NEWCASTLE LEADS IN BALL LEAGUE

By defeating Chatham by a score of 11 to 5 Newcastle took first place in the Miramichi Baseball League last Friday evening on the Farrell Field Diamond. About five hundred fans were present to witness the game and at times were keyed up to a high pitch of excitement. It was a six inning game umpired by Wm. Ashford to the entire satisfaction of both teams and the spectators. Craik for the locals pitched an excellent game and on two occasions pulled himself out of very difficult holes. Throughout the game he had his opponents in the hollow of his hand and at no time were they able to seriously threaten the outcome of the game. Briggs twirled for the visitors and pitched a good game, but the locals had no difficulty in finding his deliveries, the number of runs scored being sufficient proof of this fact.

Had it not been for two or three bad throws on the part of the locals, Chatham's score would have only netted two, three of the five runs secured by them, received on overthrows.

Newcastle in the first inning scored three runs, while Chatham in their half was blanked. Neither team scored in the second. In the third, Chatham tied the locals in their half, due to overthrows on the part of the Newcastle players. Newcastle in their half of the third failed to score. The visitors were unable to chalk up any runs in the fourth, but the locals in their half, struck out with a magnificent burst of speed that thrilled the spectators and settled the outcome of the game. In this inning six runs were chalked up for Newcastle making it 9-3 in favor of the locals. Craik pitched three balls to his opponents in the fourth retiring the side each man finding the first offer and immediately retired before reaching first base. Chatham tried hard in the fifth tally but were unable to do so, while the locals in their half scored two runs making it 11-3.

In the final inning the visitors were out for blood, putting in a pinch hitter, but they were only able to score two runs, finishing the game with a score of 11 to 5 against them.

In Chatham's half of the sixth, Anthony Veniot, who played at third tried to pull off one of his cute grand-stand plays while at bat. A close one from Craik fanned him and grabbing his side as if hit, dropped the bat and went down to first, making believe by his actions that the sphere had hurt him. However Umpire Ashford who is an old baseball warrior was not so easily fooled and called him back to home plate, much to Veniot's chagrin, who was easily retired by a fly ball to centre field.

Open Season For Shooting Partridge

An open season for shooting partridge during the month of October has been approved by the Provincial Government for 1923.

This is in line with similar short open seasons for partridge hunting during the past several years, after there had been a complete prohibition in effect for some years

KEEN INTEREST IN HOSPITAL DRIVE MEETINGS

Last week very successful meetings were held in the following places, in the interests of the drive for funds for the Miramichi Hospital Extension and Nurses' Home, viz:—Friday, Lower Newcastle and Baribogue and Lyttleton, instead of Black River and Millbank, which had been previously announced and on Saturday at Tabusintac. The Kenous and Burnt Church meetings were particularly enthusiastic and at all points so far visited, energetic organizations for the drive have been formed.

This week meetings will be held at the following points:

Monday—Trout Brook and Chelmsford.

Tuesday—Maple Glen and Nelson

Wednesday—Barnaby River and Bay Du Vin.

Thursday—Sunny Corner, Red Bank, Blissfield and Upper Blackville.

Friday—Naguac, Napa and Black River.

Dates for meetings at Chatham and Boiestown have not yet been decided on, but announcement will be made in due time.

The Central Committee desires to express its appreciation of the good service which has been accorded by the Post Office and New Brunswick Telephone Company staffs.

Next week July 15 to 21st, the drive will be on and the several committees in charge feel confident that the entire county of Northumberland will respond heartily to this worthy cause and the expectations are that the objective of \$35,000 will be realized.

PRESENTATION TO MISS ARMSTRONG

Miss Armstrong who has been in Chatham for the past year as Public Health Nurse has resigned from this service and left Monday for her home in St. John.

On Saturday morning, a committee of the Red Cross Society waited upon Miss Armstrong and after reading an address, the presentation of a handsome silk umbrella was made to this popular nurse.

Miss Armstrong made a fitting reply. She stated that she was sorry to leave Chatham as she had found the people of the Miramichi most hospitable.

Miss Armstrong's loss will be strongly felt in the community as the work she was performing was most useful.

EASY—YET DIFFICULT

"Shooting one's mouth off" about this or that is very easy for some people who, when they are presented the opportunity to tell facts where facts will count, fail completely to produce the goods. If everything that was said about any government or its members, or of men who have come to a little higher position than the average, were true, one could not have any faith in the decency of mankind.

MILL MEN WORK SHIP MEN STRIKE

About 400 labor men of the Miramichi gathered at the Labor Hall, Nelson, Sunday afternoon to discuss the labor situation here for this summer and to hear the replies from the employers. On the river to the request for an eight or nine hour day on the Miramichi J.S. Martin reported that not one had answered the communication which had been sent to them individually and collectively.

As there was nothing the men could negotiate on, they decided to carry on even at the ten hour day and will go to work under these conditions.

The ship men, however refused to accept the 10 hour day and have gone on strike.

They say that they will not work longer than a nine hour day. At present it is stated all the steamers loading on the river are at a standstill owing to the strike.

CHATHAM AGAIN DEFEATS BATHURST

The Chatham baseball team invaded Bathurst on the holiday and defeated the home team by a score of 14-4. McKenna and Briggs were the opposing men and both twirled stellar ball for five innings. Bathurst were the first to score when they pushed across two runs in the fifth. Chatham came right back and took the lead when with a succession of hits they drove in 3 runs. A pass to McKenna and an over-throw to second tied up the score. McKenna had been gradually weakening and he blew up completely under an avalanche of Chatham hits. He was replaced by Kinsman who was also hit freely. When the big inning was over Chatham sent 11 more runs over the plate. Bathurst managed to score another in their half.

TENNIS MATCH ON HOLIDAY

Twenty members of the Moncton Lawn Tennis Club motored over to Chatham on Dominion Day and played a series of match games with the local Club. The result of the play was in favor of Chatham. Play commenced at 11, and continued till 8 with a short interval for dinner. During the afternoon, a dainty tea was served. Great interest was shown in the games, there being over one hundred people present, and the grounds presented a very gay and animated appearance. After play ceased in the evening, a delightful informal dance was tendered the visitors on the veranda of Mr. F. E. Neale. Dancing was kept up till midnight when the visitors departed for home. Before leaving Mr. Fred Reid in one of those witty speeches for which he is noted, voiced on behalf of the Moncton players, their appreciation and thanks for the hospitality shown to them and extended an invitation to the Chatham players to play a return match in Moncton in the near future.

DEMPSEY WINS OVER GIBBONS

Ringside, Shelby, Mont., July 4—Jack Dempsey was awarded the fifteen round decision over Tommy Gibbons St. Paul challenger, in one of the most surprising upsets in a heavyweight match in recent years. Gibbons was on his feet apparently very tired and holding on desperately, when the fifteen round battle ended.

The result was distinctly a surprise, as Dempsey was an overwhelming favorite in the meagre betting to win a knockout within six or seven rounds. The game Gibbons surprised even his most ardent supporters by carrying the hard hitting Dempsey in 15 rounds and outboxing him in spots. Dempsey outslugged Gibbons and landed the hardest punches, always trying desperately to whip over a knock out punch. When the battle ended, Gibbons was tired and rapidly feeding from the cruel punishment that Dempsey inflicted around the body. The challenger had to defend himself constantly in the 15th round to avoid a knockout punch. A tabulation of newspaper experts at the ringside gave Gibbons a shade in the fifth, eleventh and thirteenth rounds, while Dempsey

SEVEN YEARS OF TORTURE

Headaches and Indigestion Ended By "Fruit-a-lives"

The Marvellous Fruit Medicine

Like thousands and thousands of other sufferers, Mr. Albert Varner of Buckingham, P.Q., tried many remedies and went to doctors and specialists; but nothing did him any good.

Finally a friend advised him to try "Fruit-a-lives"—now he is well. As he says in a letter:

"For seven years, I suffered terribly from Headaches and Indigestion. I had belching gas, bitter stuff would come up in my mouth, often vomiting, and was terribly constipated. I took Fruit-a-lives and this grand fruit medicine made me well."

was out in front in the remaining twelve.

Only Small Crowd Attended

Ringside, Shelby, Mont., July 4—The big pine stadium, built to accommodate 40,000 contained only about 25,000 people when the promoters finally set in motion the preliminaries to the bout for the world's heavyweight championship between Jack Dempsey and Challenger Tom Gibbons at 1:30 o'clock this afternoon.

FIRE MARSHAL REGRETS BLAZE AT REDBANK

H.H. McLellan, provincial fire marshal who has been making a tour of the province by automobile looking into recent fires returned to St. John last week. Mr. McLellan reports a very successful trip, having reached a number of places never before visited, and that he found the people very willing to co-operate in the matter of fire prevention. He said the campaign of education carried on was beginning to bear fruit and the citizens were waking up to the fact that it paid better to prevent fires from starting than to fight them after they had started.

In quite a number of the towns and villages deputies have been appointed, the town and village councils paying the salary of these officials. A number of investigations were held during his trip and the evidence in the cases submitted to the attorney general for his inspection and action, if that is necessary.

Speaking of the Red Bank fire, Mr. McLellan said this was a calamity and the most serious feature of the case was that in a loss of about \$130,000 there was only about \$25,000 insurance. The investigation made it plain to the fire marshal that it was an accidental fire.

The sad feature of such a calamity was that a very small expenditure would have placed them in a position to prevent such a catastrophe. The village was not 250 yards from the bank of the river and an outlay of less than \$3,000 for a pump and a couple of thousand feet of hose would have placed them in a position to fight the flames and have saved much of the property which was destroyed.

Despite the heavy losses during the month of June, Mr. McLellan said, the structural fire losses for the first half of 1923 would be at least a quarter of a million dollars below those of the same period for last year.

THE USE OF TELEPHONES

All telephone orders should be confirmed at once in writing. While everyone endeavors to comply with telephoned requests, it is not possible to consider lengthy instructions in detail by wire at a busy time, when one is called from other matters in hand to answer the phone. The telephone for business was never intended to take the place of writing and it is not even fair to monopolize time with conversation by wire to occupy more than a very few brief sentences.

after he had agreed to finance the second preliminary.

Bud Gorman of Kenasha, Wis., a 200 pound sparring partner, from Gibbons' training camp, defeated Harry Drake of London, England, one of Dempsey's sparring partners in an eight round semi-final. Gorman won every one of the eight rounds.

ROBIN HOOD FLOUR

Wins Again

IN the recent Raisin Bread contest held in Charlottetown, the prize-winning Loaf was baked with Robin Hood Flour.

Also at St. John, in a similar competition, where there were over 1000 entries, a loaf baked with Robin Hood Flour was again returned winner of the First Prize.

The winning of such high awards, in competition with all other Flours, in Bread-Baking Contests is only incidental to being overwhelmingly acclaimed by the housewives of the land as the Super-flour with which success in baking is so easily accomplished.

Wonderful Tea!

Users of KING COLE Orange Pekoe are frequently heard to remark: "It's really wonderful tea." This is not particularly in reference to its outstanding quality although that is necessarily included, but is due to the wonderful way it "spends." For KING COLE Orange Pekoe is a rich liquoring tea as well as a deliciously flavorful one. Skilful blending combines these two great tea qualities for your enjoyment.

NEWCASTLE,

MIRAMICHI PRESBYTERIAL W. M. S.

The 27th annual meeting of the Miramichi Presbyterial was held in St. Andrew's Church, Campbellton, on Wednesday and Thursday, June 27 and 28. There was a good enrollment of delegates representing the several Auxiliaries and Mission Bands throughout the bounds, and the hospitality accorded by the people of the home congregation was all that could be desired.

The opening session was held on Wednesday evening. Mrs. L.H. MacLean, the president, gave an address, "The Present Hour;" Miss Louise McCully, home on furlough from Korea, spoke interestingly of the work in that one-time "hermit nation" where she has been missionary for twenty three years; Rev. Frances Yates of Metapedia, took up some aspects of foreign mission work in the closing address of the evening.

On Thursday morning and afternoon the business of the Presbyterial was transacted. The reports of Auxiliaries, Young People's Societies and Mission Bands were generally of a very encouraging character. The Treasurer's statement for the year showed the missionary receipts to be considerably larger than for the preceding year. The round table conferences on various features of the work of the organization brought forth interesting and helpful discussions. A pleasing incident of the afternoon's session was the presentation of twenty-five carnations each to Mrs. Osborne Nicholson and Miss A.B. Cameron in honor of their having served twenty-five years successfully as secretary and treasurer respectively. The presentation was

made in the name of the Presbyterial by Miss McCully. As a compliment to their visitor and in appreciation of her splendid service as missionary, the Presbyterial through Mrs. D.J. Bruce presented Miss McCully with a handsome bouquet of carnations, the president concluding with a brief and fitting address.

Out of the conference on the Foreign Mission situation, on which Miss McCully was able to give much first hand information, keen enthusiasm was created and the Presbyterial there and then resolved to help relieve the financial obligation resting upon the church at large by raising as a special offering in the next few months an amount

sufficient to defray Miss McCully's travelling expenses back to Korea.

Greetings were tendered by Mayor McKay of Campbellton in fitting words to which Mrs. G.B. Fraser of Chatham gave appropriate reply. The Anglican, Baptist and Methodist churches also sent cordial greetings. Revs. J.F. McCurdy and F.W. Thompson addressed the Presbyterial on behalf of the Miramichi Presbytery, the former also giving an interesting address on Home Missions. Rev. W.W. McNair spoke on "The Forward Movement—Success or Failure?" The election of officers resulted in the choice of Mrs. L.H. MacLean as President, Mrs. O. Nicholson as Secretary, and Miss A.B. Cameron as Treasurer, besides the several conveners of standing committees. The Presbyterial accepted the invitation to meet in 1924 at New Mills.

INSTALLED LIGHTNING ROD SYSTEM

The residents of Northumberland County are beginning to realize the protection to property afforded by the installation of an up-to-date Lightning Rod System. Last week Mr. W.E. Russell of Newcastle, who is the New Brunswick representative for one of the largest and best manufacturers of Lightning Rods, installed a system on the residence

of Mr. Ritchie Allison, Chaplin Island Road. Many others are looking into the matter with the purpose of installing systems in the very near future. The system installed by Mr. Russell is not only a safeguard against lightning during an electrical storm but it also is responsible for a large reduction in insurance premiums.

"My Heart Would Palpitate, I Had Weak Spells"

Mrs. L. Whiting, 202 King St. West, Brockville, Ont., writes:—

"I took very sick with my nerves and stomach, and seemed to be all run down. At times my heart would flutter and palpitate so and I would take such weak spells in the pit of my stomach that I sometimes thought I would never get better. I had almost given up hope when a friend advised the use of Dr. Chase's Nerve Food. I did not stop until I had taken twenty-five boxes. It has done wonders for me and I want to recommend it to everyone."

Follow this simple rule to have lovely, gleaming hair

Never shampoo your hair without olive oil, hair specialists warn. To do so is to leave hair dry, dull, brittle—all its rich warmth of color and life gone. No hair can be beautiful unless clean, they say. Nor can hair be beautiful without the glossy sheen so much admired.

Therefore—use olive oil shampoo.

You see prettier hair everywhere, today. Women have learned that the most delightful form of olive oil hair wash is PALM-OLIVE SHAMPOO.

It is convenient for home use, and most economical—costing but a fraction of what you'd pay to have the same treatment from a specialist.

Weak Digestion Due To Poor Blood

Perfect Digestion Will Come if the Blood is made Rich and Red.

There is no tonic for the stomach that is not a tonic for every other part of the body. But the stomach depends, as does every other organ, on the blood for its energy.

There can be no perfect digestion unless you have rich, red blood. This is scientifically true. The way, then, to tone up the stomach is to enrich the blood.

Most stomach remedies try to digest your food for you. How much better it is to tone up the stomach so that it will do its own work, as nature intended. There is no pleasure in eating predigested food. Tone up your stomach, then your appetite and digestion will soon be normal.

If your digestion is weak and your blood thin, you need Dr. Williams Pink Pills to restore the strength to your blood; in addition use care in the selection of your diet and your stomach trouble will soon pass away. Mrs. Chries La Rose, Fruitland, Ont. suffered severely, and tells what Dr. Williams Pink Pills did for her. She says:—"I was a terrible sufferer from stomach trouble. The doctor called it nervous indigestion. Everything I ate distressed me, and I became so weak and rundown I could hardly walk. I had a pain around my heart most of the time and I slept very poorly. I was afraid I would not get well, as the doctor's medicine was not helping me. In this serious condition Dr. Williams Pink Pills were recommended and I decided to try them, and I can truthfully say that they made me feel like a new person. I will always give this medicine a word of praise when I get a chance for I think there is nothing to be compared with it for dyspeptics, or any one weak, nervous or rundown."

You can get these pills through any dealer in medicine or by mail postpaid, at 50c a box, from the Dr. Williams Medicine Co., Brockville, Ont.

Labormen Request A Nine Hour Day

The following letter has been sent to all the Miramichi mill-owners:

At a largely attended meeting of the working men of the Miramichi held in the Labor Hall at Nelson, Sunday afternoon, July 1st, it was unanimously decided to request of the employers a nine hour work day. This request was previously made to Mr. J.W. Brankley, President of the Lumbermen's Association, by the writer, in behalf of the workmen but was apparently ignored.

It was further resolved, it needs sary, to have a Committee of the employers meet the employees to discuss this or any other matter of interest to either party.

It is desirous to have an answer to this request not later than Friday of the present week.

Yours respectfully,
J.S. MARTIN,
President I.L.A.,

Semi-Monthly Crop Report

An improvement in the crop conditions has taken place during the fortnight just ended. Rains, which were general to the province, fell on the twenty-ninth of June. With the commencement of the haying season, two weeks distant, the prospect is for a very poor crop. Only fifty percent of an average hay crop will be harvested on the uplands. The marsh and intervals will yield an average crop.

The potato crop is well above ground and its cultivation is in progress. The acreage is seventy-five percent of normal planting.

The late sown crops, turnips and buckwheat, are above ground and the thinning of the root crop is in progress. The acreage sown to roots is normal.

BRANCH ENGINE LEAVES TRACK

On Tuesday, when the Chatham branch train was returning from Newcastle after meeting the accommodation, the engine left the rails at Ivory's above Nelson. The track was torn up for a distance of one hundred yards.

The engineer was thrown through the window of the cab and landed, uninjured, in a pool of water.

The two passenger cars remained on the track, the passengers suffering no more than a slight scare. The mail and passengers were brought by cars to Chatham. A wrecking crew sent out from

You have your car insured against fire probably perhaps you have not. You figure it cost \$1000. Well, if she burns \$1000 won't jar me much.

Suppose you were to knock out another man of your own financial standing, say \$100,000, and you were requested to pay compensation according to his means.

During the Year 1922--1923 The Miramichi Hospital, Newcastle, N.B. Treated 489 Patients

Northumberland County furnished 420 of these patients the remaining ones coming from the Counties of Restigouche, Gloucester, York, St. John, Kent, Kings, also Prince Edward Island, Saskatchewan, Newfoundland, Nova Scotia, and England.

The above facts give some idea of the wonderful and widespread work which this institution is performing.

The number of deaths for the year, including infants was 21, which is 1.6% of the total number treated, (less 14 occurring within 48 hours) this is a remarkable record and worthy of deep consideration.

74 Patients were treated free of charge, (comprising 1483 days of FREE TREATMENT.

CROPS ARE MAKING RAPID PROGRESS

With ample moisture and no excessive heat, the crops throughout the prairie provinces are in excellent condition and making rapid progress, states the weekly crop report issued by the Agricultural Department, Canadian Pacific Railway.

Wheat is in shot blade, except late sown grain, which requires another few days; oats and barley are uniformly good crops, grass is abundant and the hay yield will be heavy. Rains were fairly widespread over the provinces during the past week.

LITTLE CHEATING DONE ON LINKS

There is comparatively speaking, very little cheating in golf for several reasons. And possibly the most important reason is that each golfer is his own referee or umpire or judge. There are few occasions when an outside party is involved such as the umpires of baseball or the referees and judges of football.

In golf the player is out upon his own and only those with the instinct of a knave will deliberately break some rule or put down an incorrect score. There are times when mistakes in scoring will develop or when rules will be unknowingly broken. But those players who have incurred penalties and make no mention of the same are few.

A golfer can acquire no rougher reputation than to be known as one of the cheaters. And if he is cheating he is usually found out before many rounds have been played. He may think he is putting something over but he won't be able to put anything over, often for the caddy has a keen eye and the caddy doesn't mind talking now and then.

There are golfers of course who will improve their lie or fall to turn in correct scores for different holes. But they soon begin to find it harder and harder to get an afternoon's game even when certain suspicions haven't been confirmed. When these suspicions are confirmed the cheater's day is over and he passes from the picture.

It is usually something of a treat to play with a first class player. It is always a treat to play with a man who knows and plays by the rules and by all the ethics which the game has built up.

AFFAIR BETWEEN CANADA AND U.S.

British Government officials consider the fisheries treaty signed between the United States and Canada as an affair between those two governments, and as not requiring ratification by the other British Dominions, it was stated today in authoritative quarters.

The signatures of Ernest LaPointe Canadian Minister of Marine and Fisheries and Secretary of State Hughes for the United States, are required as giving the document legal efficiency, inasmuch as the interests of the other dominions seemingly are not involved by the agreement.

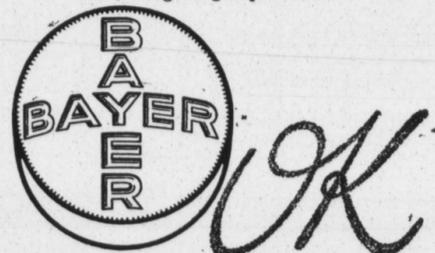

This entire question, it was said, today, was settled last March when Mr. LaPointe advised Secretary Hughes that the British Government recognized Canada's right to absolute freedom in the diplomatic field.

UP TO THE TIMES

A newspaper may boom a town through its editorial and news columns, but a critical investor takes his cue from the advertising columns for substantial evidence as to the thrift and prosperity of the place. To him the advertising is the barometer that measures the prosperity of a town. The ads reflect a prosperous condition and tell him that the place is up with the times in business.

JUSTICE FOR
THE POOR

Do the Canadian courts afford
sufficient means of defense for
those accused of contravention
of the provisions of our Criminal
Code? This is a question that is
frequently asked and it is often
answered in the negative by those
who have intimate knowledge of
our processes of law. Many of
those who are dissatisfied with the
present system suggest that it
might be considerably improved
if Public Defenders were appoint-
ed in connection with the Courts
in our large centres of population.
The Public Defender would be an
eminent attorney whose duty it
would be to conduct the defense
for any poor person unable to re-
tain private counsel. Like the
Crown Prosecuting Attorney he
would be paid a salary from pub-
lic funds and he would hold office
during good behaviour.

The arguments in favour of
such a system are numerous and
are voiced by men of influence
and wide experience in both Can-
ada and the United States. For
instance the Hon. T. L. Wool-
wine, a California attorney who
holds a position corresponding to
that of a Crown Prosecutor in
Canada, says: "The office of Public
Defender was created for the
protection of those too weak to
help themselves. No man should
be convicted of crime without
having had the opportunity of
making a proper legal defense,
and it is to my mind a duty of
the state to provide him with
such defense if he is unable other-
wise to secure it. This attorney
in company with many other
attorneys and judges in those
cities of the United States where
Public Defenders have been ap-
pointed, holds the opinion that a
permanent salaried official of this
sort can conduct the defense of
indigent prisoners better than
any other person. In many

courts it is customary to assign
cases to any lawyer who happens
to be willing to undertake the de-
fense for the consideration of a
fee of about \$25 provided out of
public funds. Under this latter
system, as may be conjectured,
accused persons have not always
received adequate defense. Too
frequently inefficient lawyers who
could make no better living have
hung around court rooms in the
hope of picking up assignments
of this sort, with the result that
the defense has over and over
again been inadequate or perfunctory.

The Public Defender, on the
other hand, would be an attorney
of experience and ability. Not
only would his work be more ef-
ficient, but it would cost the pub-
lic less to provide his annual sal-
ary than to dole out, fees to spe-
cial lawyers.

Several cities in the United
States have adopted the Public
Defender system as an experiment
and later have confirmed it as a
permanent feature of their court
system. Testimony from all of
these cities confirms the state-
ment of Judge Frank R. Willis.
It was he who said after noting
the results of the system in his
own Department: "I find that
instead of the ordinary methods
of defendants' attorneys in trying
to secure an acquittal by any or
all kinds of means, legitimate or
otherwise, the Public Defender
has uniformly endeavored to pre-
sent the facts of each case thor-
oughly to the jury, and tried to
secure only such verdict as the
facts of the case would warrant.
It has been a great saving to the
county in the matter of expense
and has usually been productive
of a more fair and impartial ad-
ministration of justice than the
method formerly employed of
appointing attorneys unfamiliar
with criminal law to represent
the defendants' interest."

Chatham, Ont.--"I took Lydia E.
Pinkham's Vegetable Compound for a
run-down condition after the birth of
my baby boy. I had terrible pains and
backache, and was tired and weak, not
fit to do my work and care for my three
little children. One day I received your
little book and read it, and gave up tak-
ing the medicine I had and began taking
the Vegetable Compound. I feel much
better now and am not ashamed to tell
what it has done for me. I recommend
it to any woman I think feels as I do."
—Mrs. J. R. McMAHON, 153 Harvey
St., Chatham, Ont.

Lydia E. Pinkham's Vegetable Com-
pound, made from roots and herbs, has
for nearly fifty years been restoring sick,
ailing women to health and strength. It
relieves the troubles which cause such
symptoms as backache, painful periods,
irregularities, tired, worn-out feelings
and nervousness. This is shown again and
again by such letters as Mrs. McMahon
writes, as well as by one woman telling
another. These women know, and are
willing to tell others, what it did for
them; therefore, it is surely worth your
trial.

Vancouver.--A judgement of
considerable importance and in-
terest to real estate agents has
been rendered by Judge Grant,
who dismissed the action of Turn-
er, Meakin & Company against
Mrs. Emily Field.

Claim was advanced by the
plaintiff company for \$237, being
5 per cent commission on the sale
of Mrs. Field's Kerrisdale resi-
dence for \$4,750.

The house had been listed by
Mrs Field with Turner, Meakin
& Company, 446 Seymour St. for
\$4,750. While it was in the hands
of both firms for sale, a purchaser
was secured by Turner, Meakin
& Company who offered to pay
\$5,300, the enhanced price includ-
ing an adjoining lot also owned
by Mrs. Field.

Leaving that firm the pros-
pective purchaser noticed the
house advertised in the window
of Shinnicks Limited for \$4,750.
He walked in, paid a \$500 deposit
and closed the deal for that figure.
This development subsequently
came to the knowledge of Turner
Meakin & Company, who claimed
commission on \$4,750, alleging it
was due to their efforts that a
purchaser was secured.

Judge Grant decided Turner,
Meakin & Company was author-
ized to sell for \$5,000 and having
nothing to do with a sale for
\$4,750, was not entitled to any
commission

Lawyer Showed Him
How To Get His \$100.

A traveling salesman, bristling
with anger stalked into a lawyer's
office and told the lawyer that he
had been bilked out of \$100 in the
following manner: Suffering some-
what from inebriety, and being ap-
prehensive that he might spend all
his money, he went to the clerk of
the hotel in which he was stopping
and handing the clerk a \$100 bill,
requested that it be saved for him
until he called for it. The follow-
ing day he went to the clerk and re-
quested his \$100 bill. The clerk
stared at him, and shaking his head
with seeming incredulity, said:
"You've made a mistake; you never
gave me a \$100 or anything else."
The salesman saw the point; he
had no witness to the transaction,
so he left and repaired to the law-
yer's office. The lawyer advised
him: "You can get another \$100 bill
and in the presence of a witness go
to the clerk and apologizingly say
that you gave a \$100 to someone to
save for you, but mistakenly thought
it was he and, however, you hand
him the new \$100 bill and ask him

to save it for you. He will do so
Later in the day you go to him
alone and request him to return
the \$100 bill. He will return it to
you. The following day you go
to him with your friend who was
present when you turned over the
last \$100 bill for safe-keeping and
demand the \$100. The clerk will
see the point when he sees your
witness, and so you will get your
first \$100 back also." The salesman
did as advised and the day after
came to the lawyer with a broad
grin saying: "Your advice worked
like a charm, and I got my \$100
back, the first as well as the
second. Now how much do I
owe you?"
"One hundred dollars," replied the
lawyer.

JUDGE RITCHIE HAS RESIGNED

G.A. Henderson Clerk of Police Court, to Succeed Him.

On July 13 the city of St. John will have a new Police Magistrate and Judge of the City Court, the long expected resignation of Hon. R.J. Ritchie having been received by the Provincial Government and accepted by them, to take effect on Friday, July 13. George A. Henderson, at present clerk of the police court has been appointed to fill the position vacated by Hon.

R.J. Ritchie and will take over the duties of the office on that day.

Hon. R.J. Ritchie has held the position of police magistrate for the past 34 years, having been appointed in 1889. For some years he has wished to retire but did not feel that the city had made adequate provision for a retiring allowance. The matter has been before the common council on several occasions. At first they offered

\$1,800 as a retiring allowance but this was not acceptable to the judge who wanted the full salary, \$3,000 per year, basing his claim for this amount on the fact that if he had received the increases to which he was entitled that would be about the proper figure. Last spring the council passed a resolution offering an allowance of \$2,500 and this will probably be the amount paid the judge.

His successor, who was admitted

attorney in 1874 and barrister in the following year, has been for many years clerk of the police court and has always acted as magistrate in the absence from the city of Judge Ritchie. His appointment will meet with very general approval.

The best wishes of every citizen of St. John for a pleasant eventide of life will go with Judge Ritchie in his retirement from the office which he has so well filled.

Every day of your life you can have a good loaf of Bread if you bake with
