The copy filmed here has been reproduced thanks to the generosity of:

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

P R E F A C E .

WITH the design of maintaining the utility and efficiency of **LOVELL'S MONTREAL DIRECTORY**, and of adapting its size and bulk to the convenience of those consulting it, the Publishers have decided to continue the printing of the Alphabetical portion in a small but clear type, giving greater prominence than hitherto, by the use of a bold Gothic letter, to the names of Advertisers.

In presenting to the public this issue of the Directory the publishers trust that the feature above referred to will meet with general approval, as it enables them more satisfactorily to adapt the book to the demands of our ever-increasing population.

It need hardly be said that the same labor and effort to secure accuracy which the Publishers have always put forth have not been withheld in the preparation of the present edition, and that this labor has been greatly increased this year, owing to the renumbering of several of our principal streets.

As usual, the book will be found divided into four parts, viz. : (1) The Advertiser's Classified Directory ; (2) The Street Directory ; (3) The Alphabetical Directory ; and (4) The Miscellaneous Information.

This book is respectfully dedicated to its generous patrons — **THE PUBLIC.**

MONTREAL, June 23, 1885.

Entered according to Act of Parliament of Canada, for the year one thousand eight hundred and eighty-five, in the office of the Minister of Agriculture.

LOVELL'S LIBRARY.

The Publishers of "Lovell's Library," having decided to devote their exclusive attention to the interests of that series, have now made arrangements tending to improve the general appearance of the books, in the way of better paper, printing and binding. The selections of works to be published will be made with great care. It is contemplated to include, besides the best current fiction, which will be re-issued promptly, all the leading Standard Works, not only in Fiction, but in Art, Science and in Belles-Lettres.

Among the more important works recently issued, or now in press, are :

TWICE TOLD TALES.

By Nathaniel Hawthorne.

Vol., 12mo, No. 370 Lovell's Library 20 cents.

GRANDFATHER'S CHAIR.

By Nathaniel Hawthorne.

1 Vol., 12mo, No. 376 Lovell's Library 20 cents.

EMERSON'S ESSAYS.

ESSAYS BY RALPH WALDO EMERSON.

1 Vol., 12mo, No. 373 Lovell's Library 20 cents.

The publishers avail themselves of the expiration of copyright on the above to issue these very neat and desirable editions. They are all printed from large, clear type, and will no doubt enjoy a very large sale at the merely nominal price at which they are issued.

Essays and Leaves from a Note Book,

By George Eliot.

1 Vol., 12mo, No. 374 Lovell's Library 20 cents

A FAIR DEVICE.

An American Novel by Charles Wolcott Balestier

1 Vol., 12mo, No. 381 Lovell's Library 20 cents

"Charmingly told. The story is original, and moves enticingly," says the *Syracuse Standard*, in an advance notice.

OUIDA'S NEW NOVEL.

PRINCESS NAPRAXINE.

1 Vol., 12mo, No. 387 Lovell's Library 25 cents.

WALTER BESANT'S NEW NOVEL,

DOROTHY FORSTER.

By Walter Besant, Author of *All Sorts and Conditions of Men, Etc.*

1 Vol., 12mo, No. 384 Lovell's Library 20 cents.
