POLICY OF BRIAND MAINTAINED BY RECORD VOTE

Action of French Chamber Is Regarded as Expression of National Unity.

GERMANY MUST PAY UP

Paris, Jan. 21.—Aristide Briand, France's new premier, and the members of his ministry, were given a record vote of confidence by the chamber of deputies this evening.

The size of the vote, which surprised many deputies, is regarded as not only an expression of confidence in the government, but as a manifestation of national unity in the face of the forthcoming meeting of the allies.

"We have had formulas of truth for two years, but no indemnities," he declared. "It would be the greatest travesty of justice if the attackers of civilization were to be left without payment for their crimes."

"Such a statement is untrue," he added, "and France today, more than at any other time, is entitled to the confidence of the rest of the world."

Referring to the policy toward Germany, Premier Briand said the government would exhaust all resources before it used force, and then only in accord with her allies, against the former enemy.

Altho the German treasury was empty, M. Briand declared that many private persons in Germany had enriched themselves and that contact must be established between these and the German government to permit the latter to pay her indemnity.

After dealing with France's internal questions, he said he would support the German resumption of relations with the Vatican.

HYDRO FINDS WORK FOR SIX HUNDRED

Electric Commission Provides Employment for Men at Niagara Falls.

Work on the Hydro-Electric Commission at Niagara Falls, Ontario, will absorb about 600 of Toronto unemployed.

This statement was issued yesterday by Secretary F. D. Tolchard of the citizens' unemployment committee.

At least 60 per cent. of the men who have registered at the bureau have been skilled tradesmen, but not more than 15 per cent. of the jobs available have been for skilled men.

The number of laborers referred to out-of-town jobs has been 464 and 300 have been sent to farms.

Stirring Speech by Native of Bombay at Canadian Club Banquet—Rowell, Guest of Honor, Says There Is No Real Fear of Domination by Europe in League of Nations If the Covenant Is Observed.

New York, Jan. 21.—Hons N. W. Rowell, former president of the privy council of Canada, and one of the delegates to the assembly of the League of Nations at Geneva, was the guest of honor tonight at the dinner at the Hotel Biltmore.

"I am glad to be with you and to greet and congratulate you, on this, the second anniversary of the formal confirmation of our nation's undying desire for ancient independence."

"I believe it is a cardinal principle of our Canadian policy that Canada, geographically with Great Britain and geographically with the United States, should assist in interpreting the one to the other and in promoting that cordial understanding and whole-hearted co-operation certainly needed in view of the present critical world situation."

"The faithfulness with which thru the past year you have stood firm on account of their being attacked."

Cleveland Bankers Decide to Charge Twenty Per Cent. on Both Paper and Coin to Block Brokers' Operations.

Cleveland, Ohio, Jan. 21.—In an effort to break up the operations of a gang of money exchangers, Cleveland bankers, acting thru the Cleveland clearing house, late today voted to accept Canadian money only at a discount of 20 per cent.

Organized gangs have been flooding northern cities of the country with Canadian coins and have been making profits of thousands of dollars, which United States banks have lost, according to J. C. Henderson, manager of the commercial division of the foreign department of the Guardian Savings and Trust Company.

POLICE SURPRISE AMBUSH AT DUBLIN AND WAKE CAPTURE

Men Had Thrown Two Bombs at Lorry Before Reinforcements Arrived.

Dublin, Jan. 21.—Information was obtained by the police this morning that an ambush was being prepared at the Tolka River bridge, on the Drumcondra road, two miles from the centre of the city.

It is reported from Thurles that police barracks at Holy Cross, Sherrin and Roskean were attacked during the night. All roads leading to these places had been treed and blocked by trees.

The scene of the ambush at the Tolka River bridge was within 400 yards of Marlborough Hall, where thousands of troops are quartered.

The men in the ambush had thrown two bombs at a lorry of constables just before the police reinforcements arrived in Dublin.

TRUSTEES CAN SEE BUILDING PROGRAMS

Details of Figures Are on View in Office of the Administrator.

Next Thursday is to be the day of fate for Toronto's board of education three million six hundred thousand dollars high and public school building programs.

As it proved necessary to open the eyes of the trustees regarding the business end of the trust, the trustees unanimously decided, it may be in the public interest to tell the trustees that the elevator man will take them to the board of education in the administration building.

Normal Conditions Will Soon Return Prospect of Good Volume of Business Foreseen by Canadian Credit Men.

Winnipeg, Jan. 21.—Reports received from the principal trade centres of Canada indicate a gradual but nevertheless certain return to more normal conditions, with prospects of a satisfactory volume of business during the early part of the year.

In the east several large works have again opened up on full time, and a noticeable improvement is apparent in boots and shoes, hardware and building materials.

Montreal and Quebec reports say that while wholesale trade is quiet, improvement is shown in the boot and shoe trade and that hardware and building materials are showing a noticeable improvement.

Sir George Foster Says General Election Will Not Be Long Delayed—F. S. Scott, M.P., and "Trooper" Mulloy Express Belief That Canada's National Identity Is Menaced by Free Traders.

Peterboro, Ont., Jan. 21.—Fifteen hundred people filled the Grand Opera House here this evening, and listened to addresses by Sir George Foster, F. Stewart Scott, Unionist member for St. John's Waterbury, and "Trooper" Mulloy, in behalf of Roland Denne, the government candidate, at the coming by-election in West Peterboro.

It was an attentive audience, although not especially enthusiastic. There was no heckling, and Sir George, in his thoughtful and eloquent speech, made no bid for applause.

The tariff issue was the one subject discussed by all speakers. "Trooper" Mulloy and Mr. Scott dwelt upon a protection tariff as necessary for the national identity of Canada.

Sir George's speech was not partisan, and he accepted the assurance that G. N. Gordon, the Liberal candidate, considered himself a protectionist. He urged the friends of protection, however, to take no chances by returning to parliament a man who must follow the leadership of Hon. Mackenzie King.

U.S. TRADE BALANCE DECREASED BILLION Imports for the Year Show a Larger Increase Than Exports.

Washington, Jan. 21.—The United States foreign trade in 1923 was the largest in the country's history, totaling \$13,697,000,000. Exports were valued at \$8,228,000,000 against \$5,469,000,000 in 1919 and imports were valued at \$5,479,000,000 or \$1,875,000,000 greater than the imports in 1919.

This left a trade balance for 1923 of approximately three billions of dollars in favor of the United States as against a balance the year before of approximately four billions of dollars.

In announcing the figures the department of commerce said exports were one-third greater than they were in 1919, the first full year previous to the war, and imports were nearly three times those in 1919.

TELEPHONE HEARING ENCOUNTERS DELAYS

Cannot Conclude This Week—Glynn Osler States Case for Bell Co.

Ottawa, Jan. 21.—(Canadian Press)—Hope of closing the Bell Telephone rates inquiry this week was abandoned this afternoon and it was decided to adjourn until Monday. It is expected that at least two additional days will be required to finish argument of counsel, at least half a dozen of whom still remain to be heard.

Glynn Osler, K.C., this afternoon closed the case for the applicant company. Like ex-Judge Chippen, who had preceded him, Mr. Osler told the railway commission board that it was facing a heavy responsibility in giving a decision because if the company were not put in a position to proceed with the proposed increase of the public cannot be given the service it requires.

Strikes Snag.

Mr. Osler experienced some difficulty when arguing for the establishment of a measured rates system because the members of the board, more particularly Commissioner A. C. Boyce, were disposed to think that the only way to supply more proof that such a system may satisfactorily be applied to Canadian conditions at the present time.

E. Lovering, for the attorney-general of Ontario, dealt more particularly with the probable effect of the proposed increases on the rural telephone service. It would mean, he asserted, that the Bell Telephone subscribers would pay 40 per cent. higher rates than the subscribers of local companies, and this would lead to competition and duplication of lines.

He was willing that the company should be given the increase in long distance tolls asked for, but only during the present year. He thought the company had not made out a case for other increases.

RIOT AND ARRESTS BROKE UP WEDDING

New York, Jan. 21.—Police reserves tonight subdued a riot started among some 500 guests invited to a gypsy double wedding in an east side hall. It ended a day of feasting in which wine, the police say, flowed freely.

Seventeen persons, including the two prospective bridegrooms, were arrested, six were charged with rioting and the hall was nearly wrecked. The wedding was called off.

Objection to the food and music is said to have precipitated the fight. Patrolman Michael O'Connor heard the noise a block away from the hall. When he entered the hall he was greeted with missiles and tried to get away to whole roast pigs, and immediately put in a call for the police reserves.

LIBERAL LEADERS DISCUSSING PLANS

Attendance of Hon. G. P. Graham Gives Rise to Much Comment.

Ottawa, Ont., Jan. 21.—The national Liberal organization committee met today. Hon. George P. Graham attended the meeting and his presence has given rise to some considerable comment in political circles.

It is expected that a statement will be issued tomorrow reviewing the proceedings. Questions of national party organization and the work of the organization bureau in Ottawa during the past year were under review. There was a full attendance of representatives from every province at the meeting, which will probably continue tomorrow.

Questions of policy and deliberations regarding the attitude of the party on national questions were also discussed.

Among those present are: Hon. Sidney Fisher, Hon. Paradis, Quebec; Hon. J. R. Boyle, Edmonton; E. M. Macdonald, Montreal; Campbell, Vancouver; William Duff, M.P.; Ernest Lapointe, M.P.; H. H. Dewar, M.L.A.; and P. C. Larkin, Toronto; W. C. Kennedy, M.P., Windsor, and Arthur Little, London.

COUNCIL OF LEAGUE MEETS FEBRUARY 21

Geneva, Jan. 21.—The next session of the council of the League of Nations will be held in this city on February 21. It was announced officially today.

The council will have before it a number of important international questions, including those not solved by the first assembly of the league in November and December last. Several commissions will be appointed by the council to report at the assembly in September next.

MAY REPRIEVE TWO SLAYERS

Ottawa, Jan. 21.—(Can. Press)—Commotions are thought likely in the British Columbia double hanging case which was before cabinet council today. The condemned men are J. Seanon and Mike Molyneux. Their execution was fixed for January 27. An announcement will probably be made tomorrow.

NEW LAMP BURNS 94% AIR

Beats Electric or Gas
A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and is being advertised and found to be superior to 10 or 12 other lamps. It burns without smoke or noise, no pumping up, is simple, clean, safe, burns 94 per cent. air and 6 per cent. common kerosene.

The inventor, O. K. Johnson, 248 Craig St., West, Montreal, will send a sample lamp on 10 days FREE trial, or even to give one FREE to the first user in each locality who will help him in this campaign. Write him today for full particulars. Also ask him to explain how you can get agency, and without experience or money make \$250 to \$500 per month.

RIOTS IN MONTREAL BY THE UNEMPLOYED

Arrests Follow Attempted Raid on Restaurants by Ex-Service Men.

Montreal, Jan. 21.—Announcement that the real unemployed and needy of the city would be given meals at a civic refuge any time of the day or night and that the unruly element which has been fomenting disorder here will be checked, was made this afternoon by E. H. Decary, chairman of the civic administrative commission. The statement was issued following the storming of one restaurant by unemployed ex-service men, the attempted raiding of another, and demonstrations by 500 men in various parts of the city.

Three men alleged to be leaders of the unemployed and against whom there is no charge, were taken to the detective bureau this afternoon. The men were being kept by the police and they are entered on the records as "protections." Charles Roby, 31, returned soldier, is the first "protection"; a second is a man called Reid, and the third name was not divulged by the detectives. They were picked up on the streets when the police of Col. Gaudet, director of public safety.

The latter in a statement issued tonight says that everything is quiet and that it was unreasonable that a few men should be allowed to disturb the public peace by raids on restaurants. He further stated that the Ex-Service Men's Association on St. James street, which was closed, and that he had visited it this afternoon when out of 350 men present only 110 had accepted the offer.

Trooper Victor B. Brown, secretary of the Great West Veterans Association in this city, stated that the whole affair was "a disgraceful exhibition" by men who were neither ex-soldiers nor citizens for the most part.

FREE GIUSEPPE DINIETTO FROM MURDER CHARGE

Jury Finds He Shot and Killed Michael Vesca in Self-Defence—Dinietto Had Been Held by the Police for Seven Months—Dramatic Scenes in Court When Prisoner Is Acquitted.

Hamilton, Jan. 21.—Giuseppe Dinietto, held for seven months on a charge of murdering Michael Vesca, was tonight freed from the charge by a jury. Sir William Mulock in the assize court. The jury went out at 6.42 o'clock and returned with their verdict at 8.42 o'clock, but dined in between times. The jury, in explaining the reasons for its verdict, said they found that the prisoner shot in self-defence.

When the jury filed in Court Clerk Thomas asked if they had agreed upon a verdict and his two sisters replied that they had, but the following questions: "Not Guilty."

"Do you find the prisoner at the bar guilty or not guilty?" "Not guilty," was the unanimous reply of the jury in the court room rose to their feet, and the prisoner, who had been held for seven months, breathed a sigh of relief.

He immediately shook hands with the jurymen, and spoke from the bars to his two sisters, who were seated in the gallery.

The jury asked permission to qualify the verdict, but before allowing any statements to be made by the jurymen, the affirmative, gave permission to the jurymen to make any statements they wished to make.

It was an exciting moment for the prisoner. He took his hat from the bench and he walked out of the court with a group of police officers to the crowd which followed him, also a few friends. They chatted together until the large crowd of prisoners had dispersed, and then he walked away from the court house.

Police officers shook hands with him, and in broken English he said he would be good and not shoot again.

Kiss Hand of Counsel.
When in the midst of the conversation C. W. Bell, counsel for the prisoner, walked in the room, and the man grabbed for his hand. He shook hands with him and kissed his hand, and his two sisters expressed their gratitude to the clever counsel. He tried to explain to the women that it was not a habit in this country to kiss so freely, but they insisted, and grabbed for his hands, and both kissed their respects.

The clever defence of Mr. Bell was in no small way responsible for the verdict reached by the jury. He spent weeks in preparing the case, and had a strong case for the jury to offer for the prisoner. He was ably assisted during the trial by Howard Yates, a partner in the law firm of Yates and Co., West.

Even when he was a free man again, the prisoner's worries did not end, for he had to find a home for himself and his two sisters. He was afforded until the crowd went away.

It showed some time after the streets Dinietto disappeared in the crowd, and seemed to soon recover from the trying months in jail, as he was seen in the street of the last three days of trial, during the hearing of the case he was very nervous at times.

PREMIER'S PARENTS FIFTY YEARS WED

Celebration of Golden Wedding of Mr. and Mrs. Meighen on Sunday.

Ottawa, Jan. 21.—(Special)—On Sunday the golden wedding of the prime minister's parents will be quietly observed at his residence on Coopers street. Mr. and Mrs. Meighen last year moved from their old home in St. Mary's to near their brilliant son, and now live within a few blocks of him. Every day he visits them, and they take a deep interest in his career. They are typical Scotch-Canadians, strong in the Presbyterian faith and without ostentation.

Mr. Meighen is 74 and Mrs. Meighen 71. They have six children, three boys and three girls, and twelve grandchildren. There are three sons-in-law, Edward, near Edmonton, who served during the war as a gunner; William, warden of the penitentiary at Kingston; and John, near White, Calgary; Mrs. Anderson, Wellington, and Mrs. Robertson, Carbon, Alta.

Mr. and Mrs. Meighen are of Scotch descent, although their parents came to Canada from the north of Ireland. Their prime minister's parents moved to St. Mary's, where they lived until last year. They live here in the same quiet manner as they did in St. Mary's and their Sunday are to be found in Chalmers Church, where the prime minister also worships. Owing to the distant residence of their children, the anniversary of fifty years married life will be without their presence, and the prime minister will probably be unable to attend the party.

FEEDING THE HUNGRY.

Toledo, Ohio, Jan. 21.—Fifteen thousand loaves of bread and five thousand quarts of milk were placed at the disposal of Mayor Cornell Schreiber today for distribution among the unemployed by a local business man.

An interesting musical program of local talent was carried out at a special meeting of the Junior Poultry Club, held last night at the Y.M.C.A. After the general business, the entire proceedings were left to the married couples. The subject was "The Poultry Show."

In an effort to create interest in the Junior Poultry Club, the Earlscourt Poultry and Pet Stock Association held a juvenile round-up at Kenwood Park last night. Numerous prizes were received from children of Dovercourt, Earlscourt, and other schools. Prizes were awarded during the evening and among those present were Mrs. J. H. Doughty, Mrs. R. C. Clouston, and Mrs. J. H. Doughty.

Active preparations are being made by the Earlscourt Poultry Association for the first show of the year, to be held on Sunday, Jan. 23, at Kenwood Park. Numerous suburban districts are taking keen interest in poultry and the way in which they are being prepared for the show is commendable.

Mr. Shuter was the chairman of the night's meeting of the Wychwood Cresters' Association, held at the Y.M.C.A. College and Dovercourt, arrangements for the holding of three shows in the winter months of January and April, were discussed, the proceeds to be donated to the equipment and general expenses of the association.

MIMICO MAYOR'S RAPID ADVANCE

Mayor J. H. Doughty, who has worked energetically on behalf of the unemployed of the district since his election as head of the council, is one of Mimico's successful business men. He is now a partner in the town as an employee of H. Heather & Son, today he is proprietor of the largest and most flourishing undertaking in the district.

Mr. Doughty's slogan is "a progressive policy for a progressive town," and it is confidently expected by the citizens of Mimico that if you ask him, "What under his regime Mimico's industrial welfare will be well looked after."

Mr. Doughty is a member of the local ratepayers' association, and Trustee John Kay, secretary-treasurer of the school board, has also been elected to the board. As stated in The World yesterday, Mr. Kay declares he is going to be elected to the board, and that he will be elected to the board, and that he will be elected to the board, and that he will be elected to the board.

EAST TORONTO'S FINE POULTRY EXHIBITION

Over 500 entries were received by the Danforth and South York Poultry Association in connection with the seventh annual show, which opened yesterday in the new community hall, corner of Danforth and Carlaw avenues.

Among the principal prize-winners were: W. Evans, who carried off the Robert Simpson Company silver cup for best varieties of Barred Rocks; W. Slous, silver (won outright), for White Rocks; J. Middleton, Wanless Trophy, for best showing of Langshans; J. Sims, silver cup (won outright), for White Bantams, 1st, 2nd and 3rd prizes, for best variety of Barred Rocks; W. Slous, silver cup (won outright), for White Bantams, 1st, 2nd and 3rd prizes, for best variety of Barred Rocks; W. Slous, silver cup (won outright), for White Bantams, 1st, 2nd and 3rd prizes, for best variety of Barred Rocks.

SILVERTHORN WOMAN DIES

Leeds, England, Jan. 21.—The widow of Silvertorn, died last night at the General Hospital, nine days after she was stricken with a stroke. She was 42 years old, and besides her husband, leaves a family of six children, four sons and two daughters, the youngest four years old. The funeral will take place at Prospect Cemetery, 2.30, Monday afternoon.

CITY AND SUBURBAN NEWS

MORE OUT OF WORK THAN EMPLOYED

Says Member of Ratepayers Association—Many Meetings.

EARLSCOURT

North Earlscourt and Fairbank Ratepayers Association held a lively meeting at the Harris Avenue club on last evening, when several matters of local interest were discussed. The main one being that of the unemployed situation in Fairbank. One member said that the number of men out of work far exceeded the number of those employed. W. Mills occupied the chair.

CHARGE TIMBER CUT WITHOUT PERMIT

Action of Department Contrary to Regulations, Counsel Says.

It was brought out at the timber probe before Justices Riddell and Latchford at Osgoode Hall yesterday afternoon that between 3,000,000 and 5,000,000 trees had been cut on permits in Ontario since 1902.

Asked what right the department had to ignore regulations, Deputy Minister of Mines Albert Grigg admitted they had no right.

The authority existing for granting a permit for 408 square miles to the Graves-Bigwood Company was asked for by the commissioner but was unable to produce it.

Questioned regarding the forming of the Haywood Lumber Company with a capitalization of only \$20,000 to operate the area instead of the Graves-Bigwood Company, Mr. Bigwood gave the commission to understand that he would be responsible for the carrying out of the original contract.

"You can see the necessity for a second company," suggested R. S. Robertson, acting for the company. "Some people think we are old women and don't know anything about business, but they were not, Justice Riddell retorted.

An interesting point brought out was that W. A. Evans, a lumber merchant of Sudbury, was refused by the department of lands and forests a permit to cut timber south of Hayward township in 1918 on the ground that the department would withhold a grant until a report on the particular character of the timber on the territory concerned had been received.

Validity is Disputed. Inquiry into the affairs of the Spanish River Lumber Company with John A. Ferguson, superintendent of the company, on the stand, disclosed that two forms of logging logs cut in the woods were kept. One was for the use of the walking boss alone and was a record of what the men did, the other was what the men said they did.

Until four years ago the Spanish River Company employed 1,200 men, but this had later been cut down to about 400 men. There had been ten or twelve camps and only one man in each camp was able to make returns.

In his argument on the case against the Haywood Lumber Company, Shirley Denison, K.C. government counsel, disputed the validity of the permit. "We should take advantage of this opportunity to state these people a lesson," he said. "Not only was the action of the department contrary to the regulations, but the whole transaction took place in a most unbecoming and improper fashion, and at a most inopportune time."

He contended that Mr. Bigwood, manager of the company, must have had a knowledge of these irregularities, and that there was a reckless manner shown in dealing with other people's property.

He argued that the department had issued the permit without competition, and pointed out that, according to the crown timber act, no timber cutting permit, excepting for pulpwood, was valid for more than a year.

Mr. Denison referred to L. E. Bliss, who, while an employee of the department, became connected for purposes of profit with the Haywood Lumber Company. "His connection with the firm was a fraud upon the department," he declared.

The sitting of the commission was adjourned until 10.30 a.m., the 31st inst. The adjournment until that date being made owing to a death having occurred in Mr. Justice Latchford's family.

KING STREET BUILDING GOES BACK TO BANK

Dovercourt Land Company Had Agreed to Pay Million Dollars for Property.

The building at 12 East King street, now occupied by the Sterling Trust Corporation and other concerns, is said to have been turned back to the Royal Bank of Canada, from whom it was purchased by the Dovercourt Land Company about eight years ago.

Plans are being prepared by the city architect for two city streets for the street cleaning department, the combined cost of which will be about \$100,000. One will replace the old building in Bannockburn Park and the other will be located on Keele street.

The following permits were issued by the city architect's department yesterday: W. H. Kerwin, dwelling and private garage, southwest corner Keystone Avenue and Patricia street, \$7,000; Miller Bros., dwelling, north side of Dufferin place, \$3,500; J. H. MAKES APPEAL FOR STRICKEN ARMENIA

Captain Tells Rotarians of Aid Rendered Allies by Suffering People.

A vivid description of the sufferings of the Armenians and an ardent appeal to Canadians for assistance in that the lives laid down in the great war were given that small nation might live undisturbed, was made by Capt. C. K. Morse of Winnipeg, representative of the Canadian relief fund at the weekly luncheon of the Rotary Club in the city yesterday.

Capt. Morse served as a private in the war and said that just as the men in this country were kept on those on either side, so should all nations exhibit a feeling of kinship toward each other. Armenia had suffered as other countries during the great war, and she had a special claim in Canada in that 200,000 Armenians had fought in the allied armies, 125,000 of them being from approximately 200 miles of the eastern front from the Russians, and particularly because in Palestine they were the only ones to suffer.

The honor roll contains the following names of those who fell in action: Lieut. William J. S. Connor, Lieut. Samuel Johnston, Pte. Moseley S. Chapman, Pte. James Hamilton, Pte. Sergt. James Blair, Pte. Charles Gillen, Sergt. Samuel J. Caulfield, Sergt. William H. Haynes, Sig. James Chantler, Lieut. James Johnston, Andrew Johnston, Corp. Moses Patterson, Sergt. Francis W. Smith, Pte. Randall Johnston, Lieut. William McCullough, Lieut. James Johnston, Pte. David H. Johnston, Pte. William G. Penfound, Lieut. Ernest Creighton, Arnold Gunner, Sergt. William E. Sergt. Thos. G. Harding, Pte. George B. Pearen, Pte. Thomas Church, Corp. Andrew Spence.

Those who enlisted, who survived, were as follows: Pte. W. K. Allen, M.M.; C. H. Alexander, M.M.; R. Allan, M.M.; Sergt. R. Alexander, D.C.M.; B.S.M. E. Armstrong, Pte. E. L. Brazier, Pte. Croft, D.C.M. Pte. A. G. Cook, Pte. S. Case, Gnr. B. Collins, Cpl. F. W. H. Carter, Lieut. Frank Latchford, Pte. A. Coutta, Gnr. J. T. Dargleish, Pte. Russell Doddie;

Regrets from Sir Martin Harvey were read on his inability to attend owing to illness, and also his acknowledgment of flowers sent him in hospital by the club in April last, when he planned to play a return engagement in Toronto, he would address the club if possible.

The "Meditation" from Thais, by Rotarian Frank Latchford, violinist, and Joseph Quintelli, harpist, was enthusiastically applauded, as was the Temple Quartet.

A splendid picture of the members of the board for 1920 was presented to the club by Rotarian Cecil Scoble, on behalf of the late Thomas Scott, who had given more than one picture to the club in the past.

NOT NECESSARY TO HAVE BUILDING PERMITS. In spite of the city's contention, the provincial authorities take the ground that it is not necessary for them to take out a building permit for alterations to any provincial buildings.

The city architect has been deliberately disregarding the truth for years in his communications to Sir William Meredith with regard to the necessity of securing a building permit for alterations at the university. Deputy Minister of Public Works Fairbairn yesterday.

UNVEIL MEMORIAL TO TORONTO POLICE

Colonel Denison Refers to Proud Record of Constables in War.

Solemn and impressive indeed was the service yesterday afternoon at the unveiling of a memorial tablet in honor of the members of the Toronto police force who paid the supreme sacrifice in the great war, and of those who, as the tablet says, during the war, survived.

The proceedings were opened by Deputy Chief of Police Samuel J. Dickson, president of the Toronto Police Amateur Athletic Association, under whose auspices the unveiling took place, after which Chief of Police Samuel J. Dickson took the chair. Rev. Major Canon Dixon then offered a prayer, which was followed by the singing of the hymn, "Oh, God, Our Help in Ages Past."

A hush fell upon those assembled as Col. G. T. Denison, chief magistrate of Toronto, gave the string of purple ribbons that adorned the tablet. The large gathering bowed their heads as the chief magistrate offered a prayer for those who had fallen.

In his address, Col. Denison stated that he had been connected with the force for 44 years, and he was proud of it and of the part it had played in the war. Those who had joined the force, he said, had made a name for themselves and for the force that would pass down from generation to generation, and would serve as a greater stimulus to the newer members of the force to preserve the high reputation already established.

It was astonishing, the colonel said, the growth of patriotism in Canada during the war. British institutions, he said, were being ridiculed if he had stated that Canada would send such a large army to fight in the cause of the motherland.

Referring to the custom of unveiling memorials to the honor of the glorious dead, he said that it could be traced as far back as the days of the Pharaohs in ancient Egypt. The custom had been preserved and emulated by the Spartans and the Roman emperors.

"We owe it to these brave men who fought and fell in France and Flanders to keep their memory alive," declared Mayor T. L. Church in a brief address. "It is for the present generation and for future generations to see that the memory of their noble sacrifice is kept alive in the hearts of the people."

FEDERAL WORKS MAY SOON COMMENCE

Prime Minister Favorably Re-
ports Upon Requests
From Toronto.

CENSUS DATE REMAINS

Government Will Contribute
One-Third of Sum Spent
on Relief.

A start on some of the government building projects for the city of Toronto will probably be made at no very distant date. The citizens' unemployment committee recently wrote the right Hon. Arthur Meighen and several of the cabinet ministers urging that work of all kinds be opened up in this city to alleviate the unemployment situation, special reference being made to the customs and postal station at Spadina avenue and Oxford street, new general postoffice, and the new building for the city of Toronto, placing orders for all kinds of materials and supplies, commencing the Dominion census earlier than June and using unemployed returned men in gathering the necessary statistics. Replies have now been received.

The prime minister, thru his private secretary, states that the question of undertaking the construction of the various works had been favorably referred to the minister of public works, Hon. F. B. McCurdy, for his consideration, and the attention of the minister of railways and canals was being called to the suggestion as to the esplanade viaduct.

Referring to the construction of public works, the Hon. Senator Robertson, minister of labor, has replied stating that this is a matter which must be determined primarily by the minister of public works and the minister of finance. Orders for materials and supplies during the slack season have been under careful consideration, the states, and some action in that direction has already been taken.

The minister of labor contends that the Dominion census must necessarily be taken in June as required by statute, and the government has no authority to divert therefrom. Yesterday there was no hope of an earlier date being adopted.

A letter was also written to Premier Durney urging the Ontario government to undertake public works, reference being made to the new departmental building, the Royal Ontario Museum, repairing of buildings under the control of the government, and the placing of orders for materials and supplies.

The letter has been acknowledged by the provincial secretary, who states that he is sure that the recommendations will have a sympathetic consideration of the premier, and that the Ontario government is giving very special attention to the needs of the situation.

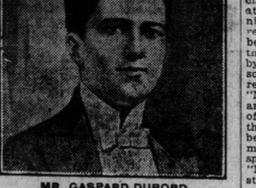

Will Pay One-third.
City officials were assured privately two weeks ago that the federal government would pay one-third of the money which has been expended and will in future, be expended by the city for relief of the unemployed, but only yesterday was this assurance given in writing.

The city treasurer at the same time received an undertaking from the provincial government that they would take care of a third of the expenditure, leaving one-third for the city to meet. Up to the present the city has incurred obligations totalling close to \$200,000, but the governments have not yet been billed for their proportions.

The city has perfected a system for administering relief, which the minister of labor, when he was here a few days ago, considered very efficient. No money is being distributed in Toronto and a close scrutiny is being made of all applications for food, fuel or other aid.

THE DARK MISERY OF LL-HEALTH

Three Years of Suffering Quickly Relieved by "FRUIT-A-TIVES"

MR. GASPARD DUBORD

159 Avenue Plus IX, Montreal.

"For three years, I was a terrible sufferer from Dyspepsia and my general health was very bad. I consulted a physician and took his medicine and faithfully carried out his instructions; but I did not improve and finally the doctor told me I could not be cured. At this time, a friend advised me to try 'Fruit-a-tives' and I did so. After taking two boxes of 'Fruit-a-tives', I was greatly relieved; and gradually this marvelous fruit medicine made me completely well. My digestion and general health are splendid—all of which I owe to 'Fruit-a-tives'."

SPANISH CHAMBER REFUSES CONFIDENCE

Few Members Voted for It, and Rest of Deputies Walked Out.

Madrid, Jan. 21.—Premier Dato secured only 154 votes in the chamber of deputies last night, when he called for a vote of confidence. The remainder of the members of the chamber left the house without voting. In a statement made a little later to newspaper correspondents, the premier declared himself satisfied, and indicated his cabinet would not resign as a result of the situation. This statement followed a conference between the premier and King Alfonso.

ORDER OF THE RED FLAG NEW SOVIET DECORATION

Paris, Jan. 21.—General Kamenef, commander-in-chief of the Bolshevik army, and General Budenny, commander of the first army, have been decorated with the order of the red flag, according to a Russian wireless. This is the first intimation of the establishment of this order, and it attracted considerable comment here.

WELL-KNOWN COMEDIAN IS BLIND, BUT PERFORMS

Washington, Jan. 21.—Ben Welch, comedian, who for four weeks has been blind, will never regain his sight, according to attending specialists today. Since his eyesight failed him, Welch has appeared regularly without his infirmity becoming known to his audience. He was led to the wings to catch his cue and then stepped on a carpet on which he sang and danced his part.

NEW ATTRACTIONS AT LOCAL THEATRES

"Maytime" Returns to Royal
—"Acquittal" Comes to the Princess.

"Maytime," now in its fourth season, and the outstanding musical success of the past few years, comes again by special request to the Royal Alexandra Theatre, next week, commencing on Monday night at 8:15 sharp. Under the direction of the Messrs. Lee and J. J. Shubert, and has solidly established itself as the most popular offering yet sponsored by this firm of impresarios. Rita Johnson Young, who wrote such pleasantly recalled offerings as "The Merry Widow," "Naughty Marietta," "Capt. Kidd, Jr.," "The Broadway Melody," and "The Song of the Flamingo," is the author of "Maytime." The musical setting of the piece was furnished by Sigmund Romberg, composer of "The Soldier Boy," and many of the song hits in several of the spectacular Winter Garden productions.

"Adam and Eva," a comedy firmly in New York last season that the Comstock and Goot comedy, "Adam and Eva," which has already been presented in nine hundred consecutive performances at the Longacre Theatre, and which will be presented in the week beginning Monday, Jan. 24, direct from a run of four months at the La Salle Theatre, Chicago. W. Ray Comstock and Morris Goot, producers of "Adam and Eva," are sending Mrs. McIntyre, and William Boyd, featured, and Borton Churchill, Diantha Pattison, Percy Warrack, and other comedians to the city.

Seats for "Aphrodite"
Manager Solomon, of the Alexandra states that the mail order sale for the engagement of "Aphrodite," which has been announced for Monday evening Monday Feb. 7, promises to be of unprecedented proportions. The interest in this sensational offering has been so great in the few cities where it has been seen so far that all previous records for box office receipts are being broken. Three hundred people are employed in its selling, and there are ten enormous scenes.

"Just Suppose"
Patricia Collins, who will be remembered here as "Follies" comes to the Princess Theatre the week of Jan. 31. "Just Suppose," a comedy that has just closed here at the Princess Theatre, Miller Theatre, New York. "Just Suppose" is founded on an incident which occurred during the production of "The Girl from Ipswich" at the Princess Theatre, New York. "Just Suppose" is a comedy that has just closed here at the Princess Theatre, Miller Theatre, New York.

HOW TO BE HEAL'D BY DURING THE WINTER

Many Troubles May Be Avoided If the Blood Is Kept Pure.

Do not let your blood get thin this winter. For people who have a tendency towards anaemia, or bloodlessness, winter is a trying season. Lack of exercise, lack of fresh air, and a more restricted diet are among the things that combine to lower the tone of the body and weaken the blood.

under Toscanini, the magical conductor, exceeds that of any purely orchestral event ever given in Toronto. This is the case not locally only, but everywhere where he is announced to play. As to their actual playing, there is only one opinion, New York has five concerts, Boston two, Washington two, Toronto two, which has been sold before the doors opened. The Boston American said: "The most wonderful symphony concert I ever remember was that given by Toscanini at the Symphony Hall yesterday. . . . Toscanini is incomparably greater as a symphony conductor than I have ever heard, and this means Muck, Weingartner, Messager, Nikisch, Monteux, Stowkowski and Stock."

PARKDALE WIN FROM AURA LEE 6-4 S. M. C. DEFEAT ST. ANDREWS 5-2

ALL THREE TEAMS ARE NOW EQUAL

Parkdale Slip Over Win on Aura Lee Juniors in Great Tussle.

The local city Junior O.H.A. group is now tied up. Parkdale slipped over a surprise by beating the strong Aura Lee team in a rousing contest at the Arena last night 6 to 4. It was the best junior tussle of the year and top-notch hockey for the full hour.

Waller was a strong rusher for Parkdale and he was a big factor in the win with three tallies to his credit. "Hokey" Smith in the back checking for the west end club was also good on the attack, carrying the puck nicely and not selfish when in close. Barnes also played a strong game and had plenty of speed. Solomon played cleverly in the net.

Dinamore, a centre for Aura Lee, was the best man on the ice. He played himself into the ice in the last round when Aura Lee were staging their last effort to win. Dinamore has all the ear marks for a coming star. Applethorpe was clever and fast, and with McKay made a hard defence for Parkdale to navigate. Denard was good in spots and was a big factor in the win. He played himself into the ice in the last round when Aura Lee were staging their last effort to win.

The second was good hockey with each club getting a goal. The last was a thrilling battle. The play went from end to end for the first fifteen minutes with some clever team play and close checking. Denard grabbed the first goal when Goldsmith was serving a penalty by grabbing the rebound from Rice's shot and scoring. Smith put Parkdale in front with a shot from outside the defence. Aura Lee moved the whole team up to the attack and Smith intercepted a pass and was away with a clear path. Denard scored and the score and close the contest, Parkdale winning 6 to 4.

Parkdale's first win over Aura Lee was thrown out because of two players being over age. Then Moore defeated Parkdale, Aura Lee trimmed Moore and now Parkdale comes along and puts the clearest of the victory over Aura Lee makes a tidy race and promises some grand battles to decide the group championship.

Aura Lee—Goal, Moore; defence, Applethorpe and McKay; centre, Dinamore; right, Denard; left, Rice; subs, Phillips and Young; sub, goal, Walker. Parkdale—Goal, James; defence, Kerr and Waller; centre, Smith; right, Morgan; left, Goldsmith; subs, Barnes and Ashton; sub, goal, Foster.

Summary: 1. Aura Lee—Denard 3.00 2. Parkdale—Waller 2.00 3. Aura Lee—Appelthorpe 2.00 4. Parkdale—Smith 2.00 5. Parkdale—Waller 2.00

THREE-GOAL MARGIN FOR ST. MICHAEL'S

St. Michael's College defeated St. Andrew's in a prep. college game at the Arena yesterday afternoon by 5 to 2. No scoring resulted in the first period, the play being even. The Saints opened up in the second period and made it a runaway, scoring four goals. St. Andrew's came to life again in the final period, outscoring St. Mike's 2 to 1. McCarnay was a bright shining light and Rooney was also good. Findlay and Drury were St. Andrew's best. The teams: St. Andrew's—Goal, defence, Carrick and Draper; centre, Findlay; right, Drury; left, McCleod; subs, Peene and McCleod. St. Michael's—Goal, James; defence, Rooney and Moore; centre, Milne; right, Gauthier; left, Murphy; subs, Gauthier and Brown.

Summary: 1. St. Michael's—Milan 2.00 2. St. Michael's—McCarney 2.00 3. St. Michael's—McCarney 2.00 4. St. Michael's—Milan 2.00

HAMILION TIGERS TACKLE AURA LEE

Aura Lee's last chance to get in the running for the O.H.A. honors will take place tonight when they entertain the fast-traveling Hamilton Tigers. Aura Lee have six games to play, and if they can turn in a win tonight and keep the streak going they can land in the money and the play-off. The Avenue roaders claim a flax has been following them. They have captured a black cat, and have secured a rainbow, and a pot of gold. The team is in a very good mood and they are confident of a win. The Tigers are coming down at full strength, and if Aura Lee can hold up their end of the bargain, the bank of victory are bright. The bank of victory are bright. The bank of victory are bright.

ATTWOOD WINS BY REFEREE'S AWARD

Wise Beaten in Slow Bout at G. W. V. A. Show in the Armories.

The fans who sat for three hours and watched the boxing contests at the armories last night went away perfectly satisfied—satisfied that they had seen about the poorest card that ever has been probably ever will be put on in Toronto at the price. The main bout between Joe Attwood, the Canadian army champion, and Al. Wise of Syracuse, was a poor affair. The men clinched and wrestled and were repeatedly warned for holding. Wise was the worst offender in the early rounds and disgusted the crowd by his wild and covering up, but in the last three he had the better of the bout and the fans are still trying to figure out why the decision went to Attwood.

Dave Cook of Windsor showed his class by stopping Fern Bull in the first round. The men had only exchanged a couple of left jabs when Cook suddenly whipped a right hook to Bull's chin and the Toronto boy was dead to the world. Peewee Adams and Parley McGrath put up the best bout of the evening. They went four rounds to a draw and every second was full of action. Adams did the most of the leading and jabbed McGrath with a straight left and had a good lead in the first couple of rounds, but in the third and fourth Parley went to the front and with hard rights to the jaw had Peewee a little shaky and the majority of the crowd thought he should have had the decision.

Three-pound competition brought together a lot of green boys who, although they didn't know much, gave the best they had and were generally applauded. In the preliminaries Cave beat Montclair in a hard bout, and Bennett of Port Hope put out Simmons in the second, while Catto had all he could do to shade the wildly rushing Goldie and Bennett of the St. Charles A. C. had things pretty well his own way against Garrity of Hamilton. In the semi-final Cave stopped Bennett of Port Hope in the second round, but Bennett of the St. Charles had to go the limit to get the decision over the sorrel-topped Catto.

STRANGLER LEAD WINS. Rochester, N.Y., Jan. 21.—Ed (Strangler) Lewis successfully defended the heavy-weight wrestling championship here tonight, throwing Dick Davico of Texas in 1 hour and 23 minutes.

WATFORD BEAT STRATHROY. Watford, Ont., Jan. 21.—Watford met Strathroy here tonight, playing a fast inter-mediate O.H.A. game, and won by a score of 3 to 1.

Canadian Curlers Beat Coupar and E. Fifeshire. Edinburgh, Jan. 21.—(Can. Associated Press)—Canadian curlers today defeated Coupar by 48 shots. Scores of Canadian curlers were: J. Mathewson, Winnipeg, 15; Robert Hicks, Peterboro, 25; P. Douglas, Hamilton, 21; J. A. Johnson, Balduf, Man. 16; W. C. Murray, Montreal, 25; D. A. Adams, Manitoba, 19; Total, 121.

EXHIBITION WON SHOOT-OFF. Exhibition and Grenadiers led their indoor rifle league shoot of 81. They shot off three ties, five shots, and then shot for shot. Results: Exhibition—J. A. Smith, 10, 10, 10, 9, 10, 10, 10, 10, 10. Grenadiers—W. Kelly, 10, 10, 10, 10, 10, 10, 10, 10, 10.

CARPETBALL. In the A.O.F. Carpetball League last night, juvenile section, Dovercourt defeated West Toronto, 21 to 24.

FORECAST OLD COUNTRY SOCCER

First Round of the Scottish Cup Opens—Cardiff and Bristol Again.

BY W. H. SCOTT.

The first round of the Scottish Cup ties open today in the Land o' Cakes, and while few big division teams are engaged, the matches are of supreme interest in that many clubs that are playing in the Central League, and who claim to be the equals of most teams in the Scottish league, will eventually meet the latter in the next round, and it will be interesting to watch how these clubs pan out. The biggest game of the day is on the Volunteers' grounds, where the Hibs provide the opposition, and while I make all allowances for the Bormans, I cannot see them heading the Hibs. The meeting of Blairgowrie and Queen of the South team, I don't know, should result in a win for the latter, for their enlightenment. The team factors travel all the way to Inverness, where the locals, who are not too good, will take part of the gate as their share. The contest at the High Street, where the locals, who are not too good, will take part of the gate as their share. UPHOLD FEDERAL RIGHT TO DIRECT FISHERIES
—The privy council decision in the Quebec fisheries reference, copies of which have been received here more than vindicate the position taken by the federal government. The decision finds, in substance, that there is a public right of fishery, over which the federal authorities have exclusive jurisdiction, not only in the navigable tidal waters, but in the tidal portions of the sea, and also in the navigable portions of the sea as well, thus including valuable salmon or other river fisheries.

TERMS IN PENITENTIARY METED OUT TO BURGLARS
Ottawa, Jan. 21.—John Kearney, 29 years of age, was sentenced by Judge Gunn today to four years in Kingston penitentiary, and Thomas Dale, aged 24, drew three years for breaking into the premises of W. J. Corly, wholesale fruiterer, here on the morning of January 8. Kearney was given the extra year for perjury. Judge Gunn said he would have been inclined to show leniency had the men admitted their guilt.

UPHOLD FEDERAL RIGHT TO DIRECT FISHERIES
—The privy council decision in the Quebec fisheries reference, copies of which have been received here more than vindicate the position taken by the federal government. The decision finds, in substance, that there is a public right of fishery, over which the federal authorities have exclusive jurisdiction, not only in the navigable tidal waters, but in the tidal portions of the sea, and also in the navigable portions of the sea as well, thus including valuable salmon or other river fisheries.

TERMS IN PENITENTIARY METED OUT TO BURGLARS
Ottawa, Jan. 21.—John Kearney, 29 years of age, was sentenced by Judge Gunn today to four years in Kingston penitentiary, and Thomas Dale, aged 24, drew three years for breaking into the premises of W. BEAR REVIEW AT STOCKS IN NEW YORK MARKET

Steel, Equipments and Oils Under Special Pressure, While Several of the Motor, Shipping and Food Issues Show Relative Firmness—Industrial Advances in Main Unfavorable.

New York, Jan. 21.—From the outset of the session, business on the stock exchange today was marked by an absence of the recent operations of bull pools, and popular interest, together with numerous inconspicuous specialties, registered declines of 2 to 5-1/2 points.

There were a few isolated exceptions, relative firmness being displayed by several of the motor, shipping and food issues, but the day as a whole pointed to an accession of bearishness in professional quarters. Final dealings, when such stocks as steel, equipments and oils were under special pressure, resulted in a number of severe losses. Sales amounted to 735,000 shares.

Banks continued to express confidence in the immediate future of the credit situation, but this failed to reflect in the money market, where rates for demand and time accommodations were again inclined to stiffen.

Advices affecting the domestic industrial situation dealt principally with announcements of further wage reductions, coal strikes in Pennsylvania, suspension of coal shipments from Kentucky fields, and a moderate revival of activity in the shoe trade.

Foreign exchange strong. Movements of foreign exchange were chiefly noteworthy for the renewed strength of French remittances, which rose to 8.77, with a concurrent advance in the Belgian rate and more substantial gains to northern European points, as well as Italy and Spain.

Completion of the \$30,000,000 Belgian loan on a twenty-year eight per cent basis was made the theme of much conjecture respecting other foreign underwritings which are now engaging the attention of the United States financial community.

The bond market was firm in the main on the smaller turnover of any recent period. Liberty issues closed at variable advances after moderate reactions and other domestic and foreign flotations were disposed to improve. Total sales par value, aggregated \$9,900,000. On call bid prices for old U.S. 4s and 4 1/2s were 1 and 2 points lower respectively.

Mining shares met a good market again yesterday and no quantity of offerings were available except on the sharp advances as that which occurred on Tuesday. Under such speculative rises such as this immediately encourages short contracts, which in turn depress the price. In a broad way it may be said that buyers were more plentiful than sellers yesterday at the normal quotations.

There is no abundance of floating stock, and this was demonstrated yesterday when a broker tried to borrow a thousand shares of Schumacher to carry delivery pending the arrival of the seller's stock.

Trading was not quite as active on previous days, but the market under lost none of its strength. Hollinger made little further progress, but McIntyre and Dome were easier, the latter, it was said, in sympathy with New York. In the lower priced shares there was a stir in Schumacher, which advanced the price to 26. West Dome, Keora and V.N.T. were steady. Expectations for the movements in Beaver, the silver, were quiet, with no other changes worth noting.

Mines give tonnage to the railroads. Writing on the "Cape to Cairo" Railway, Saturday Evening Post, Isaac F. Marcasson says that fundamentally the railroads of any country are the real measure of its progress.

Mr. Parsons says it is an astonishing fact that the total products of the mines of the United States form approximately sixty per cent of the total products carried by all the railways of the country. Measured by the tonnage it produces the American mining industry is the biggest industrial activity in the world.

Mr. Parsons adds that during the first quarter of 1920 there were four and a half tons shipped from the mines to one ton of products shipped from the farms. During the same period the shipments of mine products were two and one-half times that of the shipments of farm products.

Altho the mining industry of Ontario is only in its infancy, forty-seven per cent of the freight revenue comes from the mines as against thirteen per cent from agriculture. These figures show the importance of railways to the mines as well as the dependence of the mines on the railways.

The railway industry of Ontario is growing with a view to promoting the growth of the mineral industry. The miner has been compelled to follow the coal miner, and the result is a beneficial result would flow from a railway designed to open up a great mineral area.

The Swedish-Canadian Mines, Ltd., which has acquired the Foley mine, is planning to start operations shortly. This property is far advanced in development and equipped with mining machinery and a stamp mill. Mr. Carnegie, who has had Cobalt and Porcupine experience and has been retained as engineer, is in the city at the King Edward.

STEADY PROGRESS BY DOMINION BANK

Fiftieth Annual Statement Makes Usual Excellent Showing of Advance.

The fiftieth annual statement of the Dominion Bank was issued yesterday and carries on its face the general financial conditions that have ruled throughout the year.

The institution has made good progress and this is especially marked in its savings deposits, which have increased by over \$10,000,000.

A falling off in non-current bearing deposits of \$17,000,000 was largely due to the government withdrawal of the proceeds of the last Victory loan.

Net profits for the year were \$1,183,511.11—an increase of \$1,807,228. or about 9.14 per cent on the bank's capital and reserves. Cash assets at the close of the year were \$84,661,000, an increase of \$2,758,000, and 27.65 per cent of the bank's liabilities to the public.

Readily available assets amounted to \$64,320,000 and are \$1.81 per cent of the public liabilities.

The bank has extended a full consideration to its customers in view of the commercial loans, which stand at \$66,740,000, or slightly above those of the previous year.

From profits of \$1,183,511.11, \$1,183,511.11 has been made to shareholders in dividends amounting to 12 per cent, with one per cent bonus.

The carry forward to credit of profit and loss was \$1,668,200, or 17.80 per cent greater than in 1919. The annual meeting will be held on Wednesday next.

EXPORTERS RESELL AND WHEAT SLUMPS

Beneficial Rains in India Another Factor—Oats at Season's Lowest.

Chicago, Jan. 21.—Announcement that seaboard exporters were offering to resell brought about a collapse of wheat prices today after a bulge, due largely to inquiries from foreign buyers, had closed heavy, 3 1/2c to 4 1/2c set lower, with March 4 1/4c to 4 5/8c and May 4 1/4c to 4 5/8c.

As much as 8,000,000 bushels of wheat was said to be wanted for Portugal, and during the last half of the day there was a good demand from the seaboard, presumably in anticipation of consequent large orders to buy. Later, however, it was said that a six months' credit was being offered, but such credits had not been obtainable.

News that India has received beneficial rains offset bullish conditions and caused a general decline in export wheat in Argentina was nearly certain. Corn and oats lacked support except wheat, which was on the upgrade. Oats dropped to the lowest prices yet this season.

Covering by shorts rallied the provision market from weakness caused by lower quotations on hogs.

STREET CAR CONSOLIDATION NECESSARY AS FIRST MOVE

City Should Immediately Settle on Standard Gauge, Prepare Existing Civic Lines and Make All Arrangements to Effect Consolidation the Day the Company is Taken Over.

Following our previous articles on Toronto street car problems: And we wish to start at the most important and the most immediate concern that is the quick consolidation into one system of:

1. The Toronto Railway lines.
2. The municipal-owned lines.
3. The radials taken over on the Kingston road, Lake Shore road, the city portions of the Metropolitan.
4. And the radials in and about or near ward seven (West Toronto) that can be bought, and must be bought, from the Canadian National Railways, that is to say, the standard gauge lines on Dundas street, Keele street, Davenport road, Weston road, with various extensions into lesser streets.

The first thing to do is to consolidate these lines into one system and have the consolidation under way the day after the Toronto lines are taken over by the city.

To do it right the civic transportation commission ought to start now and get ready. Let the question of widening the streets, of tubes, of paying therefor, be left to others, and perhaps part of it held back for a time.

What ought to be done first? Settle the question of gauge. Are we to adopt the standard gauge, like every other street car and radial track in America? We have no time to argue that and do not wish to argue it unless we must. The radials that we are getting, and are to get, are standard gauge. Let us keep them so, and proceed gradually to change the municipal and Toronto tracks and the experts in charge may advise. We can serve the public for a while, we must serve the public for a while, by using both gauges, and transferring passengers from standard gauge cars to broad ones wherever this is necessary at the start.

But there is preliminary work to do and a lot of this preliminary work can and should be done now, before we take over the Toronto lines.

And the first requisite is a thru north and south line from the Union Station to the north city limits on the hill above Hog's Hollow, over seven miles in length. We propose to call this for a start, the uptown line, or the Bay street line. Its route will be Bay, Teraulay, Teraulay extended from College to Bloor by St. Vincent and North street, and from Bloor thru a new street to Davenport road, then by Avenue road to Avenue road. Then by St. Clair east across Yonge and on to Mount Pleasant road and on to Mount Pleasant and Glen Echo road, then west over Yonge by Glen Echo road. Here the Metropolitan Railway proper will begin.

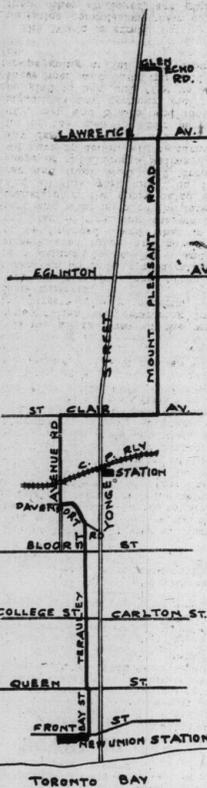

Most of this line has not yet been built, but all has been authorized by the city and the ratepayers. The right-of-way for the new streets has all been bought save one block and that is now being arbitrated. Therefore, let the contracts right away, first to open and grade the new streets, and next to put down double tracks, standard gauge, from Yonge north to Yonge and St. Clair, and from Avenue road to Davenport down to College street. Split this into two or four contracts, the transportation

The World's proposal for a north and south line from the new Union Station to the city limits on Yonge street.

commission supplying the rails, ties, cement, etc., all to be ordered right now.

The Toronto Railway, The World is assured, will give up the Bay, Teraulay and Avenue road tracks any day after the city before its franchise expires for this work to be done in time.

There is no trouble about the municipal tracks on St. Clair avenue. They are spiked to ties bedded in with broken stone, and the gauge of the whole six miles could be changed by big gangs of men moving in the outside rails the necessary three inches in two days. The Grand Trunk changed the gauge of over three hundred miles in two or three days some years ago. It's a matter for expert trackmen.

Now then, here's your uptown line all ready for the construction gangs to get to work any day.

Having this done, what do you have on the day of consolidation? A new fast line, practically paralleling Yonge street, but not on it, from the north city limits to Union Station of standard gauge.

Next you have a standard gauge line from the terminal of the municipal line at Davenport station right east to Avenue road and across Yonge, by which people can get up and down town close to the city's great backbone, Yonge street, and from Davenport station in the west down to Union Station, including all the radials in West Toronto and thereabout. Also the Metropolitan cars from away up Yonge street down to the Union Station, and giving a consolidated city ticket with a transfer into any of the other city cars as they happen to be running on the first day.

If the Toronto Railway will turn over to the city one other of its present lines, it can be rebuilt to standard gauge in a very short time, before the actual transfer of the other lines. If it were Queen, it would let in the radial cars to the centre of the city from lake shore to Kingway, ward seven, on the same conditions as the Metropolitan already outlined.

And all the time this is going on, we ought to be having built, say, fifty standard gauge cars, and contracts and all arrangements made for converting the gauge of the old cars as we want them.

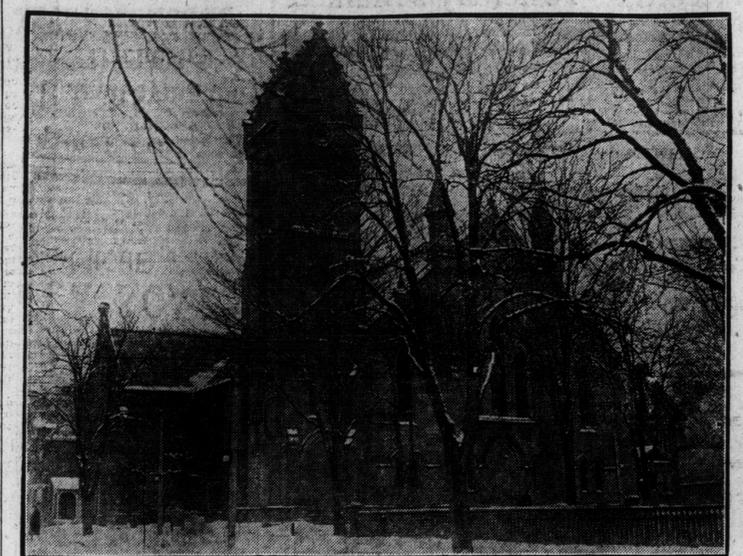

Leave all the rest of the work of consolidating the remaining lines to the street railway experts. That's their business.

In the meantime the other great tasks can be under consideration, that of widening Yonge, Bloor and other streets, even tubes, and how it is all to be financed. And what is to be the plan of financing the whole system, and what is to be the fares with transfers on the consolidated system. And all this work might be done in car and track work and from the shops of the Toronto Railway, which, we have no doubt, will be turned over any day on request. They've got a lot of the men in their service today men and bosses, and tools, construction cars, derricks, etc. They'll be glad to help out. Let us keep all these men and their car and repair shops going at full blast from now on.

The World is afraid that the transportation commission, their engineers, their other employees, are giving too much time to things that must be settled after the first consolidation work is over, after the three systems have been consolidated. We want to do this job better than the co-ordination of the Grand Trunk and Canadian National is being done. That's a slow and expensive experiment—for our advantage!

The World doesn't pretend that its

CHURCH DESTINED TO DISAPPEAR

The carrying out of the Teraulay street extension undertaking means the wiping out of Grosvenor Street Presbyterian Church, which stands in the way. It is not likely that a new church will be built, and the 500 members of the congregation will go to swell the attendance at other churches.

proposals as above set out are complete; but the meat is all there, and the whole thing is subject to the suggestions of others. And it's real meat we want for the people on the day of a consolidated public owned system. Also for business men. And the consolidated system on these preliminary plans will give a hundred per cent. better service the day after taking over the Toronto Railway lines than we have today!

SAYS REDMEN'S BONES SHOULD BE RE-INTERRED

F. O. Loft, an employe of the province, who is proud of his Indian blood, suggested to The World last night that arrangements should be made for proper re-interment of the bones of the redmen uncovered Thursday in High Park. He considers that the civic authorities might properly take action to honor a race whose history is an essential part of the history of Canada, and that the many Indian associations in connection with Toronto should take place with appropriate ceremony within the city's bounds.

NEED BETTER LIGHT FOR HOCKEY RINKS

Verdict of Accidental Death Returned at Edgar Hawthorne Inquest.

That better lighting systems should be insisted upon for hockey rinks was the rider attached to the verdict of accidental death brought in by Coroner G. W. Clendenan's jury at the inquest held last night on the body of Edgar Hawthorne, who died at his home on January 13, following being struck by a puck during a game between the Royal Bank and the Victorias at Victoria Rink on the night of January 12. The players were exonerated from all blame.

Hawthorne was keeping goal for the Victoria team and when W. Armstrong shot the puck from the side he put up his hand, but misjudged its direction, the puck striking him on the left temple, caused a hemorrhage

as was revealed in the post mortem evidence. There was a slight fracture of the skull and an artery was ruptured, causing a blood clot to form on the brain.

R. M. Fawcett, the referee, stopped the game as soon as he saw that Hawthorne was hit, but ordered the game to proceed. There was only one set of pads, the changing of which would necessitate some delay and Hawthorne said he was not hurt and played until the end of the game. There was no rough playing. The lights, said Fawcett, were on the side of the rink and he thought the placing of a light in the centre and one behind each goal would help, as the goalkeeper would not have to face the glare. All the witnesses testified that the lights were poor and that the puck could not be seen when it rose above the boards. Hawthorne also had complained that he could not see very well.

Armstrong said that he shot the puck and he thought Hawthorne had been hit on the hand when the impact was heard. Then he had put his hand up to his face. His chances of recovery, said Dr. C. H. Gilmour, who made the post mortem, would have been much better had he left the game following the accident.
