In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsapavilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this SARSAPARILLA: St. Anthony's Fire, Rose or Erystpelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other eruptions, or visible forms of Scrofulous disease. Also in the more concealed forms, as Dyspepsia, Droppy, Heart Disease; Fits, Fullepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhæa or Whites, Uterius Ulcerations, and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. JOHN QUINTON,

apr 13 MCALPINE'S FOR 1872-3. THE PUBLISHER begs to inform the Public, especially the mercantile and mechanical portion, that he has now a complete MAP OF ST. JOHN, PORTLAND, INDIANTON and FAIRVILLE, in process of completion, compiled expressly from Actual Surveys for the above Directory, by B. C. Kenway, Civil Engineer. This Map will add largely to the cost of the Directory for the ensuing year, but no advance will be made on the previous prices for advertising.

The Publisher appeals to his friends and the public for that support necessary to meet the large expenses connected with the getting up of such Directories, and without which he will be compelled to relinquish the publishing of the St. John City Directory for the future.

The Publisher returns his sincere thanks to all his patrons for the past year, and respectfully asks their support for the present Directory. Genuine."

Steam Brush Factory. New York Sun for 1872 TO ALL WHO CAN READ.

The New York Weekly Sun Doubled in Size without Increase in Price.

With the beginning of 1872, THE WEEKLY Sun has been doubled in size. It now contains eight pages instead of four, making it equal in dimensions to any other weekly secular journal published in this country. At the same time its price has not been increased. It will be furnished to subscribers at the uniform rate of one dollar a year for each copy. To this rate no exception will be made and no reduction will possible, either to clubs or agents. Every subscriber who sends a dollar will receive a copy for a year.
While THE WEEKLY SUN thus furnishes as

much reading matter as other papers published at double or treble the price, it will contain new features which will add greatly to its interest and value as a family newspaper. Its inde-pendence of opinion, and its unqualified hosility to Tweedism and Grantism, and every where he has the largest premises, and the most will be maintained, while in point of political will be maintained, while in point of political news its readers may rely upon always receiving ing Establishment in the Dominion of Canada.

All the latest appliances for making Brushes have been imported from England and the space to valuable agricultural intelligence, and to print interesting stories and romances more can supply the whole Trade of the Maritime extensively than hitherto. This year is destined to be a memorable one in the history of the country. We are on the eve of a most significant Presidential election, and political movements will for many months be watched with unusual interest. As a journal, free from the trammels of party, THE WEEKLY Sun will continue to uphold the principles of true republican government. Its readers are invited to sustain it in that work. The truth, irrespective of party prejudice or official in

duence, will always be told in its columns. Terms of the Weekly Sun-A journal containing eight large pages, published every Wednesday morning—To all mail subscribers, whether single or in clubs, one dollar ear each, always in advance. DAILY SUN, by mail, 50 cents a month, or \$
