OUR OWN ADVERTISEMENT.

The Woodstock Journal is a large eight-page weekly
 devoted to the advancement of the industrial, com-
 mercial and moral interests of New Brunswick.
 The primary objects at which it aims in the present
 circumstances of our Province are:—

1. The promotion of immigration, and the settlement of
 the wild lands.
2. The opening of the country, and the facilitation of
 intercourse, by the improvement of the means of inter-
 communication.
3. An increase in the Representation in the House of
 Assembly.
4. A system of Free Education for all,—schools of all
 grades, from the Parish school to the Provincial Uni-
 versity, being open to all with-out money and without price,
 and supported by Direct Taxation.

While the Journal labors for these primary objects it
 does not neglect any others. It labors to introduce into
 the arena of politics a generous, sound and manly tone
 of discussion—to promote sympathy, good feeling and
 harmony among all classes, erects, conditions and par-
 ties—to establish a system of frank yet genial criticism
 of men and their words and deeds—to encourage free-
 dom of thought and speech—to develop in our people a
 sentiment of manly self reliance—and to inculcate the
 true doctrines of the *New Philosophy*.

AN ADDRESS TO THE CANVASSERS OF GRAND FALLS.

(Communicated.)
 My advice to those above,
 At or near the Falls sir!
 Is to mind their P's and Q's,
 And look out for squalls sir!
 And not get into a faction
 On the eve of an election;
 But mind and keep your powder dry,
 For the day of Nomination.

Now's the time to be in motion—
 And Canvas City, Hill and Valley,
 Not making much commotion,
 Whilst your forces you do rally,
 Then at the day of Nomination,
 Go it strong against Importation
 Of members of our Parliament
 From any Foreign station.

You can do it if you try,
 For better men you've got plenty,
 Ready to make the smugglers fly;
 And represent your noble county,
 Stand firm boys, and do not yield,
 Whilst you've Earls and Dukes in fields
 And Knights and Esquires all around,
 While independent voters on the
 ground.

A man we have at the lower end—
 Now don't be over jealous,
 Whom we would like to send
 Into the House to represent us.
 Since you've got the Election Fever,
 And your throats are getting dry,
 Whilst you're flushed with too much "Water-
 ters!"
 You had a better "Beveridge" try.

Now choose your man from above—
 One you sure that will do it;
 And all below will him show;
 Then they'll together go it;
 Then let this be the understanding
 When at the place of polling
 And be sure your votes to throw
 One above and one below.

So now both John, Dan and Barney,
 Be careful how you run;
 For there's queerer things than Barney,
 Although it is such glorious fun.
 Since only two can be elected;
 Whilst the rest will be rejected;
 You'd better throw your interests where
 It would effect the thing intend-d.
 Tobique, May 6th, 1861. An Observer.

RIOTS IN NEWFOUNDLAND.—It is said that
 Newfoundland is in a great state of excitement
 on account of the general election which takes
 place this month. The Roman Catholic Bishop
 has come out strongly in favor of the late Gov-
 ernment, though he denounced its members some
 time ago. Field (Anglican) comes out equally
 strong in favor of the new Government. Election
 Riots have occurred at St. John's and Harbor
 Grace, at which latter place the military have
 to be quartered to keep down the rabble. It is said
 much property has been destroyed; but happily,
 no lives have been lost. The telegraph lines have
 been torn down. Late advices say that the mobs
 will not allow the repairer to put up the wires;
 that several persons have been wounded; and
 that the Governor by proclamation has disfranchised
 several districts.—*Courier*.

POISONED BY A SICK COW.—Mr. Josiah French
 Jr. a very respectable farmer of St. John, died on Fri-
 day last from a disease which, it is believed, he
 caught from a sick cow he had been doctoring.
 He had been in the habit of handling the rags
 which were about the affected parts of the cow,
 and was thus inoculated through a small crack in
 his thumb. The thumb was the first part affected,
 but the disease soon became general, rendering
 him unconscious; and he died in a few days.—*Som. Farmer*.

THE QUEEN VS. EVELETH.—The decisions of
 the Judges of the Supreme Court, were delivered
 on last Monday afternoon, upon the application
 of Mrs. Eveleth, for the return to her, of the goods
 claimed by Messrs. Emnis & Gardiner, which
 were produced upon the recent trial against Mrs.
 Eveleth, on the indictment of larceny. The Judges
 have decided that the goods in question, shall be
 given up to Mrs. Eveleth; and the grounds of the
 judgement, as expounded by each of the Judges,
 will be published in full in the *Colonial Empire*
 of Friday next. Mr. Justice Ritchie, in deliver-
 ing the judgement, expressed his concurrence in
 the conclusion of which his learned brethren had
 arrived.—*Colonial Empire*.

RUSSIA.—A late English paper commenting upon European affairs, says:—

"Russia, by its recent conduct towards the
 Pole, has placed itself amongst the reactionary
 governments and has lost all the grace of its late
 concessions. The number killed, wounded and
 arrested at Warsaw in the late carnage is said to
 exceed 1000. It would appear that the inhabi-
 tants of Warsaw had a presentiment of a coming
 struggle, and in anticipation of it, many received
 the last rights of the church, as if preparing for
 death. When the firing of the soldiery commen-
 ced, the scene is here described as sublime. "Men
 and women stood up before the levelled muskets,
 and repeated the order "Fire!" Mothers held up
 their babes, and re-echoed the cry "Fire!" The
 disregard of death was something awful." It is
 said that Alexander intends to rule Poland by the
 sword. He will have some trouble in exterminat-
 ing a people who give such proofs of patriotism
 as are here recorded. It is stated that these
 events in Warsaw have served the French and
 Russians alliance, and that Russia, Austria, and
 Prussia have united to put down anti-revolutionary
 tendencies. This is very likely, but why
 Prussia should join it seems somewhat of a mys-
 tery."

EMIGRATION TO CANADA.—The tide of Emi-
 gration has already begun to flow towards Cana-
 da, a considerable number of Emigrants having
 arrived at Quebec in the last three Canadian
 steamers, these persons are by no means of the
 mere laboring classes, but actually bring with
 them a large amount of capital. It appears that
 only fifteen of them carry with them £3000 ster-
 ling, one of whom alone has a draft for £275. Why
 cannot such beneficial immigrants be persuaded
 to settle in New Brunswick, whose resources in
 mineral and agricultural produce are surpassed
 by no other portion of the world? It appears
 that Canada has Agents in the Mother Country,
 active intelligent and energetic; why have we not
 the same? If the natural resources of this Pro-
 vince were equally demonstrated in the Mother
 Country with those of other Colonies, we could
 not fail of attracting an enormous amount of
 emigration to our shores.—*New Brunswick*

THE ELECTION.—The Sheriff of this County
 having received the Writ for the Election of
 "four of the most able and discreet men" to rep-
 resent the County of Charlotte, in the General
 Assembly of the Province of New Brunswick, has
 issued his proclamation appointing
 Friday 14th of June as day of Nomination,
 Thursday 20th for Election, and
 Tuesday 25th for Declaration of Members
 chosen.

The Sheriff is entitled to the thanks of the far-
 mers and others, whose avocations would have
 prevented them from exercising their elective
 franchise, had he appointed earlier day for
 voting.—*Standard*.

MAY REQUIRED TO KEEP A HORSE.—A corres-
 pondent of the Wisconsin Farmer, who has given
 careful attention to the subject, says that five
 pounds of hay at a feed, or fifteen pounds per day,
 with twelve quarts of oat meal, or its equivalent
 in shorts, will keep a good sized horse in fine
 condition for all road or farm work, and is amply
 sufficient. Some will keep on considerably less;
 this however is a fair average.

Several reasons are given by one of the Ameri-
 can Church papers for clerical unpopularity;
 but the strongest, in our opinion, is omitted from
 the catalogue—namely, long sermons. A ser-
 mon should never exceed, except under special
 circumstances, thirty minutes. When it does,
 more injury than good is produced, and it is a
 little singular that some clergymen are so slow
 to learn this lesson.

A number of youths have formed themselves
 into a Volunteer Rifle Corps, meet for drill every
 evening and march through the street with
 drum. We understand that they are to turn
 out in uniform on the Queen's birth-day and fire
 a *cu-de-jonc*.—The martial spirit is alive in
 young St. Andrews.—*Standard*.

Green peas and strawberries made their first ap-
 pearance in the savannah market on Wednesday
 March 20th.

THE GLOBE.—Some remarks in reply to the
 question as what the opposition did last Session
 are crowded out this week.

Square oak timber is now transported from
 Canada West to Kingston, by the Grand Trunk
 Railway, in preference to canal boats and lak-
 eraf's.

A lap-dog recently brought \$2000 in London
 by auction.

MR. RUSSELL ON THE CRISIS.

Without the means of enforcing an authority
 which many of its own adherents, and most of the
 neutral parties denied to it, Mr. Lincoln's Ad-
 ministration finds itself called upon to propound
 a policy and to proceed in vigorous action. The
 demand is scarcely reasonable. The policy of
 such men suddenly lifted to the head of affairs,
 which they cannot attempt to guide, must be to
 wait and watch, and their action must be simply
 tentative, as they have no power to put forth with
 moderate hope of success an aggressive force.

Be satisfied of this,—the United States Gov-
 ernment will give up no power or possession which
 it has at present got. By its voluntary act it will
 surrender nothing whatever. No matter what re-
 ports may appear in the papers, or in letters, dis-
 trust them if they would lead you to believe that
 Mr. Lincoln is preparing either to abandon what
 he has now or to recover that which he has not.
 * * * * * The effect produced in the North
 and Northwest by an attack on the forts while
 the United States' flag is floating over them would
 be as useful to the Government at Washington
 as the effect of abandoning the forts or tamely
 surrendering them would be hurtful to them in
 the estimation of the extreme Republicans. A
 desperate attack, a gallant defence, the shedding
 of the blood of gallant men, whose duty it was to
 defend that entrusted to their keeping, and who
 shielded only to numbers—the outrage on the
 American flag—would create an excitement in
 the Union which the South with all its determina-
 tion and courage is unwilling to provoke, but
 which the Government would be forced to use in
 its own service.—*Letter to the London "Times,"*
from Washington April 5.

SEIZURE OF ARMS.—During the afternoon,
 Gen. Butler made a formal demand on the city
 authorities for the delivery of a quantity of arms
 stored in the warehouse of John Githing, Marshal
 Kane refused to deliver up the arms, without the
 officer produced an order from the Mayor.

Finally after some altercation, an order was
 produced, and the arms were brought out, mak-
 ing fifteen dray loads. A guard of Federal troops
 was placed over the arms, and they were escorted
 by the police to the fort.

10,000 ENFIELD RIFLES FROM ENGLAND.
 The New York Tribune states that the steam-
 ship Africa is unloading 10,000 Enfield Rifles for
 the Federal Government.

RAISING CARROTS.—Carrots are of the most
 profitable crops that a farmer can raise; and no
 good farmer, even when he raises a good crop of
 turnips, should think of dispensing with carrots.
 Carrots are profitable, even when they cost nearly
 as much as they are worth to raise them; be-
 cause they are the means of introducing, or aid-
 ing an improved system of husbandry. Every
 farmer cannot raise carrots, unless he takes a
 little pains in draining and enriching his soil; and
 for this reason, if a farmer fails to raise them, he
 will often have his attention turned to the impor-
 tance of thorough draining, making and applying
 manure to the soil, and of keeping stock.

AMERICAN EMISSAIRES.—I have been suspec-
 ted that for the past few days some emissaries
 of the Federal Government of the Northern
 States have been prowling about our city. Whe-
 ther with design upon our hearstoes, or the more
 ignominious and disgraceful desire of tampering with
 Her Majesty's soldiers, we have not learned. By
 the way of friendly advice we would intimate to
 the gentry that "there's no place like home."
Halifax Journal.

COLT'S REVOLVER.—Gov. Washburn has pur-
 chased eight hundred Colt's revolvers at a cost of
 \$17,000, or an average price of \$21.25 each.
 They are to be furnished to the officers and mus-
 icians of the several infantry regiments, but not
 to the privates. Five hundred of the revolvers
 are largest sized "Navy," and three hundred
 next size, but said to be just as good.

GREAT EASTERN.—The second voyage of the
 Leviathan is not likely to be very remunerative.
 She is advertised to sail from New York for Liver-
 pool on the 25th inst. The statement made by
 telegraph that she was to be purchased by the
 U. S. Government proves to be untrue as it was
 ridiculous.

TANGIER.—We saw a lot of gold purchased
 by Mr. McCulloch, just brought from Tangier by
 a young man who had been there twenty years.
 Mr. McCulloch, we understand, paid \$150 for
 the lot. One nugget was weighed and found to
 be worth \$10.50.—*Cronicle.*

It is stated as a fair estimate that not less than
 two hundred negroes, escaped from southern
 bondage, have passed through Philadelphia,
 North, since Fort Sumter was captured.

THE ELECTIONS.

We have positive information as to who will be candidates from but a few Counties. Very many are spoken of, and very many have issued cards; but in all probability only a few of them will come to the scratch at the Nomination; and we shall not before the respective Nomination days be able to speak positively as to those who intend to try their chance.

In St. John city there are two Smasher and two Conservative candidates—the former Messrs. Tilley and Watters, the latter Messrs. Lawrence and W. H. Scovil. All four are strong men; and the contest, no doubt, will be a warm and close one. The Conservative candidates are good men; a more judicious selection could scarcely have been made.

St. John County has eleven in the field. The Smasher ticket is Cudlip, W. A. Robertson, Skinner Jordan; what is called the regular Conservative ticket comprises Gray, Wilnot, D. J. McLaughlan, and A. Magee. Besides these there are out S. R. Thompson, who describes himself as a "moderate Conservative," John Goddard and T. W. Anglin, Editor and Proprietor of the Freeman. M. Cudlip will, in all probability, be elected; and opposed as is The Journal to him, in politics, we cannot say that we shall regret his presence in the new House; for intellectually and morally he is a superior man; and he possesses a frankness and bluntness really not worthy in an assembly where these qualities are by no means prevalent. It is very much to be regretted that he has been thrown into company with which he has so little in common; we fancy that Mr. Cudlip must often feel in the party with which he is connected very much as would a fish in Sahara.—Otherwise, the Smasher ticket is not strong; and had the Conservatives displayed more wisdom and less selfishness they might have secured five if not six seats in St. John. Mr. Thomson we should like to see in the House, in which his talents would soon give him a leading place. Mr. Anglin has done much for the Conservative party. So far as we can judge he has been treated shabbily. Mr. Wilnot, we presume, will lead the poll. Had the Conservatives agreed upon four men, and these good and true, their success could not have been doubted. If they are defeated they can blame nothing but their own folly and selfishness.

The Conservative ticket in Kings is Dr. Vail and W. B. Scovil, late members, and Dr. T. Earle. On the Smasher side Mr. McLeod, late member, and Messrs. McMonagle, Ryan and Freezare spoken of. The three Conservatives will, we believe, be elected.

In Queens S. H. Gilbert, Conservative, and John Ferris, Liberal, late members, are out, as is Mr. Bailey, Conservative. Mr. Gilbert is certain to come back; and Mr. Ferris probably will not.

Sunbury has Messrs. Tapley and Perley, late members, both Smashers, out. The opposing candidates are said to be Messrs. John Glazier and Lum.

We cannot guess at the result. York has eight candidates for her four seats. Mr. McPherson has declined coming forward. Messrs. Allen, McIntosh, Yerxa, Street, Fisher, Hatheway, and Dow are before the constituency. The four first are known to be Conservatives. We presume that the election of Messrs. Allen and McIntosh, late members, is sure; it would be a bad thing for York to leave them out.

Carleton we speak of elsewhere. In Victoria neither of the late members have come forward. In their place we have Messrs. Beveridge, Costigan, John D. Beardsley and Raymond. We cannot speak positively as to the chances of the respective candidates. Whichever of them is elected it is a matter of gratulation that Victoria has at length come to the conclusion that her own sons can represent her.

In Charlotte the name of the candidates is legion. We can't pretend to enumerate them. Messrs. Gilmour, Chandler and Brown, late members, are out, but Mr. Adams is not. It is said that Mr. Freeman H. Todd will offer himself in Mr. Adams's place. Mr. James Boyd is once more in the field. We trust that Mr. George F. Thomson will be one of those upon whom the choice will fall; and we trust also that the constituency will not forget the services which Mr. Boyd has rendered them in past days.

In Albert the late members, Lewis and McClellan, are likely to meet opposition.

In Westmoreland Mr. Huntington is shut out by his Deputy Treasurership. Hon. Albert J. Smith will probably be elected, as also Hon. Wm. Steadman, and Bliss Botsford, Esq. There are three or four other candidates.

Mr. Caie, in Kent, has come out in opposition to M. Phelin and Desbrisay. M. Phelin is, we presume, about as firmly fixed in the affections of the constituency as the Rocky Mountains are in the crust of America. The Smasher papers are predicting bravely how easily Mr. Caie will oust Mr. Desbrisay; but we don't believe a word of it.

The late Speaker, Mr. Crocker, and Messrs. Kerr and Williston, the two former Smashers, the latter Conservatives, are all that are yet before the people of Northumberland. Mr. Hutchison is spoken of, and if he comes will probably succeed in leaving Johnson at home.

In Gloucester Messrs. End and Smith are the only candidates yet spoken of.

In Restigouche Messrs. Montgomery and Millan will, we believe, be in the field, and Mr. Adam Ferguson, a Conservative, has agreed to run.

CARLETON ELECTION.

We presume that we have now all the candidates in the field that may be expected. They number five—Messrs. Charles Connell, L. R. Harding, William Lindsay, Robert A. Hay and David Munro.

Mr. Munro has come out rather late; but we welcome him most heartily. Few men in Carleton are so well qualified as he to represent the interests of his people in the Legislature. Knowledge of the condition, wants and wishes of the people—knowledge of the condition, resources and capabilities of the country—a practical acquaintance with business, agricultural and manufacturing pursuits—are backed up by strong natural common sense, good powers of observation—and more than common shrewdness. Above and beyond all there is the unswerving and unquestionable integrity of the man, which is known and appreciated from one end of the County to the other, and which has given him such a firm hold in the opinions of the people that his name is a tower of strength. When the people have before them a new candidate for their favor they—and very properly so—turn to his private character as the best assurance of what he will be in a public capacity. They ask, Is he honest or tricky? Is he liberal or mean? Is he open, honorable, and above board in his transactions, or is he a schemer, and a dodger? Tried by such a test Mr. Munro comes out of the furnace like refined gold. His success in business, attained as it has been without resort to the petty arts and shifts by which many men heap up wealth is the best proof of his capacity to manage well and effectively the finances and to further the economical interests of the country.

In politics Mr. Munro, while never concealing his party opinions and leanings, has never been an extreme man. His card shows what his principles are; and we venture to say that his views will be found liberal, safe and progressive. From the positions which he has occupied we believe that his attention has been turned strongly to subjects of practical legislation. The support which he will receive from all parts of the County, and from all classes, creeds and parties in the County, will not be given from party motives, but because of the almost universal faith in his ability, his sterling honesty—because, in short, of the eminent fitness of the man to represent the opinions and interests of an intelligent and prosperous constituency. We believe that one of the strongest inducements which led him to appear as a candidate, a post which he has not sought, but which has been forced upon him, were the urgent solicitations of the people in the County with whom for a number of years he has done business, and who in their communication with him have learned to appreciate his worth.

Mr. Munro's chances are generally acknowledged to be excellent; and there can scarcely be the shadow of a doubt that he will be one of those upon whom will fall the choice of the constituency.

ELECTIONING TRICKS.—The Electors must keep their eyes open, as all kinds of rumours injurious to Conservatives have been set about; and a few days since a friend of Mr. Hay used in Rich. and the names of certain Conservatives in Woodstock, who never authorized him to do so, to induce support for his candidate. If the cause of Mr. Hay, or of any other candidate, cannot be supported without resort to such means as these it must be rotten indeed. Electors cannot be too careful how they yield a belief in injurious rumours, or commit themselves to any candidate until they see their way clearly.

SUMMER DRINKS.—Those who desire a cooling and refreshing drink during the hot days of the season should not forget the Soda Fountain in Mr. William Dibble's Drug store.

OWNER WANTED.—For a few dozen copies of St. John Albion of May 18, received in a package by the subscriber by to days, mail from St. John and which do not belong to him.

H. A. JOHNSON. Woodstock, May 25, 1861.

Woodstock, May 25, 1861. As the Paper is full of abuse of Conservatives and Conservative Newspapers the real owner is probably a Smasher.

To the Editor of the Woodstock Journal. Sir.—When our Smasher Government came into office, they turned out Postmasters and School Inspectors because they canvassed against the Government. Now "what is sauce for the goose is sauce for the gander." If it was wrong for the Postmasters and School Inspectors to canvass

at the last election, it can't be right for Superintendents and Deputy Surveyors to canvass at this one. The other day when the candidates came out to lecture at Canterbury Station, the Emperor left Snake River with his Aide-de-Camp (the one that distinguished himself so much before the Land jobbing committee last winter about the Nackawick survey and the Minnesota newspaper) and dogged the candidates all around the settlement. Of course they pretend they had public business—a piece of road to sell or a survey to make—but every man in the Parish knows it was only to canvass for the Fisher party. The Emperor need not think that he is going to influence this Parish with his road money.—We have got minds of our own and will vote as we like. Let the Emperor remember Billy Thompson and the Two POUNDS. Maybe he'll find more than one Billy Thompson in the Parish this election. Before I conclude I want to give our dandy Surveyor a little piece of advice.—If better go home to Dumfries till election is over. I have got a good many traps set round Skiff Lake and North Lake, and he might get caught in one of them some day when he is cruising around with the Revised List in his pocket canvassing for the Fisher party, and then some other man would be appointed Deputy Surveyor, (and that would be a great pity) for whenever one of my traps springs, it's certain death. I expect the Emperor will issue a decree from his Castle at Pollywog Brook, that no man who votes against the Fisher party need bid for any road work this year. Look out for the next Snake River Gazette.

Victoria Election Cards.

TO THE ELECTORS OF THE COUNTY OF VICTORIA.

GENTLEMEN.—At the solicitation of numerous friends representing every section of this County, I now offer you my services as a candidate at the approaching Election, on which occasion you will have the privilege of assisting or rejecting me.

In coming forward as a candidate for your suffrages, I have done so at not a little self-sacrifice; but feeling assured that those who have for some past encouraged me to the present step will now come honorably forward to my earnest support, I cannot feel any doubt of my ultimate success. However, Gentlemen, my friends have an opportunity of proving their sincerity.

Gentlemen, you are all aware that I have had but little experience in political matters; yet I consider myself quite capable of readily acquiring sufficient knowledge to attend to the interests of this County. And if I prove to be the choice of the constituency, depend upon it I will make it my study to advance the welfare of the inhabitants of "Victoria," irrespective of localities. Rest assured, I will not be governed by any local feeling. It will be my honest boast, as it ever has been, that all men shall have a fair and equal chance with me, unprejudiced by religious feelings, and untrammelled by pledges either to individuals or parties.

On one point, Gentlemen, I wish to be distinctly understood. I am determinedly opposed to representation by non-residents. I was reared in this County. No one is better acquainted with your wants and requirements—your rights and privileges. And rest assured, Gentlemen, you will find in me an earnest and unflinching advocate should you elect me as your representative.

Gentlemen, I have many things to say, which you shall hear on Nomination Day, and on other occasions upon which I shall be permitted to address you. In the mean time allow me to subscribe myself,

Your obedient servant, JOHN COSTIGAN, Grand Falls, N. B. May 16, 1861.

To the Free and Independent Electors of the County Victoria.

GENTLEMEN:—Unsolicited by either Conservatives or Smashers, I offer myself as a candidate for your suffrages at the ensuing election of members of Assembly for the County Victoria. It is unnecessary for me here to make any boast of my political "cred" or "traces" to mislead you, as I will on the day of Nomination explain my principles, and show you by clear and convincing facts, how you have been cheated and blinded by unprincipled "trouting" politicians, who have no claim on your confidence, or interest in your welfare. You have had enough of the promises of "place hunters," who have no other interest to serve but their own advancement to office and emolument.

Electors of Victoria, you have known me personally for the last 20 years, and I know your wants as a people. I say, then, arise in my might, and make honest use of your franchise—return such men to serve you in General Assembly as have a right to your confidence. My interest in the welfare of the County is well known to you all, as amongst you my dearest sympathies are concentrated, and it shall be my earnest endeavour to secure for you a fair share of the public moneys for the use of the County.

Gentlemen be not deceived; I will be at the Hustings at Grand Falls on Nomination Day, when I shall declare to you more fully those principles that shall actuate my public career, should I have the honor of being returned by you to represent you in the General Assembly.

In the mean time, I remain, Gentlemen, Your obedient servant, MICHAEL HART, May 23.

I have the honor to be, Gentlemen, Your Obedt. Servant, DANIEL B. RAYMOND, Grand Falls, May 22, 1861.

Carleton Election

TO THE ELECTORS OF CARLETON

Gentlemen:—To meet the call of the hour, and to ensure the success of the Government, I have the honor to announce to you that I have been elected to represent you in the Legislature of this Province.

By an act of Assembly, I have been appointed to be a member of the Government, and I have the honor to announce to you that I have been elected to represent you in the Legislature of this Province.

This act bears directly on a mail contract, and bearing before you as a result in its effects in this Act, I am in the Constituency qualified; and the choice who shall represent them in the Legislature.

I think the Legislature, by its action in enacting this act, is in the process of abolishing the Project of the Assembly, and now need making over the management of the Board of Public Works, should be House, subject to the control of their Representatives, in Chief of that Department has been a member of the independent of the people's control.

Had I been in a position as a Candidate, and been able to measure which some of the measures of warmest support should I should have lent my best power, irrespective of the might bear, which would be funded for, and carried on.

At the next General Election to meet the will of the people, and to promote the interests of the Province, I have the honor to announce to you that I have been elected to represent you in the Legislature of this Province.

I have the honor to be, Gentlemen, Your obedient servant, Woodstock, May 25, 1861.

TO THE ELECTORS OF CARLETON

Gentlemen:—Many of your desire that I should be a Candidate in a General Election as a Candidate of the County, I have the honor to announce to you that I have been elected to represent you in the Legislature of this Province.

This and the adjoining my residence 28 years, and changes have taken place in the Province. It is my wish to be admitted to the well understood wish of the Province, and to be a Representative; with your power; and the Ballot exercise that power with half of the candidates of the Province.

Refrainment of all the Government of the Province, and of the Public acts and institutions. Progress, in keeping things to the spirit of the Province. There are some matters of interest to the people, and I have the honor to announce to you that I have been elected to represent you in the Legislature of this Province.

I ask your votes as a Representative, and I have the honor to be, Gentlemen, Your obedient servant, Iron Works, Woodstock, May 25, 1861.

TO THE ELECTORS OF THE COUNTY OF CARLETON.

Gentlemen.—To meet the various reports circulated touching my appearing as a candidate at the ensuing election, some of which have evidently been concocted with the object of injuring me with the Constituency—I adopt this manner of announcing to you that I shall not upon this occasion be in a position to ask you for your votes.

Gentlemen,—I am a Liberal in politics; as such my motto ever has been "Fair Play," "Equal Rights" and "Equal Privileges" to all classes of Her Majesty's Subjects.

Should I have the honor to be selected as one of your representatives I pledge myself to use my best endeavours to advance not only the interests of Carleton but also those of the Province at large; for I hold that while it is the duty of a Representative to give special attention to the wants of his constituents, he is equally bound to pursue such a course of policy as will best subserve the interests of the Country at large, without reference to sectional influence.

All measures tending to these objects shall have my warmest support, originate with what party they may.

Gentlemen, I am no aspirant for office. I seek for none—I expect none. You may therefore most confidently rely that your interests will be strictly and watchfully cared for, and that I will never sacrifice principle for gain—nor yet for honor.

I will give you my views more fully at the Hustings on the various topics connected with the present position and affairs of the Province.

Expecting to meet you then, I have the honor to be, Gentlemen, Your Obedient Servant.

WILLIAM LINDSAY. Woodstock, May 20, 1861.

TO THE ELECTORS OF THE COUNTY OF CARLETON.

A writ having been issued to elect two members for this County to serve you in the General Assembly, you are now called upon to select your representatives.

Having been solicited by a large number of the independent electors of this County to become a candidate for your suffrages, I have decided to present myself before you at the approaching election.

Gentlemen, if you think proper to elect me, you may rely on my endeavors to promote your interests to the utmost of my ability.

I maintain that the source of the Government is in the people, and those to whom it is entrusted should be accountable thereto; and that no representative should hold his office any longer than he has the confidence of his constituents.

The most of you are acquainted with me; and I hope to meet you at the hustings, and there more fully explain my views.

I have the honor to be, Gentlemen, Your Obedient Servant, LEONARD R. HARDING. Woodstock, May 20, 1861.

TO THE INDEPENDENT ELECTORS OF THE COUNTY OF CARLETON.

GENTLEMEN:—Having been solicited by a large number of electors, from different parts of the County, to come forward as a candidate for your suffrages, I have consented to allow myself to be put in nomination at the ensuing election.

It is the first time I have appeared before you in this capacity; I come perfectly free and independent of all party influence.

An intelligent representation by men of independent minds is, at the present desirable. And in your choice of Legislators, it should be your first aim to select such.

Your interest and my own, Gentlemen, being intimately connected, I can only say that if I have the honor to be returned to represent you in Provincial Parliament, to promote and defend your rights,—I shall endeavor to do so to the utmost of my power, cordially and faithfully.

I have the honor to be, Gentlemen, Your Obedt. Servant, R. A. HAY. Woodstock, May, 20, 1861.

"The vices of this age demand A keener weapon and a mightier hand." Those stanzas are Byron's every line. For God's sake, reader don't you think them mine.

TO THE INHABITANTS OF THE COUNTY OF CARLETON.

Friends and Countrymen,—You are again called upon to select from your midst two wise and discreet men to represent you in the Assembly of this Province.

Not such men say that they buy you and that they have a right to sell you, and for their own benefit make capital out of you, but such men as will represent you truly and faithfully, regardless of sect or society. Such men as have your interest at heart, and yours alone.

I therefore offer you my services, in case you cannot find better material you can use me. Having heard that drowning men sometimes catch at straws I am not afraid that you will catch at me.—Indeed I am a little delicate about offering you my services, having never done you myself or my country any great good. You never had my head in your mouth or on your letters, or my mortgage on your farm, or my harness on your horse, or my stove in your house. I am not a writer of wills, deacon of a church, a Freemason, a Town Councilor, or County squire; but a lover of fair play to both rich and poor.

The rank is but the guinea stamp; The man's the gold for that.

I have done nothing for you, and I know what I shall do; but I expect to meet you on the day

of nomination, when I shall more fully explain, and give you my opinion of the politicians of the present day. Should you elect me you have nothing to fear; I make no pledges and can break none.

What I have done is yours; what I have to do is yours, being part in all I am yours. Were my abilities greater my duty would be greater, meantime I am yours in all duty.

R. L. ARMSTRONG. Woodstock May 27 1861.

DR. R. RICHARD CLAY,

LATE Demonstrator of Anatomy in the American Medical College, Cincinnati, can be consulted at his Rooms, Nos. 9 and 10, Snell's Hotel, Houlton, Me., until Thursday, June 6th, by patients laboring under the various forms of diseases, especially diseases of the THROAT, LUNGS, LIVER, SPLEEN, SKIN, URINARY ORGANS, and all diseases of WOMEN, in the cure of which he has met with remarkable success. Dr. Clay has cured by his superior method of Medicated Inhalation and Restorative Treatment, diseases of the Throat and Lungs after every other means had been tried in vain. Cancers cured by a new method, without the use of the knife. Small Cancers removed in a few seconds, without pain. Tumors and Wens removed.

Ladies and Gentlemen are respectfully invited to call. All interviews FREE. For examination of the Throat, Lungs, or Heart with the double flexible Stethoscope, and the Laryngoscope a fee of \$1.00 will be charged. No charge for examinations in the ordinary way.

Dr. Clay will lecture on Anatomy, Physiology etc., illustrating his subject by Manikins, Models, Skeletons, Diagrams and various Anatomical preparations of the human body, dissected and prepared with the greatest care and skill by Dr. Clay himself, commencing on Thursday Evening, May 30, at 7 1/2 o'clock, in the Free Christian Baptist Church, Woodstock, N. B. See Circulars. Consultations at Houlton from 9 A. M. till 4 P. M.

DR. R. RICHARD CLAY.—The St. Croix Herald speaks thus of this gentleman:

"On Saturday evening Dr. R. Richard Clay lectured to a large audience, and so general was the desire to hear him that many were unable to obtain admission to the hall in which the lecture took place. The Doctor treated his subject in an able and masterly manner, and illustrated to his hearers a variety of interesting representations descriptive of the structure of the human system. This, and other lectures which have been delivered by Dr. C. during his stay here, have awakened a general interest on behalf of the subject, which we hope may be productive of good, as there is no study of greater importance than the study of the human system. During his stay Dr. Clay was called upon by many invalids, whose maladies were successfully treated by him. A most remarkable cure was recently effected by Dr. C. at Lubec. The wife of the Rev. Mr. Adams, Methodist Minister, had been for some time afflicted with loss of voice. She applied to Dr. C., and the result may be inferred in the following extract from a letter she wrote to him from Lubec, dated Aug. 15th, she says:—After I saw you at the hotel I came home and inhaled again. In the morning I could speak aloud and have been able to do so ever since, many other instances might be adduced showing that almost miraculous cures have been made by Dr. C. where patients have been under his treatment but a short space of time. We hope that the Doctor may be induced to repeat his visit here."

The Bangor Times adds: "We have been shown a letter received by Dr. Clay from the person above named, of a fortnight latter date, in which she speaks of the continued improvement of her health, and of feeling better than for years previous, and expressing her thanks for the benefits received from his skilful treatment."

THE ORIGINAL SCHEME Class A, of the Life Association of SCOTLAND, WILL BE CLOSED FOR THE YEAR ON 5th April next.

FOR the 22nd Annual Balance, and a special advantage will be secured by entering before that date.

Under this scheme the Association has been eminently successful in reducing the expense of Life Assurance.

In consequence of Allocation of Profits the Policy-holders of the 1st series have for many years been required to pay only 12s. 6d. (instead of twenty shillings) per £1 of their Premiums, that is, 26s. 6d. instead of £10; 29 7c. instead of £15, &c.

The Half-Credit system also may be adopted, which requires Payment of only half the first-year's premium; the remaining half being left unpaid at interest as long as the Policy-holders please.

Further, the Policies will, in the majority of cases be relieved on application, after five years, of all conditions as to places of Residence, occupation, &c.

Applications should be lodged on or before 4th April. NEW BRUNSWICK BRANCH. Head Office, Saint John.

THOS. L. EVANS respectfully announces, that he has removed from his SHANTY to those commodious premises in

WATER STREET, erected by Mr. JAMES McCOY, where he solicits the continuation of the former patronage of his friends, and invites attention to his new stock of

CHOICE LIQUORS, which for quality and price cannot be surpassed by any House in the Trade.

—I HAVE— PORT, SHERRY AND MADEIRA of a very rare and superior quality. They are pure, wholesome, and every way suitable for either Dinner or Invalids. Five years old. The extensive and increasing demand for these WINES is a sure proof of their restorative quality, and the attention of really good judges of Wine is directed to the above. This is a most favorable opportunity a first Class WINE of rare quality and flavor, at a price usually asked for a very inferior quality.

Call and examine for yourselves. This House has no connection with any person or persons, as I am sole proprietor.

THOMAS LOYD EVANS, Proprietor. Woodstock, Dec. 11, 1860.
