

**THE ACADIAN.**

WOLFVILLE, N. S., OCT. 18, 1918.

**Editorial Brevities.**

Here is the way a New Yorker puts it:

Fighting until they are shot down, protesting as they are carried off the field, laughing while they suffer and give their last breath, these are the boys we are buying Bonds to help. It seems unfitting that we should remind ourselves that we are only lending, that we are benefiting ourselves with every bond we buy. The very least that we can do is to lend to the utmost—'Lend the way they fight'—never stopping to count the cost. Bonds are being sold to help bring a triumphant finish to this crusade against the blackest evil in the world. Every bond you can buy will help to the full value of every dollar it represents and to the full value of every ounce of patriotism you can put back of it.

The world is apt to forget that there are 10,000,000 people, Belgians and others, who are suffering from the lack of the necessities of life. It is by the inner spirit of what we call humanity in the rest of the white peoples. Improving war news has not altered the position of most of them. There are children who have never known anything but the state of slavery. Over 200,000 tons of shipping, secured by arrangement from the Swedish Government for use in non-war zones, have been devoted to carrying in the coming year the food and clothing which we must send from this side of the Atlantic to this trampled-on but unconquerable people. The following foodstuffs will have to be transported across the Atlantic in the next twelve months: Wheat, Barley, Rye and Corn for bread purposes... 42,500,000 bus. Beans... 2,200,000 " Rice... 3,300,000 " Corned Beef... 26,400,000 lbs. Pork Products... 277,200,000 " Soap... 66,000,000 " Coffee... 26,000,000 " Food for the children (No. 1) (Belgium) Cocoa... 18,000,000 " Condensed Milk... 25,000,000 " Sugar... 49,000,000 "

At best, the cost will be nearly \$28,000,000. The Dutch and Spanish governments, through their agents in Belgium, will see that these supplies are not misused by the German army.

**"For Freedom And The Right."**

The above is the title of a most interesting War Album issued by The Family Herald and Weekly Star of Montreal.

It is brimful of useful information from coast to coast. The front page is a most beautiful design embracing the flags of all the Allies. It is a clever artistic effort. The Album contains the flags in colors of all the Allies. It tells in full the story of the 'Union Jack' and 'Old Glory'. It gives the date and reason for entry of each of the Allies into the War. It gives the system of Government of each, also population, area, etc., etc. It contains the Nations' Songs of Great Britain, France and the United States, as well as a great many of the popular songs as 'Tipperary', 'Long Long Trail', 'Good Bye Broadway', 'Over There', etc., etc. It contains a diary of the war since its commencement up to time of going to press with blank space on which the recipient may fill in future dates and have the complete history. The Album is one you would buy on sight at any reasonable price, but it is not for sale. It is absolutely free to all who subscribe to The Family Herald and Weekly Star for 1919. The yearly subscription price is \$1.25. We have made a clubbing combination with the Family Herald and can offer that great Weekly with the Album and THE ACADIAN for \$2.00. The offer of the Album is for a limited time only. Order now and be sure of a copy. The Family Herald does not continue such an offer indefinitely. A sample of the Album may be seen at this office.

**Red Cross Notes**

The Red Cross year began Oct. 1st. All annual and associate members are asked to renew their subscription fees.

We acknowledge with many thanks the following donations: Help the proceeds of the organ recital given by Dr. Fisher in the Baptist church, \$18.30; from the knitting contest given by the ladies of the Presbyterian church, \$6.10; Mrs. Paul Davidson, \$3.00; Mrs. David Thomson, \$2.00 annual membership fees.

Upon receipt of a letter from Dr. Miller seven useful bath robes have been made by the ladies of the Red Cross and sent to the Kentville sanatorium where they are very much needed.

**Soldier Return.**

Pte. William Chase, son of Mr. and Mrs. W. H. Chase, of this town, returned from overseas on Friday morning last. He was expected on Thursday evening and a large number of citizens were at the train to give him a welcome, but he was delayed in Halifax. On Friday morning it was not known that he would arrive, consequently many were prevented from meeting him at the train. Pte. Chase went over in the fall of 1915 with the 1st Battalion of the 10th Canadian Infantry and has spent most of the time since in France. He was gassed some months ago and invalided back to England and is now home on leave. Many friends are glad to give him a welcome home.

**Daylight Saving.**

(Montreal Witness.)

Canada's Daylight Saving experiment will come to an end on the twenty-seventh of October. It was the intention to make the thirty-first of October the closing day. This would have been pleasant. Hallow E'en would have marked the transition from summer to winter time in a festive manner. The children—and grown-ups—could have had an hour extra for their apples and nuts, their ghostly gambles and other daffing. In the spring, it we should repeat our experiment next year, we might usher in the brighter season with a Spring Festival. This is how our forefathers would have worked the plan. But the twenty-seventh is the date on which the United States is to make the transition, and, of course, in our present status of unrestricted and universal reciprocity we must fall into line with our big neighbor. The twenty-seventh is certainly the more convenient date as it is Sunday. We shall have an hour longer to sleep on Sunday morning as the clocks are to be put sixty minutes back at 2 a.

m. It is a great success. The farmers have not liked it, especially during the last couple of months when they have been hunting for the cows in the dark pasture. But legislation can only seek the greatest good of the greatest number; and we have to rub along in this world as best we can, making mutual concessions for the common good. And certainly daylight saving has been a great boon to many people. The workmen who protested against the innovation, when it was first suggested, have not found that it hurt them in the least. Most of us, indeed, forget the greater part of time that we raced an hour ahead of the sun. The summer mornings were remarkably clear and fresh, and the evenings remarkably long and bright. Daylight saving contributed mightily to the success of the war gardens, and it must have saved an untold amount of artificial light.

**Thankful Mothers.**

Mrs. Willie Theriault, Parquetville, N. B., says:—I am extremely thankful that I tried Baby's Own Tablets for my baby. Through their use baby thrived wonderfully and I feel as if I cannot recommend them too highly. 'Baby's Own Tablets' break up colds and simple fevers; cure constipation, colic and indigestion, and make teething easy. In fact, they cure all the minor ills of little ones. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, O. T.

**Value of Victory Bond.**

In view of the fact that ordinary holders of Victory Bonds are being induced by unscrupulous profiteers to part with them at prices ranging from \$90 to \$97, it is suggested that the Dominion Government should take action, by issuing an order-in-council making it an offence to deal in Victory Bonds at any price beneath the price officially fixed.

Victory Bonds are as negotiable almost, as bank notes, and are worth a certain figure. Among the ideas which have been put forward with a view to enabling every holder of a Victory Bond to regard it as value to him, one is that the post office department should stamp all mail matter with a plainly lettered announcement that the official selling price of a Victory Bond is \$90, and in addition the interest due on it.

**Greenwich Hero.**

Word has been received, by letter on Tuesday of this week, at his home in Greenwich, of one of our 85th Battalion soldier boys, Everett E. Fraser, who was reported wounded in left arm by a gunshot wound, last week. Letter stated he was wounded September 25th, taken to a Casualty Clearing Station, wound being dressed first at a near by Field Dressing Station, the wound being in upper part of left arm, more under, and was operated on next day (26th) a piece of shrapnel being removed. At 11 to the morning of the 28th of September, he was admitted to a Base Hospital, No. 4 General, and at noon that day, marked for England, leaving that night or the next morning, 29th. Others near by being killed and wounded, by bursting of same shell. This soldier's second wound being more serious than his first one.

**Victory Bonds.**

**Every Person in Wolfville Should Buy Victory Bonds.**

There is absolutely no excuse or reason why you should not. These bonds are the BEST investment on the market. If you are doing something to help the boys "over there," put the finishing touches on the Hun. Every cent of money obtained through the sale of these bonds goes toward carrying on the war to a successful end.

**An October Wedding.**

A quiet wedding took place at Wolfville on Wednesday evening, October 16th, when Miss Minnie G. Atwell, of Gasperus, and Mr. Herman Rushton, of Amherst, were united in marriage. The ceremony was performed by the Rev. Dr. Chute, professor of Acadia University. The bride wore a tailored suit of navy blue serge with hat to match and carried a large bouquet of sweet peas and maiden-hair fern. She was attended by her cousin, Miss Laura Atwell, of Wolfville. The groom was supported by Mr. Frank Neary, of Acadia. Refreshments were served at the home of the bride's aunt, Mrs. Rachel Atwell, E'm avenue, where they were met by a few friends. After a trip to Oxford and other places of interest the happy couple will reside at Amherst.

**Why Canada must borrow money to carry on**

Because Canada has put her hand to the plow and will not turn back—

—our country is in the war on the side of liberty and justice and we stay in it till complete victory is won and the unspeakable Hun is smashed and beaten to the ground;

—a nation at war must make tremendous expenditures in cash to keep up her armies and supply them with munitions, food and clothing;

—Canada must finance many millions of dollars of export trade in food, munitions and supplies which Britain and our allies must have on credit;

—for these purposes Canada must

borrow hundreds of millions of dollars—

And, this money must be borrowed from the people of Canada:—

Therefore, Canada will presently come to her people for a new Victory Loan to carry on.

Canadians will loan the money by again buying Victory Bonds.

The national safety, the national honor and the national well-being require that each and every Canadian shall do his duty by lending to the nation every cent he can spare for this purpose.

The death of Mr. James Hamilton, one of the best known men in the vicinity, occurred at his home at Grand Pre on Oct. 4th. He was 73 years of age. For many years Mr. Hamilton had been a great sufferer from rheumatism, but was always cheerful and optimistic. For some months he had been confined to his bed. Mr. Hamilton was a strong liberal in politics and an active upholder of the principles for which his party stood. He took a lively interest in community matters and was an interesting and popular citizen. His widow predeceased him some time ago.

Another Wolfville Hero.

Wolfville was saddened again on Saturday last when the news came that Sgt. Clifford Webster had been 'killed in action' on Sept. 29th. Counting so soon after the news of the death of Fred Abbott the intelligence caused a gloom over the town.

The boys were close friends and served together in many battles in the same battalion. At the time of his enlistment Sgt. Webster was and had been for some time, an official in the Wolfville post office and was deservedly popular. His grand mother, Mrs. George Webster, with whom he made his home, and to whom he was all that a son could be, has the sincere sympathy of the town at large.

Important Notice.

There will be a meeting of the members of the Men's Class, which until the end of 1915 met in the Baptist church, in the office of Dr. McKenna, Friday evening, October 18 1918 at 7:30 o'clock. The disposition of the funds now remaining in the hands of the Treasurer will be considered. It is hoped that as large a number of members as possible may be present.

An Interesting Wedding.

On the evening of October fourth by the pastor, Rev. Mr. Riley, in the First Baptist church, Minneapolis, Minnesota, Miss Alexandra Bowers Shants, graduate of Regina City Hospital, and youngest daughter of Peter Erb Shants, Esq., of Preston, Ontario, late member for that Province, was united in marriage with Lieutenant Leon Archibald, A. B. S. C. E., late of the British Royal Engineers, Black Watch Regiment, and son of Mrs. Rachel deWolf Archibald, of Wolfville, Nova Scotia.

The church was most tastefully decorated with asters and autumn leaves. The bride, gowned in rainbow tinted lavender tulle with silver trimmings and hat to match, and wearing a corsage of white and yellow sweet-pea roses, was attended by her sister, Miss M. Shants, of Regina, who wore blue and gray georgette crepe, rose-embroidered, and carried a bouquet of pink roses. Doctor Ida Adams Mackenzie, of Minneapolis, in navy blue georgette over silver, with diamond ornaments, was matron of honour.

Lieut. and Mrs. Archibald have taken up their residence at 277 1/2 Fourth street, S. B. Minneapolis, near the University of Minnesota, where Lieut. Archibald is engaged on the faculty of Civil Engineering. His record overseas, his recent invention which is receiving attention at Washington, and his literary achievements since his return home, augur a brilliant future for this son of Canada. THE ACADIAN, with host of other Wolfville friends, extend best wishes.

Helping Nature, the Key to Good Health

Watch for these Symptoms

Kidney or Bladder affections don't develop seriously until Nature has given you plenty of warning that the trouble has commenced.

Constant headaches, dizziness, pains in the back or sides, swollen joints, and uric acid, brick dust deposits, or painful urination should make you realize positively and beyond doubt that your kidneys are out of order and need assistance.

Nature is wise and never sends out unnecessary or foolish warnings. Her call is for help, and you must do your part by bringing relief to those overburdened kidneys, or suffer the consequences.

Rheumatism, Lumbago, Sciatica, neuralgia, Stomach in the Bladder, Neuritis, etc., are all caused by inflamed congested kidneys and the consequent deranged kidney action. Don't let the agonies produced by these cases—Doctor Ida Adams Mackenzie—to heal those inflamed kidneys and to make them strong once more—by taking GIN PILLS.

GIN PILLS are the best remedy for kidney and bladder troubles on the planet today—this is a fact proven by the many who have tried them. They give instant relief. For sale everywhere at 50c a box. A sample will be free if you write to—
