRH

J. H. Taylor, 54 Bond St., Toronto, Breathed Hyomei and Cured a Long-Standing Case of Chronic Catarrh That Defied All Other Remedies, Also Toronto and New York Specialists

Without taking a drop of medicine into the stomach, J. H. Taylor, 54 Bond Street, Toronto, tells how the distressing troubles of Catarrh were overcome by simply inhaling Hyomei air. It's the history of tens of thousands similar cases on record, proving that Hyomei can be depended upon to cure Catarrh, Bronchitis, Coughs, Colds and Croup. It has no equal for any distress of the breathing organs.

Mr. Taylor says: "Some years ago while on a hunting trip in Northern Canada, I contracted a severe cold that settled in my head and finally affected my throat. It rapidly developed into catarrh and caused a miserable throat weakness. My head became clogged during the night and there was a catarrhal dropping from the nose into the throat. Many days I had been unable to breathe other than through my mouth, and the constant hawking and spitting was almost unbearable. I had been treated by the best throat specialists here and in New York, but nothing benefited my condition. I obtained Hyomei, and soon found relief, the throat dropping ceased and my head began to clear. I continued with Hyomei for six weeks and after that time I was well in every detail. There has been no return of the trouble since, and I feel grateful in speaking well of Hyomei, as it cured me when all else failed."

A complete Hyomei outfit costs \$1.00, and J. D. Clark will refund your money if it fails to cure.

CHURCH UNION

Though the vote is taken in the Presbyterian General Assembly at Winnipeg on the question of forming an organic union of the Presbyterian, Methodist, and Congregational bodies in Canada was favorable thereto, it does not promise an unchallenged consummation of the project. After three days of very strenuous debate, not at times without considerable heat, in which the conflicting views of "unionists" and "anti-unionists" were fully stated, the vote in favor of proceeding to the consummation of union at a certain definite time after the conclusion of the war was carried by a very large majority. Both sides were in earnest, and at no time was the issue at stake regarded as a purely academic question. The matter in various forms had been before the congregation and Church courts for several years. Of late the opposition on the part of the membership of the Church was undoubtedly growing, and the advocates of union appear to have made up their minds that the time and place were admirably suited to commit the Church as far as possible to the step. In the progress of the debate various attempts were made to postpone all action for the present or to leave the consummation of union to some indefinite period after the war, but these efforts to preserve a measure of harmony in the congregations were all voted down.

High Shorthorn Prices

Continually it is proven that today is a red-letter one in the cattle-raising industry, dairy or beef. Last week 70 head of cattle averaging \$400 each were sold at J. A. Watts, Elora, Ont. It was one of the biggest Shorthorn sales held in Canada, record prices being realized. The highest price was realized for Clipper the Fourth, a 2-year-old, which brought \$1,125. Four or five cows brought over \$1000 each.

Minard's Liniment Lumberman's Friends.

'TIS NOT THE WILL THAT'S WANTING

Would God that mine were better luck Than falls the lot of woman, In these great days with the world ablaze And Britain's face to the foe-may;

In these great days when the hour has struck Calling for every ounce of pluck— God help me not to curse my luck That I was born a woman!

O for the stinging lash of the spray, Green waves and will comotion, The lowering fogs where grim sea-dogs Stalk ever the Northern ocean, Watching by night, watching by day, Ribbons of smoke in the offing grey, Holding the Hun and his hordes at bay, Far in the wild North ocean!

O for the airman's sinuous flight, The great wings climbing, curving, To desperate deeds as earth recedes— One's tightened pulses nerveing; Over the hostile camps at night, Where red eyes gleam through the murky light, A blow to strike for freedom's right, The God of freedom serving!

Or out on the tortured fields of France, Where hellish deeds are flaunted, With face to the Rhine on the firing line, To stand with a heart undaunted, 'Mid screaming shell and shrapnel dance, Unmoved by outer circumstance To serve one's turn and take one's chance— 'Tis not the will that's wanted!

—Helen A. Saxon.

Gave Himself Away

When Thomas drove up to deliver the usual quart of white mixture, the gentleman of the house kindly inquired, "Thomas, how many quarts of milk do you deliver daily to your customers?"

"Ninety-one, sir."

"And how many cows have you?"

"Nine, sir."

The gentleman made some remarks about the weather and the state of the roads, and then asked, "Thomas, how much milk per day do your cows average?"

"Seven quarts, sir."

"Ah, um!" said the gentleman as he moved off.

Thomas looked after him, scratched his head, and all at once grew pale as he pulled out a short pencil and began to figure on the wagon cover. Nine cows is nine and I set down seven quarts under the cow and multiply. That is 63 quarts of milk. I told him I sold 91 quarts per day; 63 from 91 leaves 28 and none to carry. Now, where do I get the rest of the milk? I'll be hanged if I haven't given myself away to one of my best customers by leaving a big cavity in these figures to be filled with water."

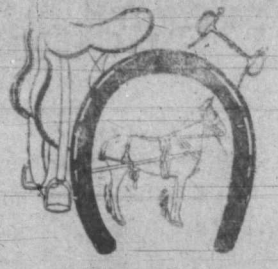

WATERVILLE

Synopsis of Canadian North-West Land Regulations.

THE sole head of a family, or an unmarriageable person, may homestead a quarter section of land in the Dominion of Manitoba, Saskatchewan or Alberta. Applicant must appear in person at the Dominion Lands Agency or sub-Agency for the district. Entry by proxy may be made at any Dominion Lands Agency (but not sub-Agency) on certain conditions.

Duties—Six months residence upon and cultivation of the land in each of three years. A homesteader may live within one mile of his homestead on a farm of at least 80 acres, on certain conditions. A habitable house is required except where residence is performed in the vicinity.

In certain districts a homesteader in good standing may pre-empt a quarter section alongside his homestead. Price \$3.00 per acre.

Duties—Six months residence in each of three years after earning homestead patent; also 50 acres extra cultivation. Pre-emption patent may be obtained as soon as homestead patent, on certain conditions.

Settler who has exhausted his homestead right may take a purchased homestead in certain districts. Price \$3.00 per acre. Duties—Must reside six months out of three years, cultivate 50 acres and erect a house worth \$300.

The act of cultivation is subject to reduction in case of rough, scrubby or stony land. Live stock may be substituted for cultivation under certain conditions.

W. W. COREY, C. M. G., Deputy of the Minister of the Interior

477 St. Catherine Street E. MONTREAL

WEDDING BELLS

Sanford-Power

Another pretty June wedding was that of Miss Vera Muriel, daughter of George G. Power, of Kingston, and Everett Sanford of Weston which took place on Wednesday, June 14th, at the residence of the bride's father. Promptly at high noon, as the strains of Mendelssohn's wedding march were rendered by Miss Marjorie Bartheaux, the contracting parties, with Mrs. Carl Sanford as matron of honor and her husband supporting the groom, took their places under an arch of evergreen and sweet summer flowers, a floral bell of lilies of the valley being a noticeable attraction. The Rev. Mr. Robbins, pastor of the Berwick Baptist Church, of which they are members, performed the solemn and impressive ceremony. The bride wore a pretty gown of ivory satin and lace and veil fastened with orange blossoms. She carried a bouquet of carnations and sweet peas with streamers of valley lilies. The matron of honor was gowned in white silk with bouquet of pink roses. After congratulations and social greetings among the many relatives and friends gathered for the event, a most enjoyable collation was served: a pleasant hour passed all too soon. The bride, in a going-away gown of Belgian blue silk and hat to match, left with her husband, amid showers of rice and confetti, by auto on a trip through the Annapolis Valley.

Many valuable gifts from friends abroad and at home testified in a slight degree to the popularity of the happy young couple. The groom's gift to his bride was an amethyst necklace, to the matron of honor and pianist, each a pretty pearl brooch; to the best man a pair of gold cuff links; upon their return Mr. and Mrs. Sanford will make their home in Weston. Many good wishes follow them wherever their lot may be cast. —Register.

MARRIED

At Burlington, Kings County, N. S., on Wednesday, June 14th, Ella Mina daughter of Mr. and Mrs. William L. Armstrong, to Mr. George E. Webster, of Cambridge, N. S. At Kingston, on Wednesday, June 14th, by the Rev. W. A. Robbins, Mr. Everett Sanford, of Weston, and Miss Vera Muriel Power, Kingston. At Greenwood, at the home of the bride, on Wednesday, June 14th, at 7.30 p. m., Miss Eva Melta Spinney, only daughter of Mr. and Mrs. W. G. Spinney, to Samuel H. Griffin, all of Greenwood. At the home of the bride, Kingston Village, June 14, at 8.30 a. m., by the Rev. George Hudson, Miss Merna Welton, only daughter of Mr. and Mrs. Lemuel Welton, to Howard Bowlby, of Tremont.

Capt. A. J. McDonald, Chaplain of the 185th Overseas Battalion preached at both services at the First Presbyterian Church, Truro, Sunday. His sermons were greatly enjoyed by those of his former congregation who were present.

NOVA SCOTIA CREAMERIES.

The co-operative creameries in Nova Scotia are again showing decided increase in business over former years. It is estimated that the make up to the present time is about 35 p. c. ahead of this time last year.

Pastures generally over the Province are good, with possibly some exceptions in Cape Breton where the season so far has been very dry.

One new creamery has been opened this year at Margaree Forks, C. B. The make there for May was very satisfactory. Another new creamery will open at Lower South River, Antigonish County, shortly.

Creamery picnics are being held over the Province as follows:

July 1st, Cumberland Co-operative Creamery Co., Ltd., at River Hebert.

July 4th, LaHave Creamery Co., Ltd., at Bridgewater.

July 6th, Milburn Creamery Co., Ltd., at Malignant Cove.

July 7th, Scotsburn Creamery Co., Ltd., at Scotsburn.

July 11th, Margaree Creamery Forks.

These picnics will be addressed by Mr. Geo. H. Barr, Chief of the Dairy Division, and Mr. Hervey Mitchell, Maritime Representative of the Dairy Division, Ottawa, and also by Prof. Cumming and other members of the Nova Scotia Department of Agriculture.

A picnic will be held by the Intercolonial Creamery Co. at Lower South River on July 1st, to be addressed by Mr. D. W. Murray, President of the Nova Scotia Dairyman's Association, Prof. Trueman, from Truro.

Appointments Gazetted

To be a Deputy Inspector under the Nova Scotia Temperance Act, 1910, for the Municipality of the County of Kings and for every incorporated Town in the County of Kings: John H. Buchanan of Halifax, in the County of Halifax.

To be a Commissioner under Section 1 of Chapter 35 of the Revised Statutes of Nova Scotia, 1900: William M. Black, of Wolfville, in the County of Kings.—Royal Gazette, June 14th.

The Cost of Growing Apples.

Under good orchard management where there are 200 or more trees in the orchard, it costs Maine growers approximately \$1 per barrel to produce apples when the production is two barrels per tree; \$1.25 per barrel when the production is one and a half barrels per tree; \$1.50 per barrel when the production is one barrel per tree; and \$2 per barrel when the production is less.

Cost of Bad Roads to the Farmer is Staggering.

Farmers have begun to figure the matter of roads a little differently than in former years. When the good-roads movement was in its infancy they used to ask themselves, "How much will good roads cost me?" Thanks to the intelligent propaganda of the daily and farm papers, as well as other agencies, farmers are now asking themselves, "How much are bad roads costing me?"

According to Government experts, the cost of hauling a ton of farm produce a mile varies from seventeen cents, in localities where fairly hard gravel roads exist, to thirty-five cents per ton in parts of the country where the roads are in bad condition. On the other hand, in those European countries where hard roads prevail, the cost is as low as nine cents per ton per mile. The United States Department of Agriculture has estimated that the total haulage expense to American farmers for a year is approximately \$500,000,000. And every dollar comes from the farmer's pocket, for he is the one great producer who cannot add the haulage expense to his wares, for the prices he gets are on a delivered basis.

If every farmer would take pencil and paper, figure the amount in tons of the produce and stock he markets in a year, multiply it by the number of miles he must haul it to market, multiply the total by twenty-five, which is about the average haulage cost per ton per mile, and then consider that he could save nearly half of this amount every year if he had an improved road all the way to his market, he would become an earnest good-roads worker.—Maritime Farmer.

OBITUARY

Henry H. Theakston.

Halifax, June 21.—The death occurred at his residence, at Wolfville yesterday, of Henry H. Theakston, after a long illness. Mr. Theakston was a son of Major Theakston, Halifax. He was for upwards of fifteen years, manager of Davidson's grocery at Rockingham, but about four years ago, owing to ill-health, he removed to Wolfville, where he had since resided. Mr. Theakston was a man of sterling character, and was highly esteemed by a host of friends. He is survived by his wife and one daughter, father, six brothers and one sister to whom much sympathy will be extended in their bereavement. The funeral will take place from the residence of his father, Major Theakston, 111 Agricola St., tomorrow, June 22, at 3 o'clock.

DIED

At Somerset, on Monday June 19th, of pneumonia, Mrs. Arabella E. Calder, aged 67 years, daughter of the late Mr. Joseph A. Killam.

Keep Minard's Liniment in the house.

USE

"Corona" Dry Arsenate of Lead

for
Spraying Orchards and Potato Plants.
"CORONA" dry is not an experiment, it has been used by many of our leading farmers for years.
One pound of "CORONA" will do the work of from two to three pounds of Arsenate Paste, and be more effective because:— It is a perfect, dry, fine white powder, and does not contain 50 per cent water.
It is pure and contains nothing but Lead Oxide and Arsenate Oxide, the only two chemicals essential of an Arsenate of Lead. It gives an even application, covers more thoroughly, and sticks to foliage longer.
It mixes easily and readily in water, no working up to prepare for the spray tank. No straining. It is only necessary to shake the proportional amount into the spray tank.
By using the same weight each time you spray, your mixture is always the same strength.
No sediment, no lumps, no water, never clogs spray nozzles.

June Wedding

HERMAN—GRAHAM

A pretty wedding was solemnized at the home of Mr. and Mrs. A. R. Graham, "Heatherstone" Dartmouth, Tuesday evening, June 20th., at 7.30 o'clock, when their daughter, Miss Myrtle E. Graham, became the bride of Rev. Arthur K. Herman, M. A., B. D., Platoon Sergeant of the Dartmouth Platoon of the 219th Batt., N. S. H. The ceremony was performed by Rev. F. E. Bishop, B. A., pastor of the Kingston Baptist Church, assisted by Rev. C. E. Higgins, B. A., pastor of Grace Methodist Church, Dartmouth.

The parlor was beautifully decorated, the prevailing colors being purple, the color of the feather worn by the Battalion of which the groom is a member.

The bride looked charming gowned in white silk, with veil and orange blossoms and carried a lovely bouquet of brides roses. She was attended by her sister, Miss Muriel Graham, a picture of girlish grace, in a gown of pink and carrying pink carnations.

The groom was attended by his brother, Mr. Geo. E. Herman Editor of the Western Chronicle, Kentville.

The wedding march was well rendered by Miss Eaton.

After the ceremony a dainty repast was served after which the bridal couple left on a brief trip which will include points of interest in Nova Scotia and New Brunswick. On their return Sergeant and Mrs. Herman will reside in Kentville.

The large number of beautiful gifts received testified to the popularity of the young couple. The groom's gift to the bride was a handsome diamond ring.

NOTICE TO BEE-KEEPERS

During the past session of the Local Legislature an Act was passed entitled "The Pone Brood Act, 1916" for the control of infectious bee diseases. The Government has appointed Mr. C. B. Goderham as an Inspector to carry out the provisions of this Act, and also to instruct all those interested in modern methods of bee keeping. His headquarters are at the Experimental Station, Kentville, and he will be pleased to get into touch with all those desirous of information or assistance.

Members of the Beekeepers Association are also notified that their annual subscriptions are now due.

C. HOGAN,
Secy.—Treasurer
Annapolis Valley Beekeepers Association.
