# STAR WANT COLUMNS

Waiting gets you nothing; our want columns will get you anything.

**FOYED A SUCCESS.** Sherbourne Street Methodist Choir, Toronto, in Gowns. While the proposition to put a Methodist church choir in black gowns almost took away the breath of some sticklers for good old customs, the result at Sherbourne street church yesterday was entirely successful, and many who came prepared to dissent from the "innovation" went away convinced that the uniform and modest apparel did away with many distracting elements in the musical service, and was a distinct aid to devotional worship. The choir was under a disadvantage as the permanent seats had not been placed in the singing gallery, but the service was excellently rendered throughout. The male members were attired in

black college gowns, with large white ties, and the ladies wore black gowns with a touch of white at the neck, and large black velvet bows, in the place of caps, as used in some Episcopal churches. The boys, besides being much more hygienic, is also more becoming than the "mother board." Besides relieving the choir of the distractions of expensive dresses and hats, the change is an improvement in that it fits in with the color scheme of the building, giving a quiet religious tone to the front of the church.

**QUEBEC, Oct. 1.**—Capt. Dumais C. Ross, who came to Quebec some time ago and attempted to work off a fake performance on the public, and was subsequently arrested, was released today after spending twelve days in jail.

**NEW YORK, Oct. 2.**—The following sections of canons 14 and 15 in the proposed new canons of the Episcopal church are the two principal ones relating to marriage and divorce, to be acted on today at the Episcopal convention at San Francisco: Canon 14, section 4—No minister shall solemnize marriage between any two persons unless by inquiry, he shall have satisfied himself that neither person has been or is the husband or the wife of any other person then living, unless the former marriage was annulled by a decree of some civil court of competent jurisdiction for cause existing before such former marriage. Canon 15—Of the discipline of divorced persons. 1—No person divorced for cause arising after marriage and marrying again during the lifetime of the party to the divorce shall be admitted to a baptism, or confirmation, or received into holy communion, except when penitent and separated from the other party to the subsequent marriage, or when penitent and in immediate danger of death, but this canon shall not apply to the cause of adultery.

## SISSIBOO PULP MILLS.

This Nova Scotia Concern in Default in Payment of Interest.

**MONTREAL, Que., Oct. 2.**—Sissiboo Pulp Mills company, Weymouth, Nova Scotia, the stock and bonds of which are largely held in this city, has defaulted in payment of interest on its bond issue, which should have been made yesterday. The bonds were issued two years ago to the amount of a quarter of a million, bearing six per cent, 30 year gold bonds. The company it is said, hopes before long to be able to meet the payment of interest, and the bond holders are being asked for an extension of time.

The hiding place of the brigands has not yet been discovered, and the delay accorded by the abductors is taken to indicate that they consider their retreat quite secure.

## LOTS OF ICEBERGS.

Twenty icebergs were passed from 52.40 N. long. 52.30 W., to Belleisle. When the vessel was passing Belleisle flags were flying "S. E. E.", meaning Communications by telegraph stopped. ## SOME COSTLY GOWNS.

The great customer, George Pileoles says that he once designed 240,000 worth of dresses for one lady, while Worth confessed a Peruvian heiress paid him \$4,000 for a single frock. After this she paid for the second train of the dress. The Empress of Russia seems hardly worth mentioning. It was a mass of silver embroidery, upon which eight girls were at work in relay, night and day, for six weeks, and the bill came to just \$1,000.—London Tit-Bits.

## CONSOLING FRIEND.

"I shall never marry," said the girl in blue with decision. "Oh, my dear," replied the girl in gray, "you're really not so bad looking as all that."—Chicago Post.

## HANGED BY MASKED MEN.

The Assailant of a Little Girl in Helena, Montana.

**HELENA, Mont., Oct. 2.**—James Edward Brady, a man who assaulted five-year-old Ida Fugler in Helena yesterday, was taken from jail by a mob at 1.30 this morning and hanged to a telegraph pole in the Haymarket square, about three blocks from the jail. The crowd was orderly, and after the hanging quickly dispersed. There were about 200 men engaged in the affair, and they were all masked. They attacked the jail door with a battering ram, and it soon yielded. On gaining admittance they demanded the key of a gun the keys of the jailer and threatened if he did not yield the man they would kill him. The jailer then got the man out of his cell and he was given to the mob. When they first took him Brady asked: "What is it, gentlemen?" The march to the hanging place was quiet. There Brady was given a chance to say a word. He declared that they had the wrong man, although he was positively identified by his victim and a score of other persons who had seen him with the child. He also asked that some money that was due him from the Montana Central railroad be sent to a niece, and then he was pulled up. The end of the rope was tied to the pole and the crowd dispersed. Later Sheriff McConnell had the body down and placed it in a coffin. There will be an investigation today.

## SEVENTEEN MINERS DEAD

One of Them a Man Named Boyd of Nova Scotia.

**VICTORIA, B. C., Oct. 2.**—The explosion in the Excursion mines on Monday was caused by a lamp. Seventeen miners who were entombed are now known to be dead. When the fire started the men above managed to get out, but the seventeen re-entered to fight the flames. Smoke began to pour from all outlets. Several explosions were heard, and then the atmosphere in the mines became so dense that the asphyxiation of those inside must have resulted immediately. The fire in the mine communicated to other chambers and levels, and in half an hour the entire slope was on fire. Rescuers who flocked to the mine were literally compelled to retrace their steps or be baked, as the earth grew as hot as a baker's oven. Among the dead is a man named Boyd, a native of Nova Scotia, who was employed as a pusher and resided at Extension.

## BRIEFS BY WIRE.

The steamer Humboldt has arrived at Seattle from Skagway with 216 gold bars and over \$1,000,000 in gold. D. W. Millspaugh of Chicago, formerly general solicitor for the Southern Pacific railroad, died at Dillon, Mont., last night as the result of injuries inflicted by J. P. Bromberg during a quarrel. The only eye witness to this affair says, as does Bromberg, that Millspaugh had his hand in his hip pocket as if about to draw a revolver. The official appraisement of the estate of J. S. Rogers, the locomotive builder of Paterson, N. J., who left his millions to the Metropolitan Museum of Art, values it at a little more than \$5,000,000. Acting Secretary Spaulding of the United States treasury has approved a plan for a yellow fever institute within the marine hospital service, whose object will be to collect facts and make investigations of the subject of yellow fever. Widespread destruction has been caused by floods in the districts of San Baudilion and Lobregat, Spain. Cottages have been swept away and whole villages are inundated. Many lives have been cut off from escape and are in peril.

## SEVENTY-FIVE BISHOPS

At the Triennial Convention in San Francisco Today.

**SAN FRANCISCO, Cal., Oct. 2.**—The triennial convention of Episcopal bishops, clergy and laity was inaugurated at 7.30 a. m., with the celebration of the holy communion in the local Episcopal church. At 11 a. m. the convention was formally opened at Trinity church with religious exercises. Seventy-five bishops assembled in the guild room of the church and put on their robes. They then formed in procession and marched up Bush street to the main entrance of the church, continuing up the centre aisle. The procession was headed by Rev. W. Clappet, rector of Trinity church. The choir sang the processional hymn while the bishops moved along, and the service was intoned. Communion followed the preparatory prayers, and the religious offices concluded with the recessional. The convention sermon was preached by Bishop Morris of Oregon, the senior attending bishop. In the afternoon the house of bishops and the delegates of the house of deputies met and organized for business.

## ACROSS THE BAY.

Acadia College Reopens Today—Smallpox at Kentville—Interesting Personal News.

**WOLFVILLE, Sept. 30.**—The "At Home" at Acadia Seminary on Friday evening was an enjoyable function. Many friends called to pay their respects to the new teachers and welcome the old ones. Principal and Mrs. DeWolfe and Miss Patten, assisted by the whole staff of teachers, received and welcomed the guests. After a social hour had been spent, refreshments were served. Everything points to an exceedingly prosperous year, as the attendance is large and all the members of the teaching staff are superior in their departments. Miss Georgia Palmer, a former musical pupil at Acadia Seminary and a graduate in music at Mt. Allison, has gone to Germany to complete her studies. Mr. and Mrs. A. Dixon, Montserrat, are the guests of Prof. Wetzman, Prof. Sears of the Horticultural School and Mrs. Sears have returned from a long visit to their old home in Kansas. The Wolfville Baptist Aid Society has issued invitations to a farewell reception to be held next Friday evening at the Baptist parsonage, to Mrs. Walter V. Higgins and Mrs. N. LeFamure, outgoing missionaries to India. Acadia College reopens on Wednesday, with the prospect of a large freshman class. Miss Mabel Wortman, daughter of Prof. Wortman, has gone to St. John and Sussex, where she will visit friends. Miss Drew, of the department of vocal culture, Acadia Seminary, is about organizing a chorus of mixed voices, to rehearse standard music during the winter. This movement has the hearty approval of the executive committee of the board of governors. At least two cases of smallpox are known to be in Kentville. On the day that the two men afflicted with the disease passed through Kentville, a large colored handkerchief was picked up at the station by a member of one of the families now down with the smallpox. An attempt to make Kentville a shipping port has been made by A. Eloy, who has had constructed at Advoque, a craft, schooner rigged, sixty feet in length and flat bottomed, for river navigation. If this venture is a success it will be a great boon for the conveyance of coal.

Mrs. C. E. Burgess, accompanied by Mrs. (Captain) Taylor, has gone for a three months' trip to England. The latter will meet her husband, Capt. Taylor, who has command of the Canadian, soon to arrive from Australia. W. W. Conrad, Acadia '97, who had charge of the Presbyterian church at Harmony this summer, has returned to Pine Hill to pursue his theological course.

Miss Georgia Heales, who graduated from Acadia in June, has gone to New York, where she will enter a hospital as nurse.

## O'GRADY-HALY THE MAN.

**TORONTO, Oct. 2.**—The question has been raised as to whether Colonel Blakeney, the officer in charge of the Imperial troops at Halifax, or Major General O'Grady-Haly should command the troops who will parade for the royal review at Halifax, towards the end of this month. The opinion of the law officers at the department of justice is that the major general commanding the Canadian militia ought properly to be in command on the occasion in question, and doubtless the imperial authorities will take the same view.

### LOCAL NEWS.

Steamer Evangeline left Halifax 2nd Oct. at 4 a. m. for St. John, and will be due here early Thursday morning.

The members of Peerless Lodge, I. O. O. F., are requested to attend the funeral of the late Thomas E. Coram on Friday. See notice in this issue.

The feature of a concert on board the Evangeline this evening, which arrived at Halifax Monday night, were the songs by Jessie MacLachlan, who was one of the passengers.

A despatch today says Sir Thos. Lip-ton has asked that the races be held each day till finished, instead of on alternate days. This will probably be done.

The Missoula correspondent of the Anaconda Standard, writing on Sept. 28th, says:—  
Robert Pugsley of New Brunswick arrived here this week and will take a position in the grocery department of the Missoula Mercantile company.

The yacht Grayling came off the blocks today and is now open for charter from six or eight gentlemen for shooting party up river. A competent man will accompany the vessel, and terms and dates can be arranged with Mr. Whelpley, 579 Main street.

The C. P. R. will not make any illumination at Sand Point when the royal visitors are here, but will decorate the building at the foot of King street and their ticket office on King street in a most elaborate and beautiful manner.

Small boys have been in the habit of lurking about the I. C. R. Depot on the arrival of trains and trying to steal small parcels of baggage. Some small articles taken have been recovered, and the officials are keeping a very sharp lookout for the offenders.

The funeral of the late William T. Etchingham took place at seven o'clock this morning from his late residence, City road. The body was taken to Chapel Grove for interment by the Maggie Miller. Prayers were read by the Rev. Fr. Borden of St. Peter's church.

**WAS IT MISS LOGAN?**  
Some days ago there arrived in Montreal by the C. P. R. a young woman who stated that she belonged to Worcester, Mass., and who was on her way to Brandon to attend her brother, who was ill out there. She said she had a vision, and in it was told that her brother was sick. She had money enough to take her to Montreal and was to trust in God for further help. She said her parents lived in Sussex, N. B. The woman was taken in charge by the Young Women's Christian Association and endeavors made to communicate with her parents and brother.

The police of this city have an idea that the woman mentioned as arriving in Montreal was Mary Ann Logan of 120 Pond street, who disappeared some weeks ago and has not since been heard of. Miss Logan worked for two years at the Clifton house and left there on the 23rd of July. She then went to work at Dr. Broderick's, giving her name as Annie Ruley. At Dr. Broderick's she stayed until August 27th, and then disappeared. Miss Logan was dressed in black, with a large black hat turned up in front and covered with feathers. She is slight of figure, has brown hair and dark blue eyes. The police are now endeavoring to find out if the woman in Montreal is the missing Miss Logan.

### JAIL AND COURT HOUSE.

The grand jury recently recommended that the county council room be placed at the disposal of the grand and petit juries, when those bodies are in session; that changes be made to the rooms set aside for the use of the judges and barristers, suggesting in this connection that the council appeal to the attorney general in order that the cost of changes might be borne by the local government, in the meantime both rooms should be improved; that the upper part of the dead house be converted into an office for the use of the jail turnkeys.

Yesterday the municipal council examined the rooms and referred the matter to the building committee with power to act, the expenditure on the judges' and barristers' rooms to be not over \$500.

The court house is to be decorated for the dual visit, the Maritime Art Glass Co.'s tender for \$300 being accepted.

Tenders are to be asked for 6 bath room, 24 cell and 6 corridor doors for the jail.

The finance committee has borrowed \$12,000 at 4 3-4 per cent. for jail repairs.

Ross explained to the court that the prisoner had been drunk all summer, that he was a man with good education, quiet, and a hard worker when sober, but has been on a continuous drunk. Donohoe was fined eight dollars or thirty days.

Appointed in April, 1893—during all his term of office he performed the duties of sheriff with honesty, promptness and exactness, well upholding the dignity of the position; and as returning officer in elections, dominion and local, he treated both sides with equal fairness and impartiality, thus commanding and retaining to the time of his death the respect of all with whom he was brought in contact.

### THE SMALLPOX SCARE.

The danger from the case of smallpox does not appear to be so great as was stated yesterday. In the police court this morning the sailor Hollerby was brought up, and said that he belonged to the ship Hebe, out the Mera B. The clothing of the sick man remained in the West End house but a short time after he was taken to the hospital.

Frost was summoned and provided a casket, in which the remains will be taken forward by the Quebec express this evening to Bathurst, en route to Carquet.

### RUSH FOR SEATS.

As expected, there was a great rush for choice positions at the plan opening of the MacLachlan concert, which occurred this morning. No singer in the world appeals to our public as does the magnetic Scotch artist, and some should miss the great treat offered Monday night. It will be advisable to secure seats early tomorrow.
