The copy filmed here has been reproduced thanks to the generosity of:

Library of the Public  
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives  
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

**Time for Going Through the Falls.**

The Falls are level or still water at about three and a half hours on the flood, and about two and a half on the ebb, so that they are passable four times in twenty-four hours, about ten or fifteen minutes each time. No other rule can be given, as much depends on the floods in the River Saint John, and the time of high water or full sea, which is often hastened by high winds, and in proportion to the height of them.

**Time Ball.**

The Time Ball on Northern Tower of the Custom House building will be hoisted half its elevation each day (Sundays excepted at fifteen minutes before one o'clock. At one minute before one o'clock it will be hoisted its full height; and at one o'clock, mean time, the Ball will be dropped. A Chronometer, keeping correct Greenwich time, should then show 5h. 24m. 15s., and the difference between this and the time shown by a Chronometer, is its true error on Greenwich time at the moment. As the above hour of one o'clock, when the Ball drops, represents 5h. 24m. 15s. at Greenwich, the error of a chronometer may be ascertained no matter where the ship is lying. Masters of vessels arriving at St. John should compare their Chronometers with the Time Ball, as it will enable them to get the sea rate, which frequently varies from harbor rates. Latitude 45d. 16m. 42s. North; Longitude in time 4h. 24m. 15s. West of Greenwich.

Any shipmaster entering this port, keeping a meteorological register, who may be desirous of having the accuracy of their barometers verified, can do so by comparison at the Observatory, Customs building.

All the calculations in this Almanac have been adapted to "Mean Time" at St. John, except the Sun's Declination and the "Equation of Time," which are for Mean Noon, Greenwich.

"Mean Time" is that shown by a well-regulated clock, and differs from "Apparent Time," or that exhibited by a Sun-dial by what is known as "The Equation of Time." When the Sun is *Slow* this is to be subtracted from "Mean (or Clock) Time," and when the Sun is *Fast*, to be added to "Mean Time" to get the "Apparent Time."

### LETTER CARRIERS' DELIVERY.

Letters and Papers for this delivery should be addressed to **STREET and NUMBER.**

Change of Residence should be promptly notified to the Postmaster in WRITING.

Two deliveries daily, commencing at 8 a. m. and 3.45 p. m.

All letters mailed at the St. John Post Office within fifteen minutes of the hour fixed for morning and evening deliveries will be dispatched by such deliveries.

Letters not bearing the name and number of street, addressed to parties whose address may be known to the Carriers, will be delivered by them. It is always best, however, to have name of street and number of house supplied.

### STREET LETTER BOXES.

The Street and Hotel Letter Boxes in the Cities of St. John are visited daily (Sunday excepted) at 1.30 p. m., and (Saturday excepted) at 10.30 p. m.; also in the leading business part of the city at 11.00 a. m., daily, (Sunday excepted).

### MERCHANTS' BOXES.

Rent of small box \$4, and of large box \$6 a year.

Though every effort will be made in sorting letters to place them in the boxes, when the party addressed is known to have a box, the Postmaster does not hold himself responsible for this always being done; the primary rule being that all letters bearing the number of the house and name of street go there by letter carrier.

An order to place in a box letters belonging to another person than the owner of the box cannot be recognized, unless such letters are addressed to the care of the box or its owner.

Letters for the member of a firm should be addressed to the care of the firm or the number of the box.

Box holders would facilitate the work of sorting by requesting correspondents to add the box number to the address of their letters.

For countries where the 10 cent per  $\frac{1}{2}$  ounce letter rate rules, the charge is 5 cents for the first 4 ounces, and 2 cents for each additional 2 ounces. These papers, when posted for delivery in Canada, must be prepaid at Letter or Parcel Post rates; but Deeds or Insurance Policies are permitted to be sent at the rate of 1 cent per 2 ounces.

## SECOND CLASS MATTER.

*Canadian Newspapers, Etc.*—Newspapers and Periodicals, printed and published in Canada, when issued not less frequently than once a month, and posted from the office of publication, or News Agency, to actual Subscribers or News Agents in Canada and the United States, resident elsewhere than at the place of publication, are free; but copies addressed to Great Britain and all specimen copies, as well as all publications issued less frequently than once a month, are required to be prepaid at the rate of 1 cent per pound or fraction of a pound.

Local Newspapers and Periodicals, *not exceeding one ounce in weight*, are eligible for City delivery by Letter Carriers on the prepayment by stamp of  $\frac{1}{2}$  cent each; when exceeding 1 ounce, and less than 4 ounces, prepayment by stamp of 1 cent will be necessary.

## THIRD CLASS MATTER.

*Transient Newspapers, &c.*—On all Transient Newspapers and Periodicals, addressed to places in Canada and United States, the postage rate is one cent per 4 ounces in weight, which must be prepaid by postage stamp.

Newspapers and Periodicals *published not less frequently than once a month*, and weighing *less than one ounce*, may be posted singly, if prepaid by postage stamp one-half cent each. Newspapers for the United Kingdom must be prepaid 1c. for each 2 oz.

Newspapers and Periodicals, published in the United Kingdom, and brought by mail to Canadian booksellers or News Agent, may be re-mailed by such Booksellers or News Agents, free of postage.

*Miscellaneous and Book Packets.*—The rate of postage upon all Newspapers and Periodicals posted for destinations in Canada, not otherwise provided for, and on Books, Pamphlets, Occasional Publications, Printed Circulars, Prices Current, Handbills, and other matter wholly in print, is 1 cent per 4 ounces or fraction thereof, to be prepaid by postage stamp or stamped postband or wrapper; but when posted for destination in the United States, Great Britain, Newfoundland and all European countries, the rate is 1 cent per 2 ounces.

Upon all Book and Newspaper Manuscript, Printers' Proof Sheets, whether corrected or not, Maps, Prints, Drawings, Engravings, Lithographs, Photographs, when not on glass or in cases containing glass, Sheet Music, whether printed or written—and on all other miscellaneous matter transmissible by post not otherwise provided for—the rate of postage when addressed to places in Canada, the United States, Newfoundland, Great Britain and any European country, is 1 cent for each 2 ounces or fraction thereof, to be paid by postage stamp or stamped postband or wrapper. School and College Ex-

amination Papers, distinctly marked as such, Assessment Rolls, Militia, Statute Labor and Municipal Returns, are permitted to pass in Canada at the rate of 1 cent per 2 ounces.

A book packet may contain a simple invoice of the contents.

No package must exceed 2 ft. in length by 1 ft. in width or depth. Limit of weight for Canada, Newfoundland, Great Britain or United States is 5 lbs.; for other Postal Union countries, 4 lbs.

Seeds, Cuttings, Bulbs, Roots and Scions or Grafts can only be sent to the United States as Fifth Class matter; when posted for delivery in Canada, the postage is 1 cent per 4 oz., and the limit of weight 5 lbs.

*Patterns and Samples.*—Patterns and samples of merchandize not exceeding 24 ounces in weight, when posted in Canada for places within Canada, must be prepaid by postage stamp at the rate of one cent per 4 oz. weight, properly labelled, and put up in such a manner as to admit of inspection. Goods sent in execution of an order, however small the quantity may be, or articles sent by one private individual to another, not being actually trade patterns or samples, are not admissible as such.

Patterns and Samples for the United States, 1 cent per 2 oz., the initial prepayment being 2c. Limit of weight 8 oz.; size 2 ft. in length by 1 ft. in width and depth.

Packets of Patterns or Samples, addressed to any place in Canada, can be registered on affixing thereto registration stamps of the value of 5 cents, in addition to postage stamps representing ordinary postage rate, provided such packets be presented for registration.

The limit of weight to Great Britain, Newfoundland and all countries in Europe, is 8 ounces—postage, 2 cents for the first 4 ounces, and 1 cent for every additional 2 ounces.

No article liable to Customs duty can be sent as a sample or Pattern to a Postal Union country.

#### FOURTH CLASS MATTER.

*Parcels*—Closed parcels may be sent to places in Canada, the United Kingdom and Newfoundland, and also to all those Countries and Colonies with which the United Kingdom maintains a Parcel Post. They should be plainly addressed, and there must be no correspondence enclosed.

Parcels for Canada must be prepaid 6 cents per 4 ounces. They must not exceed 5 pounds in weight, nor 2 feet in length by 1 foot in width or depth, and the sender's name should be written on the lower left hand corner. They may be registered for a fee of 5 cents.

Parcels for the United Kingdom and Newfoundland, must be prepaid 25 cents per pound or fraction of a pound, and must not exceed 5 pounds in weight nor 2 feet in length by 1 foot in width or depth. The table of rates of other countries, to which parcels may be sent, can be seen on application at the Registry Wicket, front lobby of this office. A Customs Declaration of the contents and value of each parcel must be filled up at the Post Office by the sender. Parcels for the United Kingdom and foreign destinations, are forwarded by Canadian Contract Steamers only; and parcels for Newfoundland are sent to Halifax for dispatch by steamer.

#### FIFTH CLASS MATTER,

an ounce. Limit of weight 5 pounds; size 2 feet in length by 1 foot in width or depth. Matter claiming to be Fifth Class must be open to inspection, and there must be no correspondence enclosed. Packages of Fifth Class Matter may be sent to the United States for the same prepayment as is required within the Dominion, but the contents will be liable to Custom inspection and collection of duty in the United States. Sealed tins containing fish, lobsters, vegetables, meats, &c., if put up in a solid manner and labelled in such a way as to fully indicate the nature of their contents, may be sent as Fifth Class matter within the Dominion; but no sealed matter can be forwarded to the United States under this head. Liquids, oils and fatty substances may be sent to places in Canada and the United States at Fifth Class, if put up in accordance with the ruling referring to such articles in the Canada Postal Guide for 1889, page xv.

Electrotype blocks are considered Fifth Class Mail Matter.

## REGISTRATION.

All classes of matter addressed to places in Canada, the United States, Newfoundland, Great Britain or any Postal Union country, may be registered for a fee of 5 cents for each article in addition to the postage; and letters may be registered to most of the countries not included in the Union.

Every article intended for registration must be handed in at the wicket, and a receipt obtained therefor; on no account must it be dropped into a letter box. The registration fee should be paid by registration stamp.

The sender of a registered article addressed to any Postal Union country may entitle himself to a certificate as to the disposal of said article by the Postmaster at the office addressed, on prepayment of an additional fee of five cents.

Registered articles should be prepaid.

Registration stamps cannot be accepted in prepayment of postage.

All letters for Registration should be posted 30 minutes before the hour of closing Mails.

Registered Letter Stamps of the denomination of 5 cents, may be obtained at the usual places.

## RE-DIRECTED LETTERS.

Re-directed Letters to places within the Dominion or United States will be forwarded without any additional charge if returned promptly to the office.

Letters sent to or received from a country of the Postal Union, and afterwards re-directed to any place in Canada, or to a country in the Postal Union, will be forwarded even if taken out of the office and re-addressed; but if re-addressed to a place where there is a higher rate of postage, the difference of postage will be chargeable.

## POST OFFICE SAVINGS BANK.

Any business in connection with depositing and withdrawing money from the Post Office Savings Bank can be transacted at this office, but arrangements have not as yet been made for the opening of new accounts.

MATTER WHICH CANNOT BE FORWARDED THROUGH THE POST.

Any explosive substance, glass, liquid, or other matter likely to entail risk or injury to the ordinary contents of the mail, will be sent to the Dead Letter Office, Ottawa.

Spectacles and eye-glasses, if securely put in cases not likely to allow the contents to escape if broken in course of conveyance, may be sent by Post within the Dominion on prepayment of Parcel Post rates.

Letters containing Gold or Silver Money, Jewels or precious articles, or anything liable to Customs duties, cannot be forwarded by Post to any of the Postal Union countries except the United States.

IMPORTANT.

A letter once posted becomes the property of the person to whom it is addressed, and must be forwarded according to its direction. On no application, however urgent, can it be delivered back to the writer, or to any other person.

SALE OF POSTAGE STAMPS.

Any person, other than a postmaster, who engages in the sale of Postage Stamps or Stamped Envelopes, without being duly licensed by the Postmaster General, is liable, on conviction before a Justice of the Peace, to a penalty of \$40 for each offence.

USEFUL HINTS.

Never send money or other articles of value through the Post Office except either by Money Order or Registered Letter.

Make complaints and inquiries in writing.

Envelopes closed and simply clipped at the ends cannot be forwarded by Book Post.

Preserve and request correspondents to preserve envelopes of mis-sent or delayed letters.

Business men should be careful to authorize but a limited number of persons to receive their letters, and only those in whom they have full confidence.

Have a letter box on your office door.

Letters addressed to mere initials, or fictitious names, will not be delivered, unless addressed in care of a resident, or to some box in the Post Office.

POST BANDS AND STAMPED ENVELOPES.

One cent post bands for newspaper or book packet wrappers, and one and three cent stamped envelopes are issued by the Department, and may be had at the stamp vendors at a trifle above their face value.

MUTILATED STAMPS.

Letters having mutilated stamps, or stamps so soiled and defaced as to make it impossible for the sorting clerks to decide whether they have been used before or not, will be sent to the Postmaster-General for his adjudication.

MONEY ORDER SERVICE.

In sending money by mail it is always best to transmit by Money Order, if possible; if sent by letter it should always be registered.

Money orders issued and paid from 9 a. m. to 4 p. m.

*Commission on Money Orders.*—On Money Orders drawn by any Money Order Office in Canada on any other Money Order Office in the Dominion is as follows: If not exceeding \$4, 2c.; over \$4 and not exceeding \$10, 5c.; over \$10 and not exceeding \$20, 10c.; over \$20 and not exceeding \$40, 20c.; over \$40 and not exceeding \$60, 30c.; over \$60 and not exceeding \$80, 40c.; over \$80 and not exceeding \$100, 50c.

No single Money Order, payable in the Dominion of Canada, can be issued for more than \$100; but as many of \$100 each may be given as the remitter requires.

The other countries and British Colonies upon which Money Orders are granted are distinguished by an *Asterisk* (\*) in the Foreign Postal Table; the rates of commission in all cases being as follows: If not exceeding \$10, 10c.; over \$10 and not exceeding \$20, 20c.; over \$20 and not exceeding \$30, 30c.; over \$30 and not exceeding \$40, 40c.; over \$40 and not exceeding \$50, 50c.
