### LAYING NOW IN FULL SWING

Rain Has Improved an Otherwise  
Poor Crop, and Grain Promises  
Well

The cutting of hay has become quite general in Carleton county. The crop is generally below the average. The cold dry weather of June, accompanied by several frosts, was responsible for the lack of growth. In the northern Counties reports indicate a very poor hay crop. Some reports state that old meadows are badly worth cutting. In the western section, the crop is later and will be helped some by recent rains. In the southern counties and York, the crop varies from average to poor, according to whether the meadow is new or old. The rain last week has done much to improve the standing crop. Nova Scotia reports a big hay yield, and so does Quebec.

Corn Crops generally have a good color and promise well at present. With a few good rains when the crop is heading and filling, there should be a good average crop. Pastures are good and recent rains will hold them for a time longer.

Cattle are generally in good condition. Potatoes are looking better than ever known at this season, being far advanced and free from disease and bugs.

#### James Rulston Fowler

The death of James Rulston Fowler occurred at his home, Lakeville, Carleton county, on Sunday, July 6, after an illness of two months from heart trouble. Mr. Fowler was born at Upham, Kings county, September 23, 1848, and was the youngest son of the late James Rulston Fowler and Rachel Mellick, direct descendants of the United Empire Loyalists. Mr. Fowler set up a blacksmith business in Lakeville more than forty years ago, and was in his younger days considered the best "horse-shoer" in that part of the country. He was also favorably known as the "wet shaper" of Lakeville, having led the choir for many years. He was a life long Conservative and a Methodist in religion. At the time of his death he was superintendent of the Union Sunday school of Lakeville. The funeral was held under the direction of the Hackett Loyal Orange Lodge. Rev. J. B. Champion (Methodist) and Rev. S. Johnston (Baptist) spoke, while beautiful music was rendered by the choir, among other selections, two duets by the Misses Maudie Hudson and Hilda Wilson and a solo by Miss Wilson. Mr. Fowler was laid to rest in the Williams-town cemetery, Monday afternoon beside the late Mrs. Fowler, who pre-deceased him by three years.

The sons and daughters are Mrs. M. L. P. Carvell, St. John; Mrs. J. S. MacBride, Boston; J. Fenwick, New Haven, Conn.; C. Leslie, Fort Fairfield; Mrs. E. M. Morse, Lakeville; Mrs. Arthur Howden, Dewar Lake, Sask.; George R. Halifax; Howard F., recently returned from overseas; fifteen grand children and a sister, Mrs. James Baxter, Westfield Centre.

### GLORIOUS TWELFTH AT HOLMESVILLE

A Big Crowd and Good Feeling  
Prevailed

The members of Carleton North L. O. L. cordially and loyally celebrated "The Glorious Twelfth"—the 22nd anniversary of the Battle of the Boyne—with Crown Lodge of Holmesville. A very large crowd of people was on the ground all day in spite of a number of showers. There were many sports and refreshments were served in a number of booths. Crown Lodge also provided dinner and supper and a multitude was present all day and into the evening.

The Orangemen met at the hall at 2.30, and marched more than a mile to the picnic grounds. An address was given by P. G. M. David Hipwell of St. John and also by Brothers G. A. Giberson and B. F. Smith. Crown Lodge of Holmesville and British Lion Lodge of Glaceville have raised \$350 toward the fund for building a provincial Protestant orphan home.

Victoria county Orangemen celebrated gloriously at River de Chate.

#### Fort Fairfield Notes

The Observer is indebted to the Review for the following items of local interest:

Mrs. Sarah McCrea went to Lakeville, Tuesday to visit relatives and friends.

Duncan Rogers and son, of Bristol, came to town Tuesday by auto, called here by the illness of the former's brother Sanford Rogers.

Mrs. Louise McGee, bookkeeper for Frontier Trust Company, was called to her home in Hartland, Saturday by the illness of her mother.

Mr. and Mrs. Thomas Boyd of Peel, arrived in town Wednesday to visit several days with their sons, D. H., B. A. W. and Fenwick Boyd, also their daughter Mrs. Kate Stearns.

Mr. and Mrs. William H. Keays and daughters Opal and Frances go to Campbellton, next Monday to visit Mr. Keays' mother, Mrs. William H. Keays, sr., also his sister for a week or ten days.

### HARTLAND WINS FROM MARS HILL

Decidedly the sportiest game of base ball ever played on the Hartland diamond was pulled off on Tuesday evening, when the star aggregation from Mars Hill came up against the local team. It was really good ball as one wanted to see and the large crowd of spectators got their money's worth.

Four innings were played without a score and excitement grew tense. The score by innings is as follows:

Mars Hill 0 0 0 1 0 0 0 1—2  
Hartland 0 0 0 3 1 0 1 x—5

Billings pitched for Hartland throughout and won favorable comments and admiration from the large assembly of visiting spectators. The local team was in splendid form throughout.

Upwards of a hundred Mars Hill people accompanied their team here, there being 15 automobiles.

It will be recalled that a mastery game was played here with the Mars Hill team last year. In that game the scored tied in the seventh inning and five innings followed with no score, when darkness put an end to the sport.

At Bath on Monday evening Hartland team fell down badly, the Bath team running up a score of ten in the first inning.

Grand Falls team is due on the Hartland diamond tomorrow evening and a good game is anticipated.

Hartland plays at Bath on Saturday afternoon, and will play Centreville here on Tuesday. Hartland games start at 6 sharp.

#### Protestant Orphan Asylum

David Hipwell of St. John was calling on Hartland friends the first of the week. He formerly lived in Woodstock, and as a prominent Orangemen he is widely known. He is past Grand Master of the New Brunswick Lodge and informed The Observer that there is good prospect for the organization of a new lodge in Hartland.

The Grand Lodge has pledged itself to give \$10,000 of the \$120,000 required, to finance a provincial Protestant orphan home, and the money raised at the July Twelfth celebrations throughout the province this year to this cause. Mr. Hipwell was here in the interest of this movement. He addressed the Orangemen at Holmesville on Saturday (see report) and on Sunday he addressed the United Baptist Sunday school at East Florenceville, elucidating the project he is so interested in. It is expected that people at Florenceville will contribute a good sum as following Mr. Hipwell's address more than \$75 was at once subscribed.

#### Cabled Shipments of Calves

An entirely new branch of the farming industry has opened up in the shipments of live calves. A buyer from the States was here last week, as well as local Jews and offered the farmers from \$5 for "bobs" a few days old to \$25 for good veals. From Hartland station three carloads were shipped to Boston last week. It is said the hides of the animals are put to the ordinary use and the flesh is made into the delicate viand known as veal loaf.

The sale of these calves is a distinct loss to the stock of the county. There are today 2000 less of neat stock in this immediate vicinity than there was a week ago. Big prices may have been secured, but when the farmer comes to think it over he may wish his calves back for further development.

#### Picnic at Liscard July 23

The Church of England congregation at Liscard will hold a picnic on July 23. There will be all the usual attractions and a base ball game. Both dinner and supper will be served, and a good time is assured all who attend.

# America's Greatest Success Will Be Introduced Here

## FACTS ABOUT TANLAC

Twelve million bottles sold in four years.  
At present rate of sales grand total will reach 15,000,000 bottles by end of present year.

Large and modern laboratories at Dayton, Ohio, occupy 60,000 square feet of floor space.

Capacity of plant recently doubled to take care of rapidly increasing business. Present capacity 36,000 bottles daily.

Branch plant recently established in Canada, with a capacity of 8,000 bottles daily.

Demand for preparation has broken all world's records for same length of time, and is constantly increasing.

Publicly endorsed through the daily press by men of prominence throughout the United States and Canada including supreme court judges, mayors of leading cities, lawyers, doctors, bankers, states and government officials prominent educators and well-known ministers of the Gospel.

Now sold from coast to coast and from Gulf to Great Lakes, throughout the United States and Canada.

Tanlac is purely vegetable and is composed of the most beneficial roots and herbs known to science. Formula complies with all national and state pure food health laws of United States and Canada.

Absolute merit responsible for unprecedented success.

## World's Record Broken By Tanlac Over One Million Bottles Sold First Ten Weeks of This Year.

Tanlac has brought a new romance to the commercial world. It is the story of an acceptance and appreciation of merit never before attained by a proprietary medicine. Staid business men to whom the actual figures of the production of Tanlac have been presented have shouted their approval until the roof was shaken. The production of Tanlac now stands at the rate of almost four million bottles per year. The exact figures are 3,993,800. The sale of a million bottles in the first nine months, which far exceeds any record ever made by a proprietary medicine, now seems insignificant.

### OVER 17,000 BOTTLES A DAY

Sales this year bid fair to smash all previous records, as the sale for the first ten weeks of this year amounted to over One Million bottles, an average of over one hundred thousand bottles per week, which is at the rate of more than seventeen thousand bottles per day. These are actual figures and such is the record established by this wonderful medicine.

"One firm alone," said Mr. G. F. Willis, the international distributor of Tanlac, "has given orders for a total of 150,000 bottles within eighteen months." The firm I refer to is the Spaulding & Neal Co., of Nashville, Tenn. Mr. C. S. Martin, president of this great firm, who is also president of the Southern Drug Jobbers' association, will verify this statement.

"Tanlac is the result of many years of arduous study by Mr. Cooper and his principal chemist. In fact, the two of them have carefully watched its development from the beginning of the experimental stage to its present state of efficiency. So remarkable have been the results obtained from this medicine that I could seriously if either of these men realize the immensity of their success. Like many other great discoveries, it has required time to prove its far-reaching effects."

### Retail 700 Bottles of Tanlac in One Day

Atlanta, Ga.  
Mr. G. F. Willis,  
Fourth Nat'l Bank Bldg.

Dear Sir: Replying to your inquiry we are pleased to advise that we are now selling Tanlac at the rate of considerably more than 2,000 bottles per week.

On one Saturday alone we sold through our eleven Atlanta stores approximately 700 bottles at retail direct to customers.

We have had the exclusive agency since September 1, 1917, and have sold over 1,000,000 bottles since that time.

Tanlac, the Celebrated Medicine Which Has Been Accomplishing Remarkable Results in the United States and Canada, Will Now Be Sold in Hartland and Throughout the Province--Remarkable Sales Record of Twelve Million Bottles Phenomenal and Unprecedented.

Tanlac, the celebrated medicine which has been accomplishing such remarkable results throughout the United States and Canada, and which has been having a phenomenal sale wherever it has been introduced, will now be sold in Hartland, the exclusive agency having been awarded to Estey & Curtis Co., Ltd. The amazing success achieved by this medicine in only four years' time is not only phenomenal, but unprecedented.

The discovery of Tanlac, the beginning of its manufacture, the establishment of the large and modern laboratories at Dayton, Ohio, occupying more than 60,000 feet of floor space, reads more like fiction than facts from latter-day commercial history.

### Twelve Million Bottles Sold in Four Years

Although placed on the market but little more than four years ago, over twelve million bottles have been sold, and its sales record probably has never been equaled in the history of the drug trade in America.

From coast to coast and from Gulf to the Great Lakes, Tanlac is known and honored. Millions have taken it and have pronounced it the greatest medicine of all time. No matter where you go throughout the United States, whether East, West, North or South, Tanlac is a household word and is now unquestionably the most widely talked of medicine in the world today.

Briefly, this is the record of the truly marvelous medicine which will now be placed within the reach of every one. In only a few weeks' time it will be placed on sale in practically every large city, town, village and hamlet throughout the entire section.

## LEADING DRUG FIRMS OF AMERICA TELL OF SALES

Communications From Prominent Dealers All Over America Tell of Unprecedented Success of Tanlac.

The following are extracts from letters and telegrams from prominent dealers all over the United States and Canada telling in plain, cold figures of the remarkable growth and development of Tanlac throughout America.

### Memphis, Tenn.

Since we have handled Tanlac our sales have amounted to 359,564 bottles. April was our twelfth month and we sold five carloads during that month alone.

HESSIG-ELLIS DRUG CO.

### Nashville, Tenn.

Our books show that we have bought and disposed of over fifteen carloads of Tanlac (184,000 bottles) in this immediate territory, setting a record as the largest sale by us in a given time of any proprietary medicine in the history of our business.

These sales were made with no effort on our part and without a single complaint from any of our patrons or sub-agencies.

SPURLOCK-NEAL CO.

C. S. MARTIN,

Vice-President and Gen'l Mgr.

### Knoxville, Tenn.

Experience with Tanlac most satisfactory. Have handled it two years and have sold over 110,100 bottles since taking the agency.

KUHLMAN-CHAMBLISS CO.

### St. Louis, Mo.

We have handled Tanlac since January 1, 1917, and have sold to date 196,408 bottles. Our dealings with Mr. Willis highly satisfactory.

GREINER-KELLY DRUG CO.

### Jacksonville, Fla.

Have been handling Tanlac sixteen months and have sold at retail in our two Jacksonville stores approximately 20,000 bottles. Account very satisfactory in every respect. Cannot speak too highly of proprietors.

BETTES PHARMACY, INC.

### Houston, Tex.

We began handling Tanlac November, 1916, and have disposed of about 187,048 bottles. Has been a most satisfactory account in our support.

THE BARNETT DRUG CO.

### Fort Worth, Tex.

We have bought and distributed 177,492 bottles of Tanlac and find it the greatest seller we have ever handled or had anything to do with.

MAXWELL-CLARK DRUG CO.

### Toronto, Ont., Can., Dec. 1, 1918.

We have sold 146,328 bottles of Tanlac since accepting the agency. This shows an average of eight thousand bottles per month.

LYMAN BROTHERS.

### Atlanta, Ga.

We gladly give our experience with Tanlac. We took the agency in October, 1915, and have sold to date 162,444 bottles at wholesale. Account very satisfactory.

LAMAR-BANKIN DRUG CO.

### Birmingham, Ala.

Since we began handling Tanlac we have sold 170,472 bottles in our territory.

We have found it the largest seller we have in proprietary medicines.

DONNER-NORTHINGTON DRUG CO.

### Seattle, Wash.

Since we accepted the wholesale distributing agency for Tanlac in this territory on March 14, 1918, we have sold 73,624 bottles of the preparation.

STEWART & HOLMES DRUG CO.

### TANLAC TO BE SOLD OVER ENTIRE PROVINCE

In only a few weeks time Tanlac will be placed on sale in practically every large city, town, village and hamlet in this Province.

A number of agencies already have been established in a very limited time, but it is desired by the manufacturers that the distribution be made more complete and far-reaching.

Druggists and dealers who are interested should write or telegraph G. F. Willis, Fourth National Bank Bldg., Atlanta, Ga.

## LOVELY GIVEN ONE HOUR IN THE JAIL

Unwritten Law for Defence of Perth Man—Had Been Hidden for Twenty Days

Three criminal cases were tried in Truro last week at a special sitting of the county criminal court, Judge Webster presiding. The first case was that of P. B. Lovely, charged with shooting with intent to maim Harry Blair, clothes presser. The offence was committed on Feb. 3 last when Lovely, after warning Blair to cease his attentions to his wife, later found them together in Blair's shop, where the shooting took place.

Following a preliminary hearing, he was admitted to bail in the amount of \$2,000. When his case was called at the June session he did not respond, and a search warrant was issued. He was re-arrested on June 21, following information received by Chief of Police Fraser that some person was in hiding in the cellar of a factory near the railway crossing on Pleasant street.

Search of the premises found Lovely hidden away under the wall. When arrested he was in a pitiful condition and had, from his statement, been hiding there since the last of May and had nothing but water from a faucet in the cellar from that time until his arrest. He also said that he had come to Truro ready to stand his trial but W. S. Kennedy, L.L.B., retained on that date to defend him before the supreme court, had advised him to stay away until it blew over and had taken from him \$100 as a retention fee, giving him a receipt which was found in his possession at the time of his arrest, and produced in court.

After his re-apprehension, G. H. Vernon, L.L.B., who appeared for him at the preliminary hearing, was again retained to defend him and conducted his case today, H. O. McLatchy, K. C., acting for the crown. A plea on behalf of the accused was entered by his counsel that he had only temporarily committed the offence and that by virtue of the unwritten law Lovely was justified in acting as he had done and that the hardships which he had endured had almost resulted in his death, and were all the punishment which should be given him.

The judge in his address to the accused sympathized with him on the advice he had received to "hide away," and while he had to find him guilty of a technical offence he would impose sentence of one hour only in the county jail. Lovely formerly lived at Perth.

HARTLAND, N. B., JULY 17, 1919

## TORY EDITOR'S VIEW ON TARIFF

Editor Malaney of the Tory Woodstock Press, was one of the speakers at a big farmers' picnic held at Somerville, near Hartland, last week. The picnic was under the auspices of the United Farmers, and naturally enough most of the speakers took a whack at the tariff and condemned the profiteering which has been disclosed by recent parliamentary investigations. The published report of Editor Malaney's speech, which apparently emanated from a friendly source, is given by the Woodstock Press as follows:

"Mr. Malaney referred to Mr. Hagerman's remarks upon the necessity of financial aid to the branch stores, and pointed out that the farmers of this county had about \$500,000 in the banks in Woodstock drawing three per cent interest, some of which money should be invested in the branch stores. He was in favor of a tariff for revenue only, not a tariff that cuts off competition and encourages the clothing men to make 300 per cent profit, the flour men to make 75 per cent, the farm machinery men 75 per cent, and the cold storage men to make 50 per cent profit. New Brunswick required protection not so much from the United States as from the Upper Canadian provinces that closed the doors of the Woodstock tannery and other industries and has made this province a dumping ground for Ontario manufactures. He denied that the newspapers of Canada had been bought up by the grafters, but under the restrictions of the war measures act they were unable to look after the interests of the people, because, it was said, 'if an agitation was started it would give encouragement to the enemy while the war was in progress.'"

The above is pretty straight talk, coming from one who in 1911 opposed reciprocity on the ground that it would destroy the fiscal independence of Canada and work injury to the infant industries of Ontario, which had been fostered by the national policy. We are glad to note that Editor Malaney has at last seen the error of his ways and is seeking to make amends for the wrong done the people of Carleton in the days when he was compelled—reluctantly, no doubt—to act in the capacity of a blind guide.

The editor is certainly to be congratulated on the words of wisdom which he spoke to the United Farmers at Somerville, and it is to be hoped that he will keep up the good work until the combiners, in fear and trembling, are compelled to come down from their perch and re-open the doors of the Woodstock tannery.

Baltimore, Md.—"Nearly four years I suffered from organic troubles, nervousness and headaches and every month would have to stay in bed most of the time. Treatments would relieve me for a time but my doctor was always trying to get me to have an operation. My sister asked me to try Lydia E. Pinkham's Vegetable Compound before consenting to a surgical operation. I took five bottles of it and it has completely cured me and my work is a pleasure. I tell all my friends who have any trouble of this kind what Lydia E. Pinkham's Vegetable Compound has done for me. —NELLIE B. BURNHAM, 290 Calverton Rd., Baltimore, Md."

It is only natural for any woman to dread the thought of an operation. So many women have been restored to health by this famous remedy, Lydia E. Pinkham's Vegetable Compound, after an operation has been advised that it will pay any woman who suffers from such ailments to consider trying it before submitting to such a trying ordeal.

### THERE IS ONLY ONE GENUINE ASPIRIN

Only Tablets with "Bayer Cross" are Aspirin—No others!

If you don't see the "Bayer Cross" on the tablets, refuse them—they are not Aspirin at all.

Your druggist should give you the genuine "Bayer Tablets of Aspirin" because genuine Aspirin now is made by Canadians and owned by a Canadian Company.

There is not a cent's worth of German interest in Aspirin, all rights being purchased from the U. S. Government.

During the war, and immediately after, Aspirin in all forms and various other containers. But now you can get genuine Aspirin, plainly stamped with the safety "Bayer Cross" Aspirin, as by millions for Headache, Toothache, Rheumatism, Lumbago, Cold, Neuritis, and Pain generally.

Handy tin boxes of 15 tablets also larger "Bayer" packages.

Aspirin is the trade mark registered in Canada, of Bayer-Manufacture of Monoclonal-Aspirin of Solmsfeld.

**LIFT CORNS OR CALLUSES OFF**

Doesn't hurt! Lift any corn or callus off with fingers.

Don't suffer! A tiny bottle of Frezzone costs but a few cents at any drug store. Apply a few drops on the corn, calluses and "hard skin" on bottom of feet, then lift them off.

When Frezzone removes corns from the feet or calluses from the bottom of feet, the skin beneath is left pink and healthy, and never sore, tender or irritated.

Its ASSAM quality gives it that rich flavor

## For Baby's Tender Skin

A child's skin is tender as well as beautiful and eczema may be caused by chafing of clothing, the use of poor soap, exposure to cold or sudden change of temperature. Probably no treatment for eczema has ever proven so successful as Dr. Chase's Ointment, and this applies particularly to baby eczema. This ointment is delightfully soothing, stops the itching and consequently prevents scratching. Gradually the sores are healed up and the skin is left soft and velvety.

## Notice of Application for Incorporation

Public Notice is hereby given that application will be made to The Honorable The Lieutenant Governor of the Province of New Brunswick, in Council, for a grant of Letters Patent under the Great Seal of the Province of New Brunswick, under the provisions of the New Brunswick Companies' Act, 1910, and amending Acts, incorporating Willard L. Carr, of the Town of Woodstock, in the County of Carleton, and Province of New Brunswick, Lumberman; Edgar R. Teed, of the same place, Wholesale Grocer; Heber H. Hatfield, of the Town of Hartland, in the County of Carleton, Produce Merchant; Charles F. Gallagher, of Bath, in the County of Carleton, Merchant; W. Jack Dibblee, of the County of Carleton, and Province of New Brunswick, Livery Stable Proprietor; Alexander L. Strong, of the Parish of Northampton, in the County of Carleton, and Province of New Brunswick, Livery Stable Proprietor; and such other persons as may hereafter become shareholders in the proposed Company, a body corporate and politic under the name and for the purposes hereinafter mentioned.

The proposed corporate name of the Company is "The Saint John Valley Electric Light and Power Company, Limited."

The objects for which the incorporation of the Company is sought are as follows:

(a) For the purpose of buying, selling, generating, leasing, and using electricity for lighting, heating, communicating, and all other such purposes.

(b) To carry on the business of electricians, workers and dealers in electricity, motive power and light, and any business in which the application of electricity, or any like power, or any power that can be used as a substitute therefore is or may be useful, convenient or ornamental, or any other business of a like nature.

(c) To distribute, sell, lease or otherwise dispose of electric current in the Counties of Carleton, Victoria and York, and elsewhere in the Province of New Brunswick.

(d) To buy, sell, and generally deal in electrical supplies and machinery of all kinds.

(e) To acquire the right to use or manufacture and put up telephones, telegraphs, dynamos, accumulators, lamps, and all apparatus now known or that may hereafter be invented, connected with the generation, accumulation, distribution, supply and employment of electricity or any other power that can be used as a substitute therefor, including all cables, wires, or appliances, for connecting apparatus at a distance with other apparatus.

(f) To acquire the right to enter from time to time upon any public streets, roads, squares, open plots of ground or highways in any city, town or parish in the Counties of Carleton, Victoria and York, break up and open such public roads, streets, squares, plots of ground or highways, or any part thereof, for the purpose of erecting and maintaining poles and posts, and stringing and maintaining wires for telegraph, telephone, or electric light purposes, and for renewing and repairing the same, and for the placing and maintaining under ground, along or across such public streets, roads, squares, plots of ground or highways, mains, pipes or conduits for the conveying of steam, for power or heating or for the enclosing of wires for the transmission of electricity for heating, lighting or power, and for erecting and repairing the same. To erect and maintain poles, wires, conductors and appliances for conveying electricity over, along, through, across and under any such public streets, roads, squares, open plots of ground or highways, and bridges in the Parishes of Kent, Peel, Brighton, Wakefield, Northampton, Woodstock, Richmond, and the Town of Woodstock, in the County of Carleton, the Parish of Canterbury in the County of York, and the Parish of Perth, in the County of Victoria, and the public roads, bridges and highways in places adjacent thereto.

(g) To acquire by purchase and conveyance, lease or otherwise, all such lands, buildings, or real estate, works, machinery, plant, equipment and appliances as might be necessary or deemed advisable for the purposes of the Company and the carrying out of its objects.

(h) To construct, build, erect and maintain, purchase, lease, or otherwise acquire and operate works, buildings, machinery, poles, wires, and all such plant, equipment and appliances as may be necessary, usual or expedient for the objects of the Company.

(i) To carry on any other business (whether manufacturing or otherwise) which may seem to the Company capable of being conveniently carried on in connection with its business or calculated directly or indirectly to enhance the value of or render profitable any of the Company's property or rights.

(j) To do all or any of the above things as principals, agents, contractors, trustees or otherwise, and either alone or in conjunction with others.

(k) To do all such other things as are incidental or conducive to the attainment of the above objects.

The above purposes and objects to be carried out under the provisions of the above Act, having particular reference to Sections 18, 19 and 20 of said Act.

The head office and chief place of business of the Company is to be established at the Town of Woodstock, in the County of Carleton.

The amount of capital stock of said proposed Company is Three Hundred Thousand Dollars, divided into three thousand shares of One Hundred Dollars each.

The names in full, addresses and calling of each of the applicants, are as follows:

Willard L. Carr, of the Town of Woodstock, in the County of Carleton, Lumberman.

Edgar R. Teed, of the Town of Woodstock, Wholesale Grocer.

Heber H. Hatfield, of the Town of Hartland, in the County of Carleton, Produce Merchant.

Charles F. Gallagher of Bath, in the County of Carleton, Merchant.

W. Jack Dibblee, of the Town of Woodstock, in the County of Carleton, Merchant.

James W. Gallagher, of the Town of Woodstock, in the County of Carleton, Livery Stable Proprietor.

Alexander L. Strong, of the Parish of Northampton, in the County of Carleton, Gentleman.

Dated at the Town of Woodstock, in the County of Carleton, and Province of New Brunswick, this eighteenth day of June, A. D., 1914.

## LOCAL AND PERSONAL ITEMS

The John Robinson Show held  
in Woodstock on Wednesday  
drew very liberal patronage from  
this locality. The circus proved  
an excellent one and everybody  
had a good time. The Kiddies  
especially enjoyed it and parents  
from all around were considerable  
enough to see that they got there.

Centreville broke even in the  
baseball arena the past week.  
On Tuesday evening Hartland  
came up and won a game on the  
home diamond, while the boys  
on Friday evening succeeded in  
winning from Bath aggregation.

Guy Jamieson, W. G. Bishop,  
W. M. Bruce and F. O. Cronkhlite  
spent the week-end on the  
Tobique on a very successful  
fishing expedition.

Roland O'Hara arrived from  
overseas on Monday and is at  
home with his parents, Mr. and  
Mrs. Jas. O'Hara.

Mr. and Mrs. George Scocmond  
of Alberta are visiting the latter  
parents, Mr. and Mrs. W. R.

Mrs. C. A. Simonson of River-  
side, California, is visiting her  
sister, Mrs. William Reid.

Charles Wilkinson spent a few  
days last week in Fredericton.

Mrs. George E. McClintock of  
Dufur, Oregon, after an absence  
in the West of nine years, arriv-  
ed home on Monday for a visit  
with relatives and old friends.

Miss Annie MacKay spent last

## Bath Brezzer

The Holiday Season has not  
been forgotten.  
Picnics are the order of the  
day.

The 12th of July was celebrat-  
ed by the Orangemen in just the  
right kind of weather to be enjoy-  
able.

On Saturday July 19 Bath will  
be the centre for an attractive  
celebration. Posters will give  
the program proposed. The cen-  
tral idea in the program is ex-  
pression of thanks of the people  
of this community for the return  
of peace. This in turn is linked  
with another idea, which is ap-  
preciation of the gallant fight for  
the maintenance of liberty which  
we will endeavor to show towards  
our returned soldiers who will be  
the guests for the day of the  
Parishes of Kent and Wicklow.

Dr. and Mrs. McClintock spent  
Sunday on a motor trip up the  
Tobique Valley.

Miss Georgia Reid of Hartland  
is visiting her sister, Mrs. G. E.  
Wilkinson.

Dr. P. W. Oddy left on Friday  
for his home in Lawrence, Mass.,  
after a pleasant week's visit with  
relatives.

Linseed and Turpentine has done  
much good to myself, wife and  
children. My eldest girl, 7 years,  
had bronchitis and the doctor  
who attended her did not seem to  
do much good. We got Chase's  
Syrup of Linseed and Turpentine  
for her and she soon got well.  
We always keep this medicine in  
the house, now ready for use and  
find that it soon cures coughs and  
colds.

## COPENHAGEN CHEWING TOBACCO

Copenhagen is used differently  
from ordinary chewing tobacco.  
Take a small pinch, for a start,  
and put it between the lower lip  
and gum, in the corner.

Afterwards you can increase the  
size of the pinch to suit the  
strength of the chew you desire.  
Copenhagen is strong, because  
the tobacco of which it is made is  
cut into fine grains which makes it  
impart its strength thoroughly and  
quickly.

Here, a little "brick" goes a  
long way, showing that Copenhagen  
is not only an unusually economical  
chew, but also one of the finest  
quality, being made of the best  
old, rich, high-flavored tobacco.
