CONSTITUTION.

THIS congregation shall be known by the name of the First Presbyterian Church, Park Avenue.

The Board of Managers shall be chosen by ballot by the congregation, from among the members of the church in full communion, at the annual meeting of the congregation, or at a meeting duly called for that purpose.

The Board of Managers shall consist of twelve members, one-half of whom shall retire annually by rotation ; and their places, as also the places of any who may die or vacate their office during the year, shall be filled at the annual meeting of the congregation. The retiring Managers may be re-elected.

If any Manager be cut off from church privileges by process of discipline, or leave the congregation, he shall forthwith cease to act as Manager, and another shall, as soon as convenient, be appointed in his place.

The duty of the Managers shall be to attend to the temporal and financial affairs of the congregation. More particularly it shall be their duty to obtain from the people contributions for the sustentation of the ministry ; to take care of the property of the congregation ; to provide for the payment of the minister's and other salaries ; and generally to administer all matters committed to their charge, as the congregation may from time to time direct.

Meetings of the Board shall be held on the last Wednesday of each month for the transaction of business; but a meeting may be held at any time on the call of the chairman, by notice from the pulpit, or addressed personally to the members of the Board.

Seven members present shall constitute a quorum. Every meeting should be opened and closed with prayer.

The Treasurer shall be appointed at the annual meeting of the congregation from the members of the Board of Managers. His duties shall be to keep the accounts of the congregation and to receive and disburse all moneys, subject to the direction and control of the Board of Managers.

The Chairman and Secretary shall be appointed by the Board of Managers at the first meeting of the Board held after the annual meeting of the congregation.

The Chairman's duties shall be to preside at the meetings of the Board of Managers, and to sign all accounts which have passed the Board. In his absence any member may be chosen to act as chairman *pro tem*. The chairman has only a casting vote.

The Secretary's duties shall be to keep a correct record of the proceedings of the Board of Managers, and to act as clerk of the congregation at congregational meetings.

All cases not herein provided for shall be governed by the rules and forms of procedure laid down by the church courts of the Presbyterian Church in Canada.

SESSION STATEMENT.

Notwithstanding the large number of removals by certificate and death, the membership is practically the same as last year ; and the attendance at Sabbath services and weekly meetings during the year has been good.

There have been ten persons removed by death who were more or less intimately connected with the congregation, seven of whom were members in full communion ; and the large number of thirty-two have been disjoined by certificate, while with regret five have been dropped from the roll without certificate. There have been seventeen infants and one adult baptized during the year.

The state of the Session Fund, which is administered in behalf of the needy, is as follows :

Quite a number of strangers also took part with us in these services. Again the Session desires to emphasize the importance of regular attendance at the services on the Lord's Day, and also on Wednesday evening, and the Lord's Supper. Our last statement showed a

For nine months past regular services have been held in the Waterloo Street School, conducted for the first six months by Mr. Peter Scott, B.A., and since his term expired by Rev. Walter Moffat. It is probable that by the conclusion of Mr. Moffat's engagement, about the end of March, definite steps may be taken to organize a Home Mission Station; but that is a matter for further discussion.

As quite a number of those who were in attendance at the Sabbath school have connected themselves with the Society for Bible Study, the attendance has gone below last year. The Session thinks that unless there is some very good reason, the young people of the church

should attend the church Sabbath school. Of course this does not apply to those who are near to either the South or North Missions.

The reports of the various organizations will be found full of interest, and it is hoped they will be carefully and intelligently considered.

During the Pastor's absence, in June, July and August, excellent supply was given by Mr. John Clark, B.A., of Knox College, and Rev. G. R. Faskin, B.A.

A severe loss was suffered during the year by the removal of Mr. W. T. McClement, to Chicago; and Dr. Arnott, one of the oldest members of Session, has been incapacitated for service for the last eight months by illness. We rejoice in the hope of his speedy recovery.

The Session desires to recognize the services of the choir during the year. It feels that much valuable time has been freely given by the members of the choir, with the desire of making the services of the church effective and helpful.

We look to God for blessing in the year that is before us, and trust that every member and adherent will recognize his own responsibility for the growth of God's kingdom amongst us. "Let thy mercy, O Lord, be upon us, according as we have hoped in Thee."

JAS. I. ANDERSON,
Clerk.

W. J. CLARK,
Moderator.

REPORT OF BOARD OF MANAGERS.

Your Board of Managers, in presenting with pleasure their report for the year 1896, desire unfeignedly to give thanks to the great Head of the Church who has so abundantly rewarded our labors with blessings, both spiritual and temporal.

In reviewing the past year it must be admitted that it has been an important one in the history of our church, a year marked by many changes, and we desire to rejoice with the congregation upon the spirit of harmony and loyalty with which they have been animated through these various changes, as is manifestly shown by such abundance of good works and the large measure of happiness and prosperity we, as a congregation, enjoy.

We are pleased to report that notwithstanding the extra outlay of moneys which we have been called upon to expend during the year, we have been able to meet all liabilities, pay \$1,500.00 of the church debt, \$250.00 of the organ debt, and have a balance of \$38.86 in the treasurer's hands.

The amounts realized are as follows: From envelopes, \$4,803.15; open collections, \$724.39; anniversary services, \$1,056.94; Building Fund account, \$404.70; Ladies' Aid Society, \$250.00; concert, \$109 30; interest, \$4.68; balance from 1895, \$97.01. Collectively these sums amount to \$7,450.17, and have been disbursed as per financial statement hereto attached. Among the disbursements are several sums aggregating about \$600.00 that were voted by the congregation for

various purposes, but these expenditures will, in our opinion, be found amply compensated for by the increased interest and pleasure imparted by such contributions, and will far more than commensurate the nominal outlay.

Your Board of Managers, while congratulating you on such pleasing results, desire to acknowledge their great obligations to the large number of the congregation who so heartily respond by contributing liberally of their means for carrying on the temporal affairs of the church on all occasions.

To the Ladies' Aid Society they are particularly indebted for their valuable assistance in contributing so liberally toward the organ debt, also to Mr. Barron and choir for concert given in aid of the Building Fund from which the net sum of \$82.66 was realized.

But while there are such a large number of the congregation who respond most nobly to what they consider their duty, always interested in and mindful of the financial affairs of the church, yet there are also those, both members and adherents, whom we consider are able to give whose names do not appear on the contribution roll, and many who do contribute, do so very irregularly. We earnestly impress upon all such that we desire their compliance with the absolute requirements of the church, adopting the authorized envelope system and contributing regularly, thereby fulfilling their obligations as members and adherents, resting assured that they alone are responsible for their conduct in this important matter.

The thanks of the congregation are due to the choir, the ushers, and the auditors, for services faithfully and gratuitously rendered.

RECOMMENDATIONS.

1. We recommend the following resolution, passed at a joint meeting of the Boards of Session and Managers on the 13th inst.:

Moved by John Cameron, seconded by A. Greenlees, and adopted, that the joint meeting of the Boards of Session and Managers have had before them the subject of the Waterloo Street Mission, conducted under the auspices of this congregation and the congregation of Knox Church. They naturally would not desire to see the Mission go down, yet there are financial considerations involved that cannot be ignored. The people of the neighborhood seem desirous of continuing the services, and have expressed their willingness to make such subscriptions as they are able. Under these circumstances we recommend that the whole subject of the Waterloo Street Mission, so far as our own congregation's voice in it is concerned, be remitted by this annual meeting to the joint Session and Managers' Committee for action at any time through the year, with power.

2. We recommend that \$150 be voted to the Sabbath School of the church for the current year. The extra amount asked for is to enable the School Board to replenish the library and to meet other obligations.

3. We also recommend that four ushers be appointed, in addition to those now acting.

4. That two Pew Stewards be appointed, instead of one, as is now in order.

The six retiring managers are Messrs. Wm. Craig, R. Reid, T. Bryan, J. C. Crombie, R. Henderson, A. McPherson, all of whom are eligible for re-election.

MUSIC COMMITTEE.

About the month of April the Session of the congregation determined to appoint a Music Committee, to consist of three members of the session, a representative from the choir, and Mr. W. C. Barron, the organist. Messrs. John Cameron, W. T. McClement and Jas. I. Anderson were appointed by the Session, and Mr. W. C. Ferguson by the choir.

At the first meeting the duties of the Committee were defined to be as follows: 1st, To discuss and become responsible for the musical part of the church service; 2nd, To assist in every way possible to make such musical service efficient; 3rd, To bring before and recommend to the Session of the congregation any changes that may be deemed desirable; and 4th, To receive, expend and account for, at the annual meeting of the congregation, all moneys used on behalf of the choir.

Your Committee have endeavored to follow out these requirements and have held several meetings to consider and discuss the musical service. Several changes have been made, which it is not necessary to mention in detail, and the efforts of the Committee have been ably helped by the organist, who has at all times shown himself anxious and willing to adopt any suggested improvements.

In February a very successful concert was given by the choir, and realized, by a silver collection, the hand-

some sum of \$109.30, which was donated to the building fund of the church. A week later the concert was repeated and the money received, \$60.00, was given to the relief fund for the Armenian sufferers. The expenses of the concerts, amounting to \$26.64, were paid out of the general revenue. At the close of the year, Mrs. John Cooper having resigned her position, Miss Katherine Moore kindly consented to assist the choir for a short time at the same salary. Since then no money has been expended for a leader, and the especial thanks of the Committee, on behalf of the congregation, are hereby tendered to Miss Nellie Higgins, who has so kindly and acceptably filled the position of choir leader. Some music has been purchased for the choir, but no account of it will appear at present as it is the intention of Mr. Barron and the choir to give, at an early date, a sacred concert, from which we hope sufficient will be realized to meet any such expense.

In conclusion, the Committee think that the hearty and unqualified thanks of the congregation are due to the individual members of the choir for the excellent support they have given in the musical services, and for their devotion and self-sacrifice in their work. In these days, when so many churches find it necessary to pay not only a leader but many other members of the choir, it is gratifying to have a well-trained choir of good voices whose only motive is to render the praise service of the church in as acceptable a manner as possible. We trust that the congregation will continue, during the coming year, to heartily support the choir in their endeavor to secure good congregational singing, and, in every way possible, help to make the musical service a

beneficial worship. We would also invite any persons who have suggestions to offer to send them to the Committee, who will give them all due consideration. Mr. H. Bapty has been elected on the Committee in place of Mr. McClement.

SABBATH SCHOOL.

The teachers and officers have much pleasure in presenting the following report, which, though not so good as that of the previous year is still encouraging, especially the report of the Treasurer.

COMPARATIVE STATEMENT OF ATTENDANCE.

| | Teachers and Officers. | Scholars. | Total. |
|---------------------------------|------------------------|-----------|--------|

Since January, 1896, the names of five teachers and officers were removed from the roll, while the number added was two. Of scholars, the large number of forty-eight names were removed, while only twelve were added; net loss, thirty-six.

In view of the foregoing large decrease of names a committee of two teachers was formed, who went over the list of removals, when it was found that the cause of such removals was satisfactory—some had entered Mr. Clark's Bible Class, others gone to nearer schools, or had left this district.

At the beginning of the year there were twenty-five classes in the school, including the Infant Class, but during the course of the year they have been consolidated into twenty-two good average-sized classes.

The contributions for Missions (including \$6.40 collected by the Infant Class) amounted to \$285.38, an increase of \$10.74 over last year. This is a very creditable showing, considering the decrease of names on the roll.

At the annual meeting of the teachers and officers, held January 14th, the above amount was allocated as follows :

| | | |
|--|-----------------|----|
| Waterloo Street School | \$50 00 | 20 |
| Home Missions | 77 48 | 80 |

A year or so ago it was decided to give a prize to each of the members of the class having the highest percentage of attendance for the year. The prizes were won by Mr. Saunders' class, and it is the "banner class" for 1896. Three scholars, Gordon Craig, Ray Ironside and Jean Reid, were present every Sabbath during the year and will each be awarded a special prize for regularity. One scholar was only absent once, and four only twice, all of whom are highly commended.

The library is an important part of our Sabbath School work, disseminating, as it does, healthful literature among our young people. It is three years since any additions have been made, and this year it will require to be thoroughly overhauled and new books added.

We regret to record the resignation of our organist, Miss Simson, who for a number of years has so faithfully and efficiently occupied this position, and we desire to place on record our sincere appreciation of her services.

Any members of the church desiring to help in Sabbath School work as teachers, or otherwise, are cordially invited to confer with the Superintendent.

We look forward hopefully to our work during 1897, and would especially ask the parents to co-operate with us in making this work successful in the highest sense.

Though our report is not quite as encouraging as we would have liked it to be, so far as numbers are concerned, still we are confident that by God's blessing a good work is being done, and our earnest hope for the coming year is that God will continue to bless us and make us a blessing.

SOCIETY FOR BIBLE STUDY.

We are pleased to report that this Society has enjoyed another year of increasing prosperity. Our membership roll now numbers 81, and is continually being added to. Meetings have been held throughout the year with the exception of the month of August. The course of studies has been the same as last year, "The Teachings of Christ," and some extremely interesting and instructive meetings have been held. One social evening was given by the Society to the young people of the congregation, which served to make the members better acquainted, and the Society better known.

We were very sorry to lose our efficient and popular president, Mr. W. T. McClement, but are glad to know of his success in the city to which he has moved. We lament the removal by death of one of our most active and faithful members, Miss C. Dunbar.

Of the collections that have been made during the year, the sum of \$25.00 was granted to the Home Mission Fund, and \$25.00 was set aside to be placed on the plate at the Anniversary Services in January, 1897.

While thankful for the prosperous year that has just come to a close, we think that there are a number in the congregation who have not as yet connected themselves with us, and who would find our meetings very beneficial and helpful. To all of whom we give a hearty invitation.

MISSION COMMITTEE.

In coming before the congregation at the close of another year, which has been marked by even greater stringency than some of those which preceded it, your Committee is happy to be able to report that the contributions for missionary purposes have been maintained. Including a donation of \$25.00 for Home Missions from the Society for Bible Study, the amount raised this year has been \$772.60 as against \$776.00 in 1895. It should be stated, however, that included in last year's collections was a sum of \$39.10, being a surplus remaining in the hands of the Billeting Committee of the General Assembly which was thus applied, so that the amount actually contributed this year was greater than last.

The number of individual contributors is 131, an increase of 11 over last year, though the fact that 17 of these contributed sums of less than \$1.00 each has tended to reduce the average contribution, which this year is \$5.90 as against \$6.14 in 1895.

While cheerfully acknowledging the liberality of the congregation as a whole, and aware that many of our people are doing their full duty in regard to the missionary and benevolent work of the Church, it is nevertheless a matter of regret that a considerable number, even of those who contribute freely towards the maintenance of our own congregation, seem to be indifferent to what is really one of the great objects for which the Church was established, viz., furnishing to others, who are not so highly favored as we are, the Gospel which has done so much for us. Our own Church is endeavoring to carry on this noble work, both in

foreign lands and in the outlying and sparsely peopled districts of our own great Dominion, and when we think how much we are indebted to the self-denying labors of the pioneer missionaries, we surely ought to be willing to do the same service for our own countrymen who are going out in such numbers to the Northwest. These numbers are likely to be greatly increased during the coming season. The demands will be ever increasing, while the means at the disposal of those who have the work in charge are totally inadequate to meet present requirements or even to carry out engagements already made. The same state of affairs prevails in all departments of the Church's work, and unless substantial aid is furnished, its operations in all directions will have to be curtailed when extension is so urgently demanded.

When the Church at large recognizes, as it is beginning to do, not only its duty but its privilege in this matter, there will not be such a difference as is generally found between the amount spent by congregations for their own purposes, and that available for carrying out the command of the Master, "Go ye into all the world and preach the gospel to every creature."

The amount contributed has been allocated as follows, viz. :—

L. GIBSON,

Convener.

For the information of those who have recently joined our congregation, and others who may not be conversant with the work carried on by the Church as a whole, a brief summary of the different schemes is given. They are as follows :

1. *Home Missions*—In the newer and smaller settlements from Quebec to the Pacific coast. Service at present at one thousand and seven points and in seven different languages. Since 1875 eighteen mission stations a year started on the road to self-support.

2. *Augmentations of Stipends*—Of ministers settled over congregations which have grown out of the stage of mission stations, but are not yet strong enough to stand alone. Since 1883 two hundred and fifty congregations have been thus helped to the self-sustaining point.

3. *French Evangelization*—Which includes the school at Pointe Aux Trembles. There are 1,415,090 people of French origin in Canada, mostly Roman Catholics. Our Church has ninety-three preaching stations among these, twenty-five ordained missionaries, ten student missionaries, seven colporteurs and twenty-three teachers. The aim is not controversy, but more light through the Bible.

4. *Foreign Missions*—Very wide spread, embracing New Hebrides, Coolies of Trinidad, Northwest Indians, Formosa, Honan, Central India, and Chinese in Canada.

5. *Colleges*—We have usually contributed to Knox and Manitoba. The colleges secure us an educated ministry, and are themselves centres of active missionary work.

6. *Aged and Infirm Ministers' Fund*—Supported in part by ministers' rates. A minister must be seventy years of age or wholly incapacitated for work to get any benefit from the fund.

7. *Widows' and Orphans' Fund*—Ministers pay rates also to this fund, in addition to what is given by congregations.

8. *General Assembly Fund*—To pay the necessary running expenses of the General Assembly.

AUXILIARY W. F. M. SOCIETY.

At the close of another year we submit our annual report.

Our Society has been fairly successful, and although we have not made great progress there has been an increase both in membership and in money received.

There are fifty-eight members, nineteen having joined during the year. Three have left the city, and three others have been absent through illness for some time, but we hope soon to welcome their return, and one, our beloved Honorary-President, Mrs. Clark, has been called home after an illness of several months. We had hoped she would have been spared to those who loved her, but our Heavenly Father took her to Himself, and we can but submit, knowing that "He doeth all things well."

Ten meetings were held during the year, with an average attendance of thirty-two. Interesting papers were read giving accounts of the different mission fields. The thankoffering meeting was held in October and was very enjoyable as well as successful, the ladies being very much pleased with an address given by Mrs. Boomer. The offering amounted to \$80.00.

The total receipts for the year amounted to \$211.75, including a special collection of \$30.45 for the box for the Northwest, the disbursements \$36.50, leaving a balance of \$175.25 to send to the General Society, an increase over last year of \$52.95; \$30.45 were spent on

new goods for the box, and good second-hand clothing valued at \$30.00 was added, making a total for the box of \$60.45.

We have not done great things, but if our little efforts have helped to bring any of our heathen sisters into the light and raise them from their degraded position, then our work will not have been in vain.

We extend a hearty invitation to all the ladies of the congregation who are not members to join our Society, numbers help to inspire those who are already working, and we think they would find the meetings interesting and profitable.

VICTORIA MISSION BAND.

The year 1896 was, on the whole, a very prosperous one for the Victoria Mission Band. Although the membership roll was not increased, the average attendance and the contributions were larger than they have been during preceding years.

As during the months of July and August the Band does not meet, only ten regular monthly meetings, having an average attendance of twenty-eight, were held. At these meetings occasional drills on the mission stations were taken, and some items of interest, in connection with the various mission fields, were given by different members of the Band.

We are greatly indebted to Mr. and Mrs. Barron, who so kindly gave us the use of their grounds for our garden party, held in June. We also wish to extend our hearty thanks to our Pastor, Mr. Clark, for his most interesting lecture on Scotland and Switzerland.

The whole Band sorrows for the loss of one of its most earnest and cheerful workers, Miss Charlotte Dunbar, who was at one time our president, and had always been connected with the Band.

The Band has, during the year, raised \$123.99; out of this there are \$82.54 to send to the General Fund in Toronto, the disbursements during the year having amounted to \$41.45. Besides this, a box containing new and second-hand clothing, amounting to the value of \$28.00, has been sent to the Northwest.

In conclusion, we may say that, while we have much reason for encouragement, still our membership has not grown as rapidly as it should; and we earnestly hope that many of the boys and girls of our church may see their way clear to join us, and assist in the good work.

COLUMBIA MISSION BAND.

The Columbia Mission Band has now drawn to the close of another year. We are glad to say that the members are taking a deeper interest in the work than they have done in past years.

We have on the roll forty names, with an average attendance of twenty-seven, still we trust in the future that more of the scholars belonging to the Sabbath school will join the Band.

The regular monthly meetings are held the first Wednesday of each month.

We held a concert in June last, which was well attended; also a Thank-offering Service in December, at which the Rev E. H. Sawers gave an interesting address.

The total amount of money raised during the year was \$19.37. We sent a box to the Northwest, which was valued at \$25. After all expenses were paid, there was a balance of \$18, which goes to the General Fund.

During the year we lost our worthy President, Mrs. Clunas, by her removal from the city. We felt her loss keenly, as she was always willing to do whatsoever laid in her power to create a missionary spirit in the minds of the young.

LADIES' AID SOCIETY.

During the year ten regular meetings of the Society have been held. In July and August the meetings were discontinued. Though our meetings have been chiefly of a business character, they have been interesting. Afternoon tea was served at the close of each meeting. The average attendance at the meetings was twenty-eight, the membership numbering forty-one. Eight new members have been added during the year. We deeply regret the removal by death of two of our esteemed members and workers, Mrs. Clark and Miss Wilson.

Three lectures have been given under the auspices of the Society, the proceeds amounting to \$76.38. The voluntary contributions for the year amounted to \$151.05, which, with membership fees and interest, enabled us to pay to the Managers the sum of two hundred and fifty dollars (\$250).

We trust that, with the hearty co-operation of all the ladies of the congregation, we may next year pay off our indebtedness on the Organ Fund.

WATERLOO STREET SABBATH SCHOOL.

We have much pleasure in presenting our fifth annual report.

There has been a gratifying increase in membership, as shown by the following figures :

On five Sundays we held open meetings, at which addresses were delivered by various speakers. At one of these meetings, Mr. Peter Scott, B.A., related his experience among the fishermen of Georgian Bay, and a collection was taken in aid of the Knox College Missionary Society. The teachers held monthly devotional meetings. On July 14th we engaged electric cars, and, accompanied by many of the parents of the children, proceeded to Springbank, holding the most successful picnic in our history.

The annual entertainment and children's tea meeting was held on the 28th of December, and was, as usual, a great success. Nine prizes for regularity of attendance were presented on this occasion.

We regret the loss of the following teachers: Mrs. Clunas, now in Hamilton; Mr. Passmore, lately appointed Superintendent of King Street School; the two Miss Harwoods and Mr. Brown. These teachers took an active and earnest part in the work.

We have welcomed the following additions to our teaching staff: Mrs. Milliken, Mr. James Dickson and Miss Robb. One vacancy being, at writing, unfilled.

Mr. Robert Kippan, who has so well filled the office of Secretary for several years, declined re-election. His place has been filled by the election of Mr. Alex. Craig, with Mr. D. Kippan as assistant.

We regret the loss, by death, of a member of our infant class, Charles Herman Pennecott.

One of the largest items of expenditure is for lesson helps, of which we endeavor to supply the best procurable, and while we note with pleasure the manifest interest taken in their studies by some, we regret its lack in others. We would urge on parents their duty in this matter—to see their children prepare the allotted lessons; catechism, golden text, memory verses and the lesson points. The teachers are at considerable pains in their preparation, and the scholars should be equally faithful.

We cannot close without expressing the help received by the presence with us of Mr. Scott and his successor, Rev. Walter Moffat; both gentlemen attending regularly and taking part faithfully in teaching. Much of our success is due to them.

Our thanks are again due to the First Presbyterian Sabbath School for their kind donation of \$50.00.
