The copy filmed here has been reproduced thanks to the generosity of:

Hamilton Public Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol - (meaning "CON-TINUED"), or the symbol ▼ (meaning "END"). whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Hamilton Public Library

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole -- signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux. etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Well-Dressed Letter.

It is as important to see that your correspondence goes out fashionably dressed as it is to see that your wearing apparel is in good form. Have you not noticed how a letter reflects the personality of the sender. There is something about fine note paper tastily embossed with orest, initials or monagram, that instinctively impresses you with the fact that "here is a person who is partionlar about the little things that other people think not worth bothering about." For all the difference in the cost you may as well have the satisfaction of using flue note paper as common stuff. We durnish the die for, embossing in any style. Hee samples of our work.

POEMS HERE AT HOME, by James Whitcomb Rijey, with plotures by E. W. Kemble. New York—The Century Co. On sele at BRINTER's Book Store, 10 King street west

Riley is ast growing in favor with the Riley is ast growing in layor with the American public. There are good judges who consider him their greatest living poet. Certain it is that no writer, past or present, has ever exceeded his ability in portraying certain phases of country character with which he is most familiar. Ilis dialect is exquisite and periect in its kind. This volume by the Century company contains many old favorites and some new pieces. Several of the best poems had appeared in the Century magazine. All admirers of the Hoosier poet will desire to add this new volume to their collection.

"Just now, Gildersleeve, I am engaged in rewriting some of Shakespeare's plays to adapt them to the demands of modern theater-goers."

" Ah! What are you doing with them?" "Introducing saw mills, ore crushers, pile drivers, tanks and the like."—Truth.
