Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks to the generosity of:

Library of the Public
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Copy of a letter to D. M'Gregor Rogers, Esq. Chairman of
the Land Board, Newcastle District.

Lieutenant Governor's Office,
April 26th, 1819.

SIR,

I am directed by His Excellency the Lieutenant Governor, to reply to your letter of the 15th inst. in explanation of those particular points on which you, in the name of the Land Board of the Newcastle District, solicit more precise information than that contained in the Instructions transmitted to you by the Clerk of the Executive Council.

In the first place—With regard to such other persons besides Emigrants, as the Board may be authorised to grant Locations to, I am to explain to you, that by such "other persons," are to be understood such able settlers as resided in the District before the late War, and produce due certificates of having done their duty in its defence.

Secondly—With regard to Military claimants. No Military claimant, as such, is referred to the Board:—being to receive their Lands gratuitously in the Military Settlement, any dispensation of that sort must be approved on application to the Lieutenant Governor in Council.

Thirdly.—The Sons and Daughters of U. E. Loyalists being entitled to gratuitous Grants of 200 Acres, must apply to the Lieutenant Governor in Council.

Fourthly.—Persons arriving from the United States, and bringing due certificates of their being British born Subjects, are admissible by the Board.

Fifthly.—A form of Ticket of Location, will be transmitted to the Chairman of the Board, in which will be specified the conditions of settlement.

Sixthly.—His Excellency is of opinion that the presence of the Chairman is not necessary at every meeting of the Board: any three of the Members constitute a Board, and may proceed to act accordingly.

Seventhly.—The Settler should be thoroughly instructed that in the event of his finding any improvement on the Lot to which he may be located, he is immediately to return with his Ticket of Location to the Board, and report the circumstance for the information of the Government. Should he fail in this particular, he can expect no confirmation of the Grant to him. In this case the Board will appoint him another Location.

Eighthly.—With regard to the difficulty that may be experienced by the Settler in finding his particular Lot: His Excellency bids me observe, that in order to remunerate the person who might be employed to point it out to him, the Settler must be burthened with another Fee; and as in the case of persons located by the Surveyor General's office, no such precaution is practised, His Excellency does not perceive the necessity of the regulation.

I am, &c.

(Signed) GEO. HILLIER,
P. Sec'y.
