The copy filmed here has been reproduced thanks to the generosity of:

Vancouver School of Theology
Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Vancouver School of Theology
Library

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

REPORT OF THE COMMITTEE ON SABBATH OBSERVANCE.

Your Committee regret that so little substantial advancement in the better observance of the Sabbath has been made in this Province since the close of the last Conference. There is still wide-spread desecration of the Holy Day. Passenger, freight, and excursion trains continue to run. There are excursions by steam-boats and stages; saloons, cigar and fruit stands, and confectionery shops are open; various games are played; newspapers are published; freight is landed; fishing and hunting parties are organized—all regardless of the claims of the Word of God, or the feelings of the Christian people in the land.

We deeply deplore the fact that our Legislature has not passed any effective laws by which this open and continuous profanation of the Sabbath-day may be prevented, and we hereby submit for adoption by this Conference the following resolutions:

1. That a committee, consisting of the ministers of Vancouver, East Vancouver, and New Westminster, be appointed, to draft a petition for circulation among our people throughout the Province, setting forth our views as a Church in reference to the nature and observance of the day, and petitioning for direct legislation on the matter at the next session of the Local Legislature.

2. That a sermon be preached on this subject by all our ministers in this Conference during the month of June.

3. That special attention be given to the training of our children in the proper observance of the day, and that we supply them with sound religious literature, bearing on this important subject.

4. That as the social visiting practised in many places on the Lord's Day is a great evil, we recommend that a clause be inserted in the Pastoral Addresses calling the attention of our people to it.

5. That the holding of public funerals on this day, so seriously interfering with the stated means of grace, be discouraged among us, except in cases where interment cannot be postponed.

6. That we bear in mind the Divine injunction, "Remember the Sabbath-day, to keep it holy;" and that we seek to secure united action on the part of all the Churches of this Province in securing the better observance of the Lord's Day.

J. E. STARR, *Chairman.*
D. JENNINGS, *Secretary.*

REPORT OF COMMITTEE ON THE STATE OF THE WORK.

Your Committee beg to report that the present state of the work of our Church is such as to awaken devout gratitude to the Great Head of the Church for the clear tokens of His continued presence, and for the steady progress in all departments of the work. We are glad to record an increase of 458 to the membership of the Church, as well as to note a very gratifying advance in the Missionary contributions. We thank God that, as our people increase in numbers the spirit of their Christian liberality grows proportionately, and we trust that during the coming year we may be able to tabulate greater results than ever before.

REPORT OF THE SABBATH-SCHOOL COMMITTEE.

Your Committee on Sabbath-schools beg to report as follows :—

1. That we have much pleasure in stating that there has been a marked increase in every department of Sabbath-school work, except in the number of conversions, and in the number who have taken the Total Abstinence pledge.

2. Also, that there has been manifested an increased interest in the Sabbath-school literature of our Church.

3. We regret that so small a percentage of the scholars are instructed in the Methodist Catechism.

4. We deplore the fact that, according to the statistical table herewith submitted, there must be many of our people scattered throughout the bounds of the Conference whose children have no Sabbath-school; for while the number of preaching places is 99, there are only 38 schools in operation.

5. We urged upon the attention of the Conference the advisability of carrying out the provisions of the Discipline for the holding of District Sabbath-school Conventions.

THE REPORT OF THE COMMITTEE ON MISSIONS.

Your Committee on Missions report as follows:—

I. INDIAN MISSIONS.

1. Bro. Tate having applied for an assistant, to labor between Popcum and Hope, we recommend that the application be referred to the Chairman of the District, and Bro. Tate to arrange the same with the Missionary Committee.

2. *Simpson District.*—Having considered the resolutions of the Simpson District Meeting, *re* The Boys' Industrial Institute, we regret that owing to the inefficiency of the Principal of the Boys' Industrial Institute, and to his misunderstanding certain letters received from the Ex-President and General Secretary of the Central Board of Missions, the erection of the Boys' Industrial Home has not been proceeded with, and we would recommend that the name of Rev. G. F. Hopkins be substituted for that of Rev. D. Jennings, as one of the Board of Managers; and that the erection of the Boys' Industrial Institute be proceeded with on the terms of the report adopted at our last Conference.

3. *Re the Application for a Medical Missionary.*—We recommend the Conference to urge the Missionary Committee to take this matter into its earnest consideration.

4. *Re Steamer "Glad-Tidings."*—Whereas, the legal transfer of the *Glad-Tidings* to the Methodist Church has been at length completed; and whereas, in the past this steam-boat has been running short-handed, necessitating the Chairman of the Simpson District taking the place of a common sailor; therefore, we ask the Conference to recommend the General Board of Missions to make provision for meeting the expenses of providing a captain and a crew of three men to manage the Mission steamer.

5. *Re Girls' Home, Port Simpson*—An encouraging report was received from the Girls' Home at Port Simpson, and, from representations made, we recommend to the Woman's Missionary Society, the erection of a new building for this Institution at as early a date as possible.

6. *Re Indian Title.*—In response to a resolution from the Simpson District Meeting, representing the neglect of the Government to arrange an equitable settlement with the Indians, or to carry out the promises made by the Commissioners in October, 1887. We regret the fact of such neglect, and recommend that this Conference re-affirm the position taken last year, and pledge itself in every legitimate way to help the Indians of the Province of British Columbia, to secure their just rights and the redress of their grievances.

In connection with the above, we recommend that a committee be appointed, consisting of the President of the Conference, the Secretary of the Conference, with the Rev. J. E. Starr, and Messrs. J. E. McMillan, T. G. Rayner, and W. S. Hampson, to watch the interests of the Indians during the coming year.

7. *Re Mission Steamer for the Fraser River.*—In reference to the application of Bro. Tate for a Mission steamer for the Fraser River, your Committee make no recommendation.

II. CHINESE MISSIONS.

Your Committee feel satisfied that considerable progress has been made during the year with the work among the Chinese, as evidenced by the number of conversions which have occurred. Resident missionaries have been appointed at Victoria and Vancouver, and suitable buildings are about to be erected in connection with these Missions.

All of which is respectfully submitted

JOSEPH HALL, *Chairman.*
W. S. HAMPSON, *Secretary.*

REPORT OF THE COMMITTEE ON TEMPERANCE.

Your Committee recognize the grave position of the temperance cause at the present time, and the importance of a clear, strong, and emphatic deliverance on this question, and of earnest effort in every part of our work for its advancement and success.

2. We rejoice that the work in this Conference is steadily advancing, that the membership of the different Temperance organizations is increasing all along the line, and never has the Temperance outlook been as bright as at the present. We cannot allow this opportunity to pass without recording our appreciation of the good work which is being done by the I. O. G. T., and the W. C. T. U., in reaching the children and training them in Christian principles.

3. We deplore the defeat of the Scott Act in so many places in the Eastern Provinces, yet we are firmly of the opinion, that there is not a real weakening of the Temperance movement, but a conviction manifested that the non-enforcement of the Act makes necessary a general effort for the Total Prohibition of the liquor traffic throughout the Dominion.

4. *Resolved*,—That we, the ministers and laity of the Conference, solemnly pledge ourselves to oppose, by all constitutional methods, any government, political party, or individual member of Parliament, who shall, directly or indirectly, oppose prohibitory legislation.

5. *Resolved*,—That, as the ultimate power of the people to influence the Legislature, is found in the ballot box, we declare our purpose by the pulpit, by the press, and by every legitimate means, to inculcate the responsibility of all Christian men and good citizens, to subordinate political party alliances, to the great work of securing the abolition of the accursed liquor traffic.

6. Your Committee deplore the way in which the Sabbath is desecrated through the drink traffic, and would urge upon the licensing commissioners and city councils, that action be taken to close the saloons from seven o'clock on Saturday night, to six o'clock on Monday morning, as well as all other places of business.

7. We would also call the attention of the proper authorities to the way the law is violated by the steam-boats, for liquor is sold at the landings, for which they have no license, and great trouble and annoyance is the consequence, and we strongly urge upon those authorities, that more stringent means be taken to stop this evil.

We also lament the fact, that notwithstanding the stringent Indian liquor law now in force, the Indians are able to procure large quantities of

liquor, in various parts of the country, thus entailing much suffering and trouble in many ways.

8. Your Committee recommend that a strong prohibition paragraph be inserted in the pastoral address to our societies, and that our ministers be advised to keep this subject of prohibition prominently before their congregations.

9. God is on our side; right shall triumph over selfishness and party interests; the great incubus of this ungodly traffic must be removed from the commerce of our nation, and thus the stream of social and national life be purified.

We pledge ourselves to this end, and must wage this great conflict until the monster vice of intemperance is consigned to eternal oblivion.

J. A. WOOD, *Chairman*.

J. W. WINSLOW, *Secretary*.

SUPERANNUATION FUND.

Annual Report of the Board for the Year ending July 31st, 1888.

I have pleasure in again presenting to the Board the Annual Exhibit of the state of the Fund.

Although the past year has been one of great stringency in money matters, the income of the Fund has been sufficient to meet the claims of the year, and to pay off the balance against the Fund, with which the year was commenced.

The amounts apportioned to the several Districts have been paid, with comparatively trifling exceptions, and the claimants have received their full allowances.

The coming year will be a trying one, arising from several causes. The amount of assessable income has not materially increased. The number of additional claimants is greater than usual, and their claims exceptionally heavy. There will probably be a falling off in the Interest account, as we will have to make a change in the securities of a considerable amount of our Investments, and the interest has been very closely collected.

The above is the Treasurer's Report, as adopted by the Board.

OBITUARY.

REV. R. B. HENLAW.

Rev. Robert Bruce Henlaw was born at Liscombe Harbor, Nova Scotia, on March 11, 1855, and died at Chilliwack, B.C., on May 1st, 1889.

He was converted to God at St. Johns, N.B., from which place he went to Newfoundland, and was engaged for some time as school teacher in Bona Vista. There he entered upon the work of the Christian ministry, in response to the call of the Master, and was appointed to a mission in Bona Vista Bay. On this, his first field of labor, he was eminently successful in leading sinners to Christ, many of whom remain as the fruit of his labors. In the year 1882 he was transferred from the Newfoundland to the Toronto Conference, and was appointed to the Nicola and Kamloops Mission, in the British Columbia District.

Throughout that widespread field he was faithful in dealing with the individual, as well as in preaching Christ to the small congregation wherever a few could be got together, sometimes in private houses, at other times in the bar-rooms of hotels. The people learned to love him for his faithfulness, and to the present his name is as ointment poured forth. His next station was Langley, where he spent a year in faithful toil. At the close of the year he was united in marriage to Miss Wells, the daughter of A. C. Wells, Esq., of Chilliwack, and was stationed at Maple Bay, B.C., where, with the assistance of his estimable wife, he labored faithfully for the Master for two years. His last appointment was Maple Ridge, on the Fraser. On this field he was in labors more abundant, preaching two or three times every Sabbath, and over-exerting himself during the week in the erection of a new parsonage. His energy far exceeded the strength of his constitution and he undoubtedly hastened his end by excessive manual labor, coupled with anxiety for the welfare of his work. He was seized with an attack of pleurisy, which he considered of little importance, and kept on with his work until he was compelled to seek medical advice, when the doctor at once directed him to rest for at least six months. Courses of medicine, change of climate, and careful nursing were all tried, but in vain, although at times his case seemed more hopeful. He became unconscious six days before his death, and in that state passed away to the Father's house above. It seems hard to realize that a life which promised so much of usefulness in the cause of Christ should terminate e'er the zenith was reached. He had for some time been laying plans for the improvement of his mind, whereby he might become more useful in the work which he so dearly loved, but it was otherwise ordered, reminding us of the oft-repeated adage, "Man proposes, but God disposes." Brother Henlaw was a man of earnest spirit, of deep piety, an able expounder of God's word, powerful in exhortation, zealous and successful in soul-saving, ready and forceful in debate. He was deeply interested in the cause of Temperance reform, among the workers of which he occupied a foremost place.

His funeral was largely attended by people of the neighborhood, together with several friends from a distance, and all but two of the ministerial brethren on the District were present, and took part in the service held in the Centreville Methodist church. His grave is in the Odd Fellows' cemetery, Chilliwack, where all that is mortal of Brother Henlaw sleeps till the resurrection morn.

"Servant of God well done;
Thy glorious warfare's past;
The battle's fought, the victory's won;
And thou art crowned at last.

"Redeemed from earth and pain;
Ah! when shall we ascend,
And all in Jesus' presence reign
With our translated friend?"

STANDING RESOLUTIONS.

From Minutes of 1887.

WOMAN'S MISSIONARY SOCIETY.

Resolved,—That wherever, and as soon as deemed practicable, the superintendent of each Circuit and Mission shall request the ladies of our Church to unite, and in accordance with the provisions and requirements of the Discipline, organize branches of the Woman's Missionary Society.

CIRCUIT INVITATIONS.

The following preamble and resolution was reported to the Conference by the Stationing Committee, concurred in, and ordered to be printed in the Minutes:—

Whereas the work of this Stationing Committee has been rendered more difficult than otherwise it would have been by the fact that the Quarterly Official Boards of some Circuits within the bounds of the Conference had entered into private negotiations with ministers belonging to other Conferences, with a view to securing their services for these particular Stations, without due consideration being given to the convenience or comfort of ministers and their families now in the field, or to such an arrangement of the Stations as would ensure the most efficient administration of District and Conference work; therefore,

Resolved,—That while we have, on this occasion, complied as far as possible with the expressed wishes of the Circuits concerned, we desire to kindly point out to the esteemed brethren composing the Quarterly Official Boards, that in so small a Conference as ours the pursuance of the course above referred to cannot fail to cause serious embarrassment to the Stationing Committee, lessen the efficiency of our Church as a whole, and disturb, to some extent, the present state of good feeling and mutual confidence so happily existing between ministers and people and among the various Circuits and Missions of our Conference. We would remind our people that our churches are not independent congregations, but a *Connexion*, and that the principle of the itinerancy can be given its highest efficiency only when both people and pastors loyally surrender into the hands of the Stationing Committee, elected by the joint vote of *laity* and ministers, their right to choose—on the one hand what pastors they shall have, and on the other what congregations they shall serve.

From Minutes of 1888.

Resolved,—That the General Conference collection be taken up in June of each year.

SPECIAL RESOLUTIONS.

METHODIST CHURCH ACT.

Moved by the Rev. J. E. Starr, seconded by N. Shakespeare, Esq.,
Whereas by an Act passed by the Parliament of Canada, entitled "An Act respecting the Union of certain Methodist Churches" (47 Vic. Chap. 106),

The Union agreed to on the fifth day of September, 1883, by the four following Churches, viz :—The Methodist Church of Canada, the Primitive Methodist Church of Canada, the Methodist Episcopal Church of Canada, and the Bible Christian Church of Canada, was duly ratified, and the said Churches incorporated under the name of "The Methodist Church."

And whereas, at the second session of the fourth Parliament of the Province of British Columbia, an Act was passed, entitled "An Act respecting the Union of certain Methodist Churches in Canada," the purpose of the said Act being "to ratify and confirm the said Union, and to vest in the said Methodist Church, all the property in the Province of British Columbia aforesaid, now vested or held in trust for each of the said denominations or Churches, upon such trusts, or for such purposes as may be declared in the said Act of Incorporation, and to confer upon the said Church such further powers as may be requisite.

And whereas, the said Act passed by the Parliament of the Province of British Columbia, in some of its provisions comes into conflict with the powers conferred upon the Methodist Church by the said Act of Incorporation, and in particular enacts that all lands acquired or held under it "shall be subject to the provisions of the Religious Institutions Ordinance, 1869."

Resolved, therefore,—That the President of the Conference, the Secretary of the Conference, and the Ex-President of the Conference, be, and are hereby appointed a deputation to wait upon the Attorney-General, and the Executive of the Government of the Province of British Columbia, for the purpose of representing to them the desirability of having the provision regarding the Religious Institutions Act eliminated, and the said Provincial Act made to harmonize in its provisions, with the Act passed by the Parliament of Canada, and contained in the Discipline of the Methodist Church.

RE JESUITS' ESTATE ACT.

Moved by the Rev. J. E. Starr, seconded by Rev. T. Crosby,

Whereas the members of the British Columbia Conference of the Methodist Church have the conviction that the Order known as The Society of Jesus is an alien, secret, and politico-religious body, the existence of which is totally at variance with the institutions of a free State, be it therefore

Resolved,—That we protest against and condemn the incorporation of the Order known as The Society of Jesus by the Legislature of the Province of Quebec, in 1887, as being subversive of national life, and opposed to civil and religious liberty and equality, the heritage of every British subject.

2. That we emphatically condemn the Act passed at the recent session of the Legislature of the Province of Quebec, entitled "An Act respecting the settlement of the Jesuits' Estates."

First, because it endows from public funds a religious organization, thereby violating the undoubted constitutional principle of the complete separation of Church and State.

Second, because it recognizes the usurpation of a right by a foreign authority, viz., His Holiness the Pope, to become an arbiter in matters pertaining to provincial legislation; and

Third, because the endowment of the said Society of Jesus, the expulsion of which from every civilized country wherein it has found a foothold, has been necessitated by its intolerant and mischievous intermeddling with the functions of civil government, is fraught with danger to the civil and religious liberties of the people of Canada.

3. That we indignantly resent the action of the said Legislature of the Province of Quebec, in recognizing the usurpation of the right of the Pope of Rome to interfere in the administration of our internal and civil affairs, regarding such action as derogatory to our system of government, and an insult to our Sovereign Lady the Queen.

4. That we unhesitatingly condemn the Federal Government, not only for the unseemly haste which they displayed in advising His Excellency the Governor General to allow the Bill respecting the settlement of the Jesuits' Estates, thereby thwarting the people's right to petition, but also for not advising His Excellency, on the grounds of public polity, to disallow the said Bill.

5. That while we desire to place on record our hearty appreciation of the stand taken by the *Toronto Mail* and *Montreal Witness*, and also of the course pursued by the thirteen members who, rising superior to party allegiance, manfully announced themselves as being on the side of principle, at the same time, we deprecate the spectacle presented upon the floor of the House of Commons, where a majority in the two great political parties of Canada acknowledged their subserviency to party, to Jesuitical influence, and to the Roman hierarchy, and we hereby express the opinion that the 188 members of Parliament who voted against the amendment offered by Col. O'Brien are unworthy of the confidence of the Canadian Electorate.

Carried, with but one opposing vote.

CONDOLENCE WITH MRS. HEMLAW.

Moved by Rev. T. W. Hall, seconded by Rev. A. E. Green,

That whereas it has pleased our Heavenly Father to remove from the toils and trials of the Church militant, to the rest and reward of the Church triumphant, our greatly beloved and deceased brother, Robert Bruce Hemlaw, therefore,

Resolved,—That, while we bow in submission to the Divine will, we desire to convey to our bereaved sister Hemlaw, our deepest sympathy, and earnestly pray that the presence of our loving Saviour may be with her in her great sorrow.

PURCHASING OF PARSONAGE FURNITURE.

Moved by Brother O. D. Sweet, seconded by Rev. S. J. Thompson,

That whereas, in the removal of ministers from one Miss'on to another in British Columbia, large sums of money are paid out of the funds of the Missionary Society for the removal of heavy furniture, sometimes nearly, if not quite, as much as the furniture itself is worth, be it therefore

Resolved,—That this Conference represent this matter to the Missionary Committee, with a view to having the household furniture in parsonages on Missions, purchased by the Missionary Society.

LEAVE OF ABSENCE TO REV. D. JENNINGS.

Resolved,—That in view of the fact that Rev. D. Jennings has been advised by the physician attending his wife that it is necessary she should be treated in San Francisco, in order to her complete recovery, this Conference grant the Rev. D. Jennings leave of absence from his work for two months.

SYMPATHY WITH REV. A. CARMAN, D.D.

Moved by Rev. J. E. Starr, seconded by Rev. C. Ladner, and

Resolved,—That we, the members of the British Columbia Conference, place upon record our deep regret, that owing to the serious illness of his wife, the General Superintendent, Rev. Dr. Carman, was unable to be present and preside over the sessions of our Conference, and we hereby extend to him our tenderest sympathy, and pray that the God of all grace and consolation, will grant to him the comfort and support required in this hour of severe domestic affliction.

METHODIST COLLEGE.

Moved by Rev. A. Green, seconded by Rev. S. J. Thompson, and adopted,

Whereas, we think that the time has come that we should take steps towards the founding of a Methodist College in this Province; and

Whereas, the need of such an institution is yearly becoming more pressing, inasmuch as many young people of our Methodist families are compelled to leave the Province to obtain a higher education; be it

Resolved,—That the President and the Secretary of the Conference, the Ex-President, and Rev. J. E. Starr, and Messrs. David Spencer, Noah Shakespeare, Thomas Cunningham, and A. C. Wells, be appointed a Committee to ascertain the utility and feasibility of procuring sites, erecting buildings, and establishing such an institution; the Committee to report to the next annual Conference.

RE THE YATES' ACCOUNT.

Resolved,—That the resolution upon this subject, which was adopted by the Conference last year, be re-affirmed, viz:—

“That the President and the Secretary of the Conference be authorized to settle the Yates' account out of the Contingent Fund; if necessary, borrowing the amount needed, and making it a charge upon the Contingent Fund.”

PULPIT SUPPLY.

Resolved,—That ministers moving to new fields be responsible for the two Sabbaths following the rising of the Conference, on their old fields.

WOMAN'S MISSIONARY SOCIETY.

Mrs. Grant, President of the Victoria Auxiliary of the Woman's Missionary Society, was introduced to the Conference, and in an able address advocated the claims of the Woman's Missionary Society, after which it was moved by Rev. J. E. Starr, seconded by J. Jessop, Esq., and

REV. J. W. WADMAN, M.A.

Moved by Brother T. G. Raynor, seconded by Rev. A. E. Green, in view of the fact that Brother Wadman severs his connection with us, at the rising of this Conference, be it

Resolved,—That we take this opportunity to express our appreciation of his many excellent qualities as a Christian minister and brother, in this branch of Christ's Church, and that we deeply regret his leaving us, and earnestly pray that the blessing of God may attend him in his new field of labor.

THANKS TO THE EX-PRESIDENT.

Moved by Rev. C. Ladner, seconded by Rev. J. H. White, and

Resolved,—That the hearty thanks of this Conference are hereby extended to the Rev. E. Robson, for the faithful and efficient performance of the onerous duties of his office during the past year. We cannot allow our esteemed brother to retire from the Presidency without expressing our high appreciation of his zeal for, and devotion to, the cause of Christ and of Methodism, in this Province, and we assure him that our sincere prayers will be offered to the Great Head of the Church, that he may long be spared to prosecute the work so dear to him.

THANKS TO REV. JOSEPH HALL.

Moved by Rev. J. H. White, seconded by Rev. S. J. Thompson and

Resolved,—That the Rev. J. P. Bowell, Conference examiner in Greek Grammar and Exegesis, having kindly offered to assist candidates and probationers for the ministry in the preparation of these subjects for examination by correspondence during the year ;

We hereby thank Bro. Bowell for his generous offer, and strongly advise the young brethren to avail themselves of it.

THANKS TO THE PRESS.

LIBERALITY TO SUSTENATION FUND.

Resolved,—That the thanks of this Conference be presented on next Sabbath from the pulpits of the Wesley and Gorge Road churches, to the members of these congregations, for their noble liberality in responding to the appeal made by the Rev. J. E. Starr, and thus assisting the Conference in the special effort made by its members to so increase the receipts of the Sustentation Fund as to relieve to any considerable extent the necessities of the ministers stationed on the Domestic Missions in this Province.

COPY OF MEMORIAL UPON LAY REPRESENTATION.

To The Members of The Third Session of the British Columbia Conference now assembled:—

DEAR BROTHERS,—At a meeting of Lay Representatives of this Conference, held in the vestry room of Pandora Street Church, Victoria, it was unanimously resolved, that the time had fully arrived to memorialize the General Conference to so amend the Discipline as to allow lay representatives equal voting power with the Ministerial members on all questions coming up for discussion and action thereon; more particularly, as it is the opinion of these lay delegates, that it would be conducive to harmony and good-will among all concerned for the lay element to have equal representation on the Stationing Committee, as it will readily be conceded, that lay representatives have the moral, financial, and spirit-

THE ANNUAL ADDRESS
OF THE
BRITISH COLUMBIA CONFERENCE OF THE METHODIST CHURCH
TO THE
SOCIETIES WITHIN ITS BOUNDS.

DEARLY BELOVED,—Assembled in our Annual Conference after the toils and triumph of another year, we send you our greetings and counsels, trusting you may receive such as a renewed assurance of the unfeigned love which we cherish for your souls, and the earnest solicitude that you may abound yet more and more in the knowledge and love of God and of our Lord Jesus Christ. Showers of blessings have been experienced on nearly all our Circuits and Missions, and we gratefully record to the honor and praise of Him whose we are and whom we serve, an increase of 449 to the membership of our Church during the past year. We are also glad to note an increase of \$784 in the Missionary contributions of the Church, as well as a very gratifying advance in all other Connexional Funds.

Death has entered our ranks since we last met in Conference Session, and the Rev. R. B. Hemlaw, a brother greatly beloved and highly esteemed for his work's sake, has passed to rest and reward. In the midst of our sorrow we cannot but rejoice in the contemplation of his faithful life, earnest toil, and peaceful death. To his sorrowing widow we extend our heart-felt sympathies. We are glad to learn that every department of our Sabbath-school work is in a prosperous condition, and heartily commend to your prayers and practical sympathy these nurseries of the Church. Our Sustentation Fund which we had hoped would have afforded material relief to some of our brethren laboring on domestic Mission fields has not fully met our expectations, and as a consequence, many of our ministers with their families still suffer serious financial embarrassment. We again commend this very important Fund to your Christian liberality.

In connection with our Missionary interests, we desire to call your attention to the noble work being done by the Woman's Missionary Society. During the past year these consecrated women have, by their self-sacrifice and devotion, added thousands of dollars to the missionary resources of the Church. At present, only one auxiliary, that of Victoria, exists within the bounds of the Conference. We strongly advise that wherever it is at all possible, auxiliaries be organized.

As a Church, we are strongly pledged to the cause of Temperance reform, and we earnestly desire that in this, as well as in all other move-

ments affecting the social and moral well-being of the people, you will always use your influence and cast your vote upon the side of truth and right.

All departments of our work have received our earnest consideration, and we are looking forward to a year of great opportunities and rich results. Remember, brethren, that our claim to be disciples of Christ, and followers of them who through faith and patience inherit the promises, rests upon the manner in which we live. Personal piety, whole-hearted consecration to the service of the Master, are what we need. While some are living without hope and without God in the world, and others living with the form of Godliness but without the power, we are called to be living epistles read and known of all men.

"Wherefore, also, we pray always for you, that our God would count you worthy of this calling and fulfil all the good pleasure of His goodness and the work of faith with power, that the name of our Lord Jesus Christ may be glorified in you and ye in Him." "Faithful is he who has promised, who also will do it."

JOSEPH HALL, *President.*

C. BRYANT, *Secretary.*
