Very truly yours,
REV. DR. MORRIS WECHSLER. Avon Springs, N. Y., Feb. 1, 1901.

DR. TAFT BROS MEDICINE CO.

GENTLEMEN,—I write this testimonial from a sense of duty, having tested the wonderful effect of your ASTHMALENE for the cure of Asthma. My wife has been afflicted with spasmodic asthma for the past 12 years. Having exhausted my own skill as well as many others, I chanced to see your sign upon your windows on 130.h street, New York, I at once obtained a bottle of Asthmalene. My wife commenced taking it about the first of November. I very soon noticed a radical improvement. After using one bottle her Asthma has disappeared and she is entirely free from all symptoms. I feel that I can consistently recommend the medicine to all who are afflicted with this distressing disease.

Yours respectfully,

O. D. PHELPS, M. D.

GENTLEMEN,—I was troubled with Asthama for 22 years. I have tried numerous remedies, but they have all failed. I ran across your advertisement and started with a trial bottle. I found relief at once. I have since purchased your full sized bottle, and I am ever grateful. I have family of four children, and for six years was unable to work. I am now in the best of health and am doing business every day. This testimopy you can make such use of as you see fit.
