A banquet was given to Mr. Parnell on Thursday night, in honor of his 35th The following are extracts from an birthday. The chair was occupied by interview between Goldwin Smith and a The O'Gorman Mahon, and about a dozen of the Irish party were present, Mr. Justin McCarthy occupying the vice-chair. In replying to the toast of his health, Mr. Parnell stated that lines destined to connect and to weld though the Irish had now to struggle those present. The dinner was strictly private, none but members of the Irish Parliamentary party being present.

EVICTING TENANTS.

A flying column of infantry, cavalry and police assisted the Sheriff in en forcing evictions at Mitchellstown on Thursday. The tenants paid their rent in every case, thus preventing eviction. Trees were placed across several roads to delay the column; which, on entering the town, found a number of carts thrown across the streets. The military and police charged the crowd until the streets were deserted. Thirty persons were injured.

ATTEMPTED ASSASSINATION OF PRESI-

On the morning of the 2d of July, after President Garfield had just purchased a ticket at the depot at Washing-On Saturday afternoon the 734 Bat- ton, a fellow named Guitteau, came up effect. One ball entered at his shoulwas among the most successful, taking the company partaking of the salmon. This catch was hospitalities of the Shire town for an shot. The assassin was immediately brought to Chatham immediately, in the hour or two, thence taking the boat for arrested, and boasted of his act; be scir. Bell, boxed, iced, and shipped to Chatham. On arriving here the Com- wanted an office, but did not get it.

pany is comprised of fine soldierly look The physicians probed for the balls, ing young fellows, and it is a shame and but could not find them, and the Presa disgrace that they have not been fur- ident has since been lying very low. His Lordship the Bishop of Chatham nished with the modern regulation unia His condition is critical. There is in-

ST. JOHN NOTES.

M'KAY-NAGLE BOAT RACE.

One might well change the expression and say of the St. John man that which has been said of the Englishman: It you would know of his peculiarities and tastes you must see him on a racing day .. And to-day, notwithstanding the Rev. T. Fitzgerald lately ordained in forms that the department has given clamper thrown on the contest by repeated postponements, was such a one, the Greenock, do. judge, the doctor, the lawyer, the gentleman, the merchant, the mechanic, and gow, G. McLeod; Karen Elise, 372, An the tramp mingle together in one common throng anxiously debating the A man named George Welsh said by the Northumberland County Council was probabilities of the coming struggle. As Norway, R. A. & J. Stewart; Brilliant, a few moments before the judges call, it guste Tietge, 357, Drews, Rowen, do.; required no great depth of perception to Amalia, 785, Morih, Bristol, G. Bur-

CHATHAM, N. B. July J. E. COLLINS.....

THE THREE PERIODS GOVERNMENT.

[Mail.] In our last issue we disc the figures of the revenue expenditure of this country ing three periods that hav fined themselves in our po since Confederation. Read the papers are not likely to get that our political histe so divided. But it has attempted by the Oppositi show that the period d which they were in powe

one which gave them un

difficulties to overcome.

the very reverse of this

case, as we shall show.

The most trying and di portion of our late history prised in the first seven ye the Confederation. The tion of the Confederation itself a gigantic task, to statesmen pledged their career and their personal tunes. The governmen when formed was a trying There was agitation for in one province. There rebellion against authori another. And men who ha ed in the founding of the nion treacherously aban their allies, and left the govern the new countr only without aid, but as their bitter hostility. In six or seven years the laws made uniform, the currend similated, the Intercolonia way pushed on, the disco in Nova Scotia conciliated provinces added to the C eration; the canals impr many public works aid finished, or begun; the services formed and conso ed; and yet business had so good and administrati careful that surpluses am ing in all to about ten m

took power under excepti fovourable circumstances trade was get dull was a warning at re would be short. If they to depression (as they say the that was a demand on the economy. All they had was to fulfill their promise country was consolidate them. The Dominion w larged for the Y. The We been partially surveye them. They were not bot a single risky work or da ous experiment. They have abandoned the Pacif way, and several chances given them to do so. The every excuse to be econd in the bad times, and con ing the lowness of the quer, even if they wer bound to economy by the votes, resolutions, and pro But the curse of hypocris on them. They had never what they had said, and only on their mental r tions. They were extrav they were riskful; they w

had accrued.

Mr. Mackenzie's Govern
