PIRATE TIRPITZ AGAIN IN POWER; STATES EXPECT RAIDS ON COAST

Washington Believes Germans Under Von Tirpitz's Leadership Will Carry Ruthless Sub Warfare Along Atlantic Coasts of Canada and United States.

Washington, D. C., Oct. 17.—The greatest importance is attached in Washington to the brief wireless press message picked up from Berlin by the British admiralty, asserting that Germany is expected shortly to declare the coasts of the United States, Canada and Cuba to be naval war zones.

Past experience convinces officials here that wireless press messages of this character previously picked up have usually been followed by formal announcement by the Berlin Government of important hostile actions. Assuming that the brief but extremely significant news from Berlin is authentic, officials here would not be surprised to hear soon of the appearance of German submarines operating off the Atlantic coast.

Von Tirpitz Rules Again.

Full confirmation of the Berlin warning will be interpreted as meaning that Grand Admiral von Tirpitz, who retired from the head of the German navy department on March 14, 1916, to be succeeded by Vice-Admiral von Capelle, whose resignation was announced a few days ago, had again taken the upper hand in German admiralty matters. Von Capelle's handling of the navy has been considered a failure, and it is regarded here as extremely significant that immediately upon the news of von Capelle's retirement, von Tirpitz broke into print with a prediction of the final triumph of the submarine and a statement that Germany is now at the fateful hour of her existence.

Close upon the heels of the von Tirpitz interview word trickles through by wireless from Berlin that Germany can be counted upon to declare shortly the American, Cuban and Canadian coasts blockade. There can be no discounting the importance of these outcroppings.

GREAT WEDGE IS SPLITTING LINES OF HINDENBURG

Allied Forces Driving Into the German Flanders Front Relentlessly.

IS WASHINGTON REPORT

Desperate Attempts of Enemy To Turn Tide Have Invariably Failed.

Washington, D. C., Oct. 17.—Anglo-French successes in Flanders, broadening the great wedge which the Allies are relentlessly driving into the German line are described as the outstanding feature of the week in the review of military operations for the week ending October 13, issued today by the war department.

"The Allied offensive in Flanders continues methodically," says the review. "Assigned objectives attained with increasing regularity indicate efficient coordination of artillery preparation and infantry attacks.

A Precise Barrage.

"The precision of the Allied barrage is proved by the low casualties of the assaulting columns. The deadly effect of Allied artillery fire is confirmed to us by reports reaching us regarding the concern of the German high command at the new Allied typhoon fire, which is compelling the enemy to amend his tactical dispositions in an effort to meet the shock of shell rained upon his lines.

"The successes attained by the French forces operating north of the British sector, more particularly in the neighborhood of the Houthoulst Wood, have given the Allied advance in Flanders the needed elbow room.

"Breadth of front is an essential condition for operations which are to have far-reaching results, for confined to a narrow base a really important encircling movement can have no sustained value if along its entire length it can be flanked by artillery fire.

In Ypres Zone.

"The zone of operations in the Ypres salient, formerly too narrow for the proper disposition of large masses of

(Continued On Page Three)

THE WEATHER

TOMORROW—RAIN.

Toronto, Oct. 17.

Forecasts.

Today—Increasing easterly winds; fair.

Thursday — Strong easterly winds, with rain.

Temperatures.

The following were the highest and lowest temperatures during the 24 hours previous to 8 a.m. today:

Stations.	High.	Low.	Weather
Victoria	54	40	Clear
Calgary	32	28	Cloudy
Winnipeg	46	32	Snow
Port Arthur	44	30	Cloudy
Parry Sound	44	34	Clear
Port Stanley	58	30	Fair
Buffalo	52	36	Clear
Toronto	54	30	Clear
Kingston	54	36	Fair
Ottawa	50	34	Fair
Montreal	50	40	Clear
Quebec	46	30	Cloudy
Father Point	44	34	Fair

Weather Notes.

A pronounced area of high pressure now covers the great lakes and middle states, while an important low is advancing eastward across the Missouri Valley. The weather is fine from Ontario to the Maritime Provinces and cold and wintry in the western provinces, with snowfalls in many localities. Cautionary signals are displayed on the great lakes.

MICHAELIS RESIGNS, OR NO WAR CREDIT

Amsterdam, Oct. 17.—British Admiralty per Wireless Press.—A German Socialist newspaper says the Socialists have decided to vote against the new war credit of 10,000,000,000 marks which is to be submitted to the Reichstag in December unless Chancellor Michaelis resigns.

MAJOR BISHOP WEDS TORONTO YOUNG LADY, BRILLIANT CEREMONY

Famous Canadian War Aviator Married to Miss Margaret Burden.

Toronto, Oct. 17.—Surrounded with all the romance of war, and showered with gifts as a princess in a fairy tale, Margaret Eaton Burden, younger daughter of Mr. and Mrs. C. E. Burden of this city, was today wedded to Canada's war aviator hero, Major William A. Bishop, son of Mr. and Mrs. A. Bishop of Owen Sound, Ont., home from the battlefields of France, with the Victoria Cross, Distinguished Service Order, and other honors given him by the King for gallant service.

A Pretty Ceremony.

The ceremony took place at 3 p.m. in the Methodist Church, erected here as a memorial to the bride's grandfather, Timothy Eaton, and Rev. Dr. Henderson tied the nupcial knot. There were regular rainbows of attendants for the bride, and the church was crowded with prominent Toronto people. A guard of honor composed of officers furnished the military aspect of the beautiful affair.

What She Wore.

The bride was dressed in an exquisite creation of white kittens ear crepe, the skirt made full, and short, with apron flounce of genuine Carrickmacross lace. The bodice was in crossover effect, with tiny vest of lace, and sleeves of net with frill of lace at the top.

After the ceremony and reception, Major and Mrs. Bishop left for Waanington, in the private car of her uncle, Sir John Eaton. Major Bishop has been loaned to the British mission for a month.

NORSE VESSEL SUNK AND CREW MISSING

Copenhagen, Oct. 17.—The Norwegian steamer Themis has been sunk in the Mediterranean, according to an announcement by the Norwegian foreign office received here today. All the members of the crew are missing.

The Themis, 3,750 tons gross was built in Sunderland, England, in 1911, and owned in Lomsberg.

SIXTY MINES ARE IDLE IN ILLINOIS STATE

Springfield, Ill., Oct. 17.—Reports to the headquarters of the Illinois Coal Operators' Association here today indicate that many more mines in Central and Southern Illinois have shut down as a part of the movement of miners to force an immediate increase in wages. It was estimated sixty mines were idle.

EDWARD DITHMAR DEAD.

New York, Oct. 17.—Edward A. Dithmar, dramatic critic of the New York Times and for 46 years a member of the editorial staff of that newspaper, died in a hospital here last night after an operation for abdominal trouble.

STATES WILL ATTEND NEXT WAR COUNCIL

Washington To Sit at Coming Allied Conference at Paris.

Washington, D. C., Oct. 17. — While official announcement is being withheld, it is practically certain that the U. S. will be represented at the coming conference of all the nations at war against Germany, which probably will be held in Paris.

Secretary of State Lansing today authorized the statement that it definitely had been decided that there would be a conference, and that the U. S. was considering participation in it, with the possibility that it would be asked to do so.

CROWN PRINCE'S THRUSTS UNABLE TO GAIN GROUND

German Attacks East of the Meuse Repulsed—Furious Artillery Fighting.

Paris, Oct. 17.—Violent artillery fighting is in progress on the Verdun front east of the Meuse, the war office reports. A German attack in this sector, near Chaume Wood, and other thrusts near Juvincourt, on the Aisne front, and in the vicinity of Mont Carnillet, in the Champagne, were repulsed. The statement follows:

"In Belgium, our patrols, in the course of reconnaissances before our new lines, brought back 30 prisoners.

"We repulsed several attacks, made southeast of Juvincourt, near Mont Carnillet, and on the front north of Chaume Wood. In the last-named region the artillery fighting became very intense late in the night. We made a successful attack on a German trench at the foot of the heights of the Meuse and brought back prisoners. There is nothing to report from the remainder of the front."

"BABY KILLERS" VISIT NANCY, KILLING TEN; 25 GERMAN PLANES DOWN IN TWO DAYS

Germans Carry Air Frightfulness to French Civilians.

Paris, Oct. 17.—Ten persons were killed and forty injured in a bombardment of Nancy last night by German aviators, the war office announces. On Monday and Tuesday 25 German airplanes were destroyed by the French, or compelled to land in damaged condition. The communication follows:

"At 6 o'clock last night enemy aviators bombarded Nancy violently. Numerous victims among the civilian population are reported. Ten were killed and forty wounded.

"On October 15 and 16 five German airplanes were destroyed, 4 by our pilots, 1 by special cannon. In addition, 20 enemy machines fell damaged within the German lines in the course of eight aerial combats.

"Our bombing squadrons made a number of expeditions. Numerous projectiles were dropped on military establishments at Volkingen, railway stations at Thionville, Mesieres-les-Metz and Woippy, and factories at Hagondange and Rombach."

FLOUR MILL WORKING ON WAR ORDERS DESTROYED

Indianapolis, Ind., Oct. 17.—Fire destroyed the flour milling plant of the Acme-Evans Company here last night, causing a loss estimated at $100,000. The plant has been busy day and night on war orders, and when the flames were discovered 35 men were at work in the building.

The damage is almost entirely to machinery and the building in which it was installed. The large quantities of flour and wheat were stored in an adjacent warehouse and escaped the flames.

AND HE SAID HE COULDN'T MAKE THE GRADE

Advertiser Illustrations —New York Tribune.

WHOLESALE GERMAN DESERTION ACROSS THE DUTCH FRONTIER MAY BE FOE TRICK OF WAR

New York, Oct. 17.—The Sun publishes the following special cable from London, dated October 16: The London Evening Standard says that during August and September, 35,000 German deserters crossed the Dutch frontier. At several points the frontier guards of the enemy joined the deserters. The dread of having to endure another winter in the trenches and then having to face a new army from the United States is probably the chief reason for the desertions, but the suspicion is beginning to take hold in Holland that these desertions may mean something different and that the Germans are allowing the men to pass the lines for a hidden purpose.

LLOYD GEORGE SENDS MESSAGE OF PRAISE TO FORCES OF HAIG

Congratulates the Marshal On Achievements of Flanders Battle.

London, Oct. 16.—Premier Lloyd George sent the following message today to Field Marshal Sir Douglas Haig, commanding the British armies in France and Belgium:

"The war cabinet desires to congratulate you and the troops under your command upon the achievements of the British armies in Flanders in the great battle which has been raging since July 31. Starting from a position in which every advantage rested with the enemy and hampered and delayed from time to time by the most unfavorable weather, you and your men have nevertheless continuously driven the enemy back with such skill, courage and pertinacity as have commanded the grateful admiration of the peoples of the British Empire and filled the enemy with alarm.

"I am personally glad to be the means of transmitting this message to you and your gallant troops, and I desire to take this opportunity of renewing my confidence in your leadership and the devotion of those whom you command."

CITY FISH SUPPLY PRACTICALLY GONE, MORE IN TOMORROW

Mullet Only Variety With Slow Sales.

The city fish have all been sold with the exception of a couple of hundred pounds of mullet. These are sold at 3 pounds for a quarter, but there does not seem to be a great demand for them. However, they are moving out better this afternoon.

Another supply is expected on Thursday for disposal on Friday. The city wants whitefish, trout and pickerel. The latter fish is the best that comes to the city, but the citizens as a rule do not purchase it as readily as the others.

DEPORT FRENCH WOMEN FROM OCCUPIED CITIES

New York, Oct. 17.—The Evening World today publishes the following: "Amsterdam, Oct. 17.—The Germans are removing the French, particularly the women, from Lille, Roubaix, Tourcoing, Croix and surrounding places to work for them. Only women without children and young girls are now being selected. They are taken to the railway stations by soldiers and then conveyed to destinations which are not disclosed to the parents they leave behind. Heartrending scenes are witnessed when these deportations occur."

BOMB-PROOF CAVES FOR MILLION FOLK OF BRITISH CAPITAL

London Prepares for Air Raids During New Moon—Schools Will Close.

London, Oct. 17.—London's bomb-proof shelters are being card-indexed in preparation for further German raids. Sufficient tunnels, trenches, crypts, basements, etc., have been inventoried to accommodate one million persons. In making this announcement today, Sir George Cave, home secretary, declared an advisory board of prominent surveyers will be appointed soon to make a canvass of bomb-proof shelters in Greater London. He said the Government had decided to make it a regulation under the defence of the realm act to require everyone possessing a bomb-proof shelter to place it at the disposal of the public.

Close the Schools.

The decision of the authorities to close all the London schools during the last week of October is perhaps the most interesting of the many steps being taken in anticipation of the recurrence of German raids as soon as the moon is up again. Air raid shelter placards are being distributed throughout the metropolitan area.

Many substantial forms of relief for air raid victims and their relativos are announced as a result of a conference of the mayors of the various London boroughs.

MICHAELIS' CLIQUE WANT DICTATORSHIP

Forces Working To Place All Power in Chancellor's Hands.

Copenhagen, Oct. 17.—The Berlin correspondent of the Fremdenblatt of Hamburg, an able political observer, discerns indications that forces actually are at work in the entourage of Chancellor Michaelis with the thought of a military dictatorship, or at least with the idea of having the chancellor continue in office supporting himself by military backing.

Conservative and Socialist papers in Germany have been engaged in a controversy for some time on the subject of a dictatorship, but hitherto it had not seemed to be of such a nature that it should be taken seriously.

CRERAR AT TORONTO.

Toronto, Oct. 16.—Hon. T. A. Crerar, president of the United Grain Growers, Limited, and the newly-appointed minister of agriculture in the new Borden Government, today attended private business here. He stated that he would probably contest the seat of Marquette, Manitoba, in the coming general election. He will not know, officially, however, until his return to Winnipeg.

TWENTY-FIVE THOUSAND HAVE ALREADY PASSED EXAMINATION FOR CLASS "A"--LONDON THIRD

Quarter of Required Number For Conscript Army Secured Up To End of Last Week, Total Examinations Numbering 53,614—Montreal Leads With Toronto Second and Forest City Next.

Passed Class "A"	25,000
Passed Other Categories	28,634
Total Examined	53,614

Ottawa, Oct. 17.—Twenty-five thousand men, approximately, have already passed category "A" before the medical tribunals established under the military service act. "A" men are those considered fit for general service overseas. Up to the end of last week, men who submitted themselves for medical examination throughout the Dominion, with their medical categories, were: "A" 24,980, other medical categories 28,634. Total examinations, 53,614.

Mostly Voluntary.

With the exception of those of Saturday last—when the first proclamation under the act was issued—these medical examinations were entirely voluntary. The figures for last week show a decided improvement over those of the week previous and are considered as very satisfactory. The total of medical examinations was 25,065, compared with 19,952 the week previous. The Toronto military district led, with Montreal close behind, and London third.

Report Regulations.

There has been some questioning why postmasters require that forms of report or claims for exemption shall not be taken away from the postoffice. It is pointed out here that the regulation is necessary for the keeping of an accurate check of all forms issued. Every form supplied bears a number. The receipt given by the postmaster is attached to it after the style of a counterfoil and bears the same number as the forms. The postmaster has to account for every form. It is further stated that the provision was made for the protection for the members of the class called out. Under it, every man who complies with the law has a proper receipt in valid form.

It would have been impossible to intrust to the 16,000 and more postmasters throughout the dominion uncontrolled authority to issue receipts without any accounting. The postoffices were selected as the most convenient place for the great bulk of the people, in order that the operation of the law might be attended with as little inconvenience as possible.

The system of reporting for service or claiming exemption in writing was devised to prevent the extraordinary inconvenience and dislocation of business that would result if the members of the class selected were obliged to attend in person and await their turns to give in their names.

MANY WANT EXEMPTION.

Winnipeg, Oct. 17.—About 300 men of Class 1 under the military service act reported to the registrar's office yesterday and approximately 75 per cent of this number sought exemption papers. Up to 2 o'clock in the afternoon there were 204 claims for exemption and only 148 reports for service reached the registrar.

HAMILTON'S RECORD.

Hamilton, Oct. 17.—The number of men who have been before the doctors in Hamilton now exceeds 3,000, of whom 1,369 were classified as fit for overseas. But so far only 400 have applied at the postoffice for forms. Information as to the number claiming exemption is being suppressed, but it is said that fully three-fourths of the men are seeking exemption on one ground or another to evade service.

BRUGES DOCKS AGAIN BOMBED

British Drop Tons of Explosives On Enemy's Sub Bases.

London, Oct. 17.—Tons of bombs were dropped on the docks at Bruges in Belgium on Monday night by British naval airplanes. The British admiralty, in a statement announcing the raid, says:

"Naval aircraft dropped many tons of bombs on the Bruges docks on Monday night. On Tuesday one of our fight patrols downed a double-seater enemy machine in the vicinity of Zarren. The observer fell out and the machine turned over and fell in flames. All our machines returned."

RUSS WAR HEAD HAS LOST TOUCH WITH FORCES IN THE RIGA FIGHT

Naval Battles Continue—Zepp Fleet Reported—Hun Dreadnaught Lost?

Berlin, Oct. 16—Via London, Oct. 17.—German troops have captured the Russian island of Oesel, in the Gulf of Riga, in its entirety, it was officially announced today by the German general staff.

Petrograd, Oct. 17.—The Russian war office has completely lost touch with the Russian forces on the island of Oesel, it was announced today. Naval skirmishing is continuing in the waters around Oesel Island, around the Gulf of Riga, Russian patrol ships having had encounters with torpedo craft.

A fleet of zeppelins is reported over Moon Sound, northeast of Oesel Island.

One German dreadnought, which ran into the Russian mine field defending Oesel Island on October 12, struck a mine, the statement adds. After the explosion the warship made for the coast, and its ultimate fate is not known.

NOTHING OF INTEREST, IS REPORT FROM HAIG

London, Oct. 17.—Field Marshal Haig in his report to the war office today from the British headquarters in France, says: "There is nothing of special interest to report."

AIR TRAINING SITE TO BE BUILT AT WINONA

Hamilton, Oct. 17.—It was reported today that the Government contemplates erecting a large aerodrome and securing a training site in the vicinity of Winona. The expenditure is estimated at half a million dollars. Gen. Hoare and Major McPherson have been negotiating with the property-owners.

THE WAR SITUATION

THE WAR SITUATION.

All the important infantry fighting last night in the western war theatre was confined to the French front, where attacks by the Germans in the Aisne and Champagne sectors, as well as in the Verdun region, were repulsed by Gen. Petain's troops.

There is promise of a speedy renewal of the activity in Flanders, however. Field Marshal Haig, for instance, sends from British headquarters today one of those laconic reports that so frequently have preceded the periodic attacks on that front. "Nothing of special interest to report," has meant in several of these cases that the British guns had opened their terrific drumfire preparatory to an attack.

The German high command apparently is anticipating a renewal of the British drive, as the latest Berlin statement, in reporting the intense artillery activity in Flanders, said no infantry attacks had taken place up "to the present."

Weather Clearing.

There has been a spell of comparatively good weather in the area east of Ypres, where the British steam roller is pushing its way through the German lines. Thus the British aviators apparently have been able to collect sufficent information to enable their artillery to pursue its work with its usual precision and telling effect, while the mud fields presumably have dried out somewhat with the cessation of the rain.

An admission of possible significance was contained in the German statement on the Macedonian front situation, received late last night. Several villages in the Struma region, on the right flank of the Allied lines northeast of Salonika, have been "ceded" by the Bulgarians to the British, Berlin announces.

There has been notably active patrol activity by the Entente armies in Macedonia recently, and it seems possible that some great use is finally to be made of the huge force that the Allies have had assembled there for many months.

Such a move might be made in anticipation of a Bulgarian attack on the Saloniki armies of the Allies, to which Germany is reported to have been urging. King Ferdinand, Emperor William's visit to Sofia has been connected by one of the German newspapers with this reported project. Greece might now be expected to aid the Entente in repelling such an attack or in pushing an offensive. A declaration of war by Greece against Bulgaria, in fact, seems to be expected shortly by the Central Powers.

STRIKE AT TAMPA.

Tampa, Fla., Oct. 17.—Nearly 3,000 cigarmakers in eleven factories here were thrown out of employment today by the strike of office employees, who demanded increased wages.

Generous Support for Red Cross Is Urged by Lieut.-Governor of Ontario

Lieut.-Governor Hendrie has issued the following appeal in connection with the canvass for the British Red Cross on Trafalgar Day:

To the Citizens of the Province of Ontario:

It is not necessary that I explain why I commend the British Red Cross appeal, to be made on "Our Day," October 18th, 1917, to the sympathetic consideration of the people of Ontario—the need speaks for itself.

We were all proud of the record of Ontario in 1915, when our contribution of over $1,500,000 came as a spontaneous expression of our love for the motherland. We were, if possible, even more gratified when our contribution in 1916 was still greater, because the need demanded it. This year those of us who must remain at home are glad that we are able to feel that the fighting forces of the British Empire, on land and sea, are so well cared for that no unnecessary suffering need be borne by them when sick or wounded. We, however, could not feel comfortable at home if we knew that through any lack of liberality on our part these noble men would not be cared for as well as human ingenuity and liberality can make possible.

Red Cross work in its every phase is a splendid manifestation of our broad sympathy with suffering, and the British Red Cross work in particular, because of its well-nigh world-wide magnitude, appeals to our imagination in a peculiarly forceful way.

When Ontario has just been blessed with the greatest harvest in her history, and when our people as a whole are so prosperous, there is no reason why we should not be able to meet every financial call which can properly be made upon us. I, therefore, urge our municipal councils, every organized patriotic association, and our citizens individually to heed this appeal of the British Red Cross, and to give of their means as, in the good providence of God, they have been blessed.

RIOT AFTER STRIKE IN PUBLIC SCHOOLS

Police Guard Children at New York From Mob Attacks.

New York, Oct. 17.—The police today continued to guard the four public schools on the upper east side, where several thousand pupils went on strike yesterday as a protest against the so-called Gary system of school administration, which has been made an issue in the mayoralty campaign. Trouble started when pickets attempted to prevent boy pupils from going to the classes at public school 172. Several boys who refused to be influenced by the pickets were beaten, and their books were taken from them and carried to a vacant lot and burned.

When the classes were dismissed for the day, many parents of pupils were at the doors of the schoolhouses and at the first sign of disorder fought the police who intervened. Despite their frantic attempts to prevent arrests, the police rounded up a dozen of the ringleaders.

NEW MISSIONARIES.

Columbus, Ohio, Oct. 17.—Sessions of the National Council of Congregational Churches, which has discussed many important questions of the day throughout the past week here, end tonight with the observance of "international evening," with addresses by Rev. Hugh Pedley, Montreal, Que., and Rev. H. M. Edmonds of Birmingham, Ala.

An important work accomplished by the council last night was the dedication of fifteen students of Ohio State University and Oberlin College to the service of the American Board of Foreign Missions as missionaries in the foreign field.

Is the Risk Worth While?

$1,000 BOND NEEDED IF CLASS ONE MEN CROSS U. S. BORDER

Passports Also Given Into Militia Charge, Says Report.

NO WORD IN CITY YET

Officials Not Advised of Strict Border Regulations Said To Be in Force.

Although Toronto papers report that fresh border regulations are in effect today as a result of a conference between Judge Winchester, Lieut.-Col. R. H. Greere and other military authorities, no word to this effect had been received here. No notification of any kind referring to new regulations has reached the offices of Dominion Immigration Inspector John Riggs or Crown Attorney J. B. McKillop. Military headquarters here has also received no word.

The Toronto report asserts that the control of issuing passports has been placed entirely in the hands of military authorities and that regulations have been drafted with a view to catching the one man in a thousand who might try to slip across the line, and so beyond the control of the Canadian military officials.

A marked feature, which the Toronto papers point out, is the any Class 1 man who wants to go to the States, even for the most obvious business reasons, must first satisfy the office of the crown attorney that his reasons are legitimate ones, and must follow this up with a $1,000 guarantee of his return within a specified time.

According to the Toronto reports regulations to this effect are to be issued from the immigration offices at Ottawa to go into effect all over Canada. These if they have been issued have not reached London.

Go to All Points.

A Toronto paper reports further that

"These instructions have gone out to all the border inspectors, to the immigration agents and their officials all along the line, and they draw attention to the fact that all single men and widowers without children between the ages of 20 and 34, are deemed to be soldiers signed on until the end of the war. Further instructions are that the men in the class now called out may be granted a permit to cross the border only upon the production of a certificate of exemption from the local tribunals, or, if not in possession of such, the production of documentary evidence that the applicant has leave from the proper military authorities to go outside the Dominion. Applicants for permits to leave Canada, coming within the class covered by the proclamation, who do not produce the documents mentioned, are to be refused permits, whether the same are requested for a short or a long period. Whenever an applicant comes under one of the later classes not yet called to the colors, a permit may be issued as in the past, for a period not exceeding three months.

Must Satisfy Militia.

"Here is where the military authorities come in. As there are no exemption tribunals now sitting, it is quite impossible for any Class 1 man to produce a certificate of exemption, the only alternative being to get a permit from the military authorities. And it is the military authorities, who, as a result of Monday's conference, decided to exact the bond of $1,000 for each man. As it is only men of some business standing who can get such a bond, any leakage across the border seems checked. Even the $1,000 bond is only good when a substantial reason can be given, the reasons being limited strictly to business emergency or cases of life and death. The permits will be granted for two weeks only, and when the man returns to Canada he must report to the military headquarters to take up his bond.

"It is anticipated that these regulations will ease up as soon as the tribunals start their sittings, and grant their exemptions, but the military authorities do not purpose to relax their $1,000 bond for any man refused exemption."

FINE HORSES AND PRIZE CATTLE AT HIGHGATE FAIR

HIGHGATE, Oct. 16.—Highgate fair was again a success in every way. The principal exhibitors were:

Horses.—S. H. Reynolds, S. Manning & Son, Thomas Wootton, John Fleming, Jos. Leatherdale & Son, Jas Shankie, George Gordon, Wm. Downie, W. C. Hogge, Alex. James, J. C. Hogge George Simpson, Frank Tape.

Cattle—J. Frank Stone & Son, W. W. Scott & Sons, John Wade, H. M. Lee, Frank Tape.

Sheep.—Wm. Brien & Sons, J. N. Campbell, W. T. Cudmore, D. B. McKinley, Angus Thompson, W. R. McDonald, Geo. A. Dubs, H. M. Lee, E. Brien & Son.

Swine.—S. Manning & Son, Percy Jeffrey, Wm. Knight, Geo. Simpson, Geo. A. Dubs

Grain and Seeds—F. Green & Son, W. A. McCutcheon, Jos. Schindler, Thos. Gadd.

Roots and Vegetables—W. C. Day, Chester Day, W. A. McCutcheon, Norman Adrian, Angus Johnson H. G. Sharley, Angus Thomson, Jos. Schindler, Isaac Watson, F. W. Beaton.

Fruit and Flowers—Arch. Paterson, F. Green & Son, Geo. R. Whitton.

Ladies' Work—C. E. McLachlan

A. McCutcheon, Mary Patton, Mrs. Turrill, W. C. Sifton & Son

Dairy Products—F. Green & Son, Adrian, L. W. Rosebrook, W. C. Sifton & Son, R. W. Swanton

Poultry—Angus Johnson, Spiern & Co.

The concert given in the town hall at night was a success, the hall being filled to canacity. Those taking part were Miss Florence Good, elocutionist; George Nell, Scottish tenor, and LeRoy

109 OF TUESDAY APPLICANTS GOT MEDICAL TESTS

Rush of Applicants Continues, but Limited Number Only Can Be Handled.

61 PLACED IN "A" CLASS

Majority of Men Applying Are Those Who Believe Themselves Unfit for Service.

As each day brings nearer the date on which the first class under the military service will be called to the colors, the rush of applicants who desire medical examination to determine their status grows steadily greater. Men who are certain that they will be declared unfit for service form a large portion of the crowds, as if they are categorized as other than class "A" they need no other grounds for exemption.

No matter how great the number of men applying, present boards can handle only a certain number. With present facilities it is thought that the maximum has been almost reached.

Tuesday 109 men were examined under the military service act and two recruits came before the medical boards. One of these was A. S. May, an Englishman, who signed on with the Army Service Corps. The other, Thomas Boyce, was a returned soldier. He was accepted for military police duty.

Men examined under the military service act were categorized as follows:

Class "A2"	61
Class "B2"	13
Class C	8
Class D	5
Class E	22
Total	109

QUERIES REGARDING MILITARY SERVICE

Send In Your Problems and They Will Be Answered From Official Information by The Advertiser.

Question.—Men born in Cuba, Mexico and the United States, living in Canada before the war, for domestic reasons not naturalized, are anxious to learn if they have to apply for exemption. INQUIRER.

Answer.—No. The military service act applies only to British subjects (who are such either by birth or naturalization). A man cannot ask for exemption when he has not been called up by the act.

Citizens of the United States will be subject to the arrangements now being made between Great Britain and the United States (similar to the agreements between Britain, France and Russia) by which the subjects of the allied countries must either enlist where they are living or return to their own country.

Question.—Will it be necessary for a Swiss citizen to apply for exemption from military service? If not, what would he do, if asked on the street to produce his papers showing that he had reported for service or claimed exemption? A. J. P.

Answer.—1. See answer to Inquirer above.

2. He would simply state that he had no papers because he was not subject to the draft. In this case he might be required to prove that he was not a British subject.

Question.—Would a young man, who is unmarried, but the support of a widowed mother, be in Class 1 or 2?

If he is in Class 1, would it be necessary for him to apply for exemption? If he is in Class 2, would he be considered the same as a married man? MRS. M. E.

Answer.—1. Class 1, as he is unmarried.

2. Yes, he must apply if he wishes to obtain it.

Question.—Is it necessary for a person who thinks he is physically fit to have a medical examination when he intends applying for exemption on other grounds? N. L.

Answer.—It is not necessary before applying for exemption on any grounds, but it is recommended that every man go before a medical board before applying for exemption. If he finds that he is unfit, he need put forth no other reason for claiming exemption, and the trial of his case will be dispensed with, the claim being granted immediately on the presentation of his "medical history sheet," showing that he is unfit. If he should find that he is fit, he could then make application on other grounds, if he so desired.

INTERPRETATION OF MEWBURN CIRCULAR IS DIFFERENT HERE

Officers Do Not Believe It Permits Volunteering.

Men who volunteer at once before they are called upon to report for service can have the status of volunteers, according to a Montreal dispatch yesterday, which stated that a circular letter had been received there from Major-Gen. the Hon. S. E. Mewburn, adjutant-general, Ottawa, to that effect.

Officers at local headquarters, who have received what is believed to be the same circular letter from Ottawa as that mentioned above, place an entirely different interpretation on it, and claim that according to the circular only men who are not members of Class 1 can be accepted as volunteers under the military service act.

Members of Class 1 who come in are simply considered as soldiers reporting for duty, and do not come under the head of volunteers.

SHAKESPEAREAN BOOKS IN UNIQUE EXHIBIT AT LONDON PUBLIC LIBRARY

Facsimilies of Famous Editions Are Being Shown Locally.

A number of interesting Shakespearian books are on exhibition at the public library. These include facsimiles of such early editions as the first folio of 1623 and the quarto single play editions that were pirated and printed while Shakespeare was still alive. A most interesting item is a copy of the little Italian book, "Il Pecorone," printed at Venice in 1565. It was from this little book that the great English dramatist drew the story of the "Merchant of Venice," and in all probability the edition shown at the library is the same as that which Shakespeare himself used. Another such source book shown is an edition of Plutarch's lives. It was from Plutarch's Lives that the stories of the Greek and Roman plays like Julius Caesar and Antony and Cleopatra were drawn, and this is probably an example of the same edition that Shakespeare used in writing these plays. Part of the exhibit is from the Barnett library at Stratford, the remainder is from the London library's own books.

OUTLINE PAVING PROGRAM OF 1918 NOW, SAYS BRAZIER

City Engineer Wants Plans Laid For Next Year.

BOARD OF WORKS AGREES

Fire Hall Rooms Granted Rent Free for Exemption Tribunal Board's Use.

The board of works at the meeting last evening decided to allow the exemption tribunal boards the use of No. 4 fire hall on the Hamilton road, and a room at the East End fire hall for holding their sessions. No charge will be made for the buildings.

The board set a price of $1.25 per yard for the asphalt top on the street railway company's track allowance on Adelaide street. City Engineer H. A. Brazier will make the charge.

The city will heat the vocational training building at Victoria Hospital from the incinerator plant. The hospitals commission made this request.

The paving program for 1918 will be considered at the next meeting of the board. Engineer Brazier will prepare a report. He is of the opinion that a scheme should be laid out for the year.

Ald. Cunningham called attention to the fact that the crossings of the London and Port Stanley were in bad shape. Mr. Brazier will take the matter up with the commission.

Whit Lancaster presented an account for $60.75 for boats used by the fire department in looking for the bodies of persons drowned. The account was sent to the finance committee.

Some new machinery was purchased for the incinerator at the suggestion of Mr. Brazier.

Routine business was disposed of.

CHAPLAIN FOR CAMP PROBABLE NOW WITH INCREASED STRENGTH

Ministers' Request Will Be Met, Say Officers.

RELIED ON MINISTERS

Departmental Replies Said Enough in City To Look After Men.

A chaplain to attend to the spiritual needs of the soldiers quartered in this city is a probability in the near future, according to information given The Advertiser at militia headquarters.

In view of the fact that there will be quite a large number of men stationed here throughout the winter, and possibly during the rest of the year, it is felt that there is a need for a chaplain. Attention to this fact was called in a resolution passed by the local branch of the Ministerial Alliance on Monday and it is probable that an appointment will be made shortly.

Up to the present time the invariable answer received from Ottawa, when a request for a chaplain for the London camp was made, was that there were not so many men here but that the clergy of the city could, by devoting a portion of their time to the work, provide for the needs of the men. It was claimed that the clergy were sufficiently numerous here to handle the work without serious inconvenience to themselves.

With the prospect of many more men being here, it is probable that a chaplain may be appointed soon.

In addition to the winding up of general business, which has accumulated since the meeting of conference last June, the London Methodist Conference special committee at the afternoon session yesterday drew up a recommendation to be forwarded to the army and navy board of the Methodist Church, asking for the appointment of a chaplain for returned soldiers in No. 1 Military District, which largely coincides with the London Conference. James Findlay, of Grace Church, St. Thomas, a probationer, was appointed to the Fullerton circuit in the Stratford district, and Sperrin Chant, also of St. Thomas, to take charge of the Elm Street Mission St. Thomas.

INFECTIOUS DISEASE CASES 14 IN WEEK

October 13 Report of Health Department Shows Little Change.

The weekly report of Dr. H. W. Hill on infectious diseases shows nothing of a startling nature. During the week ending October 13, 14 new cases were reported, 2 of diphtheria, 4 of septic sore throat, 5 of measles, 2 of whooping cough and 1 each of scarlet fever and tuberculosis.

There were 31 cases altogether in the city, 10 of scarlet fever, 7 of whooping cough and measles, 5 of diphtheria and 1 each of chicken pox and septic sore throat. There were 11 cases at the isolation hospital, 4 of diphtheria, 3 of scarlet fever and 4 of whooping cough. The other 20 were being treated at home. Nineteen houses were under quarantine.

LONDON CHOIR DRAWS BIG THAMESFORD CROWD

Dundas Centre Church Musicians Greeted With Capacity House.

A full house and many turned away was the reception given the Dundas Centre Methodist Church choir at Thamesford Methodist Church last night, on the occasion of the church anniversary. A full musical program of choruses, part songs, solos, etc., was rendered by the choir and soloists, under the leadership of J. Parnell Morris, to the delight of the large and appreciative audience. A hearty vote of thanks was tendered the ladies of Thamesford Church for the excellent fowl supper provided for the choir at the close of the program.

The choir extended its appreciation to the following, who have generously given the use of their motor cars in making these trips possible: Robt. Greene, Frank White, R. Hourd, W. T. Clark, F. Parker, Wm. McFadden, C. Summers, Harry Lewis, J. Parnell Morris, C. R. Sumner, Geo. F. Copeland and Heber Gibson.

OFFICIAL ORDERS ON WAR SERVICE BADGES STILL BEING HELD UP

Camp Orders, However, Ban All But Patriotic Button From Uniforms.

Owing to the fact that there are still some points not exactly clear in reference to the regulations governing the issue of the war service badges to those who have served in the present war or have offered their services, the circular which was to have been issued at militia headquarters today, was not ready for publication. It will be published in a few days, it is expected.

In this connection, it was announced in camp orders that the badge of the Great War Veterans' Association is not to be worn with uniform, according to instructions from Ottawa. The only badge authorized to be worn in uniform is the Class "A" War Service Badge, hitherto known as the Canadian Patriotic Fund Badge given to returned soldiers for service at the front.

SOLDIER'S WIFE WHO IS LEFT DESTITUTE APPEALING FOR AID

Asks Soldier's Aid Commission To Find Husband.

WENT BACK TO ENGLAND

Following Discharge From C. E. F., St. Thomas Man Went Back to Old Country.

A pitiable case of misfortune has been brought to the attention of the Soldiers' Aid Commission by the reception of a letter from Mrs. A. Poulton of 40 Metcalf street, St. Thomas.

Mrs. Poulton writes that her husband, Pte. E. Poulton, returned from overseas about a year ago, receiving his discharge shortly afterward. About six months ago he disappeared, and word was received some time afterward by his wife to the effect that he had worked his way to England. Since then nothing has been heard of his whereabouts, and Mrs. Poulton has sought information through various agencies without success. Thinking that her husband had been conscripted with the Imperial army, Mrs. Poulton wrote to the local branch of the Soldiers' Aid Commission seeking information as to her chances of receiving pay and separation allowance. Exhaustive inquiries failed to elicit the whereabouts of the soldier or any information pertaining to him.

Since the disappearance of her husband Mrs. Poulton has been followed with misfortune. Her separation allowance cut off, and she having no other means of support, the landlord of her cottage threatened to evict her. Fortunately she was able to secure the house in which she now lives.

The Soldiers' Aid Commission recently received a communication from the woman, in which she declares that she must have the three months' pay coming to her husband for service before being discharged, stating that five of her children were under fourteen years of age, and that she had not sufficient money to buy bread for them.

Up to date Pte. Poulton has not been located, and the chances are that he has been conscripted with the B. E. F.

A portion of Mrs. Poulton's letter to the Soldiers' Aid Commission reads: "My landlord came around for me to get out at once. How can I get another hose with no money, not enough to get bread for my little ones; I understand my husband enlisted at Bath, but can secure no further word of him. Will you help me out?"

The appeal of the unfortunate woman has not yet brought material results, but the Soldiers' Aid Commission is making efforts to secure Pte. Poulton's back pay and to trace the whereabouts of the man in England.

U. S. CORN EMBARGO TO CAUSE SHORTAGE HERE IN FEW DAYS

Farmers Will Have To Go Short On Feed.

BIG IMPORTERS STOCK UP

Large Local Manufacturing Plant Has Sufficient Until December

So serious is the situation with regard to the United States embargo on corn that local importers state that if there is not relief in eight or ten days the bulk of the supply of corn in Canada for manufacturing purposes will be exhausted.

Although this scarcity of corn means that the majority of starch manufactories will be compelled to close down unless relief is in sight, the Battle Creek Toasted Corn Flake Company, the largest importer of corn in the city, will not suffer, according to representatives of the firm.

"We have anticipated the shortage of corn brought on by the embargo," said R. K. McIntosh, manager of the local plant, today, "and have stocked up sufficient to keep us going until the situation becomes acute, then we intend applying to the food controller for a license to import a new supply. Our present supply will adequately provide for our requirements until December. After that date the new crop will be available, and we do not expect any difficulty in securing a license for an additional supply. Many factories in the States have been compelled to close down owing to the temporal shortage there. The embargo was placed on corn more to keep tab on the manner in which it was being used throughout the country. Whiskey manufacturers will suffer greatly because of the embargo, as the United States Government will not allow the export corn to be used for the purpose of manufacturing spiritous liquors. When the food controller is assured that we need corn for the purpose of manufacturing food, I think we will receive a license without trouble."

Local corn importers will be required to apply for a license as soon as their present supply runs out. The farmer will suffer to a large extent until grain firms secure this license, and the subsequent new supply, as the farmers buy practically all feed from them. Mr. McIntosh believes that the embargo would not be lifted. It is a precautionary measure of the United States Government to determine where and for what purpose corn is being distributed throughout the country, he said.

BECOMES ASSISTANT ON MILITARY SERVICE BOARD

Capt. Hindson Will Assist Lieut.-Col. Smith in Work.

Hon. Capt. William E. Hindson of the general list of chaplains, who has been chief recruiting officer of this district, has been appointed assistant to Lieut.-Col. Smith, district military representative, under the military service act, it is announced in camp orders.

That Capt. William Griesinger, M. C., of the 21st Regiment, who served overseas with the 19th Battalion, has been appointed deputy assistant provost marshal at Windsor, is also announced.

Or for large windows. Each ..... 35c, 45c and 60c

Economy

The economy door is always wide open here. Economy is the best-talent the shopper has at her disposal, and this store meets it with the talent of shrewd merchandising. We maintain quality standards, keep up assortments, do everything we can to make shopping attractive and easy, but first, last and always we keep prices down to the point of real economy.

Another Sale of Boys' Winter Overcoats

For All Ages, $3.95 and $5.95

Boys are becoming quite enthusiastic about these weekly sales, and well they might be, when you think of buying winter coats in October at about half-price. There are also a group of Paramatta Raincoats for ages 10 to 14 years, in the $3.95 group. Don't miss making an inspection of these tomorrow.

Boys' Overcoats, $5.75

Overcoats for the little lads 3 to 8 years. On Thursday we show a very special line of overcoats for the small boy at a price that should clear them quickly. Brown tweeds lined all through and belt all around, buttons close up to the neck; also the British warmer military style, with convertible collar. These goods will give comfort and satisfaction and are worth nearly double the price asked. For boys 5 to 8 years. Price $5.75

Boys' Overcoats, $3.95

Another special for Thursday will be Boys' Overcoats for boys 10 to 16 years, in medium-weight tweed, grey overcheck, lined throughout, with belt back and shawl collar. This is exceptional value and should be cleared quickly on Thursday. At the same price we offer the boys' Paramatta Raincoats for boys about 10 to 14 years. Don't miss this opportunity on Thursday. Sale price $3.95

Men's Cotton Underwear 69c

Men's Winter-Weight Shirts and Drawers, in a fine soft cotton, ribbed, in white or cream shade, at a big reduction Thursday. This is an extra good-wearing line, and those who do not wear woolen underwear will find comfort and warmth in these goods; sizes 34 to 44.

Sale Price, 69c Garment

Jersey Suits For Boys

All-Wool Jersey Suits, imported goods of a high-grade quality for the little boy, in navy or cardinal shade, coat has collar and buttons at front, knickers are knee length, for boys aged 2 to 5 years.

Price, $3.75 Suit

AT SODA FOUNTAIN—Short lunches served continuously. Sandwiches, Coffee, Pie, Cake, Ice Cream. Main Floor.

SMALLMAN & INGRAM LIMITED

ICE CREAM—To take home—Pints—Bulk, 20c; bricks, 25c. At Soda Fountain.

LIEUT.-COL. JONES OF FIGHTING 18TH IS AWARDED D.C.M.

Popular Officer Was Former Teacher at Sarnia Collegiate.

SARNIA, Oct. 16.—In a letter received by W. J. I. Parsons from his son, Capt. D. A. G. Parsons of the "Fighting" 18th Battalion, it is stated that a Distinguished Conduct Medal has been awarded to Lieut.-Col. Jones, O.C., of the 18th. Col. Jones was formerly a teacher on the staff of the Collegiate Institute.

ONLY FOUR OFFER.

WINDSOR, Oct. 16.—Windsor eligibles reporting to Postmaster Wigle today showed no desire for immediate military service, only two men out of 300 signing declarations to waive appearance before exemption tribunals. The two were Harold Farry Wollatt, son of William Woolatt, mayor of Ojibway, and Norman E. Zimmerman, accountant at the Royal Bank, Windsor. Up to tonight only four men out of a total of 300 who had reported to the postmaster have declared themselves ready for service.

WON VICTORIA CROSS.

OWEN SOUND, Oct. 16.—Another Victoria Cross has come to Grey County. Word has been received that Lieut. Reginald Ferguson of Thornbury has been awarded this honor, but no details of the way in which it was won have come to hand. Lieut. Ferguson was an officer with the 147th Greys. He secured his commission the year before they went into training, and volunteered to go overseas as a private. On account of the scarcity of officers, he was not accepted. When the first Greys were mobilized he became an officer on Col. McFarland's staff, and three months before the battalion crossed went to England with a special draft of officers, going directly to the trenches.

GETTING ALONG WELL.

PRESTON, Oct. 16.—Mrs. Donavon received word today that her husband, Pte. Donavon, who was recently severely gassed, has been transferred to a hospital in England, and is getting along nicely. He enlisted in the 111th Battalion, and before the war worked at Clare Bros.' foundry.

JOINS FLYING CORPS.

STRATFORD, Oct. 16. — Pte. William Marshall, who was wounded and invalided home twelve months ago, has re-enlisted with the Flying Corps, and is home on leave before going with his unit to Texas.

Pte. Marshall enlisted with the 18th Battalion and was wounded at St. Eloi. He has two brothers now in France.

TO HELP Y. M. C. A. WORK.

BLENHEIM, Oct. 16.—Organizer Mr. Douglas of the Ontario Y. M. C. A., was here yesterday, and at a meeting held last night it was decided to put on a campaign to raise funds to assist the Y. M. C. A. in its work among the soldiers both at home and overseas. A committee consisting of Messrs. R. L. Gosnell, Mayor W. R. Fellows, Dr. A. J. McTavish, Jas. Rutherford and W. J. Baird, were chosen to arrange a public meeting, and arrange for a canvass to proceed with the work.

NEW BOOKS ADDED TO LIBRARY SHELVES

The following new books have just been added at the public library, and are now in circulation:

General Works, Philosophy and Religion.—Koopman: The Book Lover and His Books. Dresser: Handbook of New Thought. Watt: Psychology of Sound. Blackwood: The Prophets, Elijah to Christ. Harris: Christian Science and the Ordinary Man.

Sociology and Science.—Huebner: Property Insurance. Struthers: The School Nurse. Conklin: Heredity and Environment. Walker: Steam Boilers, Engines and Turbines. Collins: How to Fly. Middleton: Way of the Air. Peel: Eat Less Meat Book. Morgan: Making of Half-Tones. Allen: Business Employments. Bottler: Modern Bleaching Agents and Detergents. Higgins: Dyeing in Germany and America. Knecht: Manual of Dyeing, two volumes. Farrar: Typography of Advertisements That Pay. Partridge: Stereotying. Thompson: Mechanism of the Linotype. Gage: Modern Presswork.

Fine Arts and Literature.—Johnson: Photography in Colors. Briscoe: Harper's Book of Little Plays. Norwood: The Piper and the Reed. Thomson: Old Man Savarin Stories. Macdonald: The North American Idea. Davies: Autobiography of a Super-Tramp. Oxenham: Vision Splendid. Watson: Man Who Saw. Tolstoi: Tolstoi's Journal.

Travel and History.—Barron: The Mexican Problem. Aldrich: On the Edge of the War Zone. Beaufort: Behind the German Veil. Buchan: Battle of the Somme. Morgan: German Atrocities. Bosher: In the Royal Naval Air Service. Ward: Towards the Goal. Wrong: Review of Historical Publications Relating to Canada. Macdonald: Documentary Sources of American History. Muzzey: Readings in American History.

Fiction.—Bindloss: Carmen's Messenger. Gunter: Mr. Potter of Texas. Hallett: Trial by Fire. Lequeux: Rainbow Mystery. Lippmann: Interlopers. McCutcheon: Green Fancy. Ruck: Girls at His Billet. Ruck: Bridge of Kisses. Oppenheim: For the Queen. Reynolds: Castle to Let. Richmond: Red Pepper's Patients. Rinehart: Long Live the King. Rives: Long Lane's Turning. Wells: Soul of a Bishop. Willsie: Lydia of the Pines. Yeo: Soldier Men.

With the Fingers! Says Corns Lift Out Without Any Pain

Sore corns, hard corns, soft corns or any kind of a corn can shortly be lifted right out with the fingers if you will apply directly upon the corn a few drops of freezone, says a Cincinnati authority.

It is claimed that at small cost one can get a quarter of an ounce of freezone at any drug store, which is sufficient to rid one's feet of every corn or callous without pain or soreness or the danger of infection.

This new drug is an ether compound, and, while sticky, dries the moment it is applied, and does not inflame or even irritate the surrounding tissue.

This announcement will interest many women here, for it is said that the present high-heel footwear is putting corns on practically every woman's feet.

"What's in a name?" questions the wise old philosopher.

But the up-to-date woman pauses in her knitting long enough to say:

"First let's hear the name."

If the name is "Raphael - Mack" she knows it stands for Style and Value. Never was this "Store of Popular Prices" a busier place than now.

THE RAPHAEL-MACK CO.

236 Dundas St.

LOCAL NEWS

OPENS FRIDAY NIGHT.—The Catholic Club will open its winter season at St. Peter's Hall on Friday night. Bishop Fallon and Major Father O'Gorman will be present, and deliver addresses.

DEBT CLAIMS.—Judge Judd, presiding at a sitting of the ninth division court at the court house Tuesday, heard 30 actions, part of them disposed of and the remainder adjourned. All were claims for debts, ranging from $25 to $60.

RECRUITS GO THROUGH.—Four special cars attached to Grand Trunk train, No. 14, eastbound, carrying British recruits and Polish reservists from Chicago, passed through the city at 7:28 o'clock Tuesday morning. The British recruits were destined for Toronto and the Polish reservists for Niagara-on-the-Lake.

EXPECT SHORT DISCUSSION.—No lengthy discussion on the hitch in civic coal yard plans is likely to take place at the regular meeting of the trades and labor council tonight. The question may be brought to the attention of the members, but until an investigation has taken place it is likely that no discussion will be held. No other business of a special nature is scheduled.

FIRST AID DEMONSTRATION.—A talk on "First Aid Work" was given by Miss Thompson of the St. John Ambulance Corps, with assistants to demonstrate, at the October meeting of the Aberdeen Mothers' Club. Miss Thompson strongly urged the necessity of a motorboat on the Thames River for use in case of accident. The twin children of Mrs. Desand danced the Highland fling, and an instrumental number was given by Mildred Pope. Refreshments were served at the close of the meeting.

WILL SUE COUNTY.—George W. Burkholder, a Hamilton citizen, has served notice on County Clerk Stuart that he intends to take action against the country in an effort to recover unstated damages for injuries which he claims were sustained by both himself and wife in a motor car accident in Ekfrid Township on September 2. Burkholder claims his car overturned because the road was in such a bad state of repair that he could not avoid the accident.

MAGISTRATE SCORES WIFE WHO CHARGED HUSBAND IN COURT

Says Disorderly Charge Most Absurd Ever Brought.

"This is the most absurd case which has ever come to my notice. There is not a tittle of evidence to support the charge, and it's a shame to take up the time of the police in serving summonses and the time of others in dealing with such affairs as this," said Magistrate Graydon today in dismissing a case in which John Weaver, a returned soldier, was charged with disorderly conduct on information laid by his wife, Mary Weaver, 101 Cartwright street.

According to information given to police officials by the wife, she was going to show that her husband had come to the home a few nights ago and torn down a sign bearing the words, "Ladies Tailoring," which was attached to the house. It was also going to be shown that Weaver had created a disturbance in the neighborhood, had threatened to blow up the house, was drunk, and had a bottle of whiskey.

Mrs. Weaver went on the stand and said she knew nothing about it beyond what neighbors had said. She wasn't home and all her evidence was based on what she had heard.

Mrs. Lewis and Mrs. Hiscott, both neighbors, testified they could not understand why they had been summoned. Both had seen Weaver the day in question. Each testified Weaver was perfectly sober and had created no disturbance whatever in the neighborhood. Both had been summoned for the complainant, Mrs. Weaver.

WOMEN WORKERS ENTHUSIASTIC OF FUND'S SUCCESS

Have Received the Cards for Thursday's Campaign.

Members of the women's committee of the British Red Cross campaign are most sanguine about the results of tomorrow's big canvass. They haven't a doubt but "Our Day" will score at least the objective for London, $50,000, for the British Red Cross.

Much enthusiasm is manifested by the women workers who are to take part in the canvass, representatives of some twenty organizations. All cards and forms were distributed to these representatives at Hyman Hall on Tuesday afternoon, or arrangements made to obtain them early today. The canvassers expect to be on duty by 8 o'clock Thursday morning, and some, indeed, have already seized time by the forelock and started on their duties. Where cash cannot be obtained, promissory notes will be left for those who intend to subscribe. All returns are to be made to Mrs. A. T. Edwards by 6 o'clock Thursday evening, at room 317, Dominion Savings Building. She will be there from 10 o'clock in the morning to give out further supplies or subscription cards or give information. Information may also be obtained from her by telephone on Thursday.

Northrop & Lyman Co., Ltd. Dept. E. W., Toronto

EMBARGO LIFTING STIFFENS MARKET FOR ALL LEATHERS

This Is Manufacturer' Reply to Printed Rumor.

BRITAIN BUYING HIDES

Enormous Quantities Being Sent to Old Country Within Past Ten Days.

An article on the leather situation, which appeared in a local evening paper last night, so entirely without foundation, and so distorted, according to shoe and leather men, that it would have been ludicrous were it not for the serious affect which even its limited circulation would have on the trade in general.

This article declared that the American markets were being glutted with leather, and that an embargo had been placed on the import of all hides entering the United Kingdom, with the result that shoe prices were likely to drop.

The facts in the case were entirely the opposite. The embargo on imports of leather and hides into Britain went into effect last February, and was only lifted ten days ago. The result of the lifting of the embargo has been an increased price, and the market rather than being glutted, as the local paper blatantly announced, is being depleted.

"The story is absurd," declared J. T. Telbutt of the Telbutt Shoe and Leather Company, Three Rivers, Quebec, who was a visitor in the city today. "The British buyer, who also is purchasing for the Allies, is buying up leather of all kinds suitable for military purposes and enormous quantities of leather are being shipped to Great Britain. The lifting of the embargo will mean, if anything, an increased price.

"On the Chicago hide market, the biggest in the world, there hasn't been a packer's steer hide of over 45 pounds which hasn't brought 32¾c per pound. The prices have stiffened since the embargo, and anyone who talks of cheaper shoes and leather is enjoying a pipe dream, beside knowing nothing of the market."

Y. M. C. A. AUXILIARY GROWS IN IMPORTANCE

Work Increases Year by Year—Entertainments Planned.

At the meeting this week of the Woman's Auxiliary to the Y. M. C. A., when the president, Mrs. W. G. Young, was in the chair, a number of items of business came up, illustrating the fact that the auxiliary becomes more necessary to the Y. M. C. A. each season.

One question discussed was in regard to an entertainment, which the auxiliary will hold in the near future in the auditorium. For the past year the auditorium under the name of the Lyric Theatre, has been used for moving pictures. It is again under the direction of the association, and the auxiliary has secured as an attraction of the near future the Royal Welsh Ladies' Quartet, under the direction of Madame Hughes-Thomas, who by the way, has been in London on several occasions, conducting the Royal Welsh Ladies' Choir.

RED CROSS FUND WORKERS SURE OF GAINING GOAL

Optimistic of Success of British Society Drive Held Here Tuesday.

TEAMS MEET TONIGHT

Final Details Will Be Worked Out and Start Made On a Whirlwind Campaign.

Plans have been completed for the British Red Cross canvass on Thursday. There will be a meeting of all the teams this evening in the Y. M. C. A. gymnasium for the distribution of tickets and to complete the final details for the affair. It is expected that every member of the various teams will be on hand. The Canadian Club team will meet this afternoon at 4 o'clock in the Tecumseh House for the distribution of its tickets, as many of the members cannot attend tonight.

On Thursday morning, the teams will start out, and expect to complete the work in one day. There will be a luncheon at 12 o'clock in the Tecumseh House, and in the evening the teams will be the guests of Sir George C. Gibbons at dinner, when the final returns will be made.

Practically half the total asked for, $50,000, has been obtained through the efforts of Sir George Gibbons. The teams will have to collect the balance. They are optimistic as to the results.

Sir George announced that two subscriptions were overlooked Tuesday, those of H. E. Boomer for $200 and H. E. Gates for $100.

"We are confident of the result," said Sir George today.

The teams are composed of the following:

Team No. 1—Board of Trade.
A. W. White (captain), W. F. D. Jarvis, A. Talbot, E. C. Mitchell, C. Duffield, C. W. McGuire, W. W. Gammage, W. T. Strong, A. T. Little, J. J. Foot, Wm Green, W. E. Robinson, J. P. Moore, G. H. Montgomery, E. H. Nelles.

Team No. 2—Board of Trade.
Wm. Turnbull (captain), T. W. McFarland, J. Harley Brown, J. E. Magee, Geo. H. Nichol, J. S. McDougall, Geo. C. Gunn, R. H. Harvey, C. B. King, S. F. Lawrason, Geo. H. Gillespie, A. H. Keene.

Team No. 3—Rotary Club.
W. R. Yendall (captain), R. K. McIntosh, R. J. Webster, Wallace Lane, C. R. Hunt, C. F. Jones, W. J. Nicholson, A. A. Langford, F. W. Farncomb, R. D. McDonald, L. J. Turner, A. D. Jordan

Team No. 4—Rotary Club.
Ray Lawson (captain), J. C. Beemer, W. E. Saunders, A. Macpherson, F. Jewell, R. H. Dowler, A. McMahen, John Bridge, Frank McCormick, W. Clarke

Team No. 5—Rotary Club.
J. K. McDermid (captain), Frank Ashplant, W. F. Boughner, W. N. Manning, J. S. Moore, W. A. Martin, C. R. May, A. McLean, Emerson Nicol, C. S. Stevenson, R. J. Webster, R. C. McKnight.

Team No. 6—Canadian Club.
J. H. Fowler (captain), Dr. Waller, R. P. Pearce, J. M. Dillon, G. M. Reid, C. E. German, W. G. R. Bartram, C. R. Sanagan, Rev. J. G. Stuart, Rev. H. Ashby, B. C. McCann, E. F. Hall, F. G. Mitchell, P. M. Wood, A. Pollard.

Team No. 7—Advertising Club.
E. S. Crawford (captain), T. P. Elliott, W. Johnston, Percy Young, Mr. McDougall, Mr. Nash, Geo. Clark, W. Lewis, S. Charlton, W. C. Zollner, K. Casselman, J. B. Hay, Mr. St. Laurence, John Cottam, W. J. Ashplant.

Team No. 8—Kiwanis Club.
S. H. Rowed (captain), C. A. Mann, T. H. Lacey, Chas. H. Lee, H. McCallum, G. F. Pearson, J. J. Dyer, J. E. Hickey, H. A. McLaren, E. W. Gairns, A. M. Heaman, P. B. Gidley, Dr. J. R. Ferguson, Jared Vining, W. C. Murray.

Team No. 9—Salvation Army.
Brigadier Rawling (captain), G. B. Parkinson, Adj. F. W. Martin, Adj. H. Ritchie, Adj. S. Ash, Ensign C. Clark, Ensign D. Snowden, Capt. Stevens, Capt. Taylor, Adj. McRae.

Team No. 10—Builders' Exchange.
A. C. Nobbs (captain), T. A. Jones, E. Gerry, W. T. Pace, S. Willis, B. Noble, R. Dennis, H. Martyn, Paul Quick, Henry Hayman, L. A. Boss.

Team No. 11—London Curling Club.
Bruce Wanless (captain), Thos. Shaw, J. McClary Moore, Thos. Gillean, V. Jackson, J. A. Stone, C. T. Glass, W. McMahon, J. Vasbinder, J. M. Hunt, F. B. Snow, J. Griffiths, H. Aked.

Team No. 12—Thistle Curling Club.
P. B. Fetterley (captain), C. S. Smallman, A. J. McGuffin, A. J. Smith, R. W. Youngs, Geo. Stark, O. C. Barrie, C. Edy, A. E. Barbour, W. R. Mortimore, S. L. Taylor, John Connor.

Team No. 13—Educational Team.
C. B. Edwards (captain), H. B. Beal, S. J. Radcliffe, G. F. Rogers, A. McQueen, D. J. Ferguson, J. McWilliams, E. E. Gibbs, Dr. H. W. Hill, Dr. Braithwaite, Dr. J. W. Crane.

PRAISES AID SOCIETY

Tuberculosis Nurse Says Sanatorium Branch Doing Good Work.

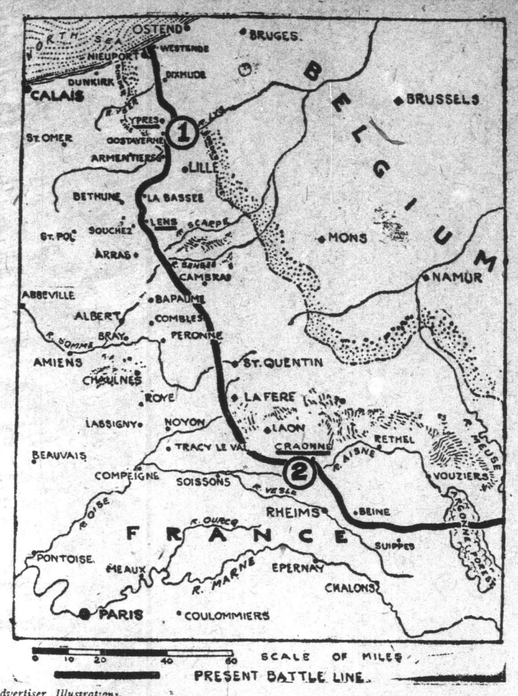

At the meeting Tuesday evening of the Tecumseh Avenue Mothers' Club, Miss Hanson, visiting tuberculosis nurse, gave an interesting talk on her work in the city, speaking in terms of high praise of the good being accomplished by the Women's Sanatorium Aid Society.

In addition to this feature, the program included solos by Miss Way, Mrs. P. Brighton and Kenneth March, a number by a ladies' quartet, composed of Mrs. Courts, the Misses Adam and Miss Jarvis; readings, Miss McPherson, Marion Smith and Ivy Baldwin danced several times, and a violin number was given by Miss Eastbrooke.

Trying to forestall Allied blows, the Germans have delivered two heavy attacks, one (1) against Haig's positions east of Ypres, and the other (2) against the French lines. Both broke down under gun-fire.

CONSCIENTIOUS OBJECTORS EXIST IN DISTRICT; SOME APPLYING FOR EXEMPTION

Replies Received Show But 5 Reports for Service Against 364 Claims for Exemption So Far Handled by Local Deputy Registrar—60 Per Cent of Claimants Farmers, But Religious Grounds Used as Basis.

But five persons have reported for service under the military service act out of 369 who have so far sent in replies throughout Military District No. 1 since Saturday.

Deputy Registrar W. E. Wismer's department handled 281 communications today, which showed 278 claims for exemption and 3 reports for service.

Approximately 700 replies from various postoffices throughout the district are now in the hands of Postoffice Inspector Fisher's department awaiting transfer to Deputy Registrar Wismer. The inspector's staff has to make a record of every reply, and in addition send a receipt to the postmaster from where the communication was sent. This involves a lot of work in view of the hundreds of letters now flowing into the department.

The overwhelming majority of claims for exemptions as compared with reports for service means that the local tribunals throughout Military District No. 1 will have lots of work to do when they start to hear cases, commencing on November 8th.

Of the large number of claims for exemptions 60 per cent are signed by farmers, who claim exemption on the rounds that their present work is of greater benefit to the country, and a few that a serious handicap would ensue if the man was placed on active service, owing to his exceptional domestic position.

Quite a number are applying for release from service on the grounds of ill health, and a few on the grounds that they conscientiously object to the undertaking of combatant service because prohibited by their religion.

FOUR BISHOPS TO ASSIST IN ANGLICAN CHURCH MISSIONARY CAMPAIGN IN HURON DIOCESE

Two Missionaries Will Also Speak in Various Parishes of District in Aid of Work.

A grand missionary campaign throughout the Anglican Church of Eastern Canada has been arranged by the M. S. C. C., and the Diocese of Huron is to be visited by no less than four bishops and two missionaries, who will address meetings in various parishes. The tour of the bishops, who are Right Rev. E. F. Robins, bishop of Athabasca; Right Rev. Alex. Doull, bishop of Kootenay; Right Rev. Joseph Lofthouse, bishop of Keewatin, and Right Rev. H. A. Gray, bishop of Edmonton, will take place between October 31 and November 4.

Rev. A. J. Williams, who is on furlough from Kai Feng, China, is making a more extended visit in Western Ontario, from October 25 to November 18. Rev. A. J. Vale of Hay River, on Great Slave Lake, N. W. T., is to make visits from November 4 to 8.

The Bishop of Athabasca will address meetings in Strathroy, Watford, Warwick, Forest, Sarnia, St. John's and St. George's, and will be in the Cronyn Memorial Church, London, Sunday evening, November 4.

The itinerary of the Bishop of Kootenay is as follows: Paris, Galt, Waterloo, Kitchener, Grace Church, Brantford, Waterford, Simcoe.

The Bishop of Keewatin speaks in All Saints', Windsor, Kingsville, Amherstburg, and in Christ Church and Holy Trinity Church, Chatham, on Sunday, November 4.

The Bishop of Edmonton speaks in Ingersoll, October 31; Woodstock, November 1; St. Thomas, November 2, and in St. Paul's Cathedral, this city, on Sunday, November 4, at the morning service, and in the Church of St. John the Evangelist in the evening. The Bishop of Huron on Sunday, November 4, is taking part in the campaign, preaching in the forenoon in St. George's Church, West London, and in the evening in All Saints.

The itinerary of Rev. A. J. Williams, the returned missionary from China, is as follows: Thursday, October 25, Shelburne; Friday, October 26, Markdale; Saturday, October 27, Owen Sound W. A. at 3 p.m.; Sunday, October 28, St. George's, Owen Sound, 11 a.m.; Sunday, October 28, St. George's Owen Sound, 7 p.m.; Monday, October 29, Meaford; Tuesday, October 30, Clarksburg; Wednesday, October 31, Stratford, St. Paul's; Thursday, November 1, Granton; Friday, November 1, Granton; Friday, November 2, Seaforth; Sunday, November 4, Goderich, 11 a.m.; Sunday, November 4, Clinton, 7 p.m.; Monday, November 5, Lucknow; Tuesday, November 6, Kincardine; Wednesday, November 7, Wingham; Thursday, November 8, Gorrie; Friday, November 9, Exeter; Sunday, November 11, Lucan, 11 a.m.; Sunday, November 11, St. Marys, 7 p.m.; Monday, November 12, Sarnia, St. John's; Tuesday, November 13, Wallaceburg; Wednesday, November 14, Ridgetown; Thursday, November 15, Tyrconnell; Friday, November 16, Tillsonburg; Sunday, November 18, Brantford, St. John's, 11 a.m. and 7 p.m.

Rev. A. J. Vale preaches in Christ Church and St. James', city, on November 4, going to Walkerton the following day. From there he will go to Southampton, then Chesley and Wiarton.

DOUBLE TAXATION BRINGS PROTEST FROM LOCAL MEN

Importers Pay Duty On American War Tax.

CUSTOMS ADDS IT ON

Local Officials Declare That Full Cost of Goods Is Basis.

Local importers are protesting to Ottawa against duty being levied on the recently inaugurated American war tax as well as on the actual cost of merchandise purchased in the United States.

The new tax being levied by the United States is three per cent of value of the article. American firms in invoicing goods for this country are adding this to the cost price, and the customs department here is levying the current duty plus the Canadian war tax on this total.

Customs officials here claim that this is in accordance with present regulations, the tax being levied on the total cost to the importer and the department not being concerned whether the money is received by the manufacturer or the United States Government.

"The manufacturer might bill the duty separately or he might merely include it in his cost price," said one official today. "And the importer here under present regulations must pay duty on the amount which he pays to the American from which he is buying."

Importers here claim this is manifestly unfair, pointing out that by this means they are bearing not only a war burden here in the shape of 7½ per cent added duty, and helping to pay the cost of American participation in the war, but also taxed again on helping to pay American costs, because in every case the war tax is added to their invoices. This not being enough, Canadian war tax is levied on the tax from which the American Government is getting the benefit.

An appeal has been made to Ottawa, but no ruling has yet been handed down there.

WEDDING BELLS

TOMPKINS—CRAFORD.

A quiet and pretty wedding was celebrated at the Methodist parsonage, Charing Cross, on Saturday evening, when Francis Wesley Tompkins of Harwich Township, eldest son of the late John W. Tompkins, was united in marriage to Miss Pearl Irene Craford, youngest daughter of H. W. Craford of Harwich Township. The ceremony was performed by Rev. J. E. Hunter. The bride was daintly gowned in blue silk, with large black hat.

They will make their home on the third concession of Harwich Township, where the groom has purchased a farm.

BENSON—CAMPBELL.

The wedding was solemnized at the Talbot Street Baptist Church on Monday of Miss Adele Campbell, daughter of Frank Campbell, of 388 Dundas street, and George C. Benson, son of George Benson, of 380 Dufferin avenue. The bride was given away by her brother, Carl L. Campbell. Mr. and Mrs. Benson left for Trenton, where they will reside.

FIREMEN AND POLICEMEN NOT EXEMPT IN M.S.A.

Despite Chief's Belief They Do Not Come Under Act's Provisions.

RELIGIOUS SECTS ONLY

Section of Act Which Provides Exemptions Covers Doukabors and Mennonites.

Under the schedule of exceptions in the military service act seven separate clauses outline in detail those individuals who may be, or are exempt from military service. The seventh clause reads: "those persons exempted from military service by orders-in-council of August 13th, 1873, and by order-in-council of December 6th, 1898."

Many persons have inquired, after reading the act, who "those persons" were. Several of the city patrolmen and firemen were under the impression that it was under these orders-in-council that they were exempt, and Chief of Police W. T. T. Williams also thought so.

A search through the records at the public library reveals that those persons exempt from military service are the Mennonites and Doukhobors. There is nothing in the military service act to show why firemen or policemen should be granted exemption as a body, although it is rumored that the head of the police department will apply for exemption for all his men on the grounds that they are of greater benefit to the country in their present capacity than they would be as military men.

The order-in-council of August 13, 1873, has reference to the Mennonites, who came to this country from the slopes of the Caucasus Mountains in Russia. Before emigrating to Canada they sent over a delegation to interview the Canadian Government in order to ascertain what promises the Government would make them with respect to military service. The Government gave them an agreement that they would be exempt from all military service.

The same promise was given the Doukhobors, who came to Southern Manitoba and settled there in 1898. It was after considerable debate in the House of Commons on July 13th last that Clause No. 7 was inserted in the exceptions schedule of the military service act. The majority of the members felt that as the honor of the nation had been pledged to these people they should not be called upon to prove their cases before the tribunals.

In answer to a question from a member during the July debate, Hon. Arthur Meighen, then solicitor-general, stated he did not think the clause would apply to all Mennonites and Doukhobors, as the orders-in-council did not in definite language carry the exemption to succeeding generations. The question of whether the sons of these people will be exempt is yet to be decided by the central appeal judge. The religious beliefs of both these people prevent them from engaging in combatant service of any kind. There are several communities of Mennonites in Western Ontario. In Huron there are communities near Crediton and Zurich. In Bruce there are numbers in the vicinity of Port Elgin, Chesley, Elmwood, Hanover, Neustadt, Walkerton and Teeswater. The largest community of Mennonites is in Waterloo County, near New Hamburg, Baden, Petersburg and Wellesley. In Perth others reside near Mitchell and Milverton.

With reference to Doukobors, few, if any, live in Ontario. They settled in Manitoba and the Western provinces. The Mennonite population of Ontario would exceed 10,000. Of this number 2,000 would be within the military age.

TRAINING INSTITUTE OF SUNDAY SCHOOLS OPENS ITS SESSIONS

Initial Meetings of the New Scheme Held Last Night.

The opening meetings of the Sunday School Teachers' Training Institute, organized a couple of weeks ago, were held last evening, and largely attended in the three districts into which the city has been divided, east, central and west.

In the central district, the gathering held in the London Life Building was so large, about eighty or ninety in attendance, that the room was crowded to its capacity and the problem of the immediate future may be larger quarters.

Two text books are being taken up this, "The Life of Christ" and "The Pupil." In the central district meeting, Rev. D. C. MacGregor took up the first, and Dr. E. F. Barker of the Western University the second.

In the east end meeting in the Centennial Methodist Church, the leaders were Rev. W. R. McIntosh and Rev. J. R. Harris, and in the south end, Rev. H. H. Bingham and Principal J. T. Parkinson of the Tecumseh Avenue School.

DEATHS AND FUNERALS

MRS. MASCARI'S FUNERAL.

The funeral of Rosala Mascari was held from her late residence, 614 Dundas street, Tuesday. Requiem high mass was celebrated at St. Mary's Church, and the services conducted by Father Corcoran. Interment was made at St. Peter's Cemetery, where Father Richards conducted the services. The pallbearers were M. Catalano, James Catalano, M. and M. Sansone, F. Spicuzza and F. Mascari.

CHAPLAIN, WOUNDED AT FRONT, TO SPEAK TO CANADIAN CLUB

Father O'Gorman, Guest of Bishop Fallon, Secured.

Rev. Father John J. O'Gorman, major, in the Canadian Chaplains' Service, rector of the Holy Sacrament Church, will be the guest of honor at a Canadian Club luncheon on Friday at 12:15 o'clock.

Major O'Gorman is in the city, the guest of Bishop Follon, and has consented to address the club. He spent some months on the firing line, and bears a shattered left arm as a memento. Father O'Gorman and a soldier were carrying a wounded man back to the hospital. They had to take him across an open field. While they were doing so, a German shell fell close to them, shattering Father O'Gorman's left arm, and his companion's right arm. The wounded man escaped. Although severely wounded, they managed to get back to safety.

Father O'Gorman is a gifted speaker, and there will be a large crowd in attendance. His subject will be "Half Hour at the Front."

GIRL KNITTERS' TEAMS TURN IN SAME NUMBER

Make 35 Pairs Each in Church Club Competition.

Early in the summer, the members of the Marian Keith Girls' Club of St. Andrew's Presbyterian Church divided into two teams, under the leadership of Allison Buchner and Alice Darch for a sock-making contest. The close of the contest on Tuesday was marked by a happy social gathering and meeting, when it was discovered that the teams had done equally well, each turning in 35 pairs of well-made socks as the result of their summer's efforts.

The president, Miss Dorothy Wardrope, presided over the meeting in a capable manner. Lady Beck, president of the London branch of the Red Cross; Mrs. C. R. Somerville, president of the Canadian War Contingent Association, and Mrs. A. E. Cooper, treasurer of the London Red Cross, were present to pass an opinion on the socks, and gave short addresses, the program feature. During the afternoon, Miss Hogarth was presented with a prize offered for the member of the Marian Keith Club, who ranked as the best sewer during the past year. Afternoon tea was served at the close of the program.

SERIOUS INJURIES SUSTAINED WHEN TRAIN HITS AUTO

Londoner May Not Recover From Crossing Accident.

Prevented from seeing the tracks by an orchard, George Dickey, 860 Hellmuth avenue, drove his Gray-Dort car directly in front of a G. T. R. work train at Hyde Park Tuesday evening at 6:30 o'clock, and sustained injuries from which he may not recover. Two ribs were broken, and he was injured internally.

The car was hurled into a deep ditch and practically demolished.

The injured man was carried to the office of Dr. C. C. Ross of Hyde Park, who attended his injuries.

Mr. Dickey was on his way to visit his son, Marshall Dickey, when the accident happened. The train was traveling at a low rate of speed, otherwise he would have been killed, according to trainmen.

The engineer and other trainmen claim that the usual warning signals were sounded as the train approached the crossing.

Several narrow escapes have been reported at this point owing to the orchard preventing a clear view. The injured man is 60 years of age, and has been a resident of the city many years.

GREAT WEDGE

troops, has now, by the French co-operation, and their recent successful advance, so extended the line that fighting in what was the Ypres salient has changed in character. It is no longer to be considered a salient, but an ever-extending wedge progressively driven into the German lines.

"The operations of the French during the past week are in fact complimentary to the engagements which resulted in the capture of Messines by the British last June. During the engagements of the week, the French everywhere maintained the positions won in the face of repeated onslaughts.

"As was to be expected at this season, bad weather has somewhat retarded the Allied advance. Operations were hampered owing to the fact that the well-drained ground of the Passchendaele Ridge once passed over, the advancing columns are confronted with the waterlogged, soggy Flanders plain which stretches on to Roulers and beyond.

A Sea of Mud.

"The infantry was further impeded by the fact that Allied artillery preparation has so plowed up the ground that the terrain has been turned into a sea of mud, making the going almost impossible. Torrential rains and low-lying clouds rendered aircraft observation difficult and under ordinary circumstances would have caused a suspension of offensive operations, but the inclement weather has not prevented the extension and consolidation of Allied gains during the week.

"The Germans, fearing lest the Allied advance in Flanders would be followed by a similar effort along other sectors of the front, particularly north of Verdun, endeavored to thwart Allied plans by launching a powerful attack preceded by the usual intensive artillery preparation in this sector. The enemy was able to gain a temporary foothold in certain advanced French lines. Latest advices show that he was driven out after some hot fighting.

Assaults Along Meuse.

"It must be remembered that if a commander in the field is willing to pay the price both in the lives of men, as well as in an overwhelming expenditure of ammunition he is invariably able to score a local success. This the Germans gained in their assault on the French positions along the right bank of the Meuse, in the region north of Hill 344.

"The enemy's success was, however, more short-lived than was to be anticipated when its cost is taken into consideration, for not only did the French regain the positions momentarily lost, but they are now holding their positions against exceedingly heavy pressure, at the same time successfully carrying on their offensive engagements in Flanders as well as raiding the enemy's lines at other points."

The review touches briefly upon the situation on other fronts. No mention is made of American forces or war preparations.

RIOTS IN MADRID

THE "BULL" SUSPENDED.

NEW YORK, Oct. 16. — The publication known as "Bull," of which Jeremiah A. O'Leary, mentioned in German official dispatches, made public by recent state department disclosures, has been the directing head, has suspended, it was announced here today by its publishers. Postmaster-General Burleson had excluded it from the mails.

IF YOUR EARS RING WITH HEAD NOISES

If you have Catarrhal Deafness or head noises go to your druggist and get one ounce of Parmint (double strength), and add to it one-quarter pint of hot water and four ounces of granulated sugar. Take one tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Any one who has Catarrhal Deafness or head noises should give this prescription a trial.—Advt.

GRANDMA USED SAGE TEA TO DARKEN HAIR

She made up a mixture of Sage Tea and Sulphur to bring back color, gloss and youthfulness.

Common garden sage brewed into a heavy tea with sulphur added, will turn grey, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or grey. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients.

While wispy, grey, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all grey hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

This preparation is a delightful toilet requisite and is not intended for the cure, mitigation or prevention of disease.

for Nerves take ABBEY'S VITA TABLETS 50 Cents a Box

Dr. Ferdinand King, New York Physician and Medical Author, tells physicians that they should prescribe more organic iron—Nuxated Iron—for their patients—Says anaemia—iron deficiency—is the greatest curse to the health strength vitality and beauty of the modern American Woman.—Sounds warning against use of metallic iron which may injure the teeth, corrode the stomach and do far more harm than good; advises use of only nuxated iron, taken three times per day after meals. It will increase the strength and endurance of weak, nervous, run-down folks 100% in two weeks time in many instances. *Dispensed by all good druggists.*

GOVT. URGED BY BIG DELEGATION TO BUILD DOCK AT PORT DOVER

Better Coal Service for Next Year Aim of Business-men.

HELP WHOLE DISTRICT

Lessen Prices and Relieve the Serious Railway Congestion.

WANT PROMPT ACTION

Big Deputation Goes in a Special Train to Inspect Harbor.

PORT DOVER, Oct. 16.—The largest delegation of businessmen and manufacturers this town has ever entertained today voiced its unanimous approval of the urgent necessity of improving the harbor for docking facilities in order that it may be ready for the opening of navigation in the spring of 1918 for a car ferry coal service.

A special train containing over 300 captains of industry of the towns and cities along the Lake Erie and Northern and Galt, Preston and Hespeler Railway arrived in town at 11:30 and proceeded to the dock, where the visitors were welcomed by President John Martin of the local board of trade. He gave a sketch of the dock since its construction and its abandonment by the Grand Trunk.

His address was followed by an interesting ceremony performed by Messrs. G. M. Debus, Henry Nyberg and W. G. Cleghorn, of Kitchener, who formally bade farewell to the old docks, the functions of high priest being performed by H. Nyberg to the great amusement of the crowd.

Is Admiral Now.

The rank of admiral of the forces of Victoria Lake, Kitchener, was conferred on Captain Robinson, of the Vigilant. The visitors were given an automobile drive around the town, after which a fish dinner was served in the town hall by the ladies of Port Dover.

President John Martin presided during the speech-making, and reviewed the previous efforts that have been made to interest the governments to take over the docks and keep them in repair for shipping. He was confident that the result of the inspection made by the large delegation will result in the restoration of the docks, and thus provide a shorter coal route for the towns and cities in the counties of Norfolk, Brant and Waterloo

Addresses were delivered by Senators McCaul and Fisher, Messrs. F. Stewart Scott, ex-M.P., W. G. Weichel, ex-M.P., C. Ham, M.P.P., and others, after which the following resolution was unanimously passed:

Strong Resolution.

"Moved by Logan Waterous, president of the Brantford Board of Trade, and seconded by D B. Detweiler, of Kitchener, that whereas the important agricultural and industrial counties of Norfolk, Brant and Waterloo are now provided with an electric service by the Lake Erie and Northern Railway Company operating from Waterloo and Kitchener via Galt and Brantford to Port Dover, the best protected harbor on the north shore of Lake Erie;

"And whereas a car ferry service across Lake Erie to Port Dover operated in connection with that railway is assured and would open up a new route from the coal fields of the United States, greatly reducing the present all-rail haul and not only insuring a considerable reduction in coal rates to the points mentioned so essential to the life of the district, but would also avoid the congested terminal points of the all-rail routes which have proved so inadequate to the needs of the province;

Service Assured.

"And whereas there has formerly been a car ferry service across the lake operated by the Shenango Ferry Company, which was discontinued about twelve years ago, and we are assured of a ferry service if the harbor facilities, practically abandoned, are restored, which could easily, cheaply and quickly be made available for service in connection with the Lake Erie and Northern Railway, a matter of only a few months' time, and at a very low cost;

And whereas there has already been expended on the said harbor $50,000;

"Therefore this meeting of representatives from Port Dover, Waterford, Simcoe, Brantford, Paris, Galt, Preston, Hespeler, Kitchener, Waterloo and Elmira respectfully urge upon the Dominion Government the urgency of improving the present slip for docking facilities at Port Dover to be ready for the opening of navigation in the spring of 1918 for a car ferry service."

Will Urge Government.

A strong joint committee, representative of all the towns and cities was appointed to wait on the Government to present the claims of the delegation here today.

The visitors were given a pleasure trip on the City of Dover previous to returning. The event was termed a red letter day for Port Dover. It was arranged by the officers of the Kitchener Manufacturers' Association, assisted by the boards of trade of Galt and Brantford. The band of the Dominion Rubber System accompanied the excursion.

FATAL WRECK IN QUEBEC.

QUEBEC, Oct. 16.—Alphonse Cote was killed and Jules Gagnon received injuries as the result of the derailment of twenty cars of a freight train last night at St. Agapit. The men were cattle tenders.

FOR THIN FOLKS WHO WOULD BE FAT

Increase in Weight Ten Pounds or More.

"I would certainly give most anything to be able to fat up a few pounds and stay that way," declares every excessively thin man or woman. Such a result is not impossible, despite past failures. Thin people are victims of malnutrition, a condition which prevents the fatty elements of the food from being taken up by the blood as they are when the powers of nutrition are normal. Instead of getting into the blood, all the fat and flesh-producing elements stay in the intestines until they pass from the body as waste.

To correct this condition and to produce a healthy, normal amount of fat the nutritive processes must be artificially supplied with the power which nature has denied them. This can best be accomplished by eating a Saltogyn tablet with every meal. Saltogyn is a scientific combination of the best strength-giving, fat-producing food elements known to the science of nutrition. This highly-concentrated food nourishment taken in combination with regular meals mixes with the food and rapidly turns the sugars, starches, fats and proteins of the meal into rich, ripe nourishment for the tissues and blood. The effect is remarkable. Gains of from 10 to 25 pounds in a single month are by no means infrequent. Yet the action is perfectly natural and absolutely harmless. Saltogyn is sold by the Standard Drug Company and the best druggists everywhere and every package contains a guarantee of weight increase or money back.

CAUTION:—While because of its direct nutritive action on the nerve cells, Saltogyn has been widely prescribed for nervous indigestion, it should not be used for such purpose over five days at a time unless the user is also willing to increase at least ten pounds in weight.—Advt.

Make Your Own Cough Syrup and Save Money

Better than the ready-made kind. Easily prepared at home.

The finest cough syrup that money can buy—costing only about one-fifth as much as ready-made preparations—can easily be made up at home. The way it takes hold and conquers distressing coughs, throat and chest colds will really make you enthusiastic about it.

Any druggist can supply you with 2½ ounces of Pinex (50 cents worth). Pour this into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup. Shake thoroughly and it is ready for use. The total cost is about 55 cents and gives you 16 ounces—a family supply—of a most effectual, pleasant tasting remedy. It keeps perfectly.

It's truly astonishing how quickly it acts, penetrating through every air passage of the throat and lungs—loosens and raises the phlegm, soothes and heals the inflamed or swollen throat membranes, and gradually but surely the annoying throat tickle and dreaded cough will disappear entirely. Nothing better for bronchitis, spasmodic croup, whooping cough or bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract and is known the world over for its prompt healing effect on the throat membranes.

Avoid disappointment by asking your druggist for "2½ ounces of Pinex" with full directions and don't accept anything else. A guarantee of absolute satisfaction or money promptly refunded goes with it. Is preparation. The Pinex Co., Toronto, Ont.

United States Has Not Lost Faith In Her Russian Ally

Another $50,000,000 Loaned to Republic; $20,000,000 to Britain.

WASHINGTON, Oct. 16.—Loans of $50,000,000 to Russia, $25,000,000 to Great Britain, $20,000,000 to France, and $3,000,000 to Belgium, were made today, and brought the total credits of the United States to Allied nations up to $2,711,400,000.

CANADA IS RUNNING SHORT ON CORN STOCK

Only Sufficient To Last For Two More Weeks.

MONTREAL, Oct. 16.—So serious is the situation with regard to the United States embargo on corn, the local importers state that if there is not relief in eight or ten days the supply of corn in Canada for manufacturing purposes will be exhausted, and starch and other manufactories which use corn in their products will have to close down. The embargo went into effect on October 1. Importers and other users of corn met in the Montreal Board of Trade Building this afternoon and discussed the matter, which was reported to the food controller, when he was in this city a short time ago, but without any relaxation of the embargo resulting, and it was said that there is a big accumulation of corn at Chicago and along the border, awaiting official permission for shipment to Canada.

It was decided that a committee representing the corn importing interests of Montreal should arrange for a conference with the authorities at Washington, with a view to having the embargo lifted, if possible. Hon. Mr. Hanna will be requested to name a representative of the food controller's department to accompany the committee, and the Toronto Board of Trade will be asked to take similar steps and appoint a delegation of corn experts to join the Montrealers in the visit to Washington.

PEOPLE OF CANADA MAY HAVE TO CUT FOOD 25 PER CENT

Chairman of Hanna's Advisory Council Is Pessimistic.

CALGARY, Oct. 16.—That the people of Canada will have to be reduced to rations of 25 per cent less than their present food consumption unless the harvest of 1917 produces a great deal more than that of 1916, was one of the points made by Dr. J. W. Robertson, chairman of the Canadian food controller's central advisory council, in the course of an address to the Calgary Ad Club today.

NIGHTLY SITTINGS OF CABINET COUNCIL BECOMING REGULAR

No Word as to Murray's Attitude, Though Acceptance Is Likely.

OTTAWA, Oct. 16.—Evening meetings of the cabinet council continue. There was another one tonight at which it is understood matters of routing mainly were under consideration.

The date of the elections, it was announced afterwards, has not yet been definitely fixed. Preparations, however, are under way and the announcement of the date may be expected without delay.

The establishment of the new Government has necessitated some revision in regard to the appointment of registrars.

Pending the return of Premier Murray of Nova Scotia, announcement of his decision is not anticipated. The general impression here, however, is that he will accept a portfolio in the Union Government.

GERMAN MARINE TRIES TO REGISTER ON U.S. SHIP

NEW ORLEANS, La., Oct. 16.—Harry M. Clifford, who admits he is a native of Dantiz, Germany, was arrested here today by the department of justice agents on a charge of falsely registering with the United States shipping commissioner as an American citizen. The prisoner told the authorities that he was a member of the crew of the German cruiser Gneisenau, sunk in December, 1915, in the battle off the Falkland Islands.

CONNAUGHT IS HEAD OF AN AMERICAN CLUB

LONDON, Oct. 16.—The Duke of Connaught, former governor-general of Canada, and now colonel-general of the volunteer force, has consented to become president of the American Officer Club in London.

INDIAN VETERAN DIES AT OWEN SOUND

OWEN SOUND, Oct. 16. — A veteran of many battles passed away on Saturday in the person of Sergt. Geo. Combs, who died at the home of Mrs. McKinnon, Thirteenth street east, aged 77 years. He was born in Southampton, England, and entered the 81st Foot, imperial service, as a private. He served in India and the Afghanistan campaign, being in Fort Bala Hassar, Kabul, when the Arabs held it in a state of siege. He possessed long service and good conduct medals. When he retired from the army Sergt. Combs settled in Keppel Township. The funeral was held yesterday morning and the flag on the town hall was floated at half-mast out of respect to Sergt. Combs' memory.

DUKE INSPECTS NIOBE.

HALIFAX, Oct. 16.—His Excellency the Duke of Devonshire, governor-general of Canada, and party left the special train here at 11 o'clock this morning and proceeded at once to H.M.S. Niobe, which they inspected. Later they boarded a steamer and inspected the naval defences. On their return the party lunched with the admiral.

BILLY BISHOP WEDS TODAY.

TORONTO, Oct. 16.—The most interesting wedding which has ever been celebrated in Toronto will take place in the T. Eaton Memorial Church tomorrow afternoon, when Miss Margaret Burden, daughter of Mr. and Mrs. C. E. Burden, will become the bride of Major Bishop, V. C., D. S. O. (bar), M. C., the most celebrated aviator in the world today.

In the "Secret Kingdom" at the Unique Theatre Today and Thursday.

CHARLES RAY, a screen favorite at the Majestic today and Thursday in "Sudden Jim."

Photoplay News

UNIQUE.

"The Masque of Life," a film sensation in seven reels, that has startled New York during a tremendously successful four-weeks' run at the Park Theatre, has been booked to play at the Unique Theatre on Monday and Tuesday, October 22 and 23, exactly as presented in New York. Without a doubt this is the most spectacular film of the year, and it has created much comment because of its novelty and the tremendous number of its thrills. The thing that most people talk about in the pictures is the work of "Pete" Montebello, the monkey star, who provides so much of the excitement.

Picture Filmed in Real Storm.

A terrific thunderstorm plays an important part in the development of the mystery story, "The Lair of the Wolf," a Butterfly picture which comes to the Unique Theatre today and Thursday. In order to make these scenes impressive, they were filmed in the midst of one of the severest storms which was ever experienced on the Pacific coast. The intrepid cameraman stood in the road and made pictures of the lightning flashes, not flinching even when a tree very near him was struck.

MONTREAL POLICE LOOK FOR AUSTRIAN SPY

Man at Large Had Photos of Big Powder Plant.

MONTREAL, Oct. 16.—Suspected of being an Austrian spy, a man now under arrest here and out on bail, is being sought by the authorities. He was to have appeared before Judge Leet yesterday, but failed to do so. Some weeks ago a woman notified the S. P. C. W. C. that her husband had abandoned his two children. An officer was sent to a village near Montreal, where he found the man. He was charged with vagrancy and released on bail. The officers working on the case claim they found that the man was an Austrian with a Scotland Yard tabulation. In his possession, it is said, were found a score of photographs of one of the biggest powder plants in this province.

WASHINGTON ADVISED OF SUBMARINE OUTRAGE

Steamer's Small Boats Mercilessly Shelled.

WASHINGTON, Oct. 16.—Small boats from a British steamer, recently attacked by two submarines, were mercilessly shelled by one of the U-boats, two men being killed and seven others wounded, the state department was advised today in consular dispatches. One other man was killed before the crew abandoned the steamer, which carried a number of Americans.

One of the men killed by the firing of the boats was James D. Tring, a horseman of Roanoke, Virginia, while another American, Frank Donohue, a horseman of Philadelphia, was among the wounded. The other Americans were saved. The date and place of attack were not disclosed.

ORGANIZE LAMBTON FOR VICTORY LOAN

SARNIA, Oct. 16.—S. L. McKay, of this city, has accepted an appointment by Sir Thomas White, minister of finance, to act as chairman for Lambton County of the committee which will float the victory war loan. A. F. Wade will be secretary. Lester N. Greene, of Toronto, representing the Canadian bond dealers, is here and will organize the county.

TORONTO LABOR CANDIDATE.

TORONTO, Oct. 16.—John H. Kennedy, organizer for the Sheet Metal Workers' Union of Canada, will be a candidate for the Federal House of Commons in Centre Toronto in the coming Dominion elections. Mr. Kennedy announced his candidature tonight. He will oppose Edmund Bristol, M. P., and will appeal to the electorate on a straight labor platform and as an independent labor candidate.

SARNIA NURSES RECEIVE DIPLOMAS

SARNIA, Oct. 16.—The graduation exercises of the nurses of the Sarnia General Hospital held this evening were attended by a large crowd. The following received diplomas: Misses Dale, Cook, Sinclair and Scott. Rev. John Morrison presided and introduced a program consisting of musical selections and an address by Rev. R R. McKay.

OVERNMENT MAKES THE MUNICIPALITIES PLAY SECOND FIDDLE

Allowing Export of Power Needed in Ontario.

ELECTRIC UNION MEETS

Lack of "Juice" Has Reached State of Crisis Over Hydro System.

[Special to The Advertiser.]

TORONTO, Oct. 16.—"Canada should not go without its light in order to supply power to the United States," declared Mayor Buchanan of Ingersoll at a meeting of the Municipal Electric Association held in the city hall this afternoon to hear Sir Adam Beck outline what was being done to secure power for the munition plants in the province.

"The Government seems to think that the municipalities should not have any consideration," continued Mayor Buchanan.

He favored a mass meeting of the citizens being called to protest against the export of power to the States.

Would Rouse the Public.

Manager Yates of the hydro system at St. Catharines declared there was need of an indignation meeting of the citizens of the province. He favored the turning out of the street lights to rouse the public to the need of the power.

Representatives of more than a score of municipalities in the hydro-electric belt were informed by Sir Adam Beck, chairman of the Ontario Hydro-Electric Commission, of the serious situation which at present confronts the system. This is due to the heavy demands of the munitions factories and the large amount of power that is being exported to the United States.

Commission Within Rights.

Sir Adam said that notice had been given the exporting companies on several occasions as to what power would be needed by the commission. They therefore had no just grounds to declare that th commission had gone ahead and accepted contracts for power which could not be supplied.

A committee of the association shortly will wait on both the Dominion and Provincial Governments to press the claims of the hydro and to protest against the granting of additional rights for constructing a dam on the St. Lawrence River.

PROTEST FROM NIAGARA.

NIAGARA FALLS, Ont., Oct. 16.—The city council has passed a strong petition calling on the Ontario Hydro Electric Commission immediately to curtail power exportation or stop it altogether, with a view to having Ontario manufacturers given an adequate supply.

Lt.-Col. Osborne Is Military Secretary Under Gen. Mewburn

TORONTO, Oct. 16.—Lieutenant-Colonel B. C. Osborne, A. A. G., No. 2 military district, has been appointed military secretary under Major-General S. C. Mewburn at Ottawa. Colonel Osborne leaves for the capital tonight to commence his new duties. He has been A. A. G. of the Toronto district since General Mewburn vacated that position to be the senior officer in connection with the now defunct Canadian defence force.

MUCH CORN DAMAGE RESULT OF FROSTS

Ontario Government Bulletin Says Seed Is Hurt.

TORONTO, Oct. 16.—Following is a summary of weekly crop reports made by district representatives to the Ontario Department of Agriculture:

Threshing is active, and the results continue to show good average yields for most of the grain crops. Beans and late buckwheat have been more or less injured by frost. Considerable husking corn also got nipped, and will be unfit for seed, although good enough for feed, while from the same cause the general quality of ensilage will also be inferior compared with that of more recent previous years.

Rain has been delaying corn cutting.

Most of the fall wheat will enter the winter with a good top, but some has been sown rather late, and there has been but little October growth.

Potatoes on the whole will be a fair to good crop, both as to yield and quality, should no rot develop.

PROCEEDS WILL GO TO HELP SOLDIERS

ST. THOMAS, Oct. 16.—Mrs. J. H. Wilson, president of the Women's Historical Society, has presented the society with a handsome fifteen-jewel gold watch, for which tickets will be sold for drawing. The proceeds will be used to purchase socks for the soldiers in the trenches.

THAMESVILLE DOES WELL.

THAMESVILLE, Oct. 16.—Thamesville lived up to its former record for generous patriotic giving, when this village of 800 people raised $1,444 for patriotic purposes. Seventy per cent of the total will be given to the British Red Cross, 15 per cent to the Naval League of Canada, and 15 per cent to the Italian Red Cross.

T. M. Syer & Son millers, headed the list with a subscription of $50.

PRESSMEN STRIKE IN MONTREAL.

MONTREAL, Oct. 16.—Two hundred and eighty job line printer pressmen are on strike in this city. They demand an increase in their scale of wages, which now runs from $16 to $23 a week. The pressmen were given a 20 per cent increase in July last, but claim the money paid them is not as large as that paid in Toronto.

IOWA FOR DRY U. S.

DES MOINES, Iowa, Oct. 16.—Late returns from Monday's special election to decide the question of constitutional prohibition in Iowa, gave a majority of the prohibition amendment of slightly above one thousand, with some counties missing.

GERMANY WILL STOP USING DUTCH ROUTE IF BRITAIN INSISTS

AMSTERDAM, Oc. 16. — The Zutphen Courant says that Germany has informed Holland that she will cease the transportation of sand and gravel by way of Holland, if Great Britain forces Holland to make such a demand of Germany.

Turkish Girls Offer Flowers to Kaiser at Constantinople

German Emperor Received at the Turk Capital With Great Pomp.

LONDON, Oct. 16.—The German emperor arrived at Constantinople today, according to a Reuter dispatch received by way of Amsterdam. He was met at the station by the sultan, the imperial princess, grand vizier, ministers, senators, deputies and other prominent personages, including the German Admiral von Koch. The emperor's reception was imposing, Turkish girls offering flowers. The emperor drove with the sultan and Enver Pasha, minister of war, to the Yildiz Kiosk, where he reviewed the guards of honor. It is announced that after two days' visit the emperor will inspect the defences in the Dardanelles.

WOULD STOP EXPORT OF MILK INTO STATES

Government Will Be Petitioned by Produce Men.

MONTREAL, Oct. 16.—The Produce Merchants' Association, affiliated with the United States, has decided to petition the Dominion Government to prohibit the exportation to the United States of milk, cream and condensed milk, and also to consider the material curtailment if not the prohibition of the manufacture of ice cream. A shortage in milk exists in Montreal and large quantities are shipped to the United States, owing to the high prices prevailing there.

GOVERNMENT CAMPAIGN TO OPEN IN WINNIPEG.

WINNIPEG, Oct. 16.—Hon. Messrs. Meighen, Calder and Crerar will address a monster public meeting in Winnipeg next Monday night. It will be the first occasion upon which new ministers will address the public, and will open the Government's campaign in Western Canada.

SAPPER WILLOUGHBY HONORED BY FRIENDS

ADELAIDE, Oct. 16. — Wesley Willoughby, formerly blacksmith here, but recently a sapper in the army overseas, and who, through ill-health, was compelled to return, having received his honorable discharge from the army, has, with his wife and family, removed to London, where he has secured a position with the G. T. R. in the freight department. On the eve of their departure their friends in this vicinity presented them with a handsome couch, accompanied by an address.

NEW ALBERTA CABINET HAS BEEN SWORN IN

Premier Stewart Is Minister of Railways and Telephones.

EDMONTON, Oct. 16.—Announcement regarding the personnel of the new provincial cabinet was made by Premier Stewart this afternoon, following the ceremony of swearing in the new provincial secretary, Hon. George P. Smith of Camrose, and the new minister of public works, Hon. J. A. McLean of Lethbridge, which took place at the office of Lieut.-Governor Brett at the Parliament Buildings at 4 p.m. The cabinet is as follows:

President of the council and minister of railways and telephones, Hon. Chas. Stewart, of Killam.

Minister of public works, Hon. Arch. J. McLean of Lethbridge.

Minister of education, Hon. J. R. Boyle, Edmonton.

Attorney-general, Hon. C. W. Cross, Edmonton.

Provincial treasurer, Hon. C. R. Mitchell, Edmonton.

Minister of agriculture, Hon. Duncan Marshall, Olds.

Minister of public affairs, Hon. Wilfrid Garlepy, Edmonton.

Provincial secretary, Hon. George P. Smith, Camrose.

Premier Stewart was also sworn in as minister of railways and telephones, but the other ministers were not required to take the oaths of office, as they retain the former portfolios.

Hon. G. P. Smith, the new provincial secretary, is the editor and proprietor of the Camrose Canadian.

ANNIVERSARY OF LANDING OF FIRST CANADIANS

TORONTO, Oct. 16.—Today, October 16, is the third anniversary of the arrival in England of the famous first Canadian contingent, who sailed overseas to aid the Empire in the great war. It was October 16, 1914, when the fleet of 32 ships, carrying an army of 32,000 Canadians hove to at Plymouth Sound, a new Armada at the very place where Drake received the information of the coming of the Spanish fleet of invasion.

BULGARS HAVE "CEDED" VILLAGES TO ENGLISH

BERLIN, Oct. 16.—The German war office reports as follows: "Macedonian theatre: In the Struma plain the Bulgarians have ceded some villages to the English."

TEN U.S. CONGRESSMEN TO VISIT WAR FRONTS

WASHINGTON, Oct. 16. — Ten members of Congress traveling in unofficial capacity, but carrying special passports arranged for by the state department, are on the way to Europe to visit the war fronts and fraternize with the parliamentary representatives of the Allies.

The visit is a development of the recent cabled and personal invitations of representative members of the British and French Parliaments for closer affiliation of the parliamentary bodies of the Allied governments, through personal conferences at the British, French and Italian capitals. President Wilson did not favor Congress officially accepting the invitation at this time, and neither House took action, but the ten members arranged their trip informally. Other representatives are expected to follow soon.

TWO GERMAN OFFICERS CAUGHT AFTER ESCAPE

SAN FRANCISCO, Oct. 16. — Two German aliens, who escaped in a boat from a detention camp on Angel Island in San Francisco Bay early today, were captured within a few hours after their disappearance. The men, officers of a seized merchant vessel, were returned to Angel Island. They were Capt. C. Brauch and Lorenzo Lau, an engineer.

Lemon Juice Softens and Whitens Rough, Red Hands

Women can make a quarter pint of wonderful lemon beauty cream for few cents. Nothing so good!

To soften, smoothen, and whiten the face, neck, arms, and particularly the hands when chafed, red or rough there is nothing better than lemon juice, and pure lemon juice is too highly acid and often irritating. A splendid lotion is prepared in a moment by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Be sure to strain the lemon juice through a cloth, so no pulp gets into the bottle, then this creamy lotion will stay sweetly fragrant and fresh for months. Any grocer will supply the lemons and any druggist or toilet counter will sell you three ounces of orchard white for a few cents.

This is the best lotion you could use. Massage it daily into the face, neck, arms, and hands and see for yourself. It helps remove tan, sallowness, and freckles, and every girl knows that lemons are used to bleach and whiten the skin.

INDIAN REBELLION PLANNED IN BERLIN AND RUN FROM U. S.

Chicago Attorney Declares He Can Prove Charges.

LARGE SUMS HANDED OUT

Former German Consul in Chicago Is Included in Indictments.

CHICAGO, Oct. 16.—At the trial of Gustav H. Jacobson, Albert Wehde, George Paul Boehm and Herambha La Gupta, charged with conspiring to foment a revolution in India, today before Federal Judge K. M. Landis, Baron Curt von Reiswitz, former German consul in Chicago, now in Germany, was indicted with the others. Jacobsen is a wealthy Chicago real estate dealer.

U. S. District Attorney Jos. B. Fleming described the four defendants as arch plotters against the British Government for the German cause. He said the Government would prove that Jacobson had given Gupta $1,000 in the former's home in Chicago, and that various other sums had been paid others identified with the alleged plot. The Government would show that the alleged plotters received their instructions from Berlin by code cablegrams. The entire plot, he said, was conceived in Berlin when the India national party was formed in the German capital in 1914 to overthrow British rule in India and force the Allies to withdraw troops from the French and Belgian battlefronts to India.

$40,000 Planked Down.

Attorney Fleming declared that Baron von Reiswitz in May, 1916, paid $20,000 to Albert H. Wehde to instigate a rebellion in India. The Government's attorney also said that $20,000 was paid by the German consul in Chicago to another man in furtherance of the conspiracy.

The detailed story of the activities of the alleged conspirators in San Francisco, Honolulu, Siam and Chicago, and the subsequent arrest by the United States Government was described.

John Singh, a Hindu, said he was in South America when he first became interested in the alleged plot. He went to Italy and later to Berlin, where he attended meetings of the German leaders directing the Indian revolution propaganda.

Received $1,000 in Berlin.

The witness said he was given $1,000 in Berlin to come to the United States. In New York he met Wehde and Gupta and later came to Chicago, where he conferred with Baron von Reiswitz, Jacobson, Boehm and others interested in the alleged conspiracy. Singh said he went to Siam with Boehm, Wehde and von Reiswitz. At San Francisco he received $800 from the German consul.

He visited Amoy, China, where he received a package of letters bearing on the alleged plot from the German consul there. Later he went to Manila and finally reached Siam.

MANY DELEGATES FROM DISTRICT AT DIOCESAN W. M. S.

STRATFORD, Oct. 16. — With a large attendance of delegates the semi-annual meeting of the Diocesan Women's Missionary Society opened in St. James' Sunday school this evening and will continue until Wednesday evening.

Tonight's session was given over to a round-table conference, at which fourteen questions affecting the missionary work were taken up.

On Wednesday Mr. Vale of Mackenzie River district and Mr. Williams of Honan, China, will give addresses.

Bishop Williams will preside over the Wednesday evening sesssion.

NO MORE HEADACHES

USE NO MORE OF DRUGS, PILLS OR POWDER.

Just Drink a Glass of This Famous Water.

The bodily system has four ways in which it disposes of impurities—skin, lungs, kidneys, and bowels. If any one of these fails or proves defective the extra burden is thrown upon the rest.

That is why constipation is dangerous, because it affects not only the eliminative system, but all the principal organs as well.

To be in a continuous healthy condition, therefore, there is as much need for the daily flushing of the intestines as there is for the daily bath. Taken regularly, RIGA WATER by its prompt, gentle, and effective action will carry away the waste matter and preserve the entire digestive and eliminative system in a wholesome and healthy condition.

RIGA WATER does not bring about stimulation and reaction which follow the use of ordinary drug remedies. Its effects are none the less beneficial because harmless and pleasant.

RIGA WATER is recommended by physicians and is carried by druggists everywhere.

25c a bottle.

RIGA PURGATIVE WATER CO., MONTREAL.

CRISIS OF WOMAN'S LIFE

Change Safely Passed by Taking Lydia E. Pinkham's Vegetable Compound.

Wagoner, Okla.—"I never get tired of praising Lydia E. Pinkham's Vegetable Compound because during Change of Life I was in bed two years and had two operations, but all the doctors and operations did me no good, and I would have been in my grave today had it not been for Lydia E. Pinkham's Vegetable Compound, which brought me out of it all right, so I am now well and do all my housework, besides working in my garden. Several of my neighbors have got well by taking Lydia E. Pinkham's Vegetable Compound."—Mrs. Viola Finical, Wagoner, Okla.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and dizziness should be heeded by middle-aged women. Lydia E. Pinkham's Vegetable Compound has carried many women safely through the crisis.

MYSTERIOUS DEATH OF RODNEY GIRL TO BE INVESTIGATED

Miss Frances McMacken Was in Detroit, It Is Alleged.

WINDSOR, Oct. 16.—Miss Frances McMacken, aged 18, of Rodney, died at the Hotel Dieu, here early today. After receiving a report of the case from the physicians who attended the young woman, Crown Attorney Rodd decided to order an investigation, which has been set for Friday evening of this week.

There are several peculiar incidents in connection with the death of Miss McMacken, which are puzzling the authorities. It has been ascertained that the girl came to Windsor about six weeks ago, and after a short visit with friends here crossed to Detroit.

Upon her return she complained of being ill, and being without funds, was sent to the hospital by the mayor. Doctors who attended the case declined to say a word as to the cause of death.

RAILROADERS' ARMY WANT TEN PER CENT ADVANCE IN WAGES

200,000 Men on Eastern U.S. and Canada Lines Concerned.

OTTAWA, Oct. 16.—The one hundred and four chairmen, representing conductors, baggagemen, trainmen, brakemen and yardmen, employed on from 55 to 60 railroad systems in the northeastern section of the United States and that part of Canada situated east of Fort William, who met in the Victoria Museum today for their annual convention, discussed the wage question and will continue the debate tomorrow.

The committee is considering a proposition to demand from all the railroads concerned increases graduated according to the classification of the employees of not less than ten per cent and 200,000 men are affected.

L. E. Shephard, acting chairman, said the existing scale is a very low one and does not come up to the scale put into effect by all the Canadian railroads this year, with the exception of the Grand Trunk Railway. Five dollars a day is the highest a first class conductor on a passenger train receives. Brakemen are paid low, too, he said, a passenger brakeman receiving as low as $2.55 per day. His average life as such was only ten years.

Higher wages for the men would be considered and a schedule drawn up to be submitted to the members both personally and by mail for their approval and then will be carried to the railroad executives.

INGERSOLL HAS ONE OF BEST HOSPITALS IN WHOLE DISTRICT

Splendid Progress Reported at Annual Meeting Last Night.

INGERSOLL, Oct. 16.—At the annual meeting of the subscribers to the Alexandra Hospital held here this evening splendid reports were presented by President Enright. The year has been a satisfactory one in every way. President Enright spoke especially of the opening of the Dr. Carroll memorial wing for sick children, and of the recent donation by Spurgeon Poole of West Oxford of X-ray equipment, valued at $1,500. Ingersoll, he declared, has now one of the finest and best equipped hospitals in Western Ontario. No officers were elected at tonight's meeting, and another gathering will be held next Tuesday evening.

In connection with the movement to form a Boy Scout corps here, 21 boys of the Presbyterian Church attended a meeting tonight. It was most enthusiastic in every way and organization was effected, Rev. Donald McLeod being chosen as scout master.

INGERSOLL ENTHUSIASTIC.

INGERSOLL, Oct. 16.—Arrangements are complete for the canvass here on Trafalgar Day for the British Red Cross fund, and it is confidently expected that all previous records will be smashed, notwithstanding the fact that no grant will be asked this year from the council. The "3,000 Club" is making a grant of $4,000, and a campaign will be put on to get at least this much more from those who are not members of the organization. Last year Ingersoll's contribution was well over $8,000, and this included a grant of $2,300 from the council.

TO GIVE $5,000.

OWEN SOUND, Oct. 16.—The town council tonight authorized a grant of $5,000 to the Red Cross. Good roads were also discussed, and some move to secure a better policy for Owen Sound's roads will be decided upon, it is hoped.

Corp. Bert Bye, whose home is near here, at Annan, has returned from the front. He has lost an eye.

SUNDAY SCHOOLS OF WEST NISSOURI TO CONVENE ON TUESDAY

THORNDALE, Oct. 16.—The annual convention of West Nissouri Sunday schools will be held on Tuesday, October [illegible] South Presbyterian Church. Miss [illegible] G. Harding and Miss M. Bliyea were appointed delegates from the Methodist Sunday school.

Russell Pitt has returned after spending a couple months in Alberta.

Miss Maria Hueston has left for Toronto, where she will spend a few months.

Mrs. Wisby of Stratford is visiting her daughter, Mrs. J. H. Walters.

A collection in aid of the British Red Cross fund will be taken in the various schools of the township on Trafalgar Day.

R. R. Wheaton is on a business trip to Philadelphia.

LIBERAL NOMINEE WILL NOT RETIRE

WINDSOR, Oct. 16.—Campaign committee-rooms were opened here today by Wm. C. Kennedy, Liberal nominee for the Commons, and this action is generally looked upon as the reply of the Liberals to the plan suggested at last Saturday's Conservative caucus for a "compromise candidate." Friends of Mr. Kennedy declare he will not retire in favor of any fusion candidate unless that candidate be himself.

SILO FILLING HAS BEEN COMPLETED

LAMBETH, Oct. 16.—Farmers of this district have finished silo-filling. Fall wheat is looking fine and the general prospects are most satisfactory.

The box social that was to be held in S. S. No. 6, Delaware, has been cancelled.

Payne's Mills congregation will hold their anniversary services next Sunday. The Fingal choir will furnish music.

ENEMY GUNNERS ARE MAKING IT HOT FOR RAILWAY CORPS

Germans Now Pay Most Attention to Rear.

CANADIAN PLUCK TESTED

Test Shows Canuck the Right Man in the Right Place.

OTTAWA, Oct. 16.—The militia department issues the following articles contributed by Rowland Hill, from war correspondents' headquarters in France dealing with Canadian railway troops:

"In the present phase of the warfare on the western front when trench lines have practically disappeared and advanced posts have taken their places, the Hun artillery does not attempt the old front line barrages that made life in the trenches so uncomfortable. It is that section in behind the new posts that comes in for Fritz's constant attention, and it is in this area that the Canadian railway troops have been winning great praise from all sections of the army. In this devastated country, where a pile of broken bricks, overgrown with weeks, and a sign, with a map location designates a former village, where roads have altogether disappeared and even cross-country trails melt in a single night, the railwaymen construct and maintain their lines. They are shelled by Fritz if anything more persistently, and in greater volume than the men in the front line, yet night and day tons of ammunition and supplies go forward over the repaired railways to feed guns and men alike.

No Lack of Excitement.

"The experiences of the Canadian railway troops are not lacking in excitement. A colonel of Peace River fame and his battalion from Alberta have one of these areas to look after. In a district which can be compared in size with Hamilton and Dundas, Montreal and St. Agathe, or Vancouver and Burnaby Lake, they have constructed nearly one hundred and fifty miles of light railway. It has been planned strategically so that if one line is suddenly destroyed by shells the traffic can be sent around another way. The men and guns ahead never want for anything.

"The construction men are not supposed to be operating troops, but when the hot times come they are always found running trains and loading cars, in addition to doing their own jobs. They are the "trouble hunters" of the first lines of communication.

A Sergeant's Fortitude.

"During one of the recent attacks Sergt. Oscar Samson of Alberta, was seriously wounded in the arm. Instead of trekking for medical assistance back in the rear, he attempted to 'carry on' at his job of mending lines destroyed by Hun shells so that more ammunition could be rushed. Finally his arm got so painful he decided to go forward on the track that had been mended, to an advanced dressing station he knew of. His wound had been fixed by a comrade, and his arm was tied up in an improvised sling. Samson climbed on a tractor which was hauling a trainload of gun ammunition. When they got to a junction near the front line both guard and driver were wounded by splinters from a high explosive shell. The little train had made the crest of the grade and was gathering momentum every second with the driver of the tractor hanging limp and unconscious from his seat. Samson pulled him up to a place of safety and shut off the engine, but the heavy train had too much headway to be stopped, and in addition the brake gear had been blown away by another shell.

Guard in Bad Fix.

"Climbing back to try and set the brakes on the cars Samson came across the wounded guard. He had been knocked off the top of the truck and his foot catching in the framework of the car he was being dragged along with his head and shoulders bumping on the ballast. The Canadian sergeant released his foot, but failed in his attempt to gather him up into the rapidly-moving car. About one hundred yards ahead was another ammunition train, its cargo of high explosive shells being unloaded at a battery position. By good luck and a knowledge of braking learned off the grades in the Rockies, Samson managed to slow down his train just as it reached the standing trucks, and a serious collision and explosion was averted. The hostile shell fire was extremely violent, but Samson went back and rescued the wounded guard. Samson won a military medal for his pluck.

Another Show of Courage.

"There are many such shows of courage. In another of the Alberta companies there is an officer with a military cross, and a man with a military medal. This is how they were won: The gang were repairing a shelled out switch, which had marooned a trainload of ammunition, badly wanted up at the front. A fragment of Hun shell detonated the whole cargo, knocked out about a score of men, and sent Lieut. K. Corbitt spinning, a piece of casing cutting his Sam Brown belt in half. Corbitt gathered himself up and found his company commander wounded and unable to carry on. The young lieutenant assisted by Sergt. Simpson, also from Alberta, dived in among the burning truck loads of ammunition and removed all the wounded to a safer place, and got them medical assistance. With the same non-commissioned officer he vainly tried to put out the fire with sand ballast, but the shells were exploding too fast, and the flames continued to gain headway. Simpson finding it was impossible to save the ammunition, crawled around and collected the railway tools that had been scattered by the first explosion."

FORTY COAL MINES IN ILLINOIS SHUT DOWN

SPRINGFIELD, Ill., Oct. 16.—More than forty coal mines in central and southern Illinois, representing between 12,000 and 15,000 miners were shut down today and the coal mining industry of the state tonight faces practical paralysis, operators here stated, as a result of the spreading strike of miners who demand immediate wage increases.

CHINA MAY PROVIDE TWO ARMY DIVISIONS FOR WAR IN EUROPE

This Is Premier Tuan's Idea of Real Participation.

VICTORIA, B. C., Oct. 16. — Premier Tuan of China will send one or two complete army divisions to Europe to fight for the Allies. His idea of Chinese participation is not only to send coolie labor, but combatants. Some announcement may be expected soon.

This is the message of Edmund T. Backhouse, the well-known author and authority on Chinese affairs, who has just arrived here from Peking, to take up his position in France as director of Chinese labor in that country. Mr. Backhouse said that while the acting president, on leaving Nanking to take up the affairs of state, was adverse to Chinese participation, he signed the documents, placing China in a state of war against the Teutonic powers, holding the view that the premier was the head of a responsible government, and he was only the nominal head, who must act as he was directed. Premier Tuan is strongly in favor of active participation, and with him in power the feeling against the Germans will be directed to favor the Allies.

HENRY FORD GIVES TEN MILLIONS TO THE LIBERTY LOAN

States' Entry Into War Best Thing Ever Happened for World.

DETROIT, Oct. 16.—Henry Ford gave $10,000,000 to back Uncle Samuel with a shotgun loaded to the muzzle with buckshot. He gave $5,000,000 on his own behalf and $5,000,000 on behalf of the Ford Motor Company.

Mr. Ford's personal subscription to the Liberty loan was announced at noon today at a meeting of the bond salesmen at the board of commerce.

Mr. Ford, in announcing his support of the Liberty loan, made a statement as follows:

"The best thing that ever happened in the world was the United States entering the war, because it assures absolutely all the nations, including Germany, a square deal at the round table after the slaughter has stopped.

"It behooves all of us to subscribe our limit to the Liberty bonds, so as to back Uncle Samuel with the shotgun loaded to the muzzle with buckshot, so that he will carry weight at the round table.

"Although there is not a man in the world more opposed to militarism and to all war than myself, I feel that we must support our Government to the limit in this war, because our president is pledged to abolish all future wars as far as possible.

"This is the greatest justification for continuing the war, and I have confidence that the president will embrace the first opportunity to make a just peace which will include disarmament and arbitration of all future disputes. These are the main objects. All others are secondary."

STERN INDICTMENT OF GERMANY COMES IN OFFICIAL PAPERS

English Men and Women Are Brutally Treated in East Africa.

WASHINGTON, Oct. 16. — Insults and physical torture inflicted upon helpless Englishmen and women by their German captors in German East Africa in the early days of the war form the subject of a special British parliamentary paper, copies of which have just reached this country.

The report, embracing the sworn testimony of many missionaries and native teachers, will form part of the terrible indictment against German officialdom, which, it is expected, will be brought up at the final reckoning at the end of the war. The affidavits are by British civilians, mostly missionaries, men and women, who were engaged in church work among the natives, and who, under all rules of warfare, were privileged to quite German territory in safety upon twenty-four hours' notice after the outbreak of the war.

Permission to leave was refused by the German officials on the ground of "the military exigencies," and the unfortunate civilians were kept as prisoners, the report says, confined in crowded quarters, with insufficient food, and forced to do all sorts of exhausting labor, so that some were permanently injured in heath.

Every effort was made to degrade the prisoners in the eyes of the natives. The men were obliged to act as laborers for native masons and to perform many degrading tasks. The women are declared to have been obliged to witness the bathing of German soldiers and to submit to insults and abuse from the native guards and German civilians.

DANIEL NAFTEL OF GODERICH DIES FROM STROKE OF PARALYSIS

GODERICH, Oct. 16.—Daniel J. Naftel, aged 70, an old and highly esteemed resident of Goderich, died last evening from the effects of a paralytic stroke, sustained a fortnight ago. He was the second son of the late A. D. Naftel, and was born in Goderich Township. At an early age he was taken to Guernsey, the old home of the Naftel family, and received his education at Elizabeth College, Guernsey. Coming back to Canada at the age of 19, he settled on the Bayfield road, where he engaged in farming for a number of years. His wife died three years ago. One daughter, Miss Naftel, and one son, Walter Naftel, of the Goderich Star, and one sister, Mrs. T. C. Naftel of Goderich, survive.

Mr. Naftel was a member of the St. George's Church, and for years was interested in the Sunday school, as superintendent and in other capacities. He was also identified with the Goderich Public Library as a member of the board, and later as secretary. During his 32 years' residence in Goderich he took a great interest in all that pertained to its progress and welfare.

The funeral will be held on Thursday afternoon, services being conducted in St. George's Church by the rector, Rev. A. L. G. Clarke.

MISSOURI COAL STRIKE OFF.

KANSAS CITY, Mo., Oct. 16.—The strike of coal miners called for Friday morning in all mines operated by the Southwestern Interstate Operators' Association in Missouri, Kansas, Oklahoma and Arkansas, was called off early tonight.

AINEY FOR LABOR PORTFOLIO

MONTREAL, Oct. 16.—Controller Joseph Ainey, who is spoken of as a possible minister of labor in the Union Government at Ottawa, admitted tonight that he was in Ottawa today and discussed the political situation with Premier Borden, but he stated that he had not been offered the portfolio in question. Further than this Controller Ainey would not go.

For Others' Greater Needs

"If Canada fails us in October we must curtail many of our activities."

—Extract from letter from Sir Arthur Stanley, Chairman, Executive Committee, British Red Cross.

Ontario's answer is, that the noble work of the British Red Cross must go on, unfettered, unhampered, uncurtailed.

Ontario stands fast. Its contribution on "Our Day", October 18th, will prove it.

Give Generously
The Need was Never Greater

A Few Facts about British Red Cross Work.

The British Red Cross Society is the only institution which carries voluntary aid to the Sick and Wounded of the British Forces on land and sea in every region of the War.

Its work is therefore the concern of all classes of British subjects, whether living in the British Isles, in the Dominions and Colonies beyond the seas, or in foreign countries.

SENT OUT OF GREAT BRITAIN

$165,000 spent on work in East Africa.

$215,000 spent on building and equipping St. John Brigade Hospital, Etables, France (520 beds) and

$271,600 on equipment and maintenance.

$8,000,000 worth of Surgical Dressings, hospital equipment, necessaries and comforts of all kinds despatched mainly abroad.

6,000,000 Articles of Clothing and bedding and Hospital Furniture and Equipment sent away, mainly abroad.

416,383 Parcels of Food an Clothing sent from London to British Prisoners of War in enemy countries.

Invalid kitchens attached to hospitals in Malta, Salonika and Egypt, buffets, sun shelters, bathing sheds, recreation and tea rooms for wounded and convalescent men, established in Egypt, Malta and Salonika.

6,500 Surgeons, nurses, V. A. D.'s, stretcher-bearers, hospital orderlies and ambulance drivers now serving abroad.

180 Women Ambulance Drivers serving abroad.

$50,000 to erect, equip and maintain recreation and refreshment rooms in France.

7 Rest Stations in France for wounded men en route, as well as hostels for relatives visiting wounded, and rest homes for nurses.

16 Store Depots for hospital necessaries, etc.

12 Branch Offices for Enquiries for Wounded and Missing.

$175,000 spent on work in Italy.

$310,000 spent on work in Serbia and Montenegro.

$350,000 spent on work in Roumania.

$100,000 spent on work in Russia.

A. D. McLEAN, Hon. Treasurer
Campaign Headquarters—Canadian Bank of Commerce.

NEW WAREHOUSE FOUND NECESSARY

Standard Drug, Limited, Forced to Secure New Head Office.

In order to instill more efficiency into the business, and to facilitate the buying power of the Standard Drug Company, a large office and warehouse has just been opened at 424 Talbot street, part of the lower floor of the Greene-Swift Building.

The Standard Drug opened its first store in London four years ago. That the public has appreciated the efforts of this firm is evidenced in the rapid growth of the business done in London. Today, Standard Drug, Limited, operate four stores in London and one in St. Thomas, and in order to keep these stores supplied with goods, a large warehouse had to be opened. All buying will be done at this head office, and all goods will be supplied to the various stores at wholesale prices.

ANTHRACITE MEN PLEDGE AID.

WASHINGTON, Oct. 16. — Anthracite coal operators representing most of the country's hard coal output, at a conference with the fuel controller today pledged full support to the Government's plans to solve the fuel problem.

CHOOSING AN ONTARIO LEADER.

THE desirability of calling a general convention to choose an Ontario Liberal leader will be apparent to many Liberals. The choice of a leader should be strengthened by the expression of the rank and file of the party. While there is difficulty in securing attendance at a convention at such a time as this, every effort should be made to select a man who will have the united support of the party. Real leadership is not effected by the gathering of a few Liberals who might unwillingly be forced to make the choice. It is time that the rank and file had the voice of selection. Delegates should be appointed from every Liberal association in the country at an early date.

ANOTHER $25,000 JOB.

ANOTHER office, the incumbent of which is to receive $25,000 per annum, has been determined upon by the Government, it is reported, and Hon. J. D. Hazen is expected to be the first choice for appointment; this is the post of high commissioner to Washington. It is explained that Mr. Hazen is expected to bring to Canada some of the big munition orders to be placed by the United States Government and assist in problems of exchange, credits and food supplies.

Why is it necessary to go after American munitions orders? Because of Canada's depleted ability to advance credits to Britain, which has been obliged to place its orders where they can be financed—in the United States. Canada in this year of war is placed by the Borden Government in the peculiar position of being ready to purchase alleged worthless railway stocks for anything up to $60,000,000, but being unable to provide money for the manufacture of munitions to help beat the Germans and to keep Canadian factories running. Yet the nation is told that winning the war is the sole aim of the Borden Government!

Mr. Hazen may earn his salary of $25,000; he will have an opportunity to make his services to the Dominion worth that amount, but it will require the best efforts of a capable man to do the work satisfactorily. Mr. Hazen is one who was dropped from the Borden cabinet to make room for the new members. That fact can hardly be accepted as a guarantee of competency. It looks as if the appointment were made more with a view to finding a soft billet for one of Sir Robert's friends than to getting the most able official.

DON'T FORGET M. BOURASSA.

A SPECIAL warning has been issued by the chief press censor to the editors of newspapers requesting that the greatest care be exercised in publishing comments on the military service act. The warning will not be objectionable to a single publisher in Ontario, for the newspapers, as a whole, are devoting a large share of space to operation of the act. Warnings are being given of the gravity of disobedience, and information published that is highly valuable to the authorities.

The cause of the warning was the publication of a paragraph in a western weekly paper which the authorities considered highly objectionable because of the charge that politics, trusts and combines were concerned in the matter.

Such comments are no doubt calculated to hinder the proper application of the act, and the warning was timely. The law is on the statute books, and may be disregarded at the risk of those to whom it applies.

In passing, it may be pointed out that M. Bourassa, editor of Le Devoir, should be furnished with a copy of this warning. He has printed many things for which an Ontario editor would probably have been placed in limbo.

REGAIN THE BALKANS FIRST.

WHEN the German chancellor says that Alsace-Lorraine is the only obstruction to peace he forgets or ignores a multitude of considerations. There are the Hun atrocities that call for punishment, and will get it. Then there are Trieste, Transylvania, Schleswig-Holstein, Poland, Armenia, and other stolen goods which must be restored. Disarmament, also, which the Pope's manifesto seemed to require, is definitely scouted by German authorities.

The Allies are not listening to the peace squealing in Hun circles. A peace negotiation in the present stage of the conflict would let Germany out with a draw at the worst for her. At the best for us, Belgium would be somewhat restored by Germany, but unable to protect herself from another attack, at any time, like that of 1914. Serbia would be put in the same position as Belgium, one of cowering under an uplifted sword. Turkey would be a satrapy of Berlin. The very thing for which, immediately, the German Government made the war, the control of Turkey-in-Asia, and the advance to Suez and the gates of India, would be achieved.

We can never for a moment forget that the Germans regard England as their chief antagonist, the one power to be utterly destroyed. The great majority of German Socialists noisily agree with their junkers on that point. Treitschke, the history teacher of the kaiser, was a German Cato, droning that the English "Carthage must be deleted." The whole nation sings after him that laconic, mad-dog chorus. We have to quell the dog. Inch by inch the guns are forcing him down in Flanders. We have yet to get a firm, clear grip of his throat, or else he will have our empire and our blood.

The acquisition of the road to India, intended to strike at England, was blocked, first by Russia, who was interested in Constantinople, through which lies that road. But so soon as Russia and France should have been hurled aside and the road to India grasped, Germany could then proceed to put back Egypt under her Turkish tools and dash Great Britain in pieces. We are fighting, not only for Belgium, but for our own existence, against an enemy that makes no concealment of his murderous design. It was British blindness at first on this point that allowed Turkey and Bulgaria to get into the war on the Teuton side and King Constantine to play his treacherous part. Quick and vigorous action might have secured Saloniki and Serbia, in which case Bulgaria certainly would have been shut out. The Allies' failure to occupy and hold, at the very outset of the war, the Balkan bridge between Germany and the Dardanelles has hitherto thwarted all their efforts for victory. The ground lost when Serbia was allowed to be crushed between Ferdinand and Constantine must be fully regained in some way before any peace is possible. To leave the Huns in possession of the Balkan bridge would concede the victory to Pan-Germanism, leave open the path to the Persian Gulf, Suez and India, and spell the near future ruin of Britain, or at least the dreary grind for decades to come of a conscript armament, detestable to our love of freedom and peace.

THE HIGH COST OF LIVING.

THE high cost of living is given more thought in the thousands of Western Ontario homes than any other public question. Practically every article of food has soared, and is soaring. The relief to the consumer has been nil. He has been asked to save his money by curbing his appetite.

The same high cost of living applies to the price of the paper on which this journal is printed. The Government appointed one commission, which set a price, and then appointed a second one to investigate the investigators, a la Bob Rogers. The newspapers are paying heavy prices, and are seriously alarmed for the future. The decision to be made means also that many papermakers will attempt to make the new prices retroactive, and in these days when publishing costs are sky-high, the average publisher is seriously disturbed about the future. It was this situation which caused the London Free Press to say on August 16, 1917:

No wonder there is talk that the Government is DOMINATED BY THE MONEYED INTERESTS.

The situation has not changed since then. In its heart of the counting-room the London Free Press is still disgusted with a Government about whom it has no wonder people say "it is dominated by the moneyed interests."

And the matter goes down the whole line of usables and eatables, from paper to pork.

Hurrah for the courage of the newspaper that came out so forcibly on August 6 to strike a blow for the common people and against thte millionaire-ridden Government!

BRITISH AND AMERICAN MOTIVES.

THERE is a tendency among certain speakers and writers in Canada and in the United States to point to the entry of the nation to the south of us into the war as the most unselfish act of all. They intimate that France entered the struggle of necessity; that the espousing of the cause by Britain was partly dictated by policy, but that the only reasons of America's declaration were the upholding of democracy against autocracy and the desire to take her part in teaching Germany how abhorrent were the Huns' devilish methods of warfare to all civilized people.

Such distinctions are utterly unnecessary and without basis in truth. Both Britain and the United States entered the war from the purest of motives, and if Britain's action happened to be politically advisable, the same may be said, just as truthfully, of America's. Had Britain consented to remain neutral, it is more than likely France and Belgium would have been overwhelmed, the Channel ports taken by the enemy and Britain threatened until she had at last to face Germany without other assistance. Had the United States remained neutral and had the Allies failed to defeat Germany, there is little doubt that a Teutonic movement on America would have followed. The United States had just as strong political reasons for joining the Allies as had Britain.

There were, also, other causes for Washington's declaration. American citizens were being murdered on the high seas by the Germans, American industries were being crippled by Hun agents, and the United States was being treated as a country either too weak or afraid to force a reckoning. If America were to retain her position as a great nation, she must take forcible action. Her declaration was not entirely due to altruism.

But all are united now in the great struggle, and it would be better to draw no comparisons.

EDITORIAL NOTES.

If all the exemptions asked were granted, an immediate call for the second and third classes would have to be sounded in order to get 100,000 soldiers.

There are to be no physically unfit men in Germany under 47 years of age after this, except dead ones. However, the numbers of the latter are growing steadily.

Criticism in Germany is becoming bolder and reaching upward towards those in power. Michaelis and the whole government are condemned. Next the kaiser.

Hon. C. J. Doherty says the new Government will be judged by the fruits of its labor. Trouble is, from his point of view, that the same is true of the old Borden Government.

There promises to be plenty of work for all exemption boards, and some applicants are doomed to learn that their reasons for staying at home do not meet with approval.

There is a disposition on the part of the Government to reduce prices to the consumer, in certain instances, by paying part of the charges itself. This is doubtless an easy way out, but the same old cost is paid by the nation eventually. It is no solution of the high-price problem.

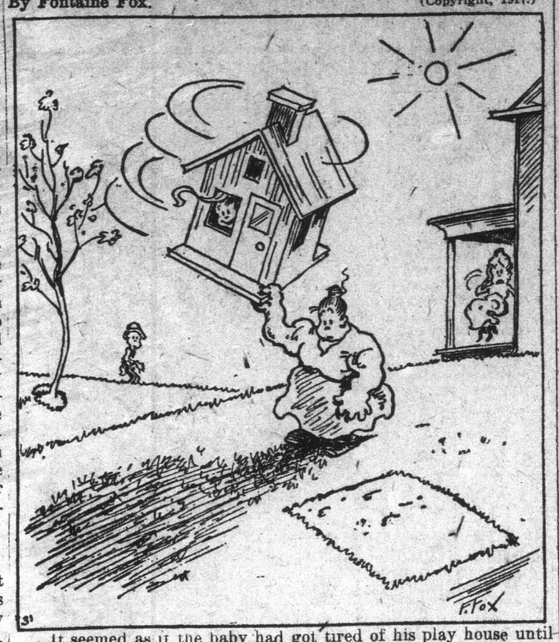

GOOD MAN TO TAKE HIS PLACE.

[Detroit Free Press.]

"Is Satan dead?" asks an exchange. If he is, the kaiser will soon be on his way to fill the vacancy.

THE POWERFUL KATRINKA.

By Fontaine Fox. (Copyright, 1917.)

It seemed as if the baby had got tired of his play house until he and the Powerful Katrinka invented a new game called "Cyclone."

The Advertiser's Daily Short Story

Copyright, 1917, by the McClure Newspaper Syndicate.

WANTED—A SUFFRAGIST WIFE.

Something unusual had happened at suffrage headquarters that morning. A man—and a big, thoroughly masculine one, too, who looked as if, with the proper make-up, he might have been a moving picture impersonation of the good-looking western ranchman or cowboy—had actually walked up to Miss Hester Judd's desk—Hester was the paid secretary of the organization—and had asked to enroll as a member. To be sure, there were many men on the list of membership, but those members were usually brothers or fathers, whose task of becoming suffragists had been smoothed by some daughter, wife, or sister, eager to add her names to the roll and more membership fees to the treasury. It was really rather unusual for a man of his own free will to walk right up to the secretary and say, as did the newest member: "If you please, miss, I'd like to belong to your organization, and if there is anything I can do besides paying a check for a hundred dollars to show I am a member, be so good as to tell me what that is. I'd like to come to the meeting and do anything else I can to help."

The new member hesitated when it came to signing the enrollment blank, and then he said to Hester: "I may as well tell you that I am acting for—for Mr. Warwick Stevens—and not for myself. I am his private secretary, you see. Perhaps I had better sign my own name." When Hester took the blank she saw that the secretary's name was Robert Walker.

Hester, in virtue of the generous enrollment fee and perhaps even more because the newcomer was of the outdoors type of man that especially appealed to her, felt inspired to detain him as long as possible. She rose from her chair at her desk and conducted him through the four or five rooms that make up the suffrage headquarters — the reading room with its array of suffrage pamphlets and magazines, the tea-room with its cheerless, cheap wicker chairs and tables, a private office for the officers, a cubbyhole of a pantry and the outer office where she herself had her desk.

Mr. Walker spoke with something of a drawl and this, as well as a certain hesitancy and friendliness of his manner, betokened to Hester that he was not a man of the city. She was not especially surprised when he asked her to let him talk to her a minute. He motioned to two wicker chairs in the tea-room placed conveniently for a tete a tete and so began their confidence. Mr. Stevens, whom he represented, was, he told Hester, a grandson of Mrs. Warwick Stevens, senior, and of course Hester had heard of her as one of the most prominent of the very wealthy suffragists.

"Perhaps I should not have told you I was Mr. Stevens' secretary," said Mr. Walker, "so I'll depend on you not to say anything about that. For a reason I cannot mention now, Mr. Stevens is very anxious to get acquainted with some of the prominent suffragists here. That is why I dropped in."

Having filled his overcoat pockets with pamphlets on the various phases of suffrage, the new member left the headquarters for that day, promising to return the next day when Miss Hazel Stoppleton—usually mentioned in newspaper accounts as the "suffrage beauty" —was to give a talk on the cause.

Hazel thought it was perhaps because they were both secretaries, though of rather different sorts, that they were attracted to each other from the first, and she was not entirely surprised when after a few interviews in the headquarters, Mr. Walker took her completely into his confidence regarding Mr. Stevens' attitude toward suffrage.

"I'll tell you how it is," he began. "Young Stevens is very anxious to know some of the young women interested in the cause. His grandmother, who is completely absorbed with the question, has made a queer sort of disposition of her property. Warwick is her only grandson and heir, and she has stipulated that she will give him a couple of millions more or less on the spot if he will marry a suffragist, and if he does not marry a suffragist she will cut him off entirely in her will. She has gone so far as to say that the girl must have been actively associated with suffrage before she made that stipulation, because it would be an easy matter for any girl whom Mr. Stevens fancied to assume an interest in suffrage as a pretext. However, Mr. Stevens doesn't care for any girl in particular, so he is, to put it bluntly, in the matrimonial market for an attractive young suff."

"Can you imagine anything so calculating?" was Hester's reply. "He must be rather mercenary to be willing to marry for money rather than love."

"Oh, I wouldn't be so hard on him as that. He figures that the money would be a rather pleasant little bit to have, and since he has never fallen in love with anyone yet, he might as well fall in love with a suffragist as anybody else."

Hester laughed. "So he has commissioned you to meet some attractive suffragists and introduce him to them, so he can find a wife to fill the bill?"

"Yes, that is substantially why I came to headquarters the other day. And I must say I have had to report to Mr. Stevens that there are some very attractive-looking girls interested in the cause. The idea used to be that good-looking women didn't go in for that sort of thing, but judging from what I've seen over here, I should say that the bad-looking women must be all antis."

"Wouldn't it be wonderful if he should meet and marry Hazel Stoppleton?" suggested Esther, beginning to approve of the scheme. He couldn't help but love her; she is a regular goddess."

"I don't quite believe Mr. Stevens goes in for the goddess type, and if you mean that tall copper-haired cold-blooded lady who talked with broad 'a's' here the other afternoon, why I can just say that Mr. Stevens wouldn't fall for her for a little bit."

"What type does he like?" asked Hester, quite willing to help in the search for a wife, since it was all for the cause."

"I've heard him say he was partial to smallish brown-eyed girls. I know for a fact he's very fond of dimples."

Both secretaries reddened a little with confusion—Mr. Walker because he felt he had said something rather foolish, and Hester because she was little and had brown eyes and very nice dimples. There was an awkward pause, and then Mr. Walker went straight to the point.

"I have an idea that Mr. Stevens would like a wife very much like yourself. Excuse me for being personal, but ninety-nine men would lose their hearts to you—that is, a girl like you—to the one that would fall in love with Miss Stoppleton."

There was another awkward pause, and then: "Pardon me for asking, but if I could arrange to have Mr. Stevens meet you and he should fall very much in love with you, as I am practically certain he would—judging from what I've heard him say about his taste—is there any reason you know of why—well, what I want to know is this—are you engaged to any other man or pledged in any way that would make it quite out of the question for you to think of marrying Mr. Stevens?"

Hester struggled to hide her embarrassment. She thought of half a dozen possible things to say to relieve the tension, but the silence grew longer, till Mr. Walker explained: "You see, sometimes a man like Mr. Stevens falls very, very much in love with a girl like you in a very short time—and I'd hate to have him lose his heart only to find out that—that you were engaged to somebody else?"

"But, I'm afraid you didn't know that I'm only a paid secretary. To be sure, I'm a suffragist, but, a man in Mr. Stevens' position would want to marry a society suffragist."

"There was nothing about that in the grandmother's stipulation," argued Mr. Walker. "All that was necessary was a suffragist who had worked for the cause and you work harder than all the rest put together."

It was late in the afternoon and fortunately the headquarters was empty, save for Hester and the big man sitting beside her desk, so there were no eyes to be opened in dismay when he leaned forward and took Hester's two hands in his and kissed them. Then he slipped on his knees before her in the attitude of supplication that Hester thought had passed out of mode among suitors.

"I'm mad about you, Hester. You must listen to me. I've known you only a few days, but with a girl like you falling in love doesn't take long. That very first time I felt there was something that drew us together and I was fool enough to think that you felt that way, too. Tell me you love me—"

"I believe—in fact, I know that I do love you. There is no use saying I don't. Perhaps after all Mr. Stevens would like Hazel Stoppleton. I can't be a bigamist, even if I am a suffragist."

And it was not till a half hour later, after Hester had been escorted to her boarding house door, that she realized that she was really promised to marry the heir of the celebrated Mrs. Stevens and that Robert Walker, private secretary, was merely a convenient alias of that notable woman's grandson.

Bits of Byplay

by Luke McLuke

COPYRIGHT, 1917.

Boo, Hoo!

She spurns my love, does Mabel Mart,
When I try to reveal it;
When I approach she steels her heart
So that I cannot steal it.

Gosh!

"Isn't it terrible the way meat keeps on going up?" said the Old Fogy.

"It certainly is," agreed the Grouch. "Why, if things keep on, it won't be long until a porterhouse will cost as much as a dwelling-house."

Maybe She Does.

Mae Noe, of Lima, Ohio, has been indicted by the grand jury on statutory charges.

An Earthly Angel.

"Come right in, sir! You're welcome, Ben!"

St. Peter said to Bennie Bout;

"You never used a cuss word when
You heard one of your tires blow out."

Poor Old Paw.

Willie—Paw?

Paw—Yes, my son. What is it?

Willie—If a fat chief of police was reduced in rank and placed on the detective force, could you say that he is a mere shadow?

The Champion Swatter.

A tinge of frost is in the air,
And on the grass some hoar frost lies
Things may look bleak, but we don't care,
Old Nature's busy swatting flies.

The Wise Fool.

"A man should strike out for himself," observed the Sage.

"Not when he is sent in as a pinch hitter," commented the Fool.

Handicapped.

He stutters terribly, does Rand.
And when he meets his turtle dove,
He has to sit and hold her hand
Because he can't express his love.

Them Three Women.

Talk about the latest fad.
Over knitting they've gone mad;
For the soldiers now in France.
They're knitting everything but pance. —Steno.

A Wet Time Is Expected.

[Lawton (Okla.) News.]

Mesdames A. L. Leake and E. O. Flood left yesterday noon for Temple, Okla., where they will spend Sunday attending the Fifth Sunday meeting of the Baptists.

Our Joe Miller Contest.

Alfred G. Allen claims that the oldest joke is the one about the Sunday school teacher who was reading the story of the Prodigal Son to her class of small boys and explaining the story as she went along. The teacher read: "And the father of the Prodigal Son fell on his neck and wept. Now, boys, why did he weep?" And a red-headed kid replied: "I guess you'd weep, too, if you fell on your neck."

Should Say Not!

[Houston Post.]

Say, Luke McLuke, the application of Will Welch, of this county, for exemption from military service has been granted. Can he get in the club?

Names Is Names.

Our Daily Special.

Any Man Who Doesn't Agree With You Is a Moss Back.

Luke McLuke Says

The world is growing better. It is a long time since we have seen a woman's hat that was covered with imitation fruits and vegetables.

A seventeen-year-old princess must be kept busy. She meets another only man she ever loved about once a month.

A good photographer has to be a good faker. If a homely woman's photograph resembles her and doesn't make her beautiful, she blames it on the photographer, and will knock him for the rest of her career.

Some fellows are so unreasonable that they get mad because they do not get rhum hands when they are playing poker.

A man has too much sense to try to put out a fire by throwing gasoline on it. And yet he will try to shut his wife up by arguing with her.

When the first baby comes along, father thinks it is up to him to set them up to all his friends. But when the fifth baby comes along, father thinks that it is up to his friends to set them up to him.

When a man who poses as a lion when he is out in society is nothing but a rabbit when he is at home.

Give a young man his choice between rheumatism and smallpox, and he will take rheumatism. But an old man knows better and will choose smallpox.

Before marriage he feels shabby if he hasn't the price to have a suit and overcoat made out of the same material. But after he is married and has a family he feels pretty well dressed if he is wearing two socks that look something alike in color.

The fellow who blames his laziness on spring fever gets four attacks a year, and each attack lasts three months. He is now getting ready for his fourth attack this year.

A husband is such a grouch that if he asks his wife for a half a cup of coffee, and she generously fills the cup, he gets mad and wants a divorce.

Wait a Minute!

By J. M. P.

Speaking of costly foot races Heinie Zimmerman's sprint with Eddie Collins in the world's series cost the Giants about $30,000. Zim now qualifies for the ivory championship.

* * *

The end of the year is in sight. The aldermen and others are beginning to talk for the press.

* * *

A rooster at a poultry show in Trenton, N. J., picked a $200 diamond from a gent. The chickens generally get the sparklers. Gid-dap!

* * *

Kerensky is sick, his job being enough to give any human an attack of almost any disease.

* * *

Von Tirpitz is coming back to power. The evil genius of the Germans never seems to down.

* * *

It looks as if a lot of patriots who got Government jobs spent more time scrambling for places than discussing principles.

* * *

Safety First signs are all right to clutter the landscape, but they seem to have mighty little effect in keeping motorists out of danger.

* * *

Every time we think of the kaiser we figure that this Villa person must be a nice, lovable soul.

* * *

The council gabfest of Monday evening was the worst of a gabby season. Election speeches by the score were made for the consumption of the dear public. It was a weary time—oh, so weary! The boys should take a tumble.

* * *

The city fish supply contained a lot of suckers on Tuesday. This should be a warning to the aldermen.

* * *

A Mr. Flavelle was congratulated the other day on his prohibition work. Sir Joseph Flavelle is also a prohibitionist —he seems to be trying to prohibit folks from eating bacon.

* * *

Hawaii is producing more sugar. They should start an industry to make those skirts into something edible.

* * *

An Illinois man has played 100,000 games of solitaire. His wife must be a grand conversationalist.

* * *

The Russian navy seems to be working all right. Nothing to do but fight.

* * *

Plural wives share in pensions in Africa. If this thing keeps up every man will have to be a Mormon. War is certainly hell!

* * *

Bill Bryan capitalized his conversation for a flock of kopecks. Still, there are a whole lot of fellows who would not care to be like Bill Bryan.

* * *

The Union Government thought so much of labor that it gave the job of minister of labor to the former minister of agriculture. Next thing it will be giving the agriculture job to a canary.

What Ontario Folks Say.

Hamilton, Ont.—"This is to state that I have received great benefit from the use of Dr. Pierce's Favorite Prescription. Some time ago I was rundown and weak, suffered loss of appetite and was miserable. Four bottles of the 'Prescription cured me up in fine shape; it did wonders for me and I can recommend it very highly to women who are ailing."—Miss Marie Miller, 127 Hess street, Hamilton, Ont.

Brantford, Ont.—"Some few years ago I got in a very much rundown condition. Was very weak; could not do anything; had no strength at all. I began taking Dr. Pierce's Favorite Prescription; I only took five bottles, and it put me in splendid condition. I felt better than I had for years. Other members of my family have used this medicine and found it equally as beneficial. I can highly recommend it to weak women."—Mrs. A. Gilmour, 71 Brighton Row, Brantford, Ont.

The use of Dr. Pierce's Favorite Prescription makes women happy by making them healthy. There are no more crying spells. "Favorite Prescription" makes weak women strong, sick women well.

Like an open book, our faces tell the tale of health or disease. Hollow cheeks and sunken eyes, listless steps, sleepless nights—tell of wasting debilitating disease some place in the body. It may be one place or another, the cause is generally traceable to a common source.

Get the "Prescription" today—either in liquid or tablet form—if you want to better your physical condition speedily.

Dr. Pierce's Pellets regulate and invigorate stomach, liver and bowels. Keep the body clean inside as well as outside.

CHAMBERLAIN'S TABLETS

No Spooning Allowed

If you have been unfavorably impressed with the flavor of Roman Meal Porridge, sure enough you must have stirred it! Be fair to yourself and to Roman Meal! Don't stir it except while mixing meal and water. Remember "no spooning allowed."

Force of habit made you stir the porridge without knowing you did so, perhaps. Just get another package; make the porridge according to the directions. Surely it is no trouble NOT to stir Roman Meal porridge after mixing the meal and water.

Dr. Jackson's

Roman Meal

makes the most delightful flavory porridge of all—when not stirred. The flavor of grains lies in their DARK parts. Roman Meal is rich in the dark parts of wheat and rye.

It is made from the WHOLE berries of these grains, bringing to you every bit of their nut-like flavor.

Roman Meal also contains wheat-bran and flaxseed; and you know how splendid these are for relieving constipation. The flaxseed in Roman Meal is absolutely tasteless and odorless, rendered so by a special electrical process invented by Dr. Jackson.

Stirring Roman Meal porridge while cooking brings back the flaxseed taste and odor. Don't stir except while mixing meal and water.

Roman Meal prevents indigestion. It positively relieves constipation or "money back."

Another important thing: Roman Meal is porous, because it is granulated, thus allowing the digestive juices to reach every particle and preventing indigestion. Stirring when cooking breaks up the granules, making a sticky mush instead of the delicious Roman Meal granular porridge.

Thousands of families all over America enjoy Roman Meal porridge every day—it is delicious. Doctors prescribe it for constipation and indigestion and all undertone conditions. You can bake with it: mix it with your white flour when baking, it helps white flour foods to digest and restores their lost balance. Ask your doctor about it.

Mr. and Mrs. Tannie, formerly of this city, have taken up their residence in St. Thomas. Mr. Tannie has taken the position of manager of the Johnston & Murray Shoe Company in that city.

ECONOMICAL RECIPES

Dressed Cucumber or Good Luck Salad—One cucumber, pimento, French dressing, parsley. Pare a cucumber with a fluted knife, or if this is not convenient, remove tiny lengthwise strips to leave the outside of the cucumber so that each slice when cut will be notched. Cut in thin slices, arrange in horseshoe shape on serving dish, garnish with tiny cubes of pimento, pour over some French dressing, and garnish with parsley.

Cornmeal Gingerbread—One cup yellow cornmeal, ¼ cup molasses, ¼ cup sugar, 1 tablespoon butter, ½ teaspoon salt, ½ cup sour milk, ½ cup sweet milk, ½ cup wheat flour, ¾ teaspoon soda, ¼ teaspoon ginger, ½ teaspoon cinnamon, ¼ teaspoon cloves. Mix the first seven ingredients in a double boiler and stir over hot water. Cook for about ten minutes after the mixture has become hot. After it has cooled, add the wheat flour and soda and the spices, thoroughly sifted together. Bake in a shallow tin.

Beet Soup—Two small beets, 2 tablespoons vinegar, 1 onion, 2 tablespoons butter, 4 tablespoons flour, 1 quart stock from vegetables, salt, ½ cup milk, cream, cayenne. Boil beets until tender, plunge in cold water, remove skins, cut in thin slices and put in bowl with vinegar; let stand until color is extracted from the beets. Slice onion and cook in butter without browning for five minutes. Add flour; when well mixed add gradually the stock from any kind of vegetable. Stir until it boils, add 1½ teaspoons salt, beets and vinegar, and simmer ten minutes. Rub through a sieve, reheat and add milk, salt and cayenne to taste, and serve with whipped cream is desired.

Peanut Butter Muffins—One and a half cups flour, 4 teaspoons baking powder, ½ teaspoon salt, 1-3 cup peanut butter, ¼ cup sugar, 1 egg, ¾ cup milk. Mix and sift flour, baking powder and salt. Cream peanut butter, add sugar; when well mixed, add well-beaten egg, beat and add flour mixture alternately with milk. Beat well and bake in muffin tins in a moderate oven.

Peach Salad—Four peaches, lettuce, 2 tablespoons chopped nuts, French dressing. Plunge peaches into boiling water and remove skins. Cut in four sections without separating and without removing the stone. Cover stone with chopped nuts, arrange on lettuce leaves and serve with French dressing.

Cynthia Grey's Mail-Box

Starchy Foods.

Dear Miss Grey,—Am just dropping in to say "Good afternoon," and ask a few questions. Could you please print in your columns what foods are starchy foods? Also what a stout persons (who wishes to become thin) should not eat. I amagine I can hear you say "What ridiculous person is this?" But a friend of mine is so bashful and is becoming morose on that account. He is gaining in weight and wants to be slim. Please criticise my writing. With best wishes

THE CANADIAN SALT CO. LIMITED

Polish the Dark Side.

Dear Miss Grey,—Just a very few lines to your page to have something to do. Not that I'm stuck for a job, Oh, no! But this is a change from all the rest of the things I generally do.

Would you mind printing this little stanza for me? I had it sent to me from overseas, and would like it printed so as to send it away somewhere else. Hope this isn't too much bother for you. Thanking you very kindly, I am,

HANOVERIAN.

"Keep smiling, though the clouds be grey,
And look upon the bright side;
But if no bright side you can see,
Just polish up the dark side."

Ans.—That is such a bright, optimistic bit of verse that I'm very glad you sought our column "for a change." Let's all paste it on "memory's wall" and act upon it when the bright side seems quite, quite invisible.

Tobacco vs. Wheat.

Dear Miss Grey.—Here I am again this bright day when the air seems to be infused with a mellow fullness.

War to many of us is merely a dream. My eyes were attracted by the heading, "Healthy Young Men Playing at Home." Will inclose the clipping. Is it not sad, Miss Grey, but too true? Waste of manhood. Another clipping at hand is startling. It takes 6,500,000 acres of land to grow the world's tobacco. Supposing the land fitted for the plants had been used for wheat, a yield of 25 bushels an acre would give 162,500,000 bushels,

"Whatsoever a man soweth,
That shall he also reap."

And prices are high, sky high. One housewife caught a handy idea in using pumpkin. Her three healthy youngsters had a great affinity for orange marmalade, so while alone one day she cooked her small pumpkins finished with three lemons and five oranges, and required sugar, making seven pints of as good an article as the citrus fruits alone.

If any of the sisters would like an idea of a strawberry barrel and write to me I shall be glad to explain.

A neat plan for the garden the coming winter would be to bury the tops and weeds under the mellow soil, then work the surface well at least four inches deep with the garden rake. Now it is ready for the seed. Go to your seedsman, get enough rye seed to scatter over it all evenly. Cover properly and this growth next spring turned under will be a uniform fertilizer, as there are the lime properties in the roots and top growth.

Will any lady care to exchange gladioli? Yours sincerely,

FLORAL CRANK.

Ans.—The clipping "Floral Crank" incloses is from an article in the Canadian Churchman by Rev. Canon F. G. Scott, in which he deplores the sports being carried on in Canada, while "the other half" are absent on the firing line. I hope to publish the clipping in full some day soon. Thank you, "F. C.," for the housewifely hints re marmalade and gardening.

He Never Grumbles.

Dear Miss Grey,—I hope you will not think me too much trouble, but thought I would send the photo of one of your lonelies who appreciates your kindness This one neither smokes or drinks. I don't think he is any better than the rest, for I do think they all deserve all they can get, for another winter in the trenches makes me sick to think of. This boy has been in since the war started, and he never grumbles or complains, but says he shall come to this country when he is through.

This other has been wounded and in hospital for a long time, but is back in France now. Hope he will get safe through. Says he hopes if he gets wounded again he will get in the Leicester Hospital. He signed up at Regina. I do think it too bad to send them back when they have been badly wounded, don't you? Your well-wisher,

A READER.

Ans.—Yes, it does seem harsh, but it's one of the tragedies of cruel war. What a nice, likeable-looking lad is that in the picture you send! May he be spared to visit Canada, as he wishes. And what a lesson to many of us, surrounded by bodily comforts on all sides. "He never grumbles or complains." Can this be said also of us?

Recipe for Pimentos.

Dear Cynthia,—Would you kindly answer the following questions:

1. Have you a recipe for pimentos? I have some red peppers and would like to can them, but do not know how.
2. What day did October 15, 1898, fall on?

Ans.—I've consulted ever so many authorities on canning and pickling, but alas, upon the subject of pimentos they are sadly silent. I'm venturing to hope some of the practical pickling housewives who read your request may be able to come to the rescue with a recipe.

2. Saturday.

She's Just 21.

Dear Miss Grey.—I do not pay your column a visit very often, but when I do it is always with a definite purpose in view. Before proceeding with the business part of this letter, I would just like to remark upon the development of your column. I can remember when it was nothing more than a lot of silly questions which anyone with a little thought could readily answer for themselves without bothering you; whereas, now, topics of general interest are debated upon, as it were, with a great deal of intelligence, not to mention all the useful information supplied both by yours if and the different writers.

Now that I have got that off my chest, I am going to ask you for a little assistance in the way of "movies." I am presumptious enough to think that I might have enough brains to write some very modest scenarios, and not having a great stock of information on hand as to how one should go about this sort of thing, I appeal to you. Now please do not put a little note at the bottom of your answer (if you deign to reply) and tell me how very seldom an amateur has manuscript accepted. I am not a bit sanguine as to having success, but at least it would be no harm to try, would it? How on earth could persons discover their talents unless they tried a thing? I know people have said to me that most girls get a little "bug" that they can write at some stage of their lives, so I guess my time has come. However, if you could just inform me as to whether the stories are written just in magazine form, or whether they have to be made up in scenes, acts, casts of characters, etc., like one sees on the screen. Also, would you tell me the name of firms to whom one would send manuscript of this sort?

This is my 21st birthday, Miss Grey. Do you suppose that has anything to do with the aforementioned "bug"? I was the recipient of very many beautiful gifts and am feeling quite gay today. Therefore, I know you will forgive me for taking up so much of your valuable time and space. If you have no room to print this rambling epistle, I will not be one bit "peeved," but shall look with interest for the answer. Sincerely,

CHERE.

Ans.—How lovely to still be young enough to have birthdays! And to receive beautiful tokens in remembrance of sam! No wonder you are bubbling over with enthusiasm. Now, unfortunately, my own knowledge of selling scenarios, is very limited, although I believe I am correct in saying that they do have to be written in scenario form, with a brief but comprehensive synopsis attached. If you really felt you could trust me with your address, I can mail you what little information I have on the subject.

Am pleased that you see development in our columns. Many of our readers' letters are certainly very interesting to me, and I welcome intelligent discussion of nearly every subject pertaining to women.

OVERWORKED, TIRED WOMAN TOOK VINOL

Now She is Strong and Hearty

Philadelphia, Pa.—"I was overworked, run down, nervous, could not eat or sleep. I felt like crying all the time. I tried different remedies without benefit. The doctor said it was a wonder I was alive, and when Vinol was given me I began to improve. I have taken eight bottles and am now strong and perfectly healthy in every respect, and have gained in weight. I can not praise Vinol enough."—Mrs. Sarah A. Jones, 1025 Nevada St., Philadelphia, Pa.

We guarantee Vinol to make overworked, weak women strong or return your money. Formula on every bottle. This is your protection.

Taylor Drug Company, London, also at the best druggist's in all Ontario towns.

DAILY BIBLE QUESTION CLUB

SUGGESTIVE QUESTIONS ON THE SUNDAY SCHOOL LESSON.
By Rev. T. S. Linscott, D.D.
[All Rights Reserved.]

"The Temple Rebuilt and Dedicated." Ezra, iii., 8-13; vi., 14-18.

Golden Text—"Enter Into His Gates With Thanksgiving, and Into His Courts With Praise." Ps., c., 4.

7. Verses 3-8—When and why was the Mosaic ceremonial law abolished?

8. What is the sacrifice which every Christian is under obligation to offer up daily?

9. Verse 7—Should money given to build churches be regarded as an investment, and may we expect any financial returns?

Advertiser Patterns

A STYLISH, ATTRACTIVE MODEL.

2128—Of all popular styles, there is none more comfortable or pleasing than a one-piece model. As here portrayed, the skirt section is fitted with wide plaits and joined to a long waist, in moyenage style. The collar may be finished in straight or notched outline; the sleeve in wrist or elbow length.

The pattern is cut in three sizes, 16 18 and 20 years. It requires 5½ yards of 44-inch material for an 18-year size. The skirt measures about 2¾ yards at the foot, with plaits drawn out.

A pattern of this illustration mailed to any address on receipt of 10 cents in silver or stamps.

ADVERTISER PATTERN DEPT.

Please send above-mentioned pattern, as per directions given below:

Name .....

Town .....

Province .....

Age (if child's or misses' pattern)

Measurement: Bust..... Waist.....

Caution: Be careful to inclose the above illustration, and send size of pattern wanted. When the pattern is bust measure you need only mark 33, 34 or whatever it may be. When in waist measure, 22, 24, 25, or whatever it may be. If a skirt, give waist and length measure. When misses' or child's pattern, write only the figure representing the age. It is not necessary to write "inches" or "years." Patterns cannot reach you in less than one week from date of application.

RED CROSS AND C. W. C. A. COLUMN

OUR BOYS IN GERMANY.

It costs only $2.50 a month to adopt one of those prisoners and be reasonably assured that he is fed. Just two dollars and fifty cents a month to keep a Canadian boy from starving! Why, that is about 8 cents a day! Surely there is no Red Cross or other war-working society that could not support one or more of these unfortunate lads. Just read the accounts of escaped or exchanged prisoners and judge if we should not one and all scrimp our own tables rather than that these poor fellows should sicken and die through insufficient food.

There seems to still be a misunderstanding in the minds of some as to the method of adopting a prisoner. The only possible way is to send the money to the Red Cross Society, stating upon whom it is to be spent, and they will see that food parcels are sent regularly from England. It is impossible to send parcels of food from Canada. The chances of their never getting across the ocean are too great to risk, when we consider that a man's life depends upon them. The distance between England and the prison camps is comparatively so short that the plan of sending food from Red Cross headquarters in England is the only wise one.

So if there is any society or club of women or men who wish to adopt a prisoner send to Miss Gunn, 136 Kent street, London, Canada, and ask her for a name and address. Then if the small sum of $2.50 is sent to her regularly there will be little doubt that one boy at least is being properly fed. Just 8 cents a day. Think of it! Why, many young girls could save that amount just by denying themselves candy, or some other luxury they should not have in these war times.

On September 24 and 29 acknowledgements of parcels received came from the following prisoners: E. Harding, C. L. Lewis, F. S. More, M. McDaid, W. D. McLarty, A. Nantel, G. H. Neale, H. Page, E. Perrault, J. Woodcock, W. P. Ainsborough, T. H. Burk, F. L. Austin, L. Bellen, C. Blunt, T. E. Dunham, W. Hotchkiss, W. Bramford, W. G. Wratnall, B. T. Hill, C. W. Harper, J. Cleiland, E. Harding, W. Scott, S. Leblanc, T. Siviter, E. Yoell, G. Barton, H. Booth, A. G. Roberts, F. Hogg, H. L. Luton, A. Barber, W. J. Hookway, S. Jutsum, C. Polasky, H. Putt, H. Springett, R. S. Whitehouse, H. W. Williams, G. R. Wishart, D. Whelton, G. B. Edie, W. Fairnie. From Pte. C. Blunt two acknowledgements of parcels received have come within the same time.

THIS IS ENGLAND'S WEEK.

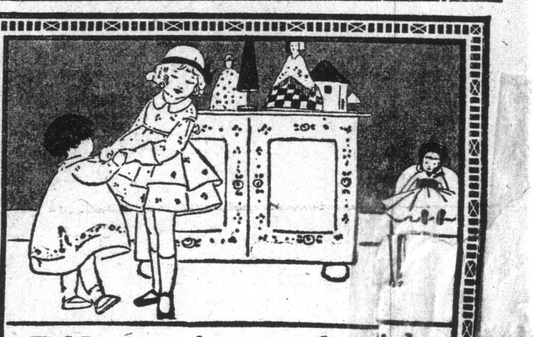

"Our Day" they have named the day set apart for raising the British Red Cross. But for the past week or more money has been coming in from the different Red Cross Circles in the surrounding district. We are going to give our mother land more than a day. We would be doing but little if we extended our campaign over a month, for the needs of this vast organization are beyond telling. Wherever we scrimp and save it surely must not be in the treatment of our wounded soldiers. And all soldiers of Britain are ours. We have so much—three meals a day, comfortable clothing, safe homes far from the line of battle, and all because the soldiers of Britain have stood between us and the storm. We must sacrifice for them to the utmost if we are to prove ourselves worthy of all they have done. It is earnestly hoped that we shall be proud and not ashamed when we come to count up our gift to the British Red Cross when "Our Day" is over.

S. O. S.! S. O. S.!

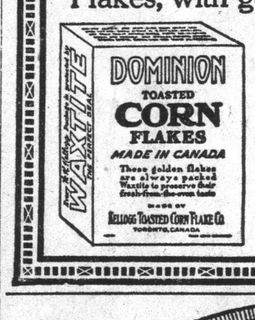

Did you hear it? It is the wireless signal for help. No, it didn't come from a beleaguered ship, but from the trenches. It was echoed in the warerooms of the C. W. C. A. in England; it swept across the sea, and is now taken up and repeated from Hyman Hall: S. O. S.!—SEND OUR SOCKS!

Yes, it is dreadful to confess it, but there are not nearly enough socks coming in. And when there are not enough coming into Hyman Hall, then there are not enough going out across the sea, and there are not enough in the warerooms of the C. W. C. A., and—terrible thought—not enough in the trenches. It is reckoned that Hyman Hall alone should send out 20,000 pairs a month. Just think of it! And how can they be sent out unless they come in. Oh, dear knitters, won't you take this solemn matter to heart and get your needles and knit and knit and knit?

MUTT AND JEFF.—A Hen Has Plenty of Time, Anyway. (Copyright, 1917, by H. C. Fisher. Trade Mark registered in Canada.) (BY "BUD" FISHER)

THE SPORT-LIGHT

By Grantland Rice.

(Copyright). Special District Rights Secured by The Advertiser From the New York Tribune.

One of the most interesting aspects of the late world series has been the transformation of Dave Robertson, the husky young Virginian right-fielding for the Giants.

Two years ago Dave, then tagged with the ancient Second Ty Cobb label, started out to make that label stick.

By July of 1916 he was batting .366 and hitting the ball with terrific force.

A few weeks later his descent began. He dropped to .300. And this year, in place of resuming, he slumped still further until he finished the year below .260.

AND THEN—

As a result of this long slump from his old heights no great attention was paid to Robertson when this series swung under way. But before anyone knew it Dave was out beyond such stars as Joe Jackson, Eddie Collins, Hap Felsch, Benny Kauff and George Burns. By the fifth game he had ten hits packed away, with an average only a shade below the four-game world series mark of Hank Gowdy in 1914. Robertson not only started out hitting, but hitting with the ease and confidence of a Cobb at his best.

From an average workman he had climbed to the appearance of greatness, and it was no one or two game flash.

Being a ball player of fine speed and tremendous physical power, he has only to carry this confidence along to be one of the great stars of the game.

If Dave would only go into an ordinary, every-day pennant-playing ball game as he went into this world series his place would be up around the crest.

LIKE KAUFF.

One of the most popular Giant athletes in a strictly personal way with the White Sox has been Benny Kauff.

"I'll take my hat off to Kauff," remarked Eddie Collins. "In the first three or four games he went to bat thirteen times without a hit. Yet he had no alibi to offer and no excuse to make. He knew how much was expected of him, and it was easy to see his bitter disappointment in those early games. But through it all he only blamed himself. 'The balls are there to hit,' he told me, 'and I have no excuse to make.'"

STILL THE BEST.

The fielding and batting of Eddie Collins from the start proved beyond any debate that he was still the star second baseman of the game, and for all-around value probably the greatest second baseman that ever lived. He can hit, field, run bases and come through with any needed play. Oldtimers refer to Fred Pfeffer. Pfeffer was a great second baseman, but he could never hit within a block of Collins, according to baseball veterans, who have seen both play.

Collins failed to bat .300 this last season. But when the series started, even against left-handed pitching, he lost no great time in pulverizing the ball. A left-handed batsman who can hit first class left-handed pitching as effectively as Collins did most of the way, is not to be linked to any known weakness at bat.

EARLY DREAMS WINS ATLANTA FEATURE

ATLANTA, Ga., Oct. 16.—Five heats were required to determine the winner of the Atlanta Cup, the feature of today's grand circuit card at Lakewood Park, one-honors finally going to Early Dreams, Mc Donald's bay gelding, driven by the owner. In addition to the cup was the big end of a $2,500 purse.

Lu Princeton, entered by Cox, fought hard for the first four heats, winning the first and third and coming under the wire in second place in the second and fourth.

The other events were the 2:09 pace, won by Mary Rose; the 2:16 trot won by Peter Nash second and Lady Fuller third. The 2:16 trot was won by Meaford, and the Matron Stakes for three-, four- and five-year-olds won by Donna Lolo against Evelyn Watts, second. Summary:

2:09 Class, Pacing; 3 in 5; Purse, $1,200.

Mary Rosalind, gr. mr., by Guy Princeton				
Peter Nash, ch. h. (Valentine)	1	1	1	
Lady Fuller, b. m. (Russell)	2	2	3	
Springmaid, ch. m. (Owen)	5	3	2	
Dr. Griffin, b. m. (Murphy)	3	5	5	
Time—2:05¼, 2:05¼, 2:05¼.	(Stiles)	4	4	4

2:14 Class, Pacing; 3 in 5; $2,500; Atlantic Junta Cup; Five Heats.

Early Dreams, b. g., by Richard					
Earle (McDonald)	2	1	2	1	1
Princeton, b. h. (Cox)	3	2	1	2	4
Royal Mac, b. g. (Murphy)	3	3	3	3	2
Miss Roxetta, b. m. (Rhodes)	4	4	4	4	3

Time—2:04½, 2:05¼, 2:04¾, 2:05½, 2:05¾.

2:18 Trotting; 3 in 5; Purse $1,000; Four Heats.

Measles, ch. g., by Sydney Earl (Murphy)	3	2	1	1
Clay Watts, br. h. (Thomas)	1	3	2	2
Frisco, Murphy, b. g. (Cox)	2	1	3	3
Allerton Heir, br. g. (Holderman), started, but withdrawn after third heat by agreement of the drivers with consent of the judges. Race was declared finished at the end of the fourth heat.				

Time—2:12¼, 2:09½, 2:11½, 2:13½.

Matron Stake; 3-Year-Olds.

Donna Lola, ch. f., by Peter O'Donna (Wright)	1	1	1	
Evelyn Rea Watts, b. f. (Cox)	3	2	2	
Abby Dryad, blk. f. (Geers)	2	3	1	

Time—2:10¼, 2:11¼, 2:11½.

COMISKEY DISAPPOINTS ADMIRERS WHO PLANNED BIG RECEPTION FOR HIM

Chicago, Ill., Oct. 17.—Friends of Charles A. Comiskey and his world champions, the Chicago Americans, have made extensive preparations to receive the players when they return late today from New York. Brass bands, orators and cheering fans are part of the public reception that is planned.

President Comiskey returned to Chicago last night in advance of his champions. He eluded a big crowd of friends, however, by leaving his train in the suburbs and going directly to his home. Over the telephone he declared: "It was the greatest of all world series," and paid his respects to Manager John J. McGraw, Captain Herzog and the rest of the New York team for their game fight.

MAY PLAY SARNIA

L. C. I. Pigskin Chasers May Meet Imperial City Team.

The London Collegiate Institute rugby team may play the Sarnia Collegiate Institute team. The Sarnia squad were scheduled to meet the Petrolea team, but the latter defaulted the game to Sarnia. The winner of this game was to meet the winner of the London—St Thomas game.

The weekly sports program for the troops in training here is being held today at Queen's Park Camp, and the members of the Forestry Depot went from Carling Heights to the park to take part. The members of the 53rd Battery are absent on a mounted parade through the district north of the city, and will not take part in this week's program.

SAYS BARROW MAY BE NEXT HEAD OF AMERICAN LEAGUE

Likely To Succeed Ban Johnson, Who Goes to Front in Three Weeks.

New York, Oct. 16.—The name of Edward G. Barrow, president of the International League, was pushed to the forefront in baseball gossip here tonight as the man who will succeed Ban Johnson as president of the American League when Mr. Johnson retires to enter the nation's military service, which he announced a few days ago he would do.

Following the world's series, baseball circles here also taken up the question of who is to succeed "Wild Bill" Donovan, if rumors are true, that Donovan was to retire before the opening of the 1918 season. Miller Huggins, manager of the St. Louis Cardinals, was named as the most likely successor to Donovan, as manager of the New York Yankees. Ira Thomas, for several years first lieutenant of Connie Mack, will take Huggins' place as manager of the Cardinals, according to these reports, and the rumors also place John J. Evers in command of the late world champion Boston Red Sox.

"I will be in the trenches of France within six weeks," said Ban Johnson yesterday. "I am through with baseball until the end of the war. I'm going over to join Captain Huston. I'll bet you a new hat I beat him into the trenches. The American League is well fortified against the future. It's businessmen can carry it safely through whatever business depression war may develop. I am for the big games for America, for democracy, for France, for Belgium."

Harry Frazee, president of the Boston Red Sox, and Mr. Johnson held a long conference here tonight, after which Mr. Frazee expressed the opinion that Mr. Barrow would be the next president of the American League. Mr. Johnson left his hotel here tonight, and is believed to be on his way to Chicago."

SOX AGAIN TRIM NEW YORK GIANTS

GARDEN CITY, Long Island, N. Y., Oct. 16.—The Chicago White Sox, winners of the 1917 world series, defeated the New York Giants in an exhibition game here today by a score of 6 to 4, before a crowd of 6,000 soldiers from Camp Mills, at Mineola.

Al Demaree, who started for New York, was easy for the champions, who scored in the first three innings, while Benz, of Chicago, held New York runless. New York scored off Williams in the fifth, but the White Sox hammered G. Smith in the sixth for three tallies. The Giants added two in the ninth, when Danforth eased up. Score:

Chicago	1	1	1	0	0	3	0	0	— 6 12 1
New York	0	0	0	0	1	0	1	0	2 — 4 13 2

Batteries—Benz, Williams, Russell, Danforth and Schalk, Lynn, Jenkins; Demaree, G. Smith and Gibson, Onslow.

DIES OF WOUNDS

PAISLEY, Oct. 16. — Mrs. E. H. Bain received a message that her only surviving son, Pte. D. J. Bain, had died in France from wounds received about a month ago, presumably at the battle of Lens.

Pte. Bain was a younger son of the late D. J. Bain and was born in Paisley 27 years ago. He was very popular with his associates. In 1915 he resigned a good position in the west to enlist in the 95th Battalion, and ten months ago went to France in a draft, and was all through the battle of Vimy Ridge and other engagements, receiving at times some slight wounds. Besides his mother three sisters survive, Mrs. W. D. Sinclair of Paisley, Effie, a nurse in the Military Hospital in London, and Mabel in Vancouver. The flag is flying at half-mast here. Arrangements are being made for a memorial service.

WESTERN TO HAVE SERIES AS USUAL WITH GUELPH AGGIES

Many Gridders Gone to War, But Strong Team Still Left.

HOME-AND-HOME SERIES

Guelph Agricultural College Will Have Team to Meet the University Squad Despite Many Enlistments.

At a meeting of the Western University Athletic Association held on Tuesday evening it was decided to form a rugby team this fall and to play a home-and-home series with the Guelph Aggies, as in years past. The "U" is short a lot of reliable men owing to the war, but still has the nucleus of a strong team.

Art Smith will be captain this season and with him on the line will be Brickenden and Kingswood. These three men make a formidable trio and all have had lots of experience. Ferguson and Tolvin will likely be in scrimmage. "Fergie" was out with the team last season and should show up well this year if given a good chance. Kaiser will be out again, so will McLarty, Ed Loughlin and Pardee. All of these men are worth having. Wally Mathews and Spearin will play also.

From the Med. freshmen come Cline and Gammage, two collegiate graduates, both of whom are promising material, having been through the mill. Smith, another Med., has had some experience in the game, but it is not known yet whether or not he will play. He is a big husky duck and should be a useful man.

The war during the past year has cut the "U" stars down considerably. Bill Anderson, last year's half, is with the Naval Air Service, Goldie Elgie is down at Osgoode Hall, Thompson, who was in scrimmage last fall, is also in England training for the R. F. C. Reynolds, formerly quarter-back, is with the 63rd Battery. Bill Mace will not be out this year. Christopher is overseas. Bill Elgie will not likely play and "Son" Childs will be out of it, too.

Tom Murray is back from the front and is again at Meds. He is anxious to be in the thick of the game again and will turn out.

Gus Edwards will be chief coach of the Western squad, and will be assisted by Dr. K. P. R. Neville, director of athletics. Dr. Neville has received a letter from Capt. Gandier of the Aggies who states that his team will soon be in shape. The Western crew will start and practice shortly.

LONDON COLLEGIATE GIRLS DEFEAT THE ST. THOMAS SQUAD

Londoners Best St. Thomas Girls After Hot Battle by Score of 17 to 11.

ST. THOMAS, Oct. 16.—The London Collegiate Institute girls' basketball team defeated the St. Thomas Collegiate girls here this afternoon in a game staged as a feature of the St. Thomas Collegiate field day. The game was a speedy one and the teams played five minutes overtime before a decision could be given.

The visitors started with a rush in the first half and scored 7 points. But the locals were right there, and when the whistle blew the score was tie, seven all. In the last half each team got four points more, making the total 11—11. After playing another five minutes the London girls were 6 points to the good, making the total 17—11. London got a basket on a technicality in the extra five minutes of play. When the time was up the scorer walked out to tell the referee and before the latter could sound the whistle the visitors had shot the ball through the Saints' basket.

For London Miss Lottie Garrett and Miss Peggy Gennell were the stars. Miss Garrett is choked full of pep and is right there all the time. Miss Gennell never seems to tire and plays a consistently fast and steady game. Miss Gibson also did some nice work. For the Saints Miss K. Brownlee in the forward line showed up well, and proved to be an exceedingly reliable player.

The teams:

London.		St. Thomas.
L. Garrett	Centre	V. Ponsford
P. Blackwell	Forward	J. Cameron
W. Gibson	Forward	K. Brownlee
H. Wilson	Defence	F. Horton
M. Gennell	Defence	E. Gilbert
G. Screaton	Spares	H. Morris
B. Snell	spare	E. Kearns

Referee—Allen.
Scorer—Joe Chapman.

SERIES PLAYERS PROTEST COMMISSION'S MOVE

NEW YORK, Oct. 16.—Protesting against the action of the National Baseball Commission in holding out $1,000 of the individual shares of money of each world series player until December 31, as a guarantee that they will not participate in exhibition games, members of the Chicago American and New York National League teams addressed a petition to the commission today, in which they said:

"We, the undersigned, hereby declare and agree not to participate as individuals or as a team in any game after this day at Camp Mills, L. I."

The petition was signed by each of the New York and Chicago players eligible to participate in the recent world series, and was handed to the commission at this afternoon's game at Garden City, N.Y., by Edward Collins and Charles Herzog, captains of the rival teams.

The commission promised to take the matter under immediate advisement. President Tener of the National League, a member of the commission, said the request of the players will be granted and that they will receive their full shares.

ACTION PLAY IN THIRD GAME OF BIG SERIES

WEAVER SAFE AT 2ND.

Buck Weaver, of the White Sox, safe at second, stealing, in the second inning of the third game of the world's series at the Polo Grounds, New York.

L. C. I. DROPS GAME TO SAINTS BUT LEADS SERIES

Locals Defeated by Railway City 4—0 Tuesday—Have Lead of Seven Points on Series Yet—Gibson Proves To Be One of Season's Finds.

ST. THOMAS, Oct. 16.—The London Collegiate rugby squad met defeat at the hands of the St. Thomas Collegiate team here today by a score of 4 to 0, after a fast game. From first to last the Saints were out to win, and, working against adverse conditions, the crowds of spectators being permitted to swell over the side-lines onto the field, by the officials, Capt. Ernie Dennis' London squad played mostly on the defensive. The L. C. I. team put up a good game, and, although beaten in the game, still retain their lead in the series. They took the first bout 12 to 1, and after losing today 4 to 0, still have a lead of seven points on the series.

The visitors were hampered by the spectators crowding onto the field, several fine runs being spoiled by the mob of people. This was the most unfortunate part of the game. Had the ground been kept clear, London might have scored. The field itself was in fine condition.

Both teams resorted to punting, bucks being in the minority. The Saints found that with Jewett doing their kicking they had one sure way of getting the leather into L. C. I. territory, but had some trouble in following it up. The London squad was outweighted, but consistently held their ground against the bigger St. Thomas men.

Gibson a Find.

The Saints scored one point in the first quarter, when Gillies was rouged behind the line on a kick from Jewett. London played safe, working on the defensive practically all the time. The second quarter gave the Saints a couple more, one on a kick to the dead line and another on an out of bounds by Gillies. George Gibson, son of the renowned "Mooney" of baseball fame, began to attract attention at this stage of the game. George is a real find in rugby, all right, and when he gets to know the game a little better he will be a man worth having on the team. This was his first game, and previous to today he had turned out to only a couple of practices. At first he was rather shy on tackling, but in the last quarter got his man low every time.

The third quarter was a hot one. Jewett got the ball and sprinted down the field for what looked like a touchdown. But Gibson was after him and nailed his man just in front of the London sticks. The Saints' tried to buck their way through, but the London gridders held firm, and Jewett had to kick to the picket fence that stood for the dead line, for a point.

London Men Good Players.

In the last quarter neither team got anything, although the game was fast and furious. All the way through the teams worked hard, London playing mostly defence, and the Saints trying to get through their line. Once the Saints got within ten yards of the goal, but the lighter line of the visitors held them. The London team played a fine game all the way through. Capt. Dennis did as good punting as Jewett, and his squad were faster in following the ball. McLean made some fine runs, which the spectators spoiled by crowding over the side-lines. Dochtader did good work, too. Bryant, one of London's star men, was out, having been hurt on Monday, and Dunlop, another fast man, who played in the game in London, has left the L. C. I.

Jewett was the outstanding man of the Saints. His kicking was what held their game. He is on the staff of the St. Thomas C. I. and is a fine player. Dyer and Slosson also did good work.

The score by quarters:

St. Thomas	1	2	3	4
	1	2	1	0
London	0	0	0	0

The line-ups of the teams:

St. Thomas.		London.
Leitch	Full-back	Gillies
Ellwood	R. half	McLean
Ayearst	L. half	Hicks
Jewett	C. half	Dennis
Baldwin	Quarter	Dochstader
Avery	Centre	Taylor
McCully	L. scrim.	McDonald
Campbell	R. scrim.	McCormick
Ferguson	L. inside	Windsor
Lane	R. inside	McPherson

SAINTS HOLD BIG ANNUAL FIELD DAY

Fine Events Staged at St. Thomas C. I. Sports—Good Records Made.

ST. THOMAS, Oct. 16.—After two postponements, the annual field day of the St. Thomas Collegiate Institute was held here this afternoon. A crowd of about 700 were present and the sports were run off in fine style. A large number of rooters from the London Collegiate came over to see the rugby and basketball games. The locals took the rugby game 4—0, and lost the basketball 17—11 after a hot game.

The results of the events follow:

Hop, step and jump (junior)—McCrimmon, 30 feet 5 inches; Moody, 29 feet 10 inches; Tanner, 29 feet 9 inches.

Hop, step and jump (senior)—Barnes, 35 feet 4 inches; Singer, 35 feet 2 inches; Snyder, 33 feet 10 inches.

Girls' throwing and catching ball (senior)—Miss Beame and Miss Mindeth; Miss Sutton and Miss Smalldon, Miss McKay and Miss Honsinger.

100 yard dash (senior boys)—Singer, Snyder, Wright. Time—10 seconds.

100 yard (junior, boys)—Wilson, Moody, McCrimmon. Time—11½ seconds.

75 yard dash (junior, girls)—Miss Walker, Miss McNabb, Miss Norsworthy. Time—12 seconds.

75 yard dash (senior, girls)—Miss Tremblay, Miss Summers, Miss McKay. Time—11½ seconds.

Throwing and catching baseball (juniors, girls)—Misses Lawson and Coutts, Misses Crocker and Hunter, Misses Meechan and Norsworthy.

High jump (boys, senior)—Singer, 4 feet 6 inches; Cair, Wright.

Putting the shot (junior, boys)—Wilson, 26 feet 3 inches; McCrimmon, 24 feet 9 inches; Fenton, 22 feet 9 inches.

Girls' hop, step and jump (senior)—McKay, 24 feet 7 inches; Summer, 23 feet 8 inches; Honsinger, 22 feet 6 inches.

Running broad jump (senior, boys)—Campbell, 15 feet 10 inches; Singegr, 15 feet 7 inches; Chantler, 15 feet 3 inches.

Pole vault (junior, boys)—Lewis, 6 feet 2 inches; Fenton, 5 feet 4 inches; Wilson, 5 feet 2 inches.

Hop, step and jump (girls, junior)—Miss Logan, Miss Airford, Miss Brown.

Girls' relay race, 200 yards—Misses Norsworthy, Adams, Mill; Misses Worthington, Ponsford, Gilbert; Misses Beame, McGeary, Hammond. Time—26 seconds.

Girls' three-legged race (seniors)—Beame and Merideth, Norsworthy and Hill, Hammond and Roy.

Girls' three-legged race (juniors)—Misses McNabb and Dyer, Misses Logan and James, Misses Crabbe and Wintermude.

Broad jump (junior, boys)—Fenton, 13 feet 10 inches; Voaden, Wilson.

Pole vault (senior)—Meadows, 7 feet 4 inches; Spencer, Singer.

Girls' throwing ball (senior)—Miss Cameron, 124 feet; Miss McKay, Miss Morrias.

Girls throwing ball (juniors)—Miss Tanner, 118 feet; Miss Bremner, Miss Norsworthy.

Boys' high jump (junior))—Johnson, 4 feet 2 inches; McCrimmon, Fenton.

Putting shot (senior)—Lane, 33 feet; Barnes, Campbell.

INGERSOLL BOWLERS GET ROBINSON CUP

Defeat Rowing Club Tuesday Afternoon by Score of 19 to 16.

The London Rowing Club bowlers, with J. F. McDonald as their skip, lost the Robinson trophy to Sumner's Ingersoll rink on Tuesday afternoon at the Rowing Club greens. The play was fast but the locals had great difficulty with their runners. Somehow or other they would break and the Rowing Club quartet could not top the visitors' score.

The Rowing Club will likely challenge again and try to get the silverware back before the snow is on the ground. Probs today say snow. The R. C. men had better hurry up. Before them are Bert Heaman's Thistle rink, who will go to Ingersoll shortly for a game with the Ingersoll rink.

The score by ends:

Ingersoll	002	000	332	030	010	320	—		19
Rowing Club	310	131	000	201	201	001	—		16

The rinks:

Ingersoll.	L. R. Club.
C. M. McKay,	J. M. Farrow,
O. E. Robinson,	Wm. Turnbull,
W. R. Veale,	Wm. Hynds,
C. H. Sumner,	J. F. McDonald,

BUYS LIKELY COLT FOR GRAND CIRCUIT

Chris Fitzgerald Purchases From Henry Horn for U. S. Senator.

BETTER THAN STEPHEN

Racing in States in Fine Condition Despite the War, Says Horseman.

Chris. Fitzgerald, New York, who is spending a few days with his father, Dr. Fitzgerald, this city, yesterday afternoon purchased Henry Horn's trotting colt for Senator James McNicol of Philadelphia. The horse will be shipped at once to the States.

This colt has been watched by experts for some months. R. T. Lasbury, the patron of Walter Cox, was up in London during the summer and looked him over, and made an offer. However, Mr. Horn would not accept it. Mr. Fitzgerald soon made a deal for him, and has arranged to ship him. It is probable that he will be trained for the grand circuit.

The colt is sired by a son of Belsire, who got Stephen, 2:10¼. His dam is Wilhemina, 2:11¼, a race mare of courage. The sire of the Horn horse was bred by Chris. Fitzgerald, and there is much sentiment behind the purchase of the colt.

"He will be a 2:05 trotter some day, mark my words," said Mr. Fitzgerald. "I think he is a bettter horse than Stephen, and that is saying a great deal, as Stephen is a fast race horse, and game."

Mr. Fitzgerald will spend the winter in Cuba, where he will be presiding steward at the Havana race track. The meet will last several months.

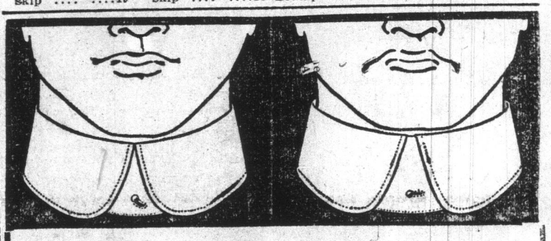

"Racing in the States is in a healthy condition," said Mr. Fitzgerald. "It has had a most successful year, the quality of horses being exceptionally good, and the number very large. There is a revival of sentiment. In the last analysis the people like racing in spite of some of the abuses, and it will remain."

Mr. Fitzgerald is easily one of the outstanding men in the game, and his record as a sportsman and a man cannot be equalled in North America.

He looked over John V. Flanagan's string of jumpers at Queen's Park and was greatly impressed with them. He was particularly enthusiastic over Peter Gordon, the colt purchased by Mr. Flanagan from Jas. McArthur, Atlas Craig. This lad was a big winner at the Western Fair.

G. R. HARGRAFT ELECTED.

Toronto, Oct. 16.—The election by acclamation of G. R. Hargraft of the Granite Club of Toronto to presidency, the changing of a number of groupings, and the general routine business occupied the attention of the delegates and officers at the annual meeting of the Ontario Curling Association this morning at the Granite Club. Mr. Hargraft, who has long been identified with curling and who has taken an active interest in the provincial body for a number of years, succeeds Thomas Thauburn of Brampton as head of the O. C. A.

One shows "gap" Other fits close

You know, by experience, that the ordinary collar soon spreads and shows an unsightly "gap" at the top.

On the other hand, a W. G. & R. collar retains its close fit for the following reasons:—

1st—Because the inside buttonhole (see 1 in illustration) is a fraction of an inch higher than the outside buttonhole. This makes the collar button act as a lever and exert a steady upward pressure on the hook end (see 3) making a tight lock at the top of the collar.

2nd—Because it has our "Slip On" buttonhole (see 2) on the outside tab. Thus, when buttoning the outside tab, the collar slides easily into place, the post of the collar button coming to the top of the "Slip On" buttonhole, making it impossible for the collar to spread. It must stay close at the top.

These exclusive features of W. G. & R. collars are sure to be appreciated by you and other particular dressers.

CHATHAM, Oct. 16.—The Ontario Hydro-Electric Power Commission will be asked to look into a proposition between the utilities commission and the Chatham Gas Company for the purchase of the electrical business of the latter company by the city.

NERVES OF THE STOMACH

Were Weak and Inactive as Result of Nervous Prostration—Lost Twenty Pounds—Had to Take Sleeping Powders to Get Any Rest.

ST. CATHARINES, Ont., Sept. 13.—Many people never realize that the movement and action of every organ of the human body is dependent on the energy supplied by the nervous system.

When the nervous system gets run down there is weakness throughout the entire body. You feel tired and languid, and your stomach and other digestive organs are similarly affected. Appetite fails, digestion is poor, you do not get the good of what you eat, and gradually grow weaker and weaker.

This process can only be stopped by such treatment as Dr. Chase's Nerve Food, which goes directly to create new nerve force and thereby to invigorate the whole human body.

Mrs. George E. Ellse, 46 Davidson street, St. Catharines, Ont., writes: "My husband had an attack of nervous prostration, and, although he doctored for some time and tried different other medicines, he could not get relief. He had to resort to sleeping powders given him by the doctor to make him sleep. The greater part of the trouble seemed to be with the nerves of his stomach. He began to lose weight and kept on going down until he had lost twenty pounds. We had read advertisements in the newspapers for Dr. Chase's Nerve Food, and noticed that it seemed to be doing a lot of good for people troubled with nervousness, so my husband decided to try it. He found benefit almost from the start, and continued this treatment until he had taken about twelve or thirteen boxes. The results were most satisfactory. He is now enjoying good health, sleeps well, and has gained back nearly all the weight he had lost. He also uses Dr. Chase's Kidney-Liver Pills occasionally, and thinks them an excellent remedy. I have also used this latter medicine for dizzy spells and liver trouble, and was completely cured of these complaints. We think a great deal of Dr. Chase's medicines and cannot speak too highly of them."

Dr. Chase's Nerve Food, 50 cents a box, a full treatment of six boxes for $2.75, at all dealers, or Edmanson, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.—Advt.

A CHILD DOESN'T LAUGH AND PLAY IF CONSTIPATED

Look, Mother! Is Tongue Coated, Breath Feverish and Stomach Sour?

"California Syrup of Figs" can't harm tender stomach, liver, bowels.

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat, or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation, poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is ofttimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups Ask your druggist for a bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."

Men in Training

Fighting isn't the only duty of a soldier, and exposure to bullets is not as serious as exposure to all kinds of weather and dampness.

Rheumatic aches, sore and stiff muscles, strains and sprains, chilblains and neuralgia, all are enemies of the soldier, and the relief for these pains and aches is Sloan's Liniment. Clean and convenient to carry or use; does not stain, and penetrates without rubbing.

Generous sized bottles, at all druggists, 25c., 50c., $1.00.

Sloan's Liniment KILLS PAIN

KORNILOFF PLOTTERS ATTACKED BY MOBS WHEN UNDER ARREST

Riss Revolt Generals Narrowly Escape Lynch Law.

TWO OF THEM INJURED

Crowd Opened Fire On Train As It Left the Station.

Petrograd, Oct. 17.—The generals arrested for participation in the Korniloff uprising on their departure from Berditchev, Province of Kiev, on October 10, were compelled to walk three miles to the railroad station, while they were jeered, pelted with missiles and threatened by a mob of several thousand persons. The officers barely escaped alive through the strategy of a member of the cadet guard, who started the train out of the station as it was being fired upon by the mob, according to reports that have just arrived here.

Attacked By Mobs.

The prisoners were brought from the guardhouse at 8 o'clock in the evening, to where motor cars, surrounded by a hostile crowd, were waiting. The thirty-six cadets who formed the guard had difficulty in standing off the mob which demanded that the generals be surrendered to them for summary punishment. The mob refused to permit the prisoners to ride in the automobiles and insisted that they walk the longest possible route to the station through the principal streets. The mob followed, throwing sticks and stones. The procession was stopped at each street lamp to prolong the baiting, while the mob shouted "Kill them!" "Kill the traitors!"

Two Generals Injured.

Gen. Aroff was struck in the eye by a missile, while Gen. Vanoufsky's spine was injured seriously. When the prisoners arrived at the station, the mob demanded that they be put in a convict car instead of the coaches prepared for them.

The guard compromised on the baggage car, but the mob still refused to permit the train to depart. The situation became menacing, and then the mob opened fire on the train, one of the cadet guard ordered the engineer to pull out as quickly as possible.

DUTTON COUNCIL WILL GIVE $1,000 FOR RED CROSS

Amount Will Be Largely Increased by Voluntary Subscriptions.

DUTTON, Oct. 16.—A meeting, which combined a welcome for Pte. S. McFarlane of Tyrconnell and an appeal for Red Cross funds, was held in the town hall last evening, and was very largely attended.

In the afternoon a procession of flag-bedecked autos met Pte. McFarlane at Tyrconnell and escorted him to the home of Wm. Patton. There he was forced to march between two lines of little girls, singing "We'll Never Let the Old Flag Fall."

In the evening the procession headed by Pipe Major James Bruce, brought him to the hall, where he was greeted by the Dutton brass band and a large assembly.

The welcome proper was given him in the hall. J. D. Blue was in the chair.

Rev. R. S. Stewart read the address of welcome. In replying, Pte. McFarlane said that it was just such treatment to the returned heroes which kept the boys at it. Their morale was kept up by the splendid backing they received from those at home.

He also mentioned that at the time when he was wounded at the Somme in October, the Canadians were opposed by the marines, who thought they were up against something soft. He was sincerely sorry that all the boys were not back so that the Soldiers' Aid Commission could have one grand welcome and get the job over with.

Referring to the political crisis, he said he was pleased to see that the best men of both parties had come together to win the war. He also said that conscription was the only way by which the men could be gotten to fill the gaps.

In closing, he said that he was pleased to say that his son, Archie, who went overseas with him, was still going strong.

Wm. Hollingshead rendered several songs most acceptably.

Rev. Kennedy spoke briefly on the causes of all wars, and hoped that the British would show their justice to a defeated foe, as they had done in former years, and that the hate against Germans would be done away with.

Lieut. S. C. Kirkland, another returned man, who expects to leave for England within two weeks, spoke on conscription and union government.

At this point J. D. Blue vacated the chair for Reeve McCallum, who explained that the council had decided to leave it with the ratepayers as to how much they should give the Red Cross and how it should be raised.

After some little discussion by the ratepayers, all of whom were in favor of raising the amount by taxation, the council was asked to make a grant of $1,000. This will be increased by voluntary subscriptions.

RUSHING NEW HOIST.

ERIEAU, Oct. 16.—Work on the huge new coal hoist being erected here is proceeding rapidly, and it is expected that it will be in use early in November. The new equipment will have a much larger capacity than the old hoist, which was wrecked in a wind storm some weeks ago.

DISTRICT IS READY FOR BIG CAMPAIGN TO AID RED CROSS

Enthusiastic Preparations Are Made for the Canvass on Trafalgar Day.

WOODSTOCK, Oct 16.—The Woodstock Five Thousand Club was organized tonight at a mass meeting held in the city hall. Its purpose is to consolidate all voluntary giving to Red Cross and patriotic funds, with the exception of the patriotic fund, which is raised by direct taxation, doing away with all individual canvasses for patriotic purposes by any separate organizations to which contributions are made by the newly-formed club.

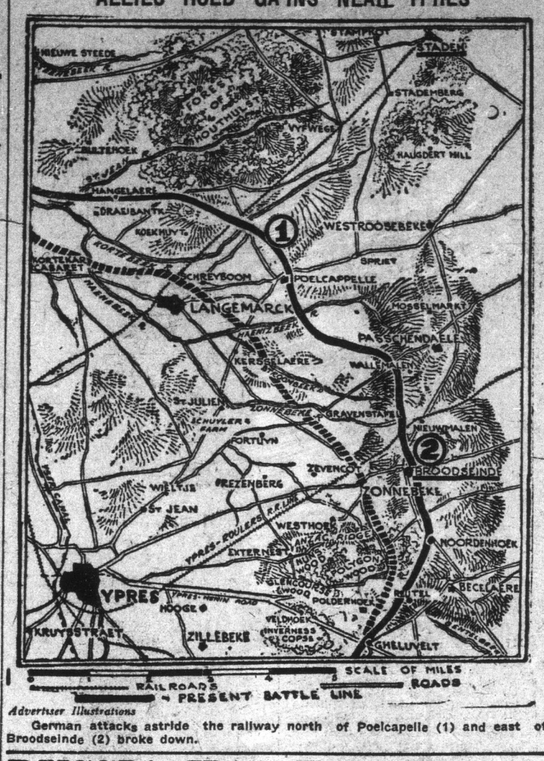

The basis of membership is $1 a month. The executive committee was authorized to formulate some grouping system by which two or more contributors can be grouped in one membership.

An executive was elected, consisting of the officers, comprising a president, vice-president, secretary and treasurer, and sixteen other members, six of whom were later nominated by the various women's patriotic associations in the city. A systematic canvass for membership will be commenced immediately.

COUNCIL GIVES $3,000.

CHATHAM, Oct. 16.—Chatham City Council has started the local campaign for funds for the British Red Cross by a grant of $3,000. The Canadian Club will co-operate with the Ladies' Red Cross Society in soliciting public subscription in the city. At a meeting held tonight the campaign was properly organized.

RUSSIA HAS FINEST NEW WAR FACTORIES IN WORLD, IS REPORT

Russian and English Generals Make Optimistic Statements on Return From Inspection Tour in the Interior.

STOCKHOLM, Oct. 16.—An encouraging report as to the military factories in the interior of Russia comes from the commission headed by Gen. Germonious of the Russian army, and an English general, which has just finished a tour of inspection of all the factories newly erected or under erection for the manufacture of airplanes, arms and munitions.

The Associated Press correspondent talked at the Russian legation here with a man who had participated in this tour of inspection, and who accompanied the two generals to Stockholm. He reports that Russia's new factories, the erection of which became necessary through the diminution of supplies from other countries, were found to be the most modernly equipped and efficient factories of their kind in the world. The experiences of the Allies, according to his account, had been drawn on to full measure.

The new plants include a great airplane factory now nearing completion, a large machine gun factory already working to full capacity, and artillery factories at various places. A further encouraging feature noted by the visitor was that at all the factories where the electrical and mechanical side predominates over purely manual labor, the capacity and output have diminished only negligibly, despite the anarchistic conditions prevailing throughout the country.

Need of Locomotives.

There is great need of more locomotives. The capacity of the port of Murman has been greatly increased, and the present capacity will have been increased again by 30 per cent by the beginning of winter. The partial demobilization, which recently was ordered, is confidently expected immediately to have beneficial results. Not only will the demobilization bring an army of laborers back to the land, but it will at the very outset make available a million horseshoes now required by the troops at the front. This aspect of the situation is of more importance than might appear since the shortage of horseshoes has seriously handicapped the Russian farmers.

YOUNG DESPERADO SENT FOR TRIAL ON THREE CHARGES

Joseph Harris Held for Jail-Breaking, Assault and Theft.

BRANTFORD, Oct. 16.—Joseph Harris, alias William Snow, jail-breaker, horsethief and one of the worst desperadoes ever lodged in the Brantford Jail, was today committed for trial on three charges by the police magistrate. With his brother, Robert Snow, one year ago, while awaiting trial in the county jail, they assaulted the governor of the jail and turnkey, and made good their escape. A few days ago he was captured in Toronto, and brought back yesterday. Today he answered charges of jail-breaking, assault and theft. Harris has spent six years and nine months of the past fifteen years in jail, and has a bad record. His brother, who was a short time ago captured in Montreal, also has a bad record.

Slowing Down.

There was a slowing down in the number of men who turned up for examination at the hands of the medical board yesterday. Only 60 applicants turned up. The result of the examination was as follows: Class A, 30; class B, 5; class C, 14; class E, 10, and one held for further examination.

Another promotion has come to Staff Capt. Frederick Miller, K.C., of this city. He is at present assistant quartermaster-general of the 5th Canadian Division, and left Brantford with the first Canadian contingent as a subaltern. Today word came that he had been made quartermaster-general and assistant adjutant of the 5th Canadian Division with the rank of lieutenant-colonel.

Rose Rapidly.

The rise of Lieut.-Col. Miller, as he now is, has been one of the most rapid amongst Canadian officers. He left here as a junior lieutenant with the first contingent of the Dufferin Rifles recruits, which were attached to the 4th Battalion at Valcartier. In France, on the field of battle, he won the Military Cross, mention in dispatches and promotion to staff captain. After two years at the front he was sent back to England, and appointed assistant quartermaster-general. Now his worth has again been recognized.

In Brantford there is no rush of men who come in the first class under the military service act to file their names at the postoffice, either reporting for service or to claim exemption. Yesterday only 40 applied, and of this number 39 asked for exemption forms. Numerous are the reasons advanced as to why they should receive exemption, and it is stated that some of the applicants have a great deal of trouble finding reasons, and that some advanced are of a lame nature. Today 35 men appeared at the postoffice, and none reported for service, the whole lot wanting exemption.

OPEN BOATS SHELLED BY HUN SUBMARINE; AMERICANS KILLED

Germans Continue Frightfulness In Sinking of Merchantmen.

London, Oct. 17.—James Tringor of Roanoke, Virginia, according to a dispatch to the Daily Chronicle, from a British port, was killed by shrapnel fired by a German submarine upon the open boats of a torpedoed British steamer on which the American was employed. Another member of the crew in Tringor's boat, a fireman, was wounded by a shell from the submarine and died as he was being placed aboard a rescuing ship. There were twelve Americans among the 49 survivors landed at a British port.

Byron Wood, one of the American survivors, said that eight survivors had been taken to a hospital suffering from serious wounds. "We were attacked at 6 o'clock Sunday morning by two German submarines," said Wood.

"We tried to escape by zigzagging, but it was no use. They got our range and soon shells were bursting all over the deck. We succeeded in launching two boats on the starboard side, those on the port side having been shot away. When the nearest submarine was only a quarter of a mile away she sent six shrapnel shells at us, only one of which took effect. The approach of the rescue ship caused the submarines to dive."

Consular dispatches received by the state department Tuesday reported that two men were killed and seven others wounded when small boats from a British steamer were shelled by one of two U-boats which had attacked it.

FILM OPERATOR KILLED IN A TORONTO CHURCH

Toronto, Oct. 16.—While connecting parts of a motion-picture machine with the electricity turned on, John Stalker was instantly killed in a church tonight. Stalker had shown part of the pictures when the machine went amiss and he forgot to turn off the electric current before endeavoring to fix it. He collapsed on the floor, and death was instantaneous.

Stalker's wife and family were in the church at the time.

BUFFALO PRIMARIES.

Buffalo, N. Y., Oct. 17.—The second municipal primary under the commission charter was held here yesterday and resulted in the renomination of Mayor Louis F. Fuhrmann, a Democrat, and George S. Buck, a Republican, out of a field of five, in the race for the nomination for mayor at the November elections. The Socialist candidate, Franklin B. Brill, ran a close third to the successful nominees.

HYDROPLANE LOOPS.

New York, Oct. 17.—A record in aeronautics whereby a hydro-airplane "looped the loop" for the first time was claimed today by Lawrence Sperry and Thomas Dixon Jun., members of the naval reserve corps. The dangerous feat was performed a mile in the air above Mastic, Long Island.

The flying boat, steered by Sperry, was driven to a height of nearly 6,000 feet above the ocean. Then a quick shift caused the machine to turn over, and it skimmed through the air for nearly a quarter of a mile, bottomside up. After ten seconds, the machine was righted, and Sperry volplaned easily to the water.

PTE. WALTER BOULDING.

ST. THOMAS, Oct. 16.—Mrs. E. J. Boulding, 41 Fifth avenue, was today notified by the war office that her husband, Pte. Walter Boulding, recently reported wounded, had been officially reported as died of wounds on October 8.

Pte. Boulding was employed at Spencer's bakery and enlisted with the 70th Battalion, and after going overseas returned to Canada and joined the Canadian Engineers. Pte. Boulding was about 50 years of age.

GERMANY WILL FIND A COLD, CRUEL WORLD AFTER WAR IS OVER

NEW YORK, Oct. 16.—"What a different world of trade this will be after the war was pictured to the Southern Commercial Congress here tonight by Secretary Redfield in an address telling of the cutting of the threads of Germany's foreign commerce by her own act, and of the awakening of America and her allies to the danger of having their industries dependent upon foreign and possibly upon unfriendly sources of supply.

"When peace shall come and her merchants take up the task of restoring Germany's ruined commerce they will find that it is a strange world which they seek to re-enter," said the secretary. "There will be difficulties in the path of future peaceful penetration of which they did not dream.

SARNIA WRECKERS TO FLOAT BIG STEAMER SUNK AT MANITOULIN

Reid Company to Raise the George A. Graham.

HAMONIC IS IN DRYDOCK

Lost Propeller Blade While on Her Way to Windsor.

SARNIA, Oct. 16.—The Reid Wrecking Company has been awarded the contract for floating the steamer Geo. A. Graham, wrecked at Manitoulin Island, in Georgian Bay. The wreckers are to deliver the boat and cargo of wheat in port for a lump sum or on a percentage basis, on the "no cure no pay" plan. The tug Sarnia City is now at work on the job.

The steamer Hall and barges Brainard and Fryant Crewe have unloaded 1,500,000 feet of lumber for the Laidlaw Lumber Company, and will return to Georgian Bay for another cargo for the same company.

With the entrance into service of the new steamer Regonolite, which arrived in this city on its maiden trip on Sunday, the steamer Sarnolite, which was at this port today, will enter coastal service for the Imperial Oil Company.

In Winter Quarters.

The steamers Waubic, Rochester and Noronic have been placed in their winter berths in Sarnia Bay, and according to previous announcements made by the Northern Navigation Company, the Hamonic and Huronic will also winter here upon the completion of the season.

The Hamonic is now in drydock at Detroit for repairs to the propeller, a blade of which was broken off by contact with some obstruction, while the steamer was en route to Windsor for freight.

GETS FULL AWARD.

SARNIA, Oct. 16.—Judge D. F. MacWatt has announced his judgment in the case of Gildersleeve and Chown, which was tried at the September sittings of the county court. The plaintiff has been awarded the full amount of the claim, $800 and costs. This amount was claimed as commission for arranging the sale of a half-interest in the steamer S. C. Hall and barge Brainard to the Laidlaw Lumber Company, which was owned by George Y. Chown of Kingston.

MILK PRICES JUMP.

SARNIA, Oct. 16.—Despite the fact that the report of the Government commission appointed to investigate the milk situation has not been announced, local consumers are now being charged 10 cents per quart, a jump of 2 cents over the previous price. Vendors state that this increase is made necessary by reason of the higher price charged by the wholesale dealers for their product. As has been previously announced in The Advertiser, the Sarnia Creamery Company has not as yet advanced the price of milk, but other vendors are now charging 10 cents per quart. The outcome of the commission findings is being eagerly awaited in hopes that a decrease will be ordered.

NO FAMINE IN COAL.

SARNIA, Oct. 16.—Despite dire predictions that this city would be facing a coal famine in the near future, local dealers do not anticipate any such crisis, and strike an optimistic note when discussing the situation and the outlook for the future. One dealer reports that until October 1 of this year he had sold and delivered to the consumers fully 23 per cent more hard coal than for the corresponding months of last year.

At the present time the bulk of the coal is being shipped to western points, and the supply coming into this portion of the country has been cut down so that it only equals the demand, is the opinion of the optimistic dealer. He points out that if the consumers will purchase only what is necessary for their immediate needs, a shortage can be averted, and at the present time no attempt should be made to lay in a winter's supply.

BIG LIBERAL RALLY.

SARNIA, Oct. 16.—The political pot still simmers slowly in this district, and shows no signs of boiling over. Unless previous arrangements are cancelled, a Liberal rally will be held here on Wednesday, October 24, which will be addressed by F. P. Pardee, M. P., and other speakers of note. The Liberal candidate for this riding, who is also chief whip of the party, is quietly preparing plans for the election, which is now forecasted for December, and after conferring with his co-workers on the 24th will be ready for the fight.

Although it has been rumored that R. E. LeSueur would enter the field as a third candidate, these rumors have been somewhat dispelled during the past week, and it is thought that A. J. Johnston, who will carry the Conservative banner, will be the only candidate in the field against Mr. Pardee. The latter has won a still greater following in this county by his straight out-and-out win-the-war policy, and his activities in all lines of war work.

WILL CLEAN UP.

SARNIA, Oct. 16.—Chief Joseph Breakey, of the local fire department, will commence next week a clean-up campaign in the rear of the local business places, and will request all merchants to remove any material which would constitute a fire menace. During the past few months the city has been particularly free from any disastrous fires, and it is with the object of maintaining this record that the chief will conduct this campaign. All wood crating, waste paper and other inflammable material will be ordered removed from the rear of business places.

ORANGEMEN'S SERVICE.

SARNIA, Oct. 16.—The annual Fifth of November service of the Orangemen of Sarnia and vicinity will be held in St. John's Church on Sunday morning, November 4, and will be conducted by Rev. E. G. Newton. The arrangements have been left to committees of the L. O. L. No. 1230, Sarnia, and 1910, Point Edward, and other lodges in the vicinity. Port Huron lodges, the Royal Black Knights, Orange Young Britons and the ladies of the L. O. B. A. will also be invited to attend.

SENT TO JAIL.

SARNIA, Oct. 16.—In answer to a charge of intoxication in the police court today, William Clay, colored, stated that he did not know the taste of alcohol, despite the fact that he was arrested in a badly intoxicated condition on Monday evening. "You are fined $25 and costs $6," said the magistrate, "or in default of payment two months in jail." "I haven't got a penny in the world," said Clay, "so I guess I'll 'go up.'"

NEW YORK'S PULPITS WILL BE PLACARDED FOR LIBERTY LOAN

Gotham District's Purchases Are Over $372,000,000.

NEW YORK, Oct. 16.—One $20,000,000 subscription, and others of small amounts, brought Second Liberty Loan purchases up to $372,007,000, in the New York Federal Reserve District today. The overnight gain in this district was about $43,000,000.

Bond posters will be pasted on church pulpits and in the vestibules next Sunday, when the bells in each edifice will ring for five minutes at noon. Pastors and Sunday school teachers will urge the buying of bonds. This campaigning will be conducted with the co-operation of the highest officials of Catholic and Protestant bodies, college presidents, missionary secretaries and church laymen. The Jews will observe Saturday in this manner.

John D. Rockefeller issued a statement today advising the purchase of bonds as the best investment.

VIOLENT ARTILLERY FIGHTING RESUMED ON THE BAINSIZZA

Scene of Italians' Recent Offensive Is Enlivened.

ROME, Oct. 16.—Violent artillery fighting has been resumed on the Bainsizza plateau, over which the Italians conducted their recent offensive operations, the war office reports.

"In the Trentino there was moderate activity," says the statement. "North of Lenzumo enemy patrols were driven back in an encounter of advanced posts.

"On the Carso and Julian fronts from Paralba to Rombon, there was desultory artillery fighting.

"On the Bainsizza plateau intense artillery duels occurred along the front lines and on the lines of communication.

"On the Carso there was the usual destructive and harassing fire."

BRYAN IS THOROUGH AGITATOR FOR WAR SINCE WAR IS HERE

Pleads for Whole-Hearted Support in Men and Money.

NEW YORK, Oct. 16.—It is the paramount duty of every American to stand behind the president and Congress and support "anything and everything our Government does in this war," William Jennings Bryan told members of the New York Advertising Club today. He said he had come from the west to spend three days in New York to speak in behalf of woman suffrage, and at the request of Secretary McAdoo to "do some campaigning in the second Liberty loan flotation."

"The furnishing of money," said the Nebraskan, "is one of the most important ways of supporting the Government. Before we entered the war it was a matter of opinion and discussion, but it is no longer a matter of opinion. It is time for action now."

Mr. Bryan declared he would make no complaint against high taxes, "as long as there are men giving their lives for the country."

"I shall not put the dollar above the man, nor property above blood," he said.

MANY LAKE VESSELS TAKE COVER FROM GALE

DULUTH, Oct. 16.—Heavy winds that are prevailing in various parts of the Great Lakes today have caused unsettled conditions in all departments of shipping, and many boats are lying in shelter. At several places on Lake Superior today the wind is blowing at 48 miles an hour. If the wind subsides tonight more than 50 vessels will head for Duluth and other ports.

MRS. GREEN GAINS TWENTY POUNDS

Was Almost Nervous Wreck When She Began Taking Tanlac, She Says.

"I have actually gained twenty pounds by taking Tanlac, and my friends and neighbors seem amazed at the wonderful change in my condition," was the remarkable statement made by Mrs. William Green of 141 Hunter street, Hamilton, recently. Mrs. Green has lived in Hamilton and vicinity all her life, and has a wide circle of friends who rejoice with her over the return of her health.

"I had suffered from stomach trouble until I was almost a nervous wreck," continued Mrs. Green. "For two solid years I was unable to do one thing about the house and my stomach became so upset that I couldn't retain the medicines prescribed for me. For four months, about the only thing I could eat was milk and eggs. I was so weak I could hardly walk from one chair to another, and for months I don't suppose I slept more than two hours a night. I spent eleven months under two specialists, who finally said they could do me no good. My case seemed to be hopeless, an operation failed to help me, and I was told that nothing more could be done for me.

"Of course, I was discouraged, despondent and almost hopeless, and now it seems hard for me to believe myself what a wonderful change has come over me since I began taking Tanlac. If anyone could feel like a new person I do, and when I told one of the physicians who treated me what I was taking, he said it certainly had done me a lot of good and advised me to keep it up. I have a splendid appetite now, and nothing I eat gives me any trouble. My nerves are in good shape and I can sleep all night and on until 9 o'clock in the mornings. I can do almost everything there is to do about the house now, all my despondent feelings are gone, and everything seems so different. I am now on my fourth bottle of Tanlac and can heartily recommend it to everybody."

Tanlac is sold in London by Standard Drug, Limited, under the direction of a special representative, and by an established agency in every town.

PAPE'S DIAPEPSIN FOR INDIGESTION OR BAD STOMACH

Relieves sourness, gas, Heartburn, Dyspepsia, in five minutes.

Sour, gassy, upset stomach, indigestion, heartburn, dyspepsia; when the food you eat ferments into gases and upsets you; your head aches and you feel sick and miserable, that's when you realize the wonderful acid neutralizing power in Pape's Diapepsin. It makes all such stomach misery, due to acidity, vanish in five minutes.

If your stomach is in a continuous revolt—if you can't get it regulated, please, for your sake, try Pape's Diapepsin. It's so needless to have an acid stomach—make your next meal a favorite food meal, then take a little Diapepsin. There will not be any distress—eat without fear. It's because Pape's Diapepsin "really does" sweeten out-of-order stomachs that gives it its millions of sales annually.

Get a large fifty-cent case of Pape's Diapepsin from any drug store. It is the quickest, surest antacid and stomach relief known. It acts almost like magic—it is a scientific, harmless and pleasant stomach preparation which truly belongs in every home.

POLICE SEEKING PAIR FOR BRUTAL ASSAULT ON SOMBRA FARMERS

CHATHAM, Oct. 16.—The county police are scouring the country for two hold-up men, who late last night assaulted Charles and William Leitch of concession 1, Sombra, near Wallaceburg, and robbed them of $110 in cash.

The robbers called at the brothers' home about midnight and asked for assistance in pulling their automobile out of a hole in the road. One of the brothers hitched up a team and set out to haul their car, when he was attacked with a club by one of the men and rendered unconscious. The robbers then proceeded to the house and attacked the other brother, and after binding and gagging him, ransacked the house and made a getaway with the money.

SEVEN ARE GOING.

ST. THOMAS, Oct. 16.—L. C. Mallory, E. A. Lewis, E. G. Goodwin, W. M. Richman, W. G. Rupp, G. G. Grant and the Rev. O. C. Elliott have been appointed delegates to attend the 29th annual convention of the Baptist Church of Ontario and Quebec, to be held at Woodstock commencing next Wednesday.

METROPOLITAN SUIT MFG. CO.

232 DUNDAS STREET.

Special Features

There are certain features—special exclusive features not found in other Player-Pianos—that make the

Heintzman & Co. Player-Piano

"The Different Player-Piano."

a distinctive musical creation.

One of these special features is its patented Aluminum Player-Action. The great trouble with the ordinary wooden action player-piano is air leakage in the valves which swell and shrink according to weather and climatic conditions. Being cast from a solid piece of aluminum without joints or seams, this is impossible with this instrument. This feature ensures absolute

PERMANENCE OF TONE

and volume under any condition, and makes the player-piano practically "wear-proof" and "trouble-proof." A thorough examination and comparison is invited.

Heintzman Hall - 242 Dundas Street

DR. R. K. ANDERSON IS MILTON TORY CANDIDATE

MILTON, Oct. 16.—After a very keen contest, Dr. R. K. Anderson of Milton was chosen Conservative candidate for Halton County today. The final ballot gave him a majority over M. C. Smith of Burlington of nineteen votes, the total being 93 as against 74.

There were twelve nominees, who by the process of elimination, were singled down to a final choice between Dr. Anderson and Mr. Smith. For a short period those most notably in the running were John Irving, Milton; J. A. Willoughby, Georgetown, president of the Halton County Conservative Association; Mr. Smith and Dr. Anderson. Four ballots were necessary.

$8,000,000 WAGE BOOST BY AIRPLANE COMPANY

BUFFALO, Oct. 16.—Increases in wages which ultimately will amount to $8,000,000 a year, were announced by the Curtiss Aeroplane and Motor Corporation today. A 5 per cent advance, applicable to all employees, becomes effective at once. A premium system has been adopted, which will make it possible for skilled workmen to add as high as 20 per cent to their wages.

The company is about to occupy a new plant covering 30 acres, which has been built in 60 days.

THOS. McCORT WAS NATIVE OF KINCARDINE

DETROIT, Oct. 17.—Thomas H. McCort, formerly general agent of the Western Express Company, died here last night following an operation performed several weeks ago. He was born in Kincardine, Ont., 48 years ago, and came to Detroit when 22 years of age. He had been engaged in the express business 24 years. Andrew M. McCort, his only son, 19 years of age, is now serving with the U. S. Marine Corps somewhere in France.

SENTENCE SUSPENDED.

ST. THOMAS, Oct. 16.—Percy Booze, a Wabash railway engineer, appeared in the police court today to answer a charge of wife assault. The woman told the court that her husband wanted his relatives to live with them and that because she would not allow them to come to the house he refused to eat the food she cooked for him.

Mr. Booze, she swore, struck her on Saturday night and caused serious injury to her. She also claimed that he came home and tumbled into bed without washing himself and used his overalls for pyjamas.

The magistrate allowed the man to go on suspended sentence for one month.

French soldiers constructing a frame-work of keen-edged steel bars on which members of an attacking force would be impaled if they rushed.

MILITARY PASS NOW NEEDED TO GET OVER LINE

Immigration Authorities Demanding It, Pending Reports From Exemption Tribunals.

Owing to the fact that all men in Canada between the ages of 20 and 34 are soldiers absent on leave since Saturday last, the immigration authorities at certain points now demand a pass from the military authorities from every man of that class who wishes to leave the country.

Both immigration and military authorities in this city stated today that they had received no new instructions in the matter. Previous instructions issued to the immigration officials were that such men must get permission from the exemption tribunals, or if they were not available as at present, from the military authorities.

PARENTS' CONDITION SECURES LIBERTY FOR MAN WHO STOLE SHOES

Influences Magistrate to Impose Suspended Sentence.

A young man, whose name his clergyman, Rev. H. H. Bingham, has asked to be withheld from publication owing to sympathy for his parents, was allowed to go on suspended sentence when he appeared before Magistrate Graydon today for sentence on his plea of guilty to the theft of a pair of shoes some days ago.

"Your clergyman informs me that if I permit you to go on suspended sentence that you will endeavor to lead a different life," said the magistrate.

"I am informed that your mother is a helpless cripple and that your aged father is hardly able to work, and for their sake I am going to give you an opportunity. You will be bailed to appear here in one month, and I will be guided then by your conduct and record in the meantime, as to the sentence I will impose."

The crime to which he pleaded guilty was the stealing of a pair of shoes from a doorway, where they had been left by a delivery firm. The shoes were recovered.

NEED MORE KNITTERS FOR SOLDIERS' SOCKS

Red Cross Council Issues Appeal for Additional Workers.

At the semi-monthly meeting of the London Red Cross council this morning in Hyman Hall, the need was impressed in the report of the Canadian War Contingent Association of more knitters. The association has a supply of yarn on hand, ready to be given out, and if the boys in the trenches are to be supplied with socks for the cold weather, everyone who can knit must be very busy during the next month. Encouraging reports were presented by the various auxiliaries, showing the work up to the average again after the holiday season.

ARMY COAL PILES "OUT OF BOUNDS"

All Issues Must Come Through Official Channels, Say Orders.

The shortage of coal is making itself felt in many directions, and the latest evidence of the fact that it exists is contained in camp orders today where it is stated that the coal piles at Wolseley Barracks are "out of bounds" to all troops, and issues of coal must be made through the official channels.

Bring Unexpected Pleasure, Writes Miss Marian Beal.

Although the inhabitants of France are not suffering to any extent from a scarcity of food, certain items in the usual menu have been practically eliminated. A letter received by Arthur Beal of this city, from his sister, Miss Marian Beal, who went overseas as a nurse in the John Hopkins Hospital Unit, recounts the pleasure experienced when the privilege of being allowed to eat two boiled eggs was given the rest of the hospital staff. It had been the first time for some months that this pleasure had been experienced, and it remained the subject of conversation for some days afterward.

Miss Beal also relates how she and another nurse were walking the streets of a French town, when they were accosted by a man in a semi-officer's uniform who opened conversation with them. After leaving the stranger Miss Beal discovered that she had been talking to Frederick Palmer, the famous war correspondent.

MAPLE LEAF BADGE ONLY IS AUTHORIZED

Camp Orders Draw Attention to Improper Use of Other Types.

The plain maple leaf is the only regimental badge authorized to be worn by the C. E. F. Infantry, and the "Canada" badge is the only correct thing for the shoulder straps, according to regulations published in camp orders today.

This order was published about three months ago, but owing to the fact that unauthorized badges are frequently worn, and attention is again called to the order.

The wearing by N.-C. O.'s of badges of rank, to which they are not entitled is also again referred to, and instructed to take immediate steps to see that their N.C. O.'s are previously dressed.

CANADIAN SOLDIERS HAVE DAILY JOURNAL WITH DOMINION NEWS

"Canadian Daily Record" Carries All Latest News From Home.

REACHES THE TRENCHES

Cable Sent Every Twenty-Four Hours and Printed in London.

Ottawa, Oct. 17.—Although the large majority of Canadians are probably unaware of the fact, soldiers of the dominion overseas, even those in the trenches in France and Belgium, receive a daily paper filled with news from Canada. This little publication is published in London and goes by the name of The Canadian Daily Record. It is the latest development of the Canadian military authorities in Canada and overseas to meet the demand of the dominion's soldiers for news of their own country.

First Plans Poor.

Ever since December, 1915, the military authorities here have been trying to furnish the boys at the front with news. At first news cable dispatches were sent from Canada to London, where they were printed in intelligence summaries which formed part of the divisional orders. In October, 1916, the plan of printing news bulletins upon small slips of paper, which were sent forward to the front through the Canadian Postal Corps, was adopted. Both plans proved a poor way of handling the news

Daily Paper Now.

Finally, at the beginning of the present year, it was decided to publish an interesting daily newspaper under the auspices of the Canadian War Records Office, London, a Government department headed by Lord Beaverbrook. The newspaper started with a modest circulation among units in France and Belgium and camps and hospitals in Great Britain, and was received with enthusiasm and a demand for more copies.

A Daily Cable.

Owing to the appreciation expressed by officers and men, and at the suggestion of Sir George Perley, Sir Edward Kemp, in September, decided to extend the news service from Canada, and for this purpose to establish a news bureau in Ottawa to supply the mat for the Canadian Daily Record. Capt. William Wallace, M. C., formerly of the Toronto Star, who had been wounded and invalided to Canada, was placed in charge.

The Canadian Daily Record now consists of four pages, magazine size, and each issue contains the happenings of the past 24 hours in Canada. The news furnished from Ottawa by cable nightly and through the medium of press clippings and special articles forwarded by mail. The Canadian Press, Limited gives access to its news service free of charge. Thanks to the co-operation of the Canadian Army Postal Service, the paper reaches the majority of the units in France on the day of publication, containing news dispatched on the previous day. It is hoped to so extend the circulation that every individual member of the Canadian Expeditionary Force can count on seeing the paper daily.

In a recent letter, Lord Beaverbrook, the head of the war records office, informed Sir Edward Kemp that the Canadian Daily Record has now attracted the attention of the imperial authorities to such an extent that they might undertake the publication of a small journal along similar lines.

CHICAGO IS FACING SERIOUS SITUATION OVER COAL STRIKE

Business Paralyzed Unless Supply Received Within Ten Days.

Chicago, Oct. 17.—Unless the coal strike is settled within ten days, business in Chicago will be paralyzed, according to a statement made today by Fred W. Upham, president of the largest coal company in the city. "There is less than ten days' supply in the city, and no coal is coming in," said Mr. Upham.

"The situation is the most serious," he continued. "There is no coal for the city except that which was started from the mines before the men went on this unauthorized strike. Unless the miners resume work, neither office buildings nor homes will have fuel.

Financial, Market and Commercial Section

EGGS GO UP IN PRICE ON MARKET

Butter Advance Also Recorded Locally Today.

Twenty-four loads of hay appeared on the square Tuesday and were readily grabbed up, consequently the demand for hay this morning fell off to a large extent.

With the exception of fodder, the offerings were particularly small today, and few changes in values were recorded. Peaches were offered in the smallest quantities yet seen, only one dealer adjacent to the market square having a supply. The price of peaches ascended greatly as a result of the poor supply, the fruit selling at 90c to $1 a basket. This represents an advance of 35c over Tuesday's figures. A larger supply of peaches is expected shortly, and the price may regain its low range.

Plums were not offered, the seasonable life of this fruit being practically over.

Grapes appeared in profusion at 30c to 40c per basket, and sold in good demand during the morning. The quality of grapes this season has been one of the poorest seen in the district for some years. A poor flavor characterizes all varieties, and it is virtually impossible to obtain a basket of grapes possessing the good flavor of previous seasonable offerings.

Apples are scarce, and what is offered is of a particularly poor quality.

Citrons continue to be a popular preserving fruit with local housewives. Citrons will continue to be offered on the market for some weeks, and the demand is expected to be as good as formerly.

Eggs advanced when all retail lots sold at 47c to 48c.

Butter also recorded an advanced price when retail creamery lots sold at 48c to 49c. Butter wholesaled at 44c, and some lots retailed at 50c, but this price does not represent the general quotations.

Potatoes remain unchanged at $1.25 to $1.30 a bushel. The supply is not of the best, but no advance for the immediate future is anticipated.

Tomatoes are selling at unchanged rates. The color of tomatoes of all kinds is very good this season, but it is reported that those ripened in cellars and in places where the sun does not cover them are full of water. The flavor is not good, therefore, and it is difficult to discover whether the quality is of the best because of the color.

Oats are bringing prices quoted Tuesday. No change for a lower range of values will take place because of the extraordinary high price for shorts.

LIVE STOCK.

East Buffalo, N.Y., Oct. 17.—Cattle—Receipts, 600; slow.

Veals—Receipts, 300; market slow, at $7@15 50.

Hogs—Receipts, 1,600 head; steady to 10c lower; heavy, $18 10@18 25; mixed, $18@18 10; yorkers, $17 90@18 10; light yorkers, $17@17 25; pigs, $16 75@17; roughs, $16 75@17; stags, $15@16.

Sheep and Lambs—Receipts, 3,600; slow and unchanged.

Toronto, Oct. 17.—The cattle trade at the Union stockyards was moderate this morning. Lambs and hogs steady, calves slow. Receipts—Cattle, 1,310; calves, 106; hogs, 2,499; sheep and lambs, 1,867. Quotations:

Cattle—Exporters, choice, per cwt, $11 25@12 25; butchers, choice, $10@10 50; do, medium, $9 25@9 75; do, common, $8 75@9; do, cows, choice, $8 25@8 75; do, medium, $7@7 40; do, canners, $6 40@6 75; do, bulls, $6 25@8 75; feeding steers, $8 50@9 25; stockers, choice, $7 85@8 50; do, light, $7@7 40; milkers, choice, each, $75@125; springers, each, $75@125; calves, $6 50@15 50.

Sheep—Ewes, cwt, $11@13; bucks and culls, $9@10 50; lambs, $16@16 50.

Hogs—Fed and watered, per cwt, $18 25@18 35.

Chicago, Oct. 17.—Cattle—Receipts, 26,000; beeves, $7@17 40; westerns, $6 20@14; stockers and feeders, $6 20@11 50; cows and heifers, $5@12 15; calves, $9 50@16 25.

Hogs—Receipts, 27,000; market slow; light, $16 15@18; mixed, $16 50@18 15; heavy, $16 45@18 15; rough, $16 45@16 65; pigs, $11 75@15 10; bulk of sales at $16 85@17 95.

Sheep—Receipts, 24,000; market firm; lambs, native, $13@18 25; wethers, $9 10@13.

Montreal, Oct. 17.—The offerings at the Canadian Pacific stockyards this morning were 500 cattle, 600 sheep and lambs, 750 hogs and 200 calves.

There was a sustained demand for all varieties of cattle, especially in cheaper grades, as well as in small meats, and prices were steady under the good buying. The market was cleaned up. Hogs were the only line in which there was a noted change. There seems to be a demand equal to absorbing all that can be offered. Sheep and lambs were in increased demand. Quotations:

Choice steers, $9 75@10 25; good, $8@9; choice butcher cows, $6@8 25; choice butcher bulls, $6@8; canning cattle, $5@6.

Sheep, $8@9 50; lambs, $13 50@14.

Calves—Grass-fed, $6 50@8; milk-fed, $12@14.

Choice select hogs, off cars, $18; sows, $16@16 50.

GRAIN.

Chicago, Oct. 17.—Opening: Corn—December, $1 14¼@1 14; May, $1 10@1 09¾.

Oats—December, 58⅛@58c; May, 59⅞@59¾c.

Chicago, Oct. 17.—Notwithstanding that stormy weather led to a little firmness in the corn market today, the effect soon disappeared. Buying was largely confined to shorts, and as most of their wants had been supplied yesterday, a downward movement of prices began. Selling, however, was not aggressive, and seemed to come mostly from pit traders.

Opening quotations, which ranged from ½c off to ¼c advance, with December at $1 14@1 14¼, and May at $1 09¾@1 10, were followed by a moderate general setback.

Winnipeg, Oct. 17.—Oats opened ¼c to ½c higher for December and May, with October unchanged at 65⅝c; December opened at 63⅜@63¾c, and May at 66⅝c.

November flax opened ½c higher at $2 84; December 1½c higher at $2 77½.

Inspections totaled 1,201 cars, of which 963 were contract.

The snowstorm has been general over the three Western Provinces, the fall being much heavier in Alberta and Saskatchewan. Temperatures ranged from from 28 to 48.

Linseed Oil—62s.

Cottonseed Oil—68s 6d.

War Kerosene—No. 2, 1s 2¾d.

WALL STREET.

New York, Oct. 17—Wall Street, 10:30 a.m.—Gains extending from large fractions to 2 points were made at the opening of today's stock market, the advance embracing issues of various classes. Industrials and equipments were responsive to moderate demand, and shippings also improved substantially. Rails hardened with United States Steel, and Distillers Securities led the specialties, soon rising 3 points. Fertilizers and utilities averaged gains of a point.

Noon.—The list lost ground all around before the end of the first hour, by which time the buying power seemed to have exhausted itself. United States Steel reacted from 103⅞ to 102¼, and related shares yielded 1 to 2 points. Motors and tobaccos also fell on renewed pressure, General Motors losing 5 points and Studebaker 2¾. Coppers, shippings, oils and gas issues receded 1 to 2½ points, and rails, notably Pacifics and coalers, about as much. Thereafter the market drifted idly, a heavy tone prevailing at noon.

1:30 p.m.—Liquidation began anew in the afternoon, coppers showing the greatest weakness, with Utah at an extreme decline of 5 points. Petroleums lost 4 to 5, standard rails 1 to 2½, and United States Steel 2¼ points.

HEAVY CASH TRADE IN WINNIPEG WHEAT

Government Agents Take Big Share of Offerings.

Winnipeg, Oct. 16.—The Wheat Export Company was the only buyer on the market this morning for grades for which prices have been fixed. There was a heavy trade in cash wheat, a large amount going into the Government agents' hands. Cash oats were in fair demand for all grades, with prices practically unchanged in oats futures. There is a fair business in selling in Winnipeg and buying in Chicago owing to favorable spread, especially in December between the two markets. There was a light demand for cash barley, with no offerings, prices remaining firm but unchanged.

Cash prices closed firm, with little demand and offerings light.

Oats closed ⅛c down for October, ⅛c up for November and December, and ⅛c down for May. Barley was ½c higher for October, and 1c lower for November. Flax varied widely, being 1c to 4½c higher for earlier months, and up ½c for May.

Oats—October, 65½c to 65⅝c; November, 65¼c to 65⅜c; December, 63¼c to 63⅜c; May, 66⅜c to 66⅝c.

Barley—October closed $1.19½; November closed $1.17.

Flax—October, $2.89 to $2.89; November, $2.79 to $2.83½; December, $2.72 to $2.76; May, $2.79 to $2.81⅛.

Cash grain: Wheat—No. 1 northern, $2.21; No. 2 northern, $2.18; No. 3 northern, $2.15; No. 5, $1.95; No. 6, $1.86; feed, $1.80.

Oats—No. 2 C. W., 65⅝c; No. 3 C. W., 62⅝c; extra No. 1 feed, 62⅞c; No. 1 feed, 62½c; No. 2 feed, 61⅜c.

Barley—No. 3 C. W., $1.20; No. 4 C. W., $1.15; rejected and feed, $1.10.

Flax—No. 1 N. W. C., $2.89; No. 2 C. W., $2.86; No. 3 C. W., $2.75.

TORONTO.

Toronto, Oct. 16.—Grain quotations are as follows:

Wheat—Ontario, No. 2 winter, $2.11@2.13⅞, outside, according to location; Manitoba, No. 1 northern, $2.31½; No. 2 northern, $2.28½; No. 3 northern, $2.25½.

Oats—Canada western, No. 2, 65⅝c; No. 3 Canada western, 62⅝c, at lake ports for immediate shipment; Ontario, No. 2 white, 63@65c, outside; No. 3 white, 62@64c, outside.

Rye—No. 2, $1.72.

Barley—$1.18@1.20, outside for malting.

MONTREAL.

Montreal, Oct. 16.—The trade in grain today was quieter, but the tone of the market was steady. There was some demand for oats, and sales of 40,000 to 50,000 bushels were made for shipment from the west

Corn—American, No. 2 yellow, $2.15@2.20.

Oats—Canadian western, No. 2, 76@76½c; Canadian western, No. 3, 74½@75c; extra No. 1 feed, 74½@75c; No. 2 local white, 72c; No. 3 local white, 71c.

Barley—Malting, $1.30@1.31.

FLOUR

Toronto, Oct. 16.—Flour—Manitoba. Listed quotations at Toronto are: First patents, $11.50; second patents, $11; strong bakers, $10.60; Ontario, winter, 90 per cent patents, $9.55, seaboard.

Millfeed—Manitoba bran, $35 per ton; shorts, $42 per ton on track, Toronto.

Montreal, Oct. 16.—Flour was steady, with a good demand for spring wheat grades, and the market was fairly active. Demand for millfeed was good and offerings somewhat limited.

Flour—Manitoba spring wheat patents, firsts, $11.60; seconds, $11.10; strong bakers, $10.90; winter patents, choice, $11.25; straight rollers, $10.70@11; do., bags, $5.20@5.35.

Rolled Oats—Barrels, $8.30; do., bags, 90 lbs., $4.

Bran—$55.

Shorts—$40@42.

Middlings—$48@50.

Moulie—$55@60.

Montreal, Oct. 16.—Hay—No. 2, per ton, carlots, $12@12.50.

TORONTO STOCK EXCHANGE.

MONEY.

London, Oct. 17.—Bar silver, 43⅛d per ounce.

London, Oct. 17.—Money was in better supply, owing to maturing treasury bills. Discount rates were quiet.

Paris, Oct. 17.—Trading was quiet on the bourse today; 3 per cent rentes, 61 francs 50 centimes for cash; exchange on London, 27 francs 18 centimes.

G. T. R. EARNINGS.

Montreal, Oct. 17.—Grand Trunk Railway traffic earnings from October 8 to 14 were $1,312,505; last year, $1,300,000; increase, $12,410.

NOVA SCOTIA LIBS. STILL DISCUSSING CABINET SITUATION

No Decision Yet Reached as to Murray's Successor.

Halifax, N. S., Oct. 17.—Members of the Liberal party in Nova Scotia went into caucus again this morning on the question of Premier Murray's entrance to the federal union cabinet and the appointment of his successor as prime minister of Nova Scotia.

At the luncheon adjournment, it was announced that no decision had been reached.

CROSSED QUEBEC BRIDGE.

Quebec, Oct. 17.—A special train with a number of guests of the St. Lawrence Bridge Company crossed the newly-completed Quebec bridge from shore to shore between 11:30 and noon today. All went well.

Big Value in Shoes

Because we make MEN'S Fine Goodyear Welt shoes exclusively, we are able to do this ONE thing exceedingly well and at the same time save factory cost in the making. That is why you can buy a pair of

MONARCH SHOES

"TRADE MARK"

for about a dollar less than other high-grade Canadian shoes. We use No. 1 calf skins exclusively. We guarantee the style, quality and wear. Ask your dealer to show you Monarch Shoes.

BRANDON SHOE CO., LIMITED

DEALERS WELCOMING PROFIT LIMIT PUT ON ALL COAL SALES

Say That New Regulation Is Very Thing Wanted.

CANNOT EXCEED 50 CENTS

Distributor's Return Fixed at This Figure by New Order.

The dispatch from Toronto that the profits of the coal distributor will in future be limited to 50 cents a ton was received with satisfaction by the city coal dealers this morning.

"The very thing we wanted," a representative of Hunt Bros., Limited, said to The Advertiser when informed of the action of the fuel controller. "Our profits will be about the same as they have been during the last two years if we are permitted to realize a net profit of half a dollar a ton. The best part of the move is that it will show the people that our profits are not $1.50 a ton, as alleged by the coal bylaw agitators, but less than 50 cents a ton."

The regulation will be put into effect on November 15. It will not make any reduction in the price of coal, according to city dealers, but it will show that the dealers have not been making excess profits to the extent stated by the fathers of the coal bylaw.

The coal situation will improve greatly with the close of navigation, say dealers. There is every prospect that everyone will get plenty of coal during the winter, the local men declare.

The coal merchants have for fourteen months been required to make full reports to the fuel controller governing the number of sales, purchases and total profits. This requirement will be more strictly supervised with the inauguration of the limited profits' regulation.

BELIEVES MISTAKE MADE IN REPORTING CASUALTY

Mother of Soldier Listed as Killed Was Notified That He Had Been Gassed.

Although the official casualty list of Tuesday night listed Sapper E. C. Tupholme, 503931, as having been killed in action, his mother, Mrs. Minerva Tupholme of 47 Askin street, believes that a mistake has been made. Ottawa has been wired to for confirmation of the latest report.

On Sunday, Mrs Tupholme was officially advised that her son had been reported as "gassed" between the 26th and 29th. The official message said that he had been sent to a hospital in England. In view of this report she doubts the accuracy of the official list of Tuesday, which places him under the heading "Killed in Action."

COSMOS.

I met her where the cosmos blew
  In wistful wonder 'round her hair;
And she was laughing with the flowers
  And lingering here and there.

I watched her 'mong the wind-blown wings,
  And ere she ever looked at me,
I knew that cosmos were her flowers,
  So lovely in their frailty.

And then in startled wonder she
  Looked up at me with starry eyes,
And pledged a dear unfaltering love,
  Though all undreaming, maiden-wise.

And ever ere the autumn reigns,
  In gold and crimson everywhere,
I gather cosmos tenderly,
  To place them star-like in her hair!

MRS. JOHN McLEOD STRICKEN SUDDENLY

While preparing to retire about 11 o'clock last night, Mrs. Elizabeth McLeod, wife of John N. McLeod, of the firm of McLeod, Nolan & Co., died very suddenly from the bursting of a blood vessel. Mrs. McLeod was a daughter of the late John S. Dewar. Besides her husband, she is survived by the following brothers and sisters: Ed. A., of the D. H. Howden Company, this city; Miss Minnie, London; John, manager of the Merchants Bank at Guelph; Fred, manager of the Bell Telephone Company at Windsor; James of the Union Coal Company of Omaha; Mrs. Theodore Gradmann of Omaha; Mrs. George Victor of Omaha, and Mrs. A. Freeland of Winnipeg.

The Best Habit In The World

is the habit of health. The way to get it is to train your bowels, through the liver, to act naturally, at a fixed time, every day.

Take one pill regularly (more only if necessary) until you succeed. Then you can stop taking them, without trouble or annoyance.

This has been the good-health-rule for 50 years.

GREATEST SUFFERING IN HUN PRISON CAMPS FROM FOOD SCARCITY

Exchanged Prisoner Tells of His Experiences in Germany.

For once the pupils of the London Collegiate Institute were so engrossed with the business of the hour that they missed the 4 o'clock bell yesterday afternoon. They were listening with fascinated interest to the story of prison life in Germany as told by Lieut. Ivan Rossiter, who was exchanged early last winter as permanently incapacitated for active service, owing to the condition of his right hand.

Lieut. Rossiter, in the midst of a lecturing tour in the United States, ran over to London this week for a couple of days' visit in the home of his aunt, Mrs. W. A. Tanner, 428 St. George street. Hearing he was in the city, Principal G. F. Rogers asked him to go to the collegiate at 3:30 o'clock on Tuesday afternoon, to address the students. The students filled the two assembly halls to overflowing. They hung on wherever they could get a perch, and they also hung on to every word of the speaker as if their lives depended upon it.

Marked Contrast.

In the course of his address, Lieut. Rossiter told of the marked contrast between the humane treatment accorded the German prisoner in England and the treatment of an opposite nature which is the lot of the English or Canadian prisoner in Germany. However, he stated, a good deal depends upon the conduct of the prisoner. The man who resents being in Germany and shows it is likely to be treated accordingly. The one who accepts it as the fortunes of war, neither his own fault nor that of the prison officials, is likely to fare better. The greatest suffering, he stated, is from scarcity of food.

Going overseas with the 3rd C. M. R., he was taken prisoner in June, 1916. In five months in Germany he was shifted about from one prison camp to another, five in all, his idea being that this was done to keep the prisoners from becoming too familiar with their surroundings.

Native Londoner.

Lieut. Rossiter was born in this city, but when still a very young boy, removed with his parents to Medicine Hat, Alberta. On his way there last winter after being released from Germany, he paid his aunt, Mrs. Tanner, a visit in January. After reaching the West, he spoke on a number of occasions in Calgary, Edmonton and other places. The United States heard about him, and invited him to go there. After speaking in Chicago he had a number of engagements booked ahead. He will be kept busy lecturing in the United States now until about Christmas, when he expects to come here again for the holiday season.

A number who heard him yesterday spoke enthusiastically of his ability as a speaker. He is only 22 years of age.

RETURNED SOLDIER SEEKING PARENTS

Corp. W. Walters, a soldier who recently returned, is trying to locate his parents who moved to this city from Windsor, a few days ago. Corp. Walters went to Windsor yesterday to seek his parents, only to find that they had left for London. He traced them here through the G. T. R., which shipped their belongings. The company's vans did not deliver the furniture, and all efforts to find the draymen who handled it failed.

The returned soldier, in his dilemma, went to the police, who in turn suggested the press. Mr. and Mrs. Walters are requested to leave their address at the police station.

MIKADO.

The best and most popular melodies of the famous opera "Mikado" are assembled on Victrola Record 18191 on sale now at the Victrola Parlors of Ye Olde Firme of Heintzman & Co., Limited, 242 Dundas street. b

CHILDREN STARTED A SERIOUS BLAZE

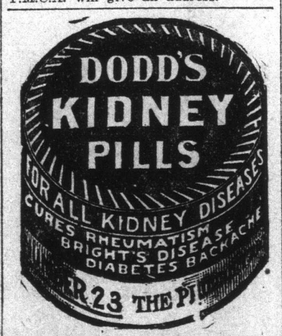

Children playing with matches in the pantry started a fire at 354 Wellington street yesterday afternoon, which partially gutted the rear of the apartment occupied by Mrs. Clare. The blaze destroyed pretty nearly everything in the kitchen and worked its way up into the roof. The building is owned by Dr. J. H. Tennent.

BELLS AND CYMBALS.

The bells, cymbals and other percussion effects on Victrola Record 35604 make the "Romany" fox trot exceptionally interesting. On the other side is a one-step, "Witmark Medley." On sale by Ye Olde Firme of Heintzman & Co., Limited, 242 Dundas street. b

MOTHERS' CLUB MET.

The open meeting of the season of Victoria Mothers' Club was held last evening and was largely attended. The program included an address by Sergt. Harry Edwards on "Burden Bearers," readings by Mrs. Sharon Kelly of Lambeth, piano selections by Miss Verna Dobbyn, and songs by Mr. Walker. The entire program was thoroughly enjoyed. Mrs. Fred Hessel, the vice-president, was in the chair. At the November meeting R. C. Davis of the Y.M.C.A. will give an address.

MUST BREAK HUNS' HOLD ON AUSTRIA TO INSURE PEACE

Bishop Fallon Declares That Pan-Germanism Must Be Stamped Out and Austria-Hungary Broken Up Into Its Component Parts.

That world peace, after a victorious conclusion of the present war, and frustration of further attempts to promote Pan-Germanism, will depend solely upon the destruction of German rule in Austria-Hungary, and the breaking up of that empire into its component parts, was the statement made by Bishop M. F. Fallon in an address at the opening meeting of the London Historical Society in the Normal School last evening.

"We have been accustomed to think of Austria-Hungary as a 'ramshackle empire'; then for the sake of peace let it fall into its component parts," he said.

Opening his address, he said he had been greatly interested in a recent book by a Frenchman, "The Pan-German Plot Unmasked," because it put on paper a thesis with which he had come in contact 25 years ago while a student in a place not far from Aix-la-Chapelle, where German students were numerous.

Looked for Fight.

Often he heard them assert that the day would come when Germany would start to conquer the world, and they recognized as the great obstacle, none of the European nations, but Great Britain, and were certain that the day must come when the German Empire and the British Empire would be in the throes of war.

Frankly, he admitted, that the plans were openly discussed with him, because he was Irish, and therefore supposed to be anti-English and anti-British, quite removed from the facts, and far removed from the truth, but the reason.

"The nations of Britain are at war. Canada is one of those nations, and they must fix clearly in their minds the nature of the peace they desire, or they will not get that peace," he asserted.

Cairo Is Centre.

Claiming that Cairo, and not Old London, was the strategic centre of the British Empire, he outlined the Pan-German plan and how it would affect the British Empire.

"It looks like a dream, but we know it is a reality," he said, "the German plan made public in 1820 and boasted of in 1911. It aimed to unite three things—Central Europe, the Balkan States and Turkey. In other words, to stretch a line from Hamburg to the Persian Gulf. It is no dream. You can find these facts laid down in the German libraries.

"That part of Europe, not counting Asia, contained 204,000,00 people, of whom but 77,000,000 were Germans, the central idea being the domination of a vast majority. From the ity by a small majority. From the population according to standards then in vogue, 13,000,000 soldiers could be raised. With the efforts some of the powers have exerted in the present struggle, 21,000,000 could have been raised, and the fact is clear that if this pan-German plan had been put into execution, can be put into execution, there could be no resistance from the rest of the world against that great number of trained soldiers directed by one mind.

Want South Africa.

"This was not all. The pan-German plan constantly discussed by the leading papers of Germany included so much of South Africa that there would actually be little left worth while. Germany had a strip of territory there already, and she aimed at all the British possessions, the French Congo and other territories on both coasts. All this plan is on maps in the German foreign office. What hope would that leave for the rest of the world; what hope would that leave for the British Empire, remembering that Cairo is the strategical centre?"

The campaign in South America he characterized as "even more daring" and "the most amazing example of German audacity and genius." He claimed that she had actually parcelled Bolivia, Brazil, Argentina, Uruguay, Paraguay; that 800,000 Germans were residents of those countries, and by a law introduced in Germany in 1913, still citizens of their fatherland, with all its rights and privileges. They were still exerting a sufficient influence to greatly curtail the war plans of the South American countries who had broken with Germany.

Busy in Portugal.

Pan-Germanism aimed also at Portugal and the remnant of her colonial empire; at Holland and Switzerland, which was to come freely or be forced. The United States, Canada and Australia were to be settled at a later date.

The plan had received certain great shocks, the first one being the defeat of the Turks by Italy in Africa; next the second Balkan war, followed by the treaty of Bucharest, the first great blow at pan-Germanism.

The bishop asserted that the blundering of British statesmen and those of the Allies in regard to the war led him to believe that it was more by accident that design. The treaty drove a wedge into middle Europe by which Montenegro, Greece and Rumania were set against the Bulgarians and Turkey. Practically 800,000 soldiers were available from the countries antagonized. Although it left the central European powers still strongly allied, it cut them off from Turkey and broke the continuity of the pan-German plan through Europe.

The final shock was the unrest that developed in the scorned elements of Austria-Hungary, as a result of the treatment of the people in the Balkans.

Kaiser to Blame.

"As a result of these three shocks and dread for the future of the German empire," continued the bishop, "the German emperor, and he alone, decided to find some cause for war. It was not safe to defer longer the putting into effect of the pan-German plan. The assassination of Archduke Ferdinand was merely an occasion, not a cause. Using it, the German emperor forced his vassal, the Austrian emperor, for such he was rather than an ally, to send Servia an ultimatum that no nation could accept without surrendering the last vestige of national honor."

The result of the plan after three years of war he termed appalling. "Pan-Germanism has been realized in nine-tenths of its entirety," he asserted. "From Berlin almost to Bagdad the kaiser's trains run and his soldiers march. These lines that looked so fanciful five years ago to European statesmen are almost the German lines of battle today, and are in almost undisputed sway. It is quite useless to close our eyes to the fact. We can best solve our difficulties by meeting them. The pan-German plan of 1911 is this very day practically realized. The territory controlled by Germany today stretches from the mouth of the Somme to the extreme end of Greece, and from the Gulf of Riga to the mouth of the Danube. The pan-Germanism must be dealt with as an accomplished fact for the time being."

Folly to Talk.

It was folly to talk of the dismemberment of the German nation, he asserted. It would continue as a power of the highest type. Britain's entry into the war and her control of the seas has saved the situation in its essence, although the pan-German plan had succeeded.

"There was only one thing to be done now—fight through to victory," he said. "Whatever else Germany might yield, she would cling to Austria-Hungary and Turkey. There she must be forced, the bishop asserted. This empire was the keystone of the pan-German arch and must be destroyed. India would thus be saved and forty million people, who, had they a voice, would not be Germans for 24 hours, would be set free and would be a wedge of safety between Germany and Turkey. "Let Germany be a world power of the first rank, but let her mind her own affairs and not attempt to reign in the Balkan states or hold a high hand over Turkey," he said.

Of the 55 to 60 millions of people in the Austria-Hungarian empire, he asserted, only twelve million were Germans. The other peoples were at one time independent and should be now.

Might Be Strange.

This view, he said, would perhaps be considered a strange one to be held by a Roman Catholic bishop, but, he asked, Austria-Hungary being a Catholic now, would it be any less Catholic in nine or ten parts?

"When is the old superstition to disappear that Austria-Hungary dictates the papal policy?" he asked. A man of ordinary sense could see what a disaster to the pope a German victory would be, he said. It would mean the Prussianization of Austria-Hungary. "Can you tell me when or how the pope could wish to see fifty million Catholics in Austria-Hungary Prussianized? Can you defend the situation that the pope would desire to place Austria-Hungary in the Prussian power? German victory is impossible without that.

Not Touch Mosiems.

"Such a plan as pan-Germanism would not touch the Mosiem Church, or the national church of Bulgaria. It would strike against the only international church, the Roman Catholic. That is the reason why first of all the pope is intensely opposed to the very thought of German victory. It would set the Roman Catholic Church face to face with one of the gravest crises in its history, and in a condition only slightly stronger than in 1870 it would have to face the greatest power the world has ever known.

"Therefore, as a Canadian, as a British subject, and as a Roman Catholic, I say that the pan-German plan must be defeated at whatever cost."

In a short digression the bishop referred to his statements made last March about Lloyd George. "When I made that reference I was thinking more of the British Empire than of Ireland," he said. "Those who know me the best realize that. I was thinking of the British Empire and the lost chance to solidify that great fabric. I think that subsequent facts will bear out my diagnosis of the situation. No sensible man would claim independence for Ireland, but every Englishman should want her freedom."

PRESBYTERIANS TO MARK JUBILEE OF VETERAN MINISTER

Special Services for the 60th Anniversary of Ordination.

Sunday, October 21st, Rev. J. McRobie of Petrolea, one of the veteran ministers of the Presbyterian Church in Canada, celebrates the 60th anniversary of the diamond jubilee of his ordination. Notwithstanding the fact that his 82nd birthday comes the following day, Monday, October 22nd, he will preach himself at the Sunday morning service in the Petrolea church, of which He was minister from 1873 until 1885. In the evening Rev. Colin Fletcher, D.D., of Thames Road Presbyterian Church, will preach and convey the greetings of the general assembly.

A big celebration is planned for Monday evening, when the greetings of various bodies will be presented, and Mr. McRobie will give reminiscences of his career.

The arrangements are in charge of Rev. J. R. Hall of Sarnia; Rev. J. A. Shaver of Strathroy, and Rev. J. D. McCrae, present pastor of the Petrolea Church, son of Rev. Dr. and Mrs. McCrae of this city.

Rev. Mr. McRobie retired from the active work of the ministry in 1885. His son is mayor of Petrolea at the present time.

VOICE OF THE PEOPLE

A DIFFERENT ATTITUDE.

To the Editor of The Advertiser:

I have been amused at the manner in which the Free Press has been kowtowing to the Toronto Globe and quoting from its writings, now that the political situation is somewhat changed.

Formerly that paper was always snapping and snarling, and quoting choice items (often culled without their context) from the Globe.

I have often remarked that it reminded me of a little yelping cur, snapping and snarling at the heels of a big mastiff, who treated its actions with supreme indifference, for the Globe seldom took enough notice of the local paper's hysterical tirades to trouble itself to acknowledge it had noticed them.

But the whole matter does not appeal to me as satisfactory.

There are many to whom the Globe has been as a kind of prayer book, and they feel that if its present attitude is satisfactory to a paper of the calibre of the Free Press, there must be something wrong with the Globe.

We are all agreed that if the present political movement is honest, and that there is coming, or has come, to an end the present rotten system of party politics that has cursed the country during the last few years, it is good. But there are those who have their doubts, and wonder if there is any political chicanery at work, and whether these men have just been fooled and roped in to give face to the party that has been in power, and whose actions have caused it to stink in the nostrils of the people. If this be true, then this last move of a dying government is without doubt worthy of the devil himself for trickery.

But if there is an honest desire to serve the country and to leave all party issues out, if these men are to be allowed to "leaven the lump," and if from now on the political atmosphere is to be purified, and the nation, not party, is to be the premier consideration, then it is good.

There should be an end to the obsolute twaddle that has deceived no one about a win-the-war party. All true British subjects want to win the war. Those who do not are interned, or should be.

I never heard of a military board who when a man volunteered asked whether he were a Grit or Tory. A man goes to fight the Empire's battles as a man, not as a partisan.

It is left for those who stay at home to indulge in these pettinesses that are unworthy of men and an insult to the intelligence of the people. And just political tricksters work to utter these high-sounding phrases, to make party capital. Let us hope now that there is a belated union government formed, that there will be a consolidation of effort, and that these men of the new government will get right down to work and use all the resources of men, money and material of the Dominion to "win the war."

WALTER H. BIGGS.

CHIEF WANTS HEAVIER SPEEDERS' PENALTY

As a result of renewed activity on the part of the police wtih respect to speeding on the city streets, over twenty motorists will face Magistrate Graydon in a few days, charged with exceeding the limit of fifteen miles an hour.

Notwithstanding the fact that fines have been imposed in scres of cases this season, the law continues to be disregarded.

Chief Williams, it is understood, will insist upon a decidedly heavier penalty in these cases, hoping that it may act as a deterrent to others who speed.

AYR YOUTHS ARE HELD FOR ABDUCTION

KITCHENER, Oct. 16. — Roy Davis and Wilson Lowes of Ayr were brought to the county jail this afternoon, charged with abduction, having been committed for trial by Justice of the Peace Folsetter. The alleged victims are two girls under the ages of 15. They will be arraigned before Judge Reed Wednesday afternoon.

LONDON OFFICER PASSED THROUGH FIRE AT SALONIKI

Lieut. Gordon Galbraith Took Part in Rescue Work.

PRAISES CLIMATE THERE

Says Weather in August Reminds Him of Home in Canada.

A young Londoner, Lieut. Gordon Galbraith, son of Capt. and Mrs. A. H. Galbraith, who has been in the region of Saloniki for more than a year, was a witness of the great fire of August, and took part in rescue work. He writes the following description to his mother:

"No doubt you will have read of the fire at Saloniki. Well, I was on hand as usual, and saw the whole thing. I was spending a week's furlough and all but three days proved a failure, owing to the fact all the hotels were burned. The fire started Saturday afternoon, August 18th, and as there was no proper fire fighting apparatus in the city the Royal Engineers tried to blow up the surrounding buildings, but only succeeded in starting fresh fires. By night the whole city was burning. I managed to move my belongings from the Hotel Splendid in the nick of time. The population of Jews, Turks and Greeks swarmed around the streets, crying pitifully, and although we all helped in the rescue work there were several lives lost. There was quite a bit of looting, particularly by the Greeks and French. I bought a piece of tapestry from a chap for $1. Will try to send it to you as a souvenir."

In addition to the story of the fire, Lieut. Galbraith gives some interesting details in regard to conditions in Saloniki and news concerning himself.

"The hot weather is nearly finished now, and the days are simply beautiful," he continues. "Really, this is a fine country in many ways. I can't help comparing it with home. Even the frogs and mosquitoes sing the same tune. You will be pleased to know that I have been transferred to the battalion headquarters as intelligence and signaling officer, also that on the recommendation of our O. C. I have been promoted to full lieutenant, so will have two pips up now. I expect to get leave in December, and will have three weeks in England, which will suit me fine. Am looking forward to the trip as we stop in Rome and Paris. I would be an unlucky dog to cop anything now and don't expect to, as we are using shell-proof dugouts."

Concluding, Lieut. Galbraith makes a plea for more chocolate, and reminds the home folks that the man on active service would rather go without a meal than be missed when the mail bag opens.

ANOTHER PARTY OF RETURNED SOLDIERS EXPECTED SHORTLY

One London Man in Detachment Reaching Quebec.

Word has been received by The Advertiser through the soldiers' aid commission that the following list of men who arrived at Quebec on October 11 will probably reach London in the course of a few days:

V. A. Medland, 861 Queen's avenue, London.
W. Jerry, 37 Factory street, Woodstock.
J. B. Murray, 119 Delatre street, Woodstock.
W. F. Cole, general delivery, Galt.
J. Fairhurst, Barrett street, Port Hope.
J. E. Jones, 65 Chester street, St. Thomas.
E. G. Miller, general delivery, Windsor.
R. McNally, general delivery, Hillsburgh.
J. Woodley, general delivery, Dungannon.

FALL OFFENSIVE OF WAR VETERANS BEGAN WITH A EUCHRE DRIVE

Local Members Had a Most Enjoyable Time Last Evening.

The members of the Great War Veteran's Association turned out in full strength Tuesday evening for the purpose of launching their first fall offensive, in the form of a euchre drive.

The preparatory fire was heavy and the cards suffered a terrific bombardment, but ample reserves were on hand and fresh decks were rushed up by the committee, when the need for stout "hearts" was great. There was many a sharp exchange of humor, and many a sally, and the wit sparkled and scintillated like "diamonds."

Finally, amid a hush, the "zero" hour arrived, the boys went over top, and one of the biggest pushes on the euchre front was on. The cards flew thick and fast, and fell in all directions.

An hour's heavy playing, during which "clubs" were used on the enemy and the objective was in sight, and with the aid of their "spades," the men dug themselves in.

The goal was reached, and the prize was well worth trying for, but could they hold it? The call went back for provisions. Then amid the smoke and fume, while legions of cigarettes puffed, up rushed the gallant committee, loaded with sandwiches and soft drinks enough for everybody.

When the smoke had cleared away Pte. R. A. Davidson was asked by the committee in command to fall out, and he was there and then decorated with the first prize. Second honors went to Corp. J. Crocker, and the booby prize was carried away by Pte. Bates. The prizes were the donations of Major Osborne.

The members of the committee are grateful to Labatt's, Carling's, Brener's and Nolan's for their kindness in donating cigars and cigarettes and refreshments.

Everybody present had a good time, and all are looking forward to the next smoker of the series, which is to consist of six euchre tournaments, with a grand prize for the winners of the series.

Two matters of business were dealt with during the evening, the arrival of the band instruments for the G. W. V. A. Band on the 20th inst., and the appointment of three delegates to attend the opening of the new home of the Great War Veterans' Association in Brantford on October 24th.

Lieut.-Col. Coles, president; Secretary Cunliffe, and second vice-president, John Rawlings, will represent the London branch at the ceremony, which will be performed by His Royal Highness the Duke of Devonshire, governor-general of Canada.

EVANGELISTIC CAMPAIGN.

A week's evangelistic campaign will be commenced next Sunday in the Y. M. C. A. by Andrew D. Urshan and Orville Benham missionaries who spent five years in Persia. Mr. Urshan had many narrow escapes from being murdered by the Turks.

PROFITS ON POTATO CROP THIS YEAR TO BE LARGE, SAYS REPORT

Good General Yield Will Make Spuds Profitable.

Although computations regarding the yield and profit of potato growers of the district will not be available until the spring, it is predicted that a good profit will be enjoyed by growers this year.

Figures in the possession of R. A. Finn, district representative of the department of agriculture, show that the profit on potatoes last year was in certain cases extraordinarily large, while in other instances a direct loss was suffered. This year, however, it is expected that profits will be generalized to a larger extent, as the good and mediocre yields were distributed fairly evenly throughout the district.

According to Mr. Finn, the average yield is approximately 120 bushels to the acre. Seed last spring cost $4, so the total cost of planting per acre would average almost twice as high as last year. However, the better general yield will replace the cost of seed and a large profit is anticipated.

DRUGS EXCITE YOUR KIDNEYS, USE SALTS

If your Back hurts or Bladder bothers, drink lots of water.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates the mto their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

TWO DEANERY MEETINGS TO BE HELD NEXT WEEK

Bishop Williams and Mrs. Williams and Mrs. G. B. Sage, president of the Huron diocesan branch of the Woman's Auxiliary, and a number of the leading workers in the local church branches, are in Stratford today to attend the semi-annual meeting of the diocesan branch, which is being held in St. James' Church.

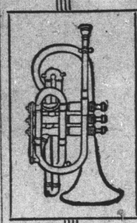

Two deanery meetings have been arranged for next week in the Diocese of Huron, on the 23rd and 24th. The East Middlesex deanery, which includes the London Anglican churches, meets in Dorchester on the 23rd, and the West Middlesex at Lucan on the 24th. Rev. A. L. Beverley of St. Mark's Church is rural dean of East Middlesex, and Rev. Mr. Durford, Hyde Park, of West Middlesex.

KHAKI DANCE.

Between two and three hundred young people attended the first khaki dance held this season under the auspices of the Overseas Chapter, I. O. D. E., in the Masonic Temple last evening. These dances will be given every Tuesday evening in the Masonic Temple throughout the winter months. The proceeds will be devoted entirely to the hospital fund. The convening committee was Mrs. Bert Fitchett, Mrs. A. H. Galbraith, Mrs. Clinger and Mrs. Heard.

These Crisp Nights---

Get Your Friends Together at Home---

Form a "Jass Band" or a Home Orchestra. Then watch "time fly," and snappy wholesome, beneficial enjoyment come to the front.

Let us outfit you for this fun—we have the only complete stock of small musical instruments in the city. You'll find just what you need here—at the right price—and we'll gladly give you advice.
