CAESIANS TAKE LITTLE

ALLIES Take Little Stock in German Threats

Decision to Ratify Peace Terms Will Hardly Change Russian Situation.

FIGHTING TO RESUME

Delegates at Moscow Expect Peace to Be Only Temporary.

Washington, March 15.—The decision of the all-Russian congress of soviets at Moscow to ratify the German peace terms, announced in press cables today, was reached after re- cept of President Wilson's message to the Russian people assuring them that America would take the first opportunity to help them regain their complete sovereignty and independence.

A message received at the state department today from American Consul Summers at Moscow said the president's message was delivered two days before the soviets met.

Official expression here today indicated that America and the allies expect the action of the congress to have little direct bearing on the general Russian situation. It apparently was believed that chaotic conditions will continue in Russia for a long time to come, even though the Germans make every effort to reestablish order and to reorganize the country's industrial and agricultural life.

Officials here do not profess to know to what extent Germany plans to use her forces in policing the provinces Russia is compelled to relinquish on how much farther German troops may penetrate into the east.

Only Temporary Peace They were deeply interested in a despatch from Moscow which said that peace will be temporary only and that Russia will gather herself together with a new socialist army to fight the Germans. The fact that only slightly more than half of the delegates expected to attend the congress were reported as voting also caused comment.

The attitude of the American government towards the German peace proposals towards a general peace at the expense of Russia is directly in line with the expression of Lord Robert Cecil in the house of commons today that even if such a proposal came from Germany it would not be considered.

KNIGHTHOODS GIVEN IN NEWFOUNDLAND

Lady Margaret Davidson and Food Controller Patrick McGraher Members of New Order.

St. John's, Nfld., March 15.—Lady Margaret Davidson and Food Controller Patrick McGraher are honored with knighthood in the first list of appointments for this colony in the recently created Order of the British Empire.

Lady Margaret is the wife of former Governor Davidson of Newfoundland, now governor of South Africa. Mr. McGraher is food controller of the province and chairman of the pension board, a newspaper publisher and contributor to various periodicals in the United States and Canada.

A commendation in the order was awarded to Augustus Clift, vice-president of the pension board. Other honorees were announced for various trades men and women who have rendered service to soldiers of the colony in the war.

PORK FOR CANADA

Limited Amount May Be Sent From United States Under License.

Washington, March 15.—Relaxation of restrictions on the export of pork and pork products to Canada, similar to that recently announced on such exports to the British West Indies, Central and South America and Africa, was announced today by the war trade board. Limited amounts of pork will be permitted to go to these countries under license.

Row in Austrian Chamber

Both Austrians and Hungarians Declared They Had Not Enough Food.

Washington, D.C., March 15.—An official despatch from Zurich says that tumultuous scenes occurred last Wednesday in the Austrian chamber on the discussion of the food situation. They were provoked by the Austrian Teutons, who accused the Czechs of wanting to starve Austria. When a Czech orator declared that Prague had no flour, no potatoes, no wine, no milk and no eggs, the Austrians cried: "We have not any flour, but we have a great quantity of wheat." "Your are the allies of England."

COALITION IS OPPOSED

Prince Alexander of Serbia Receives Heads of the Various Parties.

Cornu, Wednesday, March 13.—Prince Alexander, heir apparent to the Serbian throne, after receiving the resignation of the cabinet headed by Nikola Pachitch which was formed on June 25, 1917, conferred with M. Bratchinatz, president of the Skupshtina, who asked the prince to receive the heads of the various parties to discuss the crisis with a view to forming a coalition cabinet. The prince received the party leaders, as well as other prominent in Serbian political circles, but the idea of a coalition cabinet met with opposition.

SATURDAY MORNING MARCH 16 1918—SIXTEEN PAGES

LET ENEMY ATTACK SAYS LUDENDORFF

German General Boasts of Preparations to Meet Allied Offensive.

ON THE WEST FRONT

Amsterdam, March 15.—Germany is now stronger than her enemies in men, material and air forces and in tanks as well, Gen. von Ludendorff declared in an interview in the Cologne Volks Zeitung. The general said the enemy was welcome to attack and would find Germany ready, and that if he was not inclined to make peace he would have to fight.

"Our front in the west is now much more favorable for us than it was last year," Gen. von Ludendorff told the interviewer. "How difficult the situation was must be gauged from the fact that we had to restore calm in the east and defeat Italy in the south. But now we are stronger than the enemy both as regards war material, aerial forces, tanks. Everything in fact of which he boasts is standing in readiness on our side in the greatest abundance."

"If the enemy wishes to attack now let him do so. He will find us ready. If the enemy does not want peace he will have to fight, an uphill fight, of course, but the most tremendous of the whole war is now before us. We will obtain German peace, not a doubtful peace."

BRITISH STRENGTH DELIGHTS THOMAS

French Socialist Leader Admires Equipment of Ports.

London, Thursday, March 14.—Albert Thomas, minister of munitions in the Ribot cabinet of France, and a delegate at the inter-allied Socialist conference recently held in England, giving his impressions of his visit to England in a letter to "The Daily Chronicle," writes: "My chief joy was to see industrial Britain in its strength and greatness; to witness the effort which the war has made necessary. The delegates at ports like Cardiff and Liverpool, and the extended activities of Birmingham and Manchester, filled our souls with pride and hope. There we saw the apparatus for securing by economic means the triumph of ideals of freedom which are dear to both England and France."

"Their realistic practical business instinct has enabled the British to realize how necessary such an organization as the inter-allied Socialist conference is for old treaties based on force to afford a solution for our present difficulties; and, lastly, how the rules of arbitration in daily use in business should be substituted among nations if we would substitute a regime of right for a regime of force."

INCREASE IN COMMODITY RATES GRANTED TO U. S. RAILWAYS

Washington, March 15.—A general increase of about 15 per cent. in commodity rates was granted today by the interstate commerce commission to railroads west of the Mississippi and north of the Ohio and Potomac Rivers, supplementing a similar increase allowed last June in class rates. The new rates will go into effect as soon as railroads file new tariffs, probably within a few weeks.

The action will add about \$8,000,000 to the revenue of the Canadian roads, although it will not actually increase their earnings, since the sum will revert to the government under the system of common operation, and railroads will be paid on the basis of a fixed compensation outlined in the railroad bill just passed by congress.

FRENCH REGAIN GROUND LOST ON MARCH FIRST

Local Success in Champagne Region Also Nets Forty-Two Prisoners and Two Machine Guns.

Paris, March 15.—In the Champagne region west of Monte Cassini the French have regained trenches which the Germans had occupied since March 1, according to an official statement issued today. The French recaptured back 12 prisoners and two machine guns.

FIFTY HORSES POISONED

Covington, Ky., March 15.—Fifty horses are dead of poisoning in Covington and many more are expected to die out of a government shipment of 725 horses from Camp Grant, Rockford, Ill., consigned to Newport News. The poison used was belladonna and croton oil. Deaths of horses generally are said to be the result of German plots.

CANADIANS WIN SUCCESS AGAINST ENEMY AT LENS

Trenches Raided and Prisoners Taken in Attack at Dawn—Hostile Artillery is Active.

London, March 15.—Canadian troops in the region of Lens again have attacked enemy trenches with success and taken prisoners, according to the British official communication issued this evening. On the other hand, attempted enemy raids near Passchendaele and south of the Menin road were repulsed by the British. The text of the communication follows: "At dawn this morning Canadian troops raided enemy trenches south of Lens and brought back 14 prisoners. A hostile raid was attempted last night in the neighborhood of Passchendaele by a large party of the enemy, who suffered heavily from our artillery barrage, and machine gun fire in their unsuccessful attempt to reach our lines. We secured a few prisoners. This morning, under the cover of a heavy bombardment, a hostile raiding party attacked our posts south of the Menin road, but was repulsed by rifle fire. "The hostile artillery was less active on most parts of the front, but it has shown somewhat greater activity in the Lens and Messines sectors and in the neighborhood of the Ypres-Comines Canal."

TRUTH OR BLUFF?

Von Hindenburg Says Offensive Must Go On and is Ready to Lose 300,000 Men.

Washington, March 15.—War Department officials are not convinced that the Germans are ready to undertake a big offensive on the western front, despite advance notices sent out from Germany. Despatches today giving a summary of an interview, in which Field Marshal von Hindenburg was reported to have declared that since the allies appeared unresponsive to Germany's peace proposals, the offensive must go on, evoked interest.

A statement attributed to General von Ludendorff, that Germany is now stronger than her enemies, and that the French line has been estimated in conservative quarters as having cost them something like 500,000 men.

WILL PRESS BILL KILLED BY SENATE

Bill Will Include Giving Municipalities Control of Their Streets.

Ottawa, March 15.—It is officially announced today that the government bill to revise and consolidate the Railway Act will be promptly introduced and pressed to passage at the coming session. The bill will include the clauses which restore to the municipalities the control of their streets and put an end to the perpetual session of the Toronto and Niagara Power Company.

ENOUGH U. S. PLANES IN FRANCE BY JULY TO PROTECT SECTORS

Washington, March 15.—American built battle planes will be in France by July in sufficient quantity to assure adequate air protection of the sectors then held by American troops. This statement rests on the highest authority, and was made tonight with full recognition of all failures and disappointments that have hampered the development of the air program.

FRONT BENCHES ARE ARRANGED

Half of Sir Wilfrid's Row Consists of Members From Quebec.

Ottawa, March 15.—The composition of the government and opposition front benches in the new parliament as supplied by the prime minister and Sir Wilfrid Laurier will be as follows: Government Front row: Sir. Thos. White D. D. McKenzie Hon. N. W. Rowell J. H. Sinclair Sir. Robt. Borden Hon. C. Murphy Sir. Geo. Foster Sir. W. Laurier Hon. F. B. Carroll Hon. R. Lemieux Hon. C. J. Doherty Hon. Chas. March

NO ACTION YET TAKEN TO LIMIT IMPORTS

Borden Intimates, However, That War Trade Board is Considering Exchange Problem.

Ottawa, March 15.—When asked tonight as to the truth of the report that the Dominion Government had decided to limit the importation of certain classes of goods into Canada in order to improve exchange conditions between Canada and the United States, Sir Robert Borden said that action along this line had not been taken by the government.

ENEMY'S OBJECT WILL BE TO STRIKE ENGLAND

Sir Auckland Geddes Says German Activity Will Not Be Confined to France.

Bristol, Thursday, March 14.—Sir Auckland Geddes, minister of national service, speaking here yesterday, declared the disposition of the German armies on the British front was most remarkable. "They have placed mass upon mass," he said, "and Germany's military object will be to strike at England. I have no doubt Germany will strike not only at our forces in France, but also, I see can, at the heart of England. . . . Men in enormous numbers are wanted, including men up to 50 to join for home defense."

IT'S ST. PATRICK'S DAY

They say the spring starts in earnest on St. Patrick's day—then the most reasonable color is green and being spring a new hat is in order. The Dineen Co. have received a large shipment of green, soft felt hats, so becoming to the average man, young or old. So bring out your shamrock and buy a green hat in honor of St. Patrick. Dineen's 119 Yonge street.

ARCH 16 1918

VENEREAL DISEASE
DATED WORSE THAN
DREADED SMALLPOX

Dr. Forbes Godfrey Tells
Legislature Sooner It is
Realized the Better.

YESTERDAY'S DEBATE

Number of Bills Introduced
and Third Readings
Given Others.

Discussion in the legislature
centered chiefly upon the government's
venereal disease bill yesterday when
the question of compulsory treatment
came up and a clause respecting the
sale of patent medicines by druggists.

Further discussion was aroused over
the question of selling preparations
without a doctor's prescription and
this matter was left over without a
decision being reached.

Municipal Act Amendment.

Mr. Henry moved the second reading
of a bill to amend the municipal
act and said it provided that the
auditors audit municipal statements
by December 15 of each year.

General Disease Bill

The bill for the prevention of venereal
diseases was taken up in committee
yesterday. The clause providing that a
person held in custody should be
obliged to undergo bills concerning

Dr. Forbes Godfrey

Dr. Forbes Godfrey agreed that a
medical health officer should be paid
for his services in connection with
the act. He said the committee should
be compelled to make an examination
and that the matter should not be
left to his discretion.

Dr. A. W. Nixon

Dr. A. W. Nixon (Halton) suggested
that the medicines needed for
the treatment of venereal diseases
should be manufactured by the
provincial government in order that they
might be secured at what he said
would be one-fifth or one-sixth of the
charge now imposed. Sir William
Hearst agreed that the plan was
a good one and the proposal was
supported by Dr. Godfrey.

DWELLING HOUSES GOING UP.

Plans have been completed. It is said
for the erection of 100 houses in the
Oakwood district, to be built as soon
as weather permits. The houses will
be detached dwellings of moderate
cost.

The Safest Matches
in the World
Also the Cheapest
are
EDDY'S
" Silent 500's "

SAFEST because they are
impregnated with a chemical
solution which renders the
stick "dead" immediately
the match is extinguished.

CHEAPEST because there
are more perfect matches to
the single box than in any
other box on the market.

War time economy and your
own good sense will urge the
necessity of buying none but
EDDY'S MATCHES.

COMMITTEE ADOPTS
HOG-RAISING PLAN

Board of Works Approves
Sub-Committee's Scheme
on Garbage Disposal.

NEWS STAND UP AGAIN

Deputation Pleads in Vain
for Dundas Bridge Road-
way Reconstruction.

Adopting the report of the sub-
committee on garbage disposal, the
board of works yesterday recommend-
ed to the board of control that the
city enter into the hog raising busi-
ness at the jail farm; that the pres-
ent herd of 100 hogs be increased to
500 by June 1, and that the hogs be
fed on garbage to be collected from
the northern part of the city and
taken to the jail farm by motor.

Ald. F. M. Johnson advised the
board not to adopt the recommenda-
tions, which call for an expenditure
of \$15,000, until they had received an
assurance from Ottawa that the
city would be sterilized before being
fed to hogs, would not be enforced. "If
we can get that assurance, the ex-
penditure is certainly worth a trial,"
said the alderman.

Ald. Ball: There is a possibility
that we may make money, and we
don't stand to lose any.

Mr. Hamilton: A petition was
received by the
committee protesting against Miss
Eva Brenner being asked to move
her newstand from the Allen Theatre
corner. The petition was signed by
Mrs. W. J. Owerly, M.L.A.; Thomas
Hook, M.L.A., and more than 50 of
the principal financial and mercantile
institutions on Fleming street. It
was forwarded to the board of works
yesterday. Mr. Fleming of the
street railway was still endeavoring
to find a suitable location for Miss
Brenner.

Dr. J. H. McConnell and others
appeared before the board and asked
that the reconstruction of the Dun-
das street roadway near the bridge
over the G.T.R. tracks, be gone ahead
with. "Traffic is being diverted to
the floor street, and Queen street be-
cause of the dangerous condition of
the roadway," said Dr. McConnell.

Mr. Harris stated that it would be
quite impossible to finance the work
during the war and no action was
taken.

The board authorized the purchase
of two one-mile rods of wire for the
Bloor street viaduct. The cable will
cost approximately \$8000 a mile, the
successful tenderers being the Cana-
dian Wire and Cable Company.

ELECTION CASE DISMISSED.

Norfolk Petitioners Did Not Appear
to Substantiate Charges.

The judges whose duty it is to try
election petitions in Ontario under
the Dominion Elections Act, dealt
yesterday at Osgoode Hall with the
Norfolk petition, and "dismissed it
with costs." The petitioners were
farmers, and they had alleged
numerous cases of corruption, men-
tioning the names of prominent wom-
en as parties to the corrupt prac-
tices alleged to have been observed
during the recent general election
when the Hon. W. A. Charlton was
elected to the seat. The petitioners
failed to appear and the case was
dismissed.

MACHINE ALLEGED DEFECTIVE.

John Wetlaufer, of Wetlaufer
Bro., Ltd., manufacturers of concrete
mixing machinery, with offices on Spadina
avenue, is suing R. Gardiner, engineer,
for damages in relation to a concrete
mixing machine alleged to have been sold by
the latter to Wetlaufer, and which
Wetlaufer claims to be defective. The
case was tried before Judge Denton
yesterday. The machine was made from
noon and will be resumed on Tues-
day next.

TWO BOYS AND A GIRL.

Tripletts were born to Mr. and Mrs.
S. Shusterman, 449 West Dundas
street, last night. Two boys, weighing
five pounds, and a girl of four
pounds, are now added to a family
of three children aged 13, 7 and 5.
The mother, Mrs. J. Brosnan, of
Patrick street, states that babies and
mother are doing very well.

MUNICIPALITIES TO
COMMANDEER LAND

Bill May Be Introduced in the
Legislature Granting
Such Power.

WHEAT IS BEING FED

Dr. Creelman Believes Price
Should Be Raised to
Stop It.

How the farmers may best be help-
ed in the matter of labor supply this
summer in order that there may be a
record crop in Ontario was the sub-
ject discussed at a meeting of the
agricultural committee at the parlia-
ment buildings yesterday. Dr. G. O.
Creelman, commissioner of agricul-
ture, gave an exceedingly interesting
address. The department was trying
to help the farmers meet the de-
mands of the allies, he said. The
farmers were tired of hearing lec-
tures and wanted something more
practical.

Figures were quoted showing that
the United States was 45,000,000
bushels of wheat behind the amount
promised and that at one time there
only had three days' supply ahead.
"Feed was so short here, he de-
clared, that farmers were feeding
pigs wheat worth \$2.20 a bushel, and
it was the cheapest grain on the mar-
ket at that. Inasmuch as that wheat
was needed for bread, he believed
the price should be raised.

Sir William Hearst, minister of
agriculture, said some municipalities
were buying a tract and putting it
to plowing up vacant land. He an-
nounced that a bill would be intro-
duced in the legislature permitting
municipalities to use private land
without the consent of the owners.

In regard to the supply of seed,
Dr. Creelman stated that the govern-
ment was following the policy laid
down last year by loaning money to
buy it. He said many city men were
expected to buy a portion of the seed
this summer to help the farmers, and
that especially was this true of munici-
pal workers who were beginning to
feel the effects of long periods of in-
door work.

ORDERLIES REMANDED.

Two Soldiers Who Removed Gunner
Neals Appear in Court.

Corporal R. G. Hammond and Pte.
G. S. Horvath, the two orderlies who
were arrested on a charge of man-
slaughter following the conclusion of
the Neals inquest, were allowed out
yesterday on bail of \$2000 each. The
crown attorney refused to allow the
men out on their own bail. A plea
of not guilty was entered on their be-
half and they were remanded for a
week. Defending counsel elected to go
before a jury.

SECTIONMAN KILLED.

Two Others Injured When Struck by
a Train.

K. Duclucio, a sectionman in the
employ of the Grand Trunk Railway,
was fatally injured and Sectionman
Dominic Slicotte and R. De Giuseppe
were badly injured when they were
struck by a westbound freight train
at the Parliadee Canal Club at Sunny-
side early yesterday morning.

NINE HOG PERMITS GRANTED.

Of 24 applications received by the
department of public health from
citizens who want to raise hogs in
their back yards, nine have been
granted. The others were refused
because the buildings in which the
hogs were to be kept were not at
least 100 feet away from the nearest
dwelling house.

WAR ADVERTISING,
SPEAKER'S SUBJECT

Newspaper Space Placed as
Great Civilizing Agent
of World.

SAVED WORLD PANIC

Government Campaigns Have
Been Among Most Suc-
cessful Undertakings.

W. E. Smallfield, of the Canadian
Press Association, gave an address
before the Toronto Ad Club last night
in the Y. M. C. A. on "Newspaper Ad-
vertising in Relation to the War." He
placed newspaper advertising along
with the railroads and the banks as
the great civilizing agents of the
world.

Mr. Smallfield spoke of the terrible
panic that was on the verge of break-
ing out in the business world after
war was declared, and was averted by
the "optimism advertising" done by
the Canadian Press Association. This
advertising kept up the heart of the
people in Canada until normal
conditions were resumed. The re-
markable effect of this advertising
was recognized by the government and
advertising in the United States a
little later. At this time the apple crop was ripe
and ready for picking, and the orders
from the great advertising agencies
were being issued by every mail. What was to be done?
Mr. Smallfield told how John Imrie
went to the government and interested
Sir George E. Foster, Hon. Martin
Burrell in the matter of advertising.
He told them that California had
done in a like crisis, and as a
result of the advertising had a
worth of advertising. Daily papers
across the continent advised the peo-
ple to use apples. Recipe books were
offered showing 200 ways to use ap-
ples. By the time the apple adver-
tising was finished there had been in-
quiries for 500 recipe books, and the
apple crop was oversold.

Mr. Smallfield took his hearers thru
the advertising campaign waged for
thrift and production, and the various
patriotic appeals. All of these were
war campaigns, and the results gain-
ed were in ratio to the amount spent
on the advertising. He then referred to
the great advertising campaign that
tried out to put the Victory Loan on
the market. That was one of the
greatest advertising campaigns ever
carried out, said Mr. Smallfield, and
it more than justified the experiment.
The campaign was in two sections—
the advertising campaign being
of an educational or inspirational
character, and the second lot being
part of the selling campaign. This
advertising campaign was carried out
only, as all the space used was
paid for at the usual space rates, not
the usual rates paid for government
advertising.

HOSPITAL GRANTS MAY
BOOST THE TAX RATE

Reductions in School and Health Esti-
mates, if Restored by Court,
Will Also Increase Rate.

The mayor and the board of con-
trol have practically decided on a 31-
mill tax rate, but this does not in-
clude a number of additional items
that may have to be included in the
year's estimates. They are as fol-
lows:
Aid to hospitals to cover 1918
deficit \$150,000
Payment of insurance to re-
latives of soldiers living
outside the city, if mayors
motion passes 330,000
Amounts cut from health es-
timates which will probably
have to be inserted 100,000
Amounts cut from board of
education estimates 120,000
Total \$600,000
These expenditures represent over
one mill on the dollar, but, of course,
are still in abeyance. The hospitals
say they will close before court. If
they do not receive civic aid, the
mayor's motion to pay insurance to
relatives of soldiers wherever resident
has not yet come before council. The
other two items may yet be pressed
out in the courts of law.

BANKS WILL MAKE
LOANS FOR SEED

Ontario Government Makes
Arrangements With the
Bankers' Association.

RATE IS SIX PER CENT.

Anyone Can Borrow Up to
Two Hundred Dollars
for Purpose.

To further the Ontario Govern-
ment's effort to increase production
of food in the Province of Ontario, Hon.
T. W. McGarry, provincial treasurer,
on behalf of the government, signed
an agreement with the Canadian
Bankers' Association yesterday by
which the association will advance
the terms of which farmers may se-
cure money by way of loan to buy
seed thru all branches of banks com-
posing the association. Loans to the
maximum of \$200 to any one ap-
plicant may be obtained on application
to branch managers up to and includ-
ing July 1, 1918, the time of repay-
ment being set sufficiently far ahead
to November 1, 1918, to enable the
farmers to garner their crops and
dispose of them to advantage. The
loans are in the form of a promissory
note, will be accepted and interest at
the rate of six per cent. will be
charged. The only persons restricted
from participating are those who
have already received loans from the
association's loan commissioner for the
purchase of seed.

It is felt in view of the experience
of last year, that this practical
measure of buying seed will anomaly
benefit the effort of the farmers to in-
crease production, enable the sowing
of much additional acreage and sup-
plement the work of the tractor
prow.

NEWS OF LABOR

ANCIENT GUILDS DID
GOOD WORK FOR LABOR

Men Worked Only Eight Hours a Day
and Had Old-Age Pensions in
Those Times.

The ancient guilds of Britain, ac-
cording to some authorities, created a
condition for the working man of their
day comparatively better than that
prevailing among the skilled work-
men of the present day. Under their
guidance the workingman of the mid-
dle ages, that is during the 15th and
16th centuries, worked only eight
hours a day, was granted an old-age
pension and also disability insurance.
These facts were brought out in the
course of an address given by James
T. Gunn at the regular meeting of
the local of the Electrical Workers'
Union at the Labor Temple, last night.

EXECUTIVE MEETING
DISCUSSES CONVENTION

Greater Toronto Labor Party Decides to
Be Represented at Trades and
Labor Congress.

The Greater Toronto Labor Party
at last evening's session of the ex-
ecutive decided to be represented at
the convention which the Trades and
Labor Congress has called for Wed-
nesday at the Labor Temple. This
convention is being held with a view
to getting all the different labor or-
ganizations together to discuss the
advisability of forming a national
wide labor party, comprising every
element in the labor movement. The
officials of the Greater Toronto Labor
Party stated that the ticket numbers
will be unable to form any opinions
in the matter until after the conven-
tion. They would decide their course
of action, stated Mr. Balaustyne, at
the next general meeting of the party,
which is to be held Sunday, March 24.

VETERANS ALLOWED SCHOOL.

Six Committee Rooms and Hall at
Technical Granted for
Convention.

The Toronto Board of Education has
granted the Dominion executive of the
Great War Veterans' Association the
use of the large hall and six commit-
tee rooms of the technical school for
the purpose of holding the Dominion
convention of the association, which is
to be held in Toronto during the last
week of July.

This executive is advising all
branches throughout the Dominion which
may have resolutions under consid-
eration to send these to the resolutions
committee, which will arrange them
into a composite body of motions for
the consideration of the association.

DISMISSED WITH COSTS.

The action of John Botta, a laborer,
with the International Harvester Co.,
to recover \$240 from the Ontario
Jockey Club which he alleged to have
been won at the Woodbine spring
meet last year, was dismissed with
costs by Judge Denton of the county
court yesterday afternoon. The plain-
tiff averred that the ticket numbers
had been switched, but Judge Denton
did not think that the evidence pre-
sented upheld this contention.

MAY GIVE AEROPLANES
MUNICIPALITIES MAY
HAVE ALL COAL WEIGHED

Legislature Passes Bill Opening Way
for Grant By Toronto City Coun-
cil of Three Machines.

Ratification of the City of Toronto's
bill for authority to grant \$25,000 for
three aeroplanes for the imperial govern-
ment was made by the municipal
committee of the legislature yester-
day, altho it was not helped any by
the Toronto members present. Mar-
tin Burrell, who introduced the bill,
giving a rich man a tip, while Thomas
Hook thought it would open the way
for a "lot of foolish legislation next
year."

On being informed that Sir Wil-
liam Hearst had promised that the
necessary legislation would be passed,
the committee passed the bill.

CITY COUNCIL MEETING.

Only Two Items On Monday's Bill
of Fare.

The city council will meet Monday
morning to discuss the proposed in-
crease of 25 per cent. in water rates
and to pass the firemen's pension fund
by-law, which was completed by the
city solicitor yesterday. The council
will also deal with the recommenda-
tions made by the finance commis-
sioner for putting the fund on a
sound financial basis. In its report
recommending the increase in water
rates, the board states that the in-
creased revenue to be derived this
year would be \$282,800, of which \$75-
000 would come from meters and
\$187,800 from the ordinary tariff.

IRISH PROTESTANT BENEVOLENT
SOCIETY.

The annual sermon of the Irish Pro-
testant Benevolent Society will be
preached in Elm Street Methodist
Church on Sunday, 17th inst., at 7
p.m. by the Rev. A. Lloyd Smith,
M.A., B.D. Members are requested
to meet in the school room twenty
minutes before the hour of service,
and friends of the society are cordially
invited to be present.

WILLARD MATCHED TO FIGHT FULTON

Challenger is Guaranteed Twenty Thousand Dollars—Meet Independence Day.

Kansas City, Mo., March 15.—Jess Willard, heavyweight champion, and Fred Fulton of Rochester, Minn., aspirant to the title, will meet in the ring July 4, Col. J. C. Miller of Oklahoma, promoter, announced tonight. Colonel Miller said that Fulton had been guaranteed \$20,000 and that there would be a side bet of \$5000.

When Mike Collins, manager for Fred Fulton of Minnesota, aspirant to the heavyweight championship title, left here for Minneapolis late today, the decision as to whether Fulton and Jess Willard, present titleholder, should be matched for a bout on July 4 apparently rested with Col. J. C. Miller, representative of Willard. Col. Miller had been in conference since yesterday with Collins trying to reach an agreement.

Collins at the final conference rejected Miller's flat offer of fifteen thousand dollars and declared that to reach an agreement Fulton would have to be guaranteed one-fourth of the sum Willard would receive.

Miller announced that he had sent a telegram to Willard at Jacksonville, Fla., and that "he expected an answer soon." Miller also declared that he believed an agreement would be reached and the men signed.

As a guarantee of good faith, it was announced, Miller and Collins each deposited cheques for \$1000 with Edward W. Cochrane, a Kansas City sporting editor.

The match, Miller said, would automatically cancel the proposed bout between Fulton and Jack Dempsey at Atlantic City, N. J., part of the agreement being that Fulton would not fight again until he meets Willard.

"We propose to hold the fight wherever the law allows a long bout," Miller said. "We feel that it should be not less than twenty rounds and many states prohibit contests of that length. Willard has told me he is willing to fight to a finish."

At the conference on April 1, in addition to choosing the place for holding the match and determining its length, the officials also will be agreed upon, Miller said.

Fulton was picked as Willard's opponent because he knocked out Frank Moran in New Orleans. Fulton virtually had been promised a chance to meet the champion if he stopped Moran, this conclusion being reached because Moran had furnished Willard with a hard fight in a ten-round bout more than a year ago, Miller said.

NO CONTRACT SIGNED.

Kansas City, Mo., March 15.—Mike Collins, manager of Fred Fulton, aspirant for the heavyweight championship title, left here this afternoon for Minneapolis without having signed a contract for a match between Fulton and Jess Willard, present holder of the title.

CONNIE MACK GIVES ATHLETICS LINE-UP

Rube Oldring Returns With a Lot of New Men Who Report Today.

Philadelphia, March 15.—Connie Mack, manager of the Philadelphia Athletics, tonight announced for the first time the list of players from which he will build his team this year. The surprise in the list is the reappearance of Rube Oldring, who was a member of the Athletics when they were world's champions. He quit baseball several years ago, and engaged in farming in Southern New Jersey, but recently took up his residence in Philadelphia. The list is as follows:

Catchers—James McAvey, Forest Cady, Ralph Perkins.
Infielders—Geo. Burns, Morris Shannon, Joseph Dunbar, Larry Gardner, Jack Dykes, C. B. Davidson.
Outfielders—James Jamieson, Clarence Walker, Rube Oldring, Martin Kopp, Pahey, Robert Geary, Joseph Hauser.
Pitcher Adams, named in the list, was with the Richmond team of the International League last year. Watson was purchased from Fort Smith, Ark.; Pahey was with the Catholic University team, and Geary was in the North Carolina League. Hauser was with the Waupum semi-professional team. A majority of the players will leave here tomorrow for Jacksonville for spring training.

FORMER GRAYS' MANAGER SIGNS WITH MILWAUKEE

Milwaukee, Wis., March 15.—John J. Egan, manager of the Providence, R. I., team of the International League, has been signed as manager of the Milwaukee Club of the American Association. Owner A. F. Timme announced today.

Egan will succeed Ned Egan, who is incapacitated as a result of a fall on the ice recently at St. Paul.

Egan will report March 22. He is known in baseball circles generally as an umpire, having served three seasons in the American Association, and later in the major leagues. After acting as umpire-manager of the Providence Club, he became its playing manager.

PITTSBURG PURCHASES INFIELDER

Pittsburg, March 15.—Purchase of William McKee, infielder, from the Cincinnati National League club, under a provisional agreement, was announced here tonight by Barney Dreyfuss, president of the Pittsburg Nationals.

LINFIELD ROVERS JOIN T. & D. JUNIOR LEAGUE

The T. & D. Junior League gives promise of being the strongest of its kind ever run in the city. The latest team to make application is Linfield Rovers, who have a strong aggregation of young players. It is proposed to run a junior international in connection with this league, also an inter-city game with Hamilton juniors.

Dunlop Tire Co. Donate Set of Medals to T. & D.

The Dunlop Tire and Rubber Goods Co., who two seasons ago donated a handsome shield to the Toronto and District Football Association for competition among their teams, heartily approved of the action of the T. & D. in throwing open the competition to all affiliated clubs in the city, and have donated thru their general manager, Mr. J. Westren, a handsome set of medals for the winners of the shield the coming season.

This firm have taken more than a passing interest in athletics generally, and an amateur athletic association, which embodies almost all branches of sport, and which is run by the employees, receives their heartiest support, financially and otherwise. During the winter a strong bowling league has been formed and has created great interest among the employees. A team is also entered in the Athensium "A" League and up to date has made a strong showing. The Dunlop Tire Co.'s football team, which won the T. & D. senior championship last season, are looking forward to another successful season, and, in addition to the majority of last season's players, they have signed up several good men well-known in local soccer.

TWO TIE FIXTURES IN BEACHES LEAGUE

Midgets and Juniors Unable to Provide Winners Final Games.

It was Beaches League night at the Arena last evening, when five finals were down for decision. A good crowd attended and the fans were treated to some excellent hockey. Two sections failed to provide winners, and it means another night at the Arena.

The midgets and the juniors went to a tie after real interesting battles. Kew Beach and Parkville were the semifinal winners in the midgets and provided one of the most interesting games of the night. At the end of the first half time stood one-all and when full time arrived there had been no further scoring. The teams were ordered to play overtime, and after two sessions of five minutes each had been played the tie remained unbroken. This will mean a replay.

Kew Beach (1) Parkville (1)

Referee—Dwan

Excelsiors and Bellwoods met in the junior final. At the end of the first period Bellwoods were up 2 to 1, but when full time arrived the score was 2-2. These teams will have to meet again. Several clever boys were unstrapped in this fixture and a couple of the Junior O.H.A. hockey managers were busy finding out their names.

Referee—James Labet

St. Francis were the first to win a title in the night's play. They hooked up with Orientis in the intermediate final and a rousing game resulted. The first period ended without a score, but St. Francis led two to nil at the end of the second round, and added one in the final session, holding the Orientis scoreless. It was hard, fast hockey throughout, with St. Francis showing remarkably good team play.

St. Francis.....Goal.....Armstrong
McAllister.....Defence.....Hughes

Kitchener Champions Greeted at Home Town

Kitchener, March 15.—Thousands of people greeted the triumphant return of the Kitchener hockey champions here tonight when they arrived on the 9:14 train from Toronto. They were officially welcomed by Mayor Gross and city council. As the boys alighted from the train bearing aloft the Allan Cup, the crowd went wild with enthusiasm.

Geo. Hiller, star centre, was grabbed by the fans and carried on their shoulders from the station to the city hall, where the address of welcome and congratulations was read by Mayor Gross. The procession was led by the 10th Regiment Band. At the city hall addresses were made by W. D. Euler, M.P.; President Fitz of the Kitchener Hockey Club; E. C. Kibel, honorary president of the club; Manager W. M. and others. Hiller was raised on the shoulders of fans who crowded the steps for several minutes. All of the players from the city living and their sportsmanship of the boys. The reception ended with the national anthem. The team will be feted at a banquet given in their honor by the Kitchener Manufacturers' Association on Monday night.

OSHAWA TIES ROUND WITH COLLINGWOOD

Oshawa, March 15.—Still unsettled is O.H.A. after the second game of the final here tonight, between Collingwood and Oshawa. The locals made come-back and blanked the Collingwood puck-chasers with three goals, which made it 4 to 4 on the round. It is understood that the teams will play off in Toronto. Lawson Whitehead of Toronto was referee.

FIRST JUNIOR GAME FOR O.H.A. HONORS

Barrie and De La Salle Tonight - Crawford and Adams in Cup Games.

Another hockey game brimful of spectacular and thrilling plays is carded for tonight at the Mutual Street Arena, when De La Salle Juniors clash with Barrie in the first of home-and-home games in the O.H.A. junior finals. They will play a return game at Barrie on Tuesday next.

Coach Gordon Meeking and his Barrie Colts have been in the city for the past two days and have been holding daily workouts at the Arena in preparation for the game. The Barrie team are the strongest sextet that the green shirted boys met this season. Both teams will be at full strength and held their final practice last night in preparation for the crucial game. The game will start at 8:30 sharp.

Commenting on the Kitchener-Ypres game, The Winnipeg Telegram says: A wonderful comeback on the part of the Ontario champions, despite the fact that the game was played under conditions which were coupled with the fact that the Ypres were playing far below normal form.

The Manitoba Free Press says: The westerners are forced to go back home empty-handed, but not without giving Toronto hockey fans a dazzling display of alround hockey which will not be forgotten for a long time.

CANADA MUSTERS HER MANHOOD

SINCE our gallant First Contingent sailed to join the "Old Contemptibles" in Flanders, Canada has answered every call for "more men". Her latest and perhaps most timely response is the new "Selected Army"—men worthy to reinforce the Divisions that upset precedent and astonished military Europe.

A few weeks in Khaki in touch with our seasoned battalions Overseas, and the men of this new army will develop into the same "Fighting Sons o' Guns" of whom George Pattullo wrote admiringly in the Saturday Evening Post:

"The Canadians at the Front shave every day. Let that sink in. Right up there in the trenches—often ankle deep in mud, sleeping in funk holes, each man cooking his own meals, fighting lice and rats and Bosches, with everything combined to break down habits of cleanliness—they rigidly observe the rule for smooth faces and chins. Of all I saw, that hit me hardest, because it meant so much."

Ask your Dealer to show you the new Gillette Military Sets!

Gillette Safety Razor Co. of Canada, Limited

Office and Factory—GILLETTE BLDG., MONTREAL.

hogs.

U. S. EASTERN ROADS
GET RATE INCREASE

Washington, March 15.—General
common freight rate increases of 15
per cent asked by carriers in eastern
territory were granted today by the
interstate commerce commission.
Increased rates of 15 per cent long ton
on anthracite coal also were granted.
The advance applies to all territories
not included in the general rate in-
crease. The commission also granted
rate increases on a number of other
commodities included in the rate
advance are coal, live stock, fresh
meats, petroleum, petroleum products,
grain and grain products, cement,
lumber and other stock commodities.

VOTE ON MINIMUM.

Montreal, March 15.—There is con-
siderable interest displayed in local
brokerage and financial circles over
the meeting of the members of the
Montreal Stock Exchange which will
take place on Wednesday next, when
a vote will be taken as to whether or
not the minimum prices shall be
abandoned. It is expected that the ef-
fort to bring about the elimination of
the minimums will be defeated.

FOUR-POINT DROP
IN C.P.R. SHARES

Announcement of Special War
Taxes Has Depressing
Effect.

GENERAL TONE HEAVY
Railway Stocks Under Pressure—
Pool Activity Still in
Evidence.

New York, March 15.—Except for a
few highly speculative issues the
stock list was under general restraint
today, largely as a result of pressure
exercised against railroad shares.
Canadian Pacific was the chief fea-
ture in this respect, recording an
extreme loss of 4 3/8 points in conse-
quence of an order issued by the Do-
minion Government, which provides
for special war taxes against the com-
pany's earnings. Affiliated stocks also
retreated, the second 4's falling two
and other investments indicated the
cautious attitude of indifference of
traders, the movement in low-priced
railroad stocks being particularly
marked.

Bethlehem Steel, Crucible Steel and
Lackawanna Steel were among the
early active and strong stocks, to-
gether with American Can, shipbuilding
oil and leather. U.S. Steel, in which
dealings again dwindled perceptibly,
failed to make more than fractional
headway, closing at a trivial gain.

The activity of pools was most evi-
dent in Baldwin Locomotive, Industrial
Alcohol, Making preferred and
Supra-Tobacco, whose shares fell two
to four points were partly forked on
realizing for profits. Coppers, New
York Airbrake and minor miscellaneous
issues yielded one to three points.
Sales amounted to \$35,000 shares.

Trading in bonds was negligible,
Liberty issues comprising the bulk of
the offerings, the second 4's falling
to four points were partly forked on
realizing for profits. Coppers, New
York Airbrake and minor miscellaneous
issues yielded one to three points.
Sales amounted to \$35,000 shares.

BUOYANCY SHOWN
BY STEEL ISSUES

Large Profits From Govern-
ment Contracts Antici-
pated—C.P.R. Sells Off.

Steel of Canada and Dominion Iron
exhibited strength but only moderate
activity in the local market yesterday,
the former moving up 3/4 to 59 and
the latter at 61 showing a gain of a
full point. The "street" continues to
hear reports that these two companies
are likely to profit largely by ship
plate and rail orders, either already
given or in prospect. The movement in
steels lagged, however, in afternoon,
there being no transactions while the
bid for Steel of Canada dropped to
58 1/4 and for Dominion Iron to 60 1/4.
Bradford was 1-1/4 higher at 36 3/4.
Cement, 3-8 better at 60 1-2, and
Steamships common firm at from
40 1/4 to 40 1-8. Despite the denial
of President Jarvis that an increase
in B. C. Packers' dividend is con-
templated, the stock remained buoyant at
47 1/4. General Electric, evidencing
two per cent, sold at 102 1-2, un-
changed from the cum-dividend quota-
tion of Thursday. C. P. R. in sym-
phony with the four point decline in
New York on the announcement of
special taxation by the Dominion Gov-
ernment, was quoted locally at 148
while the final bid 1-1/2 was
Lans continued quiet and inclined to
heaviness.

The day's transactions: shares, ex-
cluding oil and mining stocks, 627; war
loans, \$8,700.

BANK OF FRANCE

Paris, March 15.—The weekly state-
ment of the Bank of France shows the
following changes:

Gold in hand increased 1,264,000
francs, silver in hand increased 116,
000 francs, notes in circulation in-
creased 94,093,000 francs, treasury
deposits increased 9,717,000 francs,
general deposits decreased 22,520,000
francs, bills discounted decreased 59,
062,000 francs, advances decreased 10,
293,000 francs.

STEEL ISSUES TO FORE
IN MONTREAL MARKET

Montreal, March 15.—A revival of
interest in the steel issues and brisk
trading in Canadian Car were the
features of the local stock market to-
day. Steel of Canada advanced to a
new high, 58 7/8, as compared with
55 1/4 at yesterday's close. The stock
closed today at 58 5/8. Iron scored a
one-sided one and half point rise from
yesterday's close of 60. Canadian Car
was influenced also by talk of govern-
ment action. The common advanced
from 23 3/4 to 25 and the preferred rose
2 to 6 1/2.

OUTLOOK AT WASAPIKA

Isbell, Plant & Company, in their
weekly letter, say: "Manager George
Rogers has just returned from the
Wasapika property, having superin-
tended the raising in of the new
machinery to the mine. The boilers
compressor, etc., are now being in-
stalled, and it is expected that every-
thing will be in running order by the
middle of April. When the new min-
ing equipment is ready to operate a
more comprehensive plan of develop-
ment will probably be undertaken by
the management, as much more rapid
progress will be possible with power
driven drills. Mr. Rogers reports
everything in good shape at the prop-
erty, and is optimistic concerning
the success of the development cam-
paign at the property during the
summer months."

NO HITCH LARELY
IN NEWRAY DEAL

Isbell, Plant & Company say of New-
ray: "Considerable buying has taken
place on account of the contemplated
closure of the mine. The management
that negotiations for the consummation
of this change are proceeding very
satisfactorily, but as they have not
yet been completed, it is understood
that the property is being held in trust
would be premature. From the pro-
gress already made, however, there
seems to be little likelihood of a hitch
in the deal."

MONEY AND EXCHANGE.

London, March 15.—Money, 2 1/2 per
cent. Discount rates, short and three-
month bills, 3 1/2 per cent.

Paris, March 15.—Trading was quiet on
the bourse today. Three per cent, rates,
47 francs 50 centimes for cash. Exchange
on London, 27 francs 25 centimes.

DIVIDENDS DECLARED.

F. N. Burt Company declared a
dividend on the common stock of 1 1/2
per cent, payable April 1 to share-
holders of record March 15; also a
dividend on preferred of 1 1/2 per cent,
on the same terms.

National Trust Company declared a
dividend of 2 1/2 per cent, payable
April 1 to shareholders of record
March 20.

TEN-POINT BREAK
IN LA ROSE STOCK

Profit - Taking on Liberal
Scale Causes Portion of Gain
to Be Forfeited.

Bar silver closed unchanged
yesterday at \$83, per ounce in
London and 83 1/2 in New York.

Interest centred in La Rose again
yesterday, and while the closing quo-
tation showed a drop of 10 points
from the high point reached in the
speculating performance of Thurs-
day, the stock was considered as hav-
ing given a good account of itself on
the whole. Authentic advices from
the north indicate that the discover-
ies made on the 410-foot level of the
Violet property are not in themselves
spectacular, but that they are of real
significance as pointing the way to
valuable finds likely to be made later.
It was not surprising, however, that
many holders of La Rose, seeing the
opportunity to seize quick profits, re-
leased their holdings. A renewal of
short selling for averaging up purposes
also acted as a weight on La Rose, so
which, after opening at 56, was forced
back to 48, rallying to 50 at the close.
Schumacher buoyant.

The list in general was somewhat
spotty, with alternating small losses
and gains. The firm issues included
Davidson at 14 1/2, West Dome at 14 1/2,
Davidson at 35 and Schumacher at
37 1/2. The last named shows signs of
recovering from the extreme depres-
sion of recent weeks. It advanced
from yesterday's opening at 25 to
27 1/2 on light trading, bearing out the
contention that the floating supply is
adequately limited. The "bar" hears
that a little group of capitalists not
hitherto identified with gold mining
ventures, is making tentative ad-
vances with a view to securing con-
trol. Among the stocks which weak-

The **SIMPSON** Company
Retail

Announcing fresh new arrivals in Men's Spring Suits and Overcoats. In the broad range of correct styles we will show today there are no fewer than 60 models to choose from. Every man can find just the style his taste or requirement dictates—at a price he will be willing to pay.

The models we show are made of the very best materials. They are finished with skill and precision; nothing is slighted. Thought as well as labor has been worked right into each garment, and the result is high-grade clothing at a moderate price. The Simpson's Men's Store will help you look cheerful and prosperous. Drop into the Men's Store today and look over these new styles.

Men's Spring Overcoats

Smartest Cuts and in Neat Materials, Worth at Least \$20.00

Special Today at \$15.00

There are three different models in this lot, the most popular styles for this season: loose English slip-on, with natural shoulder and close-fitting collars; trencher with belt all around, and the standard Chesterfield, which comes in plain grey, black all-wool chevots and vicunas. The balance are of fancy English and Canadian tweed in grey and black and brown and grey mixtures, and Donegal effects. Regular \$18.00 and \$20.00 values. Sizes 34 to 44. While they last today, at \$15.00.

Introductory Special Youths' Blue Cheviot Suits

Youths' Blue Cheviot Suits, cut on special lines for the boy adopting his first long; removable belt; can be worn either as trench or plain sack. Sizes 33 to 36, \$15.00.

Men! New \$2 Tooke Shirts, Today 98c

The moment your eye lights on them you'll find they're irresistible at the price. These are Tooke shirts—joking apart, we "took" the lot, and so are able to make this exceptional price on new goods, which in many cases is only half their value. Excellent woven materials in two and three-tone colorings, and fine line and cluster stripes; double French cuff styles; sizes 13½ to 17. Regularly \$1.25 to \$2.00. Today, 98c.

Men's New Spring Suits

Cut on the Most Exclusive Lines,
Worth from \$5.00 to \$10.00 More

Special Today at \$17.95

Snappy two and three-button, single-breasted styles, showing flap or patch pockets. Also there are young men's form-fitting and belted sacque models, with vertical or crescent pockets and disappearing belts, in fine English worsteds, with Saxony finished tweeds in browns and medium and light greys in neat stripes and small checks, and also plain grey pick-and-pick patterns. All are carefully tailored and perfect fitting. Sizes 34 to 44. On sale this morning at \$17.95.

Introductory Special Young Men's Blue Cheviot Suits

Popular double-breasted model, with disappearing belt, quarter lined and piped with shot silk; sizes 34 to 38. Special, \$20.00.
