The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol ➡ (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ➡ signifie "À SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

FAIRBAIRN, The Tailor

Opposite City Hall Richmond Street.

'Tis almost second nature for an actor to relate stories, even of a funeral nature, in as entertaining a manner as possible.

Mr. Goodwin is accredited with talking about it the other day.

"For instance," said he, "what's the use of going into all the harrowing details. Leave something to the imagination. Now, take for example, suppose you read something like this in the paper:

"In Boston the other day, a man thought he could cross the track in advance of a locomotive. The services at the grave were very impressive." Or

"A man in Maryland ate fifty raw oysters on a wager. The silver trimmings on his coffin cost \$12.50." Or

"A Chicago man warned his wife not to light the fire with kerosene. She did not heed the warning. Her clothes fit his second wife admirably well." Or

"A Londoner got tired of buying his coal haphazard, because it was cheap, and now buys it from Cameron. As a result the doctor never calls, and he and his family are happy all the time." 'Tis brief, but really all-sufficient. Office, Illico Building-Yard, Burwell Street, at G. T. R.
