As to the shutting up of back and side doors, that is done in Glasgow, was in a constant tremble for over three hours. A chasm was opened extending by the library, as a guarantee of their renearly everyvolume that has left the library as it is on this side the Atlantic.

One point it is well to keep in mind. The movement which has developed into the proposed Bill did not originate with the Temperance men, strictly so called. It originated with the Evangelical Alliance, many of whose members are, to say the least, but moderate on the drinking question. Many who have signed petitions in the strictly so called and great desolation prevails among the inhabitants of Lone Pinc.

A dispatch to day, from Visalia, says several shocks were felt in that city last index, with the address of the householder and the book-borrower attached. With It deters those who are careless from keeping books in their possession after they have ceased to attend the library, and in this security for his honesty a man may exchange his book as often as he pleases. The general public have free access to the library at all hours of the day, and can ob male relative has been left her through the drinking habits. It is not a Prohibitive Law that is asked, far from it. Nor is it even a Permissive measure, though I trust weshall have the latter ere long.

mit of investigation. There are rumors of a volcano in active operation having been they read it "on the premises." Consols are unchanged. The London Echo contains an article upon the Union of Canada with Great | At Oak Point, King's County, on the 2d inst Britain, in which it hints strongly that the WILLIAM FREDERICK, fifth son of DANIEL and connection between the two countries is

ELIZABETH MARLEY, aged 11 days.

At Brocklyn, New York, on Good Friday last, merely artificial, and intimates that Lord Dufferin is possibly the last Viceroy of the brother of John W. Ni-holson, Eq. Dominion. [The Halifax Chronicle's story, On Wednesday, 3rd inst., at his residence, No. 13i Germain street, P. H. Walsh, aged 56

Disraeli addressed an immense Conservat ve meeting in Manchester last evening, residence, at 2 o'clock, when friends and acquaintances are respectfully requested to archy. To the Throne, he said, must attend. be ascribed the blessings which Englishmen enjoy. The Sovereign does exercise a real influence. The monarchy was an institution around which in peril and adversity the people can rally. The English mon archy cost less than that of any other nation. The expense of the sovereignty of the United States, which embraced Congies and State Legislatures as well as the Executive, was between £700,000 and £800,000 sterling,—double the total of the English civil list. He closed with a vindication of the aristocracy and a defence of the House of Lords as an essential element of the Government.

It is stated that a Bonapartist re-action in France is about to be inaugurated. Hotel Arrivals.
